- a) In the event Third Party Claim involves or could involve a regulator ("**Regulatory Third Party Claim**") the Purchaser shall be entitled to defend Regulatory Third Party Claim and the Vendor is not entitled to take over the defence of Regulatory Third Party Claim without Purchaser's consent. The Purchaser may in particular take any measures (or cause the respective company of the Target Group to take such measures) that in its opinion are necessary to dispute, defend, acknowledge or settle Regulatory Third Party Claim in its own name or in the name and on behalf of the companies of the Target Group. The Vendor shall (i) be kept informed of all circumstances of the defence and (ii) consult with the Purchaser at any time upon Vendor's request if the circumstances permit.
- b) The Vendor shall not be liable for a Regulatory Third Party Claim if and to the extent the Purchaser or, after Closing, any of the Target Companies acknowledges or settles or waives to dispute or to defend itself against such Regulatory Third Party Claim. 11.3.5 Costs and Expenses of Defence

The costs and expenses incurred by the respective Party for defending against the Third Party Claim or the Regulatory Third Party Claim shall be borne

- a) by the Vendor to the extent that it turns out that a Vendor's Breach was involved; and

12. General Exclusions and Limitations of Vendor's Liability

12.1 Limitation of Vendor's Liability

Without prejudice (*unbeschadet*) to any other exclusions or limitations set forth in this Agreement, the Vendor shall not be liable and the Purchaser shall not have any claims against the Vendor under or in connection with the Vendor's Representations, if and to the extent (i.e. provided that such exemption shall only relieve the Vendor of its liability to the extent that the occurrence of any of the conditions below would have reduced the respective Loss) that one of the following exemptions applies:

- a) the Purchaser, its Affiliates and/or, after the Closing Date, a Target Company, has negligently caused or contributed to the relevant Losses according to section 254 BGB; and/or
- b) the procedures and time limits set forth in Clause 11.2 and 11.3 have not been complied with by the Purchaser or any of its Affiliates or the Target Companies and such non-compliance has caused or increased the damage resulting from the Vendor's Breach; and/or
- c) where guarantee statements refer to title to (*Inhaberschaft*) or ownership of (*Eigentum*) assets (*Gegenstände*), the existence of and/or obligation to grant the following third party rights with respect to these assets shall not be deemed to qualify as a Vendor's Breach: (i) statutory third party rights (e.g. statutory security rights in favour of tax authorities, statutory pre-emption rights (*Vorkaufsrechte*) of governmental entities, landlord-pledges (*Vermieterpfandrechte*) according to section 562 BGB; rights according to section 72 VAG) or (ii) customary (*handelsübliche*) security rights for debt reflected in the Financial Statements or the Interim Financial Statements (e.g. security rights granted to banks to secure their credit); and/or

- (1) any change in accounting practices of the Purchaser, its Affiliates and/ or, after the Closing Date, a company of the Target Group; and/or

- e) the matter to which the claim of the Purchaser relates has been taken into account in the Financial Statements or the Interim Financial Statements as a liability (*Verbindlichkeit*), provision (*Rückstellung*) other than by a general provision (*pauschale Rückstellung*) not calculated in view of specific risks, depreciation (*Abschreibung*) or valuation adjustment (*Wertberichtigung*); and/or
- f) based on the argument that the Purchaser calculated the Purchase Price on an incorrect basis and thereby multiplying an alleged damage; and/or
- g) the Purchaser or its legal representatives (*Organ*) or any person involved in the transaction by (i) having entered the VDR, (ii) taking part in any of the management meetings and any of the expert calls listed in **Schedule 12.1g) Part A**, except as specified in **Schedule 12.1g) Part B** on behalf of the Purchaser, the Guarantor or any Affiliate of the Guarantor had actual knowledge (*positive Kenntnis*) prior to the date of this Agreement of the circumstances constituting the relevant Vendor's Breach; and/or
- h) the matter to which the claim of the Purchaser relates or the underlying facts were disclosed in the Agreement or any of the Schedules attached to the Agreement regardless of whether or not the relevant Clause or Schedule makes specific reference to the Clause of the Agreement which includes the respective Vendor's Representation (provided that such matters are fairly disclosed in sufficient detail and in a manner and location within the Agreement or the Schedules where a reasonable person knowing the Agreement and all Schedules thereto would be able to identify such information in connection with the specific Vendor's Representation – in order to enable the Purchaser to assess their relevance to the specific Vendor's Representation); and/or
- i) the matter to which the claim of the Purchaser relates or the facts underlying or constituting such claim were disclosed in writing in the virtual data room made available to the Purchaser in the course of the process, including the written Q&A process contained in such virtual data room (the "VDR"); provided, that

information shall only be deemed to have been disclosed for purposes of this Section 12.1(i) if (i) such information is either included in the Blue Ray Disc delivered by Sterling on behalf of Vendor to Linklaters as Purchaser's legal counsel on January 12, 2015, labelled "BLUE 9th January 2015 11:15 GMT", containing the full contents of the VDR or communicated by Vendor or its legal advisors by any of the e-mails (including the attachments thereto) which are shown (excluding attachments thereto) in **Schedule 12.1 i**), and (ii) such information is fairly disclosed in the VDR in sufficient detail and in a manner and in a location where a reasonable person would expect to search for such information in connection with the specific Vendor's Representation in order to enable the Purchaser to assess their relevance to the specific Vendor's Representation; provided, further, that this Clause 12.1(i) shall not apply to Clauses 10.1, 10.2, 10.3, 10.4, 10.5, 10.6, 10.11, 10.12.1g), 10.14, 10.20, or to the failure to include information in any Schedules referenced in any such Clauses.

- j) where the liability is contingent only, the Vendor shall only be liable if and until such contingent liability becomes an actual liability or is finally adjudicated; and/or
- k) where the realisation of the claim would lead to or result in a double discharge of the Loss in question(*keine Doppelanrechnung*). For the avoidance of doubt, if the Purchaser is entitled to a claim or payment in respect of the same factual circumstances under more than one provision of this Agreement, it shall only be entitled to recover once; and/or
- l) where advantages result from the specific cause of the Vendor's liability, in particular tax advantages and damages covered by a claim against Third Parties.

Thereby in particular

- a) any defect-related rights and claims in accordance with sections 434 to 441, 443 and 453 BGB;

- a) the respective Tax has been paid until the Effective Date;
- b) liabilities (*Verbindlichkeiten*) or provisions (*Rückstellungen*) for the respective Tax are included in the Financial Statements,
- c) the Purchaser, any of the Target Companies or any of their Affiliates are entitled to any benefits in respect of Taxes that are associated with a Tax Indemnification Claim and arise for periods or portions thereof beginning after the Effective Date, including (without limitation) benefits resulting from the lengthening of any amortization or depreciation periods, a step-up in the Tax basis of assets or the non-recognition of liabilities or provisions (*Phasenverschiebung*) (herein collectively “**Tax Benefits**”), it being understood that the net present value of the corresponding Tax Benefits shall reduce the Tax Indemnification Claim. The net present value shall be calculated on the basis of (a) the Tax rates applicable (or expected to be applicable) in the year in which the respective Tax Benefit arises, and (b) an applied discount factor of four (4) per cent p.a. If the discount period cannot be determined a period of five (5) years shall be used;

14.3 Tax refunds

The Purchaser shall pay to the Vendor any Tax Refunds received by the Target Companies (i) for any time period (*Zeitraum*) or portions thereof ending on or before the Effective Date, except to the extent the respective claim for a Tax Refund is shown in the Financial Statements or to the extent such Tax Refund will result in a corresponding Tax liability as a reversal effect in the time period after the Effective Date, it being understood that only the net present value of the future Tax liability shall reduce the Tax Refund by applying the calculation method as set forth in Clause 14.2.1 c) accordingly, and (ii) for any time period or portions thereof after the Effective Date if the relevant Tax was previously indemnified under this Agreement. The Purchaser shall notify the Vendor in writing within ten (10) Business Days of any relevant decision by the Taxing Authority, and any amount payable to the Vendor pursuant to this Clause 14.3 shall be due and payable within twenty (20) Business Days after the Tax Refund has been received by the Target Company.

14.4 Tax returns and tax assessments

14.4.1 Tax Returns to be filed after the Closing Date for any period ending before or including the date of this Agreement shall be prepared consistent with the policies, procedures, practices and election rights adopted in the financial statements of the relevant Tax period unless any deviation from such policies, procedures, practices or election rights is mandatorily required under applicable law. The Purchaser shall ensure that any Tax Return to be filed for any period ending before or including the date of this Agreement will not be filed without the Vendor's consent which shall not unreasonably be withheld or delayed. Such Tax Returns shall be furnished to the Vendor no later than thirty (30) Business Days prior to the due date of the relevant Tax Return and will be filed in accordance with the Vendor's instructions unless and except to the extent such instructions do not comply with mandatory law. The Vendor shall provide instructions within twenty (20) Business Days after receipt of the relevant Tax Return. Any Tax Returns relating to any period ending before or including the date of this Agreement may not be amended without the prior written consent of the Vendor, which shall not be unreasonably withheld by the Vendor, and the Purchaser shall follow, and shall cause the Target Companies to follow any instructions of the Vendor regarding the amendment of such Tax Returns unless otherwise required under mandatory law.

14.4.2 If, after the Closing Date, any Taxing Authority informs the Purchaser or any Target Company of a Relevant Tax Matter, or if the Purchaser or any Target Company otherwise becomes aware of any Relevant Tax Matter, the Purchaser shall notify the Vendor of such matter. The Purchaser's notice shall be given within five (5) Business Days after the Purchaser or the relevant Target Company has received the relevant information or knowledge, or at any earlier date if required to enable the Vendor to participate in any Tax audit or to review the relevant Tax assessment within the applicable period available for an appeal or other legal remedy. If the Purchaser has reason to believe that a payment is to be made by the Vendor pursuant to Clause 14.2, such notice shall state the amount of the alleged Tax Indemnification Claim and must be accompanied by evidence reasonably necessary to determine the fact, amount and payment of such claim.

14.5 Cooperation on tax matters

14.5.1 The Purchaser shall, and shall ensure that the Target Companies, their Affiliates and their respective employees and advisors fully cooperate with the Vendor and its advisors in connection with any Relevant Tax Matter, including but not limited to the filing of any Tax Return, the conduct of any inquiry, examination, audit, investigation, negotiation, dispute, appeal or litigation, and the Vendor shall be in control of any Relevant Tax Matter and the Purchaser shall (and shall ensure that the Target Companies) follow any instructions of the Vendor unless and to the extent such instructions do not comply with mandatory law.

14.5.2 In particular, and without prejudice to the aforementioned the Purchaser shall

- a) not cause or permit any of the Target Companies to take any action on or after the Closing Date (including, without limitation, the making or changing of any Tax election, the amendment of any Tax Return or the taking of any Tax position on any Tax Return) that could give rise to (or increase) any Tax Indemnification Claims unless such action is mandatorily required under applicable law;
- b) keep and make available to the Vendor, and instruct that the Target Companies will keep and make available to the Vendor, all books, records and information relating (wholly or partly) to any Relevant Tax Matter in accordance with, and during the periods required under statutory law (and to the extent such books, records and information might be of relevance for the Relevant Tax Matter, until the relevant Tax has become final and binding and can no longer be amended);
- c) provide, or instruct the Target Companies to provide, to the Vendor and its advisors, which are bound to professional secrecy, upon the Vendor's request, all relevant documents or other information and permit, or instruct the Target Companies to permit, the Vendor and their representatives to have access, during regular business hours and upon reasonable advance notice, to the premises, employees and books and records of the Target Companies, to the extent relating to a Relevant Tax Matter;

- d) permit, or instruct the Target Companies to permit, the Vendor and its advisors, which are bound to professional secrecy, to participate at their discretion, in all current and future Tax proceedings relating (wholly or partly) to a Relevant Tax Matter;
- e) challenge and litigate, and instruct the Target Companies to challenge and to litigate, at the request of the Vendor and at the Vendor's discretion and according to the Vendor's instructions, any Tax assessment relating to a Relevant Tax Matter;
- f) authorize, or instruct the Target Companies to authorize the Vendor or its advisors (upon the Vendor's request), by power of attorney and such other documentation as may be necessary and appropriate to represent the Target Companies in the Relevant Tax Matter; and
- g) not accept, compromise, dispose of or settle, and instructs that none of the Target Companies accepts, compromises, disposes of or settles, any Tax proceedings or Tax assessment relating to a Relevant Tax Matter without the Vendor's prior written consent, which shall not be unreasonably withheld by the Vendor.

14.5.3 If any Tax assessment is challenged or litigated by any Target Company upon request of the Vendor (as set forth in Clause 14.5.2) any process costs such as court and administrative fees shall be at the Vendor's expense. The same applies for any legal advisor fees, which occur in relation to the representation of such Target Company in respect of the challenge or litigation of the Tax assessment ("**Tax Proceeding Representation**"). In this respect, the Vendor shall be entitled to instruct the respective Target Company on which particular legal advisor it shall engage for the Tax Proceeding Representation, and neither the Target Company nor the Purchaser shall have the right to engage any other advisor for the Tax Proceeding Representation. Any other costs in relation to any tax cooperation under this Clause 14 shall be borne by the Party or Target Company incurring the costs individually.

14.5.4 With respect to periods until Closing the Vendor shall in good faith consider any request of the Purchaser to provide upon the Purchaser's expense any oral or written information with respect to Taxes, which may reasonably be required for the Purchaser to settle any existing or future proposed audit, assessment, dispute or other circumstance with the relevant Taxing Authority (without limiting any of the rights of the Vendor or the Purchaser under this Clause 14).

14.6 Miscellaneous

- 14.6.1 All payments to be made by the Vendor to the Purchaser or by the Purchaser to the Vendor under this Clause 14 shall (for accounting purposes) constitute a reduction or an increase in the Purchase Price, as the case may be. If and to the extent payments are made by the Vendor directly to any of the Target Companies, such payments shall be construed and deemed as contributions (*Einzlagen*) made by the Purchaser into the respective Target Company and shall be treated as a reduction of the Purchase Price as between the Vendor and the Purchaser.
- 14.6.2 With respect to German real estate transfer tax ("**RETT**") the following shall apply:
- a) Any RETT triggered by the execution and consummation of this Agreement – except for RETT (if any) triggered with respect to minority shareholdings held by the Target Group in any real estate partnership which shall be solely borne by the Purchaser – shall be split between the Vendor and the Purchaser such that each of the Vendor and the Purchaser bears 50% of such RETT.
 - b) The Parties shall fully cooperate with each other, and shall have joint control, for the purpose of defending against any such RETT if either Party, in its sole discretion, deems the RETT amount due inappropriate, in particular the Purchaser shall ensure that (i) the Vendor will be informed immediately about any announced assessment of RETT, (ii) such assessment will be contested upon the Vendor's request and (iii) the Vendor is able to fully participate in any proceeding with the Taxing Authorities or any Tax court in respect of such RETT. If the RETT assessment is contested, the Vendor and Purchaser shall each bear 50% of any process costs, such as court fees, administrative fees and lawyers fees for representation of the relevant Target Company in a court case. Any other costs of the Parties, for example any additional advisor fees, are to be borne by the Party incurring the costs individually.
 - c) The Parties agree that the Purchaser shall file, on its own behalf and on behalf of the Vendor, the RETT notification according to sections 19 and 20 of the German RETT Act ("**RETT Notification**"), and the Vendor and the Purchaser shall fully cooperate for the purpose of filing the RETT Notification. If Closing does not occur and nonetheless any RETT has to be paid, or remains due, then such RETT shall be solely borne by the Purchaser (irrespective of the reason why such RETT is (or remains) payable); provided however that if Closing does not occur because the competent authorities granted clearance for the transactions contemplated in this Agreement only with obligations or conditions or similar qualifications, commitments or other agreements within the meaning of Clause 7.4 which are not incurring any material obligations to the Vendor or any company of the Vendor Group and which the Purchaser is able and willing to fulfil at its own cost but the Vendor denies the fulfilment of the respective Closing Conditions then any RETT nonetheless due shall be borne equally between the Parties. In addition, if RETT is payable before Closing such RETT shall be expensed entirely by the Purchaser, and the Vendor shall reimburse 50% of such RETT upon Closing to the Purchaser.

- 14.6.3 Claims under this Clause 14 shall be time-barred six (6) months after the Tax assessment (*Steuerbescheid*) for the respective Tax and the respective assessment period can no longer be challenged or amended by the relevant Taxing Authority, provided however, that the Vendor's rights under this Clause 14 shall not be time-barred before the expiration of three (3) months after the Vendor has been notified by the Purchaser about the circumstance giving rise to a Vendor's claim.
- 14.6.4 The limitations set forth in Clause 12.3 and 12.4.1 shall not apply to any claims under this Clause 14.
- 14.6.5 Clause 12.5 shall apply accordingly to any claims under this Clause 14.

15. Intra-Group Relations

15.1 General

The Vendor and the Purchaser shall reasonably cooperate to procure a smooth and expedient transition of the Target Group to the Purchaser.

15.2 Period between signing of this Agreement and Closing

- a) In the period between the date of signing of this Agreement and the Closing Date, the Vendor shall provide to the Purchaser (i) those material financial and operational information relating to the Target Group's business which the Target Companies provide to their supervisory boards and/or the Vendor, including all quarterly financial reporting documentation of the Target Group, (ii) financial, actuarial and other relevant information reasonably required for the tasks outlined in Clauses 15.2c), 15.2d), 15.2e), 15.2f) and (iii) such other additional information in relation to the conduct of operations of the Target Group which the Purchaser may reasonably request for the purpose of implementing this Agreement. To the extent required by the Purchaser for the purpose of implementing this Agreement, the Vendor shall further grant to the Purchaser reasonable access to the board members of the Company and/or senior employees of the Target Companies on a case by case basis and the Purchaser and Guarantor and their Affiliates shall refrain to contact any board members or employees of the Target Group without prior consent of Vendor, such consent not to be unreasonably withheld and deemed to be granted if and to the extent as agreed in the joint projects outlined in Clauses 15.2c), 15.2d), 15.2e) and 15.2f). The confidentiality obligations set out under Clause 18 shall apply vis-a-vis the Purchaser, Guarantor and any of its Affiliates in respect of all information and documents made available under this Clause 15.2 and the obligations of the Purchaser under this Clause 15.2 shall only exist to the extent that the outstanding merger control clearance in accordance with Clause 7.1 does not hinder granting such information access and/or forwarding of documentation.

- b) The Parties agree that the Guarantor will be required to link several aspects of the Target Group's operations to the organization and processes of the Guarantor and its Affiliates. The Parties shall within four (4) weeks after the date of this Agreement implement a joint preparation team (the "**Preparation Team**") consisting of one representative of each the Vendor, the Purchaser and the Company. Initially, the Preparation Team will set up the "**US-GAAP Team**" covering the aspects in relation to Clause 15.2c), the "**S-II Team**" covering the aspects in relation to Clause 15.2d) and the "**IMA Team**" covering the aspects in relation to Clause 15.2e) (each a "**Team**"). Each Team will be headed by a board member or senior employee of the Target Group and will include team members of the Purchaser. The respective Teams will report to the Preparation Team, which shall supervise the daily operations of the Teams. This Preparation Team will report to the Steering Committee consisting of a representative of the Vendor and the Purchaser and the CEO of the Company joining as a non-voting member. The initial structure to be set up is shown in **Schedule 15.2b**). The Preparation Team will at any time operate within the specific mandate the Steering Committee defines. The Steering Committee can decide to expand or limit the scope of the Preparation Team's projects at any time, based on requirements as revealed by new insights the Parties develop during the course until Closing. Upon substantiated request of the Preparation Team, the Steering Committee can at any time agree to expand or reduce the number of staff in the respective Teams.
- c) The Parties agree that the Guarantor will be required to integrate the Target Group's financials in its US-GAAP reporting at latest as of the end of the first quarter following Closing. As the Target Group does not have employees experienced in US-GAAP, the Purchaser intends – based on today's planning - to use well-qualified finance or actuarial staff employed by the Guarantor or any of its subsidiaries or consultants who shall at the costs of the Purchaser or any other Affiliated of the Purchaser prepare the US-GAAP reporting according to the Guarantor's accounting guidelines based on the Target Group's German GAAP accounts. In order to develop the most feasible approach to achieve the Purchaser's target of timely US-GAAP reporting causing the least impact on the day-to-day operations of the Target Group, the Parties will according to Clause 15.2b) set up the US-GAAP Team who shall have the task to establish in good faith the organisational setup, operational structures and staffing required to accomplish the goal of timely US-GAAP reporting with the least impact on the day-to-day operations of the Target Group prior to Closing. Upon request of the Purchaser, DLL or the Company shall house at the costs of the Purchaser up to five (5) finance or actuarial individuals named by Purchaser who shall be part of the group preparing the US-GAAP reporting. It is the common understanding of the Parties that any work for preparing the US-GAAP reporting shall prior to Closing not materially impact the day-to-day operations of the Target Group and that the management boards of the Target Group can at any time stop the relevant persons involved and call for the Steering Committee's review and appropriate amendment of the process. Any flow of information on the Target Group shall be exclusively dealt with under Clause 15.2a).

-
- d) The Vendor agrees to provide certain information and support regarding the implementation of Solvency II as outlined in Schedule 10.15.8 for the time between signing of this Agreement and Closing. As such support will terminate at Closing, the Parties will according to Clause 15.2b) set up the S-II Team who shall establish the requirements of future support to Target Group by the Guarantor or its Affiliates or advisors and define the information flow in either direction required. It is the common understanding of the Parties that any work of the S-II Team shall not materially impact the day-to-day operations of the Target Group and that the management boards of the Target Group can at any time stop the relevant persons involved and call for the Steering Committee's review and appropriate amendment of the process. Any flow of information on the Target Group shall be exclusively dealt with under Clause 15.2a).
- e) The Parties agree that it is the interest of the Target Companies to have implemented the structural changes within the Target Group required for DLA fulfilling its obligations under the Investment Management Agreement as from the effective date of the Investment Management Agreement which is targeted to be Closing. The Parties further agree that neither the Vendor nor the Target Group shall be required to take actions having an irreversible effect or to implement structural changes prior to Closing but the goal shall rather only be to prepare the steps to be able to implement such measures necessary for the implementation of the Investment Management Agreement, however, taking into account that the preparation itself shall cause as little disturbance or material changes of the Target Group's operations as possible. In order to develop the most feasible approach to achieve both goals described in the preceding sentences, the Parties will according to Clause 15.2b) set up the IMA Team who shall in good faith develop a transitional plan (the "**IMA Transitional Plan**") specifying the details of the required measures and the relevant envisaged timeline for their preparation prior to Closing. The Parties undertake to promote in good faith the implementation of the IMA Transitional Plan following its approval by both the Vendor and the Purchaser and shall consult with each other on its implementation on a monthly basis (or more often, if reasonably requested by either Party). It is the common understanding of the Parties that any work of the IMA Team shall not materially impact the day-to-day operations of the Target Group and that the management boards of the Target Group can at any time stop the relevant persons involved and call for the Steering Committee's review and appropriate amendment of the process. Any flow of information on the Target Group shall be exclusively dealt with under Clause 15.2a).
- f) The Guarantor and its Affiliates are subject to certain economic or financial sanctions or trade embargo laws administered or enforced from time to time by the European Union, the United States, Her Majesty's Treasury of the United Kingdom or any other applicable jurisdictions, including but not limited to sanctions administered by the U.S. Department of the Treasury's Office of Foreign Assets Control, the U.S. Department of State, and any executive order, directive, or regulation pursuant to the authority of any of the foregoing, or any order or license issued thereunder (collectively, "**Sanctions Laws**"), all laws, rules

and regulations of any jurisdiction applicable to the Purchaser, its Affiliates or the Target Companies from time to time concerning or relating to bribery or corruption, including but not limited to the United States Foreign Corrupt Practices Act of 1977, as amended (“**Anti-Corruption Laws**”) or the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (“**Patriot Act**”). The Vendor agrees that the Purchaser shall have the opportunity to review the compliance of the Target Group with the Sanction Laws, Anti-Corruption Laws and the Patriot Act to the extent reasonably required in view of the run-off business of the Target Group and based on the understanding that (i) such review shall be done by an external law firm or other service provider bound by professional secrecy obligations against the respective Target Companies to the extent that personal data protected by Privacy Laws is involved in the review, (ii) the review shall not cause any material disturbances to the Target Group’s business and (iii) any costs (including internal costs) in relation to that exercise at the level of the Target Group shall be reimbursed by the Purchaser if no Closing occurs. Scope and details of such review shall be decided by the Steering Committee. To the extent that such review shows breaches of any Sanction Laws, Anti-Corruption Laws or the Patriot Act by any of the Target Companies, the Steering Committee shall determine in good faith any reasonable actions to be taken in order to terminate such breach prior to Closing and ensure compliance with Sanction Laws, Anti-Corruption Laws and the Patriot Act (including the implementation of adequate policies and procedures). Any flow of information on the Target Group shall be exclusively dealt with under Clause 15.2a).

15.3 Intercompany service agreements

- 15.3.1 Companies of the Target Group entered into an advisory services agreement with Delta Lloyd Asset Management N.V. (“**DLAM NV**”) in connection with the re-integration of the front and back office in the companies of the Target Group (the “**Advisory Service Agreement**”). In the course of the disentanglement, the Vendor shall cause the Advisory Service Agreement to be terminated with effect as of the Closing Date.
- 15.3.2 Subject to Closing, the Purchaser hereby guarantees, irrevocably and without limitation, to the respective counterparty of the Vendor Group that following the Closing DLL will fulfil all its obligations under the following agreements (the “**Guaranteed Intercompany Agreements**”) during the entire term of the respective Guaranteed Intercompany Agreement:
- a) Services agreement between Schadeverzekering N.V., Amsterdam and DLL (replacing certain existing agreements) which will be concluded prior to Closing in such form as attached as **Schedule 15.3.2a**); and
 - b) Agreement between the Vendor and DLL dated June 6/15, 2012 regarding legal proceedings in connection with loans granted by DLL to Janssen & Helbing GmbH as attached as **Schedule 15.3.2b**).

Upon delivery of a notice by a Demanding Holder to such effect, the Company shall cease all efforts to secure effectiveness of the applicable registration statement and such Demanding Holder shall be deemed to have used one of its Demand Registrations pursuant to Section 2(a), unless such request of withdrawal was caused by, or made in response to, (A) a material adverse effect or a similar event related to the business, properties, condition,

or operations of the Company not known (without imputing the knowledge of any other Person to such holders) by such Demanding Holder at the time its request was made, or other material facts not known to such Demanding Holder at the time its request was made, or (B) a material adverse change in the financial markets. In addition, any such withdrawn registration shall not be considered to be a requested Demand Registration by such Demanding Holder for purposes of Section 2(a) if the Company shall have been reimbursed (in the absence of any agreement to the contrary, pro rata by the Demanding Holders) for all out-of-pocket expenses incurred by the Company in connection with such withdrawn registration (although, notwithstanding any reimbursement, such withdrawn registration shall be considered as a Demand Registration for purposes of the aggregate limitations set forth in Section 2(b)(i), other than with respect to any Demanding Holder holding (together with its Affiliates) greater than ten percent (10%) of the Company's then-issued and outstanding Effective Shares who, to the extent such Demanding Holder has not requested a Demand Registration for such twelve (12) month period, shall be entitled to one additional Demand Registration for such twelve (12) month period).

Section 3. Piggyback Registration.

(a) If the Company at any time proposes for any reason to register Primary Shares or Other Shares under the Securities Act (other than on Form S-4 or Form S-8 promulgated under the Securities Act (or any successor forms thereto)), it shall give written notice to each holder of Registrable Shares of its intention to so register such Primary Shares or Other Shares (a "Registration Notice") at least fifteen (15) days before the initial filing of the registration statement related thereto and, upon the written request, delivered to the Company within ten (10) days after delivery of a Registration Notice by the Company, of the holders of Registrable Shares to include in such registration Registrable Shares (which written request shall specify the number of Registrable Shares proposed to be included in such registration by such holder), the Company shall include all such Registrable Shares that are requested by such holders to be included in such registration on the same terms and conditions as the securities otherwise being sold in such registration; provided, however, that (x) with respect to the IPO and any Follow-On Offering, the Board, in its discretion, shall have the right to exclude all holders of Registrable Shares from participating in such IPO or Follow-On Offering (as applicable) or limit the participation by such holders of Registrable Shares to a specified percentage of their respective Registrable Shares and (y) with respect to any registration, if the managing underwriter advises the Company that the inclusion of all Registrable Shares requested by Shareholders to be included in such registration would interfere with the successful marketing (including pricing) of the Primary Shares or Other Shares proposed to be registered by the Company, then the number of Primary Shares, Investor Shares, Management Shares and Other Shares proposed to be included in such registration shall be included in the following order:

(i) first, the Primary Shares;

(ii) second, the Investor Shares that are not subject to (or in relation to which the relevant party has waived) the Lock-up, any Underwriter Lock-up or any Subsequent Lock-up (or, if necessary, such Investor Shares pro rata among the holders thereof based upon the number of Investor Shares requested to be registered by each such Investor Shareholder);

(iii) third, the Management Shares (or, if necessary, such Management Shares pro rata among the holders thereof based upon the number of Management Shares requested to be registered by each such holder); and

(iv) fourth, the Other Shares;

except a number of Management Shares equal to the total number of Management Shares requested to be registered multiplied by a fraction, the numerator of which shall be the number of Investor Shares requested to be registered and the denominator of which shall equal the total number of Investor Shares owned by the Investor Shareholders immediately prior to the planned registration, shall be deemed to be included as "Investor Shares" under this Section 3(a). In the event that the managing underwriter advises the Company that the inclusion of all of the Investor Shares and the Management Shares deemed to be Investor Shares under this Section 3(a) requested to be included in such registration would interfere with the successful marketing (including pricing) of the shares to be included in the registration, then the number of Investor Shares and the number of Management Shares to be registered shall be cutback pro rata in accordance with the percentages that the Investor Shares and the Management Shares each represent of the total number of shares sought to be registered.

(b) In the event any Investor Shareholder exercises its rights pursuant to this Agreement to register any portion of the Investor Shares (other than pursuant to Section 3(a) above), the Company shall give written notice to each Management Shareholder of such Investor Shareholder's intention to so register such Investor Shares and, upon the request of one or more Management Shareholders, such Management Shareholder(s) shall be entitled to include in such registration a number of the Management Shares provided that, with respect to each such Management Shareholder, the maximum number of Management Shares included in such registration by such Management Shareholder shall not exceed, with respect to each Management Shareholder, the product of (x) a percentage equal to such Management Shareholder's ownership percentage of the Company relative to the Investor Shareholders' aggregate ownership percentage and (y) the number of Investor Shares participating in such registration relative to all outstanding Investor Shares). Each Management Shareholder exercising the foregoing participation right shall provide written notice thereof to the Company, which notice shall (i) be delivered to the Company within seven (7) days after delivery of the Company's notice of such registration, and (ii) specify the number of Management Shares proposed to be included in such registration (not to exceed the maximum participation amount above). The Company shall use its reasonable best efforts to cause such number of Management Shares to be included in such registration on the same terms and conditions as the securities otherwise being sold in such registration; provided, however, that if the managing underwriter advises the Company that the inclusion of such number of Management Shares requested to be included in such registration would interfere with the successful marketing (including pricing) of the Primary Shares, Investor Shares or Other Shares proposed to be registered by the Company, then the number of Primary Shares, Investor Shares, Management Shares and Other Shares proposed to be included in such registration shall be included in the order set forth in Section 2(b), except a number of Management Shares equal to the total number of Management Shares requested to be registered multiplied by a fraction, the numerator of which shall be the number of Investor Shares requested to be registered and the denominator of which shall equal the total number of Investor Shares owned by the Investor Shareholders immediately prior to the planned

registration, shall be deemed to be included as “Investor Shares” under Section 2(b). In the event that the managing underwriter advises the Company that the inclusion of all of the Investor Shares and the Management Shares deemed to be Investor Shares under Section 2(b) requested to be included in such registration would interfere with the successful marketing (including pricing) of the shares to be included in the registration, then the number of Investor Shares and the number of Management Shares to be registered shall be cutback pro rata in accordance with the percentages that the Investor Shares and the Management Shares each represent of the total number of shares sought to be registered.

Section 4. IPO Sales and Drag Along Rights

(a) In the event the Investor Shareholders are permitted by the Company to participate in the IPO (which Investor Shareholders shall refer to all Investor Shareholders as a group other than those Investor Shareholders subject to Sections 6(f)-(i) hereof), and the managing underwriter advises the Company that the aggregate number of Registrable Shares requested to be included in such offering by the Investor Shareholders would interfere with the successful marketing (including pricing) of the Primary Shares proposed to be included in the IPO, then the number of Primary Shares, Investor Shares, Management Shares and Other Shares proposed to be included in the IPO shall be included in the following order:

(i) first, the Primary Shares;

(ii) second, the Investor Shares (or, if necessary, such Investor Shares pro rata among the holders thereof based upon the number of Investor Shares requested to be registered by each Investor Shareholder; provided, however, that, if the managing underwriter of the IPO advised the Company that it would be beneficial to the marketing (including pricing) of the IPO or the trading of the Company’s shares following the IPO, any or all of the Investor Shares held by AAA Guarantor-Athene, L.P. or Apollo Life Re Ltd. (along with any of their respective successors assignees or transferees, the “AAA Entities”) (collectively, the “AAA Company Shares”) shall be permitted to be included in the IPO prior to including any other Investor Shares;

(iii) third, the Management Shares (or, if necessary, such Management Shares pro rata among the holders thereof based on the number of Management Shares requested to be registered by each such holder); and

(iv) fourth, the Other Shares.

(b) In connection with the IPO, in the event that the aggregate number of Investor Shares requested to be included in the IPO by the Investor Shareholders, when combined with the Primary Shares and Other Shares proposed to be registered in the IPO by the Company (as determined by the Board) and the Management Shares requested to be included in the IPO by Management Shareholders, is less than the total number of Common Shares the managing underwriter advises the Company is advisable to offer for sale in the IPO (such deficit, the “IPO Shortfall”), the Company may notify Investor Shareholders of such and provide Investor Shareholders with the opportunity voluntarily to include Investor Shares in the IPO to eliminate the IPO Shortfall. In the event that (i) an insufficient number of Investor Shares are volunteered

by Investor Shareholders for inclusion in the IPO to eliminate the IPO Shortfall and (ii) the 15% IRR Condition has been satisfied, the Company shall have the right, subject to Sections 6(f)-(h), to further reduce or eliminate such IPO Shortfall by causing to be included in the IPO up to fifteen percent (15%) of an Investor Shareholder's Investor Shares (the "IPO Share Cap"). If such 15% IRR Condition has been satisfied, the Company may cause any number of Investor Shares, up to such Investor Shareholder's IPO Share Cap, to be included in the IPO until such time as all Investor Shareholders have the same percentage of their Investor Shares included in the IPO, and thereafter the Company shall cause any additional Investor Shares to be included in the IPO on a pro rata basis among all Investor Shareholders, subject in all cases to their respective IPO Share Caps. Any Investor Shareholder that has voluntarily offered by notice in writing to the Company to include any or all of its Investor Shares in the IPO upon notice of the IPO Shortfall shall for every such Investor Share so voluntarily included and sold in the IPO be entitled to have an equal number of his, her, or its Investor Shares excluded from the Lock-up Period beginning on the first Lock-up Expiration Date (each such excluded Investor Share, an "Excluded Share").

(c) In connection with any Follow-On Offering, in the event that the aggregate number of Investor Shares requested to be included in such Follow-On Offering by the Investor Shareholders, when combined with the Primary Shares and Other Shares proposed to be registered in such Follow-On Offering by the Company (as determined by the Board) and the Management Shares requested to be included in the Follow-On Offering by Management Shareholders, is less than the total number of Common Shares the managing underwriter advises the Company is advisable to offer for sale in such Follow-On Offering (such deficit, a "Follow-On Shortfall"), the Company may notify Investor Shareholders of such and provide Investor Shareholders with the opportunity voluntarily to include Investor Shares in such Follow-On Offering to eliminate the Follow-On Shortfall. In the event that (i) an insufficient number of Investor Shares are volunteered by Investor Shareholders for inclusion in such Follow-On Offering to eliminate the Follow-On Shortfall and (ii) the 20% IRR Condition has been satisfied, the Company shall have the right, subject to Section 6(f)-(h), to further reduce or eliminate such Follow-On Shortfall by causing Investor Shares to be included in such Follow-On Offering; provided, however, the Company shall not have the right to cause to be included in aggregate greater than 50% of any Investor Shareholder's Remaining Shares in all Follow-On Offerings (the "Follow-On Share Cap"). If such 20% IRR Condition has been satisfied at the time of any Follow-On Offering, the Company may cause any number of Investor Shares, up to such Investor Shareholder's Follow-On Share Cap, to be included in such Follow-On Offering until such time as all Investor Shareholders have the same percentage of their Investor Shares included in such Follow-On Offering, and thereafter the Company shall cause any additional Investor Shares to be included in such Follow-On Offering on a pro rata basis among all Investor Shareholders, subject in all cases to their respective Follow-On Share Caps. Each Investor Share sold by an Investor Shareholder in any Follow-On Offering (whether at the request of such Investor Shareholder or as caused by the Company pursuant to this Section 4(c)), shall reduce on a one-for-one basis the number of Remaining Shares of such Investor Shareholder eligible to be released from the Lock-up at the Lock-up Expiration Date immediately succeeding the completion of such Follow-On Offering; provided, that if the number of Investor Shares sold by any Investor Shareholder in such Follow-On Offering exceeds the number of Investor Shares of such Investor Shareholder to be released from the Lock-up at the immediately succeeding Lock-up Expiration Date, then the excess of such Investor Shares shall be released from the next

succeeding Lock-up Expiration Date. Any remaining Investor Shares held by any Investor Shareholder whose Investor Shares were included in a Follow-On Offering shall continue to be subject to any applicable Underwriter Lock-up related to such Follow-On Offering subsequent to the immediately succeeding Lock-up Expiration Date.

Section 5. Registrations on Form S-3.

If the Company is entitled to file a registration statement on Form S-3 (or any successor form to Form S-3 regardless of its designation) to register Registrable Shares, then the Company shall be entitled to use such form to register any Registrable Shares.

Section 6. Holdback Agreement.

(a) Subject to Sections 6(f)-(h), in connection with the IPO, each Shareholder agrees that he, she or it shall not sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of, any Effective Shares (other than sales or dispositions to members of his, her or its Group) without the prior written consent of the Company (the "Lock-up"), for a period (the "Lock-up Period") beginning not more than seven (7) days prior to the Registration Date and ending on the date which is fifteen (15) months following the Registration Date, except with respect to each Investor Shareholder as in the following amounts and on the following dates (each a "Lock-up Expiration Date"):

(i) beginning on the date that is two hundred and twenty-five (225) days following the Registration Date, a number of Investor Shares equal to the sum of a Shareholder's Excluded Shares plus a number of Investor Shares equal to one-third (1/3) of such Shareholder's Remaining Shares less any Investor Shares that have been sold by such Shareholder pursuant to one or more Follow-On Offerings prior to such Lock-up Expiration Date (which number shall not be less than zero) will no longer be subject to the Lock-up (and, in the case of any such Remaining Shares that are AAA Company Shares, may be Transferred by the AAA Entities to their respective shareholders subject to Section 7 and any other requirements under applicable law);

(ii) beginning on the date that is three hundred and sixty-five (365) days following the Registration Date, a number of Investor Shares equal to one-third (1/3) of such Shareholder's Remaining Shares less any Investor Shares that have been sold by such Shareholder pursuant to one or more Follow-On Offerings and not applied to reduce the number of Investor Shares released from the Lock-up in connection with the immediately preceding Lock-up Expiration Date (which number shall not be less than zero) will no longer be subject to the Lock-up (and, in the case of any such Remaining Shares that are AAA Company Shares, may be Transferred by the AAA Entities to their respective shareholders subject to Section 7 and any other requirements under applicable law); and

(iii) beginning on the date that is four hundred and fifty (450) days following the Registration Date, the remainder of the Remaining Shares of each Shareholder will no longer be subject to the Lock-up (and, in the case of any such Remaining Shares that are AAA Company Shares, may be Transferred to by the AAA Entities to their respective shareholders subject to Section 7 and any other requirements under applicable law);

provided, however, the Company (at the discretion of the Executive Committee of the Board) may with the consent of any Shareholder waive, alter or amend any provision of the Lock-up or modify any Lock-up Expiration Date with respect to such Investor Shareholder without the consent of any other Investor Shareholder.

(b) In connection with any Follow-On Offering, each Investor Shareholder agrees that he, she or it shall not sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of, any Remaining Shares that are subject to the Lock-up without the prior written consent of the Company.

(c) In connection with any Subsequent Offering, each Shareholder agrees that he, she or it shall not sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of, any Effective Shares without the prior written consent of the Company (a “Subsequent Lock-up”) for a period (the “Subsequent Lock-up Period”) designated by the Company in writing to the holders of Effective Shares, which period shall begin not more than seven (7) days prior to the Subsequent Registration Date and shall not last more than 135 days after the Subsequent Registration Date (or any shorter period permitted by the managing underwriter).

(d) Each Shareholder agrees that he, she or it, upon request of the Company, will execute an agreement reflecting clauses (a), (b) and (c) as may be reasonably requested by the Company at the time of the IPO, Follow-On Offering or Subsequent Offering (as applicable).

(e) If (i) during the last seventeen (17) days of the Lock-up Period, any Underwriter Lock-up Period or any Subsequent Lock-up Period (as applicable), the Company releases earnings results or announces material news or a material fact, change or event, or (ii) prior to the expiration of the Lock-up Period, any Underwriter Lock-up Period or any Subsequent Lock-up Period (as applicable), the Company announces that it will release earnings results during the fifteen (15)-day period following the last day of the Lock-up Period, any Underwriter Lock-up Period or any Subsequent Lock-up Period (as applicable), then, in any case, the Lock-up Period, Underwriter Lock-up Period or Subsequent Lock-up Period (as the case may be) shall be extended automatically until the expiration of the eighteen (18)-day period beginning on the date of release of the earnings results or the announcement of the material news, fact, change or event, as applicable, unless each of the underwriters managing the offering have otherwise consented in writing. No Person subject to this Section 6(e) shall be released from all or any of its obligations under this Section 6(e) or any other agreement, arrangement or understanding entered into pursuant to this Section 6(e) unless all other Persons subject to the same obligation are also similarly released.

(7) days prior to the Registration Date until the date that is two years following the Registration Date; provided, however, no Apollo Lock-up Shares shall be eligible to be caused by the Company to be included in the IPO pursuant to Section 4(b) or any Follow-On Offering pursuant to Section 4(c), and any pro rata calculations of Investor Shares shall disregard any such Apollo Lock-up Shares.

(g) Notwithstanding anything to the contrary in this Agreement, each of the persons listed on Schedule I hereto (each, an "Apollo Person") agrees that he or she shall not sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of, any Effective Shares acquired from the Company in the Private Placement (such Effective Shares, the "Apollo Person Lock-up Shares") beginning on the date that is not more than seven (7) days prior to the Registration Date until the date that is two years following the Registration Date; provided, however, that (i) no Apollo Person Lock-up Shares shall be eligible to be caused by the Company to be included in the IPO pursuant to Section 4(b) or any Follow-On Offering pursuant to Section 4(c), and any pro rata calculations of Investor Shares shall disregard any such Apollo Person Lock-up Shares and (ii) each Apollo Person shall be entitled to pledge, hypothecate or otherwise assign any or all of its Apollo Person Lock-up Shares in connection with the securing of any loan, credit facility or other financing from an established, bona fide commercial bank or other lending institution for the purpose of acquiring such Apollo Person Lock-up Shares or funding any required tax obligations in connection therewith.

The period during which such prospectus must remain effective shall be extended by a period equal to the Suspension Period. The Company may (but shall not be obligated to) withdraw the effectiveness of any registration statement subject to this provision.

Section 10. Expenses.

All expenses incurred by the Company, the Investor Shareholders and the Management Shareholders pursuant to this Agreement, including, without limitation, (a) all registration and filing fees, and any other fees and expenses associated with filing fees, and any other fees and expenses associated with filings required to be made with any stock exchange, the Commission and FINRA (including, if applicable, the fees and expenses of any “qualified independent underwriter” and its counsel as may be required by the rules and regulations of FINRA); (b) all fees and expenses of compliance with state securities or “blue sky” laws (including fees and disbursements of counsel for the underwriters or the Holders in connection with “blue sky” qualifications of the Registrable Shares and determination of their eligibility for investment under the laws of such jurisdictions as the managing underwriters may designate); (c) all printing and related messenger and delivery expenses (including expenses of printing certificates for the Registrable Shares in a form eligible for deposit with The Depository Trust Company) and of printing prospectuses, all fees and disbursements of all independent certified public accountants of the Company (including the expenses of any special audit and “cold comfort” letters required by or incident to such performance); (d) Securities Act liability insurance if the Company so desires; (e) all fees and expenses incurred in connection with the listing of Registrable Shares on any securities exchange and all rating agency fees; (f) all reasonable fees and disbursements of one lead counsel (and special and local counsel as required) to the holders of Registrable Shares to represent such Persons in connection with such registration, which counsel shall be selected by the Majority Demanding Holders; (g) all fees and disbursements of underwriters customarily paid by an issuer, excluding underwriting discounts and commissions and fees and disbursements of counsel to the underwriters (other than such fees and disbursements incurred in connection with any registration or qualification of Registrable Shares under the securities or “blue sky” laws of any state); (h) reasonable fees and expenses of outside counsel and advisors to the Company; (i) all fees and expenses of any special experts or other Persons retained by the Company in connection with any Registration; (j) all expenses of the Company related to the “road-show” for any underwritten public offering of Primary Shares or Registrable Shares; and (k) any other fees and disbursements customarily paid by the issuers of securities, including all travel, meals and lodging of the Company’s employees and representatives, will be borne by the Company, regardless of whether a registration statement becomes effective.

Section 11. Indemnification.

(a) In connection with any registration of any Registrable Shares under the Securities Act pursuant to this Agreement, the Company shall indemnify and hold harmless the holders of Registrable Shares, each of such holder’s officers, directors, employees, members, partners, and advisors and their respective Affiliates, each underwriter, broker or any other person acting on behalf of the holders of Registrable Shares and each other Person, if any, who controls any of the foregoing Persons within the meaning of the Securities Act against any losses, claims, damages, liabilities, expenses (including reasonable costs of investigation and legal expenses) or actions joint or several (or actions in respect thereof), to which any of the foregoing persons may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or allegedly untrue statement of a material fact contained in the registration statement under which

such Registrable Shares were registered under the Securities Act, any preliminary prospectus, Issuer Free Writing Prospectus, or final prospectus contained therein or otherwise filed with the Commission, any amendment or supplement thereto or any document incident to registration or qualification of any Registrable Shares, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading or, with respect to any prospectus, necessary to make the statements therein in light of the circumstances under which they were made not misleading, or any violation by the Company of the Securities Act or state securities or blue sky laws applicable to the Company or relating to action or inaction required of the Company in connection with such registration or qualification under such state securities or blue sky laws; and shall promptly reimburse such Persons for any legal or other expenses reasonably incurred by any of them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability or action (including any legal or other expenses incurred) arises out of or is based upon a materially untrue statement or omission made in said registration statement, preliminary prospectus, Issuer Free Writing Prospectus, final prospectus, amendment, supplement or document incident to registration or qualification of any Registrable Shares in reliance upon and in conformity with written information furnished to the Company by the holders of Registrable Shares specifically for use in the preparation thereof; provided, further, that the indemnification shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld); provided, further, the Company shall not be liable to any underwriter to the extent that any such loss, claim, damage, liability or action (including any legal or other expenses incurred) arises out of or is based upon an untrue statement or omission made in said preliminary prospectus if the final prospectus shall correct such untrue statement or alleged untrue statement, or such omission or alleged omission, and a copy of the final prospectus has not been sent or given to the relevant person at or prior to the confirmation of sale to such person if such underwriter was under an obligation to deliver such final prospectus and failed to do so.

(b) In connection with any registration of Registrable Shares under the Securities Act pursuant to this Agreement, to the extent permitted by applicable law, each holder of Registrable Shares shall severally (based on the percentage of the securities included in such registration that were owned by such holder) and not jointly and severally indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 11(a)) the Company, each director of the Company, each officer of the Company who shall sign such registration statement, each underwriter, broker or other person acting on behalf of the holders of Registrable Shares and each person who controls any of the foregoing persons within the meaning of the Securities Act with respect to any, in each case, to the extent (and only to the extent) that such violation occurs in reliance upon and in conformity with written information furnished to the Company or such underwriter by such holder of Registrable Shares specifically for use in connection with the preparation of such registration statement, preliminary prospectus, Issuer Free Writing Prospectus, final prospectus, amendment, supplement or document; provided, however, that the maximum amount of liability in respect of such indemnification shall be limited, in the case of each holder of Registrable Shares, to an amount equal to the gross proceeds actually received by such holder from the sale of Registrable Shares effected pursuant to such registration.

(c) Promptly after receipt by an indemnified party of notice of the commencement of any action, suit, proceeding, investigation or threat thereof made in writing involving a claim referred to in this Section 11, such indemnified party will, if a claim in respect thereof is made against an indemnifying party, give written notice to the latter of the commencement of such action, suit, proceeding, investigation or threat. The failure of any indemnified party to notify an indemnifying party of any such action shall not (unless such failure shall have a material adverse effect on the indemnifying party) relieve the indemnifying party from any liability in respect of such action that it may have to such indemnified party hereunder. In case any such action is brought against an indemnified party, the indemnifying party will be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be responsible for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof; provided, however, that if representation of the indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding, the indemnified party shall have the right to retain its own counsel and the indemnifying party shall reimburse such indemnified party and any Person controlling such indemnified party for that portion of the fees and expenses of any counsel retained by the indemnified party which is reasonably related to the matters covered by the indemnity agreement provided hereunder. If the indemnifying party is not entitled to, or elects not to, assume the defense of a claim, it will not be obligated to pay the fees and expenses of more than one lead counsel (plus appropriate local and special counsel) to represent the indemnified party with respect to such claim.

(d) If the indemnification provided for hereunder is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, claim, damage, liability or action referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amounts paid or payable by such indemnified party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which resulted in such loss, claim, damage, liability or action as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant hereto were determined by pro rata allocation or by any other method or allocation which does not take account of the equitable considerations referred to herein. No person guilty or liable of fraudulent misrepresentation shall be entitled to contribution from any person.

Section 12. Underwriting Agreement.

(a) Notwithstanding any provisions of this Agreement, to the extent that in connection with a proposed sale of Registrable Shares which have been registered with the Commission pursuant to this Agreement, the holders of Registrable Shares shall enter into an underwriting agreement or similar agreement that contains customary provisions covering one or more issues addressed in such Sections of this Agreement, the provisions contained in such Sections of this Agreement addressing such issue or issues shall be of no force or effect with respect to such registration, but this provision shall not apply to the Company if the Company is not a party to the underwriting agreement or similar agreement.

(b) In connection with any proposed sale through an underwritten offering of Registrable Shares which have been registered with the Commission pursuant to this Agreement through an underwritten offering, the Company shall negotiate in good faith and enter into a reasonable and customary underwriting agreement with the underwriters thereof. The Company shall be entitled to receive customary indemnities from lead underwriters, selling brokers, dealer managers and similar security industry professionals participating in the distribution, to the same extent as provided above with respect to the information so furnished in writing by such Persons specifically for inclusion in any prospectus or registration statement.

(c) No underwriting agreement (or other agreement in connection with a proposed sale of Registrable Shares) shall require any holder of Registrable Shares to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such holder, the ownership of such holder's Registrable Shares and such holder's intended method or methods of disposition and any other representation required by law or to furnish any indemnity to any Person which is broader than the indemnity furnished by such holder hereunder unless, in each case and to the extent a holder is allowed by applicable law, the Majority Demanding Holders have agreed to such representations, warranties or other agreements, in which case, such additional representations, warranties and other agreements shall be limited in scope to the additional representations, warranties and other agreements that the Majority Demanding Holders agree to provide.

Section 13. Information by Holder.

Each Shareholder shall furnish to the Company such written information regarding such Person and the distribution proposed by any holder of Registrable Shares as the Company may reasonably request in writing and as shall be reasonably required in connection with any registration referred to in this Agreement.

Section 14. Exchange Act Compliance.

From the Registration Date or such earlier date as a registration statement filed by the Company pursuant to the Exchange Act relating to any class of the Company's securities shall have become effective, the Company shall comply with all of the reporting requirements of the Exchange Act applicable to it and shall comply with all other public information reporting requirements of the Commission which are conditions to the availability of Rule 144. The Company shall cooperate with the parties to this Agreement in supplying such information as may be necessary such Persons to complete and file any information reporting forms presently or hereafter required by the Commission as a condition to the availability of Rule 144.

Section 15. No Conflict of Rights: Future Rights.

The Company shall not, after the date hereof, grant any registration rights which conflict with or impair the rights granted to the Investor Shareholders hereby, provided that, notwithstanding the foregoing, the addition of any Other Shareholder (as defined in the Shareholders Agreement) as a party to this Agreement shall not be deemed a grant of registration rights which conflicts with or impairs the rights granted to the Investor Shareholders hereby. If at any time following the date hereof, the Company shall grant to any present or future shareholder of the Company rights to in any manner cause or participate in any registration statement of the Company that, in the judgment of the Investor Shareholders, are superior to or conflict with the rights granted to the Investor Shareholders hereby, such grant shall be null, void and ultra vires.

Section 16. Termination.

This Agreement shall terminate and be of no further force or effect with respect to any Shareholder that is a party hereto upon the later of (i) the expiration of the Lock-up applicable to all of such Shareholder's Effective Shares pursuant to Section 6 hereof and (ii) such Shareholder ceasing to hold Registrable Shares.

Section 17. Benefits of Agreement; Third Party Beneficiaries

Except as provided herein, this Agreement shall bind and inure to the benefit of the Company, the Investor Shareholders, the Management Shareholders and subject to Section 18, the respective successors and assigns of the Company and the Investor Shareholders.

Section 18. Assignment.

Each Shareholder may assign its rights hereunder to any purchaser or transferee of Registrable Shares; provided, however, that such purchaser or transferee shall, as a condition to the effectiveness of such assignment, be required to execute a counterpart to this Agreement agreeing to be treated as a holder of Registrable Shares whereupon such purchaser or transferee shall have the benefits of, and shall be subject to the restrictions contained in, this Agreement as if such purchaser or transferee was originally been a party hereto. The Company may not assign any rights hereunder without the consent of the holders of a majority of the Registrable Shares.

Section 19. Entire Agreement.

This Agreement, and the other writings referred to herein or delivered pursuant hereto, contain the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous arrangements or understandings with respect thereto, including the Prior Registration Rights Agreement.

Section 20. Notices.

All notices, requests, consents and other communications hereunder to any party shall be deemed to be sufficient if contained in a written instrument delivered in person or sent by telecopy, nationally-recognized overnight courier or first class registered or certified mail,

Section 21. Modifications; Amendments; Waivers.

The terms and provisions of this Agreement may not be modified or amended except pursuant to a writing signed by the Company and the Super-Majority Holders; provided, that, any modification or amendment that is objectively adverse to an Investor (without regard to such Investor's particular circumstances) and does not adversely affect other similarly-situated Investors in a similar and proportionate manner shall require the consent of a majority of such adversely affected Investors; provided, further, that the restrictions on the disposition of Effective Shares applicable to any Apollo Person, Athene Management Person and Athene Employee pursuant to Sections 6(g)-(i) may not be amended without the consent of such Apollo Person, Athene Management Person or Athene Employee. Any waiver of any provision of this Agreement requested by any party hereto must be granted in advance, in writing by the party against whom such waiver is sought to be enforced; provided, further, that the Super-Majority Holders may grant a waiver on behalf of all holders of Effective Shares.

Section 22. Counterparts; Facsimile Signatures.

This Agreement may be executed in any number of original or facsimile counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall constitute but one agreement.

Section 23. Headings.

The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

Section 24. Governing Law; Consent to Jurisdiction and Venue; Waiver of Jury Trial.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to any law or rule that would cause the laws of any jurisdiction other than the State of New York to be applied.

ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS AGREEMENT MAY BE BROUGHT AND ENFORCED IN THE COURTS OF THE STATE OF NEW YORK OR THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK, TO THE EXTENT SUBJECT MATTER JURISDICTION EXISTS THEREFOR, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF BOTH SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING. EACH OF THE PARTIES

IRREVOCABLY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION THAT THEY MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH ACTION OR PROCEEDING IN THE COURTS OF THE STATE OF NEW YORK LOCATED IN NEW YORK COUNTY OR THE SOUTHERN DISTRICT OF NEW YORK AND ANY CLAIM THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN ANY INCONVENIENT FORUM. ANY JUDGMENT MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

Section 25. Severability.

It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the law and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, in the event that any provision of this Agreement would be held in any jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Apollo Commercial Real Estate Finance, Inc.

Attn: Stuart A. Rothstein

Ladies and Gentlemen:

You have advised Athene USA Corporation, an Iowa corporation (“AUSA”, “us” or “we”), that you intend to (i) acquire, directly or indirectly, all of the outstanding stock of Apollo Residential Mortgage, Inc., a Maryland corporation (the “Company”) in accordance with that certain Agreement and Plan of Merger dated as of February 26, 2016 (the “Acquisition Agreement”), by and among Arrow Merger Sub, Inc., a Maryland corporation (“AcquisitionCo”), Apollo Commercial Real Estate Finance, Inc. (“ARI”, and collectively with AcquisitionCo, the “Borrowers”) and the Company, pursuant to which (a) AcquisitionCo will merge with and into the Company, with the Company as the surviving entity and (b) promptly thereafter, the Company will merge with and into ARI, with ARI as the surviving entity (collectively, the “Acquisition”), (ii) sell the Athene-Acquired Assets (as defined in the Form Credit Agreement attached hereto as Exhibit A) pursuant to the Asset Purchase and Sale Agreement, dated as of February 26, 2016, by and among Athene Annuity & Life Assurance Company, Athene Annuity and Life Company and ARI (the “Athene Purchase Agreement”) and (iii) enter into that certain Stock Purchase Agreement, dated as of February 26, 2016, by and among AUSA and ARI (the “Stock Purchase Agreement”) (the transactions described in clauses (i), (ii) and (iii) above, collectively, the “Transactions”). For purposes of this Commitment Letter and the Fee Letter (defined below), “Closing Date” shall mean the date of the consummation of the Acquisition, the satisfaction or waiver of the relevant conditions set forth on Exhibit B and the funding of the Term Loan Facility (as defined below). Capitalized terms used but not otherwise defined herein are used with the meanings assigned to such terms in this letter or the Exhibits hereto (this letter together with all Exhibits, including the annexes, collectively, this “Commitment Letter”).

1. Commitments.

In connection with the Transactions, AUSA (individually or collectively with one or more of its affiliates, the "Lender") hereby commits to provide the Borrowers a term loan in an aggregate principal amount of up to \$200,000,000 less 100% of the Net Cash Proceeds (as defined in the Form Credit Agreement) received by ARI or any of its subsidiaries as a result of the disposition of any Athene-Acquired Asset on or prior to the Closing Date (the "Term Loan Facility") (i) upon the terms set forth or referred to in this letter and the Form Credit Agreement attached as Exhibit A hereto (the "Form Credit Agreement"), as applicable and (ii) the initial funding of which is subject only to the conditions set forth on Exhibit B hereto.

2. Information.

You hereby represent that, all factual information (taken as a whole) furnished by or on behalf of any Loan Party in writing to the Lender for purposes of or in connection with the Loan Documents or otherwise filed with any Governmental Authority and publicly available for purpose of or in connection with the transactions contemplated hereby or thereby (the "Information"), does not or will not, when furnished, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (after giving effect to all supplements and updates thereto from time to time). You agree that if, at any time prior to the Closing Date, you become aware that any of the representations in the preceding sentence would be incorrect in any material respect if the Information were being furnished and such representations were being made at such time, you will promptly supplement the Information so that such representations remain true in all material respects under those circumstances (and such supplementation shall cure any breach of any such representation). Notwithstanding anything to the contrary contained in this Commitment Letter or the Fee Letter, none of the making of any representation under this Section 2, the provision of any supplement thereto, nor the accuracy of any such representation or supplement shall constitute a condition precedent to the availability and initial funding of the Term Loan Facility on the Closing Date.

3. Fee Letter.

As consideration for the commitments and agreements of the Lender, you agree to pay or cause to be paid the fees described in the Fee Letter, dated as of the date hereof, by and among ARI, AcquisitionCo and AUSA (the "Fee Letter") on the terms and subject to the conditions (including as to timing and amount) set forth therein.

4. Certain Funds Provision.

Notwithstanding anything in this Commitment Letter, the Fee Letter, the Loan Documents or any other letter agreement or other undertaking concerning the financing of the transactions contemplated hereby to the contrary:

- (a) the only representations and warranties relating to the Borrowers, the Company and the Borrowers and the Company's respective subsidiaries and respective businesses, the accuracy of which shall be a condition to the

availability and initial funding of the Term Loan Facility on the Closing Date, shall be (i) such of the representations and warranties made by or with respect to the Company, its subsidiaries and their respective businesses in the Acquisition Agreement as are material to the interests of the Lender, but only to the extent that you have the right to terminate your obligations under the Acquisition Agreement or to decline to consummate the Acquisition as a result of a breach of such representations in the Acquisition Agreement (to such extent, the “Specified Acquisition Agreement Representations”) and (ii) the Specified Representations (as defined below),

- (b) the terms of the Loan Documents and any closing deliverables shall be in a form reasonably satisfactory to the Lender; it being understood that, the Credit Agreement shall be substantially in the form of the Form Credit Agreement, appropriately completed for the insertion of dates, administrative details and other items shown in blank, bullets or footnotes and all schedules thereto shall be reasonably acceptable to us, and
- (c) there are no other conditions (implied or otherwise) to the commitments hereunder, including compliance with the terms of this Commitment Letter, the Fee Letter or the Loan Documents, except those expressly set forth on Exhibit B hereto, and such conditions shall be subject in all respects to the provisions of this Section 4.

Upon the satisfaction (or waiver by the Lender) of the conditions set forth on Exhibit B hereto, the Lender will execute and deliver the Loan Documents to which it is a party and the initial funding of the Term Loan Facility shall occur.

For purposes hereof, “Specified Representations” means the representations and warranties set forth in the Loan Documents relating to: due organization and existence of the Loan Parties; organizational power and authority (as each relates to due authorization, execution, delivery and performance of the Loan Documents) of the Loan Parties; due authorization, execution and delivery of the relevant Loan Documents by the Loan Parties, and enforceability as it relates to the entering into and performance of the relevant Loan Documents against the Loan Parties; solvency as of the Closing Date (after giving effect to the Transactions) of the Loan Parties taken as a whole (in form and scope consistent with the solvency certificate to be delivered pursuant to paragraph 1(b) of Exhibit B hereto); no conflicts of the Loan Documents with the charter documents of the Loan Parties; Federal Reserve margin regulations; the Investment Company Act; the PATRIOT Act, OFAC and the FCPA (as it relates to the use of the proceeds of the Term Loan Facility); REIT status; and the creation, validity, perfection and priority of security interests (subject in all respects to security interests and liens permitted under the Loan Documents and to the foregoing provisions of this paragraph). This Section 4, and the provisions contained herein, shall be referred to as the “Certain Funds Provision”.

5. Indemnification: Expenses.

You agree (a) to indemnify, defend and hold harmless the Lender, its affiliates and controlling persons (and their permitted successors and assigns) and its and their directors, officers, employees, partners, agents and other representatives (each, an “indemnified person”) from and against any and all liabilities, obligations, losses, penalties, claims, demands, suits, actions, judgments investigations, proceedings and damages, and all attorneys’ fees and disbursements (which attorneys’ fees, in the case of counsel to the indemnified persons, shall be reasonable) and other fees, costs and expenses of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted against such indemnified person in any way in connection with, as a result of, related to or arising under or out of this Commitment Letter, the Fee Letter, the Term Loan Facility, and the use of the proceeds thereof or any claim, litigation, investigation or proceeding relating to any of the foregoing, including but not limited to, any investigation, litigation or proceeding commenced by any shareholder, debt holder or other Person in connection with, as a result of, related to or arising under or out of the Acquisition or the Transactions (in such indemnified person’s role as the Lender or a director, officer, employee, partner, agent or other representative of the Lender, its affiliates or controlling persons) (a “Proceeding”), regardless of whether any indemnified person is a party thereto or whether such Proceeding is brought by you, any of your affiliates or any third party, and to reimburse each indemnified person promptly following written demand therefor for any legal or other out-of-pocket expenses incurred in connection with investigating or defending any Proceeding; provided, that the foregoing indemnity will not, as to any indemnified person, apply to liabilities, obligations, losses, penalties, claims, demands, suits, actions, judgments investigations, proceedings and damages or related expenses to the extent they arise from the bad faith, willful misconduct or gross negligence of such indemnified person as determined by a final, non-appealable judgment of a court of competent jurisdiction and (b) whether or not the Closing Date occurs, to reimburse the Lender for all (i) out-of-pocket costs or expenses paid or incurred by the Lender in connection with, as a result of, related to or arising under or out of the Term Loan Facility and any related documentation (including this Commitment Letter, the Fee Letter and the Loan Documents), (ii) reasonable out-of-pocket fees, expenses and disbursements of outside counsel for the Lender in connection with, related to or arising under or out of the Term Loan Facility and any related documentation (including this Commitment Letter, the Fee Letter and the Loan Documents), (iii) out-of-pocket costs and expenses of third-party claims or any other suit paid or incurred by the Lender in enforcing or defending the this Commitment Letter, the Fee Letter or any of the Loan Documents or in connection with the transactions contemplated by this Commitment Letter or the Loan Documents or the Lender’s relationship with the Borrowers or any of their subsidiaries (including any investigation, litigation or proceeding commenced by any shareholder, debt holder or other Person in connection with, as a result of, related to or arising under or out of the Acquisition or the Transactions (in its role as the Lender)) and (iv) the Lender’s third-party out-of-pocket costs and expenses (including reasonable attorneys’ fees) incurred in connection with this Commitment Letter or the Loan Documents.

No indemnified person shall be liable for any damages arising from the use by any person (other than such indemnified person) of Information or other materials obtained through electronic, telecommunications or other information transmission systems, except to the extent any such damages arise from the bad faith, gross negligence or willful misconduct of such indemnified

person, in each case as determined by a final non-appealable judgment of a court of competent jurisdiction. None of the indemnified persons, their affiliates or their directors, officers, employees, agents, or other representatives of any of the foregoing shall be liable for any special, indirect, consequential or punitive damages in connection with this Commitment Letter, the Fee Letter or the Term Loan Facility (including the use or intended use of the proceeds of the Term Loan Facility) or the transactions contemplated hereby or thereby.

You shall not be liable for any settlement of any Proceeding effected by any indemnified person without your consent (which consent shall not be unreasonably withheld or delayed), but if any Proceeding is settled with your written consent, you agree to indemnify and hold harmless such indemnified person in the manner set forth above. This Commitment Letter may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which, when taken together, shall constitute one agreement. Each of the parties hereto hereby irrevocably and unconditionally waives any objection to the laying of venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. Each party hereto agrees to service of process for purposes of the submission to jurisdiction set forth above by the mailing of such process by registered or certified mail, postage prepaid, to its address specified on the first page of this Commitment Letter.

Such offer will remain available for acceptance until such time, but will automatically expire at such time if we have not received such executed counterparts and payment of the fees in the manner contemplated by the Fee Letter in accordance with the preceding sentence. In the event that the Closing Date does not occur on or before 11:59 p.m., New York City time, on the earliest of (a) the Initial Outside Date (as defined in the Acquisition Agreement) or if extended in accordance with the terms of the Acquisition Agreement as in effect on the date hereof, the Second Outside Date (as defined in the Acquisition Agreement), (b) the date of the termination of the Acquisition Agreement by you or with your written consent, in each case prior to the closing of the Acquisition, (c) the date of the closing of the Acquisition without the use of the Term Loan Facility, and (d) the date of the termination of the Athene Purchase Agreement by you or with your written consent, then this Commitment Letter and the commitments hereunder shall automatically terminate unless we, in our discretion, agree to an extension; provided that the termination of any commitment pursuant to this sentence shall not prejudice your rights and remedies in respect of any breach of this Commitment Letter that occurred prior to any such termination.

1.4 **Schedules and Exhibits.** All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference.

2. LOAN AND TERMS OF PAYMENT.

2.1 **Term Loan.**

(a) Subject to the terms and conditions of this Agreement, and relying upon the representations and warranties set forth herein, each Lender hereby agrees to make a term loan to the Borrowers on the Closing Date in the aggregate principal amount of up to the Commitment (the “**Term Loan**”). No part of the Term Loan may, on the repayment thereof, be redrawn or reborrowed by the Borrowers.

(b) The Term Loan shall be funded on the Closing Date upon request of the Borrowers pursuant to a loan notice delivered to AUSA no later than 12:00 p.m. (New York time) three (3) Business Days prior to the requested date of the borrowing. Upon satisfaction of the applicable conditions set forth in Section 3.1, each Lender shall make available to the Borrowers in immediately available funds in accordance with instructions provided to (and reasonably acceptable to) such Lender by the Borrowers such Lender’s Pro Rata Share of the Term Loan. Each loan notice shall be irrevocable, and shall specify the requested amount and date of the borrowing (which, for the avoidance of doubt, shall be a Business Day) and each Lender’s Pro Rata Share thereof.

(c) The Lenders shall only be obligated to make the Term Loan available to the Borrowers on the Closing Date and the unused Commitment not funded on the Closing Date shall automatically terminate on the Closing Date.

2.2 **Prepayments.** Except as otherwise expressly provided herein, all payments by the Borrowers shall be made in immediately available funds, no later than 12:00 p.m. (New York City time) on the date specified herein. Any payment received by a Lender later than 12:00 p.m.

(New York City time) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(a) **Optional Prepayments.** The Borrowers may prepay the Term Loan in cash, in whole or in part at any time or from time to time (subject to Section 2.2(c) below) without premium or penalty; provided, that (i) the Borrowers shall provide each Lender with written notice of such prepayment not later than 10:00 a.m. (New York City time) three (3) Business Days prior to any date of prepayment of the Term Loan; and (ii) any such prepayment of the Term Loan shall be in a principal amount of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the amount of each Lender's Pro Rata Share of such prepayment. Any such notice shall be irrevocable and the Borrowers shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(b) **Mandatory Prepayments.**

(i) **Incurrence of Indebtedness.** Upon the incurrence by ARI or any of its Subsidiaries of any Indebtedness (other than, except with respect to clause (k) of the definition thereof, Permitted Indebtedness), the Borrowers shall immediately prepay the Term Loan in cash, in whole (or, if less in an amount equal to the aggregate principal amount of such Indebtedness), together with any and all accrued but unpaid interest thereon and all costs, expenses and indemnities then due and owing.

(ii) **Athene-Acquired Assets.** Upon the Disposition of any Athene-Acquired Asset, the Borrowers shall immediately prepay the Term Loan in an amount equal to 100% of the Net Cash Proceeds received by ARI or any of its Subsidiaries in connection with such Disposition. Without limiting the generality of Section 15.3(a), the Lender and the Borrowers agree that any Lender may, at its option, set off and apply against the Obligations, any and all amounts owing by such Lender or any of its Affiliates to any Borrower or any of its Affiliates as consideration for the purchase of any of the Athene-Acquired Assets in an amount up to the Net Cash Proceeds of such Athene-Acquired Asset.

(c) **Application of Payments.** All prepayments pursuant to Section 2.2(a) and Section 2.2(b) shall be accompanied by any and all accrued but unpaid interest and fees thereon and all costs, expenses and indemnities then due and owing and shall be shared by the Lenders in accordance with their Pro Rata Share. If the Term Loan is being prepaid in whole, the Borrowers shall also pay all other non-contingent Obligations prior to or contemporaneously with such prepayment. Once repaid, no portion of the Term Loan may be reborrowed.

(d) **Repayment of Term Loan.** The Borrowers unconditionally promise to pay in full on the Maturity Date (or sooner upon acceleration of the Obligations or otherwise as provided for herein) the aggregate principal amount of Term Loan

outstanding on such date, plus (i) any and all accrued but unpaid interest and fees thereon, (ii) all costs, expenses and indemnities then due and owing, and (iii) other Obligations then due and owing under this Agreement or any other Loan Document.

2.3 **Interest Rates: Rates, Payments, and Calculations**

(a) **Interest Rates.** Except as provided in clause (b) below, the Term Loan shall bear interest on the outstanding principal amount thereof at a rate per annum equal to the Applicable Interest Rate.

(b) **Default Rate.** If any amount hereunder is not paid when due (after giving effect to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then such amount shall thereafter bear interest at an interest rate per annum equal to the Applicable Interest Rate plus 2% per annum, from the date of such non-payment until such amount is paid in full (the "**Default Rate**"). Default Rate interest shall be payable in cash on the applicable Payment Date (unless sooner requested by a Lender by notice to Borrower, in which case Default Rate interest shall be payable upon demand).

(c) **Payment.** Interest shall be due and payable, in arrears, in cash, commencing on the first day of the first calendar quarter occurring after the Closing Date and the Maturity Date (each such date, a "**Payment Date**") at any time that Obligations are outstanding.

(d) **Computation.** All interest chargeable under the Loan Documents shall be computed on the basis of a 360-day year for the actual number of days elapsed.

(e) **Intent to Limit Charges to Maximum Lawful Rate.** In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Each of the Borrowers and the Lenders, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, however, that, anything contained herein to the contrary notwithstanding, if said rate or rates of interest or manner of payment exceeds the maximum allowable under Applicable Law, then, *ipso facto*, as of the date of this Agreement, the Borrowers are and shall be liable only for the payment of such maximum as allowed by law, and payment received from the Borrowers in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the Obligations to the extent of such excess.

2.4 **Representations and Warranties of Lender.** Each Lender hereby represents and warrants to the Borrowers that on and as of the Closing Date (or the date it becomes a Lender hereunder) (i) it is a "qualified purchaser" (within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations thereunder) and a "qualified institutional buyer" (within the meaning of Rule 144A under the Securities Act).

2.5 **Concerning Joint and Several Liability of the Borrowers**

(a) Each of the Borrowers is accepting joint and several liability with respect to the Obligations in consideration of the financial accommodation to be provided by the Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each of the Borrowers and in consideration of the undertakings of each of the Borrowers to accept joint and several liability for the obligations of each of them, regardless of which Borrower actually receives the benefit of the Term Loan or the amount of such Term Loan or the manner in which the Lenders account for such Term Loan on their books and records. Each Borrower's obligations with respect to the Term Loan made to it, and each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder shall be separate and distinct obligations, but all such obligations shall be primary obligations of each Borrower.

(b) Each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (i) the validity or enforceability or subordination of such Obligations of the other Borrower, (ii) the absence of any attempt to collect such Obligations from the other Borrower, any other guarantor, or any other security therefor, or the absence of any other action to enforce the same, (iii) the waiver, consent, extension, forbearance or granting of any indulgence by the Lenders with respect to such Obligations of the other Borrower, or any part thereof, or any other agreement now or hereafter executed by the other Borrower and delivered to the Lenders, (iv) the failure by the Lenders to take any steps to perfect and maintain their security interest in, or to preserve its rights to, any security or collateral for such Obligations of the other Borrower or (v) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of the other Borrower (other than the occurrence of the Maturity Date). With respect to each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder such Borrower waives, until the Maturity Date, any right to enforce any right of subrogation or any remedy which any Lenders now has or may hereafter have against such Borrower, any endorser or any guarantor of all or any part of such Obligations, and any benefit of, and any right to participate in, any security or collateral given to any Lender to secure payment of such Obligations or any other liability of the Borrowers to the Lenders.

(c) Upon the occurrence and during the continuation of any Event of Default, the Lenders may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against the other Borrower or any other Person, or against any security or collateral for such Obligations. Each Borrower consents and agrees that the Lenders shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of such Obligations.

4.18 **Investment Company.** No Loan Party is an “investment company” as defined in, or is required to be registered under, the Investment Company Act of 1940, as amended.

4.19 **Insurance.** Each Borrower and its Subsidiaries will maintain insurance in such amounts and covering such risks and liabilities as are customary for companies of a similar size engaged in similar businesses in similar locations (it being understood that as of the Closing Date the Borrowers and their Subsidiaries have no employees, physical operations or facilities and have insurance only to cover director & officer liabilities, which the Lenders acknowledge based on such facts, is sufficient insurance coverage).

4.20 **Margin Stock.** Neither Loan Party is engaged, nor will it engage, principally or as one of its important activities, in the business of extending credit for the purpose of “purchasing” or “carrying” any “margin stock” as such terms are defined in Regulation U of the Federal Reserve Board as now and from time to time hereafter in effect (such securities being referred to herein as “Margin Stock”). Neither Loan Party owns any Margin Stock, and none of the proceeds of the Term Loan will be used, directly or indirectly, for the purpose of purchasing or carrying any Margin Stock, for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry any Margin Stock or for any other purpose which might cause the Term Loan to be considered a “purpose credit” within the meaning of Regulation T, U or X of the Federal Reserve Board.

As of the Closing Date and except as set forth on Schedule 4.21, there is no action, suit, proceeding, investigation, audit or claim now pending or threatened in writing by any Governmental Authority regarding any taxes relating to any such Person, which, either individually or in the aggregate, would reasonably be expected to cause a Material Adverse Change.

4.22 **Collateral Matters.** The Collateral Agreement, upon execution and delivery thereof by the Loan Parties thereto, will create in favor of the Lenders, a valid and enforceable security interest in the Collateral, and when the Pledged Equity Interests constituting certified

securities (as defined in the Uniform Commercial Code) are delivered to the Lenders, together with instruments of transfer duly endorsed in blank, the security interest created under the Collateral Agreement will constitute under the Uniform Commercial Code (to the extent a Lien may be perfected thereunder) a fully perfected security interest in all right, title and interest of the pledgors thereunder in such Pledged Equity Interests, prior and superior in right to any other Person, other than Permitted Liens arising by operation of law and having priority over the Liens of the Lenders on the Pledged Equity Interests.

(b) but in any event within ninety (90) days after the end of ARI's fiscal year, commencing with the fiscal year ending December 31, 2015, consolidated financial statements of ARI for each such fiscal year, audited (in the case of consolidated financial statements) by independent certified public accountants reasonably acceptable to each of the Lenders and certified, without any qualifications (including any (A) "going concern" or like qualification or exception or (B) qualification or exception as to the scope of such audit), by such accountants to have been prepared in accordance with GAAP (such audited financial statements to include a balance sheet, income statement, and statement of cash flow and, if prepared, such accountants' letter to management),

(ii) any other filings made by ARI or its Subsidiaries with the SEC,

(d) promptly, but in any event within five (5) Business Days after any Borrower has knowledge of any event or condition that constitutes a Default or an Event of Default, notice thereof and a statement of the curative action that such Person proposes to take with respect thereto,

(e) promptly after the commencement thereof, but in any event within five (5) Business Days after the service of process with respect thereto on any Borrower, or any of such Borrower's Subsidiaries, notice of all actions, suits, or proceedings brought by or against such Borrower, or any of such Borrower's Subsidiaries (i) with respect to any Loan Document or the transactions contemplated thereby or (ii) which, if determined adversely to Borrower or such Subsidiary, would reasonably be expected to result in a Material Adverse Change,

(f) promptly upon the occurrence of any event which would reasonably be expected to have a Material Adverse Change, notice thereof, and

(g) upon the request of any Lender, any other information reasonably requested relating to the financial condition of the Borrowers or their Subsidiaries and the guarantees and the Collateral, including with respect to those required hereunder.

In addition, each Borrower agrees that no Subsidiary of such Borrower will have a fiscal year different from that of ARI provided, however, that a Subsidiary acquired by ARI or its Subsidiaries may have a different fiscal year than ARI so long as the fiscal year of such Subsidiary is changed to that of ARI prior to December 31 of the calendar year of such Subsidiary's acquisition. Each Borrower also agrees to cooperate with each Lender to allow such Lender to consult with its independent certified public accountants if such Lender reasonably requests the right to do so and that, in such connection, its independent certified public accountants are authorized to communicate with each Lender and to release to each Lender whatever financial information concerning the Borrowers or their Subsidiaries that such Lender reasonably may request. Each Borrower waives the right to assert a confidential relationship, if any, it may have with any accounting firm or service bureau in connection with any information requested by a Lender pursuant to or in accordance with this Agreement, and agrees that each Lender may contact directly any such accounting firm or service bureau in order to obtain such information.

Information required to be delivered pursuant to this Section 5.1 shall be deemed to have been delivered if such information, or one or more annual or quarterly reports containing such information, shall be available on the website of the SEC at <http://www.sec.gov> or on the website of ARI. Information required to be delivered pursuant to this Section 5.1 may also be delivered by electronic communications pursuant to procedures approved by AUSA.

5.2 Maintenance of Properties. Maintain and preserve, and cause each Subsidiary thereof to maintain and preserve, all of its material properties which are necessary or useful in the proper conduct of its business in good working order and condition, ordinary wear and tear excepted.

5.3 **Taxes.** Cause all tax returns, reports and statements, including information returns, required by any Governmental Authority to be filed by the Borrowers and their Subsidiaries to be filed, and all assessments and taxes, whether real, personal, or otherwise, known by the Loan Parties to be due or payable by, or imposed, levied, or assessed against any Borrower, its Subsidiaries, or any of their respective assets to be paid in full, before delinquency or before the expiration of any extension period (or if not known by Loan Parties prior to such time or period, then within thirty (30) days of the Loan Parties becoming aware of such tax or assessment), except (i) to the extent the failure to so file such returns or extensions or pay such assessments or taxes does not constitute a Material Adverse Change, or (ii) to the extent that the validity of such assessment or tax shall be the subject of a Permitted Protest.

5.4 **Insurance.** Maintain, and cause each Subsidiary thereof to maintain, insurance covering such risks as ordinarily are insured against by other Persons engaged in the same or similar businesses (it being understood that as of the Closing Date the Borrowers and their Subsidiaries have no employees, physical operations or facilities and have insurance only to cover director & officer liabilities, which the Lenders acknowledge based on such facts, is sufficient insurance coverage). All such policies of insurance shall be maintained with financially sound and reputable carriers in such amounts as are adequate and customary for companies of the same or similar size engaged in the same or similar business and in the same or similar location.

5.5 **Compliance with Laws.** Comply, and cause each Subsidiary thereof to comply, with the requirements of all Applicable Laws, rules, regulations, and orders of any Governmental Authority, other than laws, rules, regulations, and orders the non-compliance with which, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Change.

5.6 **[Reserved].**

5.7 **Existence.** At all times preserve and keep in full force and effect, and cause each Subsidiary to preserve and keep in full force and effect, (a) its valid existence and good standing under the laws of its jurisdiction of organization and (b) all rights, privileges, permits, licenses and franchises necessary or desirable in the normal conduct of its business, except in the case of the foregoing clause (b), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Change.

5.8 **Books and Records.** Maintain (a) proper books of record and account, in which full, true and correct entries in all material respects in accordance with GAAP consistently applied shall be made of all financial transactions and matters involving the assets and business of each Borrower and its Subsidiaries; and (b) such books of record and account in material conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over each Borrower or its Subsidiaries. The Borrowers shall permit any representatives designated by the Lenders upon two (2) Business Days' advance notice, during normal business hours, and not more than once during any fiscal year of the Borrowers (unless an Event of Default exists) to visit and inspect the financial records and the property of the Borrowers and their Subsidiaries and to make extracts from and copies of such financial records, and permit any representatives designated by the Lenders to discuss the affairs, finances,

accounts and condition of the Borrowers and their Subsidiaries with the management and advisors thereof (provided that an Authorized Person shall be given notice and an opportunity to participate during such discussion with advisors). Notwithstanding anything to the contrary in this Section 5.8, no Borrower or any Subsidiary will be required to disclose or permit the inspection or discussion of, any document, information or other matter (i) in respect of which disclosure to any Lender (or their respective representatives) is prohibited by law or any binding agreement not entered into in contemplation of avoiding such inspection and disclosure rights, (ii) that is subject to attorney client or similar privilege or constitutes attorney work product or (iii) in respect of which the Borrowers or any Subsidiary owes confidentiality obligations to any third party not entered into in contemplation avoiding such inspection and disclosure; provided that in the event that the Borrowers or any Subsidiary does not provide any information requested in connection with an examination or a discussion permitted under this Section 5.8 in reliance on the preceding clause (ii) or (iii) due to confidentiality or waiver concerns, such Person shall provide notice to the relevant Lender that such information is being withheld and shall use its commercially reasonable efforts to communicate the applicable information in a way that would not violate the applicable obligation or risk waiver of such privilege.

5.9 **Environmental.** (a) Keep any property of the Borrowers, their Subsidiaries and their businesses free of any Environmental Liens (other than Permitted Liens) or post bonds or other financial assurances sufficient to satisfy the obligations or liability evidenced by such Environmental Liens, (b) comply, and cause each Subsidiary thereof to comply, in all material respects, with Environmental Laws and provide to each Lender documentation of such compliance which such Lender reasonably requests, (c) take any Remedial Action required to respond to any Release or presence of or exposure to Hazardous Materials, (d) respond to any Environmental Action against a Borrower or any Subsidiary thereof and discharge any material obligations it may have to any Governmental Authority or third person thereunder, and (e) promptly, but in any event within five (5) days after its receipt thereof, provide each Lender with written notice of any of the following: (i) notice that an Environmental Lien has been filed against any property of a Borrower or Subsidiary or relating to their business, (ii) commencement of any Environmental Action or notice that an Environmental Action will be filed against a Borrower or Subsidiary, and (iii) notice of an investigation, violation, citation, or administrative order pursuant to Environmental Law, discovery of a Release or presence of or exposure to Hazardous Materials, or a requirement for Remedial Action, which in any case of (a) through (e) above, reasonably would be expected to result in a Material Adverse Change.

5.10 **Obligations Relating to Athene Purchase Agreement.** If (i) the Buyer Representative has terminated the Athene Purchase Agreement pursuant to Section 10.1(b) (i) of the Athene Purchase Agreement or (ii) ARI is not able to consummate the sale of the Athene-Acquired Assets due to circumstances outside of ARI's control (including as a result of an Injunction (as defined in the Athene Purchase Agreement) (it being understood and agreed that the termination of any financing of the type permitted under clauses (a), (b), (f), (g) and (i) of the definition of Permitted Indebtedness is within ARI's control) which prevents, prohibits or makes illegal the consummation of the sale of the Athene-Acquired Assets, then, without limiting Section 2.2(d) in any respect, ARI shall use its commercially reasonable efforts (without any obligation to sell assets, issue Indebtedness or equity or reduce dividends or operating expenses) to repay the Term Loan as soon as commercially reasonable (and, in any event, prior to the Maturity Date).

5.11 **Maintenance of REIT Status.** ARI shall (a) maintain its status as a REIT, (b) not revoke its election to be taxed as a REIT or cause or allow such election to be terminated, and (c) not engage in any “prohibited transaction” as defined for purposes of Section 857(b)(6) of the IRC that would reasonably be expected to have a Material Adverse Effect. ARI shall continue to list its common stock for trading on a U.S. national or international securities exchange.

5.12 **Certain Regulatory Matters.**

(a) The Borrowers and their Subsidiaries shall not violate any applicable Anticorruption Law in any material respect and shall implement and maintain policies, procedures, and internal controls reasonably designed to ensure compliance with applicable Anticorruption Laws. No part of the proceeds of the Term Loan will be used, directly or, to the knowledge of any Borrower, indirectly, for any payments in violation of the Anticorruption Laws.

(b) The Borrowers and their Subsidiaries shall not violate any applicable Sanctions Law in any material respect and shall implement and maintain policies, procedures, and internal controls reasonably designed to ensure compliance with applicable Sanctions Laws. No proceeds of the Term Loan will be used to directly or, to the knowledge of any Borrower, indirectly fund any operations in, finance any investments or activities in, or make any payments to, a Sanctioned Person or a Sanctioned Country, or in any other manner that would result in a violation of Sanctions Laws by any Person.

5.13 **Further Assurances.**

(a) The Borrowers and each other Loan Party will execute any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements), that may be required under any applicable law, or that the Lenders may reasonably request, to ensure that the Obligations of the Borrowers and each other Loan Party under the Loan Documents are secured by a first priority perfected Lien in favor of the Lenders (subject, in the case of Pledged Equity Interests and the proceeds thereof, solely to Permitted Liens arising by operation of law and which have priority over the Liens of the Lenders only as a result of operation of law, and in the case of other Collateral, Permitted Liens) on the Collateral.

(b) If any Subsidiary is formed or acquired after the Closing Date, the Stock of any Subsidiary no longer constitutes Excluded Stock or any Subsidiary no longer constitutes an Excluded Subsidiary, the Borrowers will within 45 days after the end of the fiscal quarter in which such formation, acquisition or other event or circumstance shall occur (or such longer period as the Lenders may agree to in writing), notify the Lenders thereof and cause such Subsidiary to join the Collateral Agreement and/or cause the Stock of such Subsidiary to be pledged to the Lenders.

6. NEGATIVE COVENANTS.

Notwithstanding the foregoing, in no event shall any Loan Party Dispose of any Pledged Equity Interests other than in a transaction permitted by Section 6.4 (except pursuant to clause (viii) thereof).

(b) No Loan Party shall, nor shall a Loan Party permit any of its Subsidiaries to, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or restriction of any kind on the ability of any Subsidiary of ARI to pay dividends or make any other distributions that could reasonably be expected to cause ARI to fail to maintain its status as a REIT.

(c) Enter into, incur or permit to exist, or permit any Subsidiary thereof to enter into, incur or permit to exist, any agreement or other arrangement that prohibits, restricts or imposes any condition upon the ability of any Loan Party to create, incur or permit to exist any Lien upon the Collateral to secure the Obligations.

6.9 **Restricted Payments.** Directly or indirectly declare or make, or permit any of its Subsidiaries to declare or make, any Restricted Payment or incur any obligation to do so; *provided, however*, that the Borrowers and their Subsidiaries may declare and make the following Restricted Payments so long as no Default or Event of Default would result therefrom:

(a) ARI may declare or make cash distributions to its shareholders during the period of four consecutive fiscal quarters most recently ending in an aggregate amount not to exceed the amount required to be distributed for ARI to maintain its status as a REIT and avoid U.S. federal income and excise taxes;

7. EVENTS OF DEFAULT.

Any one or more of the following events shall constitute an event of default (each, an Event of Default) under this Agreement:

(a) If any Loan Party fails to pay when due and payable, or when declared due and payable in accordance with the terms hereof, all or any portion of (i) the principal of the Term Loan when due in accordance with the terms hereof, or (ii) any interest on the Term Loan (including any interest which, but for the provisions of the Bankruptcy Code, would have accrued on such amounts), fees and charges due any Lender, reimbursement of Lender Expenses, or other amounts constituting Obligations, within five (5) Business Days after any such interest or amount becomes due in accordance with the terms hereof or under any other Loan Document;

(b) If any Loan Party fails to (i) perform, keep, or observe any covenant or other provision contained in Sections 5.1(d), 5.7 (as to existence only), or Section 6 hereof or (ii) perform, keep, or observe any covenant or other provision contained in any Section of this Agreement (other than a Section that is expressly dealt with elsewhere in Section 7(a) or this clause (ii)), or the other Loan Documents, and such failure continues for a period of thirty (30) days after the date on which any Loan Party had knowledge of such failure;

obligations under or early termination of all obligations of such Loan Party or Subsidiary under the documentation governing such Permitted Indebtedness);

(d) If (i) an Insolvency Proceeding is commenced by any Borrower or any of such Borrower's Subsidiaries, or (ii) if any Borrower or any of such Borrower's Subsidiaries shall be generally not paying its debts as such debts become due or shall admit in writing its inability to pay its debts generally;

(f) [Reserved];

(g) [Reserved];

(h) If one or more judgments or other claims involving an aggregate amount greater than \$7,500,000 against any Borrower or any of such Borrower's Subsidiaries shall remain undischarged for a period of sixty (60) consecutive days during which execution shall not be effectively stayed, and any action shall be legally taken by a judgment creditor to attach or levy upon any assets of any Borrower or any of such Borrower's Subsidiaries to enforce any such judgment and such action is not stayed within sixty (60) days;

(i) If there is a default, amortization, termination or similar event with respect to any agreement to which a Borrower or any of its Subsidiaries is a party, the termination or acceleration of which is reasonably likely to either result in a Material Adverse Change or result in liability in an amount in excess of \$7,500,000, and such default, amortization, termination or similar event with respect to such other agreement (1) occurs at the final maturity of the obligations thereunder, or (2) results in an acceleration of the maturity of the Borrower's or any of its Subsidiaries' obligations thereunder;

(j) [Reserved];

(k) Any representation or warranty made or deemed made to a Lender by or on behalf of any Loan Party in or pursuant to this Agreement or any other Loan Document or any amendment or modification hereof or thereof, or any waiver hereunder or thereunder, or in any report, certificate, financial statement or other document furnished pursuant to or in connection with this Agreement or any other Loan Document or any amendment or modification hereof or thereof, or any waiver hereunder or

thereunder, shall prove to have been incorrect in any material respect (or, in the case of any such representation or warranty under this Agreement or any other Loan Document already qualified by materiality, such representation or warranty shall prove to have been incorrect) when made or deemed made;

(l) If (i) the obligation of any Loan Party under the guaranty provisions of the Collateral Agreement are terminated by operation of law and, not replaced by a guaranty from a Person with creditworthiness acceptable to each Lender or (ii) any Loan Party shall default in respect of any covenant contained in the Collateral Agreement or there shall otherwise be a breach or default in respect of any obligation or agreement contained in the Collateral Agreement and such breach or default continues for thirty (30) days;

(m) any Lien purported to be created by the Collateral Agreement shall cease to be, or shall be asserted in writing by any Loan Party not to be, a valid, perfected Lien having the priority contemplated thereby (except as otherwise expressly provided in this Agreement or the Collateral Agreement); or

(n) If any provision of any Loan Document shall at any time for any reason be declared to be null and void, or the validity or enforceability thereof shall be contested by any Borrower, or any Subsidiaries of a Borrower, or a proceeding shall be commenced by any Borrower or any of its Subsidiaries, or by any Governmental Authority having jurisdiction over any Borrower or its Subsidiaries seeking to establish the invalidity or unenforceability thereof, or any Borrower, or any of its Subsidiaries shall deny that any Borrower, or any of its Subsidiaries has any liability or obligation purported to be created under any Loan Document.

8. THE LENDERS' RIGHTS AND REMEDIES.

8.1 **Acceleration.** Upon the occurrence and during the continuation of an Event of Default, the Required Lenders may (by written notice to the Borrowers) declare the Obligations, whether evidenced by this Agreement or by any of the other Loan Documents, immediately due and payable, whereupon the same shall become and be immediately due and payable and the Borrowers shall be obligated to repay all of such Obligations in full, without presentment, demand, protest, or further notice or other requirements of any kind, all of which are hereby expressly waived by the Borrowers. The foregoing to the contrary notwithstanding, upon the occurrence of any Event of Default described in clause (d) or clause (e) of Section 7, without any notice to Loan Parties or any other Person or any act by the Lenders, the Obligations then outstanding, together with all accrued and unpaid interest thereon and all fees and all other amounts due under this Agreement and the other Loan Documents shall automatically and immediately become due and payable, without presentment, demand, protest, or notice of any kind, all of which are expressly waived by Loan Parties.

8.2 **Other Remedies.** If any Event of Default has occurred and is continuing, and irrespective of whether the Obligations have become or have been declared immediately due and payable under Section 8.1, each Lender may proceed to protect and enforce the rights of such Lender by an action at law, suit in equity or other appropriate proceeding, whether for the

specific performance of any agreement contained herein or in any other Loan Document, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

8.3 **Remedies Cumulative.** The rights and remedies of the Lenders under this Agreement, the other Loan Documents, and all other agreements shall be cumulative. The Lenders shall have all other rights and remedies not inconsistent herewith as provided by law or in equity. No exercise by the Lenders of one right or remedy shall be deemed an election, and no waiver by the Lenders of any Event of Default shall be deemed a continuing waiver. No delay by the Lenders shall constitute a waiver, election, or acquiescence by it.

9. TAXES AND EXPENSES.

If Loan Parties fail to pay any monies (whether taxes, assessments, insurance premiums, or, in the case of leased properties or assets, rents or other amounts payable under such leases) due to third Persons, or fails to make any deposits or furnish any required proof of payment or deposit, all as required under the terms of this Agreement, then, any Lender, with notice to each of the other Lenders and without prior notice to Loan Parties, may do any or all of the following: (a) make payment of the same or any part thereof, or (b) in the case of the failure to comply with Section 5.4 hereof, obtain and maintain insurance policies of the type described in Section 5.4 and take any action with respect to such policies as such Lender deems prudent. Any such amounts paid by a Lender shall constitute Lender Expenses and any such payments shall not constitute an agreement by the Lenders to make similar payments in the future or a waiver by any Lender of any Event of Default under this Agreement. A Lender need not inquire as to, or contest the validity of, any such expense, tax, or Lien and the receipt of the usual official notice for the payment thereof shall be conclusive evidence that the same was validly due and owing.

10. WAIVERS; INDEMNIFICATION.

10.1 **Demand; Protest; etc.** Loan Parties waive demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, nonpayment at maturity, release, compromise, settlement, extension, or renewal of documents, instruments, chattel paper, and guarantees at any time held by the Lenders on which Loan Parties may in any way be liable.

10.2 **Indemnification.** Loan Parties shall pay, indemnify, defend, and hold the Lender-Related Persons (each, an "**Indemnified Person**") harmless (to the fullest extent permitted by law) from and against any and all liabilities, obligations, losses, penalties, claims, demands, suits, actions, judgments, investigations, proceedings, and damages, and all attorneys' fees and disbursements and other fees, costs and expenses of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted against such Indemnified Person in any way in connection therewith or in connection with the enforcement of this indemnification (as and when they are incurred and irrespective of whether suit is brought), at any time asserted against, imposed upon, or incurred by any of them (a) in connection with, as a result of, related to or arising under or out of the execution, delivery, enforcement, performance, or administration (including any restructuring or workout with respect hereto) of this Agreement, any of the other Loan Documents, the use of the proceeds of the credit provided hereunder or the monitoring of Loan Parties' compliance with the terms of the Loan Documents, (b) with respect to any actual

or prospective claim, investigation, litigation, or proceeding related to this Agreement, any other Loan Document, the use of the proceeds of the credit provided hereunder, the transactions contemplated hereby or thereby (in such Indemnified Person's role as a Lender or a director, officer, employee, partner, agent or other representative of a Lender, its affiliates or controlling persons) or the monitoring of Loan Parties' compliance with the terms of the Loan Documents (irrespective of whether any Indemnified Person is a party thereto and regardless of whether such matter is initiated by a third party or by any Borrower or any of its Subsidiaries Affiliates or shareholders), or any act, omission, event, or circumstance in any manner related thereto, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) or (c) with respect to any Environmental Action, any actual or alleged presence or release of or exposure to Hazardous Materials, any Remedial Action, any Environmental Lien, or any Environmental Liabilities and Costs, in each case to the extent related in any way to any Loan Party or any of their Subsidiaries, their properties or businesses, this Agreement, any of the other Loan Documents, or the transactions contemplated hereby or thereby or the monitoring of Loan Parties' compliance with the terms of the Loan Documents (all the foregoing, collectively, the "Indemnified Liabilities"). This provision shall survive the termination of this Agreement and the repayment of the Obligations. If any Indemnified Person makes any payment to any other Indemnified Person with respect to an Indemnified Liability as to which any Borrower was required to indemnify the Indemnified Person receiving such payment, the Indemnified Person making such payment is entitled to be indemnified and reimbursed by the Borrowers with respect thereto. **WITHOUT LIMITATION, THE FOREGOING INDEMNITY SHALL APPLY TO EACH INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES WHICH IN WHOLE OR IN PART ARE CAUSED BY OR ARISE OUT OF ANY NEGLIGENT ACT OR OMISSION OF SUCH INDEMNIFIED PERSON OR OF ANY OTHER PERSON; provided, however,** that no Borrower shall have any obligation to any Indemnified Person under this Section 10.2 with respect to any Indemnified Liability that a court of competent jurisdiction finally determines in a non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnified Person. This Section 10.2 shall not apply with respect to taxes, other than taxes that represent liabilities, obligations, losses, penalties, claims, etc. arising from a non-tax claim.

10.3 Expenses.

- (a) the Borrowers shall reimburse the Lenders for all Lender Expenses within thirty (30) day following demand therefore by a Lender.
- (b) Borrower shall pay the Lenders such fees, in the amounts and on the dates, set forth in the Fee Letter.
- (c) This provision shall survive the termination of this Agreement and the repayment of the Obligations.

10.4 Waiver. To the extent permitted by applicable law, the Loan Parties shall not assert, and hereby waive, any claim against any Indemnified Person on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or

any agreement or instrument contemplated hereby or thereby, any Term Loan or the use of the proceeds thereof. In no event shall any Indemnified Person be liable on any theory of liability for any special, indirect, consequential or punitive damages (including without limitation lost profits) even if such Person has been advised of the possibility of such damages and regardless of the form of action.

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1 Assignments and Participations.

(a) At any time or from time to time, any Lender may assign and delegate to one or more assignees (each an "Assignee") all, or any ratable part of all, of the Obligations and the other rights and obligations of such Lender, in a minimum amount of \$5,000,000, with the prior written consent of ARI (such consent not to be unreasonably withheld, conditioned or delayed); provided, that no consent of ARI shall be required for an assignment to an Affiliate of the Lender or solely among Lenders; provided, however, that the Borrowers and any other Lender may continue to deal solely and directly with such assigning Lender in connection with the interest so assigned to an Assignee until (i) written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to the Borrowers and each other Lender by such assigning Lender and the Assignee, and (ii) such assigning Lender and its Assignee have delivered to the Borrowers and each other Lender an Assignment and Acceptance. No Loan Party or any Subsidiary of a Loan Party may at any time be an Assignee or otherwise have the rights and obligations of a Lender under the Loan Documents.

(b) From and after the date that the assigning Lender (with a copy to Loan Parties and each other Lender) has received an executed Assignment and Acceptance, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Section 10.2 hereof) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other Loan Documents, such Lender shall cease to be a party hereto and thereto), and such assignment shall effect a novation between Loan Parties and the Assignee; provided, however, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 16.7 of this Agreement.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (1) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto, (2) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Loan Parties or the performance or observance by Loan Parties of any of its obligations under

this Agreement or any other Loan Document furnished pursuant hereto, (3) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (4) such Assignee will, independently and without reliance upon such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, and (5) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon receipt by the Loan Parties and each Lender of the fully executed Assignment and Acceptance, this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee. The Borrowers shall maintain a register for the recordation of the names and addresses of each Lender, and the principal amounts of (and stated interest on) the Term Loans and other Obligations owing to such Lender pursuant to the terms hereof from time to time (the "Register"). The Borrowers and each Lender shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and each Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may at any time, sell to one or more commercial banks, financial institutions, or other Persons (a "Participant") participating interests in its Obligations and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, however, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other Loan Documents and the Participant receiving the participating interest in the Obligations and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Loan Parties and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other Loan Document would (A) extend the final maturity date of the Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the Obligations hereunder in which such Participant is participating, (C) release all or substantially all of (1) the Collateral or (2) the value of the guarantees of the Obligations, in each case, supporting the Obligations hereunder in which such Participant is participating (except to the extent expressly provided herein or in any of the Loan Documents), (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender, or (E) change the amount or due dates of scheduled principal repayments or

prepayments or premiums, (v) all amounts payable by Loan Parties hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of set off in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement and (v) each Participant shall have agreed to be bound by the provisions of Section 13.3 as if it were a Lender. The rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other Loan Documents or any direct rights as to Loan Parties, the other Lenders or otherwise in respect of the Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation, a Lender may, subject to the provisions of Section 16.7, disclose all documents and information which it now or hereafter may have obtained in connection with this facility and relating to Loan Parties and their respective Affiliates and businesses.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Any Assignee or Participant on the date it becomes a Lender or Participant hereunder shall certify in the applicable Assignment and Acceptance, participation agreement or other similar document that it is, or meets the criteria for being, both a “qualified purchaser” (within the meaning of the Investment Company Act of 1940 and the rules and regulations thereunder) and a “qualified institutional buyer” (within the meaning of Rule 144A under the Securities Act). Any failure to include such a certification in an Assignment and Acceptance, participation agreement or other applicable document with respect to the Assignee’s or Participant’s qualified purchaser and qualified institutional buyer status shall render such Assignment and Acceptance, participation agreement or other similar document void ab initio and of no force or effect for any purpose.

(i) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other Obligations (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating

to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

13.2 **Successors.** This Agreement shall bind and inure to the benefit of the respective successors and assigns of each of the parties; provided, however, that no Loan Party may assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void *ab initio*. No consent to assignment by the Lenders shall release the Loan Parties from its Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 hereof and, except as expressly required pursuant to Section 13.1 hereof, no consent or approval by Loan Parties is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1 **Amendments and Waivers.** No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent with respect to any departure by any Loan Party there from, shall be effective unless the same shall be in writing and signed by the Required Lenders and the Borrowers and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, however, that no such waiver, amendment, or consent shall, unless in writing and signed by all of the Lenders affected thereby and the Borrowers, do any of the following:

(a) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees, or other amounts due to the Lenders hereunder or under any other Loan Document,

(b) reduce the principal of, or the rate of interest on, any loan or other extension of credit hereunder, or reduce any fees or other amounts payable to the Lenders hereunder or under any other Loan Document,

(c) change the Pro Rata Share that is required to take any action hereunder,

(d) amend or modify this Section or any provision of the Agreement providing for consent or other action by all Lenders,

(e) change the definition of "Required Lenders" or "Pro Rata Share",

(f) release any Borrower from any obligation for the payment of money to the Lenders or release all or substantially all of the Collateral or the value of the guarantees of the Obligations; or

(g) amend any of the provisions of Section 15.

The foregoing notwithstanding, (i) any amendment, modification, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Loan Document that relates only to the relationship of the Lenders among themselves, and that does not affect the rights or obligations of the Borrowers, shall not require consent by or the agreement of the Borrowers and (ii) each Lender may agree with the Borrowers to any amendment, modification, waiver or consent with respect to any provision of this Agreement or any other Loan Document that does not adversely affect the rights or obligations of any other Lender hereunder or any other Loan Document.

14.2 No Waivers; Cumulative Remedies. No failure by any Lender to exercise any right, remedy, or option under this Agreement or any other Loan Document, or delay by any Lender in exercising the same, will operate as a waiver thereof. No waiver by any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by any Lender on any occasion shall affect or diminish each Lender's rights thereafter to require strict performance by Loan Party of any provision of this Agreement. Each Lender's rights under this Agreement and the other Loan Documents will be cumulative and not exclusive of any other right or remedy that any Lender may have.

15. THE LENDERS.

15.1 Lender in Individual Capacity. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Loan Parties and any Borrower's Subsidiaries and other Affiliates and any other Person party to any Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other Lenders. The other Lenders acknowledge that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Loan Parties and any other Person party to any Loan Documents that is subject to confidentiality obligations in favor of Loan Parties or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.2 **Withholding Taxes; Increased Costs**

(a) All payments made by or on account of any Obligation of any Borrower hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense. In addition, all such payments will be made free and clear of, and without deduction or withholding for, any present or future Taxes, and in the event any deduction or withholding of Taxes is required, each Borrower shall comply with the requirements of this paragraph. "Taxes" shall mean, any taxes, levies, imposts, duties, fees, assessments or other charges of whatever nature now or hereafter imposed by any Governmental Authority with respect to such payments (but excluding any tax imposed by any Governmental Authority measured by or based on the net

income or net profits of any Lender or as a result of a present or former connection between a Lender and the Governmental Authority imposing such tax, any tax imposed under FATCA, and any tax imposed pursuant to a law in effect on the day such Lender becomes a party to this Agreement) and all interest, penalties or similar liabilities with respect thereto. If any Taxes are so levied or imposed, Borrower agrees to pay the full amount of such Taxes and such additional amounts as may be necessary so that every payment of all amounts due under this Agreement, any note, or Loan Document, including any amount paid pursuant to this Section 15.2(a) after withholding or deduction for or on account of any Taxes, will not be less than the amount provided for herein. The Borrowers will furnish to each Lender as promptly as reasonably practicable after the date the payment of any Tax is due pursuant to Applicable Law certified copies of tax receipts evidencing such payment by Loan Parties, as applicable. Notwithstanding anything to the contrary herein or in any Loan Document, Borrower shall not be required to indemnify, pay additional amounts, gross-up or otherwise compensate any Lender, participant, or any other Person with an interest in the Loan Documents as a result of any Tax imposed as a result of such Person's failure to provide any form or certification described in Section 15.2(b) such Person is legally able to provide.

(b) Each Lender (and any Person that becomes a Lender, participant or otherwise acquires an interest in any Loan Document after the date hereof) that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to Borrower or any other Loan Party at the time or times reasonably requested by Borrower or on the date such Person becomes a Lender, participant or otherwise acquires an interest in any Loan Document, such properly completed and executed documentation reasonably requested by the Borrowers or any other Loan Party as will permit such payments to be made without withholding or at a reduced rate of withholding to the extent permitted by law. Without limiting the generality of the foregoing, each Lender agrees with and in favor of the Loan Parties, to deliver to the Borrowers whichever of the following forms the applicable Lender is legally entitled to provide and is applicable:

(i) if such Lender claims an exemption from United States withholding tax pursuant to its portfolio interest exception, (A) a statement of such Lender, signed under penalty of perjury, that it is not a (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of either Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to either Borrower within the meaning of Section 864(d)(4) of the IRC, and (B) a properly completed and executed IRS Form W-8BEN or W-8BEN-E, as appropriate, before receiving its first payment under this Agreement and at any other time reasonably requested by any Loan Party;

(ii) if such Lender claims an exemption from, or a reduction of, withholding tax under a United States tax treaty, properly completed and executed IRS Form W-8BEN or W-8BEN-E, as appropriate, before receiving its first payment under this Agreement and at any other time reasonably requested by any Loan Party;

(iii) if such Lender claims that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, two properly completed and executed copies of IRS Form W-8ECI before receiving its first payment under this Agreement and at any other time reasonably requested by any Loan Party; or;

(iv) such other form or forms, including IRS Form W-9, as may be required under the IRC or other laws of the United States as a condition to exemption from, or reduction of, United States withholding or backup withholding tax before receiving its first payment under this Agreement and at any other time reasonably requested by any Loan Party.

Each Lender agrees promptly to notify the Loan Parties of any change in circumstances which would modify or render invalid any claimed exemption or reduction and shall provide updated forms to the extent it is legally entitled to do so if previously provided forms expire or become inaccurate.

(c) If a Lender claims an exemption from withholding tax in a jurisdiction other than the United States, such Lender agrees with and in favor of the Loan Parties, to deliver to Borrower any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement and at any other time reasonably requested by any Loan Party.

Each Lender agrees promptly to notify the Loan Parties of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(d) If any Lender claims exemption from, or reduction of, withholding tax and such Lender sells, assigns, grants a participation in, or otherwise transfers all or part of the Obligations of Loan Parties to such Lender, such Lender agrees to notify the Loan Parties of the percentage amount in which it is no longer the beneficial owner of Obligations of Loan Parties to such Lender. To the extent of such percentage amount, the Loan Parties will treat such Lender's documentation provided pursuant to Sections 15.2(b) or 15.2(c) as no longer valid. With respect to such percentage amount, Lender may provide new documentation, pursuant to Sections 15.2(b) or 15.2(c), if applicable.

(e) If any Lender is entitled to a reduction in the applicable withholding tax, Borrower may withhold from any interest payment to such Lender an amount equivalent to the applicable withholding tax after taking into account such reduction. If the forms or other documentation required by Section 15.2(b) or Section 15.2(c) are not delivered to Borrower, then Borrower may withhold from any interest payment to such Lender not providing such forms or other documentation an amount equivalent to the applicable withholding tax.

(f) Each Lender shall deliver to Loan Parties at the time or times prescribed by law and at such time or times reasonably requested by Loan Parties any documentation prescribed by applicable law under FATCA (including as prescribed by Section 1471(b)(3)(C)(i) of the IRC) and such additional documentation reasonably requested by Loan Parties as may be necessary for Loan Parties to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this subsection (f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any taxes as to which it has been indemnified pursuant to this Section 15.2 (including by the payment of additional amounts pursuant to Section 15.2(a)), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the taxes giving rise to such refund), net of all out-of-pocket expenses (including taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the indemnifying party or any other Person.

(h) If the introduction of or any change in, after the Closing Date, any applicable law increases a Lender's costs or reduces its income for the Term Loans, or subjects a Lender to any tax, levy, impost, duty, fee, assessment or other similar charge (other than any Taxes or any tax excluded from the definition of Taxes or resulting from the failure to provide any form or certification described in Section 15.2(b) such Person is legally able to provide) on such Lender's loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, which increases the cost to such Lender of maintaining its Loans, then the Borrowers shall upon demand by such Lender promptly pay to such Lender the increase in cost or reduction in income or additional expense; provided that all requests, rules, guidelines or directives issued or promulgated under, in connection with or pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act or Basel III shall be deemed to be a change in applicable law, regardless of the date enacted, adopted or issued.

15.3 Restrictions on Actions by Lenders: Sharing of Payments

(a) Each of the Lenders and the Borrowers agree that a Lender may, to the extent it is lawfully entitled to do so, set off against the Obligations, any amounts owing by such Lender to any Borrower or any deposit accounts of any Borrower now or hereafter maintained with such Lender.

(b) If, at any time or times any Lender shall receive by payment, foreclosure, setoff, or otherwise, any payments with respect to the Obligations, except for any such proceeds or payments received by such Lender from any Borrower pursuant to the terms of this Agreement, such Lender promptly shall purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, however, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.4 Payments to the Lenders All payments to be made by the Borrowers to the Lenders shall be made by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each Lender may designate for itself by written notice to the Borrowers. Concurrently with each such payment, the Borrowers shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the Obligations.

15.5 Several Obligations; No Liability. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. No Lender shall have any liability for the acts of any other Lender. No Lender shall be responsible to any Loan Party or any other Person for any failure by any other Lender to fulfill its obligations to make credit available hereunder nor to take any other action on its behalf hereunder or in connection with the financing contemplated herein.

16. GENERAL PROVISIONS.

16.1 Effectiveness. This Agreement shall be binding and deemed effective when executed by each of Loan Parties and each Lender whose signature is provided for on the signature pages hereof.

16.2 Section Headings. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

16.3 **Interpretation.** Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lenders or the Borrowers, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

16.4 **Severability of Provisions.** Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision. This agreement is for the benefit of the parties hereto and there shall be no third party beneficiaries.

16.5 **Counterparts; Electronic Execution.** This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile, “.pdf file” or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile, “.pdf file” or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other Loan Document mutatis mutandis.

16.6 **Revival and Reinstatement of Obligations.** If the incurrence or payment of the Obligations by Loan Parties or the transfer to a Lender of any property should for any reason subsequently be declared to be void or voidable under any state or federal law relating to creditors’ rights, including provisions of the Bankruptcy Code relating to fraudulent conveyances, preferences, or other voidable or recoverable payments of money or transfers of property (collectively, a “Voidable Transfer”), and if a Lender is required to repay or restore, in whole or in part, any such Voidable Transfer, or elects to do so upon the reasonable advice of its counsel, then, as to any such Voidable Transfer, or the amount thereof that a Lender is required or elects to repay or restore, and as to all costs, expenses, and attorneys fees of any Lender related thereto, the liability of Loan Parties automatically shall be revived, reinstated, and restored and shall exist as though such Voidable Transfer had never been made.

16.7 **Confidentiality.** Lenders each individually (and not jointly or jointly and severally) agree that material, non-public information regarding Loan Parties, their operations, assets, and existing and contemplated business plans shall be treated by the Lenders in a confidential manner, and shall not be disclosed by the Lenders to Persons who are not parties to this Agreement or used for any purpose other than as contemplated by this Agreement, except: (a) to attorneys for and other advisors, accountants, auditors, and consultants to any Lender for use by them for a purpose as contemplated by this Agreement, (b) to Subsidiaries and Affiliates of any Lender, provided that any such Subsidiary or Affiliate shall be advised of the confidential nature of such information and instructed to keep it confidential, (c) as may be required by statute, decision, or judicial or administrative order, rule, or regulation or by subpoena or similar legal process, (d) as may be agreed to in advance by the Borrowers, or the Borrowers’ Subsidiaries, (e) as requested or required by any Governmental Authority or any regulatory or

self-regulatory authority or examiner (including the National Association of Insurance Commissioners or other similar organization), (f) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by a Lender), (g) in connection with any assignment, prospective assignment, sale, prospective sale, participation or prospective participations, or pledge or prospective pledge of any Lender's interest under this Agreement, provided that any such assignee, prospective assignee, purchaser, prospective purchaser, participant, prospective participant, pledgee, or prospective pledgee shall have agreed in writing to receive such information hereunder subject to the terms of this Section, (h) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other Loan Documents, and (i) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder to the extent reasonably necessary in connection with such enforcement. The provisions of this Section 16.7 shall survive for 2 years after the payment in full of the Obligations. Notwithstanding the foregoing, on or after the Closing Date, each Lender may, at its own expense, issue news releases and publish "tombstone" advertisements and other announcements relating to this transaction in newspapers, trade journals and other appropriate media. Notwithstanding anything to the contrary in this Agreement, any Lender may disclose any information hereunder subject to the terms of this Section 16.7 for the purposes of fulfilling its ordinary course regulatory obligations not otherwise specifically related to the Acquisition or this Agreement, including to any banking or insurance regulatory agency, without providing prior notice to the Borrower.

16.8 **Integration.** This Agreement, together with the other Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

16.9 **USA PATRIOT Act Notice.** Each Lender (for itself and not on behalf of any other party) hereby notifies the Borrowers that, pursuant to the requirements of the PATRIOT Act, such Lender is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender to identify such Borrower in accordance with the PATRIOT Act.

16.10 **Recourse Against Certain Parties.** No recourse under or with respect to any obligation, covenant or agreement (including, without limitation, the payment of any fees or any other obligations) of any Loan Party as contained in this Agreement or any other agreement, instrument or document entered into by any Loan Party pursuant hereto or in connection herewith shall be had against any administrator or investment manager of such Loan Party or any incorporator, member, partner, officer, employee, trustee, beneficial owner or director of such Loan Party or of any such administrator or investment manager, as such, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute or otherwise, it being expressly agreed and understood that the agreements of each Loan Party contained in this Agreement and all of the other agreements, instruments and documents entered into by such Loan Party pursuant hereto or in connection herewith are, in each case, solely the respective

corporate obligations of such Loan Party, and that no personal liability whatsoever shall attach to or be incurred by any administrator or investment manager of such Loan Party or any incorporator, member, partner, officer, employee, trustee, beneficial owner or director of such Loan Party or of any such administrator or investment manager, as such, or any of them, under or by reason of any of the obligations, covenants or agreements of such Loan Party contained in this Agreement or in any other such instruments, documents or agreements, or which are implied therefrom, and that any and all personal liability of each and every such administrator or investment manager of each Loan Party and each incorporator, member, partner, officer, employee, trustee, beneficial owner or director of such Loan Party or of any such administrator or investment manager, or any of them, for breaches by any Loan Party of any such obligations, covenants or agreements, which liability may arise either at common law or at equity, by statute or constitution, or otherwise, is hereby expressly waived as a condition of and in consideration for the execution of this Agreement. The provisions of this Section 16.10 shall survive the termination of this Agreement.

**[Form of Assignment and Acceptance]
ASSIGNMENT AND ACCEPTANCE AGREEMENT**

This ASSIGNMENT AND ACCEPTANCE AGREEMENT (“Assignment Agreement”) is entered into as of _____ between _____ (“Assignor”) and _____ (“Assignee”). Reference is made to the Loan Agreement, dated as of [●], 2016 (which, as the same has been and may from time to time be amended, modified, supplemented, renewed, extended or restated, is hereinafter called the “Loan Agreement”), by and among ATHENE USA CORPORATION, an Iowa corporation (the “Lender”), ARROW MERGER SUB, INC., a Maryland corporation (“AcquisitionCo”) and APOLLO COMMERCIAL REAL ESTATE FINANCE, INC., a Maryland corporation (“ARI”) and together with AcquisitionCo, the “Borrowers”, and each a, “Borrower”). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Loan Agreement.

1. In accordance with the terms and conditions of Section 13 of the Loan Agreement, the Assignor hereby sells and assigns to the Assignee, and the Assignee hereby purchases and assumes from the Assignor, that interest in and to the Assignor’s rights and obligations under the Loan Documents as of the date hereof with respect to the Obligations owing to the Assignor, all to the extent specified on Annex I.

2. The Assignor (a) represents and warrants that (i) it is the legal and beneficial owner of the interest being assigned by it hereunder and that such interest is free and clear of any adverse claim and (ii) it has full power and authority, and has taken all action necessary, to execute and deliver this Assignment Agreement and to consummate the transactions contemplated hereby; (b) makes no representation or warranty and assumes no responsibility with respect to (i) any statements, representations or warranties made in or in connection with the Loan Documents or (ii) the execution, legality, validity, enforceability, genuineness, sufficiency or value of the Loan Documents or any other instrument or document furnished pursuant thereto; (c) makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of their respective obligations under the Loan Documents or any other instrument or document furnished pursuant thereto, and (d) represents and warrants that the amount set forth as the Purchase Price on Annex I represents the amount owed by Borrower to Assignor with respect to Assignor’s share of the Term Loans assigned hereunder, as reflected on Assignor’s books and records.

3. The Assignee (a) confirms that it has received copies of the Loan Agreement and the other Loan Documents, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment Agreement; (b) agrees that it will, independently and without reliance upon Assignor, or any other Lender, based upon such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking any action under the Loan Documents; (c) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Loan

EXHIBIT A-1

Documents are required to be performed by it as a Lender; (d) attaches the forms prescribed in the Loan Agreement with respect to taxes, including certifying as to the Assignee's status for purposes of determining exemption from United States withholding taxes with respect to all payments to be made to the Assignee under the Loan Agreement or such other documents as are necessary to indicate that all such payments are subject to such rates at a rate reduced by an applicable tax treaty and (e) represents and warrants to Borrower that on and as of the date hereof it is a "qualified purchaser" (within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations thereunder) and a "qualified institutional buyer" (within the meaning of Rule 144A under the Securities Act).

4. Following the execution of this Assignment Agreement by the Assignor and Assignee, the Assignor will deliver this Assignment Agreement to the other Lenders and the Loan Parties. The effective date of this Assignment (the "Settlement Date") shall be the latest to occur of (a) the date of the execution and delivery hereof by the Assignor and the Assignee, and (b) the date specified in Annex I.

5. Upon receipt by the other Lenders and the Loan Parties of this Assignment Agreement, as of the Settlement Date (a) the Assignee shall be a party to the Loan Agreement and, to the extent of the interest assigned pursuant to this Assignment Agreement, have the rights and obligations of a Lender thereunder and under the other Loan Documents, and (b) the Assignor shall, to the extent of the interest assigned pursuant to this Assignment Agreement, relinquish its rights and be released from its obligations under the Loan Agreement and the other Loan Documents, provided, however, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 15 and Section 16.7 of the Loan Agreement.

6. On the Settlement Date, Assignee shall pay to Assignor the Purchase Price (as set forth in Annex I). From and after the Settlement Date, Borrower shall make all payments that are due and payable to the holder of the interest assigned hereunder (including payments of principal, interest, fees and other amounts) to Assignor for amounts which have accrued up to but excluding the Settlement Date and to Assignee for amounts which have accrued from and after the Settlement Date. On the Settlement Date, Assignor shall pay to Assignee an amount equal to the portion of any interest, fee, or any other charge that was paid to Assignor prior to the Settlement Date on account of the interest assigned hereunder and that are due and payable to Assignee with respect thereto, to the extent that such interest, fee or other charge relates to the period of time from and after the Settlement Date and has not been taken into account in determining the Purchase Price.

7. This Assignment Agreement may be executed in counterparts and by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. This Assignment Agreement may be executed and delivered by facsimile or other electronic transmission all with the same force and effect as if the same were a fully executed and delivered original manual counterpart.

EXHIBIT A-1

8. THIS ASSIGNMENT AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

EXHIBIT A-1

Conditions Precedent

The availability and initial funding of the Term Loan Facility shall be subject to the satisfaction (or waiver) of solely the following conditions (subject to the Certain Funds Provision). Capitalized terms used but not otherwise defined herein have the meanings assigned to such terms in the Commitment Letter to which this Exhibit B is attached or on Exhibit A attached thereto.

1. Each Loan Party shall have executed and delivered the Loan Documents to which it is a party and the Lender shall have received all other related instruments, documents, certificates and agreements executed or delivered pursuant thereto, including:
 - (a) customary closing certificates, borrowing notices and legal opinions; and
 - (b) a certificate of the chief financial officer (or other officer with reasonably equivalent responsibilities) of ARI in the form attached as Annex I hereto, certifying that ARI and the other Loan Parties, on a consolidated basis, after giving effect to the Transactions, are solvent.
2. The Specified Acquisition Agreement Representations shall be true and correct in all material respects to the extent required by the Certain Funds Provision and the Specified Representations shall be true and correct in all material respects (except in the case of any Specified Representation which expressly relates to a given date or period, such representation and warranty shall be true and correct in all material respects as of the respective date or for the respective period, as the case may be); provided, that to the extent that any of the Specified Representations are qualified by or subject to a “material adverse effect”, “material adverse change” or similar term or qualification, the definition thereof shall be the definition of “Material Adverse Effect” (as defined below) for purposes of any such representations and warranties made or deemed made on, or as of, the Closing Date (or any date prior thereto).
3. The Loan Parties shall have completed (or, substantially concurrently with the credit extension hereunder will complete) the Acquisition in accordance with the terms of the Acquisition Agreement, but without giving effect to any amendments, waivers, supplements or other modifications or consents by the Borrowers that are materially adverse to the interests of the Lender without the prior written consent of the Lender.
4. Since January 1, 2015, no Company Material Adverse Effect shall have occurred that would excuse the Borrowers from their obligations to consummate the Acquisition under the Acquisition Agreement. “Company Material Adverse Effect” shall have the meaning ascribed thereto in the Acquisition Agreement.
5. The Lender shall have received a copy of the Athene Purchase Agreement executed by the Loan Parties party thereto and such agreement shall not have been terminated on or prior to the Closing Date; provided, however, that if the Buyer Representative (as defined in the Athene Purchase Agreement) has terminated the Athene Purchase Agreement pursuant to Section 10.1(b)(i) of the Athene Purchase Agreement, this condition shall still be deemed to be satisfied.

-
6. All documents and instruments necessary to grant the Lender a perfected security interest (subject to liens permitted under the relevant Loan Documents) in the collateral under the Term Loan Facility shall have been delivered (including pledged collateral, with undated irrevocable transfer powers executed in blank).
 7. The Lender shall have received payment from the Borrowers of (i) all amounts due and payable under any Loan Document on or prior to the Closing Date, including all fees required to be paid under the Fee Letter and (ii) all expenses required to be paid pursuant to the Commitment Letter (which amounts may be offset against the proceeds of the Term Loan Facility) for which (in the case of expenses) invoices have been presented at least two business days prior to the Closing Date.
 8. The Lender shall have received all documentation and other information requested by the Lender under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act, as reasonably requested in writing at least ten business days prior to the Closing Date.

Form of Solvency Certificate

[●][●], 2016

This Solvency Certificate is being executed and delivered pursuant to that certain Loan Agreement, dated as of [●] [●], 2016, by and among Apollo Commercial Real Estate Finance, Inc. (“ARI”), Arrow Merger Sub, Inc. and Athene USA Corporation (the “Credit Agreement”); the terms defined therein being used herein as therein defined).

I, _____, the Chief Financial Officer of ARI, in such capacity and not in an individual capacity, hereby certify as follows:

1. I am generally familiar with the businesses and assets of ARI and its Subsidiaries, taken as a whole, and am duly authorized to execute this Solvency Certificate on behalf of ARI pursuant to the Credit Agreement; and
2. As of the date hereof and after giving effect to the Transactions, that (a) the fair value of the property of ARI and the other Loan Parties is greater than the total amount of liabilities, including contingent, subordinated, unmatured and unliquidated liabilities, of ARI and the other Loan Parties, taken as a whole on a consolidated basis, (b) the present fair salable value of the assets of ARI and the other Loan Parties is not less than the amount that will be required to pay the probable liability of ARI and the other Loan Parties, taken as a whole on a consolidated basis, on their debts as they become absolute and matured, (c) ARI and the other Loan Parties, taken as a whole on a consolidated basis, have not incurred, do not intend to incur, and do not believe that they will incur debts or liabilities (subordinated, contingent or otherwise) beyond their ability to pay such debts and liabilities as they become due (whether at maturity or otherwise), (d) ARI and the other Loan Parties, taken as a whole on a consolidated basis, will not have unreasonably small capital with which to conduct their business operations as contemplated to be conducted and (e) ARI and the other Loan Parties, taken as a whole on a consolidated basis, are not “insolvent” as such term is defined under any applicable laws relating to fraudulent transfers and conveyances, or any bankruptcy, insolvency, or similar laws in any jurisdiction where they are organized. For the purposes hereof, the amount of any contingent or unliquidated liabilities at any time shall be computed as the amount that, in light of all of the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

(f) From the date hereof through and including the Closing Date (or with respect to any Nonassignable Asset, the Post-Closing Transfer Date, if any, on which such Asset is transferred to the applicable Buyer), Seller shall provide the Buyer Representative with pricing information regarding the Assets on a monthly basis in the same form such information is provided by AMTG to Seller under the Merger Agreement.

5.2 Access to Information Prior to the Closing

During the period from the date hereof through the Closing Date, Seller shall use reasonable best efforts to cause AMTG to give the Buyer Representative and its authorized representatives reasonable access during regular business hours to all books and records (including Tax records) related to the Assets as such Buyer may reasonably request; provided, that such Buyer and its representatives shall take such action as is deemed necessary in the reasonable judgment of Seller or AMTG, as the case may be, to schedule such access through a designated officer of Seller or AMTG, as the case may be, and in such a way as to avoid disrupting in any material respect the normal operations of Seller or AMTG, as the case may be. Notwithstanding the foregoing, neither the Seller nor AMTG shall be required by this Section 5.2 to provide any Buyer or its representatives with access to or to disclose information (x) that is subject to the terms of a confidentiality agreement with a third party entered into prior to the date of this Agreement (provided, however, that Seller shall use, and shall use reasonable best efforts to cause AMTG to use, its reasonable best efforts to obtain the required consent of such third party to such access or disclosure), (y) the disclosure of which would violate or contravene any Law (provided, however, that Seller shall use, and shall use reasonable best efforts to cause AMTG to use, its reasonable best efforts to make appropriate substitute arrangements to permit reasonable disclosure not in violation of any Law) or (z) that is subject to any attorney-client, attorney work product or other legal privilege of such party or its Subsidiaries (provided, however, that Seller shall use, and shall use reasonable best efforts to cause AMTG to use, its reasonable best efforts to allow for such access or disclosure to the maximum extent that does not result in a loss of any such attorney-client, attorney work product or other legal privilege).

5.3 Consents and Approvals

(a) Upon the terms and subject to the conditions set forth in this Agreement, each Buyer and Seller shall and shall cause their respective Subsidiaries, to use reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other party in doing, all things necessary, proper or advisable under applicable Law or pursuant to any contract or agreement to consummate and make effective, as promptly as practicable, the Contemplated Transactions, including (i) the taking of all actions necessary to cause the conditions to Closing set forth in Article VI to be satisfied, (ii) the obtaining of all necessary actions or nonactions, waivers, consents and approvals from Governmental Entities or other Persons necessary in connection with the consummation of the Contemplated Transactions and the making of all necessary registrations and filings (including filings with Governmental Entities, if any) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity or other Persons necessary in connection with the consummation of the Contemplated Transactions, (iii) the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Contemplated Transactions so as to enable the Closing to occur as soon as reasonably practicable, and (iv) the execution and delivery of any additional instruments necessary to consummate the Contemplated Transactions and to fully carry out the purposes of this Agreement.

(b) Without limiting Section 5.3(a), each Buyer shall, and shall cause its respective Subsidiaries to, use reasonable best efforts to obtain such Buyer's applicable Regulatory Approval as promptly as practicable following the date hereof. Each Buyer shall keep Seller reasonably informed of any material communication received by such Buyer from, or given by such Buyer to, the applicable Governmental Entity responsible for granting such Buyer's applicable Regulatory Approval.

5.4 Public Announcements and Disclosure.

The initial press release regarding this Agreement and the Contemplated Transactions shall be made at such time and in such form as the Buyer Representative and Seller agree; provided that in the event the parties cannot agree, either party shall be permitted to make any disclosure required by Law. From and after the date hereof, so long as this Agreement is in effect, neither Buyers nor Seller will issue or make any subsequent press release, public statement or other disclosure to a third party with respect to this Agreement or the Contemplated Transactions without the prior consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed), unless such party determines, after consultation with outside counsel, that it is required by applicable Law or by any listing agreement with or the listing rules of the New York Stock Exchange or other exchange to issue or cause the publication of any press release or other announcement or disclosure with respect to the Mergers or this Agreement, in which event such party shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to the other party to review and comment upon such press release or other announcement or disclosure and shall give due consideration to all reasonable additions, deletions or changes suggested thereto.

5.5 Exclusivity.

Except as contemplated by this Agreement and the Ancillary Documents, prior to the Closing or until the date that is twelve (12) months following the termination of this Agreement in accordance with its terms, Buyers will not, and will cause their Affiliates, representatives and agents not to, directly or indirectly, solicit, continue inquiries, encourage, facilitate, initiate any contact, enter into discussions or negotiations, furnish any information with respect to or enter into any agreement or other instruments (whether or not binding) with any Person other than Seller or its Affiliates concerning the submission of any proposal or offer to AMTG or any of its Affiliates (other than Seller) relating to any of the following: (i) a liquidation, dissolution or recapitalization of, (ii) a merger or consolidation with or into, (iii) an acquisition or purchase of any assets of or any equity interest in, or (iv) any similar transaction or business combination involving, in each case, AMTG or any of its Subsidiaries or any asset owned by AMTG or any of its Subsidiaries, as applicable. Buyers and each of their Affiliates shall, and shall cause their respective representatives and agents to, discontinue immediately any negotiations or discussions with respect to any of the foregoing.

5.6 Post-Transfer Remittances.

From and after the date on which any Asset is sold to a Buyer pursuant to Section 2.2(a) or Section 2.3(b) of this Agreement, to the extent that Seller or any of its Subsidiaries (including any Person that has become a Subsidiary of Seller pursuant to the Mergers) receives

any payment of principal, interest or other proceeds with respect to such Asset, Seller shall, or shall cause its applicable Subsidiary to, hold such amounts in trust for the account of such Buyer and pay such principal, interest or other proceeds to such Buyer as promptly as practicable.

(b) Performance. Each Buyer shall have performed and complied in all material respects with all agreements and covenants required by this Agreement to be so performed or complied with by such Buyer at or prior to the Closing.

(c) Stock Purchase Agreement and Debt Financing. Each of the Stock Purchase Agreement and the Debt Financing shall be in full force and effect and there shall have been no material default thereunder by Athene USA.

(c) Regulatory Approval. Each Buyer shall have obtained its applicable Regulatory Approval.

ARTICLE IX
Survival

9.1 Survival.

All of the representations and warranties of the parties set forth in this Agreement shall terminate and expire as of the Closing, and all liability and obligations of any nature with respect to such representations and warranties shall thereupon be extinguished; provided, however, that representations and warranties set forth in the first sentence of Section 3.5 shall, with respect to a particular Asset (including any Nonassignable Asset), survive the Closing (and, if applicable, the Post-Closing Transfer Date applicable thereto) and the transfer of such Asset to the applicable Buyer until the twelve month anniversary of the Closing (or, if applicable, the Post-Closing Transfer Date applicable to such Asset).

ARTICLE X
Termination

10.1 Termination.

This Agreement may be terminated and the Contemplated Transactions may be abandoned prior to the Closing Date:

(a) at any time, by mutual written agreement of Seller and the Buyer Representative; or

11.3 Governing Law.

This Agreement shall in all respects be governed by, and construed in accordance with, the Laws (excluding conflict of laws rules and principles) of the State of Delaware applicable to agreements made and to be performed entirely within such State, including all matters of construction, validity and performance.

11.4 Entire Agreement.

This Agreement, together with the Exhibits hereto, the Ancillary Documents and the Joinder Agreement, constitute the entire agreement of the parties relating to the subject matter hereof and supersede all prior contracts or agreements, whether oral or written.

11.5 Severability.

Should any provision of this Agreement or the application thereof to any Person or circumstance be held invalid or unenforceable to any extent: (a) such provision shall be ineffective to the extent, and only to the extent, of such unenforceability or prohibition and shall be enforced to the greatest extent permitted by Law, (b) such unenforceability or prohibition in any jurisdiction shall not invalidate or render unenforceable such provision as applied (i) to other Persons or circumstances or (ii) in any other jurisdiction, and (c) such unenforceability or prohibition shall not affect or invalidate any other provision of this Agreement.

11.6 Amendment.

Neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented or modified orally, but only by an instrument in writing signed by Buyers and Seller; provided, that the observance of any provision of this Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver.

11.7 Effect of Waiver or Consent.

No waiver or consent, express or implied, by any party to or of any breach or default by any party in the performance by such party of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such party of the same or any other obligations of such party hereunder. No single or partial exercise of any right or power, or any abandonment or discontinuance of steps to enforce any right or power, shall preclude any other or further exercise thereof or the exercise of any other right or power. Failure on the part of a party to complain of any act of any party or to declare any party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of its rights hereunder until the applicable statute of limitation period has run.

11.8 Parties in Interest; Limitation on Rights of Others.

The terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective legal representatives, successors and assigns. Nothing in this Agreement, whether express or implied, shall be construed to give any Person (other than the parties hereto and their respective legal representatives, successors and assigns and as expressly provided herein) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein, as a third party beneficiary or otherwise; provided that Athene USA, in its capacity as the Buyer Representative, shall constitute a third party beneficiary of this Agreement.

11.9 Assignability.

This Agreement shall not be assigned by any party without the prior written consent of the other parties hereto, except that (x) each Buyer shall be permitted to assign any of its rights or delegate any of its obligations under this Agreement, in each case in whole or in part, to one or more Persons without the consent of any other party (but in no event shall such assignment be permitted if it would delay or impair the ability of such Buyer (or its assignee) to purchase the Assets on the Closing Date or the Nonassignable Assets on any Post-Closing Transfer Date, as applicable, pursuant to the terms and conditions of this Agreement) and (y) Seller shall be permitted to assign any of its rights or delegate any of its obligations under this Agreement to one or more of its Subsidiaries with the consent of any other party, provided that no such assignment shall relieve the assigning party of its obligations under this Agreement.

11.10 Jurisdiction: Court Proceedings: Waiver of Jury Trial

Any Litigation against any party to this Agreement arising out of or in any way relating to this Agreement shall be brought in any federal or state court located in the State of Delaware in New Castle County and each of the parties hereby submits to the exclusive jurisdiction of such courts for the purpose of any such Litigation; provided, that a final judgment in any such Litigation shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. **Each party irrevocably and unconditionally agrees not to assert (a) any objection which it may ever have to the laying of venue of any such Litigation in any federal or state court located in the State of Delaware in New Castle County, (b) any claim that any such Litigation brought in any such court has been brought in an inconvenient forum and (c) any claim that such court does not have jurisdiction with respect to such Litigation.** To the extent that service of process by mail is permitted by applicable Law, each party irrevocably consents to the service of process in any such Litigation in such courts by the mailing of such process by registered or certified mail, postage prepaid, at its address for notices provided for herein. **Each party irrevocably and unconditionally waives any right to a trial by jury and agrees that any of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and bargained-for agreement among the parties irrevocably to waive its right to trial by jury in any Litigation.**

11.11 No Other Duties.

The only duties and obligations of the parties under this Agreement are as specifically set forth in this Agreement, and no other duties or obligations shall be implied in fact, Law or equity, or under any principle of fiduciary obligation.

11.12 Reliance on Counsel and Other Advisors.

Each party has consulted such legal, financial, technical or other expert as it deems necessary or desirable before entering into this Agreement. Each party represents and warrants that it has read, knows, understands and agrees with the terms and conditions of this Agreement.

11.13 Remedies.

All remedies, either under this Agreement or by Law or otherwise afforded to the parties hereunder, shall be cumulative and not alternative, and any Person having any rights under any provision of this Agreement will be entitled to enforce such rights specifically, to recover damages by reason of any breach of this Agreement and to exercise all other rights granted by Law, equity or otherwise.

11.14 Specific Performance.

The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, the parties agree that, in addition to any other remedies, each party shall be entitled to enforce the terms of this Agreement by a decree of specific performance

without the necessity of proving the inadequacy of money damages as a remedy. Each party hereby waives any requirement for the securing or posting of any bond in connection with such remedy.

11.15 Counterparts.

This Agreement may be executed by facsimile signatures and in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts shall be construed together and shall constitute one and the same instrument. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in "portable document format" (".pdf"), or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.

11.16 Further Assurance.

If at any time after the Closing any further action is necessary or desirable to fully effect the Contemplated Transactions or any other of the Ancillary Documents, each of the parties shall take such further action (including the execution and delivery of such further instruments and documents) as any other party reasonably may request.

(signature pages follow)

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered in its name and on its behalf, all as of the day and year first above written.

SCHEDULE 1

Pricing Methodology

The consideration to be paid to Seller for each Asset shall be calculated as of the Closing Date (or, in the case of any Nonassignable Asset, the applicable Post-Closing Transfer Date) on a consistent basis with the methodologies and calculations set forth in the example attached to this Schedule 1, which is based on the carrying value of each Asset as of the Pricing Date, multiplied by 99.425% (100% – 0.575%). The “Market/Book Value at Pricing Date” shall be determined as of the Pricing Date in accordance with the methodologies set forth on Schedule C to the Merger Agreement. The attached example uses February 19, 2016 as the hypothetical Pricing Date.

SCHEDULE 2.2(b)

Sale and Purchase of Assets Prior to Closing

Reference is made to Schedule 6.18 to the Merger Agreement (the "Investment Guidelines").

No security may be added to Exhibit A or Exhibit A-1 or A-2 without the Buyer Representative's written consent unless (1) such security constitutes an In Guideline Non-Agency Asset (as defined in the Investment Guidelines) that has been acquired by AMTG in accordance with Section 4 of the Investment Guidelines and (2) the addition of such security to such exhibit would not result in the aggregate market value of the Assets exceeding \$1.3 billion.

If Seller requests to add a security to Exhibit A or Exhibit A-1 or A-2 that cannot be so added without the Buyer Representative's written consent, the Buyer Representative will be required to consider such request in good faith; provided, however, in no event will the Buyer Representative be required to consent to such an addition if it would result in the aggregate market value of the Assets exceeding \$1.3 billion.

No security may be removed from Exhibit A or Exhibit A-1 or A-2 without the Buyer Representative's written consent if the removal of such security from such exhibit would result in the aggregate market value of the Assets being less than \$1.0 billion; provided, however, that notwithstanding the foregoing, any Asset may be removed from Exhibit A or Exhibit A-1 or A-2 without the Buyer Representative's written consent if such Asset was disposed of by AMTG in accordance with Section 4.c. of the Investment Guidelines.

Ancillary

Documents to which ARI is, or is to be, a party or the consummation by ARI of the transactions contemplated hereby or thereby, and except for those for which the failure to obtain such Consents would not and would not reasonably be expected to prevent or materially delay the consummation of the transactions contemplated hereby.

(ii) None of the execution, delivery or performance of this Agreement by ARI, the consummation by ARI of the transactions contemplated hereby or the compliance by ARI with any of the provisions of this Agreement will accelerate the performance required by, result in any termination, cancellation or modification of, or loss of benefit under, or violation or breach of, or constitute (with or without notice or lapse of time or both) a default (or give rise to any right, including, but not limited to, any right of termination, amendment, cancellation or acceleration) under, any of the terms, conditions or provisions of any Contract to which ARI is a party.

(d) No Violation. The execution and delivery by ARI of this Agreement and the Ancillary Documents to which ARI is a party, the consummation of the transactions contemplated hereby and thereby that are required to be performed by ARI and the compliance with the terms of this Agreement and the Ancillary Documents to which ARI is a party will not (a) conflict with or violate any provision of the charter or bylaws of ARI, or (b) conflict with or violate in any material respect any Law applicable to ARI or by which its properties are bound or affected.

(e) Other. The representations and warranties set forth in Sections 4.6, 4.7, 4.8, 4.9, 4.12, 4.13, 4.14 and 4.15 of the Merger Agreement are true and correct.

(f) Disclaimer. Notwithstanding anything to the contrary contained in this Agreement, neither ARI nor any of its Affiliates, representatives or advisors has made, or shall be deemed to have made, to Athene or any other Person any representation or warranty other than those expressly made by ARI in this Section 2.2.

ARTICLE III
Commitment to Purchase ARI Common Stock

3.1 Purchase of ARI Common Stock. Subject to the last sentence of this Section 3.1, Athene hereby agrees and irrevocably commits to purchase (or cause one or more of its Subsidiaries to purchase) shares of ARI Common Stock during the Purchase Period if, at any time and from time to time during the Purchase Period, the quoted price of the ARI Common Stock on the New York Stock Exchange (or, if the ARI Common Stock is not quoted on the New York Stock Exchange, the principal national securities exchange on which the ARI Common Stock is listed) is less than the Parent Common Stock Per Share Value (as defined in the Merger Agreement); provided, however, in no event shall Athene or its Subsidiaries, or any Agent acting on behalf of Athene or its Subsidiaries, be required to purchase any shares of ARI Common Stock pursuant to this Agreement if at any time the aggregate amount of ARI Common Stock purchased by Athene, its Subsidiaries and any Agent acting on behalf of Athene or any of its Subsidiaries under this Agreement is in excess of the Maximum Amount at such time; provided, further, that in no event shall Athene or any of its Subsidiaries or any Agent acting on behalf of Athene or any of its Subsidiaries be required to purchase shares of ARI Common Stock to the

extent any such purchase would cause Athene or such Subsidiary or any Agent acting on behalf of Athene or any of its Subsidiaries to exceed the aggregate amount of ARI Common Stock that Athene is permitted to own pursuant to ARI's charter and bylaws as in effect from time to time. All such purchases of ARI Common Stock shall be made in the open market at the then-current market price for shares of ARI Common Stock and shall be made only in accordance with the limitations and restrictions of Rule 10b-18 and any other restrictions imposed by either applicable Law or the terms of a 10b5-1 Plan. In no event shall Athene be required to purchase any ARI Common Stock pursuant to this Agreement if (i) the Merger Closing Date has not occurred by the Second Outside Date (as defined in the Merger Agreement), (ii) the conditions set forth in the Asset Purchase Agreement to the obligation of the Buyers (as defined in the Asset Purchase Agreement) to consummate the transactions contemplated by the Asset Purchase Agreement have not been satisfied or waived, or (iii) the conditions set forth in the Loan Agreement to the obligation of Athene to extend the financing pursuant to the Loan Agreement have not been satisfied or waived.

3.2 Stock Purchase Plan. In order to fulfill Athene's purchase obligations described in Section 3.1, Athene shall, on or as promptly as practicable following the First Open Trading Day, adopt, enter into and not withdraw, terminate or take any action that would result in the termination of, a 10b5-1 Plan with one or more broker-dealers or other agents (any such broker-dealer, an "Agent"), except to the extent any such withdrawal, termination or action is required to comply with or avoid a violation of Rule 10b5-1. Prior to the date of the First Open Trading Day, ARI shall advise Athene in writing of the occurrence of the First Open Trading Day.

3.3 Certain Restrictions. Athene hereby agrees that, subject to the last sentence of this Section 3.3, for a period of 180 days following the purchase of any Purchased Share pursuant to this Agreement, it will not, and it will cause its Subsidiaries not to, directly or indirectly (alone or in concert with others) (i) offer, pledge, announce the intention to sell, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, or otherwise transfer or dispose of such Purchased Share or any securities convertible into or exchangeable or exercisable for such Purchased Share, or (ii) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, any of the economic consequence of ownership of such Purchased Share, whether any such swap or transaction is to be settled by delivery of such Purchased Share or other securities, in cash or otherwise. The foregoing restrictions are expressly agreed to preclude Athene and its Subsidiaries from engaging in any hedging or other transaction which is designed to or reasonably expected to lead to or result in a sale or disposition of the Purchased Shares even if such securities would be disposed of by someone other than Athene or an Affiliate thereof. Such prohibited hedging or other transactions would include without limitation any short sale or any purchase, sale or grant of any right (including without limitation any put option or put equivalent position or call option or call equivalent position) with respect to any of the Purchased Shares or with respect to any security that includes, relates to, or derives any significant part of its value from such Purchased Shares. This Section 3.3 shall not restrict any sale or other transfer of any Purchased Share to any of Athene's Subsidiaries or to the extent required by any Governmental Entity.

ARTICLE IV
Additional Agreements

4.1 Consents and Approvals. Athene shall use its reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other party in doing, all things necessary, proper or advisable under applicable Law or pursuant to any Contract to consummate and make effective, as promptly as practicable, the transactions contemplated hereby, including (i) obtaining of all necessary actions or nonactions, waivers, consents and approvals from Governmental Entities necessary in connection with entering into this Agreement, any 10b5-1 Plan and the making of all necessary registrations and filings (including filings with Governmental Entities, if any) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Entity necessary in connection with this Agreement, any 10b5-1 Plan and the consummation of the transactions contemplated hereby and thereby, and (ii) the execution and delivery of any additional instruments necessary to consummate the transactions contemplated hereby and to fully carry out the purposes of this Agreement.

4.2 Limitations on Purchases of ARI Common Stock. ARI shall not, and it shall cause each of its “affiliated purchasers” (as defined in Rule 10b-18) not to, directly or indirectly, purchase, offer to purchase or place any bid or limit order for the purchase of any ARI Common Stock or any securities convertible or exchangeable into or exercisable for, or the value of which is derived from, ARI Common Stock during the Purchase Period, except for any purchases made by Athene or a Subsidiary thereof pursuant to a 10b5-1 Plan contemplated hereby and otherwise pursuant to this Agreement.

4.3 Disclosure. From and after the date hereof, so long as this Agreement is in effect, Athene will not issue any press release, public statement or other disclosure to a third party with respect to this Agreement without the prior consent of ARI (which consent shall not be unreasonably withheld, conditioned or delayed), and ARI will not issue, or consent to the issuance by AMTG or any other Person of, any press release, public statement or other disclosure to a third party, including the information supplied by or on behalf of ARI for inclusion or incorporation by reference in the Proxy Statement (as defined in the Merger Agreement), with respect to the Asset Purchase Agreement, the Loan Agreement, this Agreement or Athene or any Subsidiary thereof without the prior written consent of Athene (which consent shall not be unreasonably withheld, conditioned or delayed), unless such party determines, after consultation with outside counsel, that it is required by applicable Law or by any listing agreement with or the listing rules of the New York Stock Exchange or other exchange to issue or cause the publication of any press release or other announcement or disclosure with respect to the Mergers, this Agreement, the Asset Purchase Agreement or the Loan Agreement in which event such party shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to the other party to review and comment upon such press release or other announcement or disclosure (including the Proxy Statement) and shall accept all reasonable additions, deletions or changes suggested thereto. For the avoidance of doubt and subject to the preceding sentence, ARI and Athene agree that ARI will disclose in the Proxy Statement Athene’s intention to establish the 10b5-1 Plan for the acquisition of ARI Common Stock as contemplated hereby.

4.4 Information to Agent. To the extent requested by Athene, ARI shall, prior to 8:00 a.m., New York City time on the first day of the Purchase Period, provide to Athene all information, other than publicly reported trading volumes, necessary for the Agent to calculate the maximum number of shares of ARI Common Stock that may be purchased as of the first day of the Purchase Period in accordance with the volume condition set forth in Rule 10b-18.

4.5 Notices to Agent.

(a) ARI shall notify each Agent in writing of the occurrence of the Purchase Period Start Date on, and in no event prior to, the Purchase Period Start Date.

(b) On any day in which the amount outstanding under the Loan Agreement is reduced, Athene shall notify each Agent in writing of such reduced outstanding amount; provided, that Athene shall not be required to deliver such notice if the amount outstanding under the Loan Agreement immediately prior to such reduction is less than or equal to \$190,000,000.

(c) ARI shall notify each Agent in writing upon the occurrence of the Minimum Purchase on, and in no event prior to, the date on which the Minimum Purchase occurs.

(d) ARI shall notify each Agent in writing upon the occurrence of the Merger Closing Date on, and in no event prior to, the date on which the Merger Closing Date occurs.

5.2 Governing Law.

This Agreement shall in all respects be governed by, and construed in accordance with, the Laws (excluding conflict of laws rules and principles) of the State of Delaware applicable to agreements made and to be performed entirely within such State, including all matters of construction, validity and performance.

5.3 Entire Agreement.

This Agreement, together with the Ancillary Documents, constitute the entire agreement of the parties relating to the subject matter hereof and supersede all prior contracts or agreements, whether oral or written.

5.4 Severability.

Should any provision of this Agreement or the application thereof to any Person or circumstance be held invalid or unenforceable to any extent: (a) such provision shall be ineffective to the extent, and only to the extent, of such unenforceability or prohibition and shall

be enforced to the greatest extent permitted by Law, (b) such unenforceability or prohibition in any jurisdiction shall not invalidate or render unenforceable such provision as applied (i) to other Persons or circumstances, or (ii) in any other jurisdiction, and (c) such unenforceability or prohibition shall not affect or invalidate any other provision of this Agreement.

5.5 Amendment.

Except as set forth in Section 5.16, neither this Agreement nor any of the terms hereof may be terminated, amended, supplemented or modified orally, but only by an instrument in writing signed by Athene and ARI; provided, that the observance of any provision of this Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver.

5.6 Effect of Waiver or Consent.

No waiver or consent, express or implied, by any party to or of any breach or default by any party in the performance by such party of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such party of the same or any other obligations of such party hereunder. No single or partial exercise of any right or power, or any abandonment or discontinuance of steps to enforce any right or power, shall preclude any other or further exercise thereof or the exercise of any other right or power. Failure on the part of a party to complain of any act of any party or to declare any party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of its rights hereunder until the applicable statute of limitation period has run.

5.7 Parties in Interest; Limitation on Rights of Others.

The terms of this Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective legal representatives, successors and assigns. Nothing in this Agreement, whether express or implied, shall be construed to give any Person (other than the parties hereto and their respective legal representatives, successors and assigns and as expressly provided herein) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein, as a third party beneficiary or otherwise.

5.8 Assignability.

This Agreement shall not be assigned by any party without the prior written consent of the other party hereto; provided, however, that Athene may assign this Agreement to any Subsidiary thereof without ARI's consent, it being understood that any such assignment shall not release Athene from any of its obligations under this Agreement.

5.9 Jurisdiction; Court Proceedings; Waiver of Jury Trial

Any Litigation against any party to this Agreement arising out of or in any way relating to this Agreement shall be brought in any federal or state court located in the State of Delaware in New Castle County and each of the parties hereby submits to the exclusive

jurisdiction of such courts for the purpose of any such Litigation; provided, that a final judgment in any such Litigation shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. **Each party irrevocably and unconditionally agrees not to assert (a) any objection which it may ever have to the laying of venue of any such Litigation in any federal or state court located in the State of Delaware in New Castle County, (b) any claim that any such Litigation brought in any such court has been brought in an inconvenient forum and (c) any claim that such court does not have jurisdiction with respect to such Litigation.** To the extent that service of process by mail is permitted by applicable Law, each party irrevocably consents to the service of process in any such Litigation in such courts by the mailing of such process by registered or certified mail, postage prepaid, at its address for notices provided for herein. **Each party irrevocably and unconditionally waives any right to a trial by jury and agrees that any of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and bargained-for agreement among the parties irrevocably to waive its right to trial by jury in any Litigation.**

5.10 No Other Duties.

The only duties and obligations of the parties under this Agreement are as specifically set forth in this Agreement, and no other duties or obligations shall be implied in fact, Law or equity, or under any principle of fiduciary obligation.

5.11 Reliance on Counsel and Other Advisors.

Each party has consulted such legal, financial, technical or other expert as it deems necessary or desirable before entering into this Agreement. Each party represents and warrants that it has read, knows, understands and agrees with the terms and conditions of this Agreement.

5.12 Remedies.

All remedies, either under this Agreement or by Law or otherwise afforded to the parties hereunder, shall be cumulative and not alternative, and any Person having any rights under any provision of this Agreement will be entitled to enforce such rights specifically, to recover damages by reason of any breach of this Agreement and to exercise all other rights granted by Law, equity or otherwise.

5.13 Specific Performance.

The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, the parties agree that, in addition to any other remedies, each party shall be entitled to enforce the terms of this Agreement by a decree of specific performance. Each party hereby waives any requirement for the securing or posting of any bond in connection with such remedy.

5.14 Counterparts.

This Agreement may be executed by facsimile signatures and in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts shall be construed together and shall constitute one and the same instrument. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in “portable document format” (“.pdf”), or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.

5.15 Further Assurance.

If at any time after the date hereof any further action is necessary or desirable to fully effect the transactions contemplated hereby or any other of the Ancillary Documents, each of the parties shall take such further action (including the execution and delivery of such further instruments and documents) as any other party reasonably may request.

5.16 Termination.

This Agreement shall terminate automatically without any act or deed of either party upon the Asset Purchase Agreement or the Merger Agreement being terminated in accordance with its terms; provided, however, that this Agreement shall not terminate automatically upon the termination of the Asset Purchase Agreement by ARI pursuant to Section 10.1(d) or 10.1(e) of the Asset Purchase Agreement.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered in its name and on its behalf, all as of the day and year first above written.

**FORM OF
10b5-1 PURCHASE PLAN AGREEMENT**

[], 2016

Purchaser:

This letter agreement (this "Letter Agreement") confirms the terms and conditions under which Athene USA Corporation (the "Purchaser") hereby establishes a plan (the "Plan") to purchase shares of common stock, par value \$0.01 (the "Securities"), of Apollo Commercial Real Estate Finance, Inc. (the "Issuer"), and under which J.P. Morgan Securities LLC ("JPMS") will act as its exclusive agent to execute the Plan.

1. Appointment of JPMS. The Purchaser hereby appoints JPMS as its exclusive agent to purchase Securities pursuant to the Plan. It is the Purchaser's intention that such purchases benefit from the safe harbor provided by Rule 10b-18 ("Rule 10b-18") and the affirmative defense provided by Rule 10b5-1 ("Rule 10b5-1") each promulgated by the Securities and Exchange Commission (the "SEC") under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and that the Plan and the transactions contemplated hereby comply with the requirements of paragraph (c)(1)(i)(B) of Rule 10b5-1, and the Purchaser acknowledges that the Purchaser may be an "affiliated purchaser" of the Issuer, as such term is defined in Rule 10b-18. Accordingly, the Purchaser hereby agrees that the terms of this Letter Agreement and the Plan shall be interpreted to comply with the requirements of such paragraph (c)(1)(i)(B) and that it shall not take, nor permit any person or entity under its control to take, any action that could jeopardize the availability of Rule 10b-18 for purchases of Securities under the Plan or result in such purchases not so complying with the requirements of such paragraph (c)(1)(i)(B). JPMS agrees that it shall use good faith efforts to execute all purchases of Securities under this Letter Agreement in accordance with the timing, price and volume restrictions contained in subparagraphs (2), (3) and (4) of paragraph (b) of Rule 10b-18, taking into account the rules and practices of the principal exchange on which the Securities are traded (the "Principal Market"), it being understood that JPMS shall not be responsible for delays between the execution and reporting of a trade in the Securities, any reporting errors of the Principal Market or third party reporting systems or other circumstances beyond JPMS's control.
2. Term.
 - (a) JPMS is authorized to commence purchasing Securities on the first day following the Purchase Period Start Date (as defined in Annex A) provided that the Issuer delivers written notice of the Purchase Period Start Date to JPMS on the Purchase Period Start Date (the "Start Date"), and this Letter Agreement and the Plan shall terminate upon the earliest of (the period from and including the Start Date to such termination, the "Plan Period"):
 - (i) the expiration of the Purchase Period (as defined in Annex A);

-
- (ii) the completion of all purchases contemplated by the Plan;
 - (iii) subject to Section 11 below, the receipt by either party from the other of written notice of termination;
 - (iv) the existence of any legal or regulatory restriction that would prohibit any purchase pursuant to the Plan;
 - (v) the public announcement (as defined in Rule 165(f) under the Securities Act of 1933, as amended) of any merger, acquisition, or similar transaction relating to the Issuer (other than any merger, acquisition, or similar transaction publicly announced prior to the Start Date) and any such transaction in which the Issuer is the acquiring party and the consideration consists solely of cash and there is no valuation period);
 - (vi) the commencement of any voluntary or involuntary case or other proceeding seeking liquidation, reorganization or other relief with respect to the Issuer or the Purchaser under any bankruptcy, insolvency or similar law or seeking the appointment of a trustee, receiver or other similar official with respect to the Issuer or the Purchaser, or the taking of any corporate action by the Issuer or the Purchaser to authorize or commence any of the foregoing;
 - (vii) the failure of the Purchaser to comply with Section 7 hereof;
 - (viii) the failure of the Issuer to provide notice of the Purchase Period Start Date to JPMS on the Purchase Period Start Date; and
 - (ix) any delay of the Purchase Period Start Date caused by or within the sole control of the Purchaser or as a result of sole consent provided by the Purchaser or any amendment to any of the Merger Agreement, the Asset Purchase Agreement or the Loan Agreement (each as defined in Annex A) in the Purchaser's discretion or sole control or with the Purchaser's sole consent causing a delay with respect to the Purchase Period Start Date or the Asset Purchase (as defined in Annex A).
- (b) If, as contemplated by paragraph (a)(iv) of this Section 2, at any time during the term of this Letter Agreement, any legal or regulatory restriction that is applicable to the Issuer, the Purchaser or the affiliates of the Issuer or the Purchaser would prohibit any purchase pursuant to the Plan, the Purchaser shall give JPMS notice of such restriction as soon as practicable (such notice, a "Required Termination Notice"). Such notice shall not include any information about the nature of the restriction or its applicability to the relevant entity.
- (c) The Purchaser shall be solely responsible for any purchases made by JPMS as the Purchaser's agent prior to the termination of the Plan. In addition, if JPMS receives notice of termination (including any Required Termination Notice) or of any of the termination events listed above, JPMS shall nevertheless be entitled to make, and the Purchaser shall be solely responsible for, a purchase hereunder pursuant to a bid made before such notice was received by JPMS.

(d) Sections 7 and 10 of this Letter Agreement shall survive any termination hereof.

3. Purchases Outside Plan. The Purchaser (a) agrees that it shall not and (b) represents and warrants that it has agreed with the Issuer that the Issuer shall not, and the Issuer shall cause each of its “affiliated purchasers” (as defined in Rule 10b-18) not to, directly or indirectly (including in any similar purchase plan or any derivative transaction) purchase, offer to purchase or place any bid or limit order for the purchase of any Securities or any securities convertible or exchangeable into or exercisable for, or the value of which is derived from, the Securities during the Plan Period except under the Plan pursuant to this Letter Agreement. If the Purchaser becomes aware that the Issuer or any other affiliated purchaser of the Issuer has taken any such action during the Plan Period, the Purchaser shall so notify JPMS as soon as practicable.

4. Purchasing Procedures.

(a) On each Trading Day during the Plan Period on which no Market Disruption Event (as defined below) occurs, JPMS shall use commercially reasonable efforts to purchase as agent for the Purchaser and for the account of the Purchaser the lesser of (i) the maximum number of Securities that the Purchaser could purchase on such Trading Day in accordance with the volume condition set forth in Rule 10b-18 and (ii) the number of Securities, if any, that JPMS is able, subject to market conditions and principles of best execution, to purchase as agent for the Purchaser and for the account of the Purchaser on such Trading Day using commercially reasonable means in accordance with the Plan guidelines set forth in Annex A hereto. JPMS may purchase Securities on the Principal Market, any national securities exchange, in the over-the-counter market, on an automated trading system or otherwise. Any numbers of Securities to be purchased (and any corresponding purchase price limits or ranges) set forth in Annex A shall be adjusted automatically on a proportionate basis to take into account any stock split, reverse stock split or stock dividend with respect to the Securities or any change in capitalization with respect to the Issuer or any similar event that occurs during the term of this Letter Agreement, as determined by JPMS in good faith and a commercially reasonable manner.

A “Trading Day” is any day that the Principal Market is open for business and the Securities trade regular way on the Principal Market.

“Market Disruption Event” means that (i) there occurs any material (as reasonably determined by JPMS) suspension of or limitation on trading by the Principal Market, (ii) there occurs any event that materially (as reasonably determined by JPMS) disrupts or impairs the ability of market participants in general to effect transactions in or obtain market values for the Securities or futures or options contracts on the Securities or (iii) the Principal Market closes prior to its scheduled closing time for such Trading Day.

-
- (b) In the event that JPMS, in its discretion, determines that it is appropriate with regard to any legal, regulatory or self-regulatory requirements or related internal policies and procedures (whether or not such requirements, policies or procedures are imposed by law or have been voluntarily adopted by JPMS) for JPMS to refrain from purchasing Securities or to purchase fewer than the number of Securities otherwise specified in the instructions provided by the Purchaser on any day, then JPMS may, in its sole discretion, elect that the number of Securities purchased shall be reduced for such day to an amount determined by JPMS in its discretion.
- (c) Any Securities purchased pursuant to the Plan shall be purchased under ordinary principles of best execution at the then-prevailing market price. Subject to the terms of the Plan as set forth herein (including Annex A hereto), JPMS shall have full discretion with respect to the execution of all purchases, and the Purchaser acknowledges and agrees that the Purchaser does not have, and shall not attempt to exercise, any influence over how, when or whether purchases of Securities are affected pursuant to the Plan. The Purchaser acknowledges and agrees that, in purchasing Securities pursuant to the Plan, JPMS will be an independent contractor and will not be acting as the Purchaser's trustee or fiduciary or in any similar capacity.
5. Payment for and Delivery of Purchased Securities Payment for Securities purchased, together with any applicable fees, shall be made by the Purchaser within one standard settlement cycle after the purchase. Purchased Securities will be held or delivered in accordance with instructions to be furnished by the Purchaser. JPMS shall provide to the Purchaser purchase information daily as well as other market data the Purchaser reasonably requests.
6. Compensation. For the services provided in this Letter Agreement, the Purchaser agrees to pay to JPMS a fee of [●] for the Securities purchased pursuant to the terms of this Letter Agreement.
7. Representations, Warranties and Agreements. The Purchaser represents and warrants to, and agrees with, JPMS as follows:
- (a) This Letter Agreement and the transactions contemplated herein have been duly authorized by the Purchaser; this Letter Agreement is the valid and binding agreement of the Purchaser, enforceable against the Purchaser in accordance with its terms; performance of the transactions contemplated herein will not violate any law, rule, regulation, order, judgment or decree applicable to the Purchaser or conflict with or result in a breach of or constitute a default under any agreement or instrument to which the Purchaser is a party or by which it or any of its property is bound or its certificate of incorporation or by-laws; and no governmental, administrative or official consent, approval, authorization, notice or filing is required for performance of the transactions contemplated herein.

-
- (b) As of the date of this Letter Agreement, the Purchaser is not aware of any material nonpublic information concerning the Securities or the business, operations or prospects of the Issuer.
 - (c) The Purchaser is engaging JPMS and entering into this Letter Agreement and the Plan in good faith and not as part of a plan or scheme to evade compliance with the federal securities laws, including, without limitation, Rule 10b-5 under the Exchange Act. Until this Letter Agreement is terminated, the Purchaser agrees not to enter into or alter any corresponding or hedging transaction or position with respect to the Securities.
 - (d) The Purchaser is not entering into this Letter Agreement to create actual or apparent trading activity in the Securities (or any security convertible into or exchangeable for the Securities) or to raise or depress the price of the Securities (or any security convertible into or exchangeable for the Securities) for the purpose of inducing others to buy or sell Securities, and will not engage in any other securities or derivative transaction to such ends.
 - (e) During the term of this Letter Agreement, neither the Purchaser nor its officers or employees shall, directly or indirectly, disclose to any person at JPMS effecting purchases under the Plan any material nonpublic information regarding the Issuer or the Securities or any information regarding the Issuer or the Securities that could reasonably be expected to influence the execution of the Plan.
 - (f) The Purchaser acknowledges that JPMS is a “financial institution” and “financial participant” within the meaning of Sections 101(22) and 101(22A), respectively, of Title 11 of the United States Code (the “Bankruptcy Code”). The parties hereto further agree and acknowledge that each transaction under this Letter Agreement is intended to be a “securities contract” as defined in Section 741(7) of the Bankruptcy Code and each payment or delivery of cash, Securities or other property or assets hereunder is a “settlement payment” within the meaning of Section 741(8) of the Bankruptcy Code, and the parties hereto are to be entitled to the protections afforded by, among other Sections, Sections 362(b)(6), 362(b)(27), 362(o), 546(e), 546(j), 555 and 561 of the Bankruptcy Code.
 - (g) Prior to 8:00 a.m., New York City time on the Start Date, the Purchaser shall provide to JPMS all information, other than publicly reported trading volumes, necessary for JPMS to calculate the maximum number of Securities that may be purchased as of the Start Date in accordance with the volume condition set forth in Rule 10b-18, and JPMS shall be entitled to rely on such information so provided.

WHEREAS, each Party desires for such other Parties to make these personnel and/or resources available to other Parties in connection with the performance of such services under the terms of this Agreement; and

WHEREAS, the Parties desire that other affiliates have the ability to become a Party hereto from time to time in the future.

NOW, THEREFORE, the Parties hereto, intending to be legally bound, agree as follows:

1. Services.

(a) The term “Service Provider” shall mean any Party providing services to another Party hereunder, and the term “Service Recipient” shall mean any Party receiving services from another Party hereunder, in each case as the context may warrant. A Party may be both a Service Provider and a Service Recipient hereunder with respect to different services, and any services may be provided to one or more Parties hereunder. A Service Provider may provide services hereunder either directly or through its subsidiaries; provided, that any services provided through a Service Provider’s subsidiaries shall be subject to the provisions of Section 14 hereof, except that the Service Recipient’s consent shall not be required.

(b) At the written request of a Service Recipient, each Service Provider shall make available to such Service Recipient the respective resources identified on Schedule A. Schedule A may be amended from time to time by mutual agreement of the Parties hereto.

(c) Each Service Provider agrees that in providing services hereunder, it shall use that degree of ordinary care and reasonable diligence that an experienced and qualified provider of similar services would use acting in like circumstances and experience in such matters and in accordance with the standards, practices, policies, procedures and guidelines (including, without limitation, tax operating guidelines, if any) it has established for its own business. Each Service Provider shall perform services according to such other standards and guidelines (including, without limitation, tax operating guidelines, if any) as may be mutually agreed upon by it and the Service Recipient. Each Service Provider shall comply with all laws, regulations, rules and orders applicable to, and where applicable co-operate with any regulator (including providing access to data and records) who has jurisdiction over, (i) the applicable Service Recipient with respect to the services provided hereunder and (ii) such Service Provider. Each Service Provider agrees to maintain sufficient facilities and trained personnel of the kind necessary to perform the services under this Agreement.

(d) In providing services hereunder which require the exercise of judgment by a Service Provider, such Service Provider shall perform such service in accordance with any standards and guidelines (including, without limitation, tax operating guidelines, if any) the Service Recipient develops and communicates to such Service Provider. In performing any services hereunder, each Service Provider shall at all times act in a manner reasonably calculated to be in, or not opposed to, the best interests of the applicable Service Recipient.

(e) The performance of services by a Service Provider for any Service Recipient pursuant to this Agreement shall in no way impair the absolute control of the business and operations of such Service Provider or such Service Recipient by their respective Boards of Directors. Each Service Provider shall act hereunder so as to assure the separate operating and corporate identity of all Service Recipients. The business and operations of the Service Recipients shall at all times be subject to the direction and control of their respective management and Boards of Directors.

(f) Each Service Provider agrees that any and all personal contact or communication, both oral and written, with any Service Recipient’s policyholders, insureds, and beneficiaries will be done in the name of and on behalf of such Service Recipient. Further, each Service Provider agrees to use such Service Recipient’s letterhead for all such written communications.

2. Service Fees.

(a) Each Service Recipient agrees to reimburse a Service Provider for services and facilities provided by such Service Provider to such Service Recipient pursuant to this Agreement (i) at cost plus 5%, if (A) the Service Recipient is AUSA, AA, ALIC, IIC, ALAC, STAR or AUSAIV (each, a "U.S. Subsidiary") and the Service Provider is AHL or ALRE or (B) the Service Recipient is AHL or ALRE and the Service Provider is a U.S. Subsidiary and (ii) otherwise, at cost; provided, that amounts payable by STAR pursuant to clauses (i) and (ii) above are subject to the limitations described in Section 6 of that certain letter agreement, dated as of October 2, 2013, among STAR, ALAC, AUSA, AHL and Aviva International Insurance Limited. The charge to a Service Recipient for such services and facilities shall include all direct and indirectly allocable expenses.

(b) The methods for allocating expenses to a Service Recipient shall be determined in accordance with the requirements prescribed in applicable insurance laws and regulations. Such methods shall be modified and adjusted by mutual written agreement where necessary or appropriate to reflect fairly and equitably the actual incidence of cost incurred by a Service Provider for the benefit of a Service Recipient.

(c) If a Service Recipient determines that the services performed hereunder are not satisfactory or that the fees charged are not in accordance with the terms and conditions of this Agreement, such Service Recipient is hereby authorized to withhold payment for such service until the matter in dispute is resolved or the fees charged are substantiated or adjusted appropriately. Adjustments for errors and a final settlement shall be made no more than sixty (60) days after this Agreement expires or terminates.

3. Accounting and Payments. Each Service Provider shall submit to each Service Recipient, within thirty (30) days following the end of each month (or such other period as the Parties may agree), a written statement of the amount estimated to be owed by such Service Recipient for services and the use of facilities pursuant to this Agreement in that month (or such other period as the Parties may agree), and each Service Recipient shall pay to any Service Provider within fifteen (15) days following receipt of such written statement the amount set forth in the statement. Within sixty (60) days following the end of each calendar quarter, each Service Provider shall submit to each Service Recipient a statement of actual apportioned expenses for the prior calendar quarter showing the basis for the apportionment of each item. Any Service Recipient may request a written statement from a Service Provider setting forth, in reasonable detail, the nature of the services rendered or expenses incurred and other relevant information to support the charge. Any difference, whether an underpayment or overpayment, between the amount of the estimated apportioned expenses paid by a Service Recipient and the amount of the actual apportioned expenses shall be paid to the Service Provider or the Service Recipient, as applicable, within fifteen (15) days following receipt of such statement of actual apportioned expenses.

4. Capacity of Personnel; Status of Facilities; Shared Employees

(a) Whenever any Service Provider utilizes its personnel to perform services for a Service Recipient pursuant to this Agreement, such personnel shall at all times remain employees or independent contractors (or employees of independent contractors) of such Service Provider, subject solely to its direction and control. No Service Recipient shall have liability to any such persons for their welfare, salaries, fringe benefits, legally required employer contributions or tax obligations, except as provided in Section 4(c) hereof.

(b) No facility of any Service Provider used in performing services for, or subject to use by, any Service Recipient shall be deemed to be transferred, assigned, conveyed or leased by performance or use pursuant to this Agreement.

(c) To the extent that any person employed by a Party hereto serves as an officer or employee of any other Party hereto (each, a Shared Employee"), a proportionate share of the direct and indirect salary and benefits of each such person (including, but not limited to, welfare, salaries, fringe benefits, legally required employer contributions and tax obligations) shall be allocated based on an estimate of time spent performing services on behalf of each such Party, and the charges for any such services, and accounting and payment therefor, shall be as provided for services otherwise performed under this Agreement.

5. Third-Party Contracts. A Service Provider may have existing relationships or agreements pursuant to which third parties provide services or equipment to it. Any Service Recipient may find that it is economically more beneficial to obtain such services or equipment from the third party under the terms and conditions available to such Service Provider. In that event, a Service Recipient may request that such Service Provider obtain certain services or equipment for the Service Recipient. In these instances, the actual costs, without any mark-up, will be accumulated and billed to the Service Recipient on a monthly basis in accordance with Section 3, or at such other frequencies as the Parties may agree.

6. Term. This Agreement shall have an initial term of one year, starting on the Effective Date, and shall continue thereafter until terminated as provided in accordance with Section 7 below.

7. Termination

(a) Any Party may terminate this Agreement as to itself at any time and for any reason by providing the other Parties at least thirty (30) days' prior written notice of its desired termination date; provided, however, that (i) any Party hereto may terminate this Agreement as to itself immediately upon the insolvency of another Party or the appointment of a conservator, liquidator or statutory successor of another Party and (ii) a non-breaching Party may terminate this Agreement as to itself upon any material breach of any material term of this Agreement by another Party, where such other Party fails to cure such breach within fifteen (15) days following its receipt of written notice thereof.

(b) Any notice of termination shall be sent to all Parties hereto and the domiciliary insurance regulator of each Party which is an insurance company provided, that this Agreement shall remain in full force and effect with respect to such other Parties unless and until any or all of such other Parties shall elect to terminate this Agreement.

(c) Upon any termination of this Agreement, all Service Providers shall provide such services as may be reasonably requested by any Service Recipient to provide for the orderly transition of the services provided hereunder to another service provider designated by such Service Recipient. Such Service Recipient shall reimburse each Service Provider at cost for the provision of any such transition services. In addition, any Service Recipient, upon ninety (90) days' prior written notice to any Service Provider, may terminate any one or more of the services to be furnished hereunder by such Service Provider to such Service Recipient. Any such partial termination with respect to specific services shall not be deemed to terminate this Agreement in its entirety or to affect the remaining Parties.

8. Offset. Any two (2) Parties may offset any amounts due one another from amounts that are to be paid one another under this Agreement.

9. Governing Law. The laws of the state of Iowa (without giving effect to its conflicts of law principles) govern all matters arising out of this Agreement.

10. Regulator Approval. This Agreement is subject to the prior approval or nondisapproval, as applicable, of the domiciliary insurance regulator of each Party which is an insurance company.

11. Amendments. This Agreement may not be altered or amended except by written agreement signed by all Parties and with the prior approval of the domiciliary insurance regulator of each Party which is an insurance company. Notwithstanding the foregoing, the Parties agree that other affiliates may become Parties hereto from time to time in the future without the necessity of an amendment by executing a joinder agreement agreeing to be bound by the terms and conditions of this Agreement. Copies of any such joinder agreement shall be provided to all other Parties to this Agreement.

12. Books and Records.

(a) All records, books and files established and maintained by any Service Provider by reason of its respective performance of services under this Agreement, which absent this Agreement would have been held by a Service Recipient, shall be deemed the property of such Service Recipient and shall be maintained in accordance with applicable law and regulation. Such records shall be available, during normal business hours, for inspection by a Service Recipient and anyone authorized by a Service Recipient. Copies of such records, books and files shall be delivered to a Service Recipient on demand. All such records, books and files shall be promptly transferred to a Service Recipient by a Service Provider upon termination of this Agreement.

(b) All Service Providers and Service Recipients shall maintain their own books, accounts and records in such a way as to disclose clearly and accurately the nature and detail of the transactions between them, including such accounting information as is necessary to support the reasonableness of charges under this Agreement, and such additional information as a Service Recipient may reasonably request for purposes of its internal book-keeping and

accounting operations. Each Service Provider shall keep such books, records and accounts insofar as they pertain to the computation of charges hereunder available for audit, inspection and copying by a Service Recipient and persons authorized by a Service Recipient during all reasonable business hours.

(c) Each Service Recipient and persons authorized by it shall have the right, at a Service Recipient's expense, to conduct an audit of the relevant books, records and accounts of a Service Provider upon giving reasonable notice of its intent to conduct such an audit. In the event of such audit, the Service Provider shall give to the party requesting the audit reasonable cooperation and access to all books, records and accounts necessary to audit during normal business hours.

13. Safeguarding Customer Information. In providing services hereunder, each Party shall implement appropriate security measures designed to meet the objectives of applicable insurance laws and regulations, including: (i) ensuring the confidentiality, security and integrity of the other Parties' respective information regarding its clients' nonpublic confidential information ("Customer Information"); (ii) protecting against anticipated threats or hazards to the security or integrity of Customer Information; and (iii) protecting against unauthorized access to or use of Customer Information. Each Service Provider shall adjust its information security program at the request of a Service Recipient for any relevant changes dictated by a Service Recipient's assessments of risk around its Customer Information. Each Party agrees that during the term of this Agreement and thereafter, it shall not use, or permit any person or entity access to, any Customer Information except as permitted in connection with the performance of services hereunder. Each Party acknowledges that it shall be permitted to disclose Customer Information only to its employees, subcontractors, consultants and agents who have a need to know such information or otherwise in connection with its performance of its duties hereunder. In addition, a Party may disclose Customer Information if such disclosure is required by law or upon order of any competent court or law enforcement agency. This provision shall survive any termination of this Agreement for a period of seven (7) years.

14. Assignment. This Agreement may not be assigned by any Party hereto. This Agreement shall be binding upon, and shall inure to the benefit of, the Parties and their respective successors and permitted assigns. Nothing herein shall be deemed to grant a Service Provider an exclusive right to provide services to any Service Recipient, and all Service Recipients retain the right to contract with any third party, affiliated or unaffiliated, for the performance of services or for the use of facilities that are the same as or similar to those being provided to a Service Recipient pursuant to this Agreement. All Service Providers retain the right to contract with any third party, affiliated or unaffiliated, for the performance of services or for the use of facilities that are the same as or similar to those provided by such Service Provider to a Service Recipient pursuant to this Agreement so long as such Service Provider is able to continue to meet all obligations, including any required service levels or standards, under this Agreement. In performing any services hereunder, each Service Provider shall at all times act in a manner reasonably calculated to be in, or not opposed to, the best interests of the applicable Service Recipient.

(f) The performance of services by a Service Provider for any Service Recipient pursuant to this Agreement shall in no way impair the absolute control of the business and operations of such Service Provider or such Service Recipient by their respective Boards of

Directors. Each Service Provider shall act hereunder so as to assure the separate operating and corporate identity of all Service Recipients. The business and operations of the Service Recipients shall at all times be subject to the direction and control of their respective management and Boards of Directors.

Such methods shall be modified and adjusted by mutual written agreement where necessary or appropriate to reflect fairly and equitably the actual incidence of cost incurred by a Service Provider for the benefit of a Service Recipient.

(c) If a Service Recipient determines that the services performed hereunder are not satisfactory or that the fees charged are not in accordance with the terms and conditions of this Agreement, such Service Recipient is hereby authorized to withhold payment for such service until the matter in dispute is resolved or the fees charged are substantiated or adjusted appropriately. Adjustments for errors and a final settlement shall be made no more than sixty (60) days after this Agreement expires or terminates.

3. Accounting and Payments. Each Service Provider shall submit to each Service Recipient, within thirty (30) days following the end of each month (or such other period as the Parties may agree), a written statement of the amount estimated to be owed by such Service Recipient for services and the use of facilities pursuant to this Agreement in that month (or such other period as the Parties may agree), and each Service Recipient shall pay to any Service Provider within fifteen (15) days following receipt of such written statement the amount set forth in the statement. Within sixty (60) days following the end of each calendar quarter, each Service Provider shall submit to each Service Recipient a statement of actual apportioned expenses for the prior calendar quarter showing the basis for the apportionment of each item. Any Service Recipient may request a written statement from a Service Provider setting forth, in reasonable detail, the nature of the services rendered or expenses incurred and other relevant information to support the charge. Any difference, whether an underpayment or overpayment, between the amount of the estimated apportioned expenses paid by a Service Recipient and the amount of the actual apportioned expenses shall be paid to the Service Provider or the Service Recipient, as applicable, within fifteen (15) days following receipt of such statement of actual apportioned expenses.

(b) No facility of any Service Provider used in performing services for, or subject to use by, any Service Recipient shall be deemed to be transferred, assigned, conveyed or leased by performance or use pursuant to this Agreement.

(c) To the extent that any person employed by a Party hereto serves as an officer or employee of any other Party hereto (each, a Shared Employee"), a proportionate share of the direct and indirect salary and benefits of each such person (including, but not limited to, welfare, salaries, fringe benefits, legally required employer contributions and tax obligations) shall be allocated based on an estimate of time spent performing services on behalf of each such Party, and the charges for any such services, and accounting and payment therefor, shall be as provided for services otherwise performed under this Agreement.

5. Third-Party Contracts. A Service Provider may have existing relationships or agreements pursuant to which third parties provide services or equipment to it. Any Service Recipient may find that it is economically more beneficial to obtain such services or equipment from the third party under the terms and conditions available to such Service Provider. In that event, a Service Recipient may request that such Service Provider obtain certain services or equipment for the Service Recipient. In these instances, the actual costs, without any mark-up, will be accumulated and billed to the Service Recipient on a monthly basis in accordance with Section 3, or at such other frequencies as the Parties may agree.

6. Term. This Agreement shall have an initial term of one year, starting on the Effective Date, and shall continue thereafter until terminated as provided in accordance with Section 7 below.

(c) Upon any termination of this Agreement, all Service Providers shall provide such services as may be reasonably requested by any Service Recipient to provide for the orderly transition of the services provided hereunder to another service provider designated by such Service Recipient. Such Service Recipient shall reimburse each Service Provider at cost for the provision of any such transition services. In addition, any Service Recipient, upon ninety (90) days' prior written notice to any Service Provider, may terminate any one or more of the services to be furnished hereunder by such Service Provider to such Service Recipient. Any such partial termination with respect to specific services shall not be deemed to terminate this Agreement in its entirety or to affect the remaining Parties.

All such records, books and files shall be promptly transferred to a Service Recipient by a Service Provider upon termination of this Agreement.

(b) All Service Providers and Service Recipients shall maintain their own books, accounts and records in such a way as to disclose clearly and accurately the nature and

detail of the transactions between them, including such accounting information as is necessary to support the reasonableness of charges under this Agreement, and such additional information as a Service Recipient may reasonably request for purposes of its internal book-keeping and accounting operations. Each Service Provider shall keep such books, records and accounts insofar as they pertain to the computation of charges hereunder available for audit, inspection and copying by a Service Recipient and persons authorized by a Service Recipient or any governmental agency having jurisdiction over a Service Recipient during all reasonable business hours.

(c) Each Service Recipient and persons authorized by it or any governmental agency having jurisdiction over a Service Recipient shall have the right, at a Service Recipient's expense, to conduct an audit of the relevant books, records and accounts of a Service Provider upon giving reasonable notice of its intent to conduct such an audit. In the event of such audit, the Service Provider shall give to the party requesting the audit reasonable cooperation and access to all books, records and accounts necessary to audit during normal business hours.

(c) Each Service Provider shall maintain acceptable backup (in hard copy or another durable medium, as long as the means to access the durable medium is also maintained at a Service Recipient's principal office) of the records constituting a Service Recipient's books of account. Such backup shall be forwarded to the respective Service Recipients on a monthly basis.

Each Party agrees that during the term of this Agreement and thereafter, it shall not use, or permit any person or entity access to, any Customer Information except as permitted in connection with the performance of services hereunder. Each Party acknowledges that it shall be permitted to disclose Customer Information only to its employees, subcontractors, consultants and agents who have a need to know such information or otherwise in connection with its performance of its duties hereunder. In addition, a Party may disclose Customer Information if such disclosure is required by law or upon order of any competent court or law enforcement agency.

(b) Each Party shall monitor from time to time its Customer Information systems for security breaches, violations and suspicious activity relating to the Customer Information. If a breach, violation or suspicious activity affecting the Customer Information is detected, the Party shall (i) notify the affected Parties promptly upon knowledge of such breach, violation or suspicious activity and (ii) fix or patch the security problem within a reasonable period of time.

Each Party shall have the right to review and inspect such records upon thirty (30) days' advance written notice and during reasonable business hours. Inspections permitted under this Section 15(c) shall occur no more frequently than once per year and shall be conducted under the supervision of the inspecting Party.

(d) For the avoidance of doubt, in no event shall Athene Life Re be liable for any obligations of any other Borrower under this Agreement or any other Loan Document except as set forth in the Guaranty.

Section 1.03 Accounting Terms.

(a) Generally. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP applied on a consistent basis, as in effect from time to time, applied in a manner consistent with that used in preparing the Audited Financial Statements, except as otherwise specifically prescribed herein. Notwithstanding the foregoing, for purposes of determining compliance with any covenant (including the computation of any financial covenant) contained herein, Debt of AHL and its Subsidiaries shall be deemed to be carried at 100% of the outstanding principal amount thereof, and the effects of FASB ASC 825 on financial liabilities shall be disregarded.

(b) Changes in GAAP. If at any time any change in GAAP (each change, an “Accounting Change”) would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Borrowers or the Required Lenders shall so request, the Administrative Agent, the Lenders and the Borrowers shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such Accounting Change (subject to the approval of the Required Lenders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP without giving effect to such Accounting Change and (ii) the Borrowers shall provide to the Administrative Agent and the Lenders financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such Accounting Change.

Section 1.04 Rounding. Any financial ratios required to be maintained by the Borrowers pursuant to this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

Section 1.06 Timing of Payment or Performance When payment of any obligation is stated to be due or the performance of any covenant, duty or obligation is required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

ARTICLE II
THE COMMITMENTS AND LOANS

Section 2.01 Loans. Subject to the terms and conditions set forth herein, each Lender severally agrees to make loans (each such loan, a “Loan”) in Dollars to the Borrowers from time to time, on any Business Day during the Availability Period in an aggregate amount not to exceed at any time outstanding the amount of such Lender’s Applicable Percentage of the then Aggregate Commitments; provided, however, that after giving effect to any Borrowing, (i) the Outstanding Amount shall not exceed

the Aggregate Commitments and (ii) the principal amount of each Lender's outstanding Loans shall not exceed such Lender's Applicable Percentage of the Aggregate Commitments. Within the limits of each Lender's Commitment and the Aggregate Commitments, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01, prepay under Section 2.03, and reborrow under this Section 2.01. Loans may be Base Rate Loans or Eurodollar Rate Loans, as further provided herein.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurodollar Rate Loans shall be made upon a Borrower's irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 11:00 a.m. (i) three Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Eurodollar Rate Loans or of any conversion of Eurodollar Rate Loans to Base Rate Loans, and (ii) on the requested date of any Borrowing of Base Rate Loans; provided, however, that if a Borrower wishes to request Eurodollar Rate Loans having an Interest Period of twelve months in duration as provided in the definition of "Interest Period", the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the Lenders of such request and determine whether the requested twelve-month Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the applicable Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Each telephonic notice by a Borrower pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Loan Notice, appropriately completed and signed by a Responsible Officer of the applicable Borrower. Each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof. Each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof. Each Loan Notice (whether telephonic or written) shall specify (i) whether the Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other, or a continuation of Eurodollar Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If a Borrower fails to specify a Type of Loan in a Loan Notice or if a Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If a Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage of the applicable Loans, and if no timely notice of a conversion or continuation is provided by the applicable Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in the preceding subsection. Each Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m. on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02, the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the

account of the applicable Borrower on the books of Citibank with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the applicable Borrower. Each Lender may, at its option, make any Loan available to any Borrower by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of such Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. During the existence of a Default, no Loans may be requested as, converted to or continued as Eurodollar Rate Loans without the consent of the Required Lenders.

(d) The Administrative Agent shall promptly notify the Borrowers and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Borrowers and the Lenders of any change in Citibank's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than ten Interest Periods in effect with respect to Loans.

Section 2.03 Prepayments.

(a) Any Borrower may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty; provided that: (i) such notice must be received by the Administrative Agent not later than 11:00 a.m. (A) three Business Days prior to any date of prepayment of Eurodollar Rate Loans and (B) on the date of prepayment of Base Rate Loans; (ii) any prepayment of Eurodollar Rate Loans shall be in a principal amount of \$1,000,000 or a whole multiple of \$1,000,000 in excess thereof; and (iii) any prepayment of Base Rate Loans shall be in a principal amount of \$500,000 or a whole multiple of \$100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Type(s) of Loans to be prepaid and, if Eurodollar Rate Loans are to be prepaid, the Interest Period(s) of such Loans. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by a Borrower, such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided that such notice may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by such Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Subject to Section 2.12, each such prepayment shall be applied to the Loans of the Lenders in accordance with their respective Applicable Percentages.

(b) If for any reason the Outstanding Amount at any time exceeds the Aggregate Commitments then in effect, the Borrowers shall immediately prepay Loans in an aggregate amount equal to such excess.

Section 2.04 Termination or Reduction of Commitments.

(a) Optional. The Borrowers may, upon notice (an "Aggregate Commitment Reduction Notice") to the Administrative Agent, terminate the Aggregate Commitments, or from time to time permanently reduce the Aggregate Commitments; provided that (i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. three Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof and (iii) the Borrowers shall not terminate or reduce the Aggregate Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, the Outstanding Amount would exceed the Aggregate Commitments. The Administrative Agent will promptly notify the Lenders of any notice of termination or reduction of the Aggregate Commitments; provided that such notice may state that such notice is conditioned upon the occurrence of one or more events specified therein, in which case such notice may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any reduction of the Aggregate Commitments shall be applied to the Commitment of each Lender according to its Applicable Percentage. All fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

(b) Mandatory. The Aggregate Commitments shall be automatically and permanently reduced to zero on the Commitment Termination Date.

Section 2.05 Repayment of Loans. The Borrowers shall repay to the Lenders on the Commitment Termination Date the aggregate principal amount of Loans outstanding on such date, together with accrued and unpaid interest thereon and all other Obligations then due and owing.

Section 2.06 Interest.

(a) Subject to the provisions of paragraph (b) below, (i) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period plus the Applicable Rate and (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate.

(b) (i) Upon the occurrence and during the continuance of an Event of Default pursuant to Section 8.01(a), to the fullest extent permitted by applicable Laws, such amounts as are then due and payable hereunder and unpaid shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate; and

(ii) upon the request of the Required Lenders, upon the occurrence and during the continuance of any Event of Default, to the fullest extent permitted by applicable Laws, all of the Obligations hereunder shall bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate; provided that upon the occurrence of an Event of Default under Section 8.01(f), the Obligations hereunder shall, to the fullest extent permitted by applicable Laws, automatically accrue interest at the Default Rate.

(c) Upon the occurrence and during the continuance of any Event of Default, any Eurodollar Rate Loan will convert to a Base Rate Loan at the end of the Interest Period then in effect for such Eurodollar Rate Loan.

(d) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.07 Fees.

(a) *Commitment Fee.* The Borrowers shall pay to the Administrative Agent for the account of each Lender in accordance with its Applicable Percentage, a commitment fee equal to the Applicable Rate times the actual daily amount by which the Aggregate Commitments exceed the Outstanding Amount. The commitment fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Effective Date, and on the last day of the Availability Period.

(b) *Other Fees.*

(i) The Borrowers shall pay to the Arrangers party to a Fee Letter for their own respective accounts fees in the amounts and at the times specified in such Fee Letter. All such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(ii) The Borrowers shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

Section 2.08 Computation of Interest and Fees All computations of interest for Eurodollar Rate Loans shall be made on the basis of a year of 360 days and actual days elapsed (which results in more interest being paid than if computed on the basis of a 365-day year). All other computations of fees and interest shall be made on the basis of a 365 or 366-day year, as the case may be, and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.09 Evidence of Debt. The Borrowings made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Borrowings made by the Lenders and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, each Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type, amount and maturity of its Loans and payments with respect thereto.

Section 2.10 Payments Generally: Administrative Agent's Clawback.

(a) *General.* All payments to be made by the Borrowers shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by a Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(b) *Clawback.*

(i) *Funding by Lenders; Presumption by Administrative Agent* Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurodollar Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by a Borrower, the interest rate applicable to Base Rate Loans. If such Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by a Borrower shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) *Payments by Borrowers; Presumptions by Administrative Agent* Unless the Administrative Agent shall have received notice from the Borrowers prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the

Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) *Failure to Satisfy Conditions Precedent*. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall promptly return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) *Obligations of Lenders Several*. The obligations of the Lenders hereunder to make Loans and payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Loan or payment under Section 10.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 10.04(c).

(e) *Funding Source*. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan or other funding obligation in any particular place or manner.

Section 2.11 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it resulting in such Lender's receiving payment of a proportion of the aggregate amount of such Loans and accrued interest thereon greater than its pro-rata share thereof as provided herein, then the Lender receiving such greater proportion shall (i) notify the Administrative Agent of such fact, and (ii) purchase (for cash at face value) participations in the Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing to them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by or on behalf of the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant.

The Borrowers consent to the foregoing and agree, to the extent they may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

Section 2.12 Defaulting Lenders

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Termination of Defaulting Lender Commitment. The Borrowers may terminate the unused amount of the Commitment of a Defaulting Lender upon not less than two Business Days' prior notice to the Administrative Agent (which will promptly notify the Lenders thereof), and in such event the provisions of clause (iii) below will apply to all amounts thereafter paid by any Borrower for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts), provided that such termination will not be deemed to be a waiver or release of any claim any Borrower, the Administrative Agent, or any Lender may have against such Defaulting Lender, or cause such Defaulting Lender to be a Non-Defaulting Lender.

(ii) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders" and Section 10.01.

(iii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrowers may request (if no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrowers, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, if no Default or Event of Default exists, to the payment of any amounts owing to any Borrower as a result of any judgment of a court of competent jurisdiction obtained by such Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans and held by the Lenders pro rata in accordance with the Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.12(a)(iii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iv) Certain Fees. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, such Defaulting Lender will not be entitled to any fees accruing during such period pursuant to Section 2.07(a) (without prejudice to the rights of the Non-Defaulting Lenders in respect of such fees).

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing in their discretion that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par such portion of outstanding Loans of the other Lenders and/or make such other adjustments as the Administrative Agent may determine to be necessary to cause the principal amount of the outstanding Loans of the Lenders to be on a pro-rata basis in accordance with their respective Commitments, whereupon such Lender will cease to be a Defaulting Lender and will be a Non-Defaulting Lender (and such outstanding principal amount of the Loans of each Lender will automatically be adjusted on a prospective basis to reflect the foregoing); provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of a Borrower while such Lender was a Defaulting Lender; and provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY

Section 3.01 Taxes.

(a) Defined Terms. For purposes of this Section 3.01 the term "applicable Law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Laws (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Laws and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrowers. The Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrowers. The Borrowers other than Athene Life Re shall jointly and severally, and Athene Life Re shall solely as to itself, indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by

such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to a Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.06(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Borrower to a Governmental Authority pursuant to this Section 3.01, such Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that a Borrower is a U.S. Borrower:

(A) any Lender that is a U.S. Person shall deliver to the Borrowers and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit E-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit E-2 or Exhibit E-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit E-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrowers and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrowers or the Administrative Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrowers or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrowers and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrowers or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations under any Loan Document.

(j) FATCA Compliance.

(i) Each Lender shall deliver to the Borrowers, on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon a change in circumstances or the reasonable request of the Borrowers), (A) a current and properly completed and executed IRS Form W-8BEN, W-8BEN-E, W-8IMY, W-8ECI, W-8EXP, or W-9, as applicable (or applicable successor form), and (B) such other certifications, consents to reporting, documentation or information as the Borrowers reasonably determine are necessary to enable the Borrowers to comply with their obligations under FATCA (it being understood that each Lender shall be permitted to provide its own forms of certifications, consents to reporting, documentation or information as are reasonably acceptable to the Borrowers). Each Lender hereby consents to the reporting by the Borrowers of any information provided by such Lender to the Borrowers (or otherwise in the possession of the Borrowers or publicly available) regarding such Lender (including information regarding such Lender's "Controlling Persons," within the meaning of FATCA) and information regarding the Loans, in each case, as the Borrowers reasonably determine is required to comply with FATCA. In addition, if a Lender is not a "Financial Institution" within the meaning of FATCA, each Participant in such Lender's rights or obligations under this Agreement shall be treated as a Lender for purposes of this Section 3.01(j)(i). Without limiting Section 9.03 or the other provisions of Article IX, the Administrative Agent shall not be responsible or liable to any Person for the performance or observance of this Section 3.01(j)(i), or for the contents, accuracy or efficacy of any documentation or other information delivered or required to be delivered hereby, nor shall the Administrative Agent have any responsibility to monitor compliance by the Borrowers or the Lenders with any of the foregoing.

(ii) Solely for purposes of this Section 3.01(j), the term "FATCA" shall also include (A) the Agreement Between the Government of the United Kingdom of Great Britain and Northern Ireland and the Government of Bermuda to Improve International Tax Compliance, and any implementing laws and regulations in respect thereof, (B) the Multilateral Competent Authority Agreement on Automatic Exchange of Financial Account Information, and any implementing laws and regulations in respect thereof, and (C) any amendments made to FATCA after the Effective Date.

Section 3.02 Illegality. If any Lender determines that any Change in Law or introduction of any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the legal authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market (each, an "Eurodollar Illegality Event"), then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) each Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or

immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest at the Base Rate by reference to the Eurodollar Rate component of the Base Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted and any amount payable pursuant to Section 3.05. During any period in which a Eurodollar Illegality Event is in effect, the Borrowers may request, through the Administrative Agent, that the Lenders affected by such Eurodollar Illegality Event confirm that the circumstances giving rise to the Eurodollar Illegality Event continue to be in effect. If, within ten Business Days following such confirmation request, such Lenders have not confirmed the continued effectiveness of such Eurodollar Illegality Event, then such Eurodollar Illegality Event shall no longer be deemed to be in effect; provided, that (A) the Borrowers shall not be permitted to submit any such request more than once in any 30-day period and (B) nothing contained in this Section 3.02 or the failure to provide confirmation of the continued effectiveness of such Eurodollar Illegality Event shall in any way affect the Lenders' right to provide any additional notices of an Eurodollar Illegality Event as provided in this Section 3.02.

Section 3.03 Inability to Determine Rates. If the Required Lenders determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (i) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (ii) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or (iii) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan (each, a "Market Disruption Event"), the Administrative Agent will promptly so notify the Borrowers and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrowers may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein. During any period in which a Market Disruption Event is in effect, the Borrowers may request, through the Administrative Agent, that the Required Lenders confirm that the circumstances giving rise to the Market Disruption Event continue to be in effect. If, within ten Business Days following such confirmation request, the Required Lenders have not confirmed the continued effectiveness of such Market Disruption Event, then such Market Disruption Event shall no longer be deemed to be in effect; provided, that (A) the Borrowers shall not be permitted to submit any such request more than once in any 30 day period and (B) nothing contained in this Section 3.03 or the failure to provide confirmation of the continued effectiveness of such Market Disruption Event shall in any way affect the Required Lenders' right to provide any additional notices of a Market Disruption Event as provided in this Section 3.03.

Section 3.04 Increased Costs: Reserves on Eurodollar Rate Loans

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.04(e));

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (ii) through (iv) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Rate Loans made by such Lender (except any reserve requirement contemplated by Section 3.04(e)),

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; provided that as to any Lender seeking compensation under this Section 3.04(a), such Lender shall only be so compensated to the extent such Lender is then generally seeking such compensation from similarly situated customers under agreements relating to similar credit transactions that include provisions similar to this Section 3.04(a) and the definition of "Change in Law".

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; provided, that as to any Lender seeking compensation under this Section 3.04(b), such Lender shall only be so compensated to the extent such Lender is then generally seeking such compensation from similarly situated customers under agreements relating to similar credit transactions that include provisions similar to this Section 3.04(b) and the definition of "Change in Law".

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Borrowers shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that a Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurodollar Rate Loans. The Borrowers shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, provided the Borrowers shall have received at least ten days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten days prior to the relevant Interest Payment Date, such additional interest shall be due and payable ten days from receipt of such notice.

Section 3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

- (i) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);
- (ii) any failure by a Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Borrowers; or
- (iii) any assignment of a Eurodollar Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrowers pursuant to Section 10.13;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrowers to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

Section 3.06 Mitigation Obligations; Replacement of Lenders

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or requires any Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Borrowers, such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts then or thereafter payable pursuant to Section 3.01 or 3.04, as the case may be, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if any Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), the Borrowers may replace such Lender in accordance with Section 10.13 if no Default or Event of Default has occurred and is continuing.

Section 3.07 Survival. All of the Borrowers' obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder, and resignation of the Administrative Agent.

ARTICLE IV CONDITIONS PRECEDENT

Section 4.01 Conditions to Effectiveness. The effectiveness of this Agreement is subject to the satisfaction (or waiver in accordance with Section 10.01) of the following conditions precedent:

(a) The Administrative Agent's receipt of the following, each of which shall be originals or telecopies (followed promptly by originals) unless otherwise specified and each of which shall be in form and substance reasonably satisfactory to the Administrative Agent and each of the Lenders:

(i) executed counterparts of this Agreement, sufficient in number for distribution to the Administrative Agent, each Lender and the Borrowers (provided that delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means (e.g. "pdf" or "tif") shall be effective as delivery of an original executed counterpart of this Agreement);

(ii) a Note executed by the Borrowers in favor of each Lender requesting a Note in writing;

(iii) the Guaranty executed by the Borrowers;

(iv) such customary certificates of resolutions or other action, incumbency certificates and/or other certificates of Responsible Officers of the Borrowers as the Administrative Agent may reasonably require evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Agreement and the other Loan Documents;

(v) such documents and certifications as the Administrative Agent may reasonably require to evidence that the Borrowers are duly organized or formed, validly existing and in good standing in their respective jurisdictions of organization;

(vi) customary opinions of Sidley Austin LLP and Conyers Dill & Pearman, each counsel to the Borrowers, addressed to the Administrative Agent and each Lender;

(vii) a certificate (which certificate shall be true and correct) signed by a Responsible Officer of each Borrower certifying (A) that the conditions specified in Sections 4.02(a) and 4.02(b) have been satisfied, and (B) that there has been no event or circumstance since December 31, 2014 that has had or would be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect (excluding any event or circumstance disclosed in the financial statements and other reports delivered by or on behalf of AHL to the "Administrative Agent" prior to the date of this Agreement pursuant to the Existing Credit Agreement, unless the disclosure setting forth such event or circumstance was substantially predictive or forward-looking in nature, in which case this exclusion shall not apply);

(viii) (A) the Audited Financial Statements and (B) the Unaudited Financial Statements (it being understood that, with respect to the requirement to deliver financial statements for the fiscal quarter ending March 31, 2015, the Borrowers' delivery of the corresponding financial statements as of, and for the six-month period ending, June 30, 2015 shall be deemed to satisfy such requirement);

(ix) the documentation and other information reasonably requested by the Lenders in connection with applicable "know your customer" and anti-money-laundering rules and regulations, including the PATRIOT Act;

(x) a letter from Corporation Service Company, currently located at 80 State Rd., Albany, New York, 12207, indicating its consent to appointment by each Borrower as its agent to receive service of process as specified in Section 10.14(e) hereof; and

(xi) such other customary assurances, certificates, documents or consents as the Administrative Agent or the Required Lenders may reasonably require.

(b) Any fees required to be paid on or before the Effective Date pursuant to the Loan Documents, including the fees and expenses of Fried, Frank, Harris, Shriver and Jacobson LLP as counsel to the Administrative Agent and the Lenders, shall have been paid.

Without limiting the generality of the provisions of Section 9.03(c), for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the initial Borrowing date specifying its objection thereto.

Section 4.02 Conditions to all Borrowings. The obligation of each Lender to honor a Loan Notice (other than a Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurodollar Rate Loans), is subject to the following conditions precedent:

(a) The representations and warranties of the Borrowers contained in Article V or any other Loan Document shall be true and correct in all material respects (except that those representations and warranties which are qualified by materiality or Material Adverse Effect shall be true and correct in all respects) on and as of the date of such Borrowing, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (except that those representations and warranties which are qualified by materiality or Material Adverse Effect shall be true and correct in all respects) as of such earlier date, and except that for purposes of this Section 4.02, the representations and warranties contained in subsection (a) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (i) and (ii), respectively, of Section 6.01; provided that after the Effective Date the representations and warranties set forth in Section 5.05(b), Section 5.06 or Section 5.13 shall not be required to be true or correct as a condition precedent to any Borrowing.

(b) No Default shall then exist, or would result from such proposed Borrowing or from the application of the proceeds thereof.

(c) The Administrative Agent shall have received a Loan Notice in accordance with the requirements hereof.

Each Loan Notice (other than a Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurodollar Rate Loans) submitted by a Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied on and as of the date of the applicable Borrowing.

ARTICLE V
REPRESENTATIONS AND WARRANTIES

Each Borrower represents and warrants to the Administrative Agent and the Lenders that:

Section 5.01 Existence, Qualification and Power. Such Borrower and each of its Material Subsidiaries (i) is duly organized or formed, validly existing and, as applicable, in good standing (to the extent such concept is applicable) under the Laws of the jurisdiction of its incorporation or organization, (ii) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals from all Governmental Authorities to (A) own or lease its assets and carry on its business and (B) execute, deliver and perform its obligations under the Loan Documents to which it is a party, and (iii) is duly qualified and is licensed and, as applicable, in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification or license, except in each case referred to in clause (i) (other than with respect to the existence of the Borrowers), (ii)(A) or (iii), to the extent that failure to do so would not reasonably be expected to have a Material Adverse Effect.

Section 5.02 Authorization; No Contravention. The execution, delivery and performance by such Borrower of each Loan Document to which it is party have been duly authorized by all necessary corporate or other organizational action, and do not and will not (i) contravene the terms of its Organizational Documents, (ii) conflict with or result in any breach or contravention of, or the creation of any Lien under (A) any Contractual Obligation to which such Borrower is a party or affecting such Borrower or the properties of such Borrower which would reasonably be expected to result in a Material Adverse Effect or (B) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Borrower or any Subsidiary of such Borrower or its property is subject which would reasonably be expected to result in a Material Adverse Effect or (iii) violate any Law the effect of which would reasonably be expected to result in a Material Adverse Effect.

Section 5.03 Governmental Authorization; Other Consents. No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance by, or enforcement against, such Borrower of this Agreement or any other Loan Document to which such Borrower is a party, except for such approvals (or deemed approvals), consents, exemptions, authorizations, actions or notices that have been duly obtained, taken or made and are in full force and effect and except as would not reasonably be expected to result in a Material Adverse Effect.

Section 5.04 Execution and Delivery; Binding Effect. This Agreement has been, and each other Loan Document to which such Borrower is a party, when delivered hereunder, will have been, duly executed and delivered by such Borrower. This Agreement constitutes, and each other Loan Document to which such Borrower is a party when so delivered will constitute, a legal, valid and binding obligation of such Borrower, enforceable against such Borrower in accordance with its terms except as such enforceability may be limited by bankruptcy, insolvency, reorganization, receivership, moratorium or other Laws affecting creditors' rights generally and by general principles of equity.

Section 5.05 Financial Statements; No Material Adverse Effect

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers; and

(iii) exercise on behalf of itself and the Lenders, all rights and remedies available to it and the Lenders under the Loan Documents;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code, the obligation of each Lender to make Loans shall automatically terminate and the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall, subject to the provisions of Section 2.12, be applied by the Administrative Agent in the following order:

ARTICLE IX ADMINISTRATIVE AGENT

Section 9.01 Appointment and Authority. Each of the Lenders hereby irrevocably appoints Citibank to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Except to the extent expressly set forth in Section 9.06, the provisions of this Article IX are solely for the benefit of the Administrative Agent and the Lenders and no Borrower shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

Section 9.02 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person

(d) Nothing in this Agreement or any other Loan Document shall require the Administrative Agent or any of its Related Parties to carry out any “know your customer” or other checks in relation to any Person on behalf of any Lender, and each Lender confirms to the Administrative Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Administrative Agent or any of its Related Parties.

Section 9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless an officer of the Administrative Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 9.06 Resignation and Removal of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrowers, to appoint a successor Administrative Agent with the consent, so long as no Event of Default has occurred and is continuing, of the Borrowers (such consent not be unreasonably withheld), provided that no Ineligible Assignee may be appointed successor Administrative Agent without the written consent of the Borrowers. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “Resignation Effective Date”), then the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above with the consent, so long as no Event of Default has occurred and is continuing, of the Borrowers (such consent not be unreasonably withheld). Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) Anything herein to the contrary notwithstanding, if at any time the Required Lenders determine that the Person serving as Administrative Agent is (without taking into account any provision in the definition of "Defaulting Lender" requiring notice from the Administrative Agent or any other party) a Defaulting Lender pursuant to clause (v) of the definition thereof, the Required Lenders (determined after giving effect to Section 10.01) may by written notice to the Borrowers and such Person remove such Person as Administrative Agent and appoint a replacement Administrative Agent hereunder with the consent, so long as no Event of Default has occurred and is continuing, of the Borrowers (such consent not be unreasonably withheld). Such removal will, to the fullest extent permitted by applicable Laws, be effective on the earlier of the date (the "Removal Effective Date") (i) on which a replacement Administrative Agent is appointed and (ii) which is 30 days after the giving of such notice by the Required Lenders (regardless of whether a replacement Administrative Agent has been appointed).

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Arrangers, Book Managers, Syndication Agents or Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender hereunder.

Section 9.09 Administrative Agent May File Proofs of Claim In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to the Borrowers, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 10.04) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

ARTICLE X MISCELLANEOUS

Section 10.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Borrower therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrowers and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that (x) the Administrative Agent and the Borrowers may, with the consent of the other(s), amend, modify or supplement this Agreement and any other Loan Document to cure any ambiguity, omission, typographical error, mistake, defect or inconsistency if such amendment, modification or supplement does not adversely affect the rights of the Administrative Agent or any Lender, to comply with local law or the advice of local counsel or to cause one or more Loan Documents to be consistent with other Loan Documents and (y) no such amendment, waiver or consent shall:

(i) waive any condition set forth in Section 4.01 without the written consent of each Lender;

(ii) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender (it being understood and agreed that a waiver of any condition precedent set forth in Section 4.02 or of any Default shall not be deemed an extension or increase of the Commitment of any Lender);

(iii) postpone any date fixed by this Agreement or any other Loan Document for any payment or mandatory prepayment of principal, interest, fees or other amounts due to the Lenders (or any of them) or any scheduled or mandatory reduction of the Aggregate Commitments hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby (other than as a result of waiving an Event of Default in accordance with the terms hereof);

(iv) reduce the principal of, or the rate of interest specified herein on, any Loan or (subject to clause (ii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; provided, however, that only the consent of the Required Lenders shall be required to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(v) change the definition of "Applicable Percentage", Section 2.10(a), Section 2.11, Section 8.03 or any other provision of this Agreement in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(vi) change any provision of this Section or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender; or

(vii) release the Guaranty, except as expressly permitted by the Loan Documents, without the written consent of each Lender;

and, provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; and (ii) any Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Anything herein to the contrary notwithstanding, during such period as a Lender is a Defaulting Lender, to the fullest extent permitted by applicable Laws, such Lender will not be entitled to vote in respect of amendments and waivers hereunder and the Commitment and the outstanding Loans of such Lender hereunder will not be taken into account in determining whether the Required Lenders or all of the Lenders, as required, have approved any such amendment or waiver (and the definition of "Required Lenders" will automatically be deemed modified accordingly for the duration of such period); provided that any such amendment or waiver that would increase or extend the term of the Commitment of such Defaulting Lender, extend the date fixed for the payment of principal or interest owing to such Defaulting Lender hereunder, reduce the principal amount of any obligation owing to such Defaulting Lender, reduce the amount of or the rate or amount of interest on any amount owing to such Defaulting Lender or of any fee payable to such Defaulting Lender hereunder, or alter the terms of this proviso, will require the consent of such Defaulting Lender.

Section 10.02 Notices; Effectiveness; Electronic Communication.

(a) *Notices Generally.* Except in the case of notices and other communications expressly permitted to be given by telephone (and except as expressly provided in Section 6.01 and subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Borrowers).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) *Electronic Communications.* Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or any Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefore; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(c) *The Platform.* THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN

CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any Agent-Related Person (collectively, the "Agent Parties") have any liability to any Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet.

(d) Change of Address, Etc. Each of the Borrowers and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrowers and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States Federal or state securities laws.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic or electronic Loan Notices) purportedly given by or on behalf of the Borrowers even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrowers shall indemnify the Administrative Agent and the Lenders and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrowers. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver: Cumulative Remedies; Enforcement. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under any other Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Borrowers shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (i) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (ii) any Lender from exercising setoff rights in accordance with Section 10.08 (subject to the terms of Section 2.11), or (iii) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to the Borrowers under any

Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (A) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (B) in addition to the matters set forth in clauses (ii) and (iii) of the preceding proviso and subject to Section 2.11, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrowers shall pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Agent-Related Persons (including the reasonable and documented fees and disbursements of one counsel for the Administrative Agent), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all documented out-of-pocket expenses incurred by the Administrative Agent or any Lender in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans; provided, that pursuant to this clause (ii), the Borrowers shall not be required to reimburse such out-of-pocket expenses of more than one counsel to the Administrative Agent and the Lenders (and one local counsel to the Administrative Agent and the Lenders in any relevant jurisdiction), unless the representation of one or more Lenders by such counsel would be inappropriate due to the existence of an actual conflict of interest, in which case the Borrowers shall also be required to reimburse the fees, charges and disbursements of one additional counsel to all of such affected Lenders taken as a whole.

(b) Indemnification by the Borrowers. Each of the Borrowers other than Athene Life Re shall, jointly and severally, and Athene Life Re shall, solely as to itself, indemnify the Administrative Agent (and any sub-agent thereof), each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including reasonable and documented fees and disbursements of one counsel to the Indemnitees taken as a whole and, solely in the case of a conflict of interest, one additional counsel to all affected Indemnitees, taken as a whole), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by a Borrower arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents (including in respect of any matters addressed in Section 3.01), (ii) any Loan or the use or proposed use of the proceeds therefrom, or (iii) any other claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by a Borrower, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee, (y) result from a claim brought by a Borrower against an Indemnitee for a material breach of such Indemnitee's obligations hereunder or under any other Loan Document, if such Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction or (z) arise from any action, claim, litigation or proceeding solely among the

Indemnitees so long as such action, claim, litigation or proceeding is not attributable to any act or omission by the Borrowers (other than any claims against any Person in its capacity or in fulfilling its role as an agent, Arranger or other similar role hereunder or under the other Loan Documents, but in each case, solely to the extent such indemnification would not be denied pursuant to clause (x) above). Each Indemnitee shall be obligated to refund or return any and all amounts received pursuant to this Section 10.04(b) to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. This Section 10.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that any Borrower for any reason fails to pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof) or any Related Party thereof (but without limiting the obligation of the Borrowers under such subsection), each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's Applicable Percentage at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), provided that, the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party thereof acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.10(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no Borrower shall assert, and each Borrower hereby waives, and acknowledges that no other Person shall have, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than 10 Business Days after demand therefor.

(f) Survival. The agreements in this Section and the indemnity provisions of Section 10.02(e) shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

Section 10.05 Payments Set Aside. To the extent that any payment by or on behalf of any Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief

Law or otherwise, then (i) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (ii) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (ii) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.06 Successors and Assigns.

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders.* Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) *Minimum Amounts.*

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000 or other than in \$1,000,000 increments thereabove unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrowers otherwise consent (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) and subsection (b)(v) of this Section and, in addition:

(A) the written consent of the Borrowers (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund and notice thereof is provided to the Administrative Agent and the Borrowers; provided that the Borrowers shall be deemed to have consented to any such assignment unless they shall object thereto by written notice to the Administrative Agent within twenty Business Days after having received notice thereof; and

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made (A) to a Borrower or any of the Borrowers' respective Affiliates or Subsidiaries, (B) to any Defaulting Lender or any of their respective subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B), (C) to a natural person or (D) absent the written consent of the Borrowers (which consent may be given or withheld at the Borrowers' sole discretion), to any Person that was an Ineligible Assignee as of the applicable Trade Date. For the avoidance of doubt, with respect to any assignee that becomes an Ineligible Assignee after the Trade Date applicable to its assignment (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the *proviso* to the definition of "Ineligible Assignee"), (i) such assignee shall not retroactively be disqualified from having become a Lender pursuant to such assignment and (ii) such assignee will become an Ineligible Assignee in accordance with the definition thereof notwithstanding the consummation of such assignment and the execution by the Borrowers of an Assignment and Assumption with respect to such assignee. Notwithstanding the foregoing, any assignment to an assignee that is or becomes an Ineligible Assignee (including any assignment in violation of clause (b)(v)(D)) shall not be void, but the provisions of paragraph (f) below shall apply.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment will be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment make such additional payments to the Administrative Agent in an aggregate amount

sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the written consent of the Borrowers and the Administrative Agent, the applicable pro-rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro-rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder becomes effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest will be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, the Borrowers (at their expense) shall execute and deliver a Note to the assignee Lender.

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrowers, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrowers and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person, a Defaulting Lender or the Borrowers, any of the Borrowers' respective Affiliates or Subsidiaries or an Ineligible Assignee) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Administrative Agent, the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt: (i) each Lender shall be responsible for the indemnity under Section 10.04(c) without regard to the existence of any participation; and (ii) with respect to any participant that becomes an Ineligible Assignee after the Trade Date applicable to its participation (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the *proviso* of the definition of "Ineligible Assignee"), such participant shall not retroactively be disqualified from having become a participant pursuant to the applicable participation agreement. Notwithstanding the foregoing, any participation to a participant that becomes an Ineligible Assignee shall be subject to the provisions of paragraph (f) below.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in clause (y) of the first proviso to Section 10.01 that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations therein, including the requirements under Section 3.01 (it being understood that the documentation required under Section 3.01(e) shall be delivered to the Lender who sells the participation)); provided that such Participant (A) agrees to be subject to the provisions of Sections 3.06 and 10.13 as if it were an assignee under subsection (b) of this Section and (B) shall not be entitled to receive any greater payment under Sections 3.01 or 3.04, with respect to any participation, than the Lender from whom it acquired the applicable participation would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after such Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitment or Loan or any of its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Certain Provisions Pertinent to Ineligible Assignees. If any assignment is made to any Ineligible Assignee without the Borrowers' prior consent in violation of paragraph (b)(v)(D) above, or if any Lender becomes an Ineligible Assignee after the Trade Date of the applicable assignment to such Lender, the Borrowers may, at their sole expense and effort, upon notice to the applicable Ineligible Assignee and the Administrative Agent, (A) terminate the Commitment of such Ineligible Assignee and repay all obligations of the Borrowers owing to such Ineligible Assignee in connection with such Commitment and/or (B) require such Ineligible Assignee to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in this Section 10.06), all of its interest, rights and obligations under this Agreement and related Loan Documents to an Eligible Assignee that shall

assume such obligations at a purchase price equal to the lesser of (x) the principal amount thereof and (y) the amount that such Ineligible Assignee paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to such Ineligible Assignee hereunder and under the other Loan Documents; provided that (i) the Borrowers shall have paid to the Administrative Agent the assignment fee (if any) specified in 10.06(b) and (ii) such assignment does not conflict with applicable Laws.

Notwithstanding anything to the contrary contained in this Agreement, (i) Ineligible Assignees that are either Lenders or participants of Lenders will not (A) have any inspection rights or the right to receive information, reports or other materials provided to Lenders by the Borrowers, the Administrative Agent or any other Lender, (B) attend or participate in meetings attended by the Lenders and the Administrative Agent or (C) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (ii)(A) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Ineligible Assignee (whether a direct Lender or a participant) will be deemed to have consented in the same proportion as the Lenders that are not Ineligible Assignees consented to such matter, and (B) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (“Plan of Reorganization”), each Ineligible Assignee (whether a direct Lender or a participant) hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Ineligible Assignee does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

The Administrative Agent shall have the right, and the Borrowers hereby expressly authorize the Administrative Agent, (i) to post the list of Ineligible Assignees provided by the Borrower and any updates thereto from time to time (collectively, the “Ineligible Institution List”) on the Platform, including that portion of the Platform that is designated “Public Side Information”, and (ii) to provide the Ineligible Institution List to each Lender requesting the same.

Section 10.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates and to its and its Affiliates’ respective managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party hereto, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same (or at least as restrictive) as those of this Section, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (B) any actual or prospective counterparty (or its managers, administrators, trustees, partners, directors, officers, employees, agents, advisors and other representatives) to any swap, or derivative or

other similar transaction under which payments are to be made by reference to or any credit insurance provider in each case relating to any Borrower and its obligations, this Agreement or payments hereunder, (C) any rating agency, or (D) the CUSIP Service Bureau or any similar organization, (vii) with the written consent of the Borrowers or (viii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent or any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrowers. For purposes of this Section, "Information" means all information received from the Borrowers or any of their respective Subsidiaries relating to the Borrowers or any of their respective Subsidiaries or any of their respective businesses, including the identity of Ineligible Assignees, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrowers or any of their respective Subsidiaries, provided that, in the case of information received from the Borrowers or any of their respective Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (i) the Information may include material non-public information concerning the Borrowers or a Subsidiary, as the case may be, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 10.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrowers, excluding any custodial, trust or special reserve accounts, against any and all of the obligations of the Borrowers, now or hereafter existing under this Agreement or any other Loan Document to such Lender or its Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrowers may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; provided that in the event that any Defaulting Lender exercises any such right of setoff, (x) all amounts so set off will be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.12(a) and, pending such payment, will be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender will provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its Affiliates may have. Each Lender agrees to notify the Borrowers and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such

unpaid principal, refunded to the Borrowers. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (i) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (ii) exclude voluntary prepayments and the effects thereof, and (iii) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.10 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means (e.g. “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

Section 10.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (i) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (ii) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.13 Replacement of Lenders. If the Borrowers are entitled to replace a Lender pursuant to the provisions of Section 3.06 or if any Lender is a Defaulting Lender or Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

- (i) the Borrowers shall have paid to the Administrative Agent the assignment fee specified in Section 10.06(b);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with applicable Laws;

(v) no Default or Event of Default shall have occurred and be continuing on the date of such assignment; and

(vi) in the case of an assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

Section 10.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. (i) EACH OF THE BORROWERS IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE ADMINISTRATIVE AGENT AND THE LENDERS IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH COURTS. (ii) EACH OF THE ADMINISTRATIVE AGENT AND THE LENDERS IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST ANY OF THE BORROWERS IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN

DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN (x) THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF OR (y) THE COURTS OF THE JURISDICTION OF INCORPORATION OR FORMATION OF THE APPLICABLE BORROWER AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE BORROWERS IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH COURTS. (iii) EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY ACTION, LITIGATION OR PROCEEDING REFERRED TO IN THIS PARAGRAPH (b) SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

(c) WAIVER OF VENUE. (i) EACH OF THE ADMINISTRATIVE AGENT AND THE LENDERS IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b)(i) OF THIS SECTION. EACH OF THE ADMINISTRATIVE AGENT AND THE LENDERS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT. (ii) EACH OF THE BORROWERS IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b)(ii) OF THIS SECTION. EACH OF THE BORROWERS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH OF THE PARTIES HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(e) Appointment of Process Agent. Each Borrower hereby irrevocably appoints Corporation Service Company its authorized agent to accept and acknowledge service of any and all process which may be served in any suit, action or proceeding of the nature referred to in this Section 10.14 and consents to process being served in any such suit, action or proceeding upon Corporation Service Company in any manner or by the mailing of a copy thereof by registered or certified mail, postage prepaid, return receipt requested, to the Borrower's address referred to in Section 10.02, as the case may be. Each of the Borrowers agrees that such service (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by Law, be taken and held to be valid personal service upon and personal delivery to it. Nothing in this Section 10.14(e) shall affect the right of any Lender to serve process in any manner permitted by Law or limit the right of any Lender to bring proceedings against any Borrower in the courts of any jurisdiction or jurisdictions.

Section 10.15 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrowers acknowledge and agree, and acknowledges its Affiliates' understanding, that: (i)(A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the Lenders, are arm's-length commercial transactions between the Borrowers and their Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders, on the other hand, (B) the Borrowers have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate, and (C) the Borrowers are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii)(A) the Administrative Agent, each of the Arrangers and each of the Lenders each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrowers or any of their Affiliates, or any other Person and (B) none of the Administrative Agent, any Arranger nor any Lender has any obligation to the Borrowers or any of their Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers and their Affiliates, and none of the Administrative Agent, any Arranger nor any Lender has any obligation to disclose any of such interests to the Borrowers or their Affiliates. To the fullest extent permitted by law, the Borrowers hereby waive and release any claims that they may have against the Administrative Agent, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.17 Electronic Execution of Assignments and Certain Other Documents. The words "execution", "signed", "signature", and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.18 USA PATRIOT Act Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of the Borrowers and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrowers in accordance with the Act. The Borrowers shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

Section 10.19 Judgment Currency.

(a) The obligations of the Borrowers hereunder and under the other Loan Documents to make payments in a specified currency (the "Obligation Currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent or a Lender of the full amount of the Obligation Currency expressed to be payable to it under this Agreement or another Loan Document. If, for the purpose of obtaining or enforcing judgment against any Borrower in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the "Judgment Currency") an amount due in the Obligation Currency, the conversion shall be made, at the rate of exchange (as quoted by the Administrative Agent or if the Administrative Agent does not quote a rate of exchange on such currency, by a known dealer in such currency designated by the Administrative Agent) determined, in each case, as of the Business Day immediately preceding the date on which the judgment is given (such Business Day being hereinafter referred to as the "Judgment Currency Conversion Date").

(b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, each Borrower covenants and agrees to pay, or cause to be paid, or remit, or cause to be remitted, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date.

(c) For purposes of determining any rate of exchange or currency equivalent for this Section 10.19, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency.

Section 10.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

GUARANTY dated as of January 22, 2016 (as amended, restated, amended and restated, modified or supplemented from time to time, this "Agreement") among ATHENE HOLDING LTD., an exempted company incorporated under the laws of Bermuda ("AHL"), ATHENE LIFE RE LTD., an exempted company incorporated under the laws of Bermuda ("Athene Life Re"), ATHENE USA CORPORATION, an Iowa corporation ("AUSA") and, together with AHL and Athene Life Re, collectively, the "Guarantors" and, individually, a "Guarantor"), and CITIBANK, N.A., as Administrative Agent for the benefit of the Finance Parties referred to herein.

Each of AHL, Athene Life Re and AUSA is a Borrower under the Credit Agreement dated as of the date hereof (as amended, restated, amended and restated, modified or supplemented from time to time and including any agreement extending the maturity of, refinancing or otherwise amending, amending and restating or otherwise modifying or restructuring all or any portion of the obligations of the Borrowers under such agreement or any successor agreement, the "Credit Agreement") among AHL, Athene Life Re and AUSA, as borrowers thereunder, the banks and other lending institutions from time to time party thereto (each a "Lender" and, collectively, the "Lenders"), Citibank, N.A., as Administrative Agent, any syndication agents party thereto (together with their respective successor or successors in such capacity, the "Syndication Agents"), and any documentation agents party thereto (together with their respective successor or successors in such capacity, the "Documentation Agents").

The Lenders, the Administrative Agent, each co-agent or sub-agent appointed by the Administrative Agent from time to time pursuant to the Credit Agreement, the Syndication Agents, the Documentation Agents, and each Indemnitee and their respective successors and assigns are herein referred to individually as a "Finance Party" and collectively as the "Finance Parties".

To induce the Lenders to enter into the Credit Agreement and the other Loan Documents, and as a condition precedent to the obligations of the Lenders under the Credit Agreement, each Guarantor has agreed, jointly and severally, to provide a guaranty of all obligations of each of the other Borrowers and Guarantors under and in respect of the Credit Agreement and the other Loan Documents. References herein to a "Borrower" or "Borrowers" mean a Guarantor or Guarantors in their respective capacities as Borrowers under the Credit Agreement; and references herein to a "Guarantor" or "Guarantors" mean a Guarantor or Guarantors in their respective capacities as guarantors hereunder. As used herein, "Other Loan Parties" means, with respect to any Guarantor, any and all of the Borrowers and Guarantors other than itself.

Accordingly, each Guarantor hereby agrees with the Administrative Agent for the benefit of the Finance Parties as follows:

ARTICLE I DEFINITIONS

Section 1.01 Credit Agreement Definitions. Terms defined in the introductory statement hereof have the respective meaning set forth therein. Capitalized terms used in this Agreement and not otherwise defined herein have the respective meanings assigned thereto in the Credit Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement shall also apply to this Agreement.

Section 1.02 Additional Defined Terms. As used in this Agreement, the following additional terms have the meanings specified below:

"Athene Insurer" has the meaning specified in Section 2.01(d).

“Athene Life Re Guarantee Amount” means (i) with respect to any Loan described in clause (i) of Section 2.01(d), 100% of the amount of the proceeds of such Loan that are directly or indirectly contributed or lent to Athene Life Re and (ii) with respect to any Loan described in clause (ii) of Section 2.01(d), an amount equal to the proceeds of such Loan that are directly or indirectly contributed or lent to an Athene Insurer multiplied by the percentage of such Athene Insurer’s Retained Insurance Liabilities that are ceded or retroceded to Athene Life Re as of the last day of the full calendar quarter immediately preceding the date of such Loan.

“Finance Obligations” means the Obligations under and as defined in the Credit Agreement.

“Guaranteed Obligations” has the meaning specified in Section 2.01(a).

“Insurance Liabilities” has the meaning specified in Section 2.01(d).

“Retained Insurance Liabilities” means the Insurance Liabilities of the applicable Athene Insurer, net of Insurance Liabilities ceded or retroceded directly or indirectly by such Athene Insurer to a party which is not a Subsidiary of AHL, in each case calculated as of the last day of the full calendar quarter immediately preceding the date of the applicable Loan.

“Solvent” means, as to a Person as of any date of determination, that on such date (i) the fair value of the property of such Person is greater than the total amount of liabilities, including contingent liabilities, of such Person, (ii) the present fair saleable value of such Person is not less than the amount that will be required to pay the probable liability of such Person on its debts as they become absolute and matured, (iii) such Person does not intend to, and does not believe that it will, incur debts or liabilities beyond such Person’s ability to pay such debts and liabilities as they mature and (iv) such Person is not engaged in a business or a transaction, and is not about to engage in a business or a transaction, for which such Person’s property would constitute an unreasonably small capital. The amount of any contingent liability at any time shall be computed as the amount that, in light of all of the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

ARTICLE II GUARANTY

Section 2.01 The Guaranty.

(a) Each Guarantor unconditionally guarantees, jointly and severally with the other Guarantors (in the case of Athene Life Re, subject to Section 2.01(d)), as a primary obligor and not merely as a surety: (x) the due and punctual payment of:

(i) all principal of, premium (if any) and interest on any Loan borrowed by any Other Loan Party under, or any Note issued by any Other Loan Party pursuant to, the Credit Agreement or any other Loan Document (including, without limitation, any interest which accrues after the commencement of (A) any voluntary or involuntary case or proceeding under any Debtor Relief Laws with respect to any Other Loan Party, (B) any other voluntary or involuntary insolvency, reorganization or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or similar case or proceeding with respect to any Other Loan Party or any material portion of its respective assets, (C) any liquidation, dissolution, reorganization or winding up of any Other Loan Party whether voluntary or involuntary and whether or not involving insolvency or bankruptcy or (D) any assignment for the benefit of creditors or any other marshalling of assets and liabilities of any Other Loan Party (each an “Insolvency or Liquidation Proceeding”), whether or not allowed or allowable as a claim in any such proceeding);

(ii) all fees, expenses, indemnification obligations and other amounts of whatever nature now or hereafter payable by any Other Loan Party pursuant to the Credit Agreement or any other Loan Document (including, without limitation, any amounts which accrue after the commencement of any Insolvency or Liquidation Proceeding with respect to such Other Loan Party, whether or not allowed or allowable as a claim in any such proceeding); and

(iii) all other amounts now or hereafter payable by any Other Loan Party pursuant to any Loan Document and all other obligations or liabilities now existing or hereafter arising or incurred on the part of any Other Loan Party pursuant to any Loan Document (including, without limitation, any amounts which accrue after the commencement of any Insolvency or Liquidation Proceeding with respect to such Other Loan Party, whether or not allowed or allowable as a claim in any such proceeding);

in each case together with all renewals, modifications, consolidations or extensions thereof and whether now or hereafter due, owing or incurred in any manner, whether actual or contingent, whether incurred solely or jointly with any other Person and whether as principal or surety (and including all liabilities in connection with any notes, bills or other instruments accepted by any Finance Party in connection therewith), together in each case with all renewals, modifications, consolidations or extensions thereof; and (y) the due and punctual performance of all covenants, agreements, obligations and liabilities of each Other Loan Party under or pursuant to the Loan Documents (all such monetary and other obligations referred to in clauses (x) and (y) above being herein collectively referred to as the "Guaranteed Obligations"). Notwithstanding the foregoing, to the extent that any Guarantor incurs an obligation referred to in clauses (x) and (y) above solely in its capacity as a Borrower (such obligation, a "Borrower Obligation" and such obligor, a "Borrower Obligor"), the Guaranteed Obligations of the Borrower Obligor in its capacity as a Guarantor hereunder shall not include the obligation of any other Guarantor arising from the guarantee by such other Guarantor of the Borrower Obligation of the Borrower Obligor pursuant to this Section 2.01.

(b) The books and records of the Administrative Agent showing the amount of the Guaranteed Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor and conclusive for the purpose of establishing the amount of the Guaranteed Obligations.

(c) Anything contained in this Agreement to the contrary notwithstanding, the obligations of each Guarantor hereunder shall be limited to a maximum aggregate amount equal to the greatest amount that would not render such Guarantor's obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any provisions of applicable state law (collectively, the "Fraudulent Transfer Laws"), in each case after giving effect to all other liabilities of such Guarantor, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Guarantor (i) in respect of intercompany indebtedness to any Other Loan Party or any of its Affiliates to the extent that such indebtedness would be discharged or would be subject to a right of set-off in an amount equal to the amount paid by such Guarantor hereunder and (ii) under any guaranty of Debt subordinated in right of payment to the Guaranteed Obligations which guaranty contains a limitation as to a maximum amount similar to that set forth in this paragraph pursuant to which the liability of such Guarantor hereunder is included in the liabilities taken into account in determining such maximum amount) and after giving effect as assets of such Guarantor to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation, contribution, reimbursement, indemnity or

similar rights of such Guarantor pursuant to (i) applicable Law or (ii) any agreement providing for an equitable allocation among such Guarantor and any Other Loan Party and its Affiliates of obligations arising under guaranties by such parties (including the agreements in Article III of this Agreement). If any Guarantor's liability hereunder is limited pursuant to this paragraph to an amount that is less than the total amount of the Guaranteed Obligations, then it is understood and agreed that the portion of the Guaranteed Obligations for which such Guarantor is liable hereunder shall be the last portion of the Guaranteed Obligations to be repaid.

(d) Anything contained in this Agreement to the contrary notwithstanding, Athene Life Re shall guarantee only those Obligations of another Borrower that arise under (i) any Loan made to such other Borrower to the extent the proceeds of which are directly or indirectly contributed or lent to Athene Life Re or (ii) any Loan made to such other Borrower to the extent the proceeds of which are directly or indirectly contributed or lent to an insurance company subsidiary of AHL (each, an "Athene Insurer") that cedes or retrocedes liabilities under Policies issued or assumed by such Athene Insurer ("Insurance Liabilities") to Athene Life Re; provided, further, that in no event shall the obligations of Athene Life Re pursuant to this guarantee with respect to any Loan made to another Borrower exceed the applicable Athene Life Re Guarantee Amount.

Section 2.02 Guaranty Absolute. Each Guarantor guarantees that the Guaranteed Obligations will be paid and performed strictly in accordance with the terms of the Loan Documents, regardless of any Law now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Finance Parties with respect thereto. The obligations of each Guarantor under this Agreement are independent of the Guaranteed Obligations of the Other Loan Parties, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce this Agreement, irrespective of whether any action is brought against any Other Loan Party or whether any Other Loan Party is joined in any such action or actions. This Agreement is an absolute and unconditional guaranty of payment when due, and not of collection, by each Guarantor, jointly and severally with each other Guarantor (subject, in the case of Athene Life Re to Section 2.01(d)) of the Guaranteed Obligations in each and every particular. The obligations of each Guarantor hereunder are several from those of the Other Loan Parties and are primary obligations concerning which each Guarantor is the principal obligor. The Finance Parties shall not be required to mitigate damages or take any action to reduce, collect or enforce the Guaranteed Obligations.

The obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including the existence of any claim, set-off or other right which any Guarantor may have at any time against any Other Loan Party, the Administrative Agent, any Finance Party or any other Person, whether in connection herewith or any unrelated transactions.

Without limiting the generality of the foregoing, each Guarantor's liability shall extend (subject, in the case of Athene Life Re to Section 2.01(d)) to all amounts that constitute part of the Guaranteed Obligations and would be owed by any Other Loan Party to any Finance Party under the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving any Other Loan Party.

Each Guarantor has irrevocably and unconditionally delivered this Agreement to the Administrative Agent, for the benefit of the Finance Parties, and the failure by any Other Loan Party or any other Person to sign this Agreement or a guaranty similar to this Agreement or otherwise shall not discharge the obligations of any Guarantor hereunder. The irrevocable and unconditional liability of each Guarantor hereunder applies whether it is jointly and severally liable for the entire amount of the Guaranteed Obligations, or only for a pro-rata portion, and without regard to any rights (or the impairment thereof) of subrogation, contribution or reimbursement that such Guarantor may now or hereafter have against any Other Loan Party or any other Person. This Agreement is and shall remain

fully enforceable against each Guarantor irrespective of any defenses that any Other Loan Party may have or assert in respect of the Guaranteed Obligations, including, without limitation, failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury, except that a Guarantor may assert the defense of final payment in full of the Guaranteed Obligations.

Section 2.03 Payments.

(a) *Payments to be Made Upon Default.* If any Borrower or Guarantor fails to pay or perform any Guaranteed Obligation when due in accordance with its terms (whether at stated maturity, by acceleration or otherwise) or if any Default or Event of Default specified in Section 8.01(f) of the Credit Agreement occurs with respect to any Borrower or Guarantor, the Guarantors shall, promptly following demand by the Administrative Agent, pay the aggregate amount of all Guaranteed Obligations (subject, in the case of Athene Life Re, to Section 2.01(d)) to the Administrative Agent.

(b) *General Provisions as to Payments.* Each payment hereunder shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff, at the Administrative Agent's Office in Dollars and in immediately available funds. Without limiting the foregoing, each Guarantor shall make all payments hereunder in accordance with Section 2.10 of the Credit Agreement. The obligations of the Guarantors under this paragraph shall survive the payment in full of the Guaranteed Obligations and termination of this Guaranty.

(c) *Application of Payments.* All payments received by the Administrative Agent hereunder shall be applied as provided in Section 8.03 of the Credit Agreement.

Section 2.04 Discharge; Reinstatement in Certain Circumstances. Each Guarantor's obligations hereunder shall remain in full force and effect until the latest to occur of (i) payment in full in cash of the principal of and interest (including interest accruing on or after the commencement of and Insolvency or Liquidation Proceeding, whether or not a claim for such interest is, or would be, allowed in such Insolvency or Liquidation Proceeding) and premium, if any, on all Debt outstanding under the Loan Documents and termination of all commitments to lend or otherwise extend credit under the Loan Documents and (ii) payment in full in cash of all other Guaranteed Obligations that are due and payable or otherwise accrued and owing at or prior to the time such principal and interest are paid (including legal fees and other expenses, costs or charges accruing on or after the commencement of any Insolvency or Liquidation Proceeding, whether or not a claim for such fees, expenses, costs or charges is, or would be, allowed in such Insolvency or Liquidation Proceeding but excluding unasserted contingent indemnification obligations) (the occurrence of all of the foregoing being referred to herein as "Discharge of Finance Obligations"). No payment or payments made by any Other Loan Party or any other Person or received or collected by any Finance Party from any Other Loan Party or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Guaranteed Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder, it being understood that each Guarantor shall, notwithstanding any such payment or payments, remain liable for the Guaranteed Obligations (subject, in the case of Athene Life Re, to Section 2.01(d)) until the Discharge of Finance Obligations. If at any time any payment by any Other Loan Party or any other Person of any Guaranteed Obligation is rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Other Loan Party or other Person or upon or as a result of the appointment of a receiver, intervener or conservator of, or trustee or similar officer for, such Other Loan Party or other Person or any substantial part of its respective property or otherwise, each Guarantor's obligations hereunder with respect to such payment shall be reinstated as though such payment had been due but not made at such time. Each Guarantor party hereto agrees that payment or performance of any of the Guaranteed Obligations or other acts which toll any statute of limitations applicable to the Guaranteed Obligations shall also toll the statute of limitations applicable to each such Guarantor's liability hereunder.

Section 2.05 Waiver by the Guarantors

(a) *General Waivers.* Each Guarantor hereby waives presentment to, demand of payment from and protest to the Other Loan Parties of any of the Guaranteed Obligations, and also waives promptness, diligence, notice of acceptance of its guarantee, any other notice with respect to any of the Guaranteed Obligations and this Agreement and any requirement that the Administrative Agent or any other Finance Party protect, secure, perfect or insure any Lien or any property subject thereto. Each Guarantor further waives any right to require that resort be had by the Administrative Agent or any other Finance Party to any security held for payment of the Guaranteed Obligations or to any balance of any deposit, account or credit on the books of the Administrative Agent or any other Finance Party in favor of any Borrower, Guarantor or any other Person. Each Guarantor hereby consents and agrees to each of the following to the fullest extent permitted by Law, and agrees that such Guarantor's obligations under this Agreement shall not be released, diminished, impaired, reduced or adversely affected by any of the following, and waives any rights (including rights to notice) which such Guarantor might otherwise have as a result of or in connection with any of the following:

(i) any renewal, extension, modification, increase, decrease, alteration or rearrangement of all or any part of the Guaranteed Obligations or any instrument executed in connection therewith, or any contract or understanding with any Other Loan Party, the Administrative Agent, any other Finance Party, or any of them, or any other Person, pertaining to the Guaranteed Obligations;

(ii) any adjustment, indulgence, forbearance or compromise that might be granted or given by the Administrative Agent or any other Finance Party to any Other Loan Party or any other Person liable on the Guaranteed Obligations; or the failure of the Administrative Agent or any other Finance Party to assert any claim or demand or to exercise any right or remedy against any Other Loan Party under the provisions of any Loan Document or otherwise; or any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any Other Loan Party under this Agreement;

(iii) the insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of any Other Loan Party or any other Person at any time liable for the payment of all or part of the Guaranteed Obligations; or any dissolution of any Other Loan Party, or any change, restructuring or termination of the corporate structure or existence of any Other Loan Party, or any sale, lease or transfer of any or all of the assets of any Other Loan Party, or any change in the shareholders, partners, or members of any Other Loan Party; or any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations;

(iv) the invalidity, illegality or unenforceability of all or any part of the Guaranteed Obligations, or any document or agreement executed in connection with the Guaranteed Obligations, for any reason whatsoever, including the fact that the Guaranteed Obligations, or any part thereof, exceed the amount permitted by Law, the act of creating the Guaranteed Obligations or any part thereof is *ultra vires*, the officers or representatives executing the documents or otherwise creating the Guaranteed Obligations acted in excess of their authority, the Guaranteed Obligations violate applicable usury laws, any Other Loan Party has valid defenses, claims or offsets (whether at law, in equity or by agreement) which render the

Guaranteed Obligations wholly or partially uncollectible from such Other Loan Party, the creation, performance or repayment of the Guaranteed Obligations (or the execution, delivery and performance of any document or instrument representing part of the Guaranteed Obligations or executed in connection with the Guaranteed Obligations or given to secure the repayment of the Guaranteed Obligations) is illegal, uncollectible, legally impossible or unenforceable, or the documents or instruments pertaining to the Guaranteed Obligations have been forged or otherwise are irregular or not genuine or authentic;

(v) any full or partial release of the liability of any Other Loan Party or of any other Person now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Guaranteed Obligations or any part thereof, it being recognized, acknowledged and agreed by each Guarantor that such Guarantor may be required to pay the Guaranteed Obligations in full (subject, in the case of Athene Life Re, to Section 2.01(d)) without assistance or support of any other Person, and such Guarantor has not been induced to enter into this Agreement on the basis of a contemplation, belief, understanding or agreement that any party other than the Borrowers will be liable to perform the Guaranteed Obligations, or that the Finance Parties will look to any other party to perform the Guaranteed Obligations;

(vi) the taking or accepting of any other security, collateral or guarantee, or other assurance of payment, for all or any part of the Guaranteed Obligations;

(vii) the failure of the Administrative Agent, any other Finance Party or any other Person to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of all or any part of such collateral, property or security;

(viii) any payment by any Other Loan Party to the Administrative Agent or any other Finance Party being held to constitute a preference under Title 11 of the United States Code or any similar Federal, foreign or state Law, or for any reason the Administrative Agent or any other Finance Party being required to refund such payment or pay such amount to any Other Loan Party or someone else;

(ix) any other action taken or omitted to be taken with respect to the Guaranteed Obligations, whether or not such action or omission prejudices any Guarantor or increases the likelihood that any Guarantor will be required to pay the Guaranteed Obligations pursuant to the terms hereof, it being the unambiguous and unequivocal intention of each Guarantor that such Guarantor shall be obligated to pay the Guaranteed Obligations (subject, in the case of Athene Life Re, to Section 2.01(d)) when due, notwithstanding any occurrence, circumstance, event, action or omission whatsoever, whether or not contemplated, and whether or not otherwise or particularly described herein, except for the full and final payment and satisfaction of the Guaranteed Obligations in cash;

(x) the fact that all or any of the Guaranteed Obligations cease to exist by operation of Law, including by way of a discharge, limitation or tolling thereof under applicable Debtor Relief Laws;

(xi) the existence of any claim, set-off or other right which any Guarantor may have at any time against any Other Loan Party, the Administrative Agent, any other Finance Party or any other Person, whether in connection herewith or any unrelated transactions; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; or

(xii) any other circumstance that might in any manner or to any extent otherwise constitute a defense available to, vary the risk of, or operate as a discharge of, such Guarantor as a matter of Law or equity other than the final payment in full of the Guaranteed Obligations.

All waivers herein contained shall be without prejudice to the right of the Administrative Agent at its option to proceed against any Borrower, any Guarantor or any other Person, whether by separate action or by joinder.

Section 2.06 Agreement to Pay; Subordination of Subrogation Claims. In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent or any other Finance Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of any Other Loan Party to pay any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent or such other Finance Party as designated thereby in cash the amount of (subject, in the case of Athene Life Re, to Section 2.01(d)) such unpaid Guaranteed Obligations. Upon payment by any Guarantor of any sums to the Administrative Agent or any other Finance Party as provided above, all rights of such Guarantor against any Other Loan Party arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall (including, without limitation, any rights of a Guarantor arising under Article III of this Agreement) in all respects be subordinate and junior in right of payment to the prior indefeasible payment in full in cash of all the Guaranteed Obligations and Discharge of Finance Obligations. No failure on the part of any Other Loan Party or any other Person to make any payments in respect of any subrogation, contribution, reimbursement, indemnity or similar right (or any other payments required under applicable Law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder. If any amount shall erroneously be paid to any Guarantor on account of such subrogation, contribution, reimbursement, indemnity or similar right, such amount shall be held in trust for the benefit of the Finance Parties and shall forthwith be turned over to the Administrative Agent in the exact form received by such Guarantor (duly endorsed by such Guarantor to the Administrative Agent, if required) to be credited against the payment of the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms of the Loan Documents.

Section 2.07 Stay of Acceleration. If acceleration of the time for payment of any amount payable by any Other Loan Party under or with respect to the Guaranteed Obligations is stayed upon the insolvency or bankruptcy of such Other Loan Party, all such amounts otherwise subject to acceleration under the terms of the Credit Agreement, any Note or any other agreement or instrument evidencing or securing the Guaranteed Obligations shall nonetheless be payable by the Guarantors hereunder, jointly and severally (but subject, in the case of Athene Life Re, to Section 2.01(d)), forthwith on demand by the Administrative Agent.

Section 2.08 No Set-Off. No act or omission of any kind or at any time on the part of any Finance Party in respect of any matter whatsoever shall in any way affect or impair the rights of the Administrative Agent or any other Finance Party to enforce any right, power or benefit under this Agreement, and no set-off, claim, reduction or diminution of any Guaranteed Obligation or any defense of any kind or nature which any Guarantor has or may have against any Other Loan Party or any Finance Party shall be available against the Administrative Agent or any other Finance Party in any suit or action brought by the Administrative Agent or any other Finance Party to enforce any right, power or benefit provided for by this Agreement other than a defense of payment in full of the Guaranteed Obligations; provided that nothing herein shall prevent the assertion by any Guarantor of any such claim by separate suit or compulsory counterclaim. Nothing in this Agreement shall be construed as a waiver by any Guarantor of any rights or claims which it may have against any Finance Party hereunder or otherwise,

but any recovery upon such rights and claims shall be had from such Finance Party separately, it being the intent of this Agreement that each Guarantor shall be unconditionally, absolutely and (subject, in the case of Athene Life Re, to Section 2.01(d)) jointly and severally obligated to perform fully all its obligations, covenants and agreements hereunder for the benefit of each Finance Party.

ARTICLE III INDEMNIFICATION, SUBROGATION AND CONTRIBUTION

Section 3.01 Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Guarantors may have under applicable Law (but subject to Section 2.01(d) and Section 2.06 above), each Guarantor agrees that if a payment shall be made by any other Guarantor under this Agreement, it shall indemnify such other Guarantor for the full amount of such payment and such other Guarantor shall be subrogated to the rights of the person to whom such payment shall have been made to the extent of such payment.

Section 3.02 Contribution and Subrogation. Each Guarantor (a “Contributing Guarantor”) agrees (subject to Section 2.01(d) and Section 2.06 above) that, if a payment shall be made by any other Guarantor under this Agreement to satisfy a claim of any Finance Party and such other Guarantor (the “Claiming Guarantor”) shall not have been fully indemnified by any Guarantor as provided in Section 3.01, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the greater of the book value or the fair market value of such assets, as the case may be, in each case multiplied by a fraction the numerator of which shall be the net worth of the Contributing Guarantor on the date that the obligation(s) supporting such claim were incurred under this Agreement and the denominator of which shall be the aggregate net worth of all the Guarantors on such date. Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 3.02 shall be subrogated to the rights of such Claiming Guarantor under Section 3.01 to the extent of such payment, in each case subject to the provisions of Section 2.06.

ARTICLE IV REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 4.01 Representations and Warranties; Certain Agreements. Each Guarantor hereby represents, warrants and covenants (except that, in the case of clause (g) below, only AUSA hereby represents, warrants and covenants) as follows:

- (a) All representations and warranties contained in the Credit Agreement that relate to such Guarantor and this Guaranty are true and correct.
- (b) Such Guarantor agrees to comply with each of the covenants contained in the Credit Agreement that impose or purport to impose restrictions or obligations on such Guarantor.
- (c) Such Guarantor acknowledges that any default in the due observance or performance by such Guarantor of any covenant, condition or agreement contained herein may constitute an Event of Default under Section 8.01 of the Credit Agreement.
- (d) There are no conditions precedent to the effectiveness of this Agreement that have not been satisfied or waived.
- (e) Such Guarantor has, independently and without reliance upon the Administrative Agent or any other Finance Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Such Guarantor has

investigated fully the benefits and advantages which will be derived by it from execution of this Agreement, and the Board of Directors (or persons performing similar functions in case of a Guarantor which is not a corporation) of such Guarantor has decided that a direct or an indirect benefit will accrue to such Guarantor by reason of the execution of this Agreement.

(f) (i) This Agreement is not given with actual intent to hinder, delay or defraud any Person to which such Guarantor is or will become, on or after the date hereof, indebted; and (ii) such Guarantor has received at least a reasonably equivalent value in exchange for entering into this Agreement;

(g) (i) AUSA is Solvent on the date hereof and will not cease to be Solvent as a result of entering into this Agreement; (ii) AUSA as of such date is not engaged in a business or transaction, nor is it about to engage in a business or transaction, for which any property remaining with AUSA constitutes an unreasonably small amount of capital; and (iii) AUSA as of such date does not intend to incur debts that will be beyond AUSA's ability to pay as such debts mature.

Section 4.02 Information. Each of the Guarantors assumes full responsibility for being and keeping itself informed of the financial condition and assets of the Other Loan Parties and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Administrative Agent or any other Finance Party will have any duty to advise any of the Guarantors of information known to it or any of them regarding such circumstances or risks.

Section 4.03 Subordination by Guarantors. In addition to the terms of subordination provided for under Section 2.06, each Guarantor hereby subordinates in right of payment all indebtedness of any and all of the Other Loan Parties owing to it, whether originally contracted with such Guarantor or acquired by such Guarantor by assignment, transfer or otherwise, whether now owed or hereafter arising, whether for principal, interest, fees, expenses or otherwise, together with all renewals, extensions, increases or rearrangements thereof, to the prior indefeasible payment in full in cash of the Guaranteed Obligations, whether now owed or hereafter arising, whether for principal, interest (including interest accruing during the pendency of any Insolvency or Liquidation Proceeding, regardless of whether allowed or allowable in such proceeding), fees, expenses or otherwise, together with all renewals, extensions, increases or rearrangements thereof. Notwithstanding the foregoing, until such time as the Administrative Agent shall have exercised any remedy pursuant to Section 8.02 of the Credit Agreement (or the principal amount of the Loans shall have become automatically due and payable pursuant to the proviso thereof), the Guarantors shall be permitted to make payments on any such indebtedness so long as such indebtedness is otherwise permitted pursuant to the Credit Agreement.

ARTICLE V SET-OFF

Section 5.01 Right of Set-Off. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence of any Event of Default under the Credit Agreement, each Finance Party (and each of its Affiliates) is authorized at any time and from time to time, without presentment, demand, protest or other notice of any kind (all of such rights being hereby expressly waived), to set off and to appropriate and apply any and all deposits (general or special, time or demand, provisional or final) and any other indebtedness at any time held or owing by such Finance Party (including, without limitation, branches, agencies or Affiliates of such Finance Party wherever located) to or for the credit or account of any Guarantor against obligations and liabilities of such Guarantor then due to the Finance Parties hereunder or under the other Loan Documents, and any such set-off shall be deemed to have been made immediately upon the occurrence of

an Event of Default even though such charge is made or entered on the books of such Finance Party subsequent thereto. Each Guarantor hereby agrees that to the extent permitted by law any Person purchasing a participation in a Loan or a Note whether or not acquired pursuant to the arrangements provided for in Section 10.06 of the Credit Agreement, may exercise all rights of set-off with respect to its participation interest as fully as if such Person were a Finance Party.

ARTICLE VI MISCELLANEOUS

Section 6.01 Notices.

(a) *Notices Generally.* Unless otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including by facsimile transmission) and mailed, faxed or delivered, to the address, facsimile number or (subject to paragraph (b) below) electronic mail address specified for notices: (i) in the case of any Guarantor, as specified for such Person in or pursuant to Section 10.02 of the Credit Agreement; (ii) in the case of the Administrative Agent or any Lender, as specified in or pursuant to Section 10.02 of the Credit Agreement; or (iii) in the case of any party, at such other address as shall be designated by such party in a notice to the Administrative Agent and each other party hereto. Notices and other communications hereunder sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient).

(b) *Electronic Communications.* Notices and other communications to the Finance Parties hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Finance Party if such Finance Party has notified the Administrative Agent that it is incapable of receiving notices by electronic communication. The Administrative Agent may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Section 6.02 Benefit of Agreement. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided that none of the Guarantors may assign or transfer any of its interests and obligations without prior written consent of the Administrative Agent (and any such purported assignment or transfer without such consent shall be void). Upon the assignment by the Administrative Agent or any Finance Party of all or any portion of its rights and obligations under the Credit Agreement (including all or any portion of its Commitments and the Loans owing to it) or any other Loan Document to any other Person permitted under the Credit Agreement, such other Person shall thereupon become vested with all the benefits in respect thereof granted to such transferor or assignor herein or otherwise.

Section 6.03 No Waivers; Non-Exclusive Remedies. No failure or delay on the part of the Administrative Agent or any other Finance Party to exercise, no course of dealing with respect to, and no delay in exercising any right, power or privilege under this Agreement or any other Loan Document, or other document or agreement contemplated hereby or thereby shall operate as a waiver thereof nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies provided herein and in the other Loan Documents are cumulative and are not exclusive of any other rights or remedies provided by Law.

Section 6.04 Enforcement. The Finance Parties agree that this Agreement may be enforced only by the action of the Administrative Agent (acting upon the instructions of the Required Lenders if required under the Loan Documents) and that no other Finance Party shall have any right individually to seek to enforce this Agreement, it being understood and agreed that such rights and remedies may be exercised by the Administrative Agent for the benefit of the Finance Parties upon the terms of this Agreement; provided, however, that the foregoing shall not prohibit (i) any Lender from exercising setoff rights in accordance with Section 5.01 or (ii) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to the Guarantors under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then in addition to the matters set forth in the preceding proviso and subject to the Credit Agreement, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

Section 6.05 Amendments and Waivers. Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by each Guarantor directly affected by such amendment or waiver (it being understood that the addition or release of any Guarantor hereunder shall not constitute an amendment or waiver affecting any Guarantor other than the Guarantor so added or released) and the Administrative Agent (with the consent of the Required Lenders or, to the extent required by Section 10.01 of the Credit Agreement, such other portion of the Lenders as may be specified therein).

Section 6.06 Governing Law; Submission to Jurisdiction.

Each of the Guarantors agrees that such service (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by Law, be taken and held to be valid personal service upon and personal delivery to it. Nothing in this Section 6.06(c) shall affect the right of any Finance Party to serve process in any manner permitted by Law or limit the right of any Finance Party to bring proceedings against any Guarantor in the courts of any jurisdiction or jurisdictions.

For purposes of determining the applicable FA Rebate Amount, the FA Value of an AGER Funding Agreement will be increased (or decreased) by positive (or negative) Applicable Quarterly Net Investment Margin beginning on the first day of the first full fiscal quarter after such AGER Funding Agreement was issued and on the first day of each fiscal quarter thereafter. As used herein, the "Applicable Net Investment Margin" shall mean the investment margin on deferred annuities determined in accordance with GAAP and published by AHL in its then most recent annual report filed with the SEC (or such other audited source as may be agreed by the parties), and the "Applicable Quarterly Net Investment Margin" shall be the Applicable Net Investment Margin divided by 4. n. “Unpaid Other Service Compensation” means any amount or amounts (i) payable to AAM pursuant to any Other Service Agreement or (ii) which would have been payable to AAM if an Other Service Agreement had been entered into between AAM and the applicable Subsidiary, in each case, where such Subsidiary cannot pay or has not paid, for any reason, such amount or amounts on its own behalf.

For the avoidance of doubt, AAM shall not be required to provide any rebate unless and until the information required by AAM hereunder has been provided to AAM. To the extent that AAM or AHL, acting in good faith, disagree on the information contained in any of the foregoing reports or in respect of the amounts of any rebate provided under Section 3, the parties agree to negotiate a resolution to such disagreement in good faith.

The parties agree to negotiate in good faith as to any disputes about the valuation of assets in any of the Accounts for purposes of determining the fees accruing hereunder.

b. Upon written notice to AAM from AHL and, receipt of appropriate consents and approvals by AAM and AHL to do so, and until the parties otherwise agree in writing, AHL (or one of its subsidiaries) (and not AAM) shall be responsible for determining the value of the Accounts in accordance with AHL's valuation policies and procedures (from time to time in effect), which policies shall have been provided and be reasonably acceptable to AAM. AHL agrees to provide valuations on the Accounts no less often than on a monthly basis. The parties further agree to negotiate in good faith as to any disputes regarding valuation of the assets in the account or any methodologies used by AHL to value the assets for purposes of determining fees accruing hereunder or in connection with any Account.

5. Sub-Adviser Fees: Unpaid Other Service Compensation. In addition to the other payment obligations contained herein: (a) to the extent that AAM has paid or is obligated to pay fees or expenses to any Sub-Adviser in respect of any Account, AHL shall pay on behalf of AAM, or reimburse AAM for, such Sub-Adviser fees and expenses (for the avoidance of doubt, without duplication for any fees which have already been paid by or on behalf of any such Account); and (b) AHL shall pay to AAM any Unpaid Other Service Compensation. This Section 5 shall not apply to any fees with respect to Accounts of an AGER Entity.

6. Payments. Any amount payable by a party hereto (the "Paying Party") hereunder (including payments made under Section 5) will be paid to the other party within 10 Business Days following receipt by the Paying Party of an invoice for such amount, detailing the calculation of such amount.

7. Indemnification.

a. The parties agree that the provisions set forth in Section 7(b) (the "Standard Indemnity") constitute the commercial standard of care and indemnification provisions that are intended to govern the relationship between AAM and the applicable owner of each Account. The parties also recognize that, for various reasons, the applicable investment management agreement ("Applicable IMA") between AAM and the owner of any given Account may contain a standard of care and/or indemnification provision that deviates from the Standard Indemnity. In the event that AAM is liable to the owner of any Account for any Loss, or fails to receive indemnification from the owner of such Account for any Loss, in each case, in a manner where AAM would not have been liable for such Loss or would have received indemnification for such Loss if the Applicable IMA included the Standard Indemnity, it is the intent of the parties that AHL will indemnify and hold harmless AAM for such Loss.

b. To the fullest extent permitted by applicable law, AHL shall hold harmless and indemnify AAM, its officers, directors, principals, employees, agents or nominees (each, an "Investment Manager Party") from and against any and all losses (including, without limitation, (i) any payments made by an Investment Manager Party to the owner of an Account and (ii) any special, incidental, exemplary, consequential, punitive, lost profits or indirect damages paid by an Investment Manager Party, even if such damages are paid to the owner of an Account and even if such Investment Manager Party is advised of the possibility or likelihood of the same), damages, claims, costs, actions, liabilities, suits, proceedings, settlements or expenses including, without limitation, any liabilities imposed or sought to be imposed on or claims asserted against such Investment Manager Party (including, in each case, reasonable attorney's fees and disbursements) (each a "Loss"), which an Investment Manager Party may incur or suffer arising out of or in connection with the performance of its obligations under this Agreement or the Applicable IMA; provided, however, that this indemnity shall not apply to any Loss to the extent caused by AAM's gross negligence, willful misconduct, fraud, or, at any time that any assets of any Account constitute "plan assets" subject to ERISA, breach of fiduciary duty under ERISA, in respect of its obligations and duties under this Agreement or the Applicable IMA with respect to any Account (in each case, as determined by a court of competent jurisdiction in a final non-appealable judgment); provided, further, that any amounts payable to an Investment Manager Party under this Section 7 shall be offset by any amounts actually paid to such Investment Manager Party with respect to such Loss by the owner of the applicable Account to the extent that such payment would be duplicative of payments made hereunder. The foregoing indemnity is in addition to, and shall not constitute a waiver or limitation of any rights which an Investment Manager Party may have under, applicable law or any other agreement. For purposes of this Section 7(b), references to AAM include each Sub-Adviser that is an affiliate of AAM.

c. The parties understand that certain United States federal and state securities laws impose liabilities under certain circumstances on persons who act in good faith, and therefore nothing in this Agreement will waive or limit any rights that any party may have under those laws.

8. Governing Law. To the extent consistent with any mandatorily applicable federal law, this Agreement shall be governed by the laws of the State of New York without giving effect to any principles of conflicts of law thereof that would permit or require the application of the law of another jurisdiction and are not mandatorily applicable by law.

9. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement; provided, that unpaid accrued payment obligations arising under any prior version of this Agreement shall not be affected by this Agreement. There are no understandings between the parties with respect to the subject matter of this Agreement other than as expressed herein or as set forth in that certain Investment Management Agreement, dated as of October 31, 2012, by and between AAM and AHL.

10. Counterparts; Amendment. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may not be modified or amended, except by an instrument in writing signed by the party to be bound or as may otherwise be provided for herein.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective duly authorized officers as of the date first written above.

APPLICABLE 2016 LIABILITY FEE DISCOUNT

APPLICABLE 2016 LIABILITY FEE DISCOUNT, effective as of September 30, 2016 (this "Discount"), to the Fourth Amended and Restated Fee Agreement between Athene Asset Management, L.P. ("AAM") and Athene Holding Ltd. ("AHL" and, together with its subsidiaries other than AGER Bermuda Holding Ltd. and its subsidiaries, "Athene") (as it may be amended, restated or amended and restated, the "Fee Agreement").

WHEREAS, AAM and AHL are parties to the Fee Agreement, pursuant to which, among other things, AHL pays certain fees to AAM;

WHEREAS, in order to support profitable growth for AHL, AAM desires to discount/rebate certain fees due by AHL under the Fee Agreement; and

WHEREAS, investment accounts of Athene managed by AAM and accounts of third party insurance companies relating to reinsurance arrangements between such insurance companies and an Athene entity (and for which account an Athene entity bears economic risk) are collectively referred to herein as the "Athene-Related Accounts".

NOW, THEREFORE, in consideration of good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, AAM hereby agrees as follows:

1. Defined Terms. Unless otherwise noted herein, terms defined in the Fee Agreement and used herein shall have the meanings given to them in the Fee Agreement.

a. "Applicable 2016 Liabilities" means the total dollar amount of liabilities for all annuities, funding agreements, pension risk transfer and other insurance liabilities sourced by Athene, whether directly, through reinsurance or otherwise (but excluding liabilities obtained through block reinsurance or the acquisition of an entity; and also excluding liabilities obtained in connection with a pension risk transfer transaction if such risk transfer transaction is mutually agreed to be subject to this exclusion after the date hereof by the parties hereto), during 2016 in excess of \$5.1 billion; provided that the reserves backing such liabilities are, as of the applicable date of invoice of AAM fees under the Fee Agreement, in an Athene-Related Account.

b. "Applicable 2016 Liability Fee Discount Amount" means with respect to fees payable to AAM under the Fee Agreement as of:

(a) December 31, 2016, the sum of the amounts calculated with respect to each individual calendar month that occurs after (and including) the calendar month during which the Applicable 2016 Liabilities have come into existence (i.e., the Applicable 2016 Liabilities is a positive amount), as follows:

for each such calendar month, an amount equal to the product of (i) 0.40% multiplied by (ii) the Incremental Applicable 2016 Liabilities Value for such calendar month multiplied by (iii) a fraction, the numerator of which is the number of calendar months in 2016 that occur after (and including) such calendar month, and the denominator is twelve;¹

¹ For illustrative purposes only, an example of how the calculation is intended to work is attached as Annex 1.

(b) each calendar quarter during 2017, an amount equal to the product of (i) the Current Applicable 2016 Liabilities Value as of the end of such calendar quarter and (ii) 0.20% divided by four; and

(c) each calendar quarter thereafter, an amount equal to the product of (i) the Current Applicable 2016 Liabilities Value as of the end of such calendar quarter and (ii) 0.075% divided by four.

c. "Current Applicable 2016 Liabilities Value" means as of the end of each calendar quarter after December 31, 2016, the Initial Applicable 2016 Liabilities Value less the Run-Off Amount for such calendar quarter; provided that the reserves backing such liabilities are, as of the applicable date of invoice of AAM fees under the Fee Agreement, in an Athene-Related Account.

d. "Discount Schedule" means a schedule in the format set forth on Schedule 1 hereto, which schedule will set forth the Applicable 2016 Liability Fee Discount Amount (or a methodology for calculating it) for each calendar quarter listed therein which schedule shall be mutually agreed to by the parties hereto (which the parties will endeavor to do no later than February 28, 2017).

e. "Incremental Applicable 2016 Liabilities Value" means, with respect to any calendar month prior to January 2017, the Applicable 2016 Liabilities Value calculated as of the end of such month less the Applicable 2016 Liabilities Value calculated as of the end of the immediately prior month (if any) as reasonably determined by AHL and its subsidiaries in accordance with their customary actuarial and accounting processes, and mutually agreed to by the parties hereto (which the parties will endeavor to do no later than February 28, 2017).

f. "Initial Applicable 2016 Liabilities Value" means the Applicable 2016 Liabilities reasonably determined by AHL and its subsidiaries in accordance with their customary actuarial and accounting processes, and mutually agreed to by the parties hereto (which the parties will endeavor to do no later than February 28, 2017).

g. "Run-Off Amount" means, with respect to any calendar quarter, the weighted average projected run-off of the Applicable 2016 Liabilities for such calendar quarter, including the cumulative run-off through the applicable calendar quarter, as mutually agreed to by the parties hereto (as to method of calculation and/or amount) (which the parties will endeavor to do no later than February 28, 2017).

2. Discount of Fees. AAM hereby agrees that, in addition to other discounts and rebates that AAM has agreed to give to AHL in respect of such fees, it shall discount fees payable by AHL pursuant to Section 2 of the Fee Agreement for each applicable calendar quarter by the Applicable 2016 Liability Fee Discount Amount, as set forth on (or as determined in accordance with) the Discount Schedule.

3. Governing Law. To the extent consistent with any mandatorily applicable federal law, this Discount shall be governed by the laws of the State of New York without giving effect to any principles of conflicts of law thereof that would permit or require the application of the law of another jurisdiction and are not mandatorily applicable by law.

* * * * *

IN WITNESS WHEREOF, AAM has caused this Discount to be executed by its duly authorized officer as of the date first written above.

WHEREAS:

(A) The Client has entered into (i) an investment management agreement dated 29 June 2015 with Athene Lebensversicherung AG (“**ALV**”), a German company limited by shares (*Aktiengesellschaft*), pursuant to which ALV has outsourced to the Client the management of ALV’s assets with regard to portfolio management and related asset accounting (the “**ALV IMA**”), (ii) an investment management agreement dated 29 June 2015 with Athene Pensionskasse AG (“**APK**”), a German company limited by shares (*Aktiengesellschaft*), pursuant to which APK has outsourced to the Client the management of APK’s assets with regard to portfolio management and related asset accounting (the “**APK IMA**”), and (iii) an investment management agreement dated 29 June 2015 with Athene Deutschland GmbH (“**AD**”) and, together with ALV and APK, the “**Companies**”), a German limited liability company (*Gesellschaft mit beschränkter Haftung*), pursuant to which AD has outsourced to the Client the management of AD’s assets with regard to portfolio management and related asset accounting (together with the ALV IMA and the APK IMA, the “**IMAs**”);

(B) The Client, AAME and AMI entered into a services agreement dated 1 February 2016 which automatically terminated on 29 February 2016. It is intended that such agreement be superseded in its entirety by this Agreement;

(C) Apollo Global Management, LLC (“**Apollo**”) has created a business segment, of which the Adviser (as defined below), which is 100% indirectly controlled by Apollo, forms a part, to centralise resources and expertise and provide asset management or advisory services as well as origination services to its clients;

(D) The Client is interested in benefitting from the resources and expertise of such business segment and wishes to appoint the Adviser as a sub-advisor to provide certain services to the Client on the terms of this Agreement in respect of the Assets set forth in Annex A (the “**Assets**”), which are managed by the Client under the investment management agreements mentioned under recital (A) above, and the Adviser wishes to accept such appointment;

(E) AMI is authorized and regulated by the UK Financial Conduct Authority (“**FCA**”) with firm reference number 452877;

(F) AAME has been appointed as AMI’s appointed representative in accordance with section 39 of the UK Financial Services and Markets Act 2000 (“**FSMA**”);

(G) AAME intends to apply to the FCA to become an authorized person under the FSMA and upon such authorization may decide to become the sole provider of the services under this Agreement; and

(H) In this Agreement, the term “**Adviser**” has the meaning given to it in Annex E.

In consideration of the mutual covenants herein, the Client and the Adviser agree as follows:

1. General.

(a) The Client wishes the Adviser to provide services as set out in Annex B with respect to the Assets pursuant to this Agreement (the “**Services**”).

(b) The Assets shall be held at all times by ALV, APK or AD, as applicable, or their respective duly appointed custodian(s) or sub-custodian(s) (each, a “**Custodian**”). The Adviser shall not be responsible for the provision of any safe custody or settlement services in respect of the Assets or documents of title or certificates evidencing title thereto and the Adviser will not hold client money (within the meaning of the FCA Rules (as defined below)) or Investments (as defined below) or other assets of the Client or the Companies. The selection and appointment of any Custodian shall be the sole responsibility of the Client and/or the Companies. The Client and/or the Companies shall be solely responsible for the selection and use of any bank or other entity with which cash is deposited. Notwithstanding anything in this Agreement to the contrary, neither the Adviser nor any of its affiliates (other than the Client) shall have any liability to the Custodian.

2. Services.

(a) The Client retains the Adviser to render the Services. The Client retains full discretion as to all investments or other decisions, including, but not limited to, authority to buy, hold for investment, own, assign, transfer, sell (long or short), exchange, lend, pledge, deliver and otherwise deal in financial instruments (“**Investments**”), and to exercise in the Client’s discretion all voting and other rights, powers, privileges and other incidents of ownership with respect to Investments. In connection therewith, the Adviser may recommend to the Client one or more brokers, dealers or other intermediaries or trading venues (including, where permitted under applicable law, affiliates of the Adviser) to effect transactions in relation to the Investments for the Client.

(b) In particular, the Adviser shall be responsible for making recommendations for the investment, reinvestment and divestment of the Assets. The Client shall determine in its sole discretion whether to act or decline to act on such recommendations. The Adviser has no power, authority or discretion to make any investment or other decision on behalf of the Client, or to bind the Client, and unless expressly stated otherwise, nothing in this Agreement shall constitute the Adviser as the agent of the Client. All decisions in respect of the acquisition, holding, monitoring and realization of Investments and the exercise of any voting rights attaching thereto shall be made by the Client, who shall not be bound to act in accordance with any recommendation made by the Adviser.

(c) The Client hereby constitutes and appoints the Adviser as the Client's agent with full power and authority for the Client and on the Client's behalf to buy, sell and otherwise deal in investments and contracts as instructed on a case by case basis by the Client. The Client further grants, on a case by case basis subject to instructions by the Client, to the Adviser as the Client's agent full power and authority to do and perform every act necessary and proper to be done in the exercise of the foregoing powers as fully as the Client might or could do and to execute and deliver all necessary or appropriate documents and instruments as agent for and on behalf of the Client with respect to the investments and contracts as instructed on a case by case basis by the Client in order for the Adviser to provide the Services to the Client under this Agreement.

(d) The Client agrees to provide (or cause to be provided) to the Adviser all information required in order for the Adviser to render the Services under this Agreement, and the Adviser shall be entitled to assume that any information or instructions communicated to it by the persons identified by the Client in Annex F (as updated and communicated to the Adviser from time to time) are accurate and complete and properly authorized by the Client, and that in making investment recommendations to, or dealing in investments and contracts on behalf of, the Client, the Adviser shall be entitled to rely on such information.

(e) The Adviser may utilize the resources of certain entities which are affiliates of, or under common control with, the Adviser in connection with its performance of the Services pursuant to this Agreement and may, without the consent of the Client, delegate, pursuant to a sub-advisory agreement or otherwise, any of the rights, powers, duties or obligations of the Adviser hereunder to any such person (each a "**Sub-Adviser**") subject to adherence with applicable laws and regulations, and provided that (i) all costs and expenses of any such Sub-Adviser(s) for Services under this Agreement shall (unless otherwise agreed to in writing by the Client) be the sole responsibility of the Adviser, provided, however that this sub-clause (i) shall be without prejudice to any costs and expenses set forth in sub-advisory agreements to be agreed by the Adviser and the Client; and (ii) the Adviser shall remain responsible to the Client for the provision of the Services in accordance with this Agreement. The Adviser may share any relevant information which it receives pursuant to this Agreement (except for customer personal data (if any) described in Section 11(b) below) with its Sub-Adviser(s) and its and their affiliates, provided that such Sub-Adviser(s) are subject to confidentiality restrictions substantially the same as the confidentiality provisions of this Agreement.

(f) The Services which the Adviser provides to the Client are not an exclusive arrangement. The Adviser may provide similar Services to others (including unaffiliated third parties) and undertake other business activities and may retain any benefit received for so doing.

3. Order Execution.

(a) Where the Adviser receives and transmits or places orders on behalf of the Client with other entities for execution, it will comply with its execution policy as amended from time to time (the "**Order Execution Policy**"), a summary of which has been provided to the Client separately or may be notified to the Client from time to time, and a complete version of which will be made available to the Client upon request. The Client agrees to the terms of the Order Execution Policy and further agrees that the Adviser may execute the Client's orders outside of a regulated market or a multilateral trading facility (each as defined under the FCA Rules). Where specific instructions are given by the Client, the Adviser need not comply with its Order Execution Policy to the extent of those instructions and will instead execute orders in compliance with the Client's instructions. The Client instructs the Adviser not to make public client limit orders (as defined in the FCA Rules) in respect of shares admitted to trading on a regulated market which are not immediately executed under prevailing market conditions.

(b) Subject to the Order Execution Policy and instructions from the Client, where applicable, the Adviser may effect transactions with such counterparties and on such trading venues as it considers appropriate. If any counterparty fails to deliver any necessary documents or to complete any transaction, the Adviser shall take reasonable steps on behalf of the Client to rectify such failure or obtain compensation in lieu thereof provided that the Adviser shall not be required to commence any litigation. All resulting reasonable costs and expenses properly incurred by the Adviser shall be paid by the Client.

(c) The Adviser may enter into arrangements as contemplated by the FCA Rules for the receipt of goods or services that relate to the execution of trades or the provision of research in any of the designated investments specified in the FCA Rules, including commission sharing arrangements, in compliance with the FCA Rules. The Adviser shall disclose, in advance and in writing, the amount or basis of any such fee, commission or benefit to the Client. For the avoidance of doubt, such disclosure may be made in summary form with further details available upon request.

(d) The Adviser may aggregate orders on behalf of the Client with those of its other clients and clients of its affiliates. The Adviser will allocate such orders on a fair and reasonable basis, but the Client acknowledges and agrees that aggregation may operate to the advantage or disadvantage of the Client.

(e) The Client agrees that it will be responsible for any profit and loss due to fluctuations in exchange rates arising from transactions which are effected in a foreign currency and that the Adviser or its affiliates may use such rate of exchange as reasonably determined by the Adviser or such affiliate in executing such transactions.

(f) Not later than the next trading day following the execution of each transaction order for the Client effected by the Adviser, the Adviser shall furnish to the Client data confirming the quantity, price and any other material terms of such transaction order.

(g) The Adviser may accept orders, instructions or communications to transmit and execute orders by telephone, email and other electronic means. The Client agrees that the Adviser may transmit to the Client information concerning the Client's orders and transactions through non-encrypted electronic mail and other electronic means, and the Client assumes all responsibility for such transmission and acknowledges the risks involved. The Adviser shall in each and any case send copies to: michaeldr.solf@athene.de, ralf.schmitt@athene.de and yfife@athene.com.

4. Compensation of Adviser.

(a) The Client shall pay to the Adviser compensation in accordance with the fee schedule attached as Annex D hereto (the "**Fee Schedule**"). The relationship between the Client and the Adviser shall be that of persons carrying on independent businesses and dealing with each other at arm's length. Such fees are exclusive of VAT and any VAT chargeable in respect of Services pursuant to this Agreement shall be payable by the Client.

(b) For the avoidance of doubt, the Fee Schedule covers the services to be generally rendered by the Adviser in the framework of this Agreement but it does not include any extraordinary engagement or mission by reason of its nature, volume or other relevant circumstances that the Client may wish to entrust upon the Adviser (or any of its affiliates). The Client and the Adviser will reach a separate and specific agreement as to the terms and compensation for any such extraordinary engagement.

5. Allocation of Investments and Orders; Other Conflicts of Interest; Risk Factors.

(a) The Client acknowledges and understands that the Adviser and its affiliates engage in an investment management and advisory business and other businesses apart from providing the Services, including sponsoring, managing and/or advising certain investment funds, separate accounts and/or investment vehicles (the “**Apollo Clients**”). This may create potential conflicts of interest, including in relation to the Adviser’s time devoted to providing the Services and the allocation of investment opportunities among Apollo Clients (including the Client) that the Adviser manages and/or advises (the “**AAME Clients**”). The Client hereby confirms and represents that it has received and understands: (i) the disclosures referenced in Annex C hereto relating to, among other things, certain potential conflicts of interest; and (ii) current Part 2A and Part 2B of Form ADV filed with the U.S. Securities and Exchange Commission by one or more of the Adviser’s affiliates (as updated by the Adviser from time to time and notified to the Client) (“**Form ADV**”), and wishes to appoint the Adviser pursuant to this Agreement notwithstanding the potential conflicts therein disclosed. Subject to the terms of this Agreement, the Client hereby consents to the Adviser or any of its affiliates taking any action, or refraining to take any action, as described in Annex C or Form ADV.

(b) Without limiting the generality of the foregoing, the Adviser may advise the Client to purchase Investments from or to sell Investments to any other Apollo Client (including AAME Clients), provided that the Adviser provides written notice to the Client that such counterparty is an Apollo Client such that the Client and its affiliates have sufficient time to obtain any regulatory and/or internal governance approvals necessary in connection with any such transaction with an Apollo Client.

(c) The duties of the Adviser shall not be considered to be breached as a result of any events or circumstances outside the reasonable control of the Adviser including, but not limited to, changes in the price or value of the Assets brought about through movements in the market, the reduction in and/or lack of availability of the Assets which were envisaged to be the subject matter of the advice, an inflow to, outflow from the assets of the Client or a benchmark, or caused by following an instruction given by the Client.

(d) The Client understands and acknowledges that all investment programs carry the risk of loss and there is no guarantee that any investment strategy will meet its objective. The value of investments may go down as well as up. The Client hereby represents that it has received and understands the disclosures set forth in Annex C hereto and Form ADV.

(e) Notwithstanding any other provision in this Agreement, no warranty, assurance or undertaking is given by the Adviser as to the performance, returns, increase in or retention of value or profitability of the Assets (or any part of it) or that any investment objectives or targets will be successfully achieved, whether in whole or in part.

6. Statements and Information.

(a) The Client may retain any firm or other person of its choice to perform certain accounting and book-keeping or other services. The Adviser assumes no responsibility for acts or omissions of such firm or person in its performance of such services. Except as contemplated elsewhere in this Agreement or as otherwise required by applicable law or regulation, the Adviser shall have no responsibility to provide any statements or information or to perform any other accounting, valuation or reporting functions or services. However, where appropriate, the Adviser will use best efforts to facilitate the Client's access to third party valuations or the Client's commissioning of valuations from any third party (at the Client's cost and expense).

(b) Without prejudice to Section 3(g), the Client consents to the Adviser providing it with any statements or information via electronic means including email and internet.

7. Withdrawals and Distributions; Termination

(a) Subject to the Eighth Amended and Restated Bye-Laws of Athene Holding Ltd., adopted on October 14, 2015 (the "**AHL Bye-Laws**"), this Agreement may be lawfully terminated by either party with or without cause as of the close of any calendar quarter by not less than 90 days' prior written notice to the other party, or at such other times as the parties may mutually agree, provided that the Adviser will be entitled to receive the Advisory Fee until the date of the lawful termination of this Agreement. Notwithstanding the foregoing, this Agreement may be terminated by the Client for AHL Cause (as such term is defined in the AHL Bye-Laws), applied mutatis mutandis to the Adviser and the Client as the context requires, except that a reference therein to the Board shall mean a reference to the board of directors of Athene Holding Ltd. (a "**Cause Event**") at any time in accordance with Article 87 of the AHL Bye-Laws.

(b) If the Agreement is terminated by the Client without the 90 days' notice set out above, the Client shall be responsible for the payment of the Advisory Fee, as determined in accordance with the Fee Schedule, which would otherwise be due to the Adviser through the expiration of such notice period, provided that if this Agreement is lawfully terminated by the Client for a Cause Event in accordance with the approvals and procedures set forth in Article 87 of the AHL Bye-Laws, no such payment shall be due.

(c) Any termination of this Agreement shall not affect the rights or liabilities of any party accrued prior to and including the date of termination, nor the continuing existence and validity of any terms intended expressly or by implication to survive termination. The provisions of Sections 7, 8, 10, 11, 12, 13 and 15 to 20, without limitation, shall survive any termination of this Agreement.

8. Standard of Liability; Indemnification

(a) To the maximum extent permitted by applicable law and regulation, the Client agrees that (i) the Adviser will not be liable (whether directly or indirectly, in contract or in tort or otherwise) to the Client for any losses, claims, damages, expenses or liabilities (collectively, "**Losses**") incurred by the Client that arise out of or are in any way connected with the Agreement, including but not limited to, any recommendation or other act or failure to act of the Adviser or any such other persons under this Agreement,

including, but not limited to, any error in judgment, except in the case of Losses arising as a result of the intentional misconduct, gross negligence or bad faith by the Adviser in respect of its obligations and duties under this Agreement (in each case, as determined by a court of competent jurisdiction in a final non-appealable judgment), and (ii) none of the Adviser's affiliates nor any of each of the Adviser's or its affiliates' respective clients, partners, shareholders, members, managers, advisors, directors, officers, employees, consultants or agents will be liable (whether directly or indirectly, in contract or in tort or otherwise) to the Client for any Losses incurred by the Client or any other person that arise out of or are in any way connected with this Agreement (including, but not limited to, any recommendation or other act or failure to act of the Adviser or any such other persons under this Agreement, including, but not limited to, any error in judgment); except that the Adviser shall be liable to the Client with respect to a Sub-Adviser, in the case of Losses arising as a result of such Sub-Adviser's intentional misconduct, gross negligence or bad faith in respect of its obligations owed to the Adviser in accordance with Section 2(e) (as determined by a court of competent jurisdiction in a final non-appealable judgment). Under no circumstances shall the Adviser be liable for any special, incidental, exemplary, consequential, punitive, lost profits or indirect damages, even if the Adviser is advised of the possibility or likelihood of the same.

(b) The Adviser will be entitled to rely upon, and will not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by any person from time to time notified by the Client to the Adviser as being authorized to give instructions to the Adviser for the purposes of this Agreement (and the Adviser shall be entitled to treat such authority as continuing until such time as the Adviser is notified by the Client to the contrary). The Adviser also may rely upon any statement made to it orally or by telephone and believed by it in good faith to be made by the proper person and will not incur any liability for relying thereon. The Adviser may consult with legal counsel, auditors and other experts selected by it in good faith, and will not be liable for any action taken or not taken by it in good faith in accordance with the advice of any such legal counsel, auditors or experts.

(c) The Adviser shall not be responsible for the loss of, or damage to, any investments or for any failure to fulfill its duties hereunder if such loss, damage or failure shall be caused by or be directly or indirectly due to war damage, enemy action, the act of any government or other competent authority, investment exchange or brokerage house, or of any riot, civil commotion, rebellion, fire, lock-out, strike, power failure, computer error or failure (beyond the reasonable control of the Adviser), delay, breakdown, failure or malfunction of any external telecommunication or computer service or electronic transmission systems, unavailability of market prices or suspension of dealing on relevant exchanges, or other cause beyond the control of the Adviser.

(d) The Client shall indemnify and hold harmless each of the Adviser and its affiliates and each of their respective clients, partners, shareholders, members, managers, advisors, directors, officers, employees, consultants or agents (each an "**Indemnified Person**") from and against any and all Losses incurred in connection with this Agreement; provided that the Client shall not be liable for any Losses pursuant to this Section 8(d) in the case of Losses arising as a result of the intentional misconduct, gross negligence or bad faith of such Indemnified Person; provided,

further that no action taken or refrained from being taken by the Adviser based on instructions received from any of the authorized persons of the Client reasonably believed by the Adviser to be genuine shall constitute intentional misconduct, gross negligence or bad faith by the Adviser. The right to indemnification granted by this provision shall be in addition to any rights to which the Indemnified Person may otherwise be entitled and shall inure to the benefit of the successors or assigns of such Indemnified Person.

(e) To the extent that, at law or in equity, any Indemnified Person has duties (including fiduciary duties) and liabilities relating thereto to the Client, the Indemnified Person acting under this Agreement shall not be liable to the Client for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or eliminate the duties and liabilities of an Indemnified Person otherwise existing at law or in equity to the Client, are agreed by the Client to restrict or eliminate to that extent such duties and liabilities of such Indemnified Person.

(f) Any indemnity provided in this Section 8 shall continue to afford protection to each Indemnified Person regardless of whether such Indemnified Person remains in the position or capacity pursuant to which such Indemnified Person became entitled to exculpation or indemnification under this clause.

(g) The term "gross negligence" shall have the meaning ascribed to such term under the laws of the State of New York.

9. Certain Regulatory Matters.

(a) Terms and expressions used in this Section 9 but not defined herein shall have the same meaning given to them in the FCA Rules.

(b) Based on the information available to it, the Adviser has categorized the Client as a per se professional client in accordance with the rules contained in the FCA's Handbook of Rules and Guidance ("**FCA Rules**"). Furthermore, the Client hereby represents and warrants that it is currently and expects to continue to be eligible to be classified as such on the basis that it is a large undertaking satisfying two out of the three size requirements contained in 3.5.2R(2) of the FCA's Conduct of Business Sourcebook, which implements Annex II, Section I paragraph (2) of Directive 2004/39/EC on Markets in Financial Instruments. The Client is entitled, pursuant to the FCA Rules, to request that it be categorized as a retail client. However, the Client acknowledges that if the Client requests to be categorized as a retail client in order to benefit from a higher level of protection under the FCA Rules, the Adviser will no longer be able to provide the Services to the Client under this Agreement as it is not authorized by the FCA to provide investment services to retail clients. The Client agrees and acknowledges that it is responsible for keeping the Adviser informed about any change that could affect the Client's categorization as a professional client.

(c) Based on information provided by the Client, the Adviser shall take reasonable steps to ensure that in carrying out the Services under this Agreement, (i) any decision with respect to Investments or investment recommendation is suitable for the Client; and/or (ii) any transaction or product arranged by the Adviser for the Client is appropriate for the Client. For these purposes, the Adviser is entitled to assume that the Client has the necessary level of experience and

knowledge in order to understand the risks involved in the transaction or in the investment of the Assets. The Client shall be responsible for ensuring that the information provided to the Adviser is kept up to date so as to enable the Adviser to make the relevant suitability and/or appropriateness assessment for the Client.

(d) If the Client has any complaint about the performance of the Adviser under this Agreement, that complaint should be directed, in the first instance, to a person designated from time to time by the Adviser. The Client acknowledges that it is not eligible to complain to the Financial Ombudsman Service.

(e) The Client also acknowledges that, as a large partnership (as that term is defined in the FCA Rules), it is not eligible to claim compensation under the Financial Services Compensation Scheme.

(f) The Adviser has put in place arrangements to manage conflicts of interest, if any, that may arise between the Client and itself and between different clients. Where the Adviser does not consider that these arrangements are sufficient to manage a particular conflict of interest, it shall inform the Client of the nature of such conflict so that the Client can decide how to proceed.

(g) Nothing in this Agreement shall exclude or restrict any liability of the Adviser to the Client under the UK regulatory system (as defined in the FCA Rules).

10. Representations and Warranties.

(a) The Client represents and warrants to the Adviser and agrees with the Adviser as follows:

(i) The Client has the requisite legal capacity and authority to execute, deliver and perform its obligations under this Agreement. This Agreement has been duly authorized, executed and delivered by the Client and is the legal, valid and binding agreement of the Client, enforceable against the Client in accordance with its terms. The Client's execution of this Agreement and the performance of its obligations hereunder do not conflict with or violate any provisions of the governing documents (if any) of the Client or any obligations by which the Client is bound, whether arising by contract, operation of law or otherwise. The Client will deliver to the Adviser evidence of the Client's authority and compliance with its governing documents on the Adviser's request.

(ii) The Client is experienced in the engagement of investment advisers and is aware of the risks associated with such engagements, including the risks described in Annex C hereto.

(iii) The Client is a "qualified institutional buyer" as defined in Rule 144A under the Securities Act of 1933 (the "**Securities Act**").

(iv) The Client is not a "**U.S. Person**" as defined in Rule 901 of Regulation S under the Securities Act.

(v) The Client is not an "employee benefit plan" within the meaning of the Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), and none of the assets constitute or will constitute "plan assets" for purposes of ERISA.

(vi) None of the Assets were obtained from any person listed in the HM Treasury's consolidated sanctions list or on the website of the U.S. Treasury Department's Office of Foreign Assets Control, nor is the Client a person with whom dealings are prohibited under any sanctions laws or regulations applicable to the Adviser, and none of such assets is derived from illegal activities.

(vii) The Client will notify the Adviser, in writing, of (1) any termination, merger or consolidation of the Client, or transfer of the Assets to any employee benefit plan (as described under Section 10(a)(v) above), and (2) any amendment to the organizing documents of the Client or any related instrument that would reasonably be expected to materially affect the activities of the Adviser contemplated hereunder.

(b) The Adviser represents and warrants to the Client and agrees with the Client as follows:

(i) The Adviser has the requisite legal capacity and authority and regulatory authorizations to execute, deliver and perform its obligations under this Agreement. This Agreement has been duly authorized, executed and delivered by the Adviser and is the legal, valid and binding agreement of the Adviser, enforceable against the Adviser in accordance with its terms. (c) Each of the foregoing representations shall be continuing during the term of this Agreement. If at any time any event has occurred that would cause any such representation no longer to be true, the affected party shall give prompt written notice of such change to the other party.

11. Confidentiality.

(a) The parties agree that the confidentiality agreement expected to be entered into among the parties hereto and/or certain of their affiliates shall apply to the handling of non-public, confidential information between the parties, as such terms apply to the Adviser and the Client as the disclosing or recipient party, as the context requires. Until the date on which such confidentiality agreement comes into force and effect, the Client and the Adviser will co-operate in good faith in respect of any confidential information exchanged between the parties and/or disclosed to any third party.

(b) In the context of this Agreement, neither the Adviser nor the Client shall seek to receive any of the other party's customer personal data (including, with respect to the Client, policyholders, insured persons and beneficiaries of life insurances). In case either party should unintentionally receive the other party's customer personal data, the respective party shall, without undue delay, use reasonable efforts to make the other party aware of this fact, refrain from passing on to any third party the other party's customer personal data received and destroy and/or delete this data.

12. Independent Contractor.

The Adviser is and will hereafter act as an independent contractor of the Client, and nothing in this Agreement may be interpreted or construed to create any employment, partnership, joint venture or other relationship between the Adviser and the Client.

13. Assignment.

This Agreement and the rights and obligations of each party hereunder shall not be assignable (and any attempted assignment thereof shall be void) without the consent of the other party hereto, except that the Adviser may assign its rights and obligations hereunder to an entity that controls, is controlled by or is under common control with the Adviser; provided, that such entity shall assume the obligations of the Adviser hereunder. This Agreement shall bind and inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

14. Amendment.

(a) If and to the extent the Adviser considers modification of this Agreement necessary to comply with any requirement of the FCA or any other applicable regulatory authority or any modification to applicable laws as well as rules or regulations (including, without limitation, the FCA Rules), the Adviser may modify this Agreement accordingly by prior written notice to the Client, together with evidence of the required change, prior to such change becoming effective.

(b) If and to the extent the Client considers modification of this Agreement necessary to comply with applicable laws, rules and regulations or any modification to applicable laws as well as rules or regulations and in particular any requirement of the German Federal Financial Supervisory Authority ("**BaFin**") or any other applicable regulatory authority, the Client may modify this Agreement accordingly by prior written notice to the Adviser, together with evidence of the required change, prior to such change becoming effective.

(c) Without prejudice to Section 14(a) or (b), if an amendment would adversely affect the other party, the parties will negotiate in good faith to amend this Agreement in line with the parties' economic interests under this Agreement prior to such amendment; provided that (i) the adversely affected party shall have no obligation to agree to such amendment and (ii) subject to the AHL Bye-Laws, if the parties fail to agree on such amendment, the Client and the Adviser shall each have the ability to terminate the Agreement by providing thirty (30) days' written notice to the other party, and such purported amendment shall have no force or effect.

(d) Subject to the foregoing, any amendment to this Agreement (including any of the annexes) will be effectively only if it is in writing and signed by the Adviser and the Client.

15. Governing Law and Jurisdiction.

Contractual and non-contractual obligations arising out of or in connection with this Agreement are governed by and shall be construed in accordance with the laws of England. The parties irrevocably agree that the courts of England shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this Agreement (including a dispute relating to any non-contractual obligation arising out of or in connection with it). If for any reason such agent ceases to be able to act as agent or no longer has an address in England or Wales, the Client shall forthwith appoint a substitute acceptable to the Adviser and deliver to the Adviser the new agent's name and address within England and Wales.

From and including 1 October, 2015 until this Agreement is terminated in accordance Section 7, the Adviser will be entitled to a quarterly fee (the "**Advisory Fee**") calculated in arrears at the beginning of each calendar quarter immediately following the calendar quarter to which the Advisory Fee relates.

The Advisory Fee will be based on the net asset value of all Assets (the "**Asset Value**") on the last day of the quarter (31 March, 30 June, 30 September and 31 December) (each, a "**Calculation Day**").

The quarterly Advisory Fee amounts to 0.025% (i.e. 0.1% p.a.) (exclusive of VAT) of the Asset Value at the respective Calculation Day. The Advisory Fee will be billed by quarterly invoice and settled by the Client within 10 business days following receipt of the invoice.

If the Initial Coinsurance Premium Adjustment is negative, then the Company shall be entitled to

decrease the Funds Withheld Account Balance by withdrawing Reinsurance Assets having, in the aggregate, a Statutory Book Value equal to the absolute value of the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(v) No later than thirty (30) Business Days following any final adjustments to the Purchase Price (as defined in the SPA) in accordance with Annex C of the SPA, the Company shall deliver to the Reinsurer a statement (the “SPA Coinsurance Premium Reconciliation Statement”) prepared in good faith by the Company, in the same form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (A) through (E) of the definition in the “Initial Coinsurance Premium” (such amount, the “SPA Adjusted Coinsurance Premium”) and (2) the Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date. The “SPA Coinsurance Premium Adjustment” shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the SPA Adjusted Coinsurance Premium *minus* the Actual Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Statutory Book Value of the Initial Reinsurance Assets determined in connection with the calculation of the SPA Adjusted Coinsurance Premium *minus* the Statutory Book Value of the Initial Reinsurance Assets determined in connection with the calculation of the Actual Initial Coinsurance Premium. If the SPA Coinsurance Premium Adjustment is positive, then the Company shall increase the Funds Withheld Account Balance by such amount and shall allocate to the Funds Withheld Account additional assets having, in the aggregate, a Statutory Book Value equal to the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the SPA Coinsurance Premium Adjustment is negative then the Company shall be entitled to decrease the Funds Withheld Account Balance by withdrawing from the Reinsurance Assets having, in the aggregate, a Statutory Book Value equal to the absolute value of the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(b) Ceding Commission. Neither the Reinsurer nor the Company shall be required to pay a ceding commission hereunder.

Section 2.4 Net Retained Liabilities.

(a) The Company shall be solely responsible for, and the Reinsurer will cooperate reasonably to obtain all waivers and consents necessary in order to reinsure 100% of the Net Retained Liabilities under this Agreement. The Company and the Reinsurer, at the Company's reasonable instruction, shall each use their reasonable best efforts in the context of current market conditions to obtain any such waivers and consents (it being understood that the Company's and the Reinsurer's executive officers shall, to the extent reasonably appropriate, be personally engaged in that process) and promptly advise the other Party of any communications with respect to any such waivers and consents. All correspondence from the Reinsurer to any Person from whom such a waiver or consent is sought shall be in a form approved by the Company. The Company shall effect any such action with respect to such waivers and consents, including sending correspondence requesting such waivers and consents. To the extent that after the Effective Time, any written waivers or consents are obtained to reinsure a Net Retained Liability in respect of a Policy under the terms of this Agreement or the Parties otherwise agree in writing that any such waivers or consents shall not be required as a condition to coverage of such Policy hereunder, then the liability and obligation pertaining to such Policy shall no longer be deemed a Net Retained Liability for purposes of this Agreement and the liability and obligation pertaining to such Policy shall be reinsured hereunder effective as of the date of such written consent, waiver or agreement by the Parties, as applicable.

(b) With respect to any such written waiver or consent that is obtained or any such other agreement between the Parties that any such waivers or consents shall not be required as a condition to coverage hereunder, in each case, after the Effective Date:

(i) the Company shall pay the Reinsurer an amount of cash equal to the Net Retained Liability Reserve Transfer Amount with respect to such Net Retained Liability for which waiver or consent was obtained or with respect to which the Parties agreed did not require a consent or waiver as a condition to coverage hereunder;

(ii) the Company shall deliver to the Reinsurer a statement setting forth the Company's good faith calculation of the difference (whether positive or negative) between (x) the aggregate amount of the premiums and considerations, premium adjustments and any and all amounts or payments, including any and all policy fees, charges, reimbursements, reinsurance recoverables and similar amounts, received or collected by the Company in respect of the portion of the Policies from which the relevant Net Retained Liabilities arise during the period following the Effective Date and prior to the date on which such waiver or consent was obtained or with respect to which the Parties agreed such waiver or consent was not required as a condition to coverage hereunder (the "Net Retained Liabilities Adjustment Period"); and (y) the aggregate amount equal to the obligations, including any and all death claims, cash surrender benefits, policyholder dividends, reinsurance premiums, commissions and similar amounts, arising out of or relating to the portion of the Policies from which the relevant Net Retained Liabilities arise (including Extra Contractual Obligations) incurred by the Company during the Net Retained Liabilities Adjustment Period. If such amount is positive, then such amount shall be due to be paid the Company by the Reinsurer, and if

such amount is negative, then such amount shall be due to be paid to the Reinsurer by the Company, in each case, together with an amount of interest on such payment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment; and

(iii) The payment of the amounts in clauses (i) and (ii) shall be reflected in the Net Settlement for the month in which such consent or waiver was obtained and paid in accordance with Section 6.2.

(c) For the avoidance of doubt, prior to obtaining any such required written consents or waivers, or the making of any such written agreement, the portion of each Policy from which Net Retained Liabilities arise shall not be deemed to constitute a Reinsured Policy for purposes of this Agreement; provided that the Reinsurer shall provide administrative services with respect to any Net Retained Liabilities (and the associated Policies) pursuant to the Administrative Services Agreement. Except as otherwise contemplated by this Section 2.4, the Company shall bear the cost of obtaining any waivers or consents to reinsure a Net Retained Liability.

Section 2.5 Guaranty Fund Assessments and Premium Taxes

(a) Guaranty Funds Assessments. In the event the Company is required to pay an assessment on or after the Effective Date in respect of the Reinsured Policies to any insurance guaranty, insolvency or other similar fund maintained by any jurisdiction, the portion, if any, of such assessment related to such Reinsured Policies shall be reimbursed by the Reinsurer as part of the applicable monthly settlement pursuant to Section 6.2. To the extent there is any recovery of any such assessment paid by the Reinsurer, the Company shall promptly pay the Reinsurer's Share of such recovery to the Reinsurer.

(b) Premium Taxes.

(i) The Reinsurer shall pay to the Company a provision for premium taxes and other charges, fees, taxes and assessments, including retaliatory taxes (collectively, "Premium Taxes"), incurred or imposed on or after the Effective Date in connection with premiums written or received under the Reinsured Policies. The provision for Premium Taxes shall be estimated at 1.8% of premiums received under the Reinsured Policies, as calculated on a monthly basis, and shall be paid by the Reinsurer to the Company as part of the monthly settlement pursuant to Section 6.2 and adjusted annually to an actual rate for each year as part of the monthly settlement pursuant to Section 6.2 for the second calendar month of the following year, with such monthly settlement to reflect the difference between actual Premium Taxes in respect of the Reinsured Policies (after giving effect to any offsets for guaranty fund assessments reimbursed by the Reinsurer pursuant to Section 2.5(a)) and estimated Premium Taxes.

(ii) Each Party shall promptly notify the other in writing upon receipt by it or any of its Affiliates of notice of any pending or threatened Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes.

(iii) The Company shall have the right to control the conduct of any Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes, and to employ counsel of the Company's choice; provided, that the Reinsurer shall be permitted, at the Reinsurer's expense, to be present at, and to participate in, any Action related to Premium Taxes. Notwithstanding such control, the Company shall not settle, either administratively or after the commencement of litigation, any claim for Premium Taxes without providing reasonable advance written notice to, and an opportunity for prior consultation with, the Reinsurer. The Parties shall furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the preparation for any Premium Tax audit or other Action related to Premium Taxes, and the prosecution or defense of any Action related to any Premium Taxes or any Premium Tax Returns filed in connection with such Premium Taxes. The Parties shall reasonably cooperate with each other in the conduct of any Action related to any Premium Taxes. Any information obtained under this Section 2.5(b)(iii) shall be kept confidential, except as otherwise reasonably may be required in connection with the filing of Premium Tax Returns or claims for Premium Tax refunds or in conducting any Action related to Premium Taxes.

Section 2.6 Other Reinsurance. This Agreement is written on a "gross" basis and thus the costs and benefits of Other Reinsurance inuring on the Reinsured Policies are intended to be borne by the Reinsurer; provided, that to the extent the Other Reinsurance became unrecoverable (in accordance with the Company's ordinary-course evaluation and statutory accounting treatment) prior to the Effective Time, the recoverability of such amounts shall be borne by the Company. Other Reinsurance with respect to the Reinsured Policies shall be accounted for herein such that the Reinsurer participates in the Reinsurer's Share of any premiums, benefits, recoveries, ceding or expense allowances, other allowances and other adjustments as such amounts and such risks are paid, received or otherwise collected by the Company with respect to such Other Reinsurance, it being understood that the Reinsurer shall bear all risk of collecting third party reinsurance (except as otherwise provided in Section 3.2(c)). Risks under the terms of any agreement of Other Reinsurance as shall be terminated or recaptured with the Reinsurer's prior written consent shall be ceded automatically hereunder to the Reinsurer without any further action required, subject to the receipt by the Reinsurer of the Reinsurer's Share of any reserve transfer or similar transfer or settlement amount received by the Company from the applicable third party reinsurer. In connection with any such termination or recapture with the Reinsurer's prior written consent, the Reinsurer shall pay the Reinsurer's Share of any resulting special transfer or recapture fee incurred by the Company. The Company covenants that absent the prior written consent of the Reinsurer, the Company shall not enter into any new or change any existing reinsurance cession with respect to any of the Reinsured Policies. Notwithstanding this Section 2.6 or Section 3.2, the Company shall retain all rights and primary responsibility with respect to payments under Other Reinsurance Agreements.

Section 2.7 Policy Changes and Non-Guaranteed Elements

(a) Policy Changes. The Company agrees that it shall not make any changes in the provisions and conditions of a Reinsured Policy or an Assumed Reinsurance Agreement except with the Reinsurer's prior written consent or to the extent that any change to the terms of any Reinsured Policy is required by Applicable Law. To the extent a change is required by

Applicable Law, the Company shall, within a reasonable period of time prior to effecting such change, provide reasonably detailed written notice to the Reinsurer describing the nature of such change and the reasons for making such change. The Company shall also afford the Reinsurer, at the Reinsurer's expense, the opportunity, to the extent reasonably practicable, to object to such change under applicable administrative procedures to the same extent the Company could make such objection under Applicable Law; provided, that the Reinsurer may only object to such change in the same manner and to the same extent as it objects to any similar change required by any Applicable Law to life insurance policies and contracts of the Reinsurer that are substantially similar to the Reinsured Policies.

(b) Non-Guaranteed Elements. The Company will be responsible for determining the cost of insurance charges, loads and expense charges, credited interest rates, mortality and expense charges, administrative expense risk charges and policyholder dividends, as applicable, under the Reinsured Policies ("Non-Guaranteed Elements"); provided, that the Reinsurer may provide written recommendations regarding the Non-Guaranteed Elements to the Company and, provided that such recommendations are the same as the Non-Guaranteed Elements established by the Reinsurer for life insurance policies and contracts of the Reinsurer that are substantially similar to the Reinsured Policies and comply with the written terms of the Policies, Applicable Law and Actuarial Standards of Practice promulgated by the Actuarial Standards Board governing redetermination of non-guaranteed charges. The Company should consider any such recommendations and act reasonably and in good faith in determining whether to accept any such recommendations and shall not unreasonably delay implementation of any accepted recommendations for more than ten (10) Business Days after such recommendations are provided to the Company in writing. Notwithstanding the foregoing, the Company shall retain the responsibility for determining the Non-Guaranteed Elements.

Section 2.8 Premiums. Payment of Premiums to the Reinsurer, as Administrator pursuant to the Administrative Services Agreement, by or on behalf of a policyholder shall be deemed received by the Company. All monies, checks, drafts, money orders, postal notes and other instruments that may be received after the Effective Date by the Company for premiums, fees or other payments on or in respect of the Reinsured Policies shall be held in trust by the Company for the benefit of the Reinsurer and shall be immediately transferred and delivered to the Reinsurer, and any such instruments when so delivered shall bear all endorsements required to effect the transfer of same to the Reinsurer. The Reinsurer is hereby authorized to endorse for payment to the Reinsurer any such checks, drafts, money orders and other instruments pertaining to the Reinsured Policies that are payable to, or to the order of, the Company and received by the Reinsurer under this Agreement.

Section 2.9 Assignment: Security Interest.

(a) The Company hereby assigns, transfers and conveys to the Reinsurer, effective as of the Effective Time, all of the Company's right, title and interest (legal, equitable or otherwise), if any, to payments (i) under the Reinsured Policies of principal and interest paid on policy loans and (ii) of the Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies. The Reinsurer and the Company hereby agree that, in connection with any termination of this Agreement, all of the Reinsurer's right, title and interest (legal, equitable or otherwise) in and to the items set forth in (i) and (ii) above shall be

immediately assigned, transferred and conveyed to the Company without any further action by the Parties. Each Party, as reasonably requested by the other from time to time, shall take all reasonably appropriate actions and execute any reasonably necessary and appropriate additional documents, instruments or conveyances of any kind which may be reasonably necessary to carry out the provisions of this Section 2.9(a).

(b) The Parties intend that at all times prior to the termination of this Agreement that the Company's assignment pursuant to Section 2.9(a) be a present assignment of all of the Company's rights, title and interest and not an assignment as collateral. However, to the extent that such assignment is not recognized as a present assignment, is not valid or is recharacterized as a pledge rather than a lawful conveyance to the Reinsurer, the Company does hereby bargain, sell, convey, assign and otherwise pledge to the Reinsurer, and grant a first priority security interest to the Reinsurer in, all of the Company's right, title and interest (legal, equitable or otherwise), if any, to payments (i) under the Reinsured Policies of principal and interest paid on policy loans and (ii) of all Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies (collectively, the "Collateral") to secure all of the Company's obligations under this Agreement.

(c) This Section 2.9 is being included in this Agreement to ensure that, if an insolvency or other court determines that, notwithstanding the provisions of this Agreement, including Sections 2.1, 2.2, 2.3, 2.8, 6.2 and 12.1, and the intent of this Agreement, the Company retained ownership of or any rights in the Collateral, the Reinsurer's rights to the Collateral are protected with a first priority, perfected security interest, and it is the intent of the Parties that this Section 2.9 be interpreted as such.

(d) At or prior to the Effective Time, the Company shall file, and the Reinsurer is authorized to file, any and all financing statements reasonably requested by the Reinsurer in order to perfect the Reinsurer's right, title and interest under Article 9 of the UCC in and to the Collateral, and the Company shall do such further acts and things as the Reinsurer may reasonably request in order that the security interest granted hereunder may be maintained as a first priority perfected security interest; provided, that the Reinsurer shall be required to bear all out-of-pocket costs and expenses (including reasonable attorney's fees) incurred by the Company in connection with any such action or other thing requested by the Reinsurer.

Section 2.10 Hedging.

Prior to the Hedge Termination Date:

(i) The Company shall purchase derivatives to hedge the index risk associated with the Equity Indexed Reinsured Policies (each, an "EI Hedge" and collectively, the "EI Hedges"). The Company hereby conveys, transfers and assigns to the Reinsurer, effective as of the Effective Date, a 100% interest in the gross realized and unrealized capital gains and losses in respect of the EI Hedges purchased by the Company prior to or following the Effective Date, intended to hedge the index risk associated with the Reinsurer's Share of the Equity Indexed Reinsured Policies, each such EI Hedge purchased prior to the Amendment Date is set forth on Annex C hereto. Such assignment shall occur automatically, without further action on the part of either

Party, upon the purchase by the Company of any EI Hedge or, in the case of any EI Hedges entered into prior to the Effective Date, as of the Effective Date. Following the Amendment Date, the Company shall no longer purchase, and, following the Hedge Termination Date, the Company shall no longer maintain any EI Hedges. EI Hedges assigned under this Section 2.10(a) will be accounted for as funds withheld assets payable by the Company to the Reinsurer.

(ii) The Company shall pay to the Reinsurer an amount equal to any realized and unrealized capital gains (in accordance with SAP) associated with the EI Hedges in accordance with Section 6.2.

(iii) The Reinsurer shall pay to the Company an amount equal to any realized and unrealized capital losses (in accordance with SAP) associated with the EI Hedges in accordance with Section 6.2.

(iv) The Company shall use reasonable care in its hedging activities with respect to the Reinsured Policies, and such activities shall be consistent with the applicable standards set forth in the Transition Services Agreement. In addition, the Company shall not treat the EI Hedges in any respect in a manner that is different than the manner in which it treats the hedges it enters into with respect to equity indexed policies issued by the Company that are not Equity Indexed Reinsured Policies.

(v) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the EI Hedges and to perform fully each of its obligations thereunder. The Company may not modify, amend or terminate any EI Hedge or waive any of its rights under any such EI Hedge without the Reinsurer's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request and if applicable, requiring the collateralization by the Hedge Counterparty of exposure and other amounts required to be paid or delivered thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to terminate any such EI Hedge and shall, at the Reinsurer's instruction and expense, effect any discretionary action with respect to the management or administration of the EI Hedges as the Reinsurer shall reasonably request, including termination, as may be available pursuant to the terms and conditions of any EI Hedge; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such discretionary action so requested by the Reinsurer and the Company shall indemnify and hold harmless the Reinsurer for Losses to the extent arising out of any failure by the Company to take any such discretionary action as reasonably requested by the Reinsurer. The Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer, pursue commercially reasonable management and collection efforts with respect to the EI Hedges and, in general, will reasonably cooperate with the Reinsurer in the management and administration of the EI Hedges.

(vi) Following the Effective Date, at the Reinsurer's request and expense, the Company shall cooperate with the Reinsurer and use its reasonable best efforts in the context of current market conditions to novate any EI Hedges from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Company shall promptly advise the Reinsurer of any communications with respect to any such proposed novation. All material, written correspondence from either the Company or the Reinsurer to any Hedge Counterparty in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense, the Company shall take any such action with respect to any such proposed novation as the Reinsurer shall reasonably request, including sending correspondence requesting that an EI Hedge be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer and the Company shall indemnify and hold harmless the Reinsurer for Losses to the extent arising out of any failure by the Company to take any such action as reasonably requested by the Reinsurer.

Section 2.11 Existing Interest Maintenance Reserve. Set forth on Schedule 2.11 is the Reinsurer's Share of the Existing Interest Maintenance Reserve attributable to the Reinsured Liabilities. The entirety of such Existing Interest Maintenance Reserve shall be calculated by the Company and ceded to the Reinsurer and transferred into the Funds Withheld Account, and shall be amortized as set forth on Schedule 2.11. The Company shall have no obligation to establish any such Existing Interest Maintenance Reserve.

Section 2.12 New Amendment Interest Maintenance Reserve. Set forth on Schedule 2.12 is the amount of the New Amendment Interest Maintenance Reserve. The entirety of such New Amendment Interest Maintenance Reserve shall be calculated by the Company and ceded to and held by the Reinsurer, and shall be amortized as set forth on Schedule 2.12. The Company shall have no obligation to establish any such New Amendment Interest Maintenance Reserve.

Section 2.13 Retention. Unless the New York Department of Financial Services provides its prior written consent, the Reinsurer shall not retrocede any Reinsured Liabilities in connection with any transaction or series of transactions in which such liabilities will be ceded to a special purpose financial captive insurer.

Section 2.14 Cash Flow Testing Reserves. The Reinsurer will pay to the Company the Portfolio Yield on the Initial Cash Flow Testing Reserves as part of the Net Settlement pursuant to Section 6.2.

Section 2.15 Funds Withheld Asset Transfer. On the Amendment Date, the Company will transfer to the Reinsurer, by depositing into the Trust Account, all of the assets held in the Funds Withheld Account on the Amendment Date (the "Transferred Assets"). A complete list of the Transferred Assets is set forth on Schedule 2.15.

ARTICLE III
REINSURANCE LIABILITY

Section 3.1 Reinsurance Liability. The reinsurance by the Reinsurer of the Reinsured Policies is subject to the same rates, conditions, limitations and restrictions as the insurance under the Reinsured Policies written by the Company on which the reinsurance is based. The liability of the Reinsurer hereunder on the terms described herein begins as of the Effective Time and, subject to Article IX hereof, the liability of the Reinsurer on any Reinsured Policy will terminate as and when all liability of the Company with respect to such Reinsured Policy terminates.

Section 3.2 Other Reinsurance.

(a) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the Other Reinsurance Agreements and to perform fully each of its obligations thereunder. The Company may not modify, amend, terminate or recapture any Other Reinsurance Agreement or waive any of its rights under any such agreement without the Reinsurer's prior written consent and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request, requiring the collateralization by the third party reinsurer of reserve balances and other amounts thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to recapture risks ceded under any of the Other Reinsurance Agreements or to otherwise terminate any such agreement and shall, at the Reinsurer's instruction and expense, effect any such action with respect to the management or administration of the Other Reinsurance as the Reinsurer shall reasonably request, including termination or recapture, as may be available under or with respect to the terms of any Other Reinsurance Agreement; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer. Subject to the terms and conditions of the Administrative Services Agreement, the Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer (including any reasonable out-of-pocket expenses incurred by the Company), pursue commercially reasonable management and collection efforts with respect to the Other Reinsurance and, in general, will reasonably cooperate with the Reinsurer in the management of the Other Reinsurance.

(b) Following the Effective Date, at the Reinsurer's expense and reasonable request, the Company shall cooperate with the Reinsurer and shall use its reasonable best efforts in the context of current market conditions to novate any Other Reinsurance from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Parties shall promptly advise each other of any communications with respect to any such proposed novation. All correspondence from either the Company or the Reinsurer to any reinsurer under Other Reinsurance in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense (including any reasonable out-of-pocket expenses incurred by the Company), the Company shall effect any such action with respect to any such proposed novation as the Reinsurer shall reasonably request, including sending correspondence requesting that an Other Reinsurance Agreement be novated

to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

(c) The Company agrees that whenever an Other Reinsurance Agreement provides the Company with a right of set-off, the Company shall exercise such right of set-off in the event that amounts are due and unpaid from the Reinsurer. The Company shall have no obligation to pursue any claims it may have for indemnification to which it may be entitled in connection with the Other Reinsurance unless requested to do so by the Reinsurer and at the cost and expense of the Reinsurer (including reasonable out-of-pocket expenses incurred by the Company). In no event shall any such right to indemnification reduce the Reinsurer's responsibility for the risk of all Other Reinsurance.

Section 3.3 Disclaimer. The Company has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Company expressly disclaims, and makes no representations or warranties to the Reinsurer, other than those expressly contained in this Agreement. The Reinsurer has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Reinsurer expressly disclaims, and makes no representations or warranties to the Company, other than those expressly contained in this Agreement.

ARTICLE IV CERTAIN FINANCIAL PROVISIONS

Section 4.1 Credit for Reinsurance. If at any time during the term of this Agreement, the Reinsurer fails to hold and maintain all licenses, permits and authorities required under Applicable Law to enable the Company to receive statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile, the Reinsurer shall, at its sole expense, establish and maintain security in the form of letters of credit, assets held in a reinsurance trust, funds withheld arrangement or a combination thereof in a manner that meets all Applicable Laws regarding credit for reinsurance, so as to permit the Company to receive full statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile. The form of such letter of credit, trust agreement for such reinsurance trust or any funds withheld arrangement shall be approved by the New York Department of Financial Services prior to use.

Section 4.2 RBC Reports.

(a) Within forty-five (45) days following the end of the first three calendar quarters of each year during the term of this Agreement, the Reinsurer shall provide to the Company a report of its RBC Ratio as of the end of such calendar quarter, as estimated in good faith by the Reinsurer.

(b) Within five (5) Business Days of the submission by the Reinsurer to the insurance department of its domiciliary state of a report of its risk-based capital levels as of the end of the previous calendar year, but in no event later than sixty (60) days following the end of each calendar year, the Reinsurer shall provide to the Company written certification of its RBC Ratio as of the end of such calendar year.

Section 4.3 Establishment of the Funds Withheld Account

(a) On or prior to the Effective Date, the Company shall establish on its books and records a funds withheld account (the Funds Withheld Account) and allocate thereto the Initial Reinsurance Assets with a Statutory Book Value equal to the Initial Coinsurance Premium and, until the Amendment Date, shall maintain the Funds Withheld Account with assets having a Statutory Book Value equal to the Funds Withheld Account Amount determined from time to time in accordance with this Agreement (the Initial Reinsurance Assets and any other assets allocated to the Funds Withheld Account pursuant to this Agreement, the "Reinsurance Assets"). The Funds Withheld Account shall be a segregated account established by the Company. Until the Amendment Date, the Company will retain, control and own all Reinsurance Assets. Until the Hedge Termination Date, the Company shall record the Funds Withheld Account Balance on its statutory financial statements as a payable to the Reinsurer. Following the Hedge Termination Date, the Company shall no longer maintain the Funds Withheld Account.

(b) Prior to the Amendment Date, the Reinsurance Assets (other than policy loans), and, following the Amendment Date but prior to the Hedge Termination Date, the EI Hedge assets held in the Funds Withheld Account (other than the policy loans) shall be invested by the Reinsurer or by Goldman Sachs Asset Management or such other investment manager appointed by the Reinsurer with the prior written consent of the Company pursuant to an investment management agreement. The Reinsurer, Goldman Sachs Asset Management or such other investment manager appointed by the Reinsurer with the prior written consent of the Company shall have the authority to purchase EI Hedges on the account of the Company commencing (1) year following the Effective Date. For greater certainty, prior to the Amendment Date, (i) each policy loan repaid and interest payment on a policy loan shall be accounted for as a cash transfer to the Funds Withheld Account from the policyholder in an amount equal to such policy loan repayment or interest payment (and shall result in an allocation by the Company to the Funds Withheld Account of cash, assets or a combination of cash and assets, with an aggregate Statutory Book Value equal to such policy loan repayment or interest payment), and (ii) each policy loan taken by a policyholder shall be accounted for as a cash transfer from the Funds Withheld Account to such policyholder (and shall result in cash, assets or a combination of cash and assets, with an aggregate Statutory Book Value equal to the proceeds of such policy loan no longer being allocated by the Company to the Funds Withheld Account) and the Company shall establish a Reinsurance Asset in an amount equal to the outstanding balance of such policy loan and any accrued but unpaid interest thereon and shall allocate such Reinsurance Asset to the Funds Withheld Account.

(c) Assets in the Funds Withheld Account may be withdrawn and applied by the Company or any successor of the Company without diminution because of insolvency on the part of the Company or the Reinsurer only for the following purposes:

(i) to pay to the Company any amount due to be paid out of the Funds Withheld Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Reinsurer in good faith;

(ii) to pay any portion of the Net Settlement due to be paid to the Company in accordance with Sections 6.2(b) and 6.2(c) to the extent such portion is not being disputed by the Reinsurer in good faith, and any portion thereof that is due to be paid to the Reinsurer to the extent such portion is not being disputed by the Company in good faith;

(iii) to pay to the Reinsurer amounts remaining in the Funds Withheld Account, if any, after the payment of any amounts due to be paid out of the Funds Withheld Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Company in good faith; or

(iv) to pay or reimburse the Company for any other amounts due but not yet recovered from the Reinsurer under this Agreement in order to satisfy liabilities under the Reinsured Policies to the extent such amounts are not being disputed by the Reinsurer in good faith.

For the avoidance of doubt, (i) any amounts referred to above that are not the subject of a good faith dispute may be withdrawn and applied for the purposes provided above and (ii) payments to policyholders shall not be delayed due to any good faith disputes by the Company or the Reinsurer under this Section 4.3(c).

(d) If assets are withdrawn from the Funds Withheld Account and are not immediately applied for the purposes set forth in Section 4.3(c) above, the assets improperly withdrawn from the Funds Withheld Account by the Company shall be immediately returned to the Funds Withheld Account. Until such assets are returned to the Funds Withheld Account, such assets shall be held in trust by the Company separate and apart from any other assets of the Company. The Company shall pay to the Funds Withheld Account interest on the amount of any such improperly withdrawn assets at the Applicable Rate from the date of withdrawal to the date such assets are returned to the Funds Withheld Account or paid to the Reinsurer, as applicable (the "Excess FWA Draw Interest Amount"). Such interest shall accrue monthly and shall be paid on the Business Day following the last day of each Monthly Accounting Period. The balance of the amount held or required to be so held separate and apart as of any date of determination shall be an amount (the "Excess FWA Draw Amount") equal to (i) the Statutory Book Value of assets withdrawn from the Funds Withheld Account in excess of amounts required for the purposes described in Section 4.3(c) above *minus* any amounts applied by the Company therefrom for such permissible purposes *plus* (ii) the Excess FWA Draw Interest Amount (whether or not payable as of such date of determination).

Section 4.4 Provision of Security by the Reinsurer.

(a) On the Amendment Date, the Reinsurer shall establish and fund with an amount of cash and assets having a Statutory Book Value equal to the Required Balance, calculated in good faith by the Reinsurer as of the Amendment Date, a trust account (the "Trust Account") with a Qualified United States Financial Institution unaffiliated with the Reinsurer and the Company and which is reasonably acceptable to the Reinsurer and the Company (the "Trustee") at the sole cost and expense of the Reinsurer naming the Company as sole beneficiary and shall enter into the Trust Agreement to provide security for the payment of amounts due the

Company under this Agreement. The Reinsurer shall transfer or pay into the Trust Account, and shall thereafter maintain in the Trust Account, cash and assets managed by the Reinsurer or its designee in accordance with the requirements set forth in the Trust Agreement, having a Statutory Book Value, determined in good faith by the Reinsurer on a quarterly basis, to be not less than the Required Balance.

(b) For purposes of this Agreement, the term “Required Balance”, as of any date of determination, means an amount equal to (i) (A) the Reinsurer’s Share of the Statutory Reserves that would be required to be held by the Company with respect to the Reinsured Policies if this Agreement were not in effect, *plus* (B) the Reinsurer’s Share of the Existing Interest Maintenance Reserve attributable to the Reinsured Liabilities, *plus* (C) the amount of any New Amendment Interest Maintenance Reserve, *less* (D) the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *less* (E) the net due and deferred Premiums on the Reinsured Policies, *less* (F) following the Amendment Date and prior to the Hedge Termination Date, the aggregate Statutory Book Value of the EI Hedges, in each case, as of such date of determination and determined in accordance with SAP (to the extent SAP is applicable), consistently applied, *plus* (ii) the Trust OC Amount. The Required Balance and the Statutory Book Value of any assets held in the Trust Account shall be calculated by the Reinsurer as of the last day of each calendar quarter, and the Reinsurer shall provide a certification with respect to such valuation, including the Statutory Book Value and Fair Market Value of the assets (both on an asset-by-asset basis and a cumulative basis), to the Company and the Trustee within thirty (30) days after the end of such quarter. If the amount of cash plus the Statutory Book Value of assets held in the Trust Account as of any quarter end is less than the Required Balance as of such quarter end, the Reinsurer shall within five (5) Business Days after such determination is made make such further deposits to the Trust Account as are required in order to restore the Required Balance as of such quarter end. If the amount of cash plus the Statutory Book Value of assets held in the Trust Account as of any quarter end is greater than the Required Balance as of such quarter end, the Reinsurer may provide notice to the Company of its desire to withdraw assets from the Trust Account, specifying the amount and type of assets to be withdrawn. Within five (5) Business Days following its delivery of such notice to the Company, the Reinsurer may withdraw such assets from the Trust Account in excess of the amount necessary to maintain such Required Balance as of the applicable quarter end in accordance with the requirements set forth in the Trust Agreement. Any disputes by the Company of the amount of the Required Balance or the valuation of any asset deposited in the Trust Account pursuant to this Section 4.4 shall be resolved in accordance with Section 11.2. Upon resolution of any such dispute in accordance with Section 11.2, either (A) the Reinsurer shall cause to be deposited additional assets that comply with Section 4.4(a) within two (2) Business Days following such resolution, such that following any such deposit, the amount of cash plus the Statutory Book Value of the assets held in the Trust Account is sufficient to maintain the Required Balance as of the applicable quarter end; or (B) the Reinsurer may withdraw assets from the Trust Account in accordance with this Section 4.4(b), such that following any such withdrawal, the amount of cash plus the Statutory Book Value of the assets held in the Trust Account is sufficient to maintain the Required Balance as of the applicable quarter end. Unless otherwise agreed upon in writing by the Company, the Reinsurer shall maintain the Trust Account until all obligations of the Reinsurer under this Agreement have been fully satisfied, as determined by the Company in its sole discretion.

(c) The Company and the Reinsurer agree that the assets maintained in the Trust Account may be withdrawn by the Company only after a default by the Reinsurer in the performance of its monetary obligations hereunder that is not being disputed by the Reinsurer in good faith, which undisputed payment default has not been cured by the Reinsurer within five (5) Business Days following its receipt of a written notice thereof delivered by the Company. The amount of any such withdrawal in excess of amounts then due to Company hereunder shall be deemed maintained in trust for the benefit of the Reinsurer and promptly returned to the Trust Account. Upon prior written notice to the Company, the Reinsurer shall have the right to substitute or exchange assets maintained in the Trust Account in accordance with the requirements set forth in the Trust Agreement.

(d) With respect to the transfer of any Transferred Assets to the Trust Account, the Reinsurer will hold valid title to all such Transferred Assets free and clear of all liens or other encumbrances, other than interests of nominees, custodians or similar intermediaries. As of the date of the transfer of any assets to the Trust Account after the Amendment Date, the Reinsurer will have good and marketable title to all such assets transferred by it to the Trust Account, all assets transferred by the Reinsurer after the Amendment Date to the Trust Account shall be transferred free and clear of any liens other than interests of nominees, custodians or similar intermediaries, and the Reinsurer will not create, incur, assume or permit any lien or other encumbrance on any of the assets held in the Trust Account, or on any interest therein or on any of the proceeds thereof, other than interests of nominees, custodians or similar intermediaries.

(e) The Reinsurer shall notify the Company in writing of any payment default occurring as to any asset in the Trust Account promptly after the Reinsurer receives notice of such default. In the event the Reinsurer determines that a delinquency of a timely payment in regard to any of the assets in the Trust Account has occurred, the Reinsurer shall inform the Company of such delinquency promptly upon such determination.

(f) Assets in the Trust Account may be withdrawn and applied by the Company or any successor of the Company without diminution because of insolvency on the part of the Company or the Reinsurer only for the following purposes:

(i) to pay to the Company any amount due to be paid out of the Trust Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Reinsurer in good faith;

(ii) to pay any portion of the Net Settlement due to be paid to the Company from the Trust Account in accordance with Section 6.2(b) to the extent such portion is not being disputed by the Reinsurer in good faith; or

(iii) to pay or reimburse the Company for any other amounts due but not yet recovered from the Reinsurer under this Agreement in order to satisfy liabilities under the Reinsured Policies to the extent such amounts are not being disputed by the Reinsurer in good faith.

For the avoidance of doubt, any amounts referred to above that are not the subject of a good faith dispute may be withdrawn and applied for the purposes provided above.

ARTICLE V
PLAN OF REINSURANCE

Section 5.1 Plan. Reinsurance under this Agreement is on a 100% coinsurance basis and is subject to the terms and conditions of the original policy forms for the Reinsured Policies and any amendments thereto in effect as of the Effective Date.

Section 5.2 Follow the Fortunes. The Reinsurer's liability under this Agreement shall commence on the Effective Date, and all reinsurance with respect to which the Reinsurer shall be liable by virtue of this Agreement shall be subject in all respects to the same risks, terms, rates, conditions, interpretations, assessments, waivers, proportion of premiums paid to, and reinsurance recoveries benefiting, the Company with respect to the Reinsured Liabilities and the Reinsured Policies, the true intent of this Agreement being that the Reinsurer shall follow the fortunes of the Company with respect to the Reinsured Liabilities and Reinsured Policies.

Section 5.3 Reductions and Terminations. Reinsurance amounts are calculated in terms of coverages on a "per policy" basis. If the coverage of any Reinsured Policy on an insured is reduced or terminated, reinsurance under this Agreement on such Reinsured Policy will be equally reduced or terminated.

Section 5.4 Reinstatements. Reinsured Policies ceded under this Agreement shall include any Policy that is reduced, terminated, lapsed or surrendered, and later reinstated pursuant to and in accordance with its policy provisions and will be reinsured by the Reinsurer in accordance with the terms of this Agreement. The Reinsurer will retain any Premiums and interest that the Company has received for reinstatement in respect of periods on or after the Effective Date. A terminated Policy that would have been a Reinsured Policy had it been in force at the Effective Time, that later reinstates pursuant to and in accordance with its policy provisions, will be reinsured by the Reinsurer and become a Reinsured Policy. The Reinsurer will be entitled to retain any Premiums and interest for coverage on or after the Effective Date that is received for such reinstatement, and the Company will transfer to the Reinsurer the amount of reserves for such reinstated Reinsured Policy as of the Effective Date, calculated in a manner that is consistent with the reserve calculations used for the other Reinsured Policies. The date of reinsurance for such reinstated Reinsured Policies shall be the Effective Date. For the avoidance of doubt, the reinstated Policies reinsured under this Section 5.4 shall include any Policy treated as lapsed or otherwise terminated prior to the Effective Time under which the Company subsequently becomes liable as a result of a determination that the policyowner, insured or beneficiary has died prior to the lapse or termination.

Section 5.5 Contractual Conversions; Internal Replacement; Annuitizations.

(a) Any conversion, exchange or replacement policy or contract arising from the Reinsured Policies that is converted, exchanged or replaced pursuant to and in accordance with its policy terms shall be deemed to constitute a Reinsured Policy for purposes of this Agreement and, in the event of a conversion, exchange or replacement of any Reinsured Policy,

the Reinsurer shall reinsure the risk resulting from such conversion on the basis set forth hereby with respect to the Reinsured Policies provided, however, that the Reinsurer shall not be required to pay any ceding commission with respect to any such converted, exchanged or replacement policy or contract. The Reinsurer will reimburse the Company for any expenses incurred in issuing a converted, exchanged or replacement policy or contract, but only to the extent such expenses are not covered by payments made by the Reinsurer under the Transition Services Agreement.

(b) Absent the Reinsurer's prior written consent (which may be withheld in its sole discretion), the Company will not solicit owners, beneficiaries or policyholders in connection with, or sponsor or assist, directly or indirectly, in the conduct of, (and will cause each of its Affiliates to refrain from soliciting in connection with, and sponsoring or assisting, directly or indirectly, in the conduct of) any program of internal replacement under which the owners, beneficiaries or policyholders of Reinsured Policies are or would be encouraged to exchange, or assisted in the exchange of, Reinsured Policies for other insurance policies or contracts that are not reinsured under this Agreement. Should the Company or its Affiliates or any of their respective successors or assigns initiate such a program of internal replacement that would include any of the risks reinsured hereunder in violation of the preceding sentence, the Company will immediately notify the Reinsurer. For each risk reinsured hereunder that has been replaced under a program of internal replacement, the Reinsurer shall have the option, at its sole discretion, of either treating the risks reinsured as recaptured on terms reasonably acceptable to the Reinsurer or continuing reinsurance on the new policy under the terms of this Agreement without any ceding commission therefor.

(c) Until the earlier of (i) such time as the Reinsurer is able to administer the Reinsured Policies on its information technology systems or (ii) the expiration of the Transition Services Agreement (the "Systems Conversion"), in the event that a Reinsured Policy is annuitized in full under the contract provisions of such policy (each an "Annuitization"), the Company shall convert such Reinsured Policy to one or more Supplementary Contracts. At the time of such conversion, the Reinsurer shall pay to the Company an amount equal to the policy surrender value of such Reinsured Policy as of the time of the conversion (an "Annuitization Payment") as part of the Net Settlement. Upon the Annuitization of a Reinsured Policy, the Policy and any associated Supplementary Contracts, comprising such Reinsured Policy shall cease to be a Reinsured Policy under this Agreement, and, with the exception of the Annuitization Payment described in this Section 5.5(c) the Reinsurer will have no further liability with respect to such Policy or any associated Supplementary Contracts. For the avoidance of doubt, any Reinsured Policies that undergo an Annuitization following the Systems Conversion will remain Reinsured Policies and the Reinsurer will reinsure any Supplementary Contracts issued with respect to such Reinsured Policies.

Section 5.6 Policy List Errors

(a) The Company or the Reinsurer, as applicable, shall notify the other Party if any life insurance policies or contracts issued or reinsured by the Company and in force as of the Effective Date were inadvertently not included on the Policy List and are determined to be a Policy, which shall in no event include any insurance policies and contracts falling within the following lines of business: health, annuities, funding agreements, corporate-owned life insurance and bank-owned life insurance when sold on a group basis, synthetic guaranteed investment contracts and variable life or other variable business.

(b) If any policies or contracts (or components thereof) are determined to be Policies in accordance with this Section 5.6, then the Company shall transfer cash or assets, reasonably satisfactory to the Reinsurer, to the Reinsurer in an amount equal to the Statutory Reserves required to be held with respect to such Policies.

Section 5.7 Renewal Commissions. Any renewal commissions due following the Effective Date will be the responsibility of the Reinsurer and shall be paid by the Reinsurer to the Company as part of the Net Settlement pursuant to Section 6.2.

ARTICLE VI ADMINISTRATION

Section 6.1 Administrative Services.

(a) The Parties hereby agree that the Policies, Other Reinsurance Agreements and, subject to Section 2.10, the EI Hedges shall be administered in accordance with or as otherwise provided in the Administrative Services Agreement and the Transition Services Agreement. The administration of the Policies, Other Reinsurance Agreements and EI Hedges shall be at the sole cost and expense of the Reinsurer.

(b) In the event that the Reinsurer is unable to administer the Policies, Other Reinsurance Agreements and EI Hedges as provided in Section 6.1(a), the Reinsurer shall remain obligated for the costs and expenses of any replacement party providing such administration and the Reinsurer shall reimburse the Company for any such costs and expenses as part of the Net Settlement pursuant to Section 6.2.

Section 6.2 Net Settlements.

(a) For each Monthly Accounting Period, the Parties will effect a settlement on a net basis (the "Net Settlement") as contemplated in, prior to the Amendment Date, Annex B, and on or after the Amendment Date, Annex F, hereto.

(b) A report reflecting in detail the Net Settlement determinations contemplated in, prior to the Amendment Date, Annex B, and on or after the Amendment Date, Annex F, shall be prepared not later than thirty (30) calendar days after the end of each Monthly Accounting Period. For as long as required under the Transition Services Agreement, the Company shall prepare and deliver such report to the Reinsurer. After such time, the Reinsurer shall prepare and deliver such report to the Company. If a Net Settlement report reflects a balance due to the Company, the amount(s) shown as due shall be paid within ten (10) Business Days of the delivery of the report. If a Net Settlement report reflects a balance due to the Reinsurer, the amount(s) shown as due shall be paid within ten (10) Business Days after the date on which the report was delivered. If there is a delayed settlement of any payment due hereunder, interest will accrue on such payment at the Applicable Rate. For purposes of this section, a payment will be considered overdue on the date which is ten (10) Business Days after the date such payment is due hereunder; provided that such interest will begin to accrue from the original due date with respect to such payment. All settlements of account between the Company and the Reinsurer shall be made in cash or its equivalent.

(c) To the extent that the Reinsurer makes any direct payments to or on behalf of the Company in respect of Reinsured Liabilities or other amounts payable to the Company pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such payments shall be taken into account for purposes of determining the Net Settlement. In addition, to the extent the Reinsurer receives any Premiums or other amounts payable to the Reinsurer pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such Premiums received shall be taken into account for purposes of determining the Net Settlement.

(d) Prior to the Amendment Date, the Net Settlement report delivered in respect of each Monthly Accounting Period shall include an adjustment to the Funds Withheld Account Balance (each, a "Funds Withheld Account Adjustment"). The Funds Withheld Account Adjustment shall be calculated as an amount equal to (i) minus (ii) minus (iii), where:

(i) equals the Funds Withheld Account Amount as of the last day of the Monthly Accounting Period to which the then current Net Settlement report relates; and

(ii) equals the Funds Withheld Account Amount at the end of the immediately preceding Monthly Accounting Period, and

(iii) equals the Investment Income earned during the period from but excluding the last day of the immediately preceding Monthly Accounting Period to and including the last day of the Monthly Accounting Period to which the then current Net Settlement report relates.

(e) If the Funds Withheld Account Adjustment for any Monthly Accounting Period is positive, then the Reinsurer shall remit to the Company an amount equal to the Funds Withheld Account Adjustment in accordance with Section 6.2(b). If the Funds Withheld Account Adjustment for any Monthly Accounting Period is negative, then the Company shall remit to the Reinsurer an amount equal to the absolute value of the Funds Withheld Account Adjustment in accordance with Section 6.2(b). For purposes of calculating the Funds Withheld Account Adjustment for the first Monthly Accounting Period after the Effective Time, clause (iii) of Section 6.2(d) shall include only Investment Income earned since the Effective Time.

(f) In connection with any settlement under this Agreement, the Reinsurer shall not be obligated to pay any Excluded Reinsured Liability.

(g) Prior to the Hedge Termination Date, the Net Settlement report delivered in respect of each Accounting Period shall include an adjustment equal to the Assigned EI Hedge Proceeds Amounts, minus the Assigned EI Hedge Cost Amounts. If the adjustment for any Accounting Period is positive, then the Company shall remit to the Reinsurer an amount equal to the adjustment in accordance with this Section 6.2(b). If the adjustment for any Accounting Period is negative, then the Reinsurer shall remit to the Company an amount equal to the absolute value of the adjustment in accordance with this Section 6.2(b).

ARTICLE VII
DAC TAX

Section 7.1 DAC Tax Election. The Company and the Reinsurer hereby elect and agree under Treasury Regulations Section 1.848-2(g)(8) as follows:

(a) The Company and the Reinsurer will each attach a schedule to its federal income tax return for the first taxable year ending after the Effective Date that identifies this Agreement as a reinsurance agreement for which a joint election under Treasury Regulation Section 1.848-2(g)(8) has been made, and will otherwise file its respective federal income tax returns in a manner consistent with the provisions of Treasury Regulation Section 1.848-2 as in effect on the date this Agreement is executed;

(b) For each taxable year under this Agreement, the Party with the net positive consideration, as defined in the regulations promulgated under Section 848 of the Code, will capitalize specified policy acquisition expenses with respect to this Agreement without regard to the general deductions limitation of Section 848(c)(1) of the Code;

(c) The Company and the Reinsurer agree to exchange information pertaining to the amount of net consideration under this Agreement each year to ensure consistency or as otherwise required by the Code and applicable Treasury Regulations;

(d) The first tax year for which this election is effective is 2013;

(e) The Reinsurer will submit to the Company by May 15 each year its calculation of the amount of the net consideration for the preceding calendar year. This schedule of calculations will be accompanied by a statement that the Reinsurer will report such amount of net consideration in its tax return for the preceding calendar year;

(f) The Company may contest such calculation by providing an alternative calculation to the Reinsurer in writing within thirty (30) days of the Company's receipt of the Reinsurer's calculation. If the Company does not so notify the Reinsurer, the Company will report the amount of net consideration as determined by the Reinsurer in the Company's tax return for the previous calendar year;

(g) If the Company contests the Reinsurer's calculation of the amount of net consideration, the dispute shall be resolved in accordance with Section 10.2.

Both the Company and the Reinsurer are subject to U.S. taxation under Subchapter L of Chapter 1 of the Code.

ARTICLE VIII
INSOLVENCY

Section 8.1 Insolvency. The reinsurance ceded hereunder shall be payable by the Reinsurer on the basis of liability of the Company under the Reinsured Policies without diminution because of the insolvency of the Company, directly to the Company or its liquidator, receiver or statutory successor, except where the Reinsurer, with the consent of the direct insured, has assumed the policy obligations of the Company as direct obligations of the Reinsurer to the payees under a Reinsured Policy and in substitution for the obligations of the Company to the payees. It is agreed and understood, however, that (i) in the event of the insolvency of the Company, the liquidator, receiver or statutory successor of the Company shall give the Reinsurer written notice of the pendency of a claim against the insolvent Company on a Reinsured Policy within a reasonable time after such claim is filed in the insolvency proceeding and (ii) during the pendency of such claim the Reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated any defenses which it deems available to the Company, its liquidator, receiver or statutory successor

Section 8.2 Expenses. It is further understood that any expense incurred by the Reinsurer pursuant to Section 8.1 shall be chargeable, subject to court approval, against the insolvent Company as part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the Company solely as a result of the defense undertaken by the Reinsurer. Where two or more assuming reinsurers are involved in the same claim and a majority in interest elect to interpose defenses to such claim, the expense shall be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by the Company.

ARTICLE IX
TERMINATION

Section 9.1 Duration of Coinsurance. This Agreement will be effective as of the Effective Time. Subject to the provisions of this Article IX, this Agreement will remain in effect, and the reinsurance provided hereunder will remain in force, until termination of the policy or policies on which the reinsurance is based in accordance with the terms of this Agreement. Except as provided in Sections 9.3, the Reinsured Policies are not eligible for recapture by the Company.

Section 9.2 Termination. This Agreement shall terminate:

- (a) at any time upon the mutual written consent of the Parties hereto, which writing shall state the effective date of termination; or
- (b) automatically at such time as no liability remains under this Agreement.

Section 9.3 Termination by the Company. The Company, in its sole discretion, shall have the option to terminate this Agreement upon the occurrence of any one of the following events:

(a) the Reinsurer is placed in receivership, conservatorship, rehabilitation or liquidation by any insurance regulatory authority;

(b) the Reinsurer breaches Section 4.1, and the Reinsurer fails to cure such breach within the earlier of (i) thirty (30) days following receipt of written notice of such breach from the Company and (ii) the last day of the calendar quarter in which such breach occurs; provided that the Company shall have no right to terminate if the Reinsurer cannot take any action reasonably required for the Company to receive statutory reserve credit without the reasonable cooperation of the Company and the Company shall not have reasonably cooperated with the Reinsurer; provided, further, that it shall be deemed unreasonable to require the Company to cooperate in the event such cooperation would impose on the Company any cost and the Reinsurer has not agreed to be responsible for such cost;

(c) the Reinsurer fails to pay any material amount due to the Company under this Agreement and (i) such amount is not subject to a good faith dispute and (ii) such failure is not cured within ten (10) Business Days following the Reinsurer's receipt of written notice of such failure from the Company; or

(d) in the event that (i) the Reinsurer's RBC Ratio is less than 175% or (ii) the Reinsurer fails to provide its RBC Ratio in accordance with Section 4.2 and, upon delivery of written notice from the Company to the Reinsurer, the Reinsurer shall fail to provide its RBC Ratio within ten (10) Business Days following such notice.

Section 9.4 Termination by the Reinsurer. Upon the occurrence of a Reinsurer Termination Event, the Reinsurer shall have the right (but not the obligation) to terminate this Agreement by providing written notice to the Company of its intent to terminate. Termination of this Agreement shall be effective on the date specified in such notice, provided that such date shall not be prior to the date on which the Termination Event occurred. Upon termination of this Agreement pursuant to this Section 9.4, the Company shall be deemed to have recaptured and reassumed all Reinsured Liabilities. Recapture of the Reinsured Policies shall be effective on the date specified in the notice of termination.

Section 9.5 Settlement Upon Termination. Upon the termination of this Agreement by the Company pursuant to Section 9.3 or by the Reinsurer pursuant to Section 9.4, subject to payment by the Reinsurer of any amounts due to the Company pursuant to this Section 9.5 and the payment by the Company of any amounts due to the Reinsurer pursuant to this Section 9.5, the Company shall recapture all liabilities previously ceded to the Reinsurer and the Reinsurer's liability under this Agreement will terminate (provided, that such termination shall not relieve any Party of any pre-termination breach of this Agreement). The Company shall prepare a Net Settlement report for the period commencing on the first day of the then-current Monthly Accounting Period and ending on the date this Agreement is terminated pursuant to Sections 9.3 or 9.4. On the tenth Business Day following the delivery of such Net Settlement report (a) the applicable Party shall pay any amounts due and owing by such Party on such Net Settlement report; (b) the Reinsurer shall transfer to the Company cash and assets with an aggregate Fair Market Value equal to 100% of an amount equal to: (i) the Reinsurer's Share of the Statutory Reserves held by the Company with respect to the Reinsured Policies, *plus* (ii) the Reinsurer's Share of the Existing Interest Maintenance Reserve attributable to the Reinsured Liabilities, *plus*

(iii) the amount of any new interest maintenance reserve created at the time of recapture as a result of such recapture divided by 65% *plus* (iv) the amount of any New Amendment Interest Maintenance Reserve that remains unamortized as of the date of termination divided by 65%, *minus* (v) the Reinsurer's Share of the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *minus* (vi) the Reinsurer's Share of net due and deferred Premiums on the Reinsured Policies reduced by advances thereon, in each case, determined by the Company in accordance with SAP, consistently applied, as of the date of termination (such amount, the "Reinsurer Termination Payment"); and (c) the Company shall pay to the Reinsurer cash equal to the amount of any cash and assets withdrawn by the Company or any successor by operation of law, including any liquidator, rehabilitator, receiver or conservator of the Company, from the Trust Account prior to the date of termination, and not used to satisfy claims of policyholders under the Reinsured Policies prior to the date of termination or to otherwise pay amounts due to the Company pursuant to this Agreement (the "Company Termination Payment"); provided, that, for the avoidance of doubt, the Reinsurer Termination Payment and the Company Termination Payment shall be determined on a net basis and only the balance shall be due and payable by the Reinsurer or the Company, as the case may be. In the event that a balance is due and payable by the Company, the Company shall pay such balance to the Reinsurer in cash by wire transfer of immediately available funds. In the event that a balance is due and payable by the Reinsurer, the Reinsurer shall pay such balance to the Company in cash by wire transfer of immediately available funds. Any dispute by either Party of the Company Termination Payment or the Reinsurer Termination Payment shall be resolved in accordance with Section 10.2.

ARTICLE X
RESOLUTION OF CERTAIN DISPUTES

Section 10.1 Disputes over Actual Initial Coinsurance Premium Calculations and SPA Adjusted Coinsurance Premium

(a) Within thirty (30) days following its receipt from the Company of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, (such period, a "Review Period"), the Reinsurer shall either (i) notify the Company in writing of its agreement with the calculation of the Actual Initial Coinsurance Premium or SPA Adjusted Coinsurance Premium, as applicable, set forth therein ("Notice of Agreement"); or (ii) if the Company determines that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein either (x) have not been prepared on the basis set forth in Section 2.3 or in Section 5.8 of the Purchase Agreement or (y) contain or reflect mathematical errors, inform the Company in writing of its objection (the "Reinsurer's Objection"), which notice shall set forth in reasonable detail a description of the basis of the Reinsurer's Objection and the adjustments to such Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable or the calculations reflected therein that the Reinsurer requests be made. The Company, as applicable, shall, following the Effective Date through the date that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, becomes final in accordance with the last sentence of Section 10.1(c), take all actions necessary or desirable to maintain and

preserve all accounting books, records, policies and procedures on which such Initial Coinsurance Premium Reconciliation Statement or SPA Premium Reconciliation Statement, as applicable, are based or on which the finalized Initial Coinsurance Premium Adjustment or SPA Coinsurance Premium Adjustment, as applicable, are to be based so as not to impede or delay the determination of the finalized Actual Initial Coinsurance Premium, the finalized SPA Adjusted Coinsurance Premium, the finalized Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date or the preparation of the Reinsurer's Objection in the manner and utilizing the methods permitted by this Agreement. Upon receipt by the Company of a Notice of Agreement from the Reinsurer or if no Reinsurer's Objection is received by the Company prior to the expiration of the Review Period, the Actual Initial Coinsurance Premium, the SPA Adjusted Coinsurance Premium and the Reinsurer's calculation of the Initial Coinsurance Premium Adjustment (as set forth in the Initial Coinsurance Premium Reconciliation Statement) and the SPA Coinsurance Premium Adjustment (as set forth in the SPA Coinsurance Premium Reconciliation Statement) shall be deemed to have been accepted by the Reinsurer and will become final and binding upon the Parties in accordance with the last sentence of Section 10.1(c).

(b) If the Reinsurer timely delivers a Reinsurer's Objection to the Company, the Company shall have thirty (30) days from the date of such delivery to review and respond to such Reinsurer's Objection (the "Consultation Period"). The Parties shall use reasonable, good faith efforts to resolve any disagreements that they may have with respect to the matters set forth in the Reinsurer's Objection. If the Parties are unable to resolve all of their disagreements with respect to the matters set forth in the Reinsurer's Objection within ten (10) Business Days following the expiration of the Consultation Period, then the Parties shall submit all matters that remain in dispute with respect to the Reinsurer's Objection (along with a copy of the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein, marked to indicate those line items that are still in dispute) to an independent internationally recognized accounting firm of independent certified public accountants with appropriate actuarial expertise mutually agreed by the Parties (the "CPA Firm"), which shall, acting as an expert and not as an arbitrator, make a final determination, on the basis of the standards set forth in Section 2.3 hereof, and only with respect to any remaining differences submitted to the CPA Firm, in accordance with this Section 10.1(b), of the appropriate amount of each line item in the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein as to which the Parties disagree (such items that remain in dispute, the "Unresolved Items").

(c) The Parties shall instruct the CPA Firm to deliver its written determination to the Reinsurer and the Company no later than fifteen Business Days after the Unresolved Items are referred to the CPA Firm. The CPA Firm's determination shall include a certification that it reached such determination in accordance with this Section 10.1(c) and shall be conclusive and binding upon the Parties, absent fraud or clear and manifest error. With respect to each Unresolved Item, the CPA Firm's determination, if not in accordance with the position of either the Company or the Reinsurer, shall not be more favorable to the Reinsurer than the amounts advocated by the Reinsurer in the Reinsurer's Objection or more favorable to the Company than the amounts advocated by the Company in the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement or the Company's

calculations of the amounts set forth therein with respect to such disputed line item and/or calculation. For the avoidance of doubt, (i) the CPA Firm's review of the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein shall be limited to a determination of whether such documents and calculations were prepared in accordance with [Section 2.3](#), and (ii) the CPA Firm shall not review any line items or make any determination with respect to any matters other than the Unresolved Items that were referred to the CPA Firm for resolution pursuant to this [Section 10.1\(c\)](#). The determination of the amounts set forth in the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, that are final and binding on the Parties, as determined either through (1) the Reinsurer's delivery of a Notice of Agreement pursuant to [Section 10.1\(a\)](#), (2) the Reinsurer's failure to deliver Reinsurer's Objection prior to expiration of the Review Period pursuant to [Section 10.1\(a\)](#), (3) agreement by the Parties during the Consultation Period or (4) the determination of the CPA Firm pursuant to this [Section 10.1\(c\)](#) are referred to herein as the "finalized Actual Initial Coinsurance Premium," the "finalized Initial Coinsurance Premium Adjustment," the "finalized Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date," the "finalized SPA Adjusted Coinsurance Premium," and the "finalized SPA Coinsurance Premium Adjustment," as the case may be.

(d) The Parties agree that judgment may be entered upon the CPA Firm's determination in any court having jurisdiction over the Reinsurer or the Company or their respective assets, as the case may be. The fees and disbursements of the CPA Firm shall be paid by the Parties in proportion to those matters submitted to the CPA Firm that are resolved against that Party, as such fees and disbursements are allocated by the CPA Firm in accordance with this [Section 10.1](#) at the time of the CPA Firm's determination. At any time following delivery of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, the Reinsurer shall provide to the Company and its Representatives full access to books and records and other information with respect to the Reinsured Policies and the Net Retained Liabilities, including work papers of its accountants (subject to execution by the Company and/or its Representatives, as applicable, of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent necessary for the Company to prepare the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement or to prepare materials for presentation to the CPA Firm. The Parties shall make readily available to the CPA Firm, during regular business hours and on reasonable advance notice, interviews with such employees, and all relevant information, books and records and any work papers of their respective accountants (in each case, subject to execution by the CPA Firm of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants) relating to the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and any Unresolved Items and all other items reasonably required by the CPA Firm to fulfill its obligations under [Section 10.1\(c\)](#). In acting under this [Section 10.2](#), the CPA Firm will be entitled to the privileges and immunities of an arbitrator.

(e) For the avoidance of doubt, this [Section 10.1](#) shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

Section 10.2 Disputes over Calculations. After the Effective Date, any dispute between the Parties with respect to the calculation of amounts that are to be calculated or reported pursuant to this Agreement (other than disputes with respect to the Actual Initial Coinsurance Premium and the SPA Adjusted Initial Coinsurance Premium, which shall be resolved in accordance with Section 10.1 hereof), including disputes with respect to any Net Settlement, calculations relating to DAC tax or the amount of the Reinsurer Termination Payment or the Company Termination Payment, that cannot be resolved by the Parties within sixty (60) calendar days, shall be referred to an independent accounting firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties; provided, however, that where the dispute involves an actuarial issue, the dispute shall instead be referred to an independent actuarial firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties. Within twenty (20) Business Days following the selection of the accounting firm or actuarial firm, as applicable, the Parties shall submit their positions and supporting documentation to such accounting firm or actuarial firm. Within forty (40) Business Days of such submission, the accounting firm or actuarial firm, as applicable, shall, in light of the evidence provided by both Parties, determine the calculations in dispute within the range of difference between the Reinsurer's position thereto and the Company's position thereto. There shall be no appeal from the decision made by such firm, which shall be final and binding (absent fraud or clear and manifest error), except that, either Party may petition a court having jurisdiction over the other Party or its assets to reduce the arbitrator's decision to judgment. The fees charged by the accounting firm or actuarial firm, as applicable, to resolve the dispute shall be allocated between the Company and the Reinsurer by such firm in accordance with its judgment as to the relative merits of the Parties' positions in respect of the dispute. For the avoidance of doubt, this Section 10.2 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

ARTICLE XI INDEMNIFICATION

Section 11.1 Indemnification of the Reinsurer by the Company. Section 11.2 Indemnification of the Company by the Reinsurer. ARTICLE XIV GENERAL PROVISIONS

Section 14.1 Errors and Omissions. If any delay, omission, error or failure to pay amounts due or to perform any other act required by this Agreement is caused by mistake, misunderstanding or oversight, the Parties will equitably adjust the situation to what it would have been had the mistake, misunderstanding or oversight not occurred, and the reinsurance provided hereunder will not be invalidated. Should it not be possible to adjust the situation, it will be resolved in accordance with dispute resolution procedures mutually selected by the Parties.

Section 14.2 Offset and Recoupment. The Company or the Reinsurer may offset or recoup any undisputed balance or amount due from one Party to the other Party under this Agreement; provided, that in the event of the insolvency of the Company, offsets shall only be allowed in accordance with New York Insurance Law Section 7427. The right of setoff shall not be affected or diminished because of the insolvency of either Party.

Section 14.3 Expenses. Except as otherwise provided in this Agreement each Party shall bear its own costs and expenses incurred in connection with the transactions contemplated by this Agreement. All transfer, sales, use, value added, excise, stock transfer, documentary, stamp, recording, registration and any similar taxes that become payable as a result of the allocation of the Initial Reinsurance Assets to the Funds Withheld Account (including any real property transfer tax and any similar tax) shall be borne fifty percent (50%) by the Company and fifty percent (50%) by the Reinsurer.

Section 14.4 Parties to this Agreement. This is an agreement for indemnity reinsurance solely between the Company and the Reinsurer. The performance of the obligations of each Party under this Agreement shall be rendered solely to the other Party. The acceptance of risks under this Agreement shall create no right or legal relationship between the Reinsurer and the insured, owner or beneficiary of any insurance policy or other contract of the Company.

Section 14.5 Authority. Neither the Company nor the Reinsurer shall have any power or authority to act for or on behalf of the other except as expressly granted herein or in the Administrative Services Agreement or Transition Services Agreement, and no other or greater power or authority shall be implied by the grant or denial of power or authority specifically mentioned herein. No employee or agent of either Party shall be considered an employee or agent of the other.

Section 14.6 No Assignment. This Agreement may not be assigned by either of the Parties hereto without the prior written approval of the other Party. Notwithstanding the foregoing, the Reinsurer shall not be prohibited from further transfer of risks accepted hereunder on a retrocession or other basis without the prior approval of the Company; provided that any transfer shall not relieve the Reinsurer of its obligations under this Agreement.

Section 14.8 [Severability](#). Section 14.9 [Announcements](#). Except as required by Applicable Law or in connection with public disclosure to investors or analysts, the content and timing of public announcements by either Party concerning the transactions contemplated by this Agreement must be approved in advance by both Parties, but such approval shall not be unreasonably withheld, conditioned or delayed.

The provisions of this Agreement (without reference to any attached Schedules, Annexes and Exhibits) shall be deemed to control in the event of any inconsistency or conflict between the provisions of this Agreement (without reference to any attached Schedules, Annexes and Exhibits) and the Schedules, Annexes and Exhibits attached hereto.

Section 14.11 Entire Agreement. This Agreement (including all Exhibits, Annexes and Schedules hereto), and the Other Transaction Agreements constitute the entire agreement, and supersede all prior agreements, understandings, representations and warranties, both written and oral, between the Parties with respect to the subject matter of this Agreement and such other agreements. Except as set forth in Sections 11.1 and 11.2 with respect to the Reinsurer Indemnified Parties and the Company Indemnified Parties, this Agreement is not intended to and shall not confer upon any Person other than the Parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns any rights or remedies.

Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof. A waiver must be in writing and must be executed by such Party. A waiver on any occasion shall not be deemed to be a waiver of the same or any term or condition on a future occasion.

Section 14.14 Headings. The headings in this Agreement are for reference purposes only and shall not affect the interpretation of this Agreement.

Section 14.15 Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument.

Section 14.16 No Prejudice. The Parties agree that this Agreement has been jointly negotiated and drafted by the Parties hereto and that the terms hereof shall not be construed in favor of or against any Party on account of its participation in such negotiations and drafting.

Section 14.17 Governing Law; Jurisdiction; Enforcement.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the principles of conflicts of law rules thereof.

In any such action, suit or other proceeding, each party hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such proceedings brought in such court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Each party also agrees that any final and unappealable judgment against a party in connection with any action, suit or other proceeding shall be conclusive and binding on such party and that such award or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. A certified or exemplified copy of such award or judgment shall be conclusive evidence of the fact and amount of such award or judgment. Each party agrees that any process or other paper to be served in connection with any action or proceeding under this Agreement shall, if delivered, sent or mailed in accordance with Section 14.7, constitute good, proper and sufficient service thereof.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION, ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT CONTEMPLATED HEREBY. “**UCC**” shall mean the Uniform Commercial Code as in effect from time to time in the State of New York.

Section 1.2 Interpretation. The Article and Section headings contained in this Trust Agreement are solely for the purpose of reference, are not part of the agreement of the parties and shall not affect in any way the meaning or interpretation of this Trust Agreement. Whenever the words “include,” “includes” or “including” are used in this Trust Agreement, they shall be deemed to be followed by the words “without limitation.” The words “hereof,” “herein” and “herewith” and words of similar import shall, unless otherwise stated, be construed to refer to this Trust Agreement as a whole and not to any particular provision of this Trust Agreement. The meaning assigned to each term used in this Trust Agreement shall be equally applicable to both the singular and the plural forms of such term and to both the masculine as well as the feminine and neuter genders of such term. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument

Where a word or phrase is defined herein, each of its other grammatical forms shall have a corresponding meaning. References to a Person are also to its successors and permitted assigns.

ARTICLE II CREATION OF TRUST ACCOUNT

Section 2.1 Obligations of the Beneficiary and the Grantor.

(a) Simultaneously with the execution of this Trust Agreement, the Grantor shall hereby establish with the Trustee, in the name of the Trustee, to be held for the benefit of the Beneficiary pursuant to the provisions of this Trust Agreement, a segregated trust account maintained by the Trustee, in its capacity as Trustee (which in its totality (including all subaccounts thereto) shall be hereinafter referred to as the "**Trust Account**") and the Beneficiary hereby transfers and assigns to such Trust Account the Eligible Assets listed in Schedule A attached hereto.

(b) The Trustee shall not accept any Eligible Assets (other than cash) for deposit into the Trust Account unless the Trustee determines that it, in its capacity as Trustee hereunder, is or will be the registered owner of and holder of legal title to such assets or that such assets are in such form that the Trustee may, if applicable to such asset class, negotiate any such assets, without consent or signature from the Grantor or any other Person. Any Eligible Assets received by the Trustee for deposit into the Trust Account that, if applicable to such asset class, are not in such proper negotiable form or for which title has not been transferred to the Trustee, shall not be accepted by the Trustee and shall be returned to the Grantor as unacceptable. Grantor and Beneficiary acknowledge that registering and titling an asset which was received in negotiable form may require administrative and processing time. Until such asset is titled to the Trustee, even when such asset may appear on the statement of the Trust Account, such asset shall not be subject to the terms and conditions of this Agreement (except for the protections, representations, warranties, covenants, limitations of liability, and indemnities in favor of the Trustee contained in this Agreement).

(c) The Trust Assets shall consist only of Eligible Assets. Pursuant to Section 5.9, the Trustee has no responsibility whatsoever for determining or monitoring whether or not any Trust Asset is an Eligible Asset.

Section 2.2 Purpose of the Trust.

(a) The Trust Assets shall be held by the Trustee for the benefit of the Beneficiary.

(b) The Trustee has all trust powers necessary and reasonable in the performance of its duties hereunder except as otherwise expressly provided herein.

Section 2.3 Grantor Trust for U.S. Federal Income Tax Purposes. The Trust Account shall be treated as a grantor trust (pursuant to sections 671 through 677 of the Internal Revenue Code of 1986) for U.S. federal income tax purposes. The Grantor shall constitute the grantor and, thus, any and all income derived from the Trust Assets shall constitute income or gain of the Grantor. The Grantor shall notify the Trustee of the tax identification number of the Trust.

Section 2.4 Designation of Agents. Except as otherwise expressly provided in this Trust Agreement, any statement, certificate, notice, request, consent, approval, or other instrument to be delivered or furnished by the Grantor or the Beneficiary shall be sufficiently executed if executed in the name of the Grantor or the Beneficiary, as applicable, by (a) such officer or officers of the Grantor or the Beneficiary, or an agent or agents of the Grantor or the Beneficiary (including any Investment Manager), in each case, as may be designated in incumbency certificates furnished to the Trustee from time to time by such Person, respectively, or (b) attorneys-in-fact acting under written authority furnished to the Trustee by the Grantor or the Beneficiary, including instructions given by letter, facsimile transmission or electronic media, if the Trustee believes such instructions to be genuine and to have been signed, sent or presented by the proper party or parties. The Trustee shall be protected in acting upon any written statement or other instrument made by any such Person with respect to the authority conferred on it and shall not incur any liability to anyone resulting from actions taken by the Trustee in reliance in good faith on any such instructions. The Trustee shall not incur any liability in executing instructions (i) from any attorney-in-fact prior to receipt by it of notice of the revocation of the written authority of the attorney-in-fact or (ii) from any officer of the Grantor, any Investment Manager, or the Beneficiary named in an incumbency certificate delivered hereunder prior to receipt by it of a more current certificate, in each case, to the extent such Person is then entitled to provide such instructions under the terms hereof. Written notice of the designation of any agent by the Grantor or the Beneficiary shall be filed with the Trustee.

Section 2.5 Title Costs. All out-of-pocket costs associated with the transfers of title between the Grantor and the Trustee shall be split between the Grantor and the Beneficiary in accordance with Section 8.1 of this Trust Agreement.

ARTICLE III MAINTENANCE OF THE TRUST

Section 3.1 Substitution of Trust Assets. The Grantor may at any time, by written request to the Trustee in substantially the form of Exhibit A attached hereto and the prior written consent of the Beneficiary (which consent shall not be unreasonably withheld, conditioned or delayed (it being understood that it shall be unreasonable for the Beneficiary to withhold, condition or delay such consent to the extent that the conditions set forth in this Section 3.1 are satisfied) and shall be deemed to be provided if the Beneficiary does not provide written notice to the Grantor of the withholding of such consent within two (2) Business Days following the Beneficiary's receipt of written notice of the applicable substitution or exchange of Trust Assets from the Grantor), substitute or exchange Trust Assets with other Eligible Assets, (such substituted or exchanged Eligible Assets are referred to herein as "**Replacement Assets**"). The Grantor represents and warrants that to the best of its knowledge (i) the Trust Assets

(including any such Replacement Assets) shall remain Eligible Assets following such substitution or exchange, the Trust Assets comply with all qualitative and quantitative limitations under Applicable Law as though the Trust Account was a stand-alone life insurance company domiciled in the state of domicile of the Grantor, (ii) the aggregate Statutory Book Value of such Replacement Assets that are deposited in or credited to the Trust Account shall be at least equal to the aggregate Statutory Book Value of the Trust Assets being removed from the Trust Account, (iii) the ratio of the aggregate Fair Market Value of the non-cash Replacement Assets to the aggregate Statutory Book Value of the non-cash Replacement Assets shall be the same as or greater than the ratio of the aggregate Fair Market Value of the non-cash Trust Assets being removed from the Trust Account to the aggregate Statutory Book Value of the non-cash Trust Assets being removed from the Trust Account immediately prior to such substitution, (iv) the Replacement Assets shall be deposited in the Trust Account prior to or simultaneously with the removal of Trust Assets from the Trust Account in connection with any such substitution or exchange and (v) the Grantor shall not make any substitutions under this Section 3.1 if it is in default under any other provision of this Trust Agreement. Any written request provided by the Grantor pursuant to this Section 3.1 shall include the Grantor's representation and warranty that such substitution or exchange meets the requirements of this Section 3.1. In releasing Trust Assets in connection with any substitution request by the Grantor pursuant to this Section 3.1, the Trustee shall have no responsibility whatsoever to determine or monitor whether any or all of the conditions set forth in (i) through (v) above or as otherwise set forth in this Section 3.1 have been met, and the Trustee shall be entitled to rely conclusively upon any certification provided by the Grantor that the Beneficiary's consent is deemed to have been provided under this Section 3.1.

Section 3.2 Books and Records. The Trustee shall keep full and complete records of the administration of the Trust Account. Upon request to the Trustee, the Grantor and the Beneficiary may examine such records during the Trustee's normal business hours through any Person or Persons duly authorized in writing by the Grantor and/or the Beneficiary as appropriate.

Section 3.3 Quarterly Reports.

(a) Within thirty (30) calendar days following the end of each calendar quarter, the Grantor shall provide the Beneficiary a written certification stating the Required Balance as of such calendar quarter end and the Statutory Book Value and Fair Market Value of the Trust Assets as of such calendar quarter end (both on an asset-by-asset basis and a cumulative basis) (each such certification, a "Reserve Certificate"). As soon as is practicable, but in no event more than five (5) Business Days following its receipt of a Reserve Certificate, the Beneficiary shall either (i) countersign such Reserve Certificate and return it to the Grantor or (ii) notify the Grantor that it objects to the Grantor's calculation of the Required Balance or the Statutory Book Value or Fair Market Value of one or more Trust Assets. If the Beneficiary does not countersign a Reserve Certificate or notify the Grantor of such objection before the expiration of such five (5) Business Day period, then such Reserve Certificate shall be deemed accepted by the Beneficiary.

(b) Any disputes with the Grantor by the Beneficiary with regard to the calculation of the Required Balance or the Statutory Book Value or the Fair Market Value of the Trust Assets shall be resolved in accordance with Section 11.2 of the Coinsurance Agreement. Upon resolution of all disputes identified in the Beneficiary's notice of objection, the Grantor and the Beneficiary shall correct, and the Beneficiary shall countersign, the Reserve Certificate setting forth the Required Balance and the aggregate Statutory Book Value and Fair Market Value of the Trust Assets as resolved pursuant to the previous sentence. The Grantor shall permit the Beneficiary, at the Beneficiary's expense, to audit its records during normal business hours in accordance with the Administrative Services Agreement in order to determine its compliance with this Section 3.3(b). The Trustee shall have no responsibility whatsoever to determine or monitor whether the Grantor or the Beneficiary has complied with the foregoing provisions of Sections 3.3(a) and (b).

(c) For the avoidance of doubt, no dispute pursuant to Section 3.3(b) shall affect the obligation of the Grantor to continue to provide Reserve Certificates, as applicable, in accordance with this Section 3.3.

Section 3.4 Trustee Reports. Within ten (10) calendar days following the end of each calendar month, the Trustee shall provide copies of activity reports to the Beneficiary and the Grantor, which reports shall show all deposits, withdrawals, substitutions and exchanges affecting the Trust Account during such calendar month, and a listing of Trust Assets held and cash and cash equivalent balances in the Trust Account as of the end of such calendar month. The Trustee agrees to provide written notification to the Grantor and the Beneficiary within ten (10) days of any deposits to or withdrawals from the Trust Account.

ARTICLE IV RELEASE AND ADJUSTMENT OF TRUST ASSETS

Section 4.1 Adjustment of Trust Assets.

(a) Upon the Grantor's written request, the Trustee shall, within five (5) Business Days of the date of such request, withdraw from the Trust Account and transfer to the Grantor, Trust Assets as specified by the Grantor in writing, provided, that the Grantor presents the Trustee with a fully countersigned Reserve Certificate reflecting that such amount is less than or equal to the excess of the aggregate Statutory Book Value of the Trust Assets as of the end of any calendar quarter over the Required Balance as of such calendar quarter or a Reserve Certificate reflecting such excess, accompanied with a certification by the Grantor to Trustee stating that such Reserve Certificate was deemed accepted without signature pursuant to Section 3.3(a). The Grantor represents and warrants that to the best of its knowledge (i) the ratio of the aggregate Fair Market Value of the non-cash Trust Assets withdrawn from the Trust Account to the aggregate Statutory Book Value of the non-cash Trust Assets withdrawn from the Trust Account shall be the same as or less than the ratio of the aggregate Fair Market Value of the non-cash Trust Assets immediately prior to such withdrawal to the aggregate Statutory Book Value of the non-cash Trust Assets immediately prior to such withdrawal; (ii) following such withdrawal (x) the Trust Assets shall comply with all qualitative and quantitative limitations under Applicable Law as though the Trust Account was a stand-alone life insurance company domiciled in the state of domicile of the Grantor, and (y) the aggregate Statutory Book Value of

the Trust Assets shall be equal to or in excess of the Required Balance. The Trustee shall be entitled to rely conclusively and exclusively upon the written direction of the Grantor provided under this Section 4.1(a) in withdrawing and transferring the Trust Assets specified therein, and shall have no responsibility to determine the excess amount or whether the conditions set forth in this Section 4.1(a) have been met.

(b) If the aggregate Statutory Book Value of the Trust Assets as of the end of any calendar quarter, as reflected in the applicable Reserve Certificate, is less than the Required Balance as of such calendar quarter end, then within five (5) Business Days of the Grantor's delivery to the Beneficiary of the related Reserve Certificate, the Grantor shall cause to be deposited into the Trust Account such additional Eligible Assets as are necessary to ensure that the aggregate Statutory Book Value of the Trust Assets is no less than the Required Balance; provided, that following such deposit the Trust Assets shall comply with all qualitative and quantitative limitations under Applicable Law as though the Trust Account was a stand-alone life insurance company domiciled in the state of domicile of the Grantor.

Section 4.2 Release of Trust Assets to the Beneficiary.

(a) By transmittal of prior written notice to the Trustee and the Grantor in substantially the form of Exhibit B attached hereto, the Beneficiary may withdraw Trust Assets from the Trust Account, but only to the extent of a default by the Grantor in the performance of its monetary obligations under the Coinsurance Agreement that is not being disputed by the Grantor in good faith, which undisputed payment default has not been cured by the Grantor within five (5) Business Days following its receipt of a written notice thereof delivered by the Beneficiary. In such a case, no more than the amount needed to cure the Grantor's undisputed payment default may be withdrawn.

(b) Any written notice provided by the Beneficiary pursuant to this Section 4.2 shall include a certification that the withdrawal meets the requirements of this Section 4.2. Other than such notice, no other statement or document need be presented by the Beneficiary to withdraw such Trust Assets except that the Beneficiary shall acknowledge to the Trustee receipt of such withdrawn Trust Assets. Upon such written notice of demand of the Beneficiary, the Trustee shall immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title and interest in such Trust Assets to the Beneficiary and, to the extent applicable, deliver physical custody of such Trust Assets to the Beneficiary as specified in such withdrawal notice. The Trustee shall not be subject to any liability for any release made by it pursuant to any written demand received pursuant to this Section 4.2. If, notwithstanding the foregoing, a withdrawal is made in excess of the amount permitted by this Section 4.2, such excess amount shall be deemed maintained in trust for the benefit of the Grantor and the Beneficiary shall promptly return such excess amount to the Trust Account.

Section 4.3 Limitation on Release of Trust Assets EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE TRUSTEE SHALL NOT BE INSTRUCTED TO RELEASE TRUST ASSETS FROM THE TRUST ACCOUNT WHICH WOULD CAUSE THE AGGREGATE STATUTORY BOOK VALUE OF THE TRUST ASSETS TO BE DECREASED BELOW THE REQUIRED BALANCE AS OF THE DATE OF WITHDRAWAL. IN RELEASING TRUST ASSETS AS INSTRUCTED BY THE

BENEFICIARY OR THE GRANTOR, THE TRUSTEE SHALL HAVE NO RESPONSIBILITY TO DETERMINE OR MONITOR WHETHER THE CONDITION IN THE FOREGOING SENTENCE HAS BEEN CAUSED BY THE RELEASE SO INSTRUCTED.

**ARTICLE V
DUTIES OF THE TRUSTEE**

Section 5.1 Acceptance of Assets by the Trustee.

(a) The Beneficiary (on behalf of the Grantor) shall transfer to the Trustee, for deposit to the Trust Account, the Eligible Assets listed on Schedule A attached hereto, and the Grantor may transfer to the Trustee, for deposit to the Trust Account, such other Eligible Assets as it may from time to time desire. The Trustee shall accept for deposit into the Trust Account any Eligible Asset, provided only that before accepting any Eligible Asset for deposit to the Trust Account, the Trustee shall determine that such Eligible Asset is in such form that the Beneficiary whenever necessary may, or the Trustee upon direction by the Beneficiary will, in each case subject to the terms and conditions of this Trust Agreement, negotiate such Eligible Asset without consent or signature from the Grantor or any Person other than the Trustee in accordance with the terms of this Trust Agreement, or such Eligible Asset is otherwise capable of acceptance pursuant to Section 2.1(b). Pursuant to Section 5.9, the Trustee has no responsibility whatsoever for determining or monitoring whether or not any Trust Asset is an Eligible Asset.

(b) The Trustee and its lawfully appointed successors is and are authorized and shall have the power and authority to receive such securities and other property as the Grantor (or the Beneficiary on behalf of the Grantor) from time to time may transfer or remit to the Trust Account and to hold and dispose of the same for the uses and purposes and in the manner and according to the provisions herein set forth. All such Trust Assets at all times shall be maintained in the Trust Account, separate and distinct from all other assets on the books and records of the Trustee, and shall be continuously kept in a safe place within the United States.

Section 5.2 Collection of Income: Voting Rights.

(a) The Trustee is hereby authorized to and shall, without prior notice to the Grantor or the Beneficiary, collect all interest, dividends or any other income, on the Trust Assets (hereinafter referred to as "**Income**"), if any.

(b) All payments of Income on the Trust Assets shall be the property of the Grantor and shall be maintained by the Trustee as separate items of income within the Trust Account (the "**Income Accounts**"). The Grantor, upon written notice to the Trustee, may withdraw amounts from the Income Accounts at any time and from time to time.

(c) Subject to the other provisions of this Trust Agreement and the requirement that title to Trust Assets be recorded in the name of the Trustee, the Grantor shall have the full and unqualified right to direct the Trustee to vote, and to execute consents, bond powers, stock powers, mortgage and title instruments and other instruments of transfer, pledge and release with respect to any Trust Assets. Whenever there are voluntary rights that may be

exercised or alternate courses of action that may be taken by reason of the ownership of Trust Assets, the Grantor shall be responsible for making any decision relating thereto and for directing the Trustee to act. The Trustee shall notify the Grantor of rights or discretionary actions with respect to Trust Assets as promptly as practicable under the circumstances, provided that the Trustee has actually received notice of such right or discretionary corporate action from the relevant depository, etc. Absent actual receipt of such notice, the Trustee shall have no liability for failing to so notify the Grantor. Absent the Trustee's timely receipt of instructions from the Grantor, the Trustee shall not be liable for failure to take any such action relating to or to exercise any rights conferred by such Trust Assets.

Section 5.3 Obligations of the Trustee.

(a) The Trustee agrees to hold and disburse the Trust Assets in accordance with the provisions expressed herein.

(b) The Trustee may, without the consent of the Beneficiary or the Grantor, upon call or maturity of any security or other asset in the Trust Account, withdraw such security or other asset upon the condition that the proceeds are to be paid or deposited into the Trust Account.

Section 5.4 Responsibilities of Trustee.

(a) The Trustee, in the administration of the Trust Account, is to be bound solely by the express provisions of this Trust Agreement, and such further written and signed directions as the appropriate party or parties may, under the conditions herein provided, deliver to the Trustee. The Trustee shall be under no obligation to enforce the Grantor's obligations under this Trust Agreement, except as otherwise expressly provided or directed pursuant hereto. The Trustee shall be restricted to holding title to, operating and collecting the Trust Assets and the payment and distribution thereof for the purposes set forth in this Trust Agreement and to the conservation and protection of such Trust Assets and the administration thereof in accordance with the provisions of this Trust Agreement, and the Trustee shall be liable only for its own negligence, willful misconduct or lack of good faith. The Trustee further agrees to promptly forward upon request to the Beneficiary, the Grantor or their designated recipient a certified list of all Trust Assets.

(b) Subject to the other provisions of this Trust Agreement, including the requirements that only Eligible Assets may be held in or by the Trust Account and that title to Trust Assets shall be recorded in the name of the Trust or the Trustee, as appropriate, and provisions relating to the substitution of Trust Assets, (i) the Grantor shall have the irrevocable authority and sole power to direct, in writing, the Trustee, in the Grantor's sole discretion, with respect to all aspects of the management or investment of the Trust Assets contained in the Trust Account, and the Grantor may delegate such authority and power to any other Person, including any Affiliate of the Grantor ("**Investment Manager**"), pursuant to one or more investment management, advisory or other agreements of form and substance specified by the Grantor, provided that the Grantor shall provide written notice of any such delegation to each other party hereto and (ii) each of the Trustee and the Beneficiary acknowledges that it has no authority with respect to such management or investment activities. The Trustee agrees it will not exercise any

discretion or take any action with respect to the matters in clause (i) above and the Trustee will take any actions related thereto as directed by the Grantor in accordance therewith. Any instruction or order concerning such investments or substitutions of securities shall be referred to herein as an “**Investment Order**”. The Trustee shall execute Investment Orders and settle securities transactions by itself or by means of an agent or broker. The Trustee shall not be responsible for any act or omission, or for the solvency, of any such agent or broker selected by the Trustee without negligence, bad faith or willful misconduct. When the Trustee is directed to deliver Trust Assets against payment, delivery will be made in accordance with generally accepted market practice. Any loss incurred from any investment pursuant to the terms of this Section 5.4(b) shall be borne exclusively by the Trust Account. Pursuant to Section 5.9, the Trustee has no responsibility whatsoever for determining or monitoring whether or not any Trust Asset is an Eligible Asset.

(c) In no event shall the Trustee be liable under or in connection with the Agreement for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee has been advised of the possibility thereof and regardless of the form of action in which such damages are sought, unless such loss or damage has been caused by the Trustee’s negligence, lack of good faith, or wilful misconduct.

Section 5.5 Resignation or Removal of the Trustee: Appointment of Successor Trustee.

(a) The Trustee may at any time resign as Trustee and terminate its capacity hereunder and by delivery of written notice of resignation, effective not less than 90 days after receipt by both the Beneficiary and the Grantor. The Trustee may be removed by the Grantor by (i) delivery to the Trustee and the Beneficiary of a written notice of removal, effective not less than 90 days after receipt by the Trustee and the Beneficiary of the notice and (ii) receipt of the Beneficiary’s consent to such action, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, no such resignation by the Trustee or removal by the Grantor shall be effective until a successor to the Trustee shall have been duly appointed by the Grantor and approved by the Beneficiary and all Trust Assets have been duly transferred to such successor. If no such successor has been appointed within 90 days of such resignation by the Trustee or removal by the Grantor, then the Trustee may seek a court-appointed successor to the Trustee. The Grantor, upon receipt of such notice of resignation, or upon its delivery of a notice of removal, shall diligently undertake to obtain the agreement of a qualified, successor to the Trustee, reasonably agreeable to the Beneficiary, to act as the successor to the Trustee in accordance with all agreements of the Trustee herein and upon duly qualifying to act as such pursuant to Section 5.5(b). The Beneficiary agrees not to unreasonably withhold approval of such successor. Upon the Trustee’s delivery of the Trust Assets to the qualified successor along with a closing statement showing all activities from the last monthly report, the Trustee shall be discharged of further responsibilities hereunder.

(b) Any successor trustee appointed hereunder shall execute an instrument accepting such appointment hereunder and shall deliver the same to the Grantor, the Beneficiary and to the Trustee. Thereupon such successor trustee shall, without any further act,

become vested with all the estates, properties, rights, powers, trusts and duties of its predecessor in the Trust with like effect as if originally named herein; but the predecessor Trustee shall nevertheless, when requested in writing by the successor trustee, execute an instrument or instruments as provided to it in appropriate form conveying and transferring to the successor trustee all the estates, properties, rights, powers and trusts of such predecessor Trustee, and shall duly assign, transfer and deliver to the successor trustee all property and money held by such predecessor hereunder. The predecessor Trustee shall be entitled to reimbursement in accordance with Section 5.8 for all expenses it incurs in connection with the settlement of its accounts and the transfer and delivery of the Trust Assets to its successor. The predecessor Trustee shall continue to be indemnified by reason of such entity being or having been a trustee in accordance with Section 5.7.

Section 5.6 Release of Information. The Trustee shall promptly respond to any and all reasonable requests for information concerning the Trust Account or the Trust Assets by either of the other parties to this Trust Agreement. Furthermore, the Trustee shall fully and completely respond to any direct inquiries of the insurance regulatory authority in the state of domicile of the Grantor or the Beneficiary, or any of their respective representatives, concerning the Trust Account or the Trust Assets, including detailed inventories of securities or funds, and the Trustee shall permit the insurance regulatory authority in the state of domicile of the Grantor or the Beneficiary, or their respective representatives, to examine and audit all securities or funds held hereunder. Section 5.7 Indemnification of the Trustee. Subject to Section 5.4, the Grantor hereby indemnifies the Trustee for, and holds it harmless against, all losses, damages, costs and expenses, including reasonable attorney's fees, incurred or made arising out of or in connection with the performance of its duties in accordance with this Trust Agreement, including all losses, damages, costs and expenses arising out of or in connection with the status of the Trustee and its nominee as the holder of record of the Trust Assets; provided, however, that such losses, damages, costs or expenses (i) have not been caused by the Trustee's negligence, willful misconduct, or lack of good faith and (ii) have not been caused by any act or omission of the Beneficiary. Subject to Section 5.4, the Beneficiary hereby indemnifies the Trustee for, and holds it harmless against, all losses, damages, costs and expenses, including reasonable attorney's fees, incurred or made arising out of or in connection with the performance of its duties in accordance with this Trust Agreement, including all losses, damages, costs and expenses arising out of or in connection with the status of the Trustee and its nominee as the holder of record of the Trust Assets to the extent that such losses, damages, costs or expenses are caused by the Beneficiary's acts or omissions and not by the Trustee's negligence, willful misconduct, or lack of good faith.

Section 5.8 Charges of the Trustee. The Grantor shall pay the Trustee, as compensation for its services under this Trust Agreement, a fee computed at rates as agreed between the Grantor and the Trustee. The Grantor shall pay or reimburse the Trustee for all of the Trustee's reasonable expenses and disbursements in connection with its duties under this

Trust Agreement (including reasonable fees and expenses of any outside counsel incurred by the Trustee for legal services deemed reasonably necessary by the Trustee as a result of the Trustee's so acting) except any such expense or disbursement as may arise from the Trustee's negligence, willful misconduct, or lack of good faith; provided, however, that no such costs, fees or expenses shall be paid out of the Trust Assets.

Section 5.9 Limitations of Trustee. The Trustee shall in no way be responsible for determining the amount of Trust Assets required to be deposited or permitted to be withdrawn, or monitoring whether or not the Trust Assets are Eligible Assets. The Trustee shall be under no liability for any release of Trust Assets made by it to the Grantor or the Beneficiary in accordance with Article IV or Article VI.

Section 5.10 Additional Trustee Rights and Duties.

(a) The Trustee may maintain any Trust Assets in book entry form with, and utilize the services of, the Federal Reserve Bank or other depositories such as the Depository Trust Company. (d) The Trustee shall not be responsible for the existence, genuineness or value of any of the Trust Assets; for the validity, perfection, priority or enforceability of the liens or any security interest in any of the Trust Assets, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes negligence, bad faith or willful misconduct on the part of the Trustee; for the validity of title to the Trust Assets; for insuring the Trust Assets; or for the payment of taxes, charges, assessments or liens upon the Trust Assets.

(e) The Trustee shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the reasonable control of the Trustee, including, but not limited to, any act or provision of any present or future law or regulation or Governmental Entity, any act of God or war or terrorism, loss or malfunction of utilities or computer software or hardware, or the unavailability of the Federal Reserve Bank wire or other wire or communication facility.

In furtherance of the preceding sentence, the Trustee acknowledges that all Collateral conveyed to the Trustee is held for the benefit of the Beneficiary. Any amounts withdrawn from the Trust Account in accordance with this Trust Agreement shall be automatically released from, and withdrawn free and clear of, any security interest created herein.

(b) The Grantor hereby authorizes the Beneficiary (on behalf of the Trustee, as secured party for the benefit of the Beneficiary) to file any and all UCC—1 Financing Statements with respect to the Collateral, and any and all amendments, assignments and continuation statements with respect thereto, that are deemed necessary or desirable by the Beneficiary in order to perfect such security interest in the Collateral. The Trustee shall have no duties or liability whatsoever relating to the creation, perfection, validity, or enforcement of any security interest under this Article VII, or any filing related thereto. All terms used in this Section 7.1 and defined in the UCC shall have the meanings given to such terms in the UCC.

Section 7.2 Uniform Commercial Code Provisions.

(a) The parties hereto, including the Trustee in its capacity as securities intermediary, hereby acknowledge and agree that each asset credited to the Trust Account, including cash credited thereto, shall be treated as a “financial asset” within the meaning of Section 8-102(a) of the UCC. The Grantor covenants not to hold any property in the Trust Account that cannot be deemed a financial asset pursuant to Section 8-103 of the UCC. The Trustee acknowledges and agrees that it is a “securities intermediary” within the meaning of Section 8-102(a) of the UCC and is acting as such with respect to the Trust Account and all such financial assets held therein. New York shall be deemed to be the “bank’s jurisdiction” for purposes of Section 9-304 of the UCC. The parties agree that New York shall be deemed to be the “securities intermediary’s jurisdiction” for purposes of Section 8-110 of the UCC.

(b) The Trustee hereby confirms and agrees to the following: The Trustee shall not change the name or account number of the Trust Account without the prior written consent of the Beneficiary (except for any changes due to internal systems changes).

Section 7.3 [Reserved].

Section 7.4 Conflict with Other Agreements. In the event of any conflict between this Trust Agreement (or any portion thereof) and any other agreement regarding the subject matter hereof, the terms of this Trust Agreement shall prevail.

Section 7.5 Notice of Adverse Claims. Except for the claims and interest of the Beneficiary and of the Grantor in the Trust Account, the Trustee does not have any knowledge of any claim to, or interest in, the Trust Account or in any asset credited thereto, or the Trust Account or in any asset deposited therein. If any Person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Trust Account or in any asset credited thereto, the Trustee shall promptly notify the Beneficiary and the Grantor thereof.

Section 7.6 Trustee Disclaimer. The Trustee makes no representation or warranty as to whether the granting of security interests and liens in Trust Assets by the Grantor under this Article VII (a) invalidates rights or protections conferred upon trusts or the separateness of their legal existence, or (b) reduces, eliminates, or restricts the Beneficiary's rights and interests in the Trust Assets as a beneficiary of the Trust Account.

ARTICLE VIII TRANSFER TAXES

Section 8.1 Transfer Taxes. All (i) sales, use, transfer, realty transfer, recording, ad valorem, privilege, documentary, gross receipts, registration, conveyance, excise, license, stamp, duties or similar taxes and fees (collectively, the "**Transfer Taxes**") arising out of, in connection with or attributable to the transactions effected pursuant to this Trust Agreement and (ii) costs, in each case, incurred in connection with effecting the investment, substitution, deposit or withdrawal of the Trust Assets, shall be shared 50% by the Grantor and 50% by the Beneficiary. The party, as between the Grantor and the Beneficiary, which has primary legal responsibility for the payment of any particular Transfer Tax shall prepare and timely file all relevant tax returns required to be filed in respect of such Transfer Tax. Each of the Grantor and the Beneficiary shall reimburse the Trustee for its 50% share of any such Transfer Taxes or costs incurred by the Trustee.

ARTICLE IX GENERAL PROVISIONS

Section 9.1 Failure to Act. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of either party of any right, power, remedy or privilege, nor any single or partial exercise of any such right, power, remedy or privilege, preclude any further exercise thereof or the exercise of any other such right, power, remedy or privilege.

Section 9.2 Amendments. This Trust Agreement and the Trust created hereunder shall be irrevocable, subject solely to the termination provisions set forth herein. The Grantor shall have no right or power in any capacity to revoke, terminate or alter or amend any terms of this Trust Agreement, in whole or in part, without the prior written consent of the Beneficiary and the Trustee. Notwithstanding the foregoing, this Trust Agreement may be

amended, superseded, canceled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party waiving compliance. To the extent a prior notice of an amendment is required to be filed with an insurance regulatory authority under Applicable Law, no such amendment shall be effective unless such amendment is filed by the Grantor or the Beneficiary with such insurance regulatory authority in compliance with any applicable time period and approved by such insurance regulatory authority or not disapproved by such insurance regulatory authority within any applicable time period.

Section 9.3 Assignment. This Trust Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, permitted assigns and legal representatives, whether by merger, consolidation or otherwise. This Trust Agreement may not be assigned by any party without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 9.4 Counterparts. This Trust Agreement may be executed in any number of counterparts (including by means of facsimile or PDF), all of which shall constitute one and the same original.

Section 9.5 Notices. Unless otherwise specifically provided herein, all notices and other communications under this Trust Agreement shall be in writing and shall be given or made (and shall be deemed to have been duly given or made when personally delivered or sent by overnight courier service, facsimile or electronic media, or upon receipt when sent by registered or certified mail) by (i) delivery in person, (ii) overnight courier service, (iii) facsimile or electronic media or registered or certified mail (postage prepaid, return receipt requested), to the respective parties at the following address (or at such other address for a party as shall be specified in a notice given in accordance with this Section 9.5):

Section 9.6 Severability. Whenever possible, each provision or portion of any provision of this Trust Agreement shall be interpreted in such a manner as to be effective and valid under Applicable Law, but if any term or provision of this Trust Agreement is held by a court of competent jurisdiction or other authority to be invalid, illegal or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof, and this Trust Agreement shall be reformed, construed and enforced as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 9.7 Further Assurances. The Grantor and the Beneficiary shall execute such documents and perform such further acts as may be reasonably required to carry out the provisions of this Trust Agreement.

Section 9.8 Entire Agreement. This Trust Agreement contains the entire agreement among the Beneficiary and the Grantor with respect to the Trust created herein and supersedes all prior agreements, written or oral, with respect thereto.

Section 9.9 Governing Law; Jurisdiction; Enforcement.

(a) This Trust Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the principles of conflicts of law rules thereof. The establishment and maintenance of the Trust Account, and all interests, duties and obligations with respect thereto, shall be governed by the laws of the State of New York.

(b) Each party hereby irrevocably and unconditionally submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York state court sitting in New York County, for purposes of all legal proceedings arising out of or relating to this Trust Agreement, or the transactions contemplated by this Trust Agreement, or for recognition and enforcement of any judgment in respect thereof. In any such action, suit or other proceeding, each party hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such proceedings brought in such court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Each party also agrees that any final and unappealable judgment against a party in connection with any action, suit or other proceeding shall be conclusive and binding on such party and that such award or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. A certified or exemplified copy of such award or judgment shall be conclusive evidence of the fact and amount of such award or judgment. Each party agrees that any process or other paper to be served in connection with any action or proceeding under this Trust Agreement shall, if delivered, sent or mailed in accordance with Section 9.5, constitute good, proper and sufficient service thereof.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS TRUST AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION, ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS TRUST AGREEMENT CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS TRUST AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.9.

Section 9.10 Specific Performance. The Grantor and the Beneficiary recognize and agree that, as between themselves, if for any reason any of the provisions of this Trust Agreement required to be performed by the Grantor or the Beneficiary for the benefit of the other, are not performed in accordance with their specific terms or are otherwise breached, immediate and irreparable harm or injury would be caused for which money damages would not be an adequate remedy. Accordingly, the Grantor and the Beneficiary agree that, in addition to any other available remedies, the Grantor and the Beneficiary shall be entitled to an injunction restraining any violation or threatened violation of any of the provisions of this Trust Agreement by the other without the necessity of posting a bond or other form of security. In the event that any action should be brought in equity to enforce any of the provisions of this Trust Agreement by either the Grantor or the Beneficiary, neither the Grantor nor the Beneficiary will allege, and the Grantor and the Beneficiary each hereby waives the defense, that there is an adequate remedy at law.

Section 9.11 Construction and Effect. This Trust Agreement and the enforceability hereof shall not be subject to the satisfaction of any conditions or qualifications not expressly included herein.

Section 9.12 USA Patriot Act. The Grantor and the Beneficiary each hereby acknowledges that the Trustee is subject to federal laws, including the Customer Identification Program ("CIP") requirements under the USA PATRIOT Act and its implementing regulations, pursuant to which the Trustee must obtain, verify and record information that allows the Trustee to identify the Grantor and the Beneficiary. Accordingly, prior to opening the Trust Account hereunder, the Trustee will ask the Grantor and the Beneficiary to provide certain information including, but not limited to, the Grantor's and the Beneficiary's name, physical address, tax identification number and other information that will help the Trustee to identify and verify the Grantor's and the Beneficiary's identity such as organizational documents, certificate of good standing, license to do business, or other pertinent identifying information. Each of the Grantor and the Beneficiary agrees that the Trustee cannot open the Trust Account hereunder unless and until the Trustee verifies the Grantor's and the Beneficiary's identity in accordance with the Trustee's CIP.

IN WITNESS WHEREOF, the parties hereto have executed this Trust Agreement as of the date first above written.

(ii) The Company shall cause the Closed Block Financing Assets as of the Effective Time to consist of those assets set forth on Annex H.

(iii) The amount of the Initial Coinsurance Premium paid on the Effective Date shall be determined on an estimated basis (the “Estimated Initial Coinsurance Premium”) as follows: (x) with respect to each of the items set forth in clauses (1)(A), (B) and (D) and (2)(A), (B), (C) and (E) of the definition of “Initial Coinsurance Premium,” the portion of the Estimated Initial Coinsurance Premium attributable to such items shall be equal to the respective amounts set forth on the Life Reference Balance Sheet; and (y) with respect to the item set forth in clauses (1)(C) and (2)(D) of the definition of “Initial Coinsurance Premium,” the portion of the Estimated Initial Coinsurance Premium attributable to such item shall be determined by the Company in good faith and in a manner consistent with the principles governing the preparation of the Life Reference Balance Sheet on an estimated basis as of the date that is three (3) Business Days prior to the Effective Date.

(iv) On the Effective Date, the Company shall deliver to the Reinsurer a statement setting forth (A) the amount of the Estimated Initial Coinsurance Premium, determined as of the date that is three (3) Business Days prior to the Effective Date, and (B) the final list of Reinsurance Assets on Annex A-1 and Unavailable Assets on Annex A-2, and will include the Fair Market Value of the Reinsurance Assets and Unavailable Assets, determined as of the date that is three (3) Business Days prior to the Effective Date.

(v) No later than fifty (50) Business Days after the Effective Date, the Company shall deliver to the Reinsurer a statement (the "Initial Coinsurance Premium Reconciliation Statement") prepared in good faith by the Company, in the same form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (1)(A)-(F) and (2)(A)-(E) of the definition in each of the "Initial Coinsurance Premium" (such amount, the "Actual Initial Coinsurance Premium") and (2) the Fair Market Value of the Reinsurance Assets as of the Effective Date. The "Initial Coinsurance Premium Adjustment" shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the Actual Initial Coinsurance Premium *minus* the Estimated Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Fair Market Value of the Reinsurance Assets on the Effective Date *minus* the Fair Market Value of the Reinsurance Assets determined in connection with the calculation of the Estimated Initial Coinsurance Premium pursuant to Section 2.3(a)(i). If the Initial Coinsurance Premium Adjustment is positive, then the Company shall pay to the Reinsurer an amount of cash equal to the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 11.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the Initial Coinsurance Premium Adjustment is negative, then the Reinsurer shall pay to the Company an amount of cash equal to the absolute value of the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 11.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(vi) No later than thirty (30) Business Days following any final adjustments to the Purchase Price (as defined in the SPA) in accordance with Annex C of the SPA, the Company shall deliver to the Reinsurer a statement (the "SPA Coinsurance Premium Reconciliation Statement") prepared in good faith by the Company, in the same form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (1)(A)-(F) and (2)(A)-(E) of the definition in each of the "Initial Coinsurance Premium" (such amount, the "SPA Adjusted Coinsurance Premium") and (2) the Fair Market Value of the Reinsurance Assets as of the Effective Date. The "SPA Coinsurance Premium Adjustment" shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the SPA Adjusted Coinsurance Premium *minus* the Actual Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Fair Market Value of the Reinsurance Assets determined in connection with the calculation of the SPA Adjusted Coinsurance Premium *minus* the Fair Market Value of the Reinsurance Assets determined in connection with the calculation of the Actual Initial Adjusted Coinsurance Premium. If the SPA Coinsurance Premium Adjustment is positive, then the Company shall pay to the Reinsurer an amount of cash equal to the SPA Coinsurance Premium

Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 11.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the SPA Coinsurance Premium Adjustment is negative, then the Reinsurer shall pay to the Company an amount of cash equal to the absolute value of the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 11.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(vii) The Initial Coinsurance Premium Adjustment and the SPA Coinsurance Premium Adjustment shall be paid in cash, but shall be calculated as though such adjustments were payable by transferring a combination of cash and assets having the same ratio of Fair Market Value to Statutory Book Value as the Reinsurance Assets on the Effective Date.

(b) Ceding Commission. In consideration of the reinsurance ceded hereunder, on the Effective Date, the Company shall pay a ceding commission to the Reinsurer equal to \$203,000,000 (the "Ceding Commission"). In addition, on the Effective Date, the Reinsurer shall pay to the Company an amount equal to \$335,000,000.

Section 2.4 Net Retained Liabilities.

(a) The Company shall be solely responsible for, and the Reinsurer will cooperate reasonably to obtain all waivers and consents necessary in order to reinsure 100% of the Net Retained Liabilities under this Agreement. The Company and the Reinsurer, at the Company's reasonable instruction, shall each use their reasonable best efforts in the context of current market conditions to obtain any such waivers and consents (it being understood that the Company's and the Reinsurer's executive officers shall, to the extent reasonably appropriate, be personally engaged in that process) and promptly advise the other Party of any communications with respect to any such waivers and consents. All correspondence from the Reinsurer to any Person from whom such a waiver or consent is sought shall be in a form approved by the Company. The Company shall effect any such action with respect to such waivers and consents, including sending correspondence requesting such waivers and consents. To the extent that after the Effective Time, any written waivers or consents are obtained to reinsure a Net Retained Liability in respect of a Policy under the terms of this Agreement or the Parties otherwise agree in writing that any such waivers or consents shall not be required as a condition to coverage of such Policy hereunder, then the liability and obligation pertaining to such Policy shall no longer be deemed a Net Retained Liability for purposes of this Agreement and the liability and obligation pertaining to such Policy shall be reinsured hereunder effective as of the date of such written consent, waiver or agreement by the Parties, as applicable.

(b) With respect to any such written waiver or consent that is obtained or any such other agreement between the Parties that any such waivers or consents shall not be required as a condition to coverage hereunder, in each case, after the Effective Date:

(i) the Company shall pay the Reinsurer an amount of cash equal to the Net Retained Liability Reserve Transfer Amount with respect to such Net Retained Liability for which waiver or consent was obtained or with respect to which the Parties agreed did not require a consent or waiver as a condition to coverage hereunder;

(ii) the Company shall deliver to the Reinsurer a statement setting forth the Company's good faith calculation of the difference (whether positive or negative) between (x) the aggregate amount of the premiums and considerations, premium adjustments and any and all amounts or payments, including any and all policy fees, charges, reimbursements, reinsurance recoverables and similar amounts, received or collected by the Company in respect of the portion of the Policies from which the relevant Net Retained Liabilities arise during the period following the Effective Date and prior to the date on which such waiver or consent was obtained or with respect to which the Parties agreed such waiver or consent was not required as a condition to coverage hereunder (the "Net Retained Liabilities Adjustment Period"); and (y) the aggregate amount equal to the obligations, including any and all death claims, cash surrender benefits, policyholder dividends, reinsurance premiums, commissions and similar amounts, arising out of or relating to the portion of the Policies from which the relevant Net Retained Liabilities arise (including Extra Contractual Obligations) incurred by the Company during the Net Retained Liabilities Adjustment Period. If such amount is positive, then such amount shall be due to be paid the Company by the Reinsurer, and if such amount is negative, then such amount shall be due to be paid to the Reinsurer by the Company, in each case, together with an amount of interest on such payment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(iii) The payment of the amounts in clauses (i) and (ii) shall be reflected in the Net Settlement for the month in which such consent or waiver was obtained and paid in accordance with Section 6.2.

(c) For the avoidance of doubt, prior to obtaining any such required written consents or waivers, or the making of any such written agreement, the portion of each Policy from which Net Retained Liabilities arise shall not be deemed to constitute a Reinsured Policy for purposes of this Agreement; provided that the Reinsurer shall provide administrative services with respect to any Net Retained Liabilities (and the associated Policies) pursuant to the Administrative Services Agreement. Except as otherwise contemplated by this Section 2.4, the Company shall bear the cost of obtaining any waivers or consents to reinsure a Net Retained Liability.

(d) Until 100% of the Net Retained Liabilities have been reinsured under this Agreement, the Net Settlement for each month shall reflect an adjustment to the Ceding Commission calculated by reference to the then-current amount of the Net Retained Liabilities in accordance with Annex C.

Section 2.5 Producer Payments.

(a) Subject to the Transition Services Agreement, the Reinsurer hereby assumes any and all liabilities and obligations of the Company to make, and agrees that it shall be financially responsible for, all Producer Payments owed from and after the Effective Time that are due in respect of premiums collected and received with respect to the Reinsured Policies. The Company hereby designates the Reinsurer as “paying agent” to make such Producer Payments directly to the applicable Producers from and after the Effective Date (except to the extent that AUSA or its Affiliates are making such Producer Payments pursuant to the Transition Services Agreement). The Company shall act at the Reinsurer’s written direction and expense to exercise all rights of the Company relating to the Reinsured Policies under the terms of the Producer Agreements, including any rights to suspend or terminate Producer Payments to such Producers for any reason or cause set forth in the Producer Agreements, in each case only to the extent such rights thereunder relate to the Reinsured Policies; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

(b) As part of the Net Settlement, the Reinsurer shall pay to the Company from Producer Payments due to a Producer aggregate amounts equal to the agent debit balances, commission claw-backs, agent advances and agent loans maintained by the Company with respect to the applicable Producer and identified by the Company and the Reinsurer, provided that the Reinsurer shall no longer be required to pay such an amount in respect of any balance, claw-back, advance or loan that it acquires from the Company. The Reinsurer shall not be required to pay any such amounts paid to the Company under this Section 2.5(b) to a Producer pursuant to Section 2.5(a).

Section 2.6 Guaranty Fund Assessments and Premium Taxes.

(a) Guaranty Funds Assessments. In the event the Company is required to pay an assessment on or after the Effective Date in respect of the Reinsured Policies to any insurance guaranty, insolvency or other similar fund maintained by any jurisdiction, the portion, if any, of such assessment related to such Reinsured Policies shall be reimbursed by the Reinsurer as part of the applicable monthly settlement pursuant to Section 6.2. To the extent there is any recovery of any such assessment paid by the Reinsurer, the Company shall promptly pay the Reinsurer’s Share of such recovery to the Reinsurer.

(b) Premium Taxes.

(i) The Reinsurer shall pay to the Company a provision for premium taxes and other charges, fees, taxes and assessments, including retaliatory taxes (collectively, “Premium Taxes”), incurred or imposed on or after the Effective Date in connection with premiums written or received under the Reinsured Policies. The provision for Premium Taxes shall be estimated at 1.8% of premiums received under the Reinsured Policies, as calculated on a monthly basis, and shall be paid by the Reinsurer to the Company as part of the monthly settlement pursuant to Section 6.2 and adjusted annually to an actual rate for each year as part of the monthly settlement pursuant to

Section 6.2 for the second calendar month of the following year, with such monthly settlement to reflect the difference between actual Premium Taxes in respect of the Reinsured Policies (after giving effect to any offsets for guaranty fund assessments reimbursed by the Reinsurer pursuant to Section 2.6(a)) and estimated Premium Taxes.

(ii) Each Party shall promptly notify the other in writing upon receipt by it or any of its Affiliates of notice of any pending or threatened Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes.

(iii) The Company shall have the right to control the conduct of any Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes, and to employ counsel of the Company's choice; provided, that the Reinsurer shall be permitted, at the Reinsurer's expense, to be present at, and to participate in, any Action related to Premium Taxes. Notwithstanding such control, the Company shall not settle, either administratively or after the commencement of litigation, any claim for Premium Taxes without the consent of the Reinsurer, which consent shall not be unreasonably withheld or delayed. The Parties shall furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the preparation for any Premium Tax audit or other Action related to Premium Taxes, and the prosecution or defense of any Action related to any Premium Taxes or any Premium Tax Returns filed in connection with such Premium Taxes. The Parties shall reasonably cooperate with each other in the conduct of any Action related to any Premium Taxes. Any information obtained under this Section 2.6(b)(iii) shall be kept confidential, except as otherwise reasonably may be required in connection with the filing of Premium Tax Returns or claims for Premium Tax refunds or in conducting any Action related to Premium Taxes.

Section 2.7 Other Reinsurance. This Agreement is written on a "gross" basis and thus the costs and benefits of Other Reinsurance inuring on the Reinsured Policies are intended to be borne by the Reinsurer. Other Reinsurance with respect to the Reinsured Policies shall be deemed to be inuring to the Reinsurer's benefit for all purposes of this Agreement and shall be accounted for herein such that the Reinsurer participates in the Reinsurer's Share of any premiums, benefits, recoveries, ceding or expense allowances, other allowances and other adjustments as such amounts and such risks are paid, received or otherwise collected by the Company with respect to such Other Reinsurance, it being understood that the Reinsurer shall bear all risk of collecting third party reinsurance and reinsurance provided by Aviva Re IV (in both cases, except as otherwise provided in Section 3.2(c)). Risks under the terms of any agreement of Other Reinsurance as shall be terminated or recaptured with the Reinsurer's prior written consent shall be ceded automatically hereunder to the Reinsurer without any further action required, subject to the receipt by the Reinsurer of the Reinsurer's Share of any reserve transfer or similar transfer or settlement amount received by the Company from the applicable third party reinsurer or Aviva Re IV, as applicable. In connection with any such termination or recapture with the Reinsurer's prior written consent, the Reinsurer shall pay the Reinsurer's Share of any resulting special transfer or recapture fee incurred by the Company. The Company covenants that absent the prior written consent of the Reinsurer, the Company shall not enter into any new or change any existing reinsurance cession with respect to any of the Reinsured Policies.

Section 2.8 Policy Changes and Non-Guaranteed Elements.

(a) Policy Changes. The Company agrees that it shall not make any changes in the provisions and conditions of a Reinsured Policy or an Assumed Reinsurance Agreement except with the Reinsurer's prior written consent or to the extent that any change to the terms of any Reinsured Policy is required by Applicable Law. To the extent a change is required by Applicable Law, the Company shall, within a reasonable period of time prior to effecting such change, provide reasonably detailed written notice to the Reinsurer describing the nature of such change and the reasons for making such change. The Company shall also afford the Reinsurer, at the Reinsurer's expense, the opportunity, to the extent reasonably practicable, to object to such change under applicable administrative procedures; provided, that the Reinsurer may only object to such change in the same manner and to the same extent as it objects to any similar change required by any Applicable Law to substantially similar Novated Contracts.

(b) Non-Guaranteed Elements. The Company will be responsible for determining the cost of insurance charges, loads and expense charges, credited interest rates, mortality and expense charges, administrative expense risk charges and policyholder dividends, as applicable, under the Reinsured Policies ("Non-Guaranteed Elements"); provided, that the Reinsurer may provide written recommendations regarding the Non-Guaranteed Elements to the Company and, provided that such recommendations are the same as the Non-Guaranteed Elements established by the Reinsurer for substantially similar Novated Contracts and comply with the written terms of the Policies, Applicable Law and Actuarial Standards of Practice promulgated by the Actuarial Standards Board governing redetermination of non-guaranteed charges, if the Company does not follow such recommendations, then, the Company shall indemnify and hold harmless the Reinsurer for Losses arising out of the Company's failure to follow the recommendations of the Reinsurer. The Company may not change the Non-Guaranteed Elements without the Reinsurer's prior written consent.

Section 2.9 Ownership of Premiums. Payment of Premiums to the Reinsurer, as Administrator pursuant to the Administrative Services Agreement, by or on behalf of a policyholder shall be deemed received by the Company. All monies, checks, drafts, money orders, postal notes and other instruments that may be received after the Effective Date by the Company for premiums, fees or other payments on or in respect of the Reinsured Policies shall be held in trust by the Company for the benefit of the Reinsurer and shall be immediately transferred and delivered to the Reinsurer, and any such instruments when so delivered shall bear all endorsements required to effect the transfer of same to the Reinsurer. The Reinsurer is hereby authorized to endorse for payment to the Reinsurer any such checks, drafts, money orders and other instruments pertaining to the Reinsured Policies that are payable to, or to the order of, the Company and received by the Reinsurer under this Agreement. As between the Parties, the Reinsurer shall be deemed owner of all such payments.

Section 2.10 Assignment; Security Interest

(a) The Company hereby assigns, transfers and conveys to the Reinsurer, effective as of the Effective Time, all of Company's right, title and interest (legal, equitable or otherwise), if any, (i) under the Reinsured Policies to receive principal and interest paid on policy loans and (ii) in and to the Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies. The Reinsurer and the Company hereby agree that, in connection with any termination of this Agreement, all of the Reinsurer's right, title and interest (legal, equitable or otherwise) in and to the items set forth in (i), (ii) and (iii) above shall be immediately assigned, transferred and conveyed to the Company without any further action by the Parties. Each Party, as reasonably requested by the other from time to time, shall take all reasonably appropriate action and execute any reasonably necessary and appropriate additional documents, instruments or conveyances of any kind which may be reasonably necessary to carry out the provisions of this Section 2.10(a).

(b) The Parties intend that at all times prior to the termination of this Agreement the Company's assignment pursuant to Section 2.10(a) to be a present assignment of all of the Company's rights, title and interest and not an assignment as collateral. However, to the extent that such assignment is not recognized as a present assignment, is not valid or is recharacterized as a pledge rather than a lawful conveyance to the Reinsurer, the Company does hereby bargain, sell, convey, assign and otherwise pledge to the Reinsurer, and grant a first priority security interest to the Reinsurer in, all of the Company's right, title and interest (legal, equitable or otherwise), if any, (i) under the Reinsured Policies to receive principal and interest paid on policy loans and (ii) in and to all Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies (collectively, the "Collateral") to secure all of the Company's obligations under this Agreement.

(c) Upon the failure of the Company to fully perform any of its material obligations under this Agreement, including Sections 6.2 and 10.5, which failure is not caused by the Reinsurer as Administrator and remains uncured ten (10) days after written notice thereof is received by the Company, the Reinsurer shall have, in addition to all other rights under this Agreement or under Applicable Law, the following rights:

- (i) the right to exercise all rights and remedies granted a secured party under the Uniform Commercial Code, as said code has been enacted in the State of Iowa or any other applicable jurisdiction (the "UCC"), as though all the Collateral constituted property subject to a security interest under Article 9 thereof;
- (ii) the right to set off against any of the Collateral any amounts owed by the Company to the Reinsurer;
- (iii) the right to attorneys' fees incurred in connection with the enforcement of this Agreement or in connection with the disposition of the Collateral; and
- (iv) the right to dispose of the Collateral, subject to commercial reasonableness.

(d) This Section 2.10 is being included in this Agreement to ensure that, if an insolvency or other court determines that, notwithstanding the provisions of this Agreement, including Sections 2.1, 2.2, 2.3, 2.9, 6.2 and 13.1, and the intent of this Agreement, the Company retained ownership of or any rights in the Collateral, the Reinsurer's rights to the Collateral are protected with a first priority, perfected security interest, and it is the intent of the Parties that this Section 2.10 be interpreted as such.

(e) At or prior to the Effective Time, the Company shall file, and the Reinsurer is authorized to file, any and all financing statements reasonably requested by the Reinsurer in order to perfect the Reinsurer's right title and interest under Article 9 of the UCC in and to the Collateral, and the Company shall do such further acts and things as Reinsurer may reasonably request in order that the security interest granted hereunder may be maintained as a first priority perfected security interest; provided, that the Reinsurer shall be required to bear all out-of-pocket costs and expenses (including reasonable attorney's fees) incurred by the Company in connection with any such action or other thing requested by the Reinsurer.

Section 2.11 Hedging.

(a) For a period of twelve (12) months following the Effective Date (subject to the right of the Reinsurer to extend such period an additional six (6) months, the Company shall purchase derivatives to hedge the index risk associated with the Equity Indexed Reinsured Policies (each, an "EI Hedge" and collectively, the "EI Hedges"). The Company hereby conveys, transfers and assigns to the Reinsurer, effective as of the Effective Date, a 100% interest in the gross proceeds in respect of the EI Hedges purchased by the Company prior to or following the Effective Date, intended to hedge the index risk associated with the Reinsurer's Share of the Equity Indexed Reinsured Policies (such fractional interest, the "Assigned EI Hedge Interest Proportion"), and each such EI Hedge purchased prior to the Effective Date is set forth on Annex F hereto. Such assignment shall occur automatically, without further action on the part of either Party, upon the purchase by the Company of any EI Hedge or, in the case of any EI Hedges entered into prior to the date hereof, as of the date hereof. EI Hedges assigned under this Section 2.11(a) will be accounted as funds withheld assets payable by the Company to the Reinsurer.

(b) The Company shall pay to the Reinsurer any Assigned EI Hedge Proceeds Amounts to the Bank Accounts (as defined in the Administrative Services Agreement).

(c) The Reinsurer shall pay the Company any Assigned EI Hedge Costs Amounts in accordance with Section 6.2 until the applicable EI Hedges have been novated to the Reinsurer.

(d) The Company shall use reasonable care in its hedging activities with respect to the Reinsured Policies, and such activities shall be consistent with the applicable standards set forth in the Transition Services Agreement. In addition, the Company shall not treat the EI Hedges in any respect in a manner that is different than the manner in which it treats the hedges it enters into with respect to equity indexed policies issued by the Company that are not Equity Indexed Reinsured Policies.

(e) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the EI Hedges and to perform fully each of its obligations thereunder. The Company may not modify, amend or terminate any EI Hedge or waive any of its rights under any such EI Hedge without the Reinsurer's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request and if applicable, requiring the collateralization by the Hedge Counterparty of exposure and other amounts required to be paid or delivered thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to terminate any such EI Hedge and shall, at the Reinsurer's instruction and expense, effect any discretionary action with respect to the management or administration of the EI Hedges as the Reinsurer shall reasonably request, including termination, as may be available pursuant to the terms and conditions of any EI Hedge; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such discretionary action so requested by the Reinsurer and the Company shall indemnify and hold harmless the Reinsurer for Losses to the extent arising out of any failure by the Company to take any such discretionary action as reasonably requested by the Reinsurer. The Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer, pursue commercially reasonable management and collection efforts with respect to the EI Hedges and, in general, will reasonably cooperate with the Reinsurer in the management and administration of the EI Hedges.

(f) Following the Effective Date, at the Reinsurer's request and expense, the Company shall cooperate with the Reinsurer and use its reasonable best efforts in the context of current market conditions to novate any EI Hedges from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Company shall promptly advise the Reinsurer of any communications with respect to any such proposed novation. All material, written correspondence from either the Company or the Reinsurer to any Hedge Counterparty in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense, the Company shall take any such action with respect to any such proposed novation as Reinsurer shall reasonably request, including sending correspondence requesting that an EI Hedge be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer and the Company shall indemnify and hold harmless the Reinsurer for Losses to the extent arising out of any failure by the Company to take any such action as reasonably requested by the Reinsurer.

Section 2.12 Interest Maintenance Reserve. Set forth on Schedule 2.12 is the Reinsurer's Share of the existing Interest Maintenance Reserve attributable to the Reinsured Liabilities and the amount of the new Interest Maintenance Reserve that is created at the Effective Time as a direct result of the transactions contemplated by this Agreement. The entirety of such Interest Maintenance Reserve shall be calculated by the Company and ceded to and held by the Reinsurer, and shall be amortized as set forth on Schedule 2.12. The Company shall have no obligation to establish any such Interest Maintenance Reserve.

Section 2.13 Redundant Reserve Financing. The Reinsurer shall use its reasonable best efforts to enter into a Redundant Reserve Financing Transaction with respect to the 2013 Policies prior to the first anniversary of the Effective Date. The Reinsurer shall keep the Company reasonably informed on an ongoing basis of the progress of its efforts to complete any Redundant Reserve Financing Transaction with respect to the 2013 Policies in accordance with the preceding sentence. In the event that a Redundant Reserve Financing is entered into following the Effective and on or prior to the first anniversary of the Effective Date with respect to the 2013 Policies, the Reinsurer shall promptly pay to the Company, by wire transfer of immediately available funds, an amount equal to seventy-five percent (75%) of the difference between (i) the Statutory Reserves with respect to the 2013 Policies transferred to the Reinsurer as of the Effective Date, *minus* (ii) the economic reserves as of the Effective Date with respect to the 2013 Policies.

Section 2.14 Supplemental Allowance.

(a) Following the Effective Date and for so long as the Supplemental Allowance remains payable, Buyer shall provide Seller copies of any amendment made to the documents constituting the Hannover Life Captive Financing and the Swiss Re Captive Financing to the extent such amendment is reasonably expected to change the value of the Supplemental Allowance in accordance with the Reduction Methodology, as well as any change to the investment guidelines under such Captive Financings. For the avoidance of doubt, amendments to such documents include any termination, partial termination or recapture.

(b) In respect of each Monthly Accounting Period the Company shall pay the Reinsurer, as part of the applicable monthly settlement pursuant to Section 6.2, an amount equal to the aggregate Supplemental Allowance for all Captive Financings.

ARTICLE III
REINSURANCE LIABILITY

Section 3.1 Reinsurance Liability. The reinsurance by the Reinsurer of the Reinsured Policies is subject to the same rates, conditions, limitations and restrictions as the insurance under the Reinsured Policies written by the Company on which the reinsurance is based. The liability of the Reinsurer hereunder on the terms described herein begins as of the Effective Time and, subject to Article X hereof, the liability of the Reinsurer on any Reinsured Policy will terminate as and when all liability of the Company with respect to such Reinsured Policy terminates.

Section 3.2 Other Reinsurance.

(a) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the Other Reinsurance Agreements and to perform fully each of its obligations thereunder. The Company may not modify, amend, terminate or recapture any

Other Reinsurance Agreement or waive any of its rights under any such agreement without the Reinsurer's prior written consent and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request, requiring the collateralization by the third party reinsurer or Aviva Re IV, as applicable, of reserve balances and other amounts thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to recapture risks ceded thereby under any of the Other Reinsurance Agreements or to otherwise terminate any such agreement and shall, at the Reinsurer's instruction and expense, effect any such action with respect to the management or administration of the Other Reinsurance as the Reinsurer shall reasonably request, including termination or recapture, as may be available under or with respect to the terms of any Other Reinsurance Agreement; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer. Subject to the terms and conditions of the Administrative Services Agreement, the Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer (including any reasonable out-of-pocket expenses incurred by the Company), pursue commercially reasonable management and collection efforts with respect to the Other Reinsurance and, in general, will reasonably cooperate with the Reinsurer in the management of the Other Reinsurance.

(b) Following the Effective Date, at the Reinsurer's expense and reasonable request, the Company shall cooperate with the Reinsurer and shall use its reasonable best efforts in the context of current market conditions to novate any Other Reinsurance from the Company to the Reinsurer or a designated Affiliate of the Reinsurer; provided that there shall be no such obligation to novate the reinsurance provided by Aviva Re IV. The Parties shall promptly advise each other of any communications with respect to any such proposed novation. All correspondence from either the Company or the Reinsurer to any reinsurer under Other Reinsurance in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense (including any reasonable out-of-pocket expenses incurred by the Company), the Company shall effect any such action with respect to any such proposed novation as the Reinsurer shall reasonably request, including sending correspondence requesting that an Other Reinsurance Agreement be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

(c) The recoverability of the Other Reinsurance from reinsurers shall be at the risk of and for the account of the Reinsurer provided, that to the extent the Other Reinsurance became unrecoverable (in accordance with the Company's ordinary-course evaluation and statutory accounting treatment) prior to the Effective Time, the recoverability of such amounts shall be borne by the Company. The Company agrees that whenever an Other Reinsurance Agreement provides the Company with a right of set-off, the Company shall exercise such right of set-off in the event that amounts are due and unpaid from the Reinsurer. The Company shall have no obligation to pursue any claims it may have for indemnification to which it may be entitled in connection with the Other Reinsurance unless requested to do so by the Reinsurer and at the cost and expense of the Reinsurer (including

reasonable out-of-pocket expenses incurred by the Company). In no event shall any such right to indemnification reduce the Reinsurer's responsibility for the risk of all Other Reinsurance. The Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by Reinsurer.

Section 3.3 Disclaimer. The Company has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Company expressly disclaims, and makes no representations or warranties to the Reinsurer, other than those expressly contained in this Agreement. The Reinsurer has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Reinsurer expressly disclaims, and makes no representations or warranties to the Company, other than those expressly contained in this Agreement.

ARTICLE IV CERTAIN FINANCIAL PROVISIONS

Section 4.1 Provision of Security by the Reinsurer.

(a) On the Effective Date, the Reinsurer shall establish and fund with an amount of cash and assets having a Statutory Book Value equal to the Required Balance, calculated in good faith by the Reinsurer as of the Effective Date based on the information set forth in the statement delivered by the Company pursuant to Section 2.3(a)(iii), a custody account (the "Custody Account") with a Qualified United States Financial Institution unaffiliated with the Reinsurer and the Company and which is reasonably acceptable to the Reinsurer and the Company (the "Custodian") at the sole cost and expense of the Reinsurer and shall enter into the Custody Agreement. The Reinsurer shall transfer or pay into the Custody Account, and shall thereafter maintain in the Custody Account, cash and assets managed by the Reinsurer or its designee in accordance with the requirements set forth in the Custody Agreement, having a Statutory Book Value, determined in good faith by the Reinsurer on a quarterly basis, to be not less than the Required Balance.

(b) For purposes of this Agreement, the term "Required Balance," as of any date of determination, means an amount equal to (i) (A) the Reinsurer's Share of the Statutory Reserves that would be required to be held by the Company with respect to the Reinsured Policies (other than the Captive Policies and the Closed Block Policies) if this Agreement were not in effect, *plus* (B) the Reinsurer's Share of the Economic Reserves that would be required to be held by the Company with respect to the Captive Policies if this Agreement were not in effect, *less* (C) the amount of any assets supporting Economic Reserves to the extent such assets are held by a Captive Reinsurer or in a trust established by a Captive Reinsurer pursuant to the terms of any Captive Reinsurance Agreement, *plus* (D) the Reinsurer's Share of the Interest Maintenance Reserve attributable to the Reinsured Liabilities and the Closed Block Policies, *plus* (E) the amount of any new Interest Maintenance Reserve that is created at the Effective Time as a direct result of the transactions contemplated by this Agreement, in each case, as of such date of determination and determined in accordance with SAP, consistently applied, *less* (F) the amount of outstanding policy loans on the Reinsured Policies (other than the Closed Block Policies) (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy

loan interest on such loans but including amounts of interest due and accrued with respect thereto), *less* (G) the net due and deferred Premiums on the Reinsured Policies (other than the Closed Block Policies), *less* (H) the aggregate Statutory Book Value of the EI Hedges purchased by the Company, in each case, as of such date of determination and determined in accordance with SAP, consistently applied (to the extent SAP is applicable), *plus* (ii) the Additional Collateral Amount. The Required Balance and the Statutory Book Value of any assets held in the Custody Account shall be calculated by the Reinsurer as of the last day of each calendar quarter, and the Reinsurer shall provide a certification with respect to such valuation, including the Statutory Book Value and Fair Market Value of the assets (both on an asset-by-asset basis and a cumulative basis), to the Company within thirty (30) days after the end of such quarter. If the amount of cash plus the Statutory Book Value of assets held in the Custody Account as of any quarter end is less than the Required Balance as of such quarter end, the Reinsurer shall within five (5) Business Days after such determination is made make such further deposits to the Custody Account as are required in order to restore the Required Balance as of such quarter end. If the amount of cash plus the Statutory Book Value of assets held in the Custody Account as of any quarter end is greater than the Required Balance as of such quarter end, the Reinsurer may provide notice to the Company of its desire to withdraw assets from the Custody Account, specifying the amount and type of assets to be withdrawn. Within five (5) Business Days following its delivery of such notice to the Company, the Reinsurer may withdraw such assets from the Custody Account in excess of the amount necessary to maintain such Required Balance as of the applicable quarter end in accordance with the requirements set forth in the Custody Agreement. Any disputes by the Company of the amount of the Required Balance or the valuation of any asset deposited in the Custody Account pursuant to this Section 4.1 shall be resolved in accordance with Section 11.1. Upon resolution of any such dispute in accordance with Section 11.1, either (A) the Reinsurer shall cause to be deposited additional assets that comply with Section 4.1(a) within two (2) Business Days following such resolution, such that following any such deposit, the amount of cash plus the Statutory Book Value of the assets held in the Custody Account is sufficient to maintain the Required Balance as of the applicable quarter end; or (B) the Reinsurer may withdraw assets from the Custody Account in accordance with this Section 4.1(b), such that following any such withdrawal, the amount of cash plus the Statutory Book Value of the assets held in the Custody Account is sufficient to maintain the Required Balance as of the applicable quarter end. Unless otherwise agreed upon in writing by the Company, the Reinsurer shall maintain the Custody Account until all obligations of the Reinsurer under this Agreement have been fully satisfied, as determined by the Company in its sole discretion.

(c) The Company and the Reinsurer agree that the assets maintained in the Custody Account may be withdrawn by the Company only after a default by the Reinsurer in the performance of its monetary obligations hereunder that is not being disputed by the Reinsurer in good faith, which undisputed payment default has not been cured by the Reinsurer within five (5) Business Days following its receipt of a written notice thereof delivered by the Company. The amount of any such withdrawal in excess of amounts then due to Company hereunder shall be deemed maintained in trust for the benefit of the Reinsurer and promptly returned to the Custody Account. Upon prior written notice to the Company, the Reinsurer shall have the right to substitute or exchange assets maintained in the Custody Account in accordance with the requirements set forth in the Custody

Agreement (such substituted or exchanged assets, the "Replacement Assets"); provided that (i) the aggregate Statutory Book Value of such Replacement Assets that are deposited in or credited to the Custody Account shall be at least equal to the aggregate Statutory Book Value of the assets being removed from the Custody Account, (ii) the ratio of the aggregate Fair Market Value of the non-cash Replacement Assets to the aggregate Statutory Book Value of the non-cash Replacement Assets shall be the same as or greater than the ratio of the aggregate Fair Market Value of the non-cash assets being removed from the Custody Account to the aggregate Statutory Book Value of the non-cash assets being removed from the Custody Account immediately prior to such substitution, (iii) the Replacement Assets shall be deposited in the Custody Account prior to or simultaneously with the removal of assets from the Custody Account in connection with any such substitution or exchange and (v) the Reinsurer shall not make any substitutions under this Section 4.1(c) if it is in default under any other provision of this Agreement.

(d) With respect to the transfer of any Reinsurance Assets to the Custody Account, the Reinsurer will, except as otherwise provided in connection with the Swiss Re Captive Financing, hold valid title to all such Reinsurance Assets free and clear of all liens or other encumbrances, other than interests of nominees, custodians or similar intermediaries. As of the date of the transfer of any assets to the Custody Account after the Effective Date, the Reinsurer will, except as otherwise provided by the Swiss Re Captive Financing, (i) have good and marketable title to all such assets transferred by it to the Custody Account, (ii) all assets transferred by the Reinsurer after the Effective Date to the Custody Account shall be transferred free and clear of any liens other than interests of nominees, custodians or similar intermediaries, and (iii) the Reinsurer will not create, incur, assume or permit any lien or other encumbrance on any of the assets held in the Custody Account, or on any interest therein or on any of the proceeds thereof, other than interests of nominees, custodians or similar intermediaries.

(e) The Reinsurer shall notify the Company in writing of any payment default occurring as to any asset in the Custody Account promptly after the Reinsurer receives notice of such default. In the event the Reinsurer determines that a delinquency of a timely payment in regard to any of the assets in the Custody Account has occurred, the Reinsurer shall inform the Company of such delinquency promptly upon such determination.

(f) Assets in the Custody Account may be withdrawn and applied by the Company or any successor of the Company without diminution because of insolvency on the part of the Company or the Reinsurer only for the following purposes:

(i) to pay to the Company any amount due to be paid out of the Custody Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Reinsurer in good faith;

(ii) to pay any portion of the Net Settlement due to be paid to the Company from the Custody Account in accordance with Section 6.2(b) to the extent such portion is not being disputed by the Reinsurer in good faith; or

(iii) to pay or reimburse the Company for any other amounts due but not yet recovered from the Reinsurer under this Agreement in order to satisfy liabilities under the Reinsured Policies (other than the Closed Block Policies) to the extent such amounts are not being disputed by the Reinsurer in good faith.

For the avoidance of doubt, any amounts referred to above that are not the subject of a good faith dispute may be withdrawn and applied for the purposes provided above.

(g) The Reinsurer shall not amend, restate, modify, supplement, assign, terminate, hypothecate, subordinate, discharge or otherwise alter or waive, or consent to amendment, restatement, modification, supplementation, assignment, termination, hypothecation, subordination, discharge or other alteration or waiver of the Custody Agreement without the prior written consent of the Company, such consent not to be unreasonably withheld, conditioned or delayed.

Section 4.2 Credit for Reinsurance. If at any time during the term of this Agreement, the Reinsurer fails to hold and maintain all licenses, permits and authorities required under Applicable Law to enable the Company to receive statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile, the Reinsurer shall, at its sole expense, establish and maintain security in the form of letters of credit, assets held in a reinsurance trust, funds withheld arrangement or a combination thereof in a manner that meets all Applicable Laws regarding credit for reinsurance, so as to permit the Company to receive full statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile.

Section 4.3 RBC Reports.

(a) Within forty-five (45) days following the end of the first three calendar quarters of each year during the term of this Agreement, the Reinsurer shall provide to the Company a report of its RBC Ratio as of the end of such calendar quarter, as estimated in good faith by the Reinsurer.

(b) Within five (5) Business Days of the submission by the Reinsurer to the insurance department of its domiciliary state of a report of its risk-based capital levels as of the end of the previous calendar year, but in no event later than 60 days following the end of each calendar year, the Reinsurer shall provide to the Company written certification of its RBC Ratio as of the end of such calendar year.

Section 4.4 Closed Block Assets.

(a) The Company acknowledges that as of the Effective Time, the Company has ceded 100% of the statutory reserves with respect to the Closed Block Policies to Aviva Re IV in connection with the Closed Block Financing.

(b) Each of the Company and the Reinsurer agrees that it shall not, without the prior written consent of the other party, (i) agree to any amendment or waiver of the terms of the reinsurance provided by Aviva Re IV or any other term of the Closed Block Financing, or (ii) take any action or omit to take any action that would reasonably be expected to terminate the Closed Block Financing or result in the complete or partial recapture of the reinsurance provided to the Company as of the Effective Time by Aviva Re IV.

(c) In the event that reinsurance provided as of the Effective Time by Aviva Re IV is recaptured in whole or in part by the Company, with the prior written consent of the Reinsurer, either (i) at the maturity of the letter of credit issued pursuant to the Closed Block Financing or (ii) at any other time, the Company shall allocate to a funds withheld account established on its books and records (the "Funds Withheld Account") a premium that relates to the Closed Block Policies consisting of cash, cash equivalents, policy loans and other assets which were included in the funds withheld account maintained in connection with the Closed Block Financing immediately prior to the recapture, *plus* the Interest Maintenance Reserve attributable to the Closed Block Policies, *minus* the net due and deferred Premiums on the Closed Block Policies.

(d) The Funds Withheld Account shall be a notional account established in relation to the Closed Block Policies, and shall be clearly designated on the books, records and information systems of the Company. The Company will retain, control and own the assets allocated to the Funds Withheld Account (the "Funds Withheld Assets"). The Company shall record the balance of the Funds Withheld Account on its statutory financial statements as a payable to the Reinsurer.

(e) Funds Withheld Assets may be withdrawn and applied by the Company or any successor of the Company without diminution because of insolvency on the part of the Company or the Reinsurer only for the following purposes:

(i) to pay to the Company any amount due to be paid out of the Funds Withheld Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Reinsurer in good faith;

(ii) to adjust the Funds Withheld Account on a monthly basis in accordance with Section 6.2(b) to the extent such adjustment is not being disputed by the Reinsurer in good faith, and to pay the Reinsurer any amounts due in connection with such monthly adjustment to the extent such amounts are not being disputed by the Company in good faith;

(iii) to pay to the Reinsurer any amounts remaining in the Funds Withheld Account, if any, after the payment of any amounts due to be paid out of the Funds Withheld Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Company in good faith; or

(iv) to pay or reimburse the Company for any other amounts due but not yet recovered from the Reinsurer under this Agreement in order to satisfy liabilities under the Closed Block Policies to the extent such amounts are not being disputed by the Reinsurer in good faith.

For the avoidance of doubt, any amounts referred to above that are not the subject of a good faith dispute may be withdrawn and applied for the purposes provided above.

(f) From and after the Effective Date, whether or not there has been any recapture of the reinsurance provided by Aviva Re IV, the Funds Withheld Assets and the Closed Block Financing Assets (excluding the capital and surplus of Aviva Re IV) shall be managed on behalf of the Company by the Reinsurer or by an investment manager selected by the Reinsurer pursuant to an investment management agreement.

(g) Except with respect to the capital and surplus of Aviva Re IV, the Reinsurer covenants that the Funds Withheld Assets and the Closed Block Financing Assets must be invested in accordance with requirements of Applicable Law, the AmerUS Plan of Reorganization and the AmerUS Closed Block Memorandum. Except with respect to the capital and surplus of Aviva Re IV, the Reinsurer covenants that the Closed Block Financing Assets must also be invested in accordance with the requirements of the transaction documents governing the Closed Block Financing.

Section 4.5 Additional Layer of Closed Block Reinsurance

(a) The Reinsurer shall provide an additional layer of reinsurance coverage under this Agreement if: (i) dividends on the Closed Block Policies have been reduced to zero; (ii) based on generally accepted actuarial standards, there is no expected future capacity to pay dividends on the Closed Block Policies; (iii) the \$18 million of Interest Maintenance Reserve that was attributable to the Closed Block Policies at the Effective Time, and any additional interest maintenance reserve attributable to the Closed Block Policies and created from and after the Effective Time, have been reduced to zero; and (iv) the statutory capital and surplus of Aviva Re IV is reduced as a result of the need to support reserves held by Aviva Re IV for the Closed Block Policies (the amount of assets so used, the "Capital Reduction").

(b) Such additional layer of reinsurance coverage shall be provided on the following terms:

(i) Pursuant to the Net Settlement, the Reinsurer shall reimburse the Company for the amount of any Capital Reduction suffered during the applicable Monthly Accounting Period, provided that the Reinsurer shall not be obligated to reimburse the Company for Capital Reductions in excess of \$53 million in the aggregate (the "Additional Layer").

(ii) If, after some or all of the Additional Layer has been exhausted, the expected future capacity to pay dividends on the Closed Block Policies is increased above zero under generally accepted actuarial standards, then pursuant to the Net Settlement the Company shall reimburse the Reinsurer for amounts of Additional Layer previously paid to the extent of resulting increases in the capital and surplus of Aviva Re IV during the applicable Monthly Accounting Period until either (x) the expected future capacity to pay dividends on the Closed Block Policies is reduced back to zero or (y) the Additional Layer has been repaid in full to the Reinsurer.

(iii) After the Reinsurer has paid all of the Additional Layer, the coverage provided under this Agreement for the Closed Block Policies will be net of Other Reinsurance Benefits actually received by the Company under the reinsurance provided by Aviva Re IV.

(iv) The Reinsurer's obligation to provide the Additional Layer shall terminate at the effective time of any recapture by the Company of the reinsurance provided by Aviva Re IV.

ARTICLE V
PLAN OF REINSURANCE

Section 5.1 Plan. Reinsurance under this Agreement is on a 100% coinsurance basis and is subject to the terms and conditions of the original policy forms for the Reinsured Policies and any amendments thereto in effect as of the Effective Date.

Section 5.2 Follow the Fortunes. The Reinsurer's liability under this Agreement shall commence on the Effective Date, and all reinsurance with respect to which the Reinsurer shall be liable by virtue of this Agreement shall be subject in all respects to the same risks, terms, rates, conditions, interpretations, assessments, waivers, proportion of premiums paid to, and reinsurance recoveries benefiting, the Company with respect to the Reinsured Liabilities and the Reinsured Policies, the true intent of this Agreement being that the Reinsurer shall follow the fortunes of the Company with respect to the Reinsured Liabilities and Reinsured Policies.

Section 5.3 Reductions and Terminations. Reinsurance amounts are calculated in terms of coverages on a "per policy" basis. If the coverage of any Reinsured Policy on an insured is reduced or terminated, reinsurance under this Agreement on such Reinsured Policy will be equally reduced or terminated.

Section 5.4 Reinstatements. Reinsured Policies ceded under this Agreement shall include any Policy that is reduced, terminated, lapsed or surrendered, and later reinstated pursuant to and in accordance with its policy provisions and will be reinsured by the Reinsurer in accordance with the terms of this Agreement. The Reinsurer will retain any Premiums and interest that the Company has received for reinstatement in respect of periods on or after the Effective Date. A terminated Policy that would have been a Reinsured Policy had it been in force at the Effective Time, that later reinstates pursuant to and in accordance with its policy provisions, will be reinsured by the Reinsurer and become a Reinsured Policy. The Reinsurer will be entitled to retain any Premiums and interest for coverage on or after the Effective Date that is received for such reinstatement, and the Company will transfer to the Reinsurer the amount of reserves for such reinstated Reinsured Policy as of the Effective Date, calculated in a manner that is consistent with the reserve calculations used for the other Reinsured Policies. The date of reinsurance for such reinstated Reinsured Policies shall be the Effective Date. For the avoidance of doubt, the reinstated Policies reinsured under this Section 5.4 shall include any Policy treated as lapsed or otherwise terminated prior to the Effective Time under which the Company subsequently becomes liable as a result of a determination that the policyowner, insured or beneficiary has died prior to the lapse or termination.

Section 5.5 Contractual Conversions: Internal Replacement: Annuitizations.

(a) Any conversion, exchange or replacement policy or contract arising from the Reinsured Policies that is converted, exchanged or replaced pursuant to and in accordance with its policy terms shall be deemed to constitute a Reinsured Policy for purposes of this Agreement and, in the event of a conversion, exchange or replacement of any Reinsured Policy, the Reinsurer shall reinsure the risk resulting from such conversion on the basis set forth hereby with respect to the Reinsured Policies; provided, however, that the Reinsurer shall not be required to pay any additional ceding commission with respect to any such converted, exchanged or replacement policy or contract. The Reinsurer will reimburse the Company for any expenses incurred in issuing a converted, exchanged or replacement policy or contract, but only to the extent such expenses are not covered by payments made by the Reinsurer under the Transition Services Agreement.

(b) Absent the Reinsurer's prior written consent (which may be withheld in its sole discretion), the Company will not solicit owners, beneficiaries or policyholders in connection with, or sponsor or assist, directly or indirectly, in the conduct of, (and will cause each of its Affiliates to refrain from soliciting in connection with, and sponsoring or assisting, directly or indirectly, in the conduct of) any program of internal replacement under which the owners, beneficiaries or policyholders of Reinsured Policies are or would be encouraged to exchange, or assisted in the exchange of, Reinsured Policies for other insurance policies or contracts that are not reinsured under this Agreement. Should the Company or its Affiliates or any of their respective successors or assigns initiate such a program of internal replacement that would include any of the risks reinsured hereunder in violation of the preceding sentence, the Company will immediately notify the Reinsurer. For each risk reinsured hereunder that has been replaced under a program of internal replacement, the Reinsurer shall have the option, at its sole discretion, of either treating the risks reinsured as recaptured on terms reasonably acceptable to the Reinsurer or continuing reinsurance on the new policy under the terms of this Agreement without any additional ceding commission therefor.

(c) Until the earlier of (i) such time as the Reinsurer is able to administer the Reinsured Policies on its information technology systems or (ii) the expiration of the Transition Services Agreement (the "Systems Conversion"), in the event that a Reinsured Policy is annuitized in full under the contract provisions of such policy (each an "Annuitization"), the Company shall convert such Reinsured Policy to one or more Supplementary Contracts. At the time of such conversion, the Reinsurer shall pay to the Company an amount equal to the policy surrender value of such Reinsured Policy as of the time of the conversion (an "Annuitization Payment") as part of the Net Settlement. Upon the Annuitization of a Reinsured Policy, the Policy and any associated Supplementary Contracts, comprising such Reinsured Policy shall cease to be a Reinsured Policy under this Agreement, and, with the exception of the Annuitization Payment described in this Section 5.4(c) the Reinsurer will have no further liability with respect to such Policy or any associated Supplementary Contracts. For the avoidance of doubt, any Reinsured Policies that undergo an Annuitization following the Systems Conversion will remain Reinsured Policies and the Reinsurer will reinsure any Supplementary Contracts issued with respect to such Reinsured Policies.

Section 5.6 New Policies. From and after the Effective Date, the Company shall issue in its name (a) new Policies issued or reinstated pursuant to Section 5.4 or 5.5(a) and (b) new Policies issued or renewed in accordance the terms of the Administrative Services Agreement.

Section 5.7 Policy List Errors.

(a) The Company or the Reinsurer, as applicable, shall notify the other Party if any life insurance policies or contracts issued or reinsured by the Company and in force as of the Effective Date were inadvertently not included on the Policy List and are determined to be a Policy, which shall in no event include any insurance policies and contracts falling within the following lines of business: health, annuities, funding agreements, corporate-owned life insurance and bank-owned life insurance when sold on a group basis, synthetic guaranteed investment contracts and variable life or other variable business.

(b) If any policies or contracts (or components thereof) are determined to be Policies in accordance with this Section 5.7, then:

(i) the Company shall transfer cash or assets reasonably satisfactory to the Reinsurer in an amount equal to the Statutory Reserves required to be held with respect to such Policies to the extent such Statutory Reserves were not previously transferred to the Reinsurer; and

(ii) the Parties shall adjust the Ceding Commission in a manner consistent with the adjustment required under Section 2.4(b)(ii) in connection with changes in the Net Retained Liabilities to the extent such Ceding Commission relates to an aggregate increase in Statutory Reserves equal to or greater than \$10,000,000.

ARTICLE VI
ADMINISTRATION

Section 6.1 Administrative Services. The Parties hereby agree that the Policies, Other Reinsurance Agreements and, subject to Section 2.11, the EI Hedges shall be administered in accordance with or as otherwise provided in the Administrative Services Agreement and the Transition Services Agreement.

Section 6.2 Net Settlements.

(a) For each Monthly Accounting Period, the Parties will effect a settlement on a net basis (the "Net Settlement") as contemplated in Annex B hereto.

(b) A report reflecting in detail the Net Settlement determinations contemplated in Annex B shall be prepared not later than thirty (30) calendar days after the end of each Monthly Accounting Period. For as long as required under the Transition Services Agreement, the Company shall prepare and deliver such report to the Reinsurer. After such time, the Reinsurer shall prepare and deliver such report to the Company. If a Net Settlement report reflects a balance due the Company, the amount(s) shown as due shall be paid within ten (10) Business Days of the delivery of the report. If a Net Settlement report reflects a balance due the Reinsurer, the amount(s) shown as due shall be paid within ten

(10) Business Days after the date on which the report was delivered. If there is a delayed settlement of any payment due hereunder, interest will accrue on such payment at the Applicable Rate. For purposes of this section, a payment will be considered overdue on the date which is ten (10) Business Days after the date such payment is due hereunder; provided that such interest will begin to accrue from the original due date with respect to such payment. All settlements of account between the Company and the Reinsurer shall be made in cash or its equivalent.

(c) To the extent that the Reinsurer makes any direct payments to or on behalf of the Company in respect of Reinsured Liabilities or other amounts payable to the Company pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such payments shall be taken into account for purposes of determining the Net Settlement. In addition, to the extent the Reinsurer receives any Premiums or other amounts payable to the Reinsurer pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such Premiums received shall be taken into account for purposes of determining the Net Settlement.

(d) In connection with any settlement under this Agreement, the Reinsurer shall not be obligated to pay any Excluded Reinsured Liability.

ARTICLE VII
OPTION LETTERS; ASSUMPTION CERTIFICATES; NOVATION

Section 7.1 Novation. The Reinsurer shall pursue novation of all of the Reinsured Policies other than the Closed Block Policies and any Reinsured Policies that are the subject of litigation or arbitration proceedings (the "Targeted Policies"). The Reinsurer may manage the novation process so as to ensure that the Targeted Policies are novated to the Reinsurer only once the requisite systems are in place in order to reflect the Novated Contracts on the books and records of the Reinsurer in accordance with the migration processes and related time periods contemplated by the Transition Services Agreement.

Section 7.2 Licenses; Regulatory Approvals for Novation

(a) Following the Effective Date, the Reinsurer shall use its reasonable best efforts to obtain all material licenses, permits and authorizations required under Applicable Law to qualify the Reinsurer to transact life insurance business in each state where any Targeted Policies are in force as of the Effective Date.

(b) Following the Effective Date, the Reinsurer shall use its reasonable best efforts to obtain all required regulatory approvals, including approval of the requisite form and rate filings, from each applicable Governmental Entity to assume by novation such Targeted Policies (effective as of their inception) including all of the Company's liabilities and obligations under each such Targeted Policy, in order to ensure that such liabilities and obligations are solely, directly and exclusively vested in the Reinsurer.

(c) Each Party shall cooperate fully with the other in all reasonable respects in order to effectuate the novation and assumption of the Targeted Policies as set forth in this Article VII. The Reinsurer shall be responsible for and shall pay its own costs, fees and expenses relating to the regulatory filings contemplated under this Section 7.2, and shall reimburse the Company for any reasonable out-of-pocket expenses that it incurs in connection with such filings.

Section 7.3 Option Letter.

(a) Subject to Section 7.3(b), the Reinsurer, at its sole cost and expense, promptly following receipt of the requisite approvals of applicable Governmental Entities, shall transmit by mail to every Required Party as required by the Applicable Law and in accordance with the consent solicitation procedures set forth on Schedule 7.3(a), an option letter (the "Option Letter"), together with a Notice and Certificate of Assumption, including, where required, a form for rejection or acceptance, as permitted by Applicable Law, and a self-addressed return envelope, substantially in the form attached hereto as Exhibit II (which identifies and includes the forms of Option Letters to be furnished to the various classes of Required Parties), as modified to reflect such changes as may be required by the relevant Governmental Entity following the Effective Date (the "Notice and Certificate of Assumption"). Option Letters and Notices and Certificates of Assumption shall not be sent with respect to a Targeted Policy unless and until all requisite approvals of applicable Governmental Entities have been received with respect to such Targeted Policy.

(b) Subject to the receipt of the requisite regulatory approvals and Applicable Law, the Reinsurer may, at its option, in lieu of transmission of an Option Letter to a Required Party by mail, effect such transmission by electronic mail to an appropriately confirmed electronic mail address for the Required Party, or in the alternative, by any other method allowed under Applicable Law.

(c) The Reinsurer and the Company shall in good faith agree to modify the procedures set forth in this Section 7.3 and in Schedule 7.3(a) on a state-by-state basis to the extent required to conform to any procedures for novation and assumption of Targeted Policies imposed or required by the applicable Governmental Entity or as reasonably requested by the Reinsurer.

(d) Notwithstanding anything in this Agreement to the contrary, with respect to the classes of Required Parties described on Schedule 7.3(d), the Option Letter, to the extent permitted by Applicable Law, may be accompanied by a form for rejection, and a self-addressed return envelope, substantially in the form attached hereto as Exhibit III, and the Reinsurer shall not be required to seek affirmative consent from such Required Parties, unless required by Applicable Law.

(e) The Reinsurer shall pay its own costs, fees and expenses relating to soliciting or obtaining the consent of a Required Party to the novation and assumption by the Reinsurer of a Targeted Policy. The Company shall cooperate in any such actions taken by the Reinsurer, and the Reinsurer shall reimburse the Company for its reasonable out-of-pocket costs incurred in connection with such cooperation.

Section 7.4 Novated Contracts. Targeted Policies satisfying all of the requirements for novation and assumption under Section 7.3 and Applicable Law shall be assumed by the Reinsurer on the applicable Assumption Date and shall be deemed to have been assumed by novation. Such contracts shall cease to be deemed "Reinsured Policies," shall thenceforth not be deemed indemnity coinsured under Article II hereof, and shall be defined herein as "Novated Contracts." Notwithstanding the foregoing, in the event that (a) a Required Party rejects or fails to provide any consent required by Applicable Law to the novation of a Reinsured Policy, or (b) a Novated Contract is determined by appropriate Governmental Entities or a court of competent jurisdiction to be not novated from the Company to the Reinsurer (including, but not limited to, jurisdictions requiring the insured's affirmative consent for novation where the insured or policyholder, as the case may be, either did not or refused to provide such consent), then in the case of either of (a) or (b), such Novated Contract shall for all purposes of this Agreement be deemed, retroactive to the Effective Date, to be a Reinsured Policy and such novation shall be null and void and of no effect. For the avoidance of doubt, the Reinsured Liabilities for each such Novated Contract that is deemed to be a Reinsured Policy in accordance with the foregoing shall be deemed assumed by the Reinsurer retroactive to the Effective Date for all purposes of this Agreement. For each Novated Contract, the date of assumption shall be the later of (i) the date of assumption set forth in the relevant form of Option Letter with respect to the applicable Targeted Policy or (ii) the date on which all required consents and approvals of all Governmental Entities and Required Parties with respect to the applicable Targeted Policy have actually been received and all other requirements and conditions for novation and assumption have been satisfied (the "Assumption Date"). All Targeted Policies not novated by the Reinsurer shall remain Reinsured Policies of the Company.

Section 7.5 Effect of Assumption. Upon the satisfaction of all requirements for the novation and assumption of a Targeted Policy, the Company shall be deemed to have assigned and transferred all of its rights relating to such Novated Contract as of the Assumption Date and the Reinsurer shall be deemed to have assumed and accepted all of the risks, liabilities and obligations (including, without limitation, any Extra Contractual Obligations) under or arising out of the applicable Novated Contract, whether arising prior, on or subsequent to the applicable Assumption Date. The Reinsurer hereby agrees that it shall be directly and solely liable for such risks, liabilities and obligations. On each Assumption Date, the Reinsurer shall assume all risks, liabilities and obligations under or arising out of the applicable Novated Contract such that the Reinsurer shall be considered and deemed the original party in lieu of the Company, from the inception date of the applicable Reinsured Policy. The Novated Contracts shall continue and remain in full force and effect, except as modified by the Notice and Certificate of Assumption. For the avoidance of doubt, a Novated Contract shall not constitute the creation of a new contract or the termination of the applicable Reinsured Policy, rather such Novated Contract shall be considered and deemed a continuation of the existing contract as if the Reinsurer were the original party in lieu of the Company. It is understood and agreed that such assignment, transfer and assumption shall not affect any indemnification rights of the parties pursuant to Article XII, or any other indemnification or right to recovery provided to a party under any other agreement. Pursuant to the terms of the Custody Agreement, the portion of the assets held in the Custody Account relating to Novated Contracts not in dispute shall be released from the Custody Account and transferred to the Reinsurer. Promptly after assumption by the Reinsurer of any Novated Contracts, the Company shall deliver original books and records that relate to such Novated Contracts to the Reinsurer to the extent required by Applicable Law.

ARTICLE VIII
DAC TAX

Section 8.1 DAC Tax Election. The Company and the Reinsurer hereby elect and agree under Treasury Regulations Section 1.848-2(g)(8) as follows:

- (a) The Company and the Reinsurer will each attach a schedule to its federal income tax return for the first taxable year ending after the Effective Date that identifies this Agreement as a reinsurance agreement for which a joint election under Treasury Regulation Section 1.848-2(g)(8) has been made, and will otherwise file its respective federal income tax returns in a manner consistent with the provisions of Treasury Regulation Section 1.848-2 as in effect on the date this Agreement is executed;
- (b) For each taxable year under this Agreement, the Party with the net positive consideration, as defined in the regulations promulgated under Section 848 of the Code, will capitalize specified policy acquisition expenses with respect to this Agreement without regard to the general deductions limitation of Section 848(c)(1) of the Code;
- (c) The Company and the Reinsurer agree to exchange information pertaining to the amount of net consideration under this Agreement each year to ensure consistency or as otherwise required by the Code and applicable Treasury Regulations;
- (d) The first tax year for which this election is effective is 2013;
- (e) The Reinsurer will submit to the Company by May 15 each year its calculation of the amount of the net consideration for the preceding calendar year. This schedule of calculations will be accompanied by a statement that the Reinsurer will report such amount of net consideration in its tax return for the preceding calendar year;
- (f) The Company may contest such calculation by providing an alternative calculation to the Reinsurer in writing within thirty (30) days of the Company's receipt of the Reinsurer's calculation. If the Company does not so notify the Reinsurer, the Company will report the amount of net consideration as determined by the Reinsurer in the Company's tax return for the previous calendar year;
- (g) If the Company contests the Reinsurer's calculation of the amount of net consideration, the dispute shall be resolved in accordance with Section 11.2.

Both the Company and the Reinsurer are subject to U.S. taxation under Subchapter L of Chapter 1 of the Code.

ARTICLE IX
INSOLVENCY AND CUT THROUGH

Section 9.1 Insolvency. In the event of the insolvency of the Company, all reinsurance made, ceded, renewed or otherwise becoming effective under this Agreement shall be payable by the Reinsurer on the basis of the liability of the Company under the Reinsured Policies without diminution because of the insolvency of the Company directly to the Company

or to its liquidator, receiver or statutory successor, except (i) where this Agreement specifically provides for another payee of the reinsurance in the event of the insolvency of the Company or (ii) where the Reinsurer, with the consent of the direct insured, has assumed the policy obligations of the Company as direct obligations of the Reinsurer to the payees under a Reinsured Policy and in substitution for the obligations of the Company to the payees. It is understood, however, that in the event of the insolvency of the Company, the liquidator or receiver or statutory successor of the insolvent Company shall give written notice to the Reinsurer of the pendency of the claim against the Company on any Reinsured Policy within a reasonable time after such claim is filed in the insolvency proceeding, and during the pendency of such claim, the Reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated any defense or defenses which it may deem available to the Company or its liquidator or receiver or statutory successor. The expenses incurred by the Reinsurer shall be chargeable, subject to court approval, against the Company as part of the expense of conservation or liquidation to the extent of a proportionate share of the benefit which may accrue to the Company in conservation or liquidation, solely as a result of the defense undertaken by the Reinsurer.

Section 9.2 Cut Through.

(a) Subject to Applicable Law and the applicable terms of the Reinsured Policies, if the Company becomes insolvent or is subject to any liquidation, rehabilitation, conservatorship, receivership, administrative supervision or any other similar proceeding, the Reinsurer may pay any Reinsured Liabilities otherwise due and payable by the Reinsurer to the Company hereunder directly to the named insureds or their designees under the applicable Reinsured Policies (the "Payee"), in accordance with and subject to the terms, conditions, exclusions and limitations of such Reinsured Policies. Any such payment by the Reinsurer shall discharge the Company from its related payment obligation under the subject Reinsured Policy and shall be treated as a payment by the Company for all purposes of such Reinsured Policy and related documentation and otherwise.

(b) The Reinsurer shall have no obligation to indemnify the Company for amounts paid or payable by the Company in respect of a Reinsured Policy to the extent of any payments made by the Reinsurer to the applicable Payee under such Reinsured Policy in accordance with Section 9.2(a), and the Reinsurer shall be discharged of its payment obligations to the Company, or to its liquidator, receiver, rehabilitator, conservator or other similar Person, under this Agreement to the extent of such payments. The cut-through afforded by Section 9.2(a) shall not be available pursuant to this Agreement if, under Applicable Law, regulation, court rule or order or similar requirement either: (i) the Reinsurer's direct payment to such Payee will not, to the extent thereof, discharge the Reinsurer's obligations to the Company or its legal representative or (ii) the Reinsurer is required by Applicable Law to make any payment to the Company or its liquidator, receiver, rehabilitator, conservator or other similar Person notwithstanding the provisions of this Agreement. Nothing herein or in any Reinsured Policy shall be construed to require the Reinsurer to make duplicative payments or payments duplicative of payments that have been made by the Company.

ARTICLE X
TERMINATION

Section 10.1 Duration of Coinsurance. This Agreement will be effective as of the Effective Time. Subject to the provisions of this Article X, this Agreement will remain in effect, and the reinsurance provided hereunder will remain in force, until termination of the policy or policies on which the reinsurance is based (whether by expiration of the term thereof or by novation thereof by the Reinsurer or one of its Affiliates) in accordance with the terms of this Agreement. Except as provided in Sections 10.3, the Reinsured Policies are not eligible for recapture by the Company.

Section 10.2 Termination. This Agreement shall terminate:

- (a) at any time upon the mutual written consent of the Parties hereto, which writing shall state the effective date of termination; or
- (b) automatically at such time as no liability remains under this Agreement.

Section 10.3 Termination by the Company. The Company, in its sole discretion, shall have the option to terminate this Agreement upon the occurrence of any one of the following events:

- (a) the Reinsurer is placed in receivership, conservatorship, rehabilitation or liquidation by any insurance regulatory authority;
- (b) the Reinsurer breaches Section 4.1, and the Reinsurer fails to cure such breach within the earlier of (i) thirty (30) days following receipt of written notice of such breach from the Company and (ii) the last day of the calendar year in which such breach occurs; provided that, in the case of clause (ii) only, the Company shall have no right to terminate with a cure period of fewer than thirty (30) days to the extent that the Company continues to receive full credit for the Custody Account in its risk-based capital calculation;
- (c) the Reinsurer breaches Section 4.2, and the Reinsurer fails to cure such breach within the earlier of (i) thirty (30) days following receipt of written notice of such breach from the Company and (ii) the last day of the calendar quarter in which such breach occurs; provided that the Company shall have no right to terminate if the Reinsurer cannot take any action reasonably required for the Company to receive statutory reserve credit without the reasonable cooperation of the Company and the Company shall not have reasonably cooperated with the Reinsurer; provided, further, that it shall be deemed unreasonable to require the Company to cooperate in the event such cooperation would impose on the Company any cost and the Reinsurer has not agreed to be responsible for such cost;
- (d) the Reinsurer fails to pay any material amount due to the Company under this Agreement and (i) such amount is not subject to a good faith dispute and (ii) such failure is not cured within ten (10) Business Days following the Reinsurer's receipt of written notice of such failure from the Company; or

(e) in the event that (i) the Reinsurer's RBC Ratio is less than 175% or (ii) the Reinsurer fails to provide its RBC Ratio in accordance with Section 4.4 and, upon delivery of written notice from the Company to the Reinsurer, the Reinsurer shall fail to provide its RBC Ratio within ten (10) Business Days following such notice.

Section 10.4 Termination by the Reinsurer. Upon the occurrence of a Reinsurer Termination Event, the Reinsurer shall have the right (but not the obligation) to terminate this Agreement by providing written notice of its intent to terminate. Termination of this Agreement shall be effective on the date specified in such notice, provided that such date shall not be prior to the date on which the Termination Event occurred. Upon termination of this Agreement pursuant to this Section 10.4, the Company shall be deemed to have recaptured and reassumed all Reinsured Liabilities. Recapture of the Reinsured Policies shall be effective on the date specified in the notice of termination.

Section 10.5 Settlement Upon Termination. Upon the termination of this Agreement by the Company pursuant to Section 10.3 or by the Reinsurer pursuant to Section 10.4, subject to payment by the Reinsurer of any amounts due to the Company pursuant to this Section 10.5 and the payment by the Company of any amounts due to the Reinsurer pursuant to this Section 10.5, the Company shall recapture all liabilities previously ceded to the Reinsurer and the Reinsurer's liability under this Agreement will terminate (provided, that such termination shall not relieve any Party of any pre-termination breach of this Agreement). The Company shall prepare a Net Settlement report for the period commencing on the first day of the then-current calendar month and ending on the date this Agreement is terminated pursuant to Sections 10.3 or 10.4. On the tenth Business Day following the delivery of such Net Settlement report (a) the applicable Party shall pay any amounts due and owing by such Party on such Net Settlement report; (b) the Company shall withdraw any assets in the Funds Withheld Account; (c) the Reinsurer shall transfer to the Company cash and assets with an aggregate Fair Market Value equal to 100% of an amount equal to: (i) the Reinsurer's Share of the Statutory Reserves held by the Company with respect to the Reinsured Policies (other than the Captive Policies), *plus* (ii) the Reinsurer's Share of the Economic Reserves held by the Company with respect to the Captive Policies, *plus* (iii) the Reinsurer's Share of the Interest Maintenance Reserve attributable to the Reinsured Liabilities and the Closed Block Policies, *plus* (iv) (x) the amount of any new Interest Maintenance Reserve created at the time of recapture as a result of such recapture divided by 65% and (y) the amount of any new Interest Maintenance Reserve created at the Effective Time as a direct result of the transactions contemplated by this Agreement that remains unamortized as of the date of termination, *minus* (v) the Reinsurer's Share of the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *minus* (vi) the Reinsurer's Share of net due and deferred Premiums on the Reinsured Policies reduced by advances thereon, *plus* (vii) the Ceding Commission *multiplied* by the ratio of (x) the remaining number of months in the Amortization Period over (y) 120, *minus* (viii) the Statutory Book Value of any assets in the Funds Withheld Account (immediately prior to the withdrawal contemplated by clause (b) above), in each case, determined by the Company in accordance with SAP, consistently applied, as of the date of termination (such amount, the "Reinsurer Termination Payment"); and (c) the Company shall pay to the Reinsurer cash equal to the amount of any cash and assets withdrawn by the Company or any successor by operation of law, including any liquidator, rehabilitator, receiver or

conservator of the Company, from the Custody Account or the Funds Withheld Account prior to the date of termination, and not used to satisfy claims of policyholders under the Reinsured Policies prior to the date of termination or to otherwise pay amounts due to the Company pursuant to this Agreement (the "Company Termination Payment"). Any dispute by either Party of the Company Termination Payment or the Reinsurer Termination Payment shall be resolved in accordance with Section 11.2.

ARTICLE XI
RESOLUTION OF CERTAIN DISPUTES

Section 11.1 Disputes over Actual Initial Coinsurance Premium Calculations and SPA Adjusted Coinsurance Premium

(a) Within thirty (30) days following its receipt from the Company of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, (such period, a "Review Period"), the Reinsurer shall either (i) notify the Company in writing of its agreement with the calculation of the Actual Initial Coinsurance Premium or SPA Adjusted Coinsurance Premium, as applicable, set forth therein ("Notice of Agreement"); or (ii) if the Company determines that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein either (x) have not been prepared on the basis set forth in Section 2.3 or in Section 5.8 of the Purchase Agreement, or (y) contain or reflect mathematical errors, inform the Company in writing of its objection (the "Reinsurer's Objection"), which notice shall set forth in reasonable detail a description of the basis of the Reinsurer's Objection and the adjustments to such Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein that the Reinsurer requests be made. The Company, as applicable, shall, following the Effective Date through the date that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, becomes final in accordance with the last sentence of Section 11.1(c), take all actions necessary or desirable to maintain and preserve all accounting books, records, policies and procedures on which such Initial Coinsurance Premium Reconciliation Statement or SPA Premium Reconciliation Statement, as applicable, are based or on which the finalized Initial Coinsurance Premium Adjustment or SPA Coinsurance Premium Adjustment, as applicable, are to be based so as not to impede or delay the determination of the finalized Actual Initial Coinsurance Premium, the finalized SPA Adjusted Coinsurance Premium, the finalized Fair Market Value of the Reinsurance Assets as of the Effective Date or the preparation of the Reinsurer's Objection in the manner and utilizing the methods permitted by this Agreement. Upon receipt by the Company of a Notice of Agreement from the Reinsurer or if no Reinsurer's Objection is received by the Company prior to the expiration of the Review Period, the Actual Initial Coinsurance Premium, the SPA Adjusted Coinsurance Premium and the Reinsurer's calculation of the Initial Coinsurance Premium Adjustment (as set forth in the Initial Coinsurance Premium Reconciliation Statement) and the SPA Coinsurance Premium Adjustment (as set forth in the SPA Coinsurance Premium Reconciliation Statement) shall be deemed to have been accepted by the Reinsurer and will become final and binding upon the Parties in accordance with the last sentence of Section 11.1(c).

(b) If the Reinsurer timely delivers a Reinsurer's Objection to the Company, the Company shall have thirty (30) days from the date of such delivery to review and respond to such Reinsurer's Objection (the "Consultation Period"). The Parties shall use reasonable, good faith efforts to resolve any disagreements that they may have with respect to the matters set forth in the Reinsurer's Objection. If the Parties are unable to resolve all of their disagreements with respect to the matters set forth in the Reinsurer's Objection within ten (10) Business Days following the expiration of the Consultation Period, then the Parties shall submit all matters that remain in dispute with respect to the Reinsurer's Objection (along with a copy of the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein, marked to indicate those line items that are still in dispute) to an independent internationally recognized accounting firm of independent certified public accountants with appropriate actuarial expertise mutually agreed upon by the Parties (the "CPA Firm"), which shall, acting as an expert and not as an arbitrator, make a final determination, on the basis of the standards set forth in Section 2.3 hereof, and only with respect to any remaining differences submitted to the CPA Firm, in accordance with this Section 11.1(b), of the appropriate amount of each line item in the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein as to which the Parties disagree (such items that remain in dispute, the "Unresolved Items").

(c) The Parties shall instruct the CPA Firm to deliver its written determination to the Reinsurer and the Company no later than fifteen Business Days after the Unresolved Items are referred to the CPA Firm. The CPA Firm's determination shall include a certification that it reached such determination in accordance with this Section 11.1(c) and shall be conclusive and binding upon the Parties, absent fraud or clear and manifest error. With respect to each Unresolved Item, the CPA Firm's determination, if not in accordance with the position of either the Company or the Reinsurer, shall not be more favorable to the Reinsurer than the amounts advocated by the Reinsurer in the Reinsurer's Objection or more favorable to the Company than the amounts advocated by the Company in the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement or the Company's calculations of the amounts set forth therein with respect to such disputed line item and/or calculation. For the avoidance of doubt, (i) the CPA Firm's review of the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein shall be limited to a determination of whether such documents and calculations were prepared in accordance with Section 2.3, and (ii) the CPA Firm shall not review any line items or make any determination with respect to any matters other than the Unresolved Items that were referred to the CPA Firm for resolution pursuant to this Section 11.1(c). The determination of the amounts set forth in the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, that are final and binding on the Parties, as determined either through (1) the Reinsurer's delivery of a Notice of Agreement pursuant to Section 11.1(a), (2) the Reinsurer's failure to deliver Reinsurer's Objection prior to expiration of the Review Period pursuant to Section 11.1(a), (3) agreement by the Parties during the Consultation Period or (4) the determination of the CPA Firm pursuant to this Section 11.1(c) are referred to herein as the "finalized Actual Initial Coinsurance Premium," the "finalized Initial Coinsurance Premium Adjustment," the "finalized Fair Market Value of the Reinsurance Assets as of the Effective Date," the "finalized SPA Adjusted Coinsurance Premium," and the "finalized SPA Coinsurance Premium Adjustment," as the case may be.

(d) The Parties agree that judgment may be entered upon the CPA Firm's determination in any court having jurisdiction over the Reinsurer or the Company or their respective assets, as the case may be. The fees and disbursements of the CPA Firm shall be paid by the Parties in proportion to those matters submitted to the CPA Firm that are resolved against that Party, as such fees and disbursements are allocated by the CPA Firm in accordance with this Section 11.1 at the time of the CPA Firm's determination. At any time following delivery of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, the Reinsurer shall provide to the Company and its Representatives full access to books and records and other information with respect to the Reinsured Policies, the Net Retained Liabilities and the Ceding Commission, including work papers of its accountants (subject to execution by the Company and/or its Representatives, as applicable, of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent necessary for the Company to prepare the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement or to prepare materials for presentation to the CPA Firm. The Parties shall make readily available to the CPA Firm, during regular business hours and on reasonable advance notice, interviews with such employees, and all relevant information, books and records and any work papers of their respective accountants (in each case, subject to execution by the CPA Firm of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants) relating to the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and any Unresolved Items and all other items reasonably required by the CPA Firm to fulfill its obligations under Section 11.1(c). In acting under this Section 11.2, the CPA Firm will be entitled to the privileges and immunities of an arbitrator.

(e) For the avoidance of doubt, this Section 11.1 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

Section 11.2 Disputes over Calculations. After the Effective Date, any dispute between the Parties with respect to the calculation of amounts that are to be calculated or reported pursuant to this Agreement (other than disputes with respect to the Actual Initial Coinsurance Premium and the SPA Adjusted Initial Coinsurance Premium, which shall be resolved in accordance with Section 11.1 hereof), including disputes with respect to any Net Settlement, calculations relating to DAC tax, valuation of the assets held in the Custody Account or the amount of the Reinsurer Termination Payment or the Company Termination Payment, that cannot be resolved by the Parties within sixty (60) calendar days, shall be referred to an independent accounting firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties; provided, however, that where the dispute involves an actuarial issue, the dispute shall instead be referred to an independent actuarial firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties.

Within twenty (20) Business Days following the selection of the accounting firm or actuarial firm, as applicable, the Parties shall submit their positions and supporting documentation to such accounting firm or actuarial firm. Within forty (40) Business Days of such submission, the accounting firm or actuarial firm, as applicable, shall, in light of the evidence provided by both Parties, determine the calculations in dispute within the range of difference between the Reinsurer's position thereto and the Company's position thereto. There shall be no appeal from the decision made by such firm, which shall be final and binding (absent fraud or clear and manifest error), except that, either Party may petition a court having jurisdiction over the other Party or its assets to reduce the arbitrator's decision to judgment. The fees charged by the accounting firm or actuarial firm, as applicable, to resolve the dispute shall be allocated between the Company and the Reinsurer by such firm in accordance with its judgment as to the relative merits of the Parties' positions in respect of the dispute. For the avoidance of doubt, this Section 11.2 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

ARTICLE XII INDEMNIFICATION

Section 12.1 Indemnification of the Reinsurer by the Company. From and after the Effective Date, the Company shall indemnify, defend and hold harmless the Reinsurer and its officers, directors and authorized Representatives (the "Reinsurer Indemnified Parties") from and against, and pay and reimburse the Reinsurer Indemnified Parties for, all Losses imposed on, sustained, incurred or suffered by, or asserted against, the Reinsurer Indemnified Parties (a) solely as a result of actions or omissions of the Company, but only to the extent such actions or omissions of the Company constitute gross negligence or bad faith and were not taken or omitted at the direction of the Reinsurer or consented to by the Reinsurer, (b) arising out of any breach or nonfulfillment by the Company of, or any failure by the Company to perform, any of the covenants, terms or conditions of or any of its duties or obligations under this Agreement unless such breach, nonfulfillment or failure arises out of or results from the action or omission of the Reinsurer pursuant to the Administrative Services Agreement or (c) arising out of the Company's rejection of a written recommendation of the Reinsurer given in accordance with Section 2.8(b); provided, however, that except as provided in Section 2.8(b) and clause (c) of this Section 12.1, the Company shall have no obligation to indemnify, defend and hold harmless the Reinsurer Indemnified Parties for any Reinsured Liabilities.

Section 12.2 Indemnification of the Company by the Reinsurer. From and after the Effective Date, the Reinsurer shall indemnify, defend and hold harmless the Company, and its officers, directors and authorized Representatives (the "Company Indemnified Parties") from and against, and pay and reimburse the Company Indemnified Parties for, all Losses imposed on, sustained or incurred or suffered by, or asserted against, the Company Indemnified Parties to the extent such Losses (a) constitute Reinsured Liabilities, (b) arise out of any breach or nonfulfillment by the Reinsurer of, or any failure by the Reinsurer to perform, any of the covenants, terms or conditions of or any of its duties or obligations under this Agreement unless such breach, nonfulfillment or failure arises out of or results from the action or omission of the Company or its Affiliates pursuant to the Transition Services Agreement, (c) arise out of written instructions of the Reinsurer given pursuant to Section 2.5 or 3.2 hereof, or (d) arise out of the Company following a written recommendation of the Reinsurer given in accordance with Section 2.8(b).

ARTICLE XIII
CONFIDENTIALITY

Section 13.1 Confidentiality. Except as provided in the Other Transaction Agreements, each of the Reinsurer and the Company agrees to hold any Confidential Information with respect to the other Party in strictest confidence and to take all reasonable steps to ensure that such Confidential Information is not disclosed in any form by any means by it or by its Affiliates, employees, advisors, agents or administrators (collectively, "Representatives") to third parties of any kind or used by it or its Representatives for any purpose other than the performance of its obligations under this Agreement; provided that the foregoing obligation shall not prohibit disclosure of any such information (a) if required by Applicable Law or stock exchange rules, or if required or requested by any Governmental Entity (provided in the case of this clause (a) that the disclosing party shall allow (to the extent permitted by Applicable Law and reasonably practicable) the other Party a reasonable opportunity to comment on such disclosure in advance of such disclosure); (b) to the disclosing Party's Representatives, auditors or ratings agencies, provided, that such Representatives, auditors or ratings agencies are made aware of the provisions of this Article XIII; (c) to the extent that the information has been made public by or on behalf of, or with the prior consent of, the non-disclosing Party; (d) if required in connection with any report required to be filed or submitted with any Governmental Entity; (e) to a retrocessionaire of the Reinsurer; (f) to the extent reasonably necessary in connection with any dispute with respect to this Agreement; and (g) as necessary for the Reinsurer to perform its obligations as Administrator under the Administrative Services Agreement. The Reinsurer agrees to hold medical, financial and other personal information about proposed, current, and former policyowners, insureds, applicants and beneficiaries of Policies in confidence to the extent required to be held in confidence under Applicable Law and the Reinsurer's privacy policy or policies and shall establish and maintain safeguards against the unauthorized access, destruction, loss or alteration of such information which are no less rigorous than those maintained by Reinsurer for its own information of a similar nature. Notwithstanding anything to the contrary, for purposes of this Section 13.1, the Reinsurer, in its capacity as Administrator on behalf of the Company, shall not be considered an advisor, agent or administrator of the Company.

ARTICLE XV GENERAL PROVISIONS

Section 15.1 Errors and Omissions. If any delay, omission, error or failure to pay amounts due or to perform any other act required by this Agreement is caused by mistake, misunderstanding or oversight, the Parties will equitably adjust the situation to what it would have been had the mistake, misunderstanding or oversight not occurred, and the reinsurance provided hereunder will not be invalidated. Should it not be possible to adjust the situation, it will be resolved in accordance with dispute resolution procedures mutually selected by the Parties.

Section 15.2 Offset and Recoupment. Any debits or credits incurred on or after the Effective Time in favor of or against either the Company or the Reinsurer with respect to this Agreement are deemed mutual debits or credits and may be set off and recouped, and only the net balance shall be allowed or paid hereunder. In the event of any insolvency, liquidation, rehabilitation, conservatorship, supervision, receivership or comparable proceeding by or against the Company or the Reinsurer, the rights of offset and recoupment set forth in this Section 15.2 shall apply to the fullest extent permitted by Applicable Law.

Section 15.3 Expenses. Except as otherwise provided in this Agreement each Party shall bear its own costs and expenses incurred in connection with the transactions contemplated by this Agreement. All transfer, sales, use, value added, excise, stock transfer, documentary, stamp, recording, registration and any similar taxes that become payable as a result of the acquisition by the Reinsurer from the Company of the Reinsurance Assets (including any real property transfer tax and any similar tax) or the allocation of the Funds Withheld Assets to the Funds Withheld Account shall be borne fifty percent (50%) by the Company and fifty percent (50%) by the Reinsurer.

Section 15.4 Parties to this Agreement. This is an agreement for indemnity reinsurance solely between the Company and the Reinsurer. The performance of the obligations of each Party under this Agreement shall be rendered solely to the other Party. The acceptance of risks under this Agreement shall create no right or legal relationship between the Reinsurer and the insured, owner or beneficiary of any insurance policy or other contract of the Company.

Section 15.5 Authority. Neither the Company nor the Reinsurer shall have any power or authority to act for or on behalf of the other except as expressly granted herein or in the Administrative Services Agreement or Transition Services Agreement, and no other or greater power or authority shall be implied by the grant or denial of power or authority specifically mentioned herein. No employee or agent of either Party shall be considered an employee or agent of the other.

Section 15.6 No Assignment. This Agreement may not be assigned by either of the Parties hereto without the prior written approval of the other Party. Notwithstanding the foregoing, the Reinsurer shall not be prohibited from further transfer of risks accepted hereunder on a retrocession or other basis without the prior approval of the Company; provided that any transfer shall not relieve the Reinsurer of its obligations under this Agreement.

Section 15.15 Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument.

-
- (1) Gross face is as of September 30, 2013 (*e.g.*, if retained business is ceded to the Company 10 years after the Signing Date, the cede adjustment is applied to the face of that business as of September 30, 2013, not September 30, 2023)

For illustrative purposes only, based on the table above, if \$500 million gross insurance in-force of whole life risk is retained by the Company until one year after the Signing Date, the Ceding Commission would increase by \$0.8 million (the difference in value between the Signing Date and the one year anniversary of the Signing Date for the “whole life” line of business in the table above).

If the calculation of the adjustment based on the table above results in an increase in the Ceding Commission for the relevant month, the amount of such increase shall be reflected as a payable from the Reinsurer to the Company in the applicable Net Settlement. If, instead, such calculation results in a decrease in the Ceding Commission for the relevant month, the amount of such decrease shall be reflected as a payable from the Company to the Reinsurer in the applicable Net Settlement.
