ARTICLE II CREATION OF TRUST ACCOUNT

Section 2.1 Obligations of the Beneficiary and the Grantor.

(a) Simultaneously with the execution of this Trust Agreement, the Grantor shall hereby establish with the Trustee, in the name of the Trustee, to be held for the benefit of the Beneficiary pursuant to the provisions of this Trust Agreement, a segregated trust account maintained by the Trustee, in its capacity as Trustee (which in its totality (including all subaccounts thereto) shall be hereinafter referred to as the "**Trust Account**") and the Beneficiary hereby transfers and assigns to such Trust Account the Eligible Assets listed in Schedule A attached hereto.

(b) The Trustee shall not accept any Eligible Assets (other than cash) for deposit into the Trust Account unless the Trustee determines that it, in its capacity as Trustee hereunder, is or will be the registered owner of and holder of legal title to such assets or that such assets are in such form that the Trustee may, if applicable to such asset class, negotiate any such assets, without consent or signature from the Grantor or any other Person. Any Eligible Assets received by the Trustee for deposit into the Trust Account that, if applicable to such asset class, are not in such proper negotiable form or for which title has not been transferred to the Trustee, shall not be accepted by the Trustee and shall be returned to the Grantor as unacceptable. Grantor and Beneficiary acknowledge that registering and titling an asset which was received in negotiable form may require administrative and processing time. (b) Any disputes with the Grantor by the Beneficiary with regard to the calculation of the Required Balance or the Statutory Book Value or the Fair Market Value of the Trust Assets shall be resolved in accordance with Section 11.2 of the Coinsurance Agreement. Upon resolution of all disputes identified in the Beneficiary's notice of objection, the Grantor and the Beneficiary shall correct, and the Beneficiary shall countersign, the Reserve Certificate setting forth the Required Balance and the aggregate Statutory Book Value and Fair Market Value of the Trust Assets as resolved pursuant to the previous sentence. The Trustee shall have no responsibility whatsoever to determine or monitor whether the Grantor or the Beneficiary has complied with the foregoing provisions of Sections 3.3(a) and (b).

(c) For the avoidance of doubt, no dispute pursuant to Section 3.3(b) shall affect the obligation of the Grantor to continue to provide Reserve Certificates, as applicable, in accordance with this Section 3.3.

Section 3.4 Trustee Reports. Within ten (10) calendar days following the end of each calendar month, the Trustee shall provide copies of activity reports to the Beneficiary and the Grantor, which reports shall show all deposits, withdrawals, substitutions and exchanges affecting the Trust Account during such calendar month, and a listing of Trust Assets held and cash and cash equivalent balances in the Trust Account as of the end of such calendar month. The Trustee shall be entitled to rely conclusively and exclusively upon the written direction of the Grantor provided under this Section 4.1(a) in withdrawing and transferring the Trust Assets specified therein, and shall have no responsibility to determine the excess amount or whether the conditions set forth in this Section 4.1(a) have been met.

(b) If the aggregate Statutory Book Value of the Trust Assets as of the end of any calendar quarter, as reflected in the applicable Reserve Certificate, is less than the Required Balance as of such calendar quarter end, then within five (5) Business Days of the Grantor's delivery to the Beneficiary of the related Reserve Certificate, the Grantor shall cause to be deposited into the Trust Account such additional Eligible Assets as are necessary to ensure that the aggregate Statutory Book Value of the Trust Assets is no less than the Required Balance; provided, that following such deposit the Trust Assets shall comply with all qualitative and quantitative limitations under Applicable Law as though the Trust Account was a stand-alone life insurance company domiciled in the state of domicile of the Grantor.

In such a case, no more than the amount needed to cure the Grantor's undisputed payment default may be withdrawn.

(b) Any written notice provided by the Beneficiary pursuant to this Section 4.2 shall include a certification that the withdrawal meets the requirements of this Section 4.2. The Trustee shall not be subject to any liability for any release made by it pursuant to any written demand received pursuant to this Section 4.2. If, notwithstanding the foregoing, a withdrawal is made in excess of the amount permitted by this Section 4.2, such excess amount shall be deemed maintained in trust for the benefit of the Grantor and the Beneficiary shall promptly return such excess amount to the Trust Account.

Section 4.3 Limitation on Release of Trust Assets EXCEPT AS EXPRESSLY PROVIDED HEREIN, THE TRUSTEE SHALL NOT BE INSTRUCTED TO RELEASE TRUST ASSETS FROM THE TRUST ACCOUNT WHICH WOULD CAUSE THE AGGREGATE STATUTORY BOOK VALUE OF THE TRUST ASSETS TO BE DECREASED BELOW THE REQUIRED BALANCE AS OF THE DATE OF WITHDRAWAL. IN RELEASING TRUST ASSETS AS INSTRUCTED BY THE BENEFICIARY OR THE GRANTOR, THE TRUSTEE SHALL HAVE NO RESPONSIBILITY TO DETERMINE OR MONITOR WHETHER THE CONDITION IN THE FOREGOING SENTENCE HAS BEEN CAUSED BY THE RELEASE SO INSTRUCTED.

New York shall be deemed to be the “bank’s jurisdiction” for purposes of Section 9-304 of the UCC. The parties agree that New York shall be deemed to be the “securities intermediary’s jurisdiction” for purposes of Section 8-110 of the UCC.

(b) The Trustee hereby confirms and agrees to the following: The Trustee shall not change the name or account number of the Trust Account without the prior written consent of the Beneficiary (except for any changes due to internal systems changes).

Section 7.3 [Reserved].

Section 7.4 Conflict with Other Agreements. In the event of any conflict between this Trust Agreement (or any portion thereof) and any other agreement regarding the subject matter hereof, the terms of this Trust Agreement shall prevail.

Section 7.5 Notice of Adverse Claims. Except for the claims and interest of the Beneficiary and of the Grantor in the Trust Account, the Trustee does not have any knowledge of any claim to, or interest in, the Trust Account or in any asset credited thereto, or the Trust Account or in any asset deposited therein. If any Person asserts any lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Trust Account or in any asset credited thereto, the Trustee shall promptly notify the Beneficiary and the Grantor thereof.

Section 7.6 Trustee Disclaimer. The Trustee makes no representation or warranty as to whether the granting of security interests and liens in Trust Assets by the Grantor under this Article VII (a) invalidates rights or protections conferred upon trusts or the separateness of their legal existence, or (b) reduces, eliminates, or restricts the Beneficiary’s rights and interests in the Trust Assets as a beneficiary of the Trust Account.

**ARTICLE VIII
TRANSFER TAXES**

Section 8.1 Transfer Taxes. All (i) sales, use, transfer, realty transfer, recording, ad valorem, privilege, documentary, gross receipts, registration, conveyance, excise, license, stamp, duties or similar taxes and fees (collectively, the “**Transfer Taxes**”) arising out of, in connection with or attributable to the transactions effected pursuant to this Trust Agreement and (ii) costs, in each case, incurred in connection with effecting the investment, substitution, deposit or withdrawal of the Trust Assets, shall be shared 50% by the Grantor and 50% by the Beneficiary. The party, as between the Grantor and the Beneficiary, which has

primary legal responsibility for the payment of any particular Transfer Tax shall prepare and timely file all relevant tax returns required to be filed in respect of such Transfer Tax. Each of the Grantor and the Beneficiary shall reimburse the Trustee for its 50% share of any such Transfer Taxes or costs incurred by the Trustee.

ARTICLE IX GENERAL PROVISIONS

Section 9.1 Failure to Act. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of either party of any right, power, remedy or privilege, nor any single or partial exercise of any such right, power, remedy or privilege, preclude any further exercise thereof or the exercise of any other such right, power, remedy or privilege.

Section 9.2 Amendments. This Trust Agreement and the Trust created hereunder shall be irrevocable, subject solely to the termination provisions set forth herein. The Grantor shall have no right or power in any capacity to revoke, terminate or alter or amend any terms of this Trust Agreement, in whole or in part, without the prior written consent of the Beneficiary and the Trustee. Notwithstanding the foregoing, this Trust Agreement may be amended, superseded, canceled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party waiving compliance. To the extent a prior notice of an amendment is required to be filed with an insurance regulatory authority under Applicable Law, no such amendment shall be effective unless such amendment is filed by the Grantor or the Beneficiary with such insurance regulatory authority in compliance with any applicable time period and approved by such insurance regulatory authority or not disapproved by such insurance regulatory authority within any applicable time period.

Section 9.3 Assignment. This Trust Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, permitted assigns and legal representatives, whether by merger, consolidation or otherwise. This Trust Agreement may not be assigned by any party without the prior written consent of the other parties hereto, which consent shall not be unreasonably withheld, conditioned or delayed.

Section 9.4 Counterparts. This Trust Agreement may be executed in any number of counterparts (including by means of facsimile or PDF), all of which shall constitute one and the same original.

Section 9.6 Severability. Whenever possible, each provision or portion of any provision of this Trust Agreement shall be interpreted in such a manner as to be effective and valid under Applicable Law, but if any term or provision of this Trust Agreement is held by a court of competent jurisdiction or other authority to be invalid, illegal or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof, and this Trust Agreement shall be reformed, construed and enforced as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 9.7 Further Assurances. The Grantor and the Beneficiary shall execute such documents and perform such further acts as may be reasonably required to carry out the provisions of this Trust Agreement.

Section 9.8 Entire Agreement. This Trust Agreement contains the entire agreement among the Beneficiary and the Grantor with respect to the Trust created herein and supersedes all prior agreements, written or oral, with respect thereto.

Section 9.9 Governing Law; Jurisdiction; Enforcement.

(a) This Trust Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the principles of conflicts of law rules thereof. The establishment and maintenance of the Trust Account, and all interests, duties and obligations with respect thereto, shall be governed by the laws of the State of New York.

(b) Each party hereby irrevocably and unconditionally submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York state court sitting in New York County, for purposes of all legal proceedings arising out of or relating to this Trust Agreement, or the transactions contemplated by this Trust Agreement, or for recognition and enforcement of any judgment in respect thereof. In any such action, suit or other proceeding, each party hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such proceedings brought in such court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Each party also agrees that any final and unappealable judgment against a party in connection with any action, suit or other proceeding shall be conclusive and binding on such party and that such award or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. A certified or exemplified copy of such award or judgment shall be conclusive evidence of the fact and amount of such award or judgment. Each party agrees that any process or other paper to be served in connection with any action or proceeding under this Trust Agreement shall, if delivered, sent or mailed in accordance with Section 9.5, constitute good, proper and sufficient service thereof.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS TRUST AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION, ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS TRUST AGREEMENT CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS TRUST AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.9.

Section 9.10 Specific Performance. The Grantor and the Beneficiary recognize and agree that, as between themselves, if for any reason any of the provisions of this Trust Agreement required to be performed by the Grantor or the Beneficiary for the benefit of the other, are not performed in accordance with their specific terms or are otherwise breached, immediate and irreparable harm or injury would be caused for which money damages would not be an adequate remedy. Accordingly, the Grantor and the Beneficiary agree that, in addition to any other available remedies, the Grantor and the Beneficiary shall be entitled to an injunction restraining any violation or threatened violation of any of the provisions of this Trust Agreement by the other without the necessity of posting a bond or other form of security. In the event that any action should be brought in equity to enforce any of the provisions of this Trust Agreement by either the Grantor or the Beneficiary, neither the Grantor nor the Beneficiary will allege, and the Grantor and the Beneficiary each hereby waives the defense, that there is an adequate remedy at law.

Section 9.11 Construction and Effect. This Trust Agreement and the enforceability hereof shall not be subject to the satisfaction of any conditions or qualifications not expressly included herein.

Section 9.12 USA Patriot Act. The Grantor and the Beneficiary each hereby acknowledges that the Trustee is subject to federal laws, including the Customer Identification Program (“CIP”) requirements under the USA PATRIOT Act and its implementing regulations, pursuant to which the Trustee must obtain, verify and record information that allows the Trustee to identify the Grantor and the Beneficiary. Accordingly, prior to opening the Trust Account hereunder, the Trustee will ask the Grantor and the Beneficiary to provide certain information including, but not limited to, the Grantor’s and the Beneficiary’s name, physical address, tax identification number and other information that will help the Trustee to identify and verify the Grantor’s and the Beneficiary’s identity such as organizational documents, certificate of good standing, license to do business, or other pertinent identifying information. Each of the Grantor and the Beneficiary agrees that the Trustee cannot open the Trust Account hereunder unless and until the Trustee verifies the Grantor’s and the Beneficiary’s identity in accordance with the Trustee’s CIP.

IN WITNESS WHEREOF, the parties hereto have executed this Trust Agreement as of the date first above written.

Section 2.3 Transfer of Assets and Ceding Commission.

(a) Coinsurance Premium.

(i) On the Effective Date, the Company will pay to the Reinsurer an initial coinsurance premium that relates to the Reinsured Policies consisting of (1) assets that are listed and that have Fair Market Values (exclusive of accrued interest) set forth on Annex A-1 (the “Reinsurance Assets”), equal to the Reinsurer’s Share of the following amount: (A) (x) the Statutory Reserves held by the Company with respect to the Reinsured Policies, *minus* (y) the Unavailable Asset Amount, *plus* (B) the amount of any new Interest Maintenance Reserve that is created at the Effective Time as a direct result of the transactions contemplated by this Agreement divided by 65%, *minus* (C) the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *minus* (D) the net due and deferred Premiums on the Reinsured Policies, *plus* (2) cash equal to (A) the Interest Maintenance Reserve attributable to the Reinsured Liabilities divided by 65% *plus* (B) the other liabilities set forth on the Life Reference Balance Sheet, *minus* (C) the Additional Life Reference Balance Sheet Assets, *plus* (D) the Market Value of the Unavailable Assets, *minus* (E) the amount of accrued interest on the Reinsurance Assets, multiplied by the ratio of the aggregate Fair Market Value of the Reinsurance Assets, divided by the aggregate Statutory Book Value of the Reinsurance Assets, in the case of each of clauses (1)(A), (1)(C), (1)(D), (2)(A) and 2(D) determined in accordance with SAP, consistently applied, as of the Effective Time (such amount, the “Initial Coinsurance Premium”). For the avoidance of doubt, notwithstanding anything to the contrary in this Agreement, for purposes of calculating the Initial Coinsurance Premium, the term “Reinsured Policies” shall not include the portion of the policies from which Net Retained Liabilities, if any, arise. The Reinsurance Assets set forth in clause (1) will consist of assets having an aggregate Statutory Book Value on the Company’s books and records as of the Effective Time equal to the amount set forth in clause (1) of the Initial Coinsurance Premium without taking into account the amounts set forth in sub clause (1)(B) thereof.

(ii) The amount of the Initial Coinsurance Premium paid on the Effective Date shall be determined on an estimated basis (the “Estimated Initial Coinsurance Premium”) as follows: (x) with respect to each of the items set forth in clauses (1)(A), (1)(C) and (1)(D) and (2)(A)-(C) and (2)(E) of the definition of “Initial Coinsurance Premium” the portion of the Estimated Initial Coinsurance Premium attributable to such items shall be equal to the respective amounts set forth on the Life Reference Balance Sheet; and (y) with respect to the item set forth in clauses (1)(B) and (2)(D) of the definition of “Initial Coinsurance Premium” the portion of the Estimated Initial Coinsurance Premium attributable to such item shall be determined by the Company in good faith and in a manner consistent with the principles governing the preparation of the Life Reference Balance Sheet on an estimated basis as of the date that is three (3) Business Days prior to the Effective Date.

(iii) On the Effective Date, the Company shall deliver to the Reinsurer a statement setting forth (A) the amount of the Estimated Initial Coinsurance Premium, determined as of the date that is three (3) Business Days prior to the Effective Date, and (B) the final list of Reinsurance Assets on Annex A-1 and the Unavailable Assets on Annex A-2, and will include the Fair Market Value of the Reinsurance Assets and the Unavailable Assets, determined as of the date that is three (3) Business Days prior to the Effective Date.

(iv) No later than fifty (50) Business Days after the Effective Date, the Company shall deliver to the Reinsurer a statement (the “Initial Coinsurance Premium Reconciliation Statement”) prepared in good faith by the Company, in the same form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (1)(A)-(D) and (2)(A)-(E) of the definition of the “Initial Coinsurance Premium” (such amount, the “Actual Initial Coinsurance Premium”) and (2) the Fair Market Value of the Reinsurance Assets as of the Effective Date. The “Initial Coinsurance Premium Adjustment” shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the Actual Initial Coinsurance Premium *minus* the Estimated Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Fair Market Value of the Reinsurance Assets on the Effective Date *minus* the Fair Market Value of the Reinsurance Assets determined in connection with the calculation of the Estimated Initial Coinsurance Premium pursuant to Section 2.3(a)(i). If the Initial Coinsurance Premium Adjustment is positive, then the Company shall pay to the Reinsurer an amount of cash equal to the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the Initial Coinsurance Premium Adjustment is negative, then the Reinsurer shall pay to the Company an amount of cash equal to the absolute value of the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(v) No later than thirty (30) Business Days following any final adjustments to the Purchase Price (as defined in the SPA) in accordance with Annex C of the SPA, the Company shall deliver to the Reinsurer a statement (the “SPA Coinsurance Premium Reconciliation Statement”) prepared in good faith by the Company, in the same form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (1)(A)-(D) and (2)(A)-(E) of the definition in each of the “Initial Coinsurance Premium” (such amount, the “SPA Adjusted Coinsurance Premium”) and (2) the Fair Market Value of the Reinsurance Assets as of the Effective Date. The “SPA Coinsurance Premium Adjustment” shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the SPA Adjusted Coinsurance Premium *minus* the Actual Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Fair Market Value of the Reinsurance Assets determined in connection with the calculation of the SPA Adjusted Coinsurance Premium *minus* the Fair Market Value of the Reinsurance Assets

determined in connection with the calculation of the Actual Initial Coinsurance Premium. If the SPA Coinsurance Premium Adjustment is positive, then the Company shall pay to the Reinsurer an amount of cash equal to the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the SPA Coinsurance Premium Adjustment is negative, then the Reinsurer shall pay to the Company an amount of cash equal to the absolute value of the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(vi) The Initial Coinsurance Premium Adjustment and the SPA Coinsurance Premium Adjustment shall be paid in cash, but shall be calculated as though such adjustments were payable by transferring a combination of cash and assets having the same ratio of Fair Market Value to Statutory Book Value as the Reinsurance Assets on the Effective Date.

(b) Ceding Commission. In consideration of the reinsurance ceded hereunder, on the Effective Date, the Company shall pay a ceding commission to the Reinsurer equal to \$20,000,000 (the "Ceding Commission").

All correspondence from the Reinsurer to any Person from whom such a waiver or consent is sought shall be in a form approved by the Company. The Company shall effect any such action with respect to such waivers and consents, including sending correspondence requesting such waivers and consents. To the extent that after the Effective Time, any written waivers or consents are obtained to reinsure a Net Retained Liability in respect of an Indy Life Closed Block Policy under the terms of this Agreement or the Parties otherwise agree in writing that any such waivers or consents shall not be required as a condition to coverage of such Indy Life Closed Block Policy hereunder, then the liability and obligation pertaining to such Indy Life Closed Block Policy shall no longer be deemed a Net Retained Liability for purposes of this Agreement and the liability and obligation pertaining to such Indy Life Closed Block Policy shall be reinsured hereunder effective as of the date of such written consent, waiver or agreement by the Parties, as applicable.

(b) With respect to any such written waiver or consent that is obtained or any such other agreement between the Parties that any such waivers or consents shall not be required as a condition to coverage hereunder, in each case, after the Effective Date:

(i) the Company shall pay the Reinsurer an amount of cash equal to the Net Retained Liability Reserve Transfer Amount with respect to such Net Retained Liability for which waiver or consent was obtained or with respect to which the Parties agreed did not require a consent or waiver as a condition to coverage hereunder;

(ii) the Company shall deliver to the Reinsurer a statement setting forth the Company's good faith calculation of the difference (whether positive or negative) between (x) the aggregate amount of the premiums and considerations, premium adjustments and any and all amounts or payments, including any and all policy fees, charges, reimbursements, reinsurance recoverables and similar amounts, received or collected by the Company in respect of the portion of the Indy Life Closed Block Policies from which the relevant Net Retained Liabilities arise during the period following the Effective Date and prior to the date on which such waiver or consent was obtained or with respect to which the Parties agreed such waiver or consent was not required as a condition to coverage hereunder (the "Net Retained Liabilities Adjustment Period"); and (y) the aggregate amount equal to the obligations, including any and all death claims, cash surrender benefits, policyholder dividends, reinsurance premiums, commissions and similar amounts, arising out of or relating to the portion of the Indy Life Closed Block Policies from which the relevant Net Retained Liabilities arise (including Extra Contractual Obligations) incurred by the Company during the Net Retained Liabilities Adjustment Period. If such amount is positive, then such amount shall be due to be paid the Company by the Reinsurer, and if such amount is negative, then such amount shall be due to be paid to the Reinsurer by the Company, in each case, together with an amount of interest on such payment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(iii) The payment of the amounts in clauses (i) and (ii) shall be reflected in the Net Settlement for the month in which such consent or waiver was obtained and paid in accordance with Section 6.2.

(c) For the avoidance of doubt, prior to obtaining any such required written consents or waivers, or the making of any such written agreement, the portion of each Indy Life Closed Block Policy from which Net Retained Liabilities arise shall not be deemed to constitute a Reinsured Policy for purposes of this Agreement; provided that the Reinsurer shall provide administrative services with respect to any Net Retained Liabilities (and the associated Indy Life Closed Block Policies) pursuant to the Administrative Services Agreement. Except as otherwise contemplated by this Section 2.4, the Company shall bear the cost of obtaining any waivers or consents to reinsure a Net Retained Liability.

(d) Until 100% of the Net Retained Liabilities have been reinsured under this Agreement, the Net Settlement for each month shall reflect an adjustment to the Ceding Commission calculated by reference to the then-current amount of the Net Retained Liabilities in accordance with Annex C.

Section 2.5 Producer Payments.

(a) Subject to the Transition Services Agreement, the Reinsurer hereby assumes any and all liabilities and obligations of the Company to make, and agrees that it shall be financially responsible for, all Producer Payments owed from and after the Effective Time that are due in respect of premiums collected and received with respect to the Reinsured Policies. The Company hereby designates the Reinsurer as “paying agent” to make such Producer Payments directly to the applicable Producers from and after the Effective Date (except to the extent that AUSA or its Affiliates are making such Producer Payments pursuant to the Transition Services Agreement). The Company shall act at the Reinsurer’s written direction and expense to exercise all rights of the Company relating to the Reinsured Policies under the terms of the Producer Agreements, including any rights to suspend or terminate Producer Payments to such Producers for any reason or cause set forth in the Producer Agreements, in each case only to the extent such rights thereunder relate to the Reinsured Policies; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

(b) As part of the Net Settlement, the Reinsurer shall pay to the Company from Producer Payments due to a Producer aggregate amounts equal to the agent debit balances, commission claw-backs, agent advances and agent loans maintained by the Company with respect to the applicable Producer and identified by the Company, provided that the Reinsurer shall no longer be required to pay such an amount in respect of any balance, claw-back, advance or loan that it acquires from the Company. The Reinsurer shall not be required to pay any such amounts paid to the Company under this Section 2.5(b) to a Producer pursuant to Section 2.5(a).

To the extent there is any recovery of any such assessment paid by the Reinsurer, the Company shall promptly pay the Reinsurer’s Share of such recovery to the Reinsurer.

(b) Premium Taxes.

(i) The Reinsurer shall pay to the Company a provision for premium taxes and other charges, fees, taxes and assessments, including retaliatory taxes (collectively, “Premium Taxes”), incurred or imposed on or after the Effective Date in

connection with premiums written or received under the Reinsured Policies. The provision for Premium Taxes shall be estimated at 1.8% of premiums received under the Reinsured Policies, as calculated on a monthly basis, and shall be paid by the Reinsurer to the Company as part of the monthly settlement pursuant to Section 6.2 and adjusted annually to an actual rate for each year as part of the monthly settlement pursuant to Section 6.2 for the second calendar month of the following year, with such monthly settlement to reflect the difference between actual Premium Taxes in respect of the Reinsured Policies (after giving effect to any offsets for guaranty fund assessments reimbursed by the Reinsurer pursuant to Section 2.6(a)) and estimated Premium Taxes.

(ii) Each Party shall promptly notify the other in writing upon receipt by it or any of its Affiliates of notice of any pending or threatened Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes.

(i) The Company shall have the right to control the conduct of any Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes, and to employ counsel of the Company's choice; provided, that the Reinsurer shall be permitted, at the Reinsurer's expense, to be present at, and to participate in, any Action related to Premium Taxes. Notwithstanding such control, the Company shall not settle, either administratively or after the commencement of litigation, any claim for Premium Taxes without the consent of the Reinsurer, which consent shall not be unreasonably withheld or delayed. The Parties shall furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the preparation for any Premium Tax audit or other Action related to Premium Taxes, and the prosecution or defense of any Action related to any Premium Taxes or any Premium Tax Returns filed in connection with such Premium Taxes. The Parties shall reasonably cooperate with each other in the conduct of any Action related to any Premium Taxes. Section 2.7 Other Reinsurance. This Agreement is written on a "gross" basis and thus the costs and benefits of Other Reinsurance inuring on the Reinsured Policies are intended to be borne by the Reinsurer. Other Reinsurance with respect to the Reinsured Policies shall be deemed to be inuring to the Reinsurer's benefit for all purposes of this Agreement and shall be accounted for herein such that the Reinsurer participates in the Reinsurer's Share of any premiums, benefits, recoveries, ceding or expense allowances, other allowances and other adjustments as such amounts and such risks are paid, received or otherwise collected by the Company with respect to such Other Reinsurance, it being understood that the Reinsurer shall bear all risk of collecting third party reinsurance (except as otherwise provided in Section 3.2(e)). To the extent a change is required by Applicable Law, the Company shall, within a reasonable period of time prior to effecting such change, provide reasonably detailed written notice to the Reinsurer describing the nature of such change and the reasons for making such change. The Company shall also afford the Reinsurer, at the Reinsurer's expense, the opportunity, to the extent reasonably practicable, to object to such change under applicable administrative procedures.

(b) Non-Guaranteed Elements. The Company will be responsible for determining the cost of insurance charges, loads and expense charges, credited interest rates, mortality and expense charges, administrative expense risk charges and policyholder dividends, as applicable, under the Reinsured Policies ("Non-Guaranteed Elements"); provided, that the Reinsurer may provide written recommendations regarding the Non-Guaranteed Elements to the Company and, provided that such recommendations comply with the written terms of the Indy Life Closed Block Policies, Applicable Law and Actuarial Standards of Practice promulgated by the Actuarial Standards Board governing redetermination of non-guaranteed charges, if the Company does not follow such recommendations, then, the Company shall indemnify and hold harmless the Reinsurer for Losses arising out of the Company's failure to follow the recommendations of the Reinsurer. The Company may not change the Non-Guaranteed Elements without the Reinsurer's prior written consent.

Section 2.9 Ownership of Premiums. Payment of Premiums to the Reinsurer, as Administrator pursuant to the Administrative Services Agreement, by or on behalf of a policyholder shall be deemed received by the Company. All monies, checks, drafts, money orders, postal notes and other instruments that may be received after the Effective Date by the Company for premiums, fees or other payments on or in respect of the Reinsured Policies shall be held in trust by the Company for the benefit of the Reinsurer and shall be immediately transferred and delivered to the Reinsurer, and any such instruments when so delivered shall bear all endorsements required to effect the transfer of same to the Reinsurer. The Reinsurer is hereby authorized to endorse for payment to the Reinsurer any such checks, drafts, money orders and other instruments pertaining to the Reinsured Policies that are payable to, or to the order of, the Company and received by the Reinsurer under this Agreement. As between the Parties, the Reinsurer shall be deemed owner of all such payments.

Section 2.10 Assignment; Security Interest.

(a) The Company hereby assigns, transfers and conveys to the Reinsurer, effective as of the Effective Time, all of Company's right, title and interest (legal, equitable or otherwise), if any, (i) under the Reinsured Policies to receive principal and interest paid on policy loans and (ii) in and to the Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies. The Reinsurer and the Company hereby agree that, in connection with any termination of this Agreement, all of the Reinsurer's right, title and interest (legal, equitable or otherwise) in and to the items set forth in (i) and (ii) above shall be immediately assigned, transferred and conveyed to the Company without any further action by the Parties. Each Party, as reasonably requested by the other from time to time, shall take all reasonably appropriate action and execute any reasonably necessary and appropriate additional documents, instruments or conveyances of any kind which may be reasonably necessary to carry out the provisions of this Section 2.10(a).

(b) The Parties intend that at all times prior to the termination of this Agreement the Company's assignment pursuant to Section 2.10(a) to be a present assignment of all of the Company's rights, title and interest and not an assignment as collateral. However, to the extent that such assignment is not recognized as a present assignment, is not valid or is recharacterized as a pledge rather than a lawful conveyance to the Reinsurer, the Company does hereby bargain, sell, convey, assign and otherwise pledge to the Reinsurer, and grant a first priority security interest to the Reinsurer in, all of the Company's right, title and interest (legal, equitable or otherwise), if any, (i) under the Reinsured Policies to receive principal and interest paid on policy loans and (ii) in and to all Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies (collectively, the "Collateral") to secure all of the Company's obligations under this Agreement.

(c) Upon the failure of the Company to fully perform any of its material obligations under this Agreement, including Sections 6.2 and 9.5, which failure is not caused by the Reinsurer as Administrator and remains uncured ten (10) calendar days after written notice thereof is received by the Company, the Reinsurer shall have, in addition to all other rights under this Agreement or under Applicable Law, the following rights:

- (i) the right to exercise all rights and remedies granted a secured party under the Uniform Commercial Code, as said code has been enacted in the State of Iowa or any other applicable jurisdiction (the "UCC"), as though all the Collateral constituted property subject to a security interest under Article 9 thereof;
- (ii) the right to set off against any of the Collateral any amounts owed by the Company to the Reinsurer;
- (iii) the right to attorneys' fees incurred in connection with the enforcement of this Agreement or in connection with the disposition of the Collateral; and
- (iv) the right to dispose of the Collateral, subject to commercial reasonableness.

(d) This Section 2.10 is being included in this Agreement to ensure that, if an insolvency or other court determines that, notwithstanding the provisions of this Agreement, including Sections 2.1, 2.2, 2.3, 2.9, 6.2 and 12.1, and the intent of this Agreement, the Company retained ownership of or any rights in the Collateral, the Reinsurer's rights to the Collateral are protected with a first priority, perfected security interest, and it is the intent of the Parties that this Section 2.10 be interpreted as such.

(e) At or prior to the Effective Time, the Company shall file, and the Reinsurer is authorized to file, any and all financing statements reasonably requested by the Reinsurer in order to perfect the Reinsurer's right title and interest under Article 9 of the UCC in and to the Collateral, and the Company shall do such further acts and things as Reinsurer may reasonably request in order that the security interest granted hereunder may be maintained as a first priority perfected security interest; provided, that the Reinsurer shall be required to bear all out-of-pocket costs and expenses (including reasonable attorney's fees) incurred by the Company in connection with any such action or other thing requested by the Reinsurer.

Section 2.11 Reserved.

Section 2.12 Interest Maintenance Reserve. Set forth on Schedule 2.12 is the Reinsurer's Share of the existing Interest Maintenance Reserve attributable to the Reinsured Liabilities and the amount of the new Interest Maintenance Reserve that is created at the Effective Time as a direct result of the transactions contemplated by this Agreement. The entirety of such Interest Maintenance Reserve shall be calculated by the Company and ceded to and held by the Reinsurer, and shall be amortized as set forth on Schedule 2.12. The Company shall have no obligation to establish any such Interest Maintenance Reserve.

ARTICLE III REINSURANCE LIABILITY

Section 3.1 Reinsurance Liability. The reinsurance by the Reinsurer of the Reinsured Policies is subject to the same rates, conditions, limitations and restrictions as the insurance under the Reinsured Policies written by the Company on which the reinsurance is based. The liability of the Reinsurer hereunder on the terms described herein begins as of the Effective Time and, subject to Article IX hereof, the liability of the Reinsurer on any Reinsured Policy will terminate as and when all liability of the Company with respect to such Reinsured Policy terminates.

Section 3.2 Other Reinsurance.

(a) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the Other Reinsurance Agreements and to perform fully each of its obligations thereunder. The Company may not modify, amend, terminate or recapture any Other Reinsurance Agreement or waive any of its rights under any such agreement without

the Reinsurer's prior written consent and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request, requiring the collateralization by the third party reinsurer of reserve balances and other amounts thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to recapture risks ceded thereby under any of the Other Reinsurance Agreements or to otherwise terminate any such agreement and shall, at the Reinsurer's instruction and expense, effect any such action with respect to the management or administration of the Other Reinsurance as the Reinsurer shall reasonably request, including termination or recapture, as may be available under or with respect to the terms of any Other Reinsurance Agreement; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer. Subject to the terms and conditions of the Administrative Services Agreement, the Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer (including any reasonable out-of-pocket expenses incurred by the Company), pursue commercially reasonable management and collection efforts with respect to the Other Reinsurance and, in general, will reasonably cooperate with the Reinsurer in the management of the Other Reinsurance.

(b) Following the Effective Date, at the Reinsurer's expense and reasonable request, the Company shall cooperate with the Reinsurer and shall use its reasonable best efforts in the context of current market conditions to novate any Other Reinsurance from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Parties shall promptly advise each other of any communications with respect to any such proposed novation. All correspondence from either the Company or the Reinsurer to any reinsurer under Other Reinsurance in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense (including any reasonable out-of-pocket expenses incurred by the Company), the Company shall effect any such action with respect to any such proposed novation as the Reinsurer shall reasonably request, including sending correspondence requesting that an Other Reinsurance Agreement be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

(c) The recoverability of the Other Reinsurance from reinsurers shall be at the risk of and for the account of the Reinsurer provided, that to the extent the Other Reinsurance became unrecoverable (in accordance with the Company's ordinary-course evaluation and statutory accounting treatment) prior to the Effective Time, the recoverability of such amounts shall be borne by the Company. The Company agrees that whenever an Other Reinsurance Agreement provides the Company with a right of set-off, the Company shall exercise such right of set-off in the event that amounts are due and unpaid from the Reinsurer. The Company shall have no obligation to pursue any claims it may have for indemnification to which it may be entitled in connection with the Other Reinsurance unless requested to do so by the Reinsurer and at the cost and expense of the Reinsurer (including reasonable out-of-pocket expenses incurred by the Company). In no event shall any such right to indemnification reduce the Reinsurer's responsibility for the risk of all Other Reinsurance. The Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by Reinsurer.

Section 3.3 Disclaimer. The Company has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Company expressly disclaims, and makes no representations or warranties to the Reinsurer, other than those expressly contained in this Agreement. The Reinsurer has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Reinsurer expressly disclaims, and makes no representations or warranties to the Company, other than those expressly contained in this Agreement.

Section 3.4 Reinsurance Assets. The Reinsurer covenants that it will comply with Applicable Law with respect to the assets supporting the Reinsured Liabilities, including managing the assets in accordance with the requirements of Applicable Law.

ARTICLE IV CERTAIN FINANCIAL PROVISIONS

Section 4.1 Provision of Security by the Reinsurer.

(a) On the Amendment Effective Date, the Reinsurer, the Company and Ameritas will enter into the Trust Agreement.

(b) The Reinsurer shall maintain, or cause to be maintained, cash and assets in the Custody Account and the Trust Account, having a combined Statutory Book Value, determined in good faith by the Reinsurer on a quarterly basis, to be not less than the Required Balance. The Required Balance and the Statutory Book Value of any assets held in the Custody Account with respect to this Agreement shall be calculated by the Reinsurer as of the last day of each calendar quarter pursuant to this Agreement and the Statutory Book Value of any assets held in the Trust Account shall be calculated by Ameritas as of the last day of each calendar quarter pursuant to the Ameritas Coinsurance Agreement, and the Reinsurer shall provide a certification with respect to such valuation, including the Statutory Book Value and Fair Market Value of all such assets (both on an asset-by-asset basis and a cumulative basis), to the Company within thirty (30) days after the end of such quarter. If the amount of cash *plus* the Statutory Book Value of assets held in the Custody Account with respect to this Agreement and the Trust Account as of any quarter end is less than the Required Balance as of such quarter end, the Reinsurer shall within five (5) Business Days after such determination is made make such further deposits to the Custody Account or Trust Account, as are required in order to restore the Required Balance as of such quarter end. If the amount of cash plus the Statutory Book Value of assets held in the Custody Account with respect to this Agreement and the Trust Account as of any quarter end is greater than the Required Balance as of such quarter end, the Reinsurer may provide notice to the Company of its desire to withdraw assets from the Custody Account, specifying the amount and type of assets to be withdrawn. Within five (5) Business Days following its delivery of such notice to the Company, the Reinsurer may withdraw such assets from the Custody Account in excess of the amount necessary to maintain such Required Balance as of the applicable quarter end in accordance with the requirements set forth in the Custody Agreement. Any

disputes by the Company of the amount of the Required Balance or the valuation of any asset deposited in the Custody Account pursuant to this [Section 4.1](#) shall be resolved in accordance with [Section 10.2](#). Upon resolution of any such dispute in accordance with [Section 10.2](#), either (A) the Reinsurer shall cause to be deposited additional assets within two (2) Business Days following such resolution, such that following any such deposit, the amount of cash *plus* the Statutory Book Value of the assets held in the Custody Account with respect to this Agreement and the Trust Account is sufficient to maintain the Required Balance as of the applicable quarter end; or (B) the Reinsurer may withdraw assets from the Custody Account in accordance with this [Section 4.1\(b\)](#), such that following any such withdrawal, the amount of cash *plus* the Statutory Book Value of the assets held in the Custody Account with respect to this Agreement and the Trust Account is sufficient to maintain the Required Balance as of the applicable quarter end. Unless otherwise agreed upon in writing by the Company, the Reinsurer shall maintain the Custody Account until all obligations of the Reinsurer under this Agreement have been fully satisfied, as determined by the Company in its sole discretion.

(c) The Company and the Reinsurer agree that the assets maintained in (i) the Custody Account may be withdrawn by the Company only after a default by the Reinsurer in the performance of its monetary obligations hereunder that is not being disputed by the Reinsurer in good faith, which undisputed payment default has not been cured by the Reinsurer within five (5) Business Days following its receipt of a written notice thereof delivered by the Company or (ii) the Trust Account may be withdrawn by the Company only (A) to the extent that an amount owed to the Reinsurer under the Ameritas Coinsurance Agreement is being disputed by Ameritas, (B) such amount, arising from the same obligation, is owed to the Company under this Agreement and (C) the payment of such amount to the Company is not being disputed by the Reinsurer in good faith under this Agreement. The amount of any such withdrawal in excess of amounts then due to the Company hereunder shall be deemed maintained in trust for the benefit of the Reinsurer and promptly returned to the Custody Account or the Trust Account, as applicable. Upon prior written notice to the Company, the Reinsurer shall have the right to substitute or exchange assets maintained in the Custody Account in accordance with the requirements set forth in the Custody Agreement (such substituted or exchanged assets, the "[Replacement Assets](#)"); provided that (i) the aggregate Statutory Book Value of such Replacement Assets that are deposited in or credited to the Custody Account shall be at least equal to the aggregate Statutory Book Value of the assets being removed from the Custody Account, (ii) the ratio of the aggregate Fair Market Value of the non-cash Replacement Assets to the aggregate Statutory Book Value of the non-cash Replacement Assets shall be the same as or greater than the ratio of the aggregate Fair Market Value of the non-cash assets being removed from the Custody Account to the aggregate Statutory Book Value of the non-cash assets being removed from the Custody Account immediately prior to such substitution, (iii) the Replacement Assets shall be deposited in the Custody Account prior to or simultaneously with the removal of assets from the Custody Account in connection with any such substitution or exchange and (v) the Reinsurer shall not make any substitutions under this [Section 4.1\(c\)](#) if it is in default under any other provision of this Agreement.

(d) As of the date of the transfer of any assets to the Custody Account after the Effective Date, the Reinsurer will have good and marketable title to all such assets transferred by it to the Custody Account, all assets transferred by the Reinsurer after the

Effective Date to the Custody Account shall be transferred free and clear of any liens other than interests of nominees, custodians or similar intermediaries, and the Reinsurer will not create, incur, assume or permit any lien or other encumbrance on any of the assets held in the Custody Account, or on any interest therein or on any of the proceeds thereof, other than interests of nominees, custodians or similar intermediaries.

(e) The Reinsurer shall notify the Company in writing of any payment default occurring as to any asset in the Custody Account promptly after the Reinsurer receives notice of such default. In the event the Reinsurer determines that a delinquency of a timely payment in regard to any of the assets in the Custody Account has occurred, the Reinsurer shall inform the Company of such delinquency promptly upon such determination.

(f) Assets in the Custody Account or the Trust Account, as applicable, may be withdrawn and applied by the Company or any successor of the Company without diminution because of insolvency on the part of the Company or the Reinsurer only for the following purposes:

(i) to pay to the Company any amount due to be paid out of the Custody Account or the Trust Account, as applicable, as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Reinsurer in good faith;

(ii) to pay any portion of the Net Settlement due to be paid to the Company from the Custody Account or the Trust Account, as applicable, in accordance with [Section 6.2\(b\)](#) to the extent such portion is not being disputed by the Reinsurer in good faith; or

(iii) to pay or reimburse the Company for any other amounts due but not yet recovered from the Reinsurer under this Agreement in order to satisfy liabilities under the Reinsured Policies to the extent such amounts are not being disputed by the Reinsurer in good faith.

For the avoidance of doubt, any amounts referred to above that are not the subject of a good faith dispute may be withdrawn and applied for the purposes provided above.

(g) The Reinsurer shall not amend, restate, modify, supplement, assign, terminate, hypothecate, subordinate, discharge or otherwise alter or waive, or consent to amendment, restatement, modification, supplementation, assignment, termination, hypothecation, subordination, dischargement or other alteration or waiver of the Custody Agreement without the prior written consent of the Company, such consent not to be unreasonably withheld, conditioned or delayed.

(h) The Reinsurer shall not amend, restate, modify, supplement, assign, terminate, hypothecate, subordinate, discharge or otherwise alter or waive, or consent to amendment, restatement, modification, supplementation, assignment, termination, hypothecation, subordination, dischargement or other alteration or waiver of the Trust Agreement, in each case, in any way that would materially and adversely affect the rights of the Company thereunder without the prior written consent of the Company, such consent not to be unreasonably withheld, conditioned or delayed.

Section 4.2 Credit for Reinsurance. If at any time during the term of this Agreement, an event occurs that would give the Company the right to terminate this Agreement pursuant to Section 9.3 or the Reinsurer fails to hold and maintain all licenses, permits and authorities required under Applicable Law to enable the Company to receive statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile, at the Company's option either (a) the Company shall terminate this Agreement pursuant to Section 9.3 or (b) the Reinsurer and the Company shall for a period of 30 (thirty) Business Days following such failure, use reasonable best efforts to novate the Reinsurer's rights and obligations under the Ameritas Coinsurance Agreement to the Company; provided, however that if, after such 30 (thirty) Business Day period (or such longer period as may be agreed upon in good faith by the Parties), an agreement has not been reached with respect to such novation, the Reinsurer shall, at its sole expense, establish and maintain security in the form of letters of credit, assets held in a reinsurance trust, funds withheld arrangement or a combination thereof in a manner that meets all Applicable Laws regarding credit for reinsurance, so as to permit the Company to receive full statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile.

Section 4.3 RBC Reports.

(a) Within forty-five (45) calendar days following the end of the first three calendar quarters of each year during the term of this Agreement, the Reinsurer shall provide to the Company a report of its RBC Ratio as of the end of such calendar quarter, as estimated in good faith by the Reinsurer.

(b) Within five (5) Business Days of the submission by the Reinsurer to the insurance department of its domiciliary state of a report of its risk-based capital levels as of the end of the previous calendar year, but in no event later than 60 days following the end of each calendar year, the Reinsurer shall provide to the Company written certification of its RBC Ratio as of the end of such calendar year.

ARTICLE V
PLAN OF REINSURANCE

Section 5.1 Plan. Reinsurance under this Agreement is on a 100% coinsurance basis and is subject to the terms and conditions of the original policy forms for the Reinsured Policies and any amendments thereto in effect as of the Effective Date.

Section 5.2 Follow the Fortunes. The Reinsurer's liability under this Agreement shall commence on the Effective Date, and all reinsurance with respect to which the Reinsurer shall be liable by virtue of this Agreement shall be subject in all respects to the same risks, terms, rates, conditions, interpretations, assessments, waivers, proportion of premiums paid to, and reinsurance recoveries benefiting, the Company with respect to the Reinsured Liabilities and the Reinsured Policies, the true intent of this Agreement being that the Reinsurer shall follow the fortunes of the Company with respect to the Reinsured Liabilities and Reinsured Policies.

Section 5.3 Reductions and Terminations. Reinsurance amounts are calculated in terms of coverages on a “per policy” basis. If the coverage of any Reinsured Policy on an insured is reduced or terminated, reinsurance under this Agreement on such Reinsured Policy will be equally reduced or terminated.

Section 5.4 Reinstatements. Reinsured Policies ceded under this Agreement shall include any Indy Life Closed Block Policy that is reduced, terminated, lapsed or surrendered, and later reinstated pursuant to and in accordance with its policy provisions and will be reinsured by the Reinsurer in accordance with the terms of this Agreement. The Reinsurer will retain any Premiums and interest that the Company has received for reinstatement in respect of periods on or after the Effective Date. A terminated Indy Life Closed Block Policy that would have been a Reinsured Policy had it been in force at the Effective Time, that later reinstates pursuant to and in accordance with its policy provisions, will be reinsured by the Reinsurer and become a Reinsured Policy. The Reinsurer will be entitled to retain any Premiums and interest for coverage on or after the Effective Date that is received for such reinstatement, and the Company will transfer to the Reinsurer the amount of reserves for such reinstated Reinsured Policy as of the Effective Date, calculated in a manner that is consistent with the reserve calculations used for the other Reinsured Policies. The date of reinsurance for such reinstated Reinsured Policies shall be the Effective Date. For the avoidance of doubt, the reinstated Indy Life Closed Block Policies reinsured under this Section 5.4 shall include any Indy Life Closed Block Policy treated as lapsed or otherwise terminated prior to the Effective Time under which the Company subsequently becomes liable as a result of a determination that the policyowner, insured or beneficiary has died prior to the lapse or termination.

Section 5.5 Contractual Conversions; Internal Replacement.

(a) Any conversion, exchange or replacement policy or contract arising from the Reinsured Policies that is converted, exchanged or replaced pursuant to and in accordance with its policy terms shall be deemed to constitute a Reinsured Policy for purposes of this Agreement and, in the event of a conversion, exchange or replacement of any Reinsured Policy, the Reinsurer shall reinsure the risk resulting from such conversion on the basis set forth hereby with respect to the Reinsured Policies; provided, however, that the Reinsurer shall not be required to pay any additional ceding commission with respect to any such converted, exchanged or replacement policy or contract. The Reinsurer will reimburse the Company for any expenses incurred in issuing a converted, exchanged or replacement policy or contract, but only to the extent such expenses are not covered by payments made by the Reinsurer under the Transition Services Agreement.

(b) Absent the Reinsurer’s prior written consent (which may be withheld in its sole discretion), the Company will not solicit owners, beneficiaries or policyholders in connection with, or sponsor or assist, directly or indirectly, in the conduct of, (and will cause each of its Affiliates to refrain from soliciting in connection with, and sponsoring or assisting, directly or indirectly, in the conduct of) any program of internal replacement under which the owners, beneficiaries or policyholders of Reinsured Policies are or would be encouraged to exchange, or assisted in the exchange of, Reinsured Policies for other insurance policies or contracts that are not reinsured under this Agreement. Should the Company or its Affiliates or any of their respective successors or assigns initiate such a

program of internal replacement that would include any of the risks reinsured hereunder in violation of the preceding sentence, the Company will immediately notify the Reinsurer. For each risk reinsured hereunder that has been replaced under a program of internal replacement, the Reinsurer shall have the option, at its sole discretion, of either treating the risks reinsured as recaptured on terms reasonably acceptable to the Reinsurer or continuing reinsurance on the new policy under the terms of this Agreement without any additional ceding commission therefor.

ARTICLE VI ADMINISTRATION

Section 6.1 Administrative Services. The Parties hereby agree that the Indy Life Closed Block Policies, Other Reinsurance Agreements shall be administered in accordance with or as otherwise provided in the Administrative Services Agreement and the Transition Services Agreement.

Section 6.2 Net Settlements.

(a) For each Monthly Accounting Period, the Parties will effect a settlement on a net basis (the "Net Settlement") as contemplated in Annex B hereto.

(b) A report reflecting in detail the Net Settlement determinations contemplated in Annex B shall be prepared not later than thirty (30) calendar days after the end of each Monthly Accounting Period. For as long as required under the Transition Services Agreement, the Company shall prepare and deliver such report to the Reinsurer. After such time, the Reinsurer shall prepare and deliver such report to the Company. If a Net Settlement report reflects a balance due the Company, the amount(s) shown as due shall be paid within ten (10) Business Days of the delivery of the report. If a Net Settlement report reflects a balance due the Reinsurer, the amount(s) shown as due shall be paid within ten (10) Business Days after the date on which the report was delivered. If there is a delayed settlement of any payment due hereunder, interest will accrue on such payment at the Applicable Rate. For purposes of this section, a payment will be considered overdue on the date which is ten (10) Business Days after the date such payment is due hereunder; provided that such interest will begin to accrue from the original due date with respect to such payment. All settlements of account between the Company and the Reinsurer shall be made in cash or its equivalent.

(c) To the extent that the Reinsurer makes any direct payments to or on behalf of the Company in respect of Reinsured Liabilities or other amounts payable to the Company pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such payments shall be taken into account for purposes of determining the Net Settlement. In addition, to the extent the Reinsurer receives any Premiums or other amounts payable to the Reinsurer pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such Premiums received shall be taken into account for purposes of determining the Net Settlement.

(d) In connection with any settlement under this Agreement, the Reinsurer shall not be obligated to pay any Excluded Reinsured Liability.

(e) Notwithstanding any default by Ameritas in the performance of its monetary obligations under the Ameritas Coinsurance Agreement that is being disputed by Ameritas or the Reinsurer, the Reinsurer shall pay all amounts due to the Company hereunder unless such obligation is also disputed by the Reinsurer in good faith hereunder; provided, that the Reinsurer may not dispute such monetary obligation hereunder solely based on Ameritas' dispute with the Reinsurer under the Ameritas Coinsurance Agreement.

ARTICLE VII
DAC TAX

Section 7.1 DAC Tax Election. The Company and the Reinsurer hereby elect and agree under Treasury Regulations Section 1.848-2(g)(8) as follows:

(a) The Company and the Reinsurer will each attach a schedule to its federal income tax return for the first taxable year ending after the Effective Date that identifies this Agreement as a reinsurance agreement for which a joint election under Treasury Regulation Section 1.848-2(g)(8) has been made, and will otherwise file its respective federal income tax returns in a manner consistent with the provisions of Treasury Regulation Section 1.848-2 as in effect on the date this Agreement is executed;

(b) For each taxable year under this Agreement, the Party with the net positive consideration, as defined in the regulations promulgated under Section 848 of the Code, will capitalize specified policy acquisition expenses with respect to this Agreement without regard to the general deductions limitation of Section 848(c)(1) of the Code;

(c) The Company and the Reinsurer agree to exchange information pertaining to the amount of net consideration under this Agreement each year to ensure consistency or as otherwise required by the Code and applicable Treasury Regulations;

(d) The first tax year for which this election is effective is 2013;

(e) The Reinsurer will submit to the Company by May 15 each year its calculation of the amount of the net consideration for the preceding calendar year. This schedule of calculations will be accompanied by a statement that the Reinsurer will report such amount of net consideration in its tax return for the preceding calendar year;

(f) The Company may contest such calculation by providing an alternative calculation to the Reinsurer in writing within thirty (30) calendar days of the Company's receipt of the Reinsurer's calculation. If the Company does not so notify the Reinsurer, the Company will report the amount of net consideration as determined by the Reinsurer in the Company's tax return for the previous calendar year;

(g) If the Company contests the Reinsurer's calculation of the amount of net consideration, the dispute shall be resolved in accordance with Section 10.2.

Both the Company and the Reinsurer are subject to U.S. taxation under Subchapter L of Chapter 1 of the Code.

ARTICLE VIII
INSOLVENCY AND CUT THROUGH

Section 8.1 Insolvency. In the event of the insolvency of the Company, all reinsurance made, ceded, renewed or otherwise becoming effective under this Agreement shall be payable by the Reinsurer on the basis of the liability of the Company under the Reinsured Policies without diminution because of the insolvency of the Company directly to the Company or to its liquidator, receiver or statutory successor, except (i) where this Agreement specifically provides for another payee of the reinsurance in the event of the insolvency of the Company or (ii) where the Reinsurer, with the consent of the direct insured, has assumed the policy obligations of the Company as direct obligations of the Reinsurer to the payees under a Reinsured Policy and in substitution for the obligations of the Company to the payees. It is understood, however, that in the event of the insolvency of the Company, the liquidator or receiver or statutory successor of the insolvent Company shall give written notice to the Reinsurer of the pendency of the claim against the Company on any Reinsured Policy within a reasonable time after such claim is filed in the insolvency proceeding, and during the pendency of such claim, the Reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated any defense or defenses which it may deem available to the Company or its liquidator or receiver or statutory successor. The expenses incurred by the Reinsurer shall be chargeable, subject to court approval, against the Company as part of the expense of conservation or liquidation to the extent of a proportionate share of the benefit which may accrue to the Company in conservation or liquidation, solely as a result of the defense undertaken by the Reinsurer.

Section 8.2 Cut Through.

(a) Subject to Applicable Law and the applicable terms of the Reinsured Policies, if the Company becomes insolvent or is subject to any liquidation, rehabilitation, conservatorship, receivership, administrative supervision or any other similar proceeding, the Reinsurer may pay any Reinsured Liabilities otherwise due and payable by the Reinsurer to the Company hereunder directly to the named insureds or their designees under the applicable Reinsured Policies (the "Payee"), in accordance with and subject to the terms, conditions, exclusions and limitations of such Reinsured Policies. Any such payment by the Reinsurer shall discharge the Company from its related payment obligation under the subject Reinsured Policy and shall be treated as a payment by the Company for all purposes of such Reinsured Policy and related documentation and otherwise.

(b) The Reinsurer shall have no obligation to indemnify the Company for amounts paid or payable by the Company in respect of a Reinsured Policy to the extent of any payments made by the Reinsurer to the applicable Payee under such Reinsured Policy in accordance with Section 8.2(a), and the Reinsurer shall be discharged of its payment obligations to the Company, or to its liquidator, receiver, rehabilitator, conservator or other similar Person, under this Agreement to the extent of such payments. The cut-through afforded by Section 8.2(a) shall not be available pursuant to this Agreement if, under

Applicable Law, regulation, court rule or order or similar requirement either: (i) the Reinsurer's direct payment to such Payee will not, to the extent thereof, discharge the Reinsurer's obligations to the Company or its legal representative or (ii) the Reinsurer is required by Applicable Law to make any payment to the Company or its liquidator, receiver, rehabilitator, conservator or other similar Person notwithstanding the provisions of this Agreement. Nothing herein or in any Reinsured Policy shall be construed to require the Reinsurer to make duplicative payments or payments duplicative of payments that have been made by the Company.

ARTICLE IX TERMINATION

Section 9.1 Duration of Coinsurance. This Agreement will be effective as of the Effective Time. Subject to the provisions of this Article IX, this Agreement will remain in effect, and the reinsurance provided hereunder will remain in force, until termination of the policy or policies on which the reinsurance is based in accordance with the terms of this Agreement. Except as provided in Sections 9.3, the Reinsured Policies are not eligible for recapture by the Company.

Section 9.2 Termination. This Agreement shall terminate:

- (a) at any time upon the mutual written consent of the Parties hereto, which writing shall state the effective date of termination; or
- (b) automatically at such time as no liability remains under this Agreement.

Section 9.3 Termination by the Company. The Company, in its sole discretion, shall have the option to terminate this Agreement upon the occurrence of any one of the following events:

- (a) the Reinsurer is placed in receivership, conservatorship, rehabilitation or liquidation by any insurance regulatory authority;
- (b) assets withdrawn from the Trust Account by the Reinsurer are not transferred to the Custody Account, and the Reinsurer or Ameritas fail to cure such breach by depositing assets equal to the Fair Market Value of such withdrawn assets into the Custody Account within the earlier of (i) fifteen (15) calendar days following receipt of written notice of such breach from the Company and (ii) the last day of the calendar year in which such breach occurs; provided that, in the case of clause (ii) only, the Company shall have no right to terminate with a cure period of fewer than fifteen (15) calendar days to the extent that the Company continues to receive full credit for the Custody Account in its risk-based capital calculation;
- (c) the Reinsurer breaches Section 4.2, and the Reinsurer fails to cure such breach within the earlier of (i) thirty (30) calendar days following receipt of written notice of such breach from the Company and (ii) the last day of the calendar quarter in which such breach occurs; provided that the Company shall have no right to terminate if the Reinsurer cannot take any action reasonably required for the Company to receive statutory reserve

credit without the reasonable cooperation of the Company and the Company shall not have reasonably cooperated with the Reinsurer; provided, further, that it shall be deemed unreasonable to require the Company to cooperate in the event such cooperation would impose on the Company any cost and the Reinsurer has not agreed to be responsible for such cost;

(d) the Reinsurer fails to pay any material amount due to the Company under this Agreement and (i) such amount is not subject to a good faith dispute and (ii) such failure is not cured within ten (10) Business Days following the Reinsurer's receipt of written notice of such failure from the Company; or

(e) in the event that (i) the Reinsurer's RBC Ratio is less than 175% or (ii) the Reinsurer fails to provide its RBC Ratio in accordance with Section 4.3 of this Agreement (or Section 4.4 of the Non-Indy Life Coinsurance Agreement) and, upon delivery of written notice from the Company to the Reinsurer, the Reinsurer shall fail to provide its RBC Ratio within ten (10) Business Days following such notice.

Section 9.4 Termination by the Reinsurer. Upon the occurrence of a Reinsurer Termination Event, the Reinsurer shall have the right (but not the obligation) to terminate this Agreement by providing written notice of its intent to terminate. Termination of this Agreement shall be effective on the date specified in such notice, provided that such date shall not be prior to the date on which the Reinsurer Termination Event occurred. Upon termination of this Agreement pursuant to this Section 9.4, the Company shall be deemed to have recaptured and reassumed all Reinsured Liabilities. Recapture of the Reinsured Policies shall be effective on the date specified in the notice of termination.

Section 9.5 Settlement Upon Termination. Upon the termination of this Agreement by the Company pursuant to Section 9.3 or by the Reinsurer pursuant to Section 9.4, subject to payment by the Reinsurer of any amounts due to the Company pursuant to this Section 9.5 and the payment by the Company of any amounts due to the Reinsurer pursuant to this Section 9.5, the Company shall recapture all liabilities previously ceded to the Reinsurer and the Reinsurer's liability under this Agreement will terminate (provided, that such termination shall not relieve any Party of any pre-termination breach of this Agreement). The Company shall prepare a Net Settlement report for the period commencing on the first day of the then-current calendar month and ending on the date this Agreement is terminated pursuant to Sections 9.3 or 9.4. On the tenth Business Day following the delivery of such Net Settlement report (a) the applicable Party shall pay any amounts due and owing by such Party on such Net Settlement report; (b) the Reinsurer shall transfer to the Company cash and assets with an aggregate Fair Market Value equal to 100% of an amount equal to: (i) the Reinsurer's Share of the Statutory Reserves held by the Company with respect to the Reinsured Policies, *plus* (ii) the Reinsurer's Share of the Interest Maintenance Reserve attributable to the Reinsured Liabilities, *plus* (iii) (x) the amount of any new Interest Maintenance Reserve created at the time of recapture as a result of such recapture divided by 65% and (y) the amount of any new Interest Maintenance Reserve created at the Effective Time as a direct result of the transactions contemplated by this Agreement that remains unamortized as of the date of termination, *minus* (iv) the Reinsurer's Share of the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including

ARTICLE X
RESOLUTION OF CERTAIN DISPUTES

Section 10.1 Disputes over Actual Initial Coinsurance Premium Calculations and SPA Adjusted Coinsurance Premium

(a) Within thirty (30) calendar days following its receipt from the Company of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, (such period, a "Review Period"), the Reinsurer shall either (i) notify the Company in writing of its agreement with the calculation of the Actual Initial Coinsurance Premium or SPA Adjusted Coinsurance Premium, as applicable, set forth therein ("Notice of Agreement"); or (ii) if the Company determines that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein either (x) have not been prepared on the basis set forth in Section 2.3 or in Section 5.8 of the Purchase Agreement, or (y) contain or reflect mathematical errors, inform the Company in writing of its objection (the "Reinsurer's Objection"), which notice shall set forth in reasonable detail a description of the basis of the Reinsurer's Objection and the adjustments to such Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein that the Reinsurer requests be made. The Company, as applicable, shall, following the Effective Date through the date that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, becomes final in accordance with the last sentence of Section 10.1(c), take all actions necessary or desirable to maintain and preserve all accounting books, records, policies and procedures on which such Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, are based or on which the finalized Initial Coinsurance Premium Adjustment or SPA Coinsurance Premium Adjustment, as applicable, are to be based so as not to impede or delay the determination of the finalized Actual Initial Coinsurance Premium, the finalized SPA Adjusted Coinsurance Premium, the finalized Fair Market Value of the Reinsurance Assets as of the Effective Date or the preparation of the Reinsurer's Objection in the manner and utilizing the methods permitted by this Agreement. Upon receipt by the Company of a Notice of Agreement from the Reinsurer or if no

Reinsurer's Objection is received by the Company prior to the expiration of the Review Period, the Actual Initial Coinsurance Premium, the SPA Adjusted Coinsurance Premium and the Reinsurer's calculation of the Initial Coinsurance Premium Adjustment (as set forth in the Initial Coinsurance Premium Reconciliation Statement) and the SPA Coinsurance Premium Adjustment (as set forth in the SPA Coinsurance Premium Reconciliation Statement) shall be deemed to have been accepted by the Reinsurer and will become final and binding upon the Parties in accordance with the last sentence of [Section 10.1\(c\)](#).

(b) If the Reinsurer timely delivers a Reinsurer's Objection to the Company, the Company shall have thirty (30) calendar days from the date of such delivery to review and respond to such Reinsurer's Objection (the "[Consultation Period](#)"). The Parties shall use reasonable, good faith efforts to resolve any disagreements that they may have with respect to the matters set forth in the Reinsurer's Objection. If the Parties are unable to resolve all of their disagreements with respect to the matters set forth in the Reinsurer's Objection within ten (10) Business Days following the expiration of the Consultation Period, then the Parties shall submit all matters that remain in dispute with respect to the Reinsurer's Objection (along with a copy of the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein, marked to indicate those line items that are still in dispute) to an independent internationally recognized accounting firm of independent certified public accountants with appropriate actuarial expertise mutually agreed upon by the Parties (the "[CPA Firm](#)"), which shall, acting as an expert and not as an arbitrator, make a final determination, on the basis of the standards set forth in [Section 2.3](#) hereof, and only with respect to any remaining differences submitted to the CPA Firm, in accordance with this [Section 10.1\(b\)](#), of the appropriate amount of each line item in the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein as to which the Parties disagree (such items that remain in dispute, the "[Unresolved Items](#)").

(c) The Parties shall instruct the CPA Firm to deliver its written determination to the Reinsurer and the Company no later than fifteen Business Days after the Unresolved Items are referred to the CPA Firm. The CPA Firm's determination shall include a certification that it reached such determination in accordance with this [Section 10.1\(c\)](#) and shall be conclusive and binding upon the Parties, absent fraud or clear and manifest error. With respect to each Unresolved Item, the CPA Firm's determination, if not in accordance with the position of either the Company or the Reinsurer, shall not be more favorable to the Reinsurer than the amounts advocated by the Reinsurer in the Reinsurer's Objection or more favorable to the Company than the amounts advocated by the Company in the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement or the Company's calculations of the amounts set forth therein with respect to such disputed line item and/or calculation. For the avoidance of doubt, (i) the CPA Firm's review of the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein shall be limited to a determination of whether such documents and calculations were prepared in accordance with [Section 2.3](#), and (ii) the CPA Firm shall not review any line items or make any determination with respect to any matters other than the Unresolved Items that were referred to the CPA Firm for resolution pursuant to this

Section 10.1(c). The determination of the amounts set forth in the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, that are final and binding on the Parties, as determined either through (1) the Reinsurer's delivery of a Notice of Agreement pursuant to Section 10.1(a), (2) the Reinsurer's failure to deliver Reinsurer's Objection prior to expiration of the Review Period pursuant to Section 10.1(a), (3) agreement by the Parties during the Consultation Period or (4) the determination of the CPA Firm pursuant to this Section 10.1(c) are referred to herein as the "finalized Actual Initial Coinsurance Premium," the "finalized Initial Coinsurance Premium Adjustment," the "finalized Fair Market Value of the Reinsurance Assets as of the Effective Date," the "finalized SPA Adjusted Coinsurance Premium," the and the "finalized SPA Coinsurance Premium Adjustment," as the case may be.

(d) The Parties agree that judgment may be entered upon the CPA Firm's determination in any court having jurisdiction over the Reinsurer or the Company or their respective assets, as the case may be. The fees and disbursements of the CPA Firm shall be paid by the Parties in proportion to those matters submitted to the CPA Firm that are resolved against that Party, as such fees and disbursements are allocated by the CPA Firm in accordance with this Section 10.1 at the time of the CPA Firm's determination. At any time following delivery of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, the Reinsurer shall provide to the Company and its Representatives full access to books and records and other information with respect to the Reinsured Policies, the Net Retained Liabilities and the Ceding Commission, including work papers of its accountants (subject to execution by the Company and/or its Representatives, as applicable, of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent necessary for the Company to prepare the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement or to prepare materials for presentation to the CPA Firm. The Parties shall make readily available to the CPA Firm, during regular business hours and on reasonable advance notice, interviews with such employees, and all relevant information, books and records and any work papers of their respective accountants (in each case, subject to execution by the CPA Firm of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants) relating to the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and any Unresolved Items and all other items reasonably required by the CPA Firm to fulfill its obligations under Section 10.1(c). In acting under this Section 10.1, the CPA Firm will be entitled to the privileges and immunities of an arbitrator.

(e) For the avoidance of doubt, this Section 10.1 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

Section 10.2 Disputes over Calculations. After the Effective Date, any dispute between the Parties with respect to the calculation of amounts that are to be calculated or reported pursuant to this Agreement (other than disputes with respect to the Actual Initial Coinsurance Premium and the SPA Adjusted Initial Coinsurance Premium, which shall be resolved in accordance with Section 10.1 hereof), including disputes with respect to any Net Settlement,

calculations relating to DAC tax, valuation of the assets held in the Custody Account or the amount of the Reinsurer Termination Payment or the Company Termination Payment, that cannot be resolved by the Parties within sixty (60) calendar days, shall be referred to an independent accounting firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties; provided, however, that where the dispute involves an actuarial issue, the dispute shall instead be referred to an independent actuarial firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties. Within twenty (20) Business Days following the selection of the accounting firm or actuarial firm, as applicable, the Parties shall submit their positions and supporting documentation to such accounting firm or actuarial firm. Within forty (40) Business Days of such submission, the accounting firm or actuarial firm, as applicable, shall, in light of the evidence provided by both Parties, determine the calculations in dispute within the range of difference between the Reinsurer's position thereto and the Company's position thereto. There shall be no appeal from the decision made by such firm, which shall be final and binding (absent fraud or clear and manifest error), except that, either Party may petition a court having jurisdiction over the other Party or its assets to reduce the arbitrator's decision to judgment. The fees charged by the accounting firm or actuarial firm, as applicable, to resolve the dispute shall be allocated between the Company and the Reinsurer by such firm in accordance with its judgment as to the relative merits of the Parties' positions in respect of the dispute. For the avoidance of doubt, this Section 10.2 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

ARTICLE XIV GENERAL PROVISIONS

Section 14.1 Errors and Omissions. If any delay, omission, error or failure to pay amounts due or to perform any other act required by this Agreement is caused by mistake, misunderstanding or oversight, the Parties will equitably adjust the situation to what it would have been had the mistake, misunderstanding or oversight not occurred, and the reinsurance provided hereunder will not be invalidated. Should it not be possible to adjust the situation, it will be resolved in accordance with dispute resolution procedures mutually selected by the Parties.

Section 14.2 Offset and Recoupment. Any debits or credits incurred on or after the Effective Time in favor of or against either the Company or the Reinsurer with respect to this Agreement are deemed mutual debits or credits and may be set off and recouped, and only the net balance shall be allowed or paid hereunder. Section 14.15 Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument.

Section 14.17 Governing Law; Jurisdiction; Enforcement.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the principles of conflicts of law rules thereof, except that the laws of the State of Iowa shall apply with respect to insurance and reinsurance matters, including credit for reinsurance.

(b) Subject to Section 10.1 and Section 10.2, each party hereby irrevocably and unconditionally submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York and of any New York state court sitting in New York County, for purposes of all legal proceedings arising out of or relating to this Agreement, or the transactions contemplated by this Agreement, or for recognition and enforcement of any judgment in respect thereof. In any such action, suit or other proceeding, each party hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such proceedings brought in such court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Each party also agrees that any final and unappealable judgment against a party in connection with any action, suit or other proceeding shall be conclusive and binding on such party and that such award or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. A certified or exemplified copy of such award or judgment shall be conclusive evidence of the fact and amount of such award or judgment. Each party agrees that any process or other paper to be served in connection with any action or proceeding under this Agreement shall, if delivered, sent or mailed in accordance with Section 14.7, constitute good, proper and sufficient service thereof.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION, ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED IN CONTRACT, TORT OR OTHERWISE) DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 14.17.

Section 14.18 Further Assurances. Annex C

Net Retained Liabilities Ceding Commission Adjustment

Until 100% of the Net Retained Liabilities have been reinsured under this Agreement, an adjustment to the Ceding Commission shall be made as part of the Net Settlement each month as provided in this Annex C.

For each liability or obligation in respect of an Indy Life Closed Block Policy that remains a Net Retained Liability during the entire month covered in a Net Settlement, the Ceding Commission shall be increased or decreased. The increase or decrease for each Indy Life Closed Block Policy will vary based on line of business and will be calculated on a *pro rata* basis for each relevant month, in accordance with the table below, to reflect the time elapsed between April 30, 2013 (the Signing Date) and the date as of which the Net Settlement is prepared.

Estimated Cede Per \$500mm Gross Face (1)

Years After the Signing Date:	<u>0</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>4</u>	<u>5</u>	<u>6</u>	<u>7</u>	<u>8</u>	<u>9</u>	<u>10</u>
CB	\$ (4.9)	\$ (3.9)	\$ (3.4)	\$ (3.4)	\$ (3.3)	\$ (3.2)	\$ (3.1)	\$ (3.0)	\$ (2.9)	\$ (2.8)	\$ (2.7)
<u>11</u>	<u>12</u>	<u>13</u>	<u>14</u>	<u>15</u>	<u>16</u>	<u>17</u>	<u>18</u>	<u>19</u>	<u>20</u>		
\$ (2.5)	\$ (2.4)	\$ (2.4)	\$ (2.3)	\$ (2.2)	\$ (2.1)	\$ (2.0)	\$ (1.9)	\$ (1.8)	\$ (1.7)		

(1) Gross face is as of September 30, 2013 (*e.g.*, if retained business is ceded to the Company 10 years after the Signing Date, the cede adjustment is applied to the face of that business as of September 30, 2013, not September 30, 2023)

For illustrative purposes only, based on the table above, if \$500 million gross insurance in-force of closed block risk is retained by the Company until one year after the Signing Date, the Ceding Commission would increase by \$1 million (the difference in value between the Signing Date and the one year anniversary of the Signing Date for the “whole life” line of business in the table above).

If the calculation of the adjustment based on the table above results in an increase in the Ceding Commission for the relevant month, the amount of such increase shall be reflected as a payable from the Reinsurer to the Company in the applicable Net Settlement. If, instead, such calculation results in a decrease in the Ceding Commission for the relevant month, the amount of such decrease shall be reflected as a payable from the Company to the Reinsurer in the applicable Net Settlement.

ARTICLE II
COINSURANCE

Section 2.1 Scope and Basis of Reinsurance. The reinsurance provided under this Agreement applies to all Policies (collectively, the “Reinsured Policies”).

Section 2.2 Reinsuring Clause. Subject to the terms and conditions of this Agreement, the Company hereby cedes and the Reinsurer hereby reinsures on a coinsurance funds withheld basis as of the Effective Time, 100% (the “Reinsurer’s Share”) of all Reinsured Liabilities.

Section 2.3 Allocation of Assets and Ceding Commission.

(a) Coinsurance Premium.

(i) On the Effective Date, the Company will allocate to the Funds Withheld Account an initial coinsurance premium that relates to the Reinsured Policies consisting of assets that are listed and that have the Statutory Book Values set forth on Annex A (the “Initial Reinsurance Assets”) and cash, equal to the Reinsurer’s Share of the following amount: (A) the Statutory Reserves held by the Company with respect to the Reinsured Policies, *plus* (B) the Existing Interest Maintenance Reserve attributable to the Reinsured Liabilities, *minus* (C) the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *minus* (D) the net due and deferred Premiums on the Reinsured Policies, *minus* (E) the aggregate Statutory Book Value of the EI Hedges as of the Effective Date, *plus* (F) the other liabilities set forth on the Life Reference Balance Sheet, *minus* (G) the Additional Life Reference Balance Sheet Assets, in the case of each of clauses (A) through (C), determined in accordance with SAP, consistently applied, as of the Effective Time (such amount, the “Initial Coinsurance Premium”). For the avoidance of doubt, notwithstanding anything to the contrary in this Agreement, for purposes of calculating the Initial Coinsurance Premium, the term “Reinsured Policies” shall not include the portion of the policies from which Net Retained Liabilities, if any, arise.

(ii) The amount of the Initial Coinsurance Premium paid on the Effective Date shall be determined on an estimated basis (the “Estimated Initial Coinsurance Premium”) as follows: (x) with respect to each of the items set forth in clauses (A), (B), (C), (F) and (G) of the definition of “Initial Coinsurance Premium” the portion of the Estimated Initial Coinsurance Premium attributable to such items shall be equal to the respective amounts set forth on the Life Reference Balance Sheet; and (y) with respect to the items set forth in clauses (D) and (E) of the definition of the “Initial Coinsurance Premium,” the portion of the Estimated Initial Coinsurance Premium attributable to such items shall be determined by the Company in good faith and in a

manner consistent with the principles governing the preparation of the Life Reference Balance Sheet on an estimated basis as of the date that is three (3) Business Days prior to the Effective Date.

(iii) On the Effective Date, the Company shall deliver to the Reinsurer a statement setting forth (A) the amount of the Estimated Initial Coinsurance Premium, determined as of the date that is three (3) Business Days prior to the Effective Date, and (B) the final list of Initial Reinsurance Assets, which will be based on Annex A, and will include the Statutory Book Value of the Initial Reinsurance Assets, determined as of the date that is three (3) Business Days prior to the Effective Date.

(iv) No later than fifty (50) Business Days after the Effective Date, the Company shall deliver to the Reinsurer a statement (the "Initial Coinsurance Premium Reconciliation Statement") prepared in good faith by the Company, in the same form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (A) through (G) of the definition of the "Initial Coinsurance Premium" (such amount, the "Actual Initial Coinsurance Premium") and (2) the Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date. The "Initial Coinsurance Premium Adjustment" shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the Actual Initial Coinsurance Premium *minus* the Estimated Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Statutory Book Value of the Initial Reinsurance Assets on the Effective Date *minus* the Statutory Book Value of the Initial Reinsurance Assets determined in connection with the calculation of the Estimated Initial Coinsurance Premium pursuant to Section 2.3(a)(ii). If the Initial Coinsurance Premium Adjustment is positive, then the Company shall increase the Funds Withheld Account Balance by such amount and shall allocate to the Funds Withheld Account additional assets having, in the aggregate, a Statutory Book Value equal to the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the Initial Coinsurance Premium Adjustment is negative, then the Company shall be entitled to decrease the Funds Withheld Account Balance by withdrawing Reinsurance Assets having, in the aggregate, a Statutory Book Value equal to the absolute value of the Initial Coinsurance Premium Adjustment within five (5) Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the Initial Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(v) No later than thirty (30) Business Days following any final adjustments to the Purchase Price (as defined in the SPA) in accordance with Annex C of the SPA, the Company shall deliver to the Reinsurer a statement (the "SPA Coinsurance Premium Reconciliation Statement") prepared in good faith by the Company, in the same

form as, and using the same principles that govern, the Life Reference Balance Sheet, setting forth, as of the Effective Date, (1) the calculation of each of the items set forth in clauses (A) through (E) of the definition in the "Initial Coinsurance Premium" (such amount, the "SPA Adjusted Coinsurance Premium") and (2) the Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date. The "SPA Coinsurance Premium Adjustment" shall be equal to the following amount (whether positive or negative): (A) the difference (whether positive or negative) between the SPA Adjusted Coinsurance Premium *minus* the Actual Initial Coinsurance Premium, *minus* (B) the difference (whether positive or negative) between the Statutory Book Value of the Initial Reinsurance Assets determined in connection with the calculation of the SPA Adjusted Coinsurance Premium *minus* the Statutory Book Value of the Initial Reinsurance Assets determined in connection with the calculation of the Actual Initial Coinsurance Premium. If the SPA Coinsurance Premium Adjustment is positive, then the Company shall increase the Funds Withheld Account Balance by such amount and shall allocate to the Funds Withheld Account additional assets having, in the aggregate, a Statutory Book Value equal to the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the SPA Coinsurance Premium Adjustment is negative then the Company shall be entitled to decrease the Funds Withheld Account Balance by withdrawing from the Reinsurance Assets having, in the aggregate, a Statutory Book Value equal to the absolute value of the SPA Coinsurance Premium Adjustment within five (5) Business Days after the SPA Coinsurance Premium Adjustment is finalized pursuant to Section 10.1, together with an amount of interest on the SPA Coinsurance Premium Adjustment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(b) Ceding Commission. Neither the Reinsurer nor the Company shall be required to pay a ceding commission hereunder.

Section 2.4 Net Retained Liabilities.

(a) The Company shall be solely responsible for, and the Reinsurer will cooperate reasonably to obtain all waivers and consents necessary in order to reinsure 100% of the Net Retained Liabilities under this Agreement. The Company and the Reinsurer, at the Company's reasonable instruction, shall each use their reasonable best efforts in the context of current market conditions to obtain any such waivers and consents (it being understood that the Company's and the Reinsurer's executive officers shall, to the extent reasonably appropriate, be personally engaged in that process) and promptly advise the other Party of any communications with respect to any such waivers and consents. All correspondence from the Reinsurer to any Person from whom such a waiver or consent is sought shall be in a form approved by the Company. The Company shall effect any such action with respect to such waivers and consents, including sending correspondence requesting such waivers and consents. To the extent that after the Effective Time, any written waivers or consents are

obtained to reinsure a Net Retained Liability in respect of a Policy under the terms of this Agreement or the Parties otherwise agree in writing that any such waivers or consents shall not be required as a condition to coverage of such Policy hereunder, then the liability and obligation pertaining to such Policy shall no longer be deemed a Net Retained Liability for purposes of this Agreement and the liability and obligation pertaining to such Policy shall be reinsured hereunder effective as of the date of such written consent, waiver or agreement by the Parties, as applicable.

(b) With respect to any such written waiver or consent that is obtained or any such other agreement between the Parties that any such waivers or consents shall not be required as a condition to coverage hereunder, in each case, after the Effective Date:

(i) the Company shall pay the Reinsurer an amount of cash equal to the Net Retained Liability Reserve Transfer Amount with respect to such Net Retained Liability for which waiver or consent was obtained or with respect to which the Parties agreed did not require a consent or waiver as a condition to coverage hereunder;

(ii) the Company shall deliver to the Reinsurer a statement setting forth the Company's good faith calculation of the difference (whether positive or negative) between (x) the aggregate amount of the premiums and considerations, premium adjustments and any and all amounts or payments, including any and all policy fees, charges, reimbursements, reinsurance recoverables and similar amounts, received or collected by the Company in respect of the portion of the Policies from which the relevant Net Retained Liabilities arise during the period following the Effective Date and prior to the date on which such waiver or consent was obtained or with respect to which the Parties agreed such waiver or consent was not required as a condition to coverage hereunder (the "Net Retained Liabilities Adjustment Period"); and (y) the aggregate amount equal to the obligations, including any and all death claims, cash surrender benefits, policyholder dividends, reinsurance premiums, commissions and similar amounts, arising out of or relating to the portion of the Policies from which the relevant Net Retained Liabilities arise (including Extra Contractual Obligations) incurred by the Company during the Net Retained Liabilities Adjustment Period. If such amount is positive, then such amount shall be due to be paid the Company by the Reinsurer, and if such amount is negative, then such amount shall be due to be paid to the Reinsurer by the Company, in each case, together with an amount of interest on such payment at the Applicable Rate, calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment; and

(iii) The payment of the amounts in clauses (i) and (ii) shall be reflected in the Net Settlement for the month in which such consent or waiver was obtained and paid in accordance with Section 6.2.

(c) For the avoidance of doubt, prior to obtaining any such required written consents or waivers, or the making of any such written agreement, the portion of each Policy from which Net Retained Liabilities arise shall not be deemed to constitute a Reinsured Policy for purposes of this Agreement; provided that the Reinsurer shall provide

administrative services with respect to any Net Retained Liabilities (and the associated Policies) pursuant to the Administrative Services Agreement. Except as otherwise contemplated by this Section 2.4, the Company shall bear the cost of obtaining any waivers or consents to reinsure a Net Retained Liability.

Section 2.5 Guaranty Fund Assessments and Premium Taxes.

(a) Guaranty Funds Assessments. In the event the Company is required to pay an assessment on or after the Effective Date in respect of the Reinsured Policies to any insurance guaranty, insolvency or other similar fund maintained by any jurisdiction, the portion, if any, of such assessment related to such Reinsured Policies shall be reimbursed by the Reinsurer as part of the applicable monthly settlement pursuant to Section 6.2. To the extent there is any recovery of any such assessment paid by the Reinsurer, the Company shall promptly pay the Reinsurer's Share of such recovery to the Reinsurer.

(b) Premium Taxes.

(i) The Reinsurer shall pay to the Company a provision for premium taxes and other charges, fees, taxes and assessments, including retaliatory taxes (collectively, "Premium Taxes"), incurred or imposed on or after the Effective Date in connection with premiums written or received under the Reinsured Policies. The provision for Premium Taxes shall be estimated at 1.8% of premiums received under the Reinsured Policies, as calculated on a monthly basis, and shall be paid by the Reinsurer to the Company as part of the monthly settlement pursuant to Section 6.2 and adjusted annually to an actual rate for each year as part of the monthly settlement pursuant to Section 6.2 for the second calendar month of the following year, with such monthly settlement to reflect the difference between actual Premium Taxes in respect of the Reinsured Policies (after giving effect to any offsets for guaranty fund assessments reimbursed by the Reinsurer pursuant to Section 2.5(a)) and estimated Premium Taxes.

(ii) Each Party shall promptly notify the other in writing upon receipt by it or any of its Affiliates of notice of any pending or threatened Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes.

(iii) The Company shall have the right to control the conduct of any Action related to any Premium Taxes or any Tax Returns filed in connection with such Premium Taxes, and to employ counsel of the Company's choice; provided, that the Reinsurer shall be permitted, at the Reinsurer's expense, to be present at, and to participate in, any Action related to Premium Taxes. Notwithstanding such control, the Company shall not settle, either administratively or after the commencement of litigation, any claim for Premium Taxes without providing reasonable advance written notice to, and an opportunity for prior consultation with, the Reinsurer. The Parties shall furnish or cause to be furnished to each other, upon request, as promptly as practicable, such information and assistance relating to the preparation for any Premium Tax audit or other Action related to Premium Taxes, and the prosecution or defense of any Action related to any Premium Taxes or any Premium Tax Returns filed in connection with such Premium Taxes. The Parties shall reasonably cooperate with each other in the conduct of any

Action related to any Premium Taxes. Any information obtained under this Section 2.5(b)(iii) shall be kept confidential, except as otherwise reasonably may be required in connection with the filing of Premium Tax Returns or claims for Premium Tax refunds or in conducting any Action related to Premium Taxes.

Section 2.6 Other Reinsurance. This Agreement is written on a "gross" basis and thus the costs and benefits of Other Reinsurance inuring on the Reinsured Policies are intended to be borne by the Reinsurer; provided, that to the extent the Other Reinsurance became unrecoverable (in accordance with the Company's ordinary-course evaluation and statutory accounting treatment) prior to the Effective Time, the recoverability of such amounts shall be borne by the Company. Other Reinsurance with respect to the Reinsured Policies shall be accounted for herein such that the Reinsurer participates in the Reinsurer's Share of any premiums, benefits, recoveries, ceding or expense allowances, other allowances and other adjustments as such amounts and such risks are paid, received or otherwise collected by the Company with respect to such Other Reinsurance, it being understood that the Reinsurer shall bear all risk of collecting third party reinsurance (except as otherwise provided in Section 3.2(c)). Risks under the terms of any agreement of Other Reinsurance as shall be terminated or recaptured with the Reinsurer's prior written consent shall be ceded automatically hereunder to the Reinsurer without any further action required, subject to the receipt by the Reinsurer of the Reinsurer's Share of any reserve transfer or similar transfer or settlement amount received by the Company from the applicable third party reinsurer. In connection with any such termination or recapture with the Reinsurer's prior written consent, the Reinsurer shall pay the Reinsurer's Share of any resulting special transfer or recapture fee incurred by the Company. The Company covenants that absent the prior written consent of the Reinsurer, the Company shall not enter into any new or change any existing reinsurance cession with respect to any of the Reinsured Policies. Notwithstanding this Section 2.6 or Section 3.2, the Company shall retain all rights and primary responsibility with respect to payments under Other Reinsurance Agreements.

Section 2.7 Policy Changes and Non-Guaranteed Elements.

(a) Policy Changes. The Company agrees that it shall not make any changes in the provisions and conditions of a Reinsured Policy or an Assumed Reinsurance Agreement except with the Reinsurer's prior written consent or to the extent that any change to the terms of any Reinsured Policy is required by Applicable Law. To the extent a change is required by Applicable Law, the Company shall, within a reasonable period of time prior to effecting such change, provide reasonably detailed written notice to the Reinsurer describing the nature of such change and the reasons for making such change. The Company shall also afford the Reinsurer, at the Reinsurer's expense, the opportunity, to the extent reasonably practicable, to object to such change under applicable administrative procedures to the same extent the Company could make such objection under Applicable Law; provided, that the Reinsurer may only object to such change in the same manner and to the same extent as it objects to any similar change required by any Applicable Law to life insurance policies and contracts of the Reinsurer that are substantially similar to the Reinsured Policies.

(b) Non-Guaranteed Elements. The Company will be responsible for determining the cost of insurance charges, loads and expense charges, credited interest rates, mortality and expense charges, administrative expense risk charges and policyholder dividends,

as applicable, under the Reinsured Policies ("Non-Guaranteed Elements"); provided, that the Reinsurer may provide written recommendations regarding the Non-Guaranteed Elements to the Company and, provided that such recommendations are the same as the Non-Guaranteed Elements established by the Reinsurer for life insurance policies and contracts of the Reinsurer that are substantially similar to the Reinsured Policies and comply with the written terms of the Policies, Applicable Law and Actuarial Standards of Practice promulgated by the Actuarial Standards Board governing redetermination of non-guaranteed charges. The Company should consider any such recommendations and act reasonably and in good faith in determining whether to accept any such recommendations and shall not unreasonably delay implementation of any accepted recommendations for more than ten (10) Business Days after such recommendations are provided to the Company in writing. Notwithstanding the foregoing, the Company shall retain the responsibility for determining the Non-Guaranteed Elements.

Section 2.8 Premiums. Payment of Premiums to the Reinsurer, as Administrator pursuant to the Administrative Services Agreement, by or on behalf of a policyholder shall be deemed received by the Company. All monies, checks, drafts, money orders, postal notes and other instruments that may be received after the Effective Date by the Company for premiums, fees or other payments on or in respect of the Reinsured Policies shall be held in trust by the Company for the benefit of the Reinsurer and shall be immediately transferred and delivered to the Reinsurer, and any such instruments when so delivered shall bear all endorsements required to effect the transfer of same to the Reinsurer. The Reinsurer is hereby authorized to endorse for payment to the Reinsurer any such checks, drafts, money orders and other instruments pertaining to the Reinsured Policies that are payable to, or to the order of, the Company and received by the Reinsurer under this Agreement.

Section 2.9 Assignment; Security Interest.

(a) The Company hereby assigns, transfers and conveys to the Reinsurer, effective as of the Effective Time, all of the Company's right, title and interest (legal, equitable or otherwise), if any, to payments (i) under the Reinsured Policies of principal and interest paid on policy loans and (ii) of the Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies. The Reinsurer and the Company hereby agree that, in connection with any termination of this Agreement, all of the Reinsurer's right, title and interest (legal, equitable or otherwise) in and to the items set forth in (i) and (ii) above shall be immediately assigned, transferred and conveyed to the Company without any further action by the Parties. Each Party, as reasonably requested by the other from time to time, shall take all reasonably appropriate actions and execute any reasonably necessary and appropriate additional documents, instruments or conveyances of any kind which may be reasonably necessary to carry out the provisions of this Section 2.9(a).

(b) The Parties intend that at all times prior to the termination of this Agreement that the Company's assignment pursuant to Section 2.9(a) be a present assignment of all of the Company's rights, title and interest and not an assignment as collateral. However, to the extent that such assignment is not recognized as a present assignment, is not valid or is recharacterized as a pledge rather than a lawful conveyance to the Reinsurer, the Company does hereby bargain, sell, convey, assign and otherwise pledge to the Reinsurer, and grant a first priority security interest to the Reinsurer in, all of the Company's right, title and interest (legal,

equitable or otherwise), if any, to payments (i) under the Reinsured Policies of principal and interest paid on policy loans and (ii) of all Premiums, fees and other payments due or made on or after the Effective Date under the Reinsured Policies (collectively, the “Collateral”) to secure all of the Company’s obligations under this Agreement.

(c) This Section 2.9 is being included in this Agreement to ensure that, if an insolvency or other court determines that, notwithstanding the provisions of this Agreement, including Sections 2.1, 2.2, 2.3, 2.8, 6.2 and 12.1, and the intent of this Agreement, the Company retained ownership of or any rights in the Collateral, the Reinsurer’s rights to the Collateral are protected with a first priority, perfected security interest, and it is the intent of the Parties that this Section 2.9 be interpreted as such.

(d) At or prior to the Effective Time, the Company shall file, and the Reinsurer is authorized to file, any and all financing statements reasonably requested by the Reinsurer in order to perfect the Reinsurer’s right, title and interest under Article 9 of the UCC in and to the Collateral, and the Company shall do such further acts and things as the Reinsurer may reasonably request in order that the security interest granted hereunder may be maintained as a first priority perfected security interest; provided, that the Reinsurer shall be required to bear all out-of-pocket costs and expenses (including reasonable attorney’s fees) incurred by the Company in connection with any such action or other thing requested by the Reinsurer.

Section 2.10 Hedging.

(a) The Company shall purchase derivatives to hedge the index risk associated with the Equity Indexed Reinsured Policies (each, an “EI Hedge” and collectively, the “EI Hedges”). The Company hereby conveys, transfers and assigns to the Reinsurer, effective as of the Effective Date, a 100% interest in the gross proceeds in respect of the EI Hedges purchased by the Company prior to or following the Effective Date, intended to hedge the index risk associated with the Reinsurer’s Share of the Equity Indexed Reinsured Policies, each such EI Hedge purchased prior to the Effective Date is set forth on Annex C hereto. Such assignment shall occur automatically, without further action on the part of either Party, upon the purchase by the Company of any EI Hedge or, in the case of any EI Hedges entered into prior to the date hereof, as of the date hereof. EI Hedges assigned under this Section 2.10(a) will be accounted for as funds withheld assets payable by the Company to the Reinsurer.

(b) The Company shall pay to the Reinsurer any Assigned EI Hedge Proceeds Amounts to the Funds Withheld Account.

(c) The Reinsurer shall pay to the Company any Assigned EI Hedge Costs Amounts in accordance with Section 6.2 until the applicable EI Hedges have been novated to the Reinsurer.

(d) The Company shall use reasonable care in its hedging activities with respect to the Reinsured Policies, and such activities shall be consistent with the applicable standards set forth in the Transition Services Agreement. In addition, the Company shall not

treat the EI Hedges in any respect in a manner that is different than the manner in which it treats the hedges it enters into with respect to equity indexed policies issued by the Company that are not Equity Indexed Reinsured Policies.

(e) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the EI Hedges and to perform fully each of its obligations thereunder. The Company may not modify, amend or terminate any EI Hedge or waive any of its rights under any such EI Hedge without the Reinsurer's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request and if applicable, requiring the collateralization by the Hedge Counterparty of exposure and other amounts required to be paid or delivered thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to terminate any such EI Hedge and shall, at the Reinsurer's instruction and expense, effect any discretionary action with respect to the management or administration of the EI Hedges as the Reinsurer shall reasonably request, including termination, as may be available pursuant to the terms and conditions of any EI Hedge; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such discretionary action so requested by the Reinsurer and the Company shall indemnify and hold harmless the Reinsurer for Losses to the extent arising out of any failure by the Company to take any such discretionary action as reasonably requested by the Reinsurer. The Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer, pursue commercially reasonable management and collection efforts with respect to the EI Hedges and, in general, will reasonably cooperate with the Reinsurer in the management and administration of the EI Hedges.

(f) Following the Effective Date, at the Reinsurer's request and expense, the Company shall cooperate with the Reinsurer and use its reasonable best efforts in the context of current market conditions to novate any EI Hedges from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Company shall promptly advise the Reinsurer of any communications with respect to any such proposed novation. All material, written correspondence from either the Company or the Reinsurer to any Hedge Counterparty in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense, the Company shall take any such action with respect to any such proposed novation as the Reinsurer shall reasonably request, including sending correspondence requesting that an EI Hedge be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer and the Company shall indemnify and hold harmless the Reinsurer for Losses to the extent arising out of any failure by the Company to take any such action as reasonably requested by the Reinsurer.

Section 2.11 Existing Interest Maintenance Reserve. Set forth on Schedule 2.11 is the Reinsurer's Share of the Existing Interest Maintenance Reserve attributable to the Reinsured

Liabilities. The entirety of such Existing Interest Maintenance Reserve shall be calculated by the Company and ceded to the Reinsurer and transferred into the Funds Withheld Account, and shall be amortized as set forth on Schedule 2.11. The Company shall have no obligation to establish any such Existing Interest Maintenance Reserve.

Section 2.12 Retention. Unless the New York Department of Financial Services provides its prior written consent, the Reinsurer shall not retrocede any Reinsured Liabilities in connection with any transaction or series of transactions in which such liabilities will be ceded to a special purpose financial captive insurer.

Section 2.13 Cash Flow Testing Reserves. The Reinsurer will pay to the Company the Portfolio Yield on the Initial Cash Flow Testing Reserves as part of the Net Settlement pursuant to Section 6.2.

ARTICLE III REINSURANCE LIABILITY

Section 3.1 Reinsurance Liability. The reinsurance by the Reinsurer of the Reinsured Policies is subject to the same rates, conditions, limitations and restrictions as the insurance under the Reinsured Policies written by the Company on which the reinsurance is based. The liability of the Reinsurer hereunder on the terms described herein begins as of the Effective Time and, subject to Article IX hereof, the liability of the Reinsurer on any Reinsured Policy will terminate as and when all liability of the Company with respect to such Reinsured Policy terminates.

Section 3.2 Other Reinsurance.

(a) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the Other Reinsurance Agreements and to perform fully each of its obligations thereunder. The Company may not modify, amend, terminate or recapture any Other Reinsurance Agreement or waive any of its rights under any such agreement without the Reinsurer's prior written consent and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, at the Reinsurer's request, requiring the collateralization by the third party reinsurer of reserve balances and other amounts thereunder. With the Reinsurer's prior written consent, the Company may exercise any right it may have to recapture risks ceded under any of the Other Reinsurance Agreements or to otherwise terminate any such agreement and shall, at the Reinsurer's instruction and expense, effect any such action with respect to the management or administration of the Other Reinsurance as the Reinsurer shall reasonably request, including termination or recapture, as may be available under or with respect to the terms of any Other Reinsurance Agreement; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer. Subject to the terms and conditions of the Administrative Services Agreement, the Company agrees that it shall, at the direction and at the cost and expense of the Reinsurer (including any reasonable out-of-pocket expenses incurred by the Company), pursue commercially reasonable management and collection efforts with respect to the Other Reinsurance and, in general, will reasonably cooperate with the Reinsurer in the management of the Other Reinsurance.

(b) Following the Effective Date, at the Reinsurer's expense and reasonable request, the Company shall cooperate with the Reinsurer and shall use its reasonable best efforts in the context of current market conditions to novate any Other Reinsurance from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Parties shall promptly advise each other of any communications with respect to any such proposed novation. All correspondence from either the Company or the Reinsurer to any reinsurer under Other Reinsurance in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and at the Reinsurer's cost and expense (including any reasonable out-of-pocket expenses incurred by the Company), the Company shall effect any such action with respect to any such proposed novation as the Reinsurer shall reasonably request, including sending correspondence requesting that an Other Reinsurance Agreement be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

(c) The Company agrees that whenever an Other Reinsurance Agreement provides the Company with a right of set-off, the Company shall exercise such right of set-off in the event that amounts are due and unpaid from the Reinsurer. The Company shall have no obligation to pursue any claims it may have for indemnification to which it may be entitled in connection with the Other Reinsurance unless requested to do so by the Reinsurer and at the cost and expense of the Reinsurer (including reasonable out-of-pocket expenses incurred by the Company). In no event shall any such right to indemnification reduce the Reinsurer's responsibility for the risk of all Other Reinsurance.

Section 3.3 Disclaimer. The Company has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Company expressly disclaims, and makes no representations or warranties to the Reinsurer, other than those expressly contained in this Agreement. The Reinsurer has no duties, whether express or implied, including the duty of utmost good faith and other similar duties, which the Reinsurer expressly disclaims, and makes no representations or warranties to the Company, other than those expressly contained in this Agreement.

ARTICLE IV CERTAIN FINANCIAL PROVISIONS

Section 4.1 Credit for Reinsurance. If at any time during the term of this Agreement, the Reinsurer fails to hold and maintain all licenses, permits and authorities required under Applicable Law to enable the Company to receive statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's state of domicile, the Reinsurer shall, at its sole expense, establish and maintain security in the form of letters of credit, assets held in a reinsurance trust, funds withheld arrangement or a combination thereof in a manner that meets all Applicable Laws regarding credit for reinsurance, so as to permit the Company to receive full statutory reserve credit for the reinsurance ceded to the Reinsurer hereunder in the Company's

state of domicile. The form of such letter of credit, trust agreement for such reinsurance trust or any funds withheld arrangement shall be approved by the New York Department of Financial Services prior to use.

Section 4.2 RBC Reports.

(a) Within forty-five (45) days following the end of the first three calendar quarters of each year during the term of this Agreement, the Reinsurer shall provide to the Company a report of its RBC Ratio as of the end of such calendar quarter, as estimated in good faith by the Reinsurer.

(b) Within five (5) Business Days of the submission by the Reinsurer to the insurance department of its domiciliary state of a report of its risk-based capital levels as of the end of the previous calendar year, but in no event later than sixty (60) days following the end of each calendar year, the Reinsurer shall provide to the Company written certification of its RBC Ratio as of the end of such calendar year.

Section 4.3 Establishment of the Funds Withheld Account.

(a) On or prior to the Effective Date, the Company shall establish on its books and records a funds withheld account (the "Funds Withheld Account") and allocate thereto the Initial Reinsurance Assets with a Statutory Book Value equal to the Initial Coinsurance Premium and, thereafter, shall maintain the Funds Withheld Account with assets having a Statutory Book Value equal to the Funds Withheld Account Amount determined from time to time in accordance with this Agreement (the Initial Reinsurance Assets and any other assets allocated to the Funds Withheld Account pursuant to this Agreement, the "Reinsurance Assets"). The Funds Withheld Account shall be a segregated account established by the Company. The Company will retain, control and own all Reinsurance Assets. The Company shall record the Funds Withheld Account Balance on its statutory financial statements as a payable to the Reinsurer.

(b) The Reinsurance Assets (other than the policy loans) shall be invested by the Reinsurer or by Goldman Sachs Asset Management or such other investment manager appointed by the Reinsurer with the prior written consent of the Company pursuant to an investment management agreement. The Reinsurer, Goldman Sachs Asset Management or such other investment manager appointed by the Reinsurer with the prior written consent of the Company shall have the authority to purchase EI Hedges on the account of the Company commencing (1) year following the Effective Date. For greater certainty, (i) each policy loan repaid and interest payment on a policy loan shall be accounted for as a cash transfer to the Funds Withheld Account from the policyholder in an amount equal to such policy loan repayment or interest payment (and shall result in an allocation by the Company to the Funds Withheld Account of cash, assets or a combination of cash and assets, with an aggregate Statutory Book Value equal to such policy loan repayment or interest payment), and (ii) each policy loan taken by a policyholder shall be accounted for as a cash transfer from the Funds Withheld Account to such policyholder (and shall result in cash, assets or a combination of cash and assets, with an aggregate Statutory Book Value equal to the proceeds of such policy loan no longer being allocated by the Company to the Funds Withheld Account) and the

Company shall establish a Reinsurance Asset in an amount equal to the outstanding balance of such policy loan and any accrued but unpaid interest thereon and shall allocate such Reinsurance Asset to the Funds Withheld Account.

(c) Assets in the Funds Withheld Account may be withdrawn and applied by the Company or any successor of the Company without diminution because of insolvency on the part of the Company or the Reinsurer only for the following purposes:

(i) to pay to the Company any amount due to be paid out of the Funds Withheld Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Reinsurer in good faith;

(ii) to pay any portion of the Net Settlement due to be paid to the Company in accordance with Sections 6.2(b) and 6.2(c) to the extent such portion is not being disputed by the Reinsurer in good faith, and any portion thereof that is due to be paid to the Reinsurer to the extent such portion is not being disputed by the Company in good faith;

(iii) to pay to the Reinsurer amounts remaining in the Funds Withheld Account, if any, after the payment of any amounts due to be paid out of the Funds Withheld Account as part of the Reinsurer Termination Payment to the extent such amount is not being disputed by the Company in good faith; or

(iv) to pay or reimburse the Company for any other amounts due but not yet recovered from the Reinsurer under this Agreement in order to satisfy liabilities under the Reinsured Policies to the extent such amounts are not being disputed by the Reinsurer in good faith.

For the avoidance of doubt, (i) any amounts referred to above that are not the subject of a good faith dispute may be withdrawn and applied for the purposes provided above and (ii) payments to policyholders shall not be delayed due to any good faith disputes by the Company or the Reinsurer under this Section 4.3(c).

(d) If assets are withdrawn from the Funds Withheld Account and are not immediately applied for the purposes set forth in Section 4.3(c) above, the assets improperly withdrawn from the Funds Withheld Account by the Company shall be immediately returned to the Funds Withheld Account. Until such assets are returned to the Funds Withheld Account, such assets shall be held in trust by the Company separate and apart from any other assets of the Company. The Company shall pay to the Funds Withheld Account interest on the amount of any such improperly withdrawn assets at the Applicable Rate from the date of withdrawal to the date such assets are returned to the Funds Withheld Account or paid to the Reinsurer, as applicable (the "Excess FWA Draw Interest Amount"). Such interest shall accrue monthly and shall be paid on the Business Day following the last day of each Monthly Accounting Period. The balance of the amount held or required to be so held separate and apart as of any date of determination shall be an amount (the "Excess FWA Draw Amount") equal to (i) the Statutory Book Value of assets withdrawn from the Funds Withheld Account in excess of amounts required for the purposes described in Section 4.3(c) above *minus* any

amounts applied by the Company therefrom for such permissible purposes *plus* (ii) the Excess FWA Draw Interest Amount (whether or not payable as of such date of determination).

ARTICLE V
PLAN OF REINSURANCE

Section 5.1 Plan. Reinsurance under this Agreement is on a 100% coinsurance funds withheld basis and is subject to the terms and conditions of the original policy forms for the Reinsured Policies and any amendments thereto in effect as of the Effective Date.

Section 5.2 Follow the Fortunes. The Reinsurer's liability under this Agreement shall commence on the Effective Date, and all reinsurance with respect to which the Reinsurer shall be liable by virtue of this Agreement shall be subject in all respects to the same risks, terms, rates, conditions, interpretations, assessments, waivers, proportion of premiums paid to, and reinsurance recoveries benefiting, the Company with respect to the Reinsured Liabilities and the Reinsured Policies, the true intent of this Agreement being that the Reinsurer shall follow the fortunes of the Company with respect to the Reinsured Liabilities and Reinsured Policies.

Section 5.3 Reductions and Terminations. Reinsurance amounts are calculated in terms of coverages on a "per policy" basis. If the coverage of any Reinsured Policy on an insured is reduced or terminated, reinsurance under this Agreement on such Reinsured Policy will be equally reduced or terminated.

Section 5.4 Reinstatements. Reinsured Policies ceded under this Agreement shall include any Policy that is reduced, terminated, lapsed or surrendered, and later reinstated pursuant to and in accordance with its policy provisions and will be reinsured by the Reinsurer in accordance with the terms of this Agreement. The Reinsurer will retain any Premiums and interest that the Company has received for reinstatement in respect of periods on or after the Effective Date. A terminated Policy that would have been a Reinsured Policy had it been in force at the Effective Time, that later reinstates pursuant to and in accordance with its policy provisions, will be reinsured by the Reinsurer and become a Reinsured Policy. The Reinsurer will be entitled to retain any Premiums and interest for coverage on or after the Effective Date that is received for such reinstatement, and the Company will transfer to the Reinsurer the amount of reserves for such reinstated Reinsured Policy as of the Effective Date, calculated in a manner that is consistent with the reserve calculations used for the other Reinsured Policies. The date of reinsurance for such reinstated Reinsured Policies shall be the Effective Date. For the avoidance of doubt, the reinstated Policies reinsured under this Section 5.4 shall include any Policy treated as lapsed or otherwise terminated prior to the Effective Time under which the Company subsequently becomes liable as a result of a determination that the policyowner, insured or beneficiary has died prior to the lapse or termination.

Section 5.5 Contractual Conversions: Internal Replacement.

(a) Any conversion, exchange or replacement policy or contract arising from the Reinsured Policies that is converted, exchanged or replaced pursuant to and in accordance with its policy terms shall be deemed to constitute a Reinsured Policy for purposes of this

Agreement and, in the event of a conversion, exchange or replacement of any Reinsured Policy, the Reinsurer shall reinsure the risk resulting from such conversion on the basis set forth hereby with respect to the Reinsured Policies; provided, however, that the Reinsurer shall not be required to pay any ceding commission with respect to any such converted, exchanged or replacement policy or contract. The Reinsurer will reimburse the Company for any expenses incurred in issuing a converted, exchanged or replacement policy or contract, but only to the extent such expenses are not covered by payments made by the Reinsurer under the Transition Services Agreement.

(b) Absent the Reinsurer's prior written consent (which may be withheld in its sole discretion), the Company will not solicit owners, beneficiaries or policyholders in connection with, or sponsor or assist, directly or indirectly, in the conduct of, (and will cause each of its Affiliates to refrain from soliciting in connection with, and sponsoring or assisting, directly or indirectly, in the conduct of) any program of internal replacement under which the owners, beneficiaries or policyholders of Reinsured Policies are or would be encouraged to exchange, or assisted in the exchange of, Reinsured Policies for other insurance policies or contracts that are not reinsured under this Agreement. Should the Company or its Affiliates or any of their respective successors or assigns initiate such a program of internal replacement that would include any of the risks reinsured hereunder in violation of the preceding sentence, the Company will immediately notify the Reinsurer. For each risk reinsured hereunder that has been replaced under a program of internal replacement, the Reinsurer shall have the option, at its sole discretion, of either treating the risks reinsured as recaptured on terms reasonably acceptable to the Reinsurer or continuing reinsurance on the new policy under the terms of this Agreement without any ceding commission therefor.

Section 5.6 Policy List Errors

(a) The Company or the Reinsurer, as applicable, shall notify the other Party if any life insurance policies or contracts issued or reinsured by the Company and in force as of the Effective Date were inadvertently not included on the Policy List and are determined to be a Policy, which shall in no event include any insurance policies and contracts falling within the following lines of business: health, annuities, funding agreements, corporate-owned life insurance and bank-owned life insurance when sold on a group basis, synthetic guaranteed investment contracts and variable life or other variable business.

(b) If any policies or contracts (or components thereof) are determined to be Policies in accordance with this Section 5.6, then the Company shall transfer cash or assets reasonably satisfactory to the Reinsurer into the Funds Withheld Account in an amount equal to the Statutory Reserves required to be held with respect to such Policies to the extent such Statutory Reserves were not previously transferred to the Funds Withheld Account.

Section 5.7 Renewal Commissions. Any renewal commissions due following the Effective Date will be the responsibility of the Reinsurer and shall be paid by the Reinsurer to the Company as part of the Net Settlement pursuant to Section 6.2.

ARTICLE VI
ADMINISTRATION

Section 6.1 Administrative Services.

(a) The Parties hereby agree that the Policies, Other Reinsurance Agreements and, subject to Section 2.10, the EI Hedges shall be administered in accordance with or as otherwise provided in the Administrative Services Agreement and the Transition Services Agreement. The administration of the Policies, Other Reinsurance Agreements and EI Hedges shall be at the sole cost and expense of the Reinsurer.

(b) In the event that the Reinsurer is unable to administer the Policies, Other Reinsurance Agreements and EI Hedges as provided in Section 6.1(a), the Reinsurer shall remain obligated for the costs and expenses of any replacement party providing such administration and the Reinsurer shall reimburse the Company for any such costs and expenses as part of the Net Settlement pursuant to Section 6.2.

Section 6.2 Net Settlements.

(a) For each Monthly Accounting Period, the Parties will effect a settlement on a net basis (the "Net Settlement") as contemplated in Annex B hereto.

(b) A report reflecting in detail the Net Settlement determinations contemplated in Annex B shall be prepared not later than thirty (30) calendar days after the end of each Monthly Accounting Period. For as long as required under the Transition Services Agreement, the Company shall prepare and deliver such report to the Reinsurer. After such time, the Reinsurer shall prepare and deliver such report to the Company. If a Net Settlement report reflects a balance due to the Company, the amount(s) shown as due shall be paid within ten (10) Business Days of the delivery of the report. If a Net Settlement report reflects a balance due to the Reinsurer, the amount(s) shown as due shall be paid within ten (10) Business Days after the date on which the report was delivered. If there is a delayed settlement of any payment due hereunder, interest will accrue on such payment at the Applicable Rate. For purposes of this section, a payment will be considered overdue on the date which is ten (10) Business Days after the date such payment is due hereunder; provided that such interest will begin to accrue from the original due date with respect to such payment. All settlements of account between the Company and the Reinsurer shall be made in cash or its equivalent.

(c) To the extent that the Reinsurer makes any direct payments to or on behalf of the Company in respect of Reinsured Liabilities or other amounts payable to the Company pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such payments shall be taken into account for purposes of determining the Net Settlement. In addition, to the extent the Reinsurer receives any Premiums or other amounts payable to the Reinsurer pursuant to the Net Settlement in respect of a Monthly Accounting Period prior to the Net Settlement process, whether in its capacity as the Administrator or otherwise, the amount of any such Premiums received shall be taken into account for purposes of determining the Net Settlement.

(d) The Net Settlement report delivered in respect of each Monthly Accounting Period shall include an adjustment to the Funds Withheld Account Balance (each, a "Funds Withheld Account Adjustment"). The Funds Withheld Account Adjustment shall be calculated as an amount equal to (i) minus (ii) minus (iii), where:

(i) equals the Funds Withheld Account Amount as of the last day of the Monthly Accounting Period to which the then current Net Settlement report relates; and

(ii) equals the Funds Withheld Account Amount at the end of the immediately preceding Monthly Accounting Period, and

(iii) equals the Investment Income earned during the period from but excluding the last day of the immediately preceding Monthly Accounting Period to and including the last day of the Monthly Accounting Period to which the then current Net Settlement report relates.

(e) If the Funds Withheld Account Adjustment for any Monthly Accounting Period is positive, then the Reinsurer shall remit to the Company an amount equal to the Funds Withheld Account Adjustment in accordance with Section 6.2(b). If the Funds Withheld Account Adjustment for any Monthly Accounting Period is negative, then the Company shall remit to the Reinsurer an amount equal to the absolute value of the Funds Withheld Account Adjustment in accordance with Section 6.2(b). For purposes of calculating the Funds Withheld Account Adjustment for the first Monthly Accounting Period after the Effective Time, clause (iii) of Section 6.2(d) shall include only Investment Income earned since the Effective Time.

(f) In connection with any settlement under this Agreement, the Reinsurer shall not be obligated to pay any Excluded Reinsured Liability.

ARTICLE VII DAC TAX

Section 7.1 DAC Tax Election. The Company and the Reinsurer hereby elect and agree under Treasury Regulations Section 1.848-2(g)(8) as follows:

(a) The Company and the Reinsurer will each attach a schedule to its federal income tax return for the first taxable year ending after the Effective Date that identifies this Agreement as a reinsurance agreement for which a joint election under Treasury Regulation Section 1.848-2(g)(8) has been made, and will otherwise file its respective federal income tax returns in a manner consistent with the provisions of Treasury Regulation Section 1.848-2 as in effect on the date this Agreement is executed;

(b) For each taxable year under this Agreement, the Party with the net positive consideration, as defined in the regulations promulgated under Section 848 of the Code, will capitalize specified policy acquisition expenses with respect to this Agreement without regard to the general deductions limitation of Section 848(c)(1) of the Code;

(c) The Company and the Reinsurer agree to exchange information pertaining to the amount of net consideration under this Agreement each year to ensure consistency or as otherwise required by the Code and applicable Treasury Regulations;

(d) The first tax year for which this election is effective is 2013;

(e) The Reinsurer will submit to the Company by May 15 each year its calculation of the amount of the net consideration for the preceding calendar year. This schedule of calculations will be accompanied by a statement that the Reinsurer will report such amount of net consideration in its tax return for the preceding calendar year;

(f) The Company may contest such calculation by providing an alternative calculation to the Reinsurer in writing within thirty (30) days of the Company's receipt of the Reinsurer's calculation. If the Company does not so notify the Reinsurer, the Company will report the amount of net consideration as determined by the Reinsurer in the Company's tax return for the previous calendar year;

(g) If the Company contests the Reinsurer's calculation of the amount of net consideration, the dispute shall be resolved in accordance with Section 10.2.

Both the Company and the Reinsurer are subject to U.S. taxation under Subchapter L of Chapter 1 of the Code.

ARTICLE VIII INSOLVENCY

Section 8.1 Insolvency. The reinsurance ceded hereunder shall be payable by the Reinsurer on the basis of liability of the Company under the Reinsured Policies without diminution because of the insolvency of the Company, directly to the Company or its liquidator, receiver or statutory successor, except where the Reinsurer, with the consent of the direct insured, has assumed the policy obligations of the Company as direct obligations of the Reinsurer to the payees under a Reinsured Policy and in substitution for the obligations of the Company to the payees. It is agreed and understood, however, that (i) in the event of the insolvency of the Company, the liquidator, receiver or statutory successor of the Company shall give the Reinsurer written notice of the pendency of a claim against the insolvent Company on a Reinsured Policy within a reasonable time after such claim is filed in the insolvency proceeding and (ii) during the pendency of such claim the Reinsurer may investigate such claim and interpose, at its own expense, in the proceeding where such claim is to be adjudicated any defenses which it deems available to the Company, its liquidator, receiver or statutory successor

Section 8.2 Expenses. It is further understood that any expense incurred by the Reinsurer pursuant to Section 8.1 shall be chargeable, subject to court approval, against the insolvent Company as part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the Company solely as a result of the defense undertaken by the Reinsurer. Where two or more assuming reinsurers are involved in the same claim and a majority in interest elect to interpose defenses to such claim, the expense shall be apportioned in accordance with the terms of this Agreement as though such expense had been incurred by the Company.

TERMINATION

Section 9.1 Duration of Coinsurance. This Agreement will be effective as of the Effective Time. Subject to the provisions of this Article IX, this Agreement will remain in effect, and the reinsurance provided hereunder will remain in force, until termination of the policy or policies on which the reinsurance is based in accordance with the terms of this Agreement. Except as provided in Sections 9.3, the Reinsured Policies are not eligible for recapture by the Company.

Section 9.2 Termination. This Agreement shall terminate:

- (a) at any time upon the mutual written consent of the Parties hereto, which writing shall state the effective date of termination; or
- (b) automatically at such time as no liability remains under this Agreement.

Section 9.3 Termination by the Company. The Company, in its sole discretion, shall have the option to terminate this Agreement upon the occurrence of any one of the following events:

- (a) the Reinsurer is placed in receivership, conservatorship, rehabilitation or liquidation by any insurance regulatory authority;
- (b) the Reinsurer breaches Section 4.1, and the Reinsurer fails to cure such breach within the earlier of (i) thirty (30) days following receipt of written notice of such breach from the Company and (ii) the last day of the calendar quarter in which such breach occurs; provided that the Company shall have no right to terminate if the Reinsurer cannot take any action reasonably required for the Company to receive statutory reserve credit without the reasonable cooperation of the Company and the Company shall not have reasonably cooperated with the Reinsurer; provided, further, that it shall be deemed unreasonable to require the Company to cooperate in the event such cooperation would impose on the Company any cost and the Reinsurer has not agreed to be responsible for such cost;
- (c) the Reinsurer fails to pay any material amount due to the Company under this Agreement and (i) such amount is not subject to a good faith dispute and (ii) such failure is not cured within ten (10) Business Days following the Reinsurer's receipt of written notice of such failure from the Company; or
- (d) in the event that (i) the Reinsurer's RBC Ratio is less than 175% or (ii) the Reinsurer fails to provide its RBC Ratio in accordance with Section 4.2 and, upon delivery of written notice from the Company to the Reinsurer, the Reinsurer shall fail to provide its RBC Ratio within ten (10) Business Days following such notice.

Section 9.4 Termination by the Reinsurer. Upon the occurrence of a Reinsurer Termination Event, the Reinsurer shall have the right (but not the obligation) to terminate this Agreement by providing written notice to the Company of its intent to terminate. Termination of this Agreement shall be effective on the date specified in such notice, provided that such date

shall not be prior to the date on which the Termination Event occurred. Upon termination of this Agreement pursuant to this Section 9.4, the Company shall be deemed to have recaptured and reassumed all Reinsured Liabilities. Recapture of the Reinsured Policies shall be effective on the date specified in the notice of termination.

Section 9.5 Settlement Upon Termination. Upon the termination of this Agreement by the Company pursuant to Section 9.3 or by the Reinsurer pursuant to Section 9.4, subject to payment by the Reinsurer of any amounts due to the Company pursuant to this Section 9.5 and the payment by the Company of any amounts due to the Reinsurer pursuant to this Section 9.5, the Company shall recapture all liabilities previously ceded to the Reinsurer and the Reinsurer's liability under this Agreement will terminate (provided, that such termination shall not relieve any Party of any pre-termination breach of this Agreement). The Company shall prepare a Net Settlement report for the period commencing on the first day of the then-current Monthly Accounting Period and ending on the date this Agreement is terminated pursuant to Sections 9.3 or 9.4 (the "Terminal Accounting and Settlement Report"). If a Net Settlement report reflects a balance due (a) the Company, the amount(s) shown as due shall be paid by the Reinsurer on the tenth (10th) Business Day following the delivery of such Terminal Accounting and Settlement Report (the "Reinsurer Termination Payment") and (b) the Reinsurer, the amount(s) shown as due shall be paid by the Reinsurer on the tenth (10th) Business Day following the delivery of such Terminal Accounting and Settlement Report (the "Company Termination Payment"); provided, that, for the avoidance of doubt, the Reinsurer Termination Payment and the Company Termination Payment shall be determined on a net basis and only the balance shall be due and payable by the Reinsurer or the Company, as the case may be. In the event that a balance is due and payable by the Company, the Company shall pay such balance to the Reinsurer in cash by wire transfer of immediately available funds. In the event that a balance is due and payable by the Reinsurer, such amount shall be deducted by the Company from the Funds Withheld Account Balance and any remaining amount due to the Company (after giving effect to any other offsets under this Agreement) shall be paid by the Reinsurer in cash by wire transfer of immediately available funds. Following such settlement, any remaining amount in the Funds Withheld Account shall be transferred to the Company and the Funds Withheld Account will be reduced to zero. For the avoidance of doubt, the payment by the Reinsurer to the Company of an amount equal to the Funds Withheld Account Balance calculated in connection with the Terminal Accounting and Settlement Report shall be calculated after giving effect to the adjustments thereto pursuant to Section 6.2(d) as determined based on the Terminal Accounting and Settlement Report. Any dispute by either Party of the Company Termination Payment or the Reinsurer Termination Payment shall be resolved in accordance with Section 10.2.

ARTICLE X
RESOLUTION OF CERTAIN DISPUTES

Section 10.1 Disputes over Actual Initial Coinsurance Premium Calculations and SPA Adjusted Coinsurance Premium

(a) Within thirty (30) days following its receipt from the Company of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, (such period, a "Review Period"), the Reinsurer shall either (i) notify the Company in writing of its agreement with the calculation of the Actual Initial

Coinsurance Premium or SPA Adjusted Coinsurance Premium, as applicable, set forth therein ("Notice of Agreement"); or (ii) if the Company determines that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein either (x) have not been prepared on the basis set forth in Section 2.3 or in Section 5.8 of the Purchase Agreement or (y) contain or reflect mathematical errors, inform the Company in writing of its objection (the "Reinsurer's Objection"), which notice shall set forth in reasonable detail a description of the basis of the Reinsurer's Objection and the adjustments to such Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, or the calculations reflected therein that the Reinsurer requests be made. The Company, as applicable, shall, following the Effective Date through the date that the Initial Coinsurance Premium Reconciliation Statement or SPA Coinsurance Premium Reconciliation Statement, as applicable, becomes final in accordance with the last sentence of Section 10.1(c), take all actions necessary or desirable to maintain and preserve all accounting books, records, policies and procedures on which such Initial Coinsurance Premium Reconciliation Statement or SPA Premium Reconciliation Statement, as applicable, are based or on which the finalized Initial Coinsurance Premium Adjustment or SPA Coinsurance Premium Adjustment, as applicable, are to be based so as not to impede or delay the determination of the finalized Actual Initial Coinsurance Premium, the finalized SPA Adjusted Coinsurance Premium, the finalized Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date or the preparation of the Reinsurer's Objection in the manner and utilizing the methods permitted by this Agreement. Upon receipt by the Company of a Notice of Agreement from the Reinsurer or if no Reinsurer's Objection is received by the Company prior to the expiration of the Review Period, the Actual Initial Coinsurance Premium, the SPA Adjusted Coinsurance Premium and the Reinsurer's calculation of the Initial Coinsurance Premium Adjustment (as set forth in the Initial Coinsurance Premium Reconciliation Statement) and the SPA Coinsurance Premium Adjustment (as set forth in the SPA Coinsurance Premium Reconciliation Statement) shall be deemed to have been accepted by the Reinsurer and will become final and binding upon the Parties in accordance with the last sentence of Section 10.1(c).

(b) If the Reinsurer timely delivers a Reinsurer's Objection to the Company, the Company shall have thirty (30) days from the date of such delivery to review and respond to such Reinsurer's Objection (the "Consultation Period"). The Parties shall use reasonable, good faith efforts to resolve any disagreements that they may have with respect to the matters set forth in the Reinsurer's Objection. If the Parties are unable to resolve all of their disagreements with respect to the matters set forth in the Reinsurer's Objection within ten (10) Business Days following the expiration of the Consultation Period, then the Parties shall submit all matters that remain in dispute with respect to the Reinsurer's Objection (along with a copy of the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein, marked to indicate those line items that are still in dispute) to an independent internationally recognized accounting firm of independent certified public accountants with appropriate actuarial expertise mutually agreed by the Parties (the "CPA Firm"), which shall, acting as an expert and not as an arbitrator, make a final determination, on the basis of the standards set forth in Section 2.3 hereof, and only with respect to any remaining differences submitted to the CPA Firm, in accordance with this Section 10.1(b), of the appropriate amount of each line item in the Initial Coinsurance Premium Reconciliation Statement, SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein as to which the Parties disagree (such items that remain in dispute, the "Unresolved Items").

(c) The Parties shall instruct the CPA Firm to deliver its written determination to the Reinsurer and the Company no later than fifteen Business Days after the Unresolved Items are referred to the CPA Firm. The CPA Firm's determination shall include a certification that it reached such determination in accordance with this Section 10.1(c) and shall be conclusive and binding upon the Parties, absent fraud or clear and manifest error. With respect to each Unresolved Item, the CPA Firm's determination, if not in accordance with the position of either the Company or the Reinsurer, shall not be more favorable to the Reinsurer than the amounts advocated by the Reinsurer in the Reinsurer's Objection or more favorable to the Company than the amounts advocated by the Company in the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement or the Company's calculations of the amounts set forth therein with respect to such disputed line item and/or calculation. For the avoidance of doubt, (i) the CPA Firm's review of the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and the Company's calculation of the amounts set forth therein shall be limited to a determination of whether such documents and calculations were prepared in accordance with Section 2.3, and (ii) the CPA Firm shall not review any line items or make any determination with respect to any matters other than the Unresolved Items that were referred to the CPA Firm for resolution pursuant to this Section 10.1(c). The determination of the amounts set forth in the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, that are final and binding on the Parties, as determined either through (1) the Reinsurer's delivery of a Notice of Agreement pursuant to Section 10.1(a), (2) the Reinsurer's failure to deliver Reinsurer's Objection prior to expiration of the Review Period pursuant to Section 10.1(a), (3) agreement by the Parties during the Consultation Period or (4) the determination of the CPA Firm pursuant to this Section 10.1(c) are referred to herein as the "finalized Actual Initial Coinsurance Premium," the "finalized Initial Coinsurance Premium Adjustment," the "finalized Statutory Book Value of the Initial Reinsurance Assets as of the Effective Date," the "finalized SPA Adjusted Coinsurance Premium," and the "finalized SPA Coinsurance Premium Adjustment," as the case may be.

(d) The Parties agree that judgment may be entered upon the CPA Firm's determination in any court having jurisdiction over the Reinsurer or the Company or their respective assets, as the case may be. The fees and disbursements of the CPA Firm shall be paid by the Parties in proportion to those matters submitted to the CPA Firm that are resolved against that Party, as such fees and disbursements are allocated by the CPA Firm in accordance with this Section 10.1 at the time of the CPA Firm's determination. At any time following delivery of the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement, as applicable, the Reinsurer shall provide to the Company and its Representatives full access to books and records and other information with respect to the Reinsured Policies and the Net Retained Liabilities, including work papers of its accountants (subject to execution by the Company and/or its Representatives, as applicable, of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent necessary for the Company to prepare the Initial Coinsurance Premium Reconciliation Statement or the SPA Coinsurance Premium Reconciliation Statement or to prepare materials for

presentation to the CPA Firm. The Parties shall make readily available to the CPA Firm, during regular business hours and on reasonable advance notice, interviews with such employees, and all relevant information, books and records and any work papers of their respective accountants (in each case, subject to execution by the CPA Firm of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants) relating to the Initial Coinsurance Premium Reconciliation Statement, the SPA Coinsurance Premium Reconciliation Statement and any Unresolved Items and all other items reasonably required by the CPA Firm to fulfill its obligations under Section 10.1(c). In acting under this Section 10.2, the CPA Firm will be entitled to the privileges and immunities of an arbitrator.

(e) For the avoidance of doubt, this Section 10.1 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

Section 10.2 Disputes over Calculations. After the Effective Date, any dispute between the Parties with respect to the calculation of amounts that are to be calculated or reported pursuant to this Agreement (other than disputes with respect to the Actual Initial Coinsurance Premium and the SPA Adjusted Initial Coinsurance Premium, which shall be resolved in accordance with Section 10.1 hereof), including disputes with respect to any Net Settlement, calculations relating to DAC tax or the amount of the Reinsurer Termination Payment or the Company Termination Payment, that cannot be resolved by the Parties within sixty (60) calendar days, shall be referred to an independent accounting firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties; provided, however, that where the dispute involves an actuarial issue, the dispute shall instead be referred to an independent actuarial firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties. Within twenty (20) Business Days following the selection of the accounting firm or actuarial firm, as applicable, the Parties shall submit their positions and supporting documentation to such accounting firm or actuarial firm. Within forty (40) Business Days of such submission, the accounting firm or actuarial firm, as applicable, shall, in light of the evidence provided by both Parties, determine the calculations in dispute within the range of difference between the Reinsurer's position thereto and the Company's position thereto. There shall be no appeal from the decision made by such firm, which shall be final and binding (absent fraud or clear and manifest error), except that, either Party may petition a court having jurisdiction over the other Party or its assets to reduce the arbitrator's decision to judgment. The fees charged by the accounting firm or actuarial firm, as applicable, to resolve the dispute shall be allocated between the Company and the Reinsurer by such firm in accordance with its judgment as to the relative merits of the Parties' positions in respect of the dispute. For the avoidance of doubt, this Section 10.2 shall not apply to any dispute between the Parties with respect to the interpretation of any provision, term or condition of this Agreement.

Section 11.2 Indemnification of the Company by the Reinsurer. obligations as Administrator under the Administrative Services Agreement. The Reinsurer agrees to hold medical, financial and other personal information about proposed, current, and former policyowners, insureds, applicants and beneficiaries of Policies in confidence to the extent required to be held in confidence under Applicable Law and the Reinsurer's privacy policy or policies and shall establish and maintain safeguards against the unauthorized access, destruction, loss or alteration of such information which are no less rigorous than those maintained by Reinsurer for its own information of a similar nature. ARTICLE XIV GENERAL PROVISIONS

Section 14.1 Errors and Omissions. If any delay, omission, error or failure to pay amounts due or to perform any other act required by this Agreement is caused by mistake, misunderstanding or oversight, the Parties will equitably adjust the situation to what it would have been had the mistake, misunderstanding or oversight not occurred, and the reinsurance provided hereunder will not be invalidated. Should it not be possible to adjust the situation, it will be resolved in accordance with dispute resolution procedures mutually selected by the Parties.

Section 14.2 Offset and Recoupment. The Company or the Reinsurer may offset or recoup any undisputed balance or amount due from one Party to the other Party under this Agreement; provided, that in the event of the insolvency of the Company, offsets shall only be allowed in accordance with New York Insurance Law Section 7427. The right of setoff shall not be affected or diminished because of the insolvency of either Party.

Section 14.3 Expenses. Except as otherwise provided in this Agreement each Party shall bear its own costs and expenses incurred in connection with the transactions contemplated by this Agreement. All transfer, sales, use, value added, excise, stock transfer, documentary, stamp, recording, registration and any similar taxes that become payable as a result of the allocation of the Initial Reinsurance Assets to the Funds Withheld Account (including any real property transfer tax and any similar tax) shall be borne fifty percent (50%) by the Company and fifty percent (50%) by the Reinsurer.

Section 14.4 Parties to this Agreement. This is an agreement for indemnity reinsurance solely between the Company and the Reinsurer. The performance of the obligations of each Party under this Agreement shall be rendered solely to the other Party. The acceptance of risks under this Agreement shall create no right or legal relationship between the Reinsurer and the insured, owner or beneficiary of any insurance policy or other contract of the Company.

Section 14.5 Authority. Neither the Company nor the Reinsurer shall have any power or authority to act for or on behalf of the other except as expressly granted herein or in the Administrative Services Agreement or Transition Services Agreement, and no other or greater power or authority shall be implied by the grant or denial of power or authority specifically mentioned herein. No employee or agent of either Party shall be considered an employee or agent of the other.

Section 14.6 No Assignment. This Agreement may not be assigned by either of the Parties hereto without the prior written approval of the other Party. Notwithstanding the foregoing, the Reinsurer shall not be prohibited from further transfer of risks accepted hereunder on a retrocession or other basis without the prior approval of the Company; provided that any transfer shall not relieve the Reinsurer of its obligations under this Agreement.

Section 14.9 Announcements. Except as required by Applicable Law or in connection with public disclosure to investors or analysts, the content and timing of public announcements by either Party concerning the transactions contemplated by this Agreement must be approved in advance by both Parties, but such approval shall not be unreasonably withheld, conditioned or delayed.

Section 14.10 Schedules, Annexes and Exhibits. All Schedules, Annexes and Exhibits to this Agreement are attached hereto and are incorporated herein by reference. The provisions of this Agreement (without reference to any attached Schedules, Annexes and Exhibits) shall be deemed to control in the event of any inconsistency or conflict between the provisions of this Agreement (without reference to any attached Schedules, Annexes and Exhibits) and the Schedules, Annexes and Exhibits attached hereto.

Section 14.11 Entire Agreement. This Agreement (including all Exhibits, Annexes and Schedules hereto), and the Other Transaction Agreements constitute the entire agreement, and supersede all prior agreements, understandings, representations and warranties, both written and oral, between the Parties with respect to the subject matter of this Agreement and such other agreements. Except as set forth in Sections 11.1 and 11.2 with respect to the Reinsurer Indemnified Parties and the Company Indemnified Parties, this Agreement is not intended to and shall not confer upon any Person other than the Parties hereto and their respective heirs, executors, administrators, successors, legal representatives and permitted assigns any rights or remedies.

Any term or condition of this Agreement may be waived at any time by the Party that is entitled to the benefit thereof. A waiver must be in writing and must be executed by such Party. A waiver on any occasion shall not be deemed to be a waiver of the same or any term or condition on a future occasion.

Section 14.14 Headings. The headings in this Agreement are for reference purposes only and shall not affect the interpretation of this Agreement.

Section 14.15 Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which will be deemed an original, but all of which will constitute one and the same instrument.

Section 14.16 No Prejudice. The Parties agree that this Agreement has been jointly negotiated and drafted by the Parties hereto and that the terms hereof shall not be construed in favor of or against any Party on account of its participation in such negotiations and drafting.

Section 14.17 Governing Law; Jurisdiction; Enforcement.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to the principles of conflicts of law rules thereof.

In any such action, suit or other proceeding, each party hereby irrevocably waives, to the fullest extent permitted by Applicable Law, any objection that it may now or hereafter have to the laying of the venue of any such proceedings brought in such court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. Each party also agrees that any final and unappealable judgment against a party in connection with any action, suit or other proceeding shall be conclusive and binding on such party and that such award or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. A certified or exemplified copy of such award or judgment shall be conclusive evidence of the fact and amount of such award or judgment. Coinsurance Agreement, dated as of April 29, 2011 (this "Agreement"), between Liberty Life Insurance Company, a South Carolina insurance company (the "Company"), and Protective Life Insurance Company, a Tennessee insurance company (the "Reinsurer"; each of the Company and the Reinsurer, a "Party" and together, the "Parties").

RECITALS

WHEREAS, the Company desires to cede or retrocede to the Reinsurer certain risks under certain life and health insurance policies issued and reinsured by it; and

WHEREAS, the Reinsurer desires to reinsure such policies from the Company on the terms and conditions stated herein; and

WHEREAS, the Company and the Reinsurer intend that the basis of the reinsurance shall be 100% coinsurance by the Reinsurer; and

WHEREAS, the Company and the Reinsurer intend that the Reinsurer will provide certain administrative services for policies reinsured hereunder, and the Company and the Reinsurer have entered into an Administrative Services Agreement of dated as of the date hereof (the "Administrative Services Agreement") pursuant to which the Reinsurer shall provide such administrative services on the terms and conditions stated therein.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, and for other good and valuable consideration the receipt and adequacy of which is hereby acknowledged, and intending to be legally bound hereby, the Company and the Reinsurer hereby agree as follows:

ARTICLE I
COINSURANCE

Section 1.1 Scope and Basis of Reinsurance. This Agreement applies to each and every of the Policies (a) issued by the Company and in force as of the Effective Time (the "Existing Direct Reinsured Policies"), (b) issued by the Company after the Effective Time in accordance with Section 5.4, 5.5(a) and 5.6 hereof (the "New Direct Reinsured Policies") and, together with the Existing Direct Reinsured Policies, the "Direct Reinsured Policies"), (c) reinsured by the Company under the terms of any Assumed Reinsurance Agreement as of the Effective Time (the "Existing Indirect Reinsured Policies") and (d) reinsured by the Company after the Effective Time pursuant to the terms of any of the

Assumed Reinsurance Agreements (the “New Indirect Reinsured Policies”, together with the Existing Indirect Reinsured Policies, the “Indirect Reinsured Policies” and the Indirect Reinsured Policies together with the Direct Reinsured Policies, the “Reinsured Policies”). Except as expressly provided herein, this Agreement does not reinsure any Policy written by the Company, or as to which the Company otherwise incurs or assumes liability, after the Effective Time.

Section 1.2 Reinsuring Clause; Extra Contractual Obligations. Subject to the terms and conditions of this Agreement, the Company hereby cedes and the Reinsurer hereby reinsures on a coinsurance basis as of the Effective Time, 100% (the “Reinsurer’s Share”) of all Reinsured Liabilities arising under or relating to the Reinsured Policies. In addition to Reinsurer’s coinsurance of the Reinsurer’s Share of the Reinsured Liabilities pursuant to the preceding sentence, the Reinsurer hereby accepts and agrees to assume and discharge the Reinsurer’s Share of Extra Contractual Obligations other than Excluded Liabilities. Except as set forth herein, the Reinsurer does not assume any other liabilities of any kind or description, whether known or unknown, contingent or otherwise.

Section 1.3 Transfer of Assets and Ceding Commission.

(a) Coinsurance Premium.

(i) On the Effective Date, the Company will transfer to the Reinsurer an initial coinsurance premium with respect to the Reinsured Policies consisting of cash, cash equivalents and the assets set forth on Annex A (with such additions or substitutions as may be determined by the Reinsurer) (the “Transferred Assets”) with an aggregate Value determined three Business Days prior to the Effective Date equal to the following amount: (1) Reinsurer’s Share of the Statutory Reserves held by the Company with respect to the Reinsured Policies as of the Effective Time, *plus* (2) the Reinsurer’s Share of the Interest Maintenance Reserve attributable to the Transferred Assets, *minus* (3) the Reinsurer’s Share of the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *minus* (4) the Reinsurer’s Share of net due and deferred Premiums on the Reinsured Policies, in each case determined in accordance with SAP, consistently applied (such amount, “Initial Coinsurance Premium”); provided that, notwithstanding anything to the contrary in this Agreement, solely for purposes of calculating the Initial Coinsurance Premium, the term “Reinsured Policies” shall include the portion of the Policies from which Net Retained Liabilities arise. In addition, the Company hereby sells, assigns, transfers

and delivers to the Reinsurer as reinsurance premium, on the Effective Date effective as of the Effective Time, all of Company's right, title and interest (w) under the Reinsured Policies to receive principal and interest paid on policy loans, (x) in the Premiums, (y) in agent debit balances as of the Effective Date with respect to the Reinsured Policies and the Net Retained Liabilities and (z) in the real property listed on Schedule 1.3(a)(i) hereto, free and clear of any liens or other encumbrances. To the extent the foregoing sentence is ineffective to transfer the type of asset described, the Company agrees to execute and record all additional instruments, bills of sale, deeds and other documents necessary to transfer such asset as soon practicable after the Effective Date.

(ii) The amount of the Initial Coinsurance Premium paid on the Effective Date shall be determined on an estimated basis (the Estimated Initial Coinsurance Premium) as follows: (1) with respect to each of the items set forth in clauses (1), (3) and (4) of the definition of "Initial Coinsurance Premium," the portion of the Estimated Initial Coinsurance Premium attributable to such item shall be equal to the amount for such item set forth on the Estimated Balance Sheet delivered to the Reinsurer pursuant to the Stock Purchase Agreement and (2) with respect to the item set forth in clause (2) of the definition of "Initial Coinsurance Premium," the portion of the Estimated Initial Coinsurance Premium attributable to such item shall be determined by the Reinsurer in good faith on an estimated basis as of the date that is three Business Days prior to the Effective Date.

(iii) On the Effective Date, the Reinsurer shall deliver to the Company a statement setting forth (1) the amount of the Estimated Initial Coinsurance Premium and (2) the final list of Transferred Assets, in each case, determined as of the date that is three Business Days prior to the Effective Date.

(iv) Within five Business Days following the date on which the Purchase Price Adjustment Materials and the determination of the amounts set forth therein become final and binding pursuant to the penultimate sentence of Section 2.6(e) of the Stock Purchase Agreement (the "True-Up Date"), the Reinsurer shall deliver to the Company a statement (the "Initial Coinsurance Premium Reconciliation Statement") prepared in good faith by the Reinsurer setting forth the actual amount of the Initial Coinsurance Premium *minus* the Net Retained Liabilities Initial Coinsurance Premium Adjustment as of the True-Up Date (the "Actual Initial Coinsurance Premium"), the calculation of each of items (1) through (4) of the definition of "Initial Coinsurance Premium" and the

Value of the Transferred Assets as of the Effective Date; provided that if the True-Up Date has not occurred on or prior to the date that is seventy-five days following the Effective Date, (x) the Reinsurer shall deliver to the Company a statement setting forth the Reinsurer's good faith estimate of the Net Retained Liabilities Initial Coinsurance Premium Adjustment as of such date that is seventy-five days following the Effective Date and the Reinsurer shall pay the Company an amount of cash equal to the amount set forth in such statement within four Business Days of delivery of such statement and (y) for purposes of preparing the Initial Coinsurance Premium Reconciliation Statement and calculating the Actual Initial Coinsurance Premium and the Initial Coinsurance Premium Adjustment, the Net Retained Liabilities Initial Coinsurance Premium Adjustment shall be reduced by the amount of cash, if any, received by the Company from the Reinsurer pursuant to clause (x) of this Section 1.3(a) (iv). With respect to each of the items set forth in clauses (1), (3) and (4) of the definition of "Initial Coinsurance Premium," the portion of the Actual Initial Coinsurance Premium attributable to such item shall be equal to the amount for such item set forth on the Final Balance Sheet. With respect to the item set forth in clause (2) of the definition of "Initial Coinsurance Premium," the portion of the Actual Initial Coinsurance Premium attributable to such item shall be the actual Interest Maintenance Reserves attributable to the Transferred Assets as of the Effective Date. The "Initial Coinsurance Premium Adjustment" shall be equal to the following amount (whether positive or negative): (1) the difference (whether positive or negative) between the Actual Initial Coinsurance Premium *minus* the Estimated Initial Coinsurance Premium, *minus* (2) the difference (whether positive or negative) between the Value of the Transferred Assets determined in connection with the calculation of the Estimated Initial Coinsurance Premium pursuant to Section 1.3(a)(i) *minus* the Value of the Transferred Assets on the Effective Date, *minus* (3) the Net Retained Liabilities Earned Interest. If the Initial Coinsurance Premium Adjustment is positive, then the Company shall pay to the Reinsurer an amount of cash equal to the Initial Coinsurance Premium Adjustment within five Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.2, together with an amount of interest on the portion of the Initial Coinsurance Premium Adjustment not attributable to the Net Retained Liabilities Initial Coinsurance Premium Adjustment at the Applicable Rate (as such term is defined in the Stock Purchase Agreement) calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the Initial Coinsurance Premium Adjustment is negative, then the Reinsurer shall pay to the Company an amount in cash equal to the absolute value of the Initial Coinsurance

Premium Adjustment within five Business Days after the Initial Coinsurance Premium Adjustment is finalized pursuant to Section 10.2, together with an amount of interest on the portion of the Initial Coinsurance Premium Adjustment not attributable to the Net Retained Liabilities Initial Coinsurance Premium Adjustment at the Applicable Rate (as such term is defined in the Stock Purchase Agreement) calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(b) Ceding Commission.

(i) In consideration of the reinsurance ceded hereunder, on the Effective Date the Reinsurer shall pay the Company a ceding commission in cash of an amount (the "Ceding Commission") equal to (1) the sum of (A) \$200,500,000 and (B) the Reinsurer's Share of the aggregate of all Discounted Interest Maintenance Reserve Amortization for the Transferred Assets, *minus* (2) the Life NB Amount.

(ii) The amount of the Ceding Commission paid on the Effective Date shall be determined by the Reinsurer in good faith on an estimated basis (such amount, the "Estimated Ceding Commission") as follows: (1) with respect to the item set forth in clause (1)(B) of the definition of "Ceding Commission," the portion of the Estimated Ceding Commission attributable to such item shall be determined by the Reinsurer in accordance with Annex C and (2) with respect to the item set forth in clause (2) of the definition of "Ceding Commission," the portion of the Estimated Ceding Commission attributable to such item shall be equal to the amount for such item set forth on the Estimated NB Volume Adjustment Schedule delivered to the Reinsurer pursuant to the Stock Purchase Agreement.

(iii) On the Effective Date, the Reinsurer shall deliver to the Company a statement setting forth the amount of the Estimated Ceding Commission, determined as of the date that is three Business Days prior to the Effective Date.

(iv) Within five Business Days following the True-Up Date, the Reinsurer shall deliver to the Company a statement (the "Ceding Commission Reconciliation Statement") prepared in good faith by the Reinsurer setting forth the actual amount of the Ceding Commission *minus* the amount of the Net Retained Liabilities Initial Ceding Commission Adjustment as of the True-Up Date (the "Actual Ceding Commission") and the calculation of each of items (1)(A), (1)(B) and (2) of the definition

of "Ceding Commission"; provided that if the True-Up Date has not occurred on or prior to the date that is seventy-five days following the Effective Date, (x) the Reinsurer shall deliver to the Company a statement setting forth the Reinsurer's good faith estimate of the Net Retained Liabilities Initial Ceding Commission Adjustment as of such date that is seventy-five days following the Effective Date and the Company shall pay the Reinsurer an amount of cash equal to the amount set forth in such statement within four Business Days of delivery of such statement and (y) for purposes of preparing the Ceding Commission Reconciliation Statement and calculating the Actual Ceding Commission and the Ceding Commission Adjustment, the portion of the Actual Ceding Commission attributable to the Net Retained Liabilities Initial Ceding Commission Adjustment shall be reduced by the amount of cash, if any, received by the Reinsurer from the Company pursuant to clause (x) of this Section 1.3(b) (iv). With respect to the item set forth in clause (1)(B) of the definition of "Ceding Commission," the portion of the Actual Ceding Commission attributable to such item shall be determined by the Reinsurer in accordance with Annex D. With respect to the item set forth in clause (2) of the definition of "Ceding Commission," the portion of the Actual Ceding Commission attributable to such item shall be equal to the amount for such item set forth on the Final NB Volume Adjustment Schedule. The "Ceding Commission Adjustment" shall be equal to the following amount (whether positive or negative): (1) the difference (whether positive or negative) between the Actual Ceding Commission *minus* the Estimated Ceding Commission, *minus* (2) the Net Retained Liabilities Ceding Commission Interest. If the Ceding Commission Adjustment is positive, then the Reinsurer shall pay to the Company an amount of cash equal to the Ceding Commission Adjustment within five Business Days after the Ceding Commission Adjustment is finalized pursuant to Section 10.2, together with an amount of interest on the portion of the Ceding Commission Adjustment not attributable to the Net Retained Liabilities Initial Ceding Commission Adjustment at the Applicable Rate (as such term is defined in the Stock Purchase Agreement) calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the Ceding Commission Adjustment is negative, then the Company shall pay to the Reinsurer an amount of cash equal to the absolute value of the Ceding Commission Adjustment within five Business Days after the Ceding Commission Adjustment is finalized pursuant to Section 10.2, together with an amount of interest on the portion of the Ceding Commission Adjustment not attributable to the Net Retained Liabilities Initial Ceding Commission Adjustment at the Applicable Rate (as such term is defined in the Stock Purchase Agreement) calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

(c) Net Retained Liabilities Cash Adjustment. From the Effective Time until the Net Retained Liabilities True-Up Date, (i) the Company shall pay the Reinsurer an amount equal to the premiums and considerations, premium adjustments and any and all amounts or payments, including any and all policy fees, charges, reimbursements and similar amounts, received or collected by the Company during such period in respect of the portion of the Policies from which Net Retained Liabilities arise and (ii) the Reinsurer shall pay to the Company an amount equal to the obligations, including any and all death claims, cash surrender benefits, policyholder dividends, commissions and similar amounts, arising out of or relating to the portion of the Policies from which Net Retained Liabilities arise (including Extra Contractual Obligations, but excluding the Excluded Liabilities) incurred by the Company during such period. The payment of such amounts shall be reflected in the Net Settlement for each month ending prior to the Net Retained Liabilities True-Up Date and for the month in which the Net Retained Liabilities True-Up Date occurs. Following the Net Retained Liabilities True-Up Date, the Reinsurer shall deliver to the Company a statement (the "Net Retained Liabilities Cash Reconciliation Statement") setting forth the Reinsurer's good faith estimate of the difference (whether positive or negative) between (x) the aggregate amount paid to the Reinsurer pursuant to the first sentence of this Section 1.3(c) attributable each Net Retained Liability that remained a Net Retained Liability on the Net Retained Liabilities True-Up Date *minus* (y) the aggregate amount paid to the Company pursuant to the first sentence of this Section 1.3(c) attributable each Net Retained Liability that remained a Net Retained Liability on the Net Retained Liabilities True-Up Date (such difference, the "Net Retained Liabilities Cash Adjustment"). If the Net Retained Liabilities Cash Adjustment is positive, then the Reinsurer shall pay to the Company an amount of cash equal to the Net Retained Liabilities Cash Adjustment within five Business Days after the Net Retained Liabilities Cash Adjustment is finalized pursuant to Section 10.2, together with an amount of interest on such payment at the Applicable Rate (as such term is defined in the Stock Purchase Agreement) calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment. If the Net Retained Liabilities Cash Adjustment is negative, then the Company shall pay to the Reinsurer an amount of cash equal to the absolute value of the Net Retained Liabilities Cash Adjustment within five Business Days after the Net Retained Liabilities Cash Adjustment is finalized pursuant to Section 10.2, together with an amount of interest on such payment at the Applicable Rate (as such term is defined in the Stock Purchase Agreement) calculated on the basis of a 360-day year for the actual number of days elapsed, accrued from the Effective Date until, but not including, the date of payment.

Section 1.4 Net Retained Liabilities. The Company and the Reinsurer will cooperate to obtain all waivers and consents necessary in order to reinsure 100% of the

Net Retained Liabilities under this Agreement. The Company and the Reinsurer shall use their reasonable best efforts to obtain any such waivers and consents (it being understood that the Reinsurer's executive officers directly responsible for the Life Reinsurer's relationships with reinsurers shall, to the extent reasonably appropriate, be personally engaged in that process) and promptly advise the other Party of any communications with respect to any such waivers and consents. All correspondence from either the Company or the Reinsurer to any Person from whom such a waiver or consent is sought shall be in a form approved by the other Party; provided that any such approval by the Company shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and expense, the Company shall effect any such action with respect to such waivers and consents as the Reinsurer shall reasonably request, including sending correspondence requesting such waivers and consents in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer. To the extent that after the Effective Time, any such waivers or consents are obtained to reinsure a Net Retained Liability under the terms of this Agreement or the Parties otherwise agree that any such waivers or consents shall not be required as a condition to coverage hereunder, then the liability and obligation pertaining to such Policy shall no longer be deemed a Net Retained Liability for purposes of this Agreement and the liability and obligation pertaining to such Policy shall be reinsured hereunder effective as of the date of such consent, waiver or agreement by the Parties, as applicable. In addition, with respect to any such waiver or consent that is obtained after the Net Retained Liabilities True-Up Date, (i) the Company shall pay the Reinsurer an amount of cash equal to the Net Retained Liability Reserve Transfer Amount with respect to such Net Retained Liability for which waiver or consent was obtained and (ii) the Reinsurer shall pay the Company an amount of cash equal to the Net Retained Liability Ceding Commission Amount with respect to such Net Retained Liability for which waiver or consent was obtained. For the avoidance of doubt, prior to obtaining any such required consents or waivers, the portion of each Policy from which Net Retained Liabilities arise shall not be deemed to constitute a Reinsured Policy for purposes of this Agreement; provided that the Reinsurer shall provide administrative services with respect to any Net Retained Liabilities (and the associated Policies) pursuant to the Administrative Services Agreement.

Section 1.5 Producer Payments. The Reinsurer hereby assumes the liability of the Company and agrees that it shall be financially responsible for Producer Payments due in respect of premiums collected and received. The Company hereby designates the Reinsurer as "paying agent" to make such Producer Payments directly to the applicable Producers from and after the Effective Date. The Company shall act at the Reinsurer's written direction and cost to exercise all rights of the Company relating to the Reinsured Policies under the terms of the Producer Agreements, including, without limitation, any rights to suspend or terminate Producer Payments to such Producers for any reason or cause set forth in the Producer Agreements, and the Company hereby transfers and

assigns to the Reinsurer all of its rights under such Producer Agreements, but in each case only to the extent such rights thereunder relate to the Reinsured Policies; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer.

Section 1.6 Guaranty Fund Assessments and Premium Taxes.

(a) Guaranty Funds Assessments. In the event the Company is required to pay an assessment on or after the Effective Date in respect of the Reinsured Policies to any insurance guaranty, insolvency or other similar fund maintained by any jurisdiction, the portion, if any, of such assessment that relates to such Reinsured Policies shall be reimbursed by the Reinsurer.

(b) Premium Taxes. The Reinsurer shall pay to the Company a provision for premium taxes and other charges, fees, taxes and assessments, including retaliatory taxes (collectively, "Premium Taxes"), incurred on or after the Effective Date in connection with premiums written or received under the Reinsured Policies. The provision for Premium Taxes shall be estimated at 2.5% of premiums received under the Reinsured Policies, as calculated on a monthly basis, and shall be paid by the Reinsurer to the Company as part of the monthly settlement pursuant to Section 6.4 and adjusted annually to an actual rate for each year as part of the monthly settlement pursuant to Section 6.4 for the second calendar month of the following year, with such monthly settlement to reflect the difference between actual Premium Taxes in respect of the Reinsured Policies (after giving effect to any offsets for guaranty fund assessments reimbursed by the Reinsurer pursuant to Section 1.6(a)) and estimated Premium Taxes.

Section 1.7 Other Reinsurance. This Agreement is written on a "gross" basis and thus the costs and benefits of Other Reinsurance inuring on the Reinsured Policies are intended to be borne by the Reinsurer. Other Reinsurance with respect to the Reinsured Policies shall be deemed to be inuring to the Reinsurer's benefit for all purposes of this Agreement and shall be accounted for herein such that Reinsurer participates in the Reinsurer's Share of any premiums, benefits, recoveries, ceding or expense allowances, other allowances and other adjustments as such amounts and such risks are paid, received or otherwise collected by the Company with respect to such Other Reinsurance, it being understood that the Reinsurer shall bear all risk of collecting third party reinsurance. Risks under the terms of any agreement of Other Reinsurance as shall be terminated or recaptured with the Reinsurer's consent shall be ceded automatically hereunder to the Reinsurer without any further action required subject to the receipt by Reinsurer of its proportional Reinsurer's Share of any reserve transfer or similar transfer or settlement amount received by the Company from the applicable third party reinsurer. The Reinsurer shall pay any resulting special transfer or recapture fee incurred by the Company. The Company covenants that absent the specific prior written consent of the Reinsurer, the Company shall enter into no further reinsurance cession with respect to any of the Reinsured Policies.

Section 1.8 Policy Changes and Non-Guaranteed Elements.

(a) Policy Changes. The Company agrees that it shall not make any changes in the provisions and conditions of a Reinsured Policy or an Assumed Reinsurance Agreement except with the Reinsurer's prior written consent or to the extent that any change to the terms of any Reinsured Policy is required by applicable Law, in which case the Company shall consult with the Reinsurer as to any such change.

(b) Non-Guaranteed Elements. The Company shall establish cost of insurance charges, loads and expense charges, credited interest rates, mortality and expense charges, administrative expense risk charges, and policyholder dividends, as applicable, under the Policies ("Non-Guaranteed Elements"), taking into account the recommendations of the Reinsurer with respect thereto. The Reinsurer may, from time to time, make recommendations to the Company with respect to Non-Guaranteed Elements so long as the recommendations comply with the written terms of the Policies, applicable Law and Actuarial Standards of Practice promulgated by the Actuarial Standard Board governing redetermination of non-guaranteed charges. The Company shall fully consider any such recommendations and act reasonably and in good faith in determining whether any such recommendations be accepted and shall not unreasonably delay implementation of any accepted recommendations more than ten Business Days after such recommendations are provided in writing; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of the Company's acceptance and implementation of the Reinsurer's recommendations. Notwithstanding the foregoing, the Company shall establish Non-Guaranteed Elements only in a manner no less favorable to policyholders than those that would have been provided based on the Company's documented procedures in effect on the Effective Date or, in the absence of such documented procedures, in a manner no less favorable to policyholders than those that would have been provided based on the historical practices employed by the Company in establishing Non-Guaranteed Elements in respect of the Policies.

Section 1.9 Ownership of Premiums. Payment of Premiums to the Reinsurer, as Administrator pursuant to the Administrative Services Agreement, by or on behalf of a policyholder shall be deemed received by the Company. All monies, checks, drafts, money orders, postal notes and other instruments that may be received after the Effective Date by the Company for premiums, fees or other payments on or in respect of the Reinsured Policies shall be held in trust by the Company for the benefit of the Reinsurer and shall be immediately transferred and delivered to the Reinsurer, and any such instruments when so delivered shall bear all endorsements required to effect the transfer of same to the Reinsurer. The Reinsurer is hereby authorized to endorse for payment to the Reinsurer any such checks, drafts, money orders and other instruments pertaining to

the Reinsured Policies that are payable to, or to the order of, the Company and received by the Reinsurer under this Agreement. As between the Parties, the Reinsurer shall be deemed owner of all such payments.

Section 1.10 Security Interest.

(a) The Parties intend the Company's assignment pursuant to the last sentence of Section 1.3(a)(i) to be a present assignment of all of the Company's rights, title and interest and not an assignment as collateral. However, to the extent that such assignment is not recognized as a present assignment, is not valid or is recharacterized as a pledge rather than a lawful conveyance to the Reinsurer, the Company does hereby grant, bargain, sell, convey, assign and otherwise pledge to the Reinsurer, all of the Company's right, title and interest, if any (legal, equitable or otherwise) to all Premiums, fees and other payments due or made after the Effective Date under the Reinsured Policies (and any lockbox or account set up for the receipt of said Premiums, fees and other payments after the Effective Date) (the "Collateral") to secure all of the Company's obligations under this Agreement.

(b) Upon the failure of the Company to fully perform any of its material obligations under this Agreement, which failure is not caused by the Reinsurer as Administrator and remains uncured ten days after written notice thereof is received by the Company, the Reinsurer shall have, in addition to all other rights under this Agreement or under applicable Law, the following rights:

(i) the right to exercise all rights and remedies granted a secured party under the Uniform Commercial Code, as said code has been enacted in the State of South Carolina, the State of Tennessee, the State of Alabama, or any other applicable jurisdiction (the "UCC"), as though all the Collateral constituted property subject to a security interest under Article 9 thereof;

(ii) the right to set off;

(iii) the right to intercept and retain monies and property in any lockbox and otherwise;

(iv) without giving rise to any right to double recovery under this Section 1.10 and Section 11.2, the right to reasonable attorneys' fees incurred in connection with the enforcement of this Agreement or in connection with disposition of the Collateral; and

(v) the right to dispose of the Collateral, subject to commercial reasonableness.

(c) This Section 1.10 is being included in this Agreement to ensure that, if an insolvency or other court determines that, notwithstanding the provisions of this Agreement, including Section 1.1, Section 1.2, Section 1.3, Section 1.9, Section 6.4 and Section 11.1, and the intent of this Agreement, the Company retained ownership of or any rights in the Collateral, the Reinsurer's rights to the Collateral are protected with a first priority, perfected security interest, and it is the intent of the Parties that this Section 1.10 be interpreted as such.

(d) Nothing contained herein shall be construed to support the conclusion that the Company will retain any ownership of or any rights in the Collateral after the Effective Time or to support the conclusion that the Reinsurer does not acquire full ownership thereof as of the Effective Time.

(e) The Company shall execute and deliver and the Reinsurer is authorized to execute and deliver any and all financing statements reasonably requested by the Reinsurer to the extent that it may appear appropriate to the Reinsurer to file such financing statements in order to perfect the Reinsurer's title under Article 9 of the UCC to any and all Premiums and any and all other Collateral and the Company shall do such further acts and things as Reinsurer may request in order that the security interest granted hereunder may be maintained as a first perfected security interest.

ARTICLE II REINSURANCE LIABILITY

Section 2.1 Reinsurance Liability. The reinsurance by Reinsurer of the Reinsured Policies is subject to the same rates, conditions, limitations and restrictions as the insurance under the Reinsured Policies written by the Company on which the reinsurance is based. The liability of Reinsurer hereunder on the terms described herein begins on the Effective Date and, subject to Article IX hereof, the liability of Reinsurer on any Reinsured Policy will terminate as and when all liability of the Company with respect to such Reinsured Policy terminates.

Section 2.2 Other Reinsurance.

(a) The Company agrees that other than as provided expressly in this Agreement, it shall take any actions reasonably requested by the Reinsurer to maintain in full force and effect each of the Other Reinsurance Agreements and to perform fully each of its obligations thereunder. The Company may not modify, amend or terminate any Other Reinsurance Agreement or waive any of its rights under any such agreement without the Reinsurer's prior written consent and shall fully enforce, at the expense of the Reinsurer, all of its rights thereunder, including, without limitation, at the Reinsurer's request, requiring the collateralization by the third party reinsurer of reserve balances and other amounts thereunder. With the Reinsurer's consent, the Company may exercise any right

it may have to recapture risks ceded thereby under any of the Other Reinsurance Agreements or to otherwise terminate any such agreement and shall, at the Reinsurer's instruction and expense, effect any such action with respect to the management or administration of the Other Reinsurance as the Reinsurer shall reasonably request, including, without limitation, termination or recapture, as may be available under or with respect to the terms of any Other Reinsurance Agreement; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by the Reinsurer. The Company agrees that it shall, at the direction of the Reinsurer, pursue commercially reasonable management and collection efforts with respect to the Other Reinsurance and, in general, will cooperate with the Reinsurer in the management of the Other Reinsurance.

(b) Following the Effective Date, at the Reinsurer's request and expense, the Company shall cooperate with the Reinsurer and use its reasonable best efforts to novate any Other Reinsurance from the Company to the Reinsurer or a designated Affiliate of the Reinsurer. The Company shall promptly advise the Reinsurer of any communications with respect to any such proposed novation. All correspondence from either the Company or the Reinsurer to any reinsurer under Other Reinsurance in connection with any such proposed novation shall be in a form approved by the other Party; provided that any such approval shall not be unreasonably withheld, conditioned or delayed. At the Reinsurer's instruction and expense, the Company shall effect any such action with respect to any such proposed novation as Reinsurer shall reasonably request, including sending correspondence requesting that an Other Reinsurance Agreement be novated to the Reinsurer or a designated Affiliate of the Reinsurer in a form approved by the Reinsurer; provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any such action so requested by Reinsurer. For the avoidance of doubt, the Seller shall not be obligated to take any action or cause the Company to take any action in connection with this Section 2.2(b).

(c) The recoverability of the Other Reinsurance from reinsurers shall be at the risk of and for the account of the Reinsurer. Notwithstanding anything in this Agreement to the contrary, the Company shall have no obligation to pursue any claims it may have for indemnification to which it may be entitled in connection with the Other Reinsurance unless requested to do so by the Reinsurer and at the expense of the Reinsurer. In no event shall any such right to indemnification reduce the Reinsurer's responsibility for the risk of all Other Reinsurance.

Section 2.3 Disclaimer. The Company has no duty of utmost good faith or other similar duty of disclosure in connection with the cession of liabilities from the Company to the Reinsurer as of the Effective Time, which the Company expressly disclaims, and makes no representations or warranties to the Reinsurer in connection with the cession of liabilities from the Company and the Reinsurer as of the Effective Time, other than those expressly contained in this Agreement; provided, however, that the Reinsurer reserves all

of its rights and remedies in respect of any such duty of utmost good faith or other similar duty of disclosure of the Company arising after the Effective Time to the extent information relating to the liabilities reinsured hereunder has not been disclosed, or is not otherwise available, to the Reinsurer, including in its capacity as Administrator, or any of its designees or agents.

ARTICLE III
CERTAIN FINANCIAL PROVISIONS

Section 3.1 Provision of Security by the Reinsurer.

(a) On the Effective Date, the Reinsurer shall establish and fund with an amount of cash and assets having a Statutory Book Value equal to the Required Balance calculated by the Reinsurer as of the Effective Date a trust account (the "Trust Account") with a Qualified United States Financial Institution unaffiliated with the Reinsurer and the Company and which is reasonably acceptable to the Reinsurer and the Company (the "Trustee") at the sole cost and expense of the Reinsurer naming the Company as sole beneficiary until such time as a Trust Account is no longer required pursuant to Section 3.1(b) and shall enter into the Trust Agreement to provide security for the payment of amounts due the Company under this Agreement. The Reinsurer shall transfer or pay into the Trust Account, and shall thereafter maintain in the Trust Account, until such time as a Trust Account is no longer required pursuant to Section 3.1(b), cash and assets managed by the Reinsurer in accordance with guidelines (including concentration limits, applied on a percentage of assets basis rather than a percentage of capital basis) applied by the Reinsurer generally for its own general investments supporting insurance liabilities having a Statutory Book Value determined in good faith by Reinsurer on a quarterly basis to be not less than the Required Balance. In lieu of entering into the Trust Agreement and establishing and funding the Trust Account in the manner set forth in this Section 3.1, Reinsurer may instead, with the Company's consent (which consent shall not be unreasonably withheld or delayed), elect to provide to the Company substantially equivalent security as would be provided by the Trust Account such as by providing unconditional letters of credit, performance guarantees or other similar collateralization.

(b) For purposes of this Agreement, the term "Required Balance", as of any date of determination, means an amount equal to the Reinsurer's Share of the Statutory Reserves which would be appropriately held by the Company with respect to the Reinsured Policies as of such date of determination assuming such Statutory Reserves are gross of any statutory reserve credit taken by the Company for this Agreement and calculated in accordance with SAP, reduced by credit for reinsurance taken by the Reinsurer in respect of Financed Amounts as of such date of determination and net of the Reinsurer's Share of (1) policy loan balances on the Reinsured Policies as of such date of determination and (2) net due and deferred Premiums on the Reinsured Policies as of such date of determination, in each case determined in accordance with SAP, consistently

applied. The Required Balance and the Statutory Book Value of any assets held in the Trust Account shall be calculated by the Reinsurer as of the last day of each calendar quarter, and the Reinsurer shall provide a certification with respect to such valuation, including the calculation of the aggregate Statutory Book Value of the assets, to the Company and the Trustee within thirty days after the end of such quarter. If the amount of cash plus the Statutory Book Value of assets held in the Trust Account as of any quarter end is less than the Required Balance as of such quarter end, the Reinsurer shall within ten Business Days after such determination is made make such further deposits to the Trust Account as are required in order to restore the Required Balance as of such quarter end. If the amount of cash plus the Statutory Book Value of assets held in the Trust Account as of any quarter end is greater than the Required Balance as of such quarter end, the Reinsurer may provide notice to the Company of its desire to withdraw assets from the Trust Account, specifying the amount and type of assets to be withdrawn. Within five Business Days following its delivery of such notice to the Company, the Reinsurer may withdraw such assets from the Trust Account in excess of the amount necessary to maintain such Required Balance as of the applicable quarter end. Any disputes by the Company of the valuation of any asset deposited in the Trust Account pursuant to this Section 3.1 shall be resolved in accordance with Section 10.3. Upon resolution of any such dispute in accordance with Section 10.3, the Reinsurer shall cause to be deposited additional assets that comply with Section 3.1(a) within two Business Days following such resolution or may withdraw assets from the Trust Account in accordance with this Section 3.1(b), such that following any such deposit or withdrawal, the amount of cash plus the Statutory Book Value of the assets held in the Trust Account is sufficient to maintain the Required Balance as of the applicable quarter end. Unless otherwise agreed upon in writing by the Company, the Reinsurer shall maintain such Trust Account until all obligations of the Reinsurer under this Agreement have been fully satisfied, as determined by the Company in its sole reasonable discretion. Notwithstanding the foregoing, the Reinsurer may terminate the Trust Agreement and close the Trust Account at any time when the Required Balance as of the end of any calendar quarter is less than 10% of the sum of the capital and surplus of the Reinsurer *plus* the asset valuation reserve of the Reinsurer, in each case as determined in accordance with the statutory accounting principles and practices prescribed by the Reinsurer's state of domicile as of such quarter end.

(c) The Company and the Reinsurer agree that the assets maintained in the Trust Account may be withdrawn by the Company only after a default by Reinsurer in the performance of its monetary obligations hereunder, which default has not been cured by the Reinsurer within ten days following its receipt of a specific written notice thereof delivered by the Company, and solely to the extent required to cure such default and, notwithstanding any other provision of this Agreement, shall be utilized and applied by the Company or any successor by operation of law, including, without limitation, any liquidator, rehabilitator, receiver or conservator of the Company, without diminution because of insolvency on the part of the Company or the Reinsurer, only to pay amounts

then due to the Company under this Agreement. The amount of any such withdrawal in excess of amounts then due to Company hereunder shall be deemed maintained in constructive trust for the benefit of Reinsurer and promptly returned to the Reinsurer. Notwithstanding the foregoing, upon prior written notice to the Company, the Reinsurer shall have the right to withdraw all or any part of the cash and assets maintained in the Trust Account provided that the Reinsurer shall, at the time of such withdrawal, replace the withdrawn assets with cash or other qualified assets having a Statutory Book Value equal to the Statutory Book Value of the assets and the amount of cash withdrawn so as to maintain at all times the deposit in the Required Balance.

(d) With respect to transfer of any Transferred Assets to the Trust Account, the Reinsurer will hold valid title to all such Transferred Assets free and clear of all Encumbrances, other than Permitted Encumbrances and interests of nominees, custodians or similar intermediaries. As of the date of the transfer of any assets to the Trust Account after the Effective Date, the Reinsurer will have good and marketable title, free and clear of any liens, to all such assets transferred by it to the Trust Account, all assets transferred by the Reinsurer after the Effective Date to the Trust Account shall be transferred free and clear of any liens or other encumbrances and the Reinsurer will not create, incur, assume or permit any lien or other encumbrance on any of the assets held in the Trust Account, or on any interest therein or on any of the proceeds thereof.

(e) The Reinsurer shall notify the Company in writing of any payment default occurring as to any asset in the Trust Account within five Business Days after the Reinsurer receives notice of such default. In the event the Reinsurer determines that a delinquency of a timely payment in regard to any of the assets in the Trust Account has occurred, the Reinsurer shall inform the Company of such delinquency promptly upon such determination.

(f) Notwithstanding the forgoing, in the event the Reinsurer's RBC Ratio is less than 125%, the Reinsurer shall fund the Trust Account with an amount of cash and assets having a fair market value equal to the Required Balance, and all references to "Statutory Book Value" in this Section 3.1 shall be deemed to be references to "fair market value."

Section 3.2 Credit for Reinsurance. At all times during the term of this Agreement, the Reinsurer agrees that it (a) shall hold and maintain all licenses, permits and authorities required under applicable laws to perform its obligations hereunder or (b) establish and maintain security in the form of letters of credit, assets held in a reinsurance trust or a combination thereof at its sole expense in a manner that meets all applicable Laws regarding credit for reinsurance, in each case as necessary to enable the Company to receive statutory reserve credit in all jurisdictions where it is licensed as an insurer unless otherwise mutually agreed by the Parties.

Section 3.3 Conversion to Assumption Reinsurance.

(a) If the Company's RBC Ratio is less than 125% or the Company's A.M. Best insurer financial strength rating is downgraded below A, the Company agrees that the Reinsurer shall have the right, at its option and expense, to assume on a novation basis the Reinsured Policies, subject to receipt by the Company and the Reinsurer of all required approvals of Governmental or Regulatory Authorities and any required policyholder approvals.

(b) In the event that the Reinsurer elects to effect such an assumption, at the direction and expense of the Reinsurer, the Parties shall cooperate fully with each other (i) in complying with requirements of Governmental or Regulatory Authorities and responding to regulatory inquiries associated with assumption of the Reinsured Policies; (ii) in giving notice to policyholders of the assumed Reinsured Policies of the assumption as required by applicable Law; (iii) in obtaining, as required by applicable Law, the consent of policyholders of the assumed Reinsured Policies to the assumption; and (iv) in all other reasonable respects in order to accomplish the objectives of the assumption provided, however, that the Reinsurer shall indemnify and hold harmless the Company for Losses arising out of any action taken by the Company pursuant to this Section 3.3(b).

Section 3.4 RBC Reports. Within five Business Days of the submission by the Company and the Reinsurer to the insurance department of its domiciliary state of a report of its risk-based capital levels as of the end of the previous calendar year, each of the Company and the Reinsurer shall provide to the other written certification of such Party's RBC Ratio as of the end of such calendar year. In the event that one Party has a good faith basis to believe that there has been a material deterioration in the other Party's RBC Ratio as of the end of any calendar quarter, such Party may request, and the other Party shall deliver to the requesting Party as promptly as practicable, a report of such Party's RBC Ratio as of the end of such calendar quarter, as estimated in good faith by such Party.

(e) Brokers and Financial Advisers. No broker, finder or financial adviser has acted directly or indirectly as such for, or is entitled to any compensation from, the Company in connection with this Agreement or the transactions contemplated hereby.

ARTICLE V PLAN OF REINSURANCE

Section 5.1 Plan. Reinsurance under this Agreement is on a 100% coinsurance basis and is subject to the terms and conditions of the original policy forms for the Reinsured Policies, and any amendments thereto in effect as of the Effective Date.

Section 5.2 Follow the Fortunes. The Reinsurer's liability under this Agreement shall commence on the Effective Date, and all reinsurance with respect to which the Reinsurer shall be liable by virtue of this Agreement shall be subject in all respects to the same risks, terms, rates, conditions, interpretations, assessments, waivers, proportion of premiums paid to, and reinsurance recoveries benefiting, the Company with respect to the Reinsured Liabilities and the Reinsured Policies, the true intent of this Agreement being that the Reinsurer shall follow the fortunes of the Company with respect to the Reinsured Liabilities and Reinsured Policies.

Section 5.3 Reductions and Terminations. Reinsurance amounts are calculated in terms of coverages on a “per policy” basis. If the coverage of any Reinsured Policy on an insured is reduced or terminated, reinsurance under this Agreement on such Reinsured Policy will be equally reduced or terminated.

Section 5.4 Reinstatements. Reinsured Policies ceded under this Agreement shall include any Policy that is reduced, terminated, lapsed or surrendered, and later reinstated pursuant to its policy provisions and will be reinsured by the Reinsurer in accordance with the terms of this Agreement. The Reinsurer will retain any Premiums and interest that the Company has received for reinstatement in respect of periods on or after the Effective Date. A terminated Policy that would have been a Reinsured Policy had it been in force at the Effective Time, that later reinstates pursuant to its policy provisions, will be reinsured by the Reinsurer and become a Reinsured Policy. The Reinsurer will be entitled to retain any Premiums and interest for coverage on or after the Effective Date that is received for such reinstatement, and the Company will transfer to the Reinsurer the amount of reserves for such reinstated Reinsured Policy calculated as of the Effective Date. The date of reinsurance for such reinstated Reinsured Policies shall be the Effective Date.

Section 5.5 Contractual Conversions: Internal Replacement.

(a) Any conversion, exchange or replacement policy or contract arising from the Reinsured Policies shall be deemed to constitute a Reinsured Policy for purposes of this Agreement and, in the event of a conversion, exchange or replacement of any Reinsured Policy, the Reinsurer shall reinsure the risk resulting from such conversion on the basis set forth hereby with respect to the Reinsured Policies; provided, however, that the Reinsurer shall not be required to pay any additional ceding commission with respect to any such converted, exchanged or replacement policy or contract. The Reinsurer will reimburse the Company for any expenses incurred in issuing a converted, exchanged or replacement policy or contract.

(b) Absent the Reinsurer’s prior written consent in its sole discretion, the Company will not solicit owners, beneficiaries or policyholders in connection with, or sponsor or assist, directly or indirectly, in the conduct of, (and will cause each of its Affiliates to refrain from soliciting in connection with, and sponsoring or assisting, directly or indirectly, in the conduct of) any program of internal replacement under which the owners, beneficiaries or policyholders of Reinsured Policies are or would be encouraged to exchange, or assisted in the exchange of, insurance or health policies or contracts for other insurance or health policies or contracts that are not reinsured under this Agreement. Should the Company or its Affiliates or any of their respective successors or assigns initiate such a program of internal replacement that would include any of the risks reinsured hereunder in violation of the preceding sentence, the Company will immediately notify the Reinsurer. For each risk reinsured hereunder that has been

replaced under a program of internal replacement, the Reinsurer shall have the option at its sole discretion of either treating the risks reinsured as recaptured on terms reasonably acceptable to the Reinsurer or continuing reinsurance on the new policy under the terms of this Agreement without any additional ceding commission therefor.

Section 5.6 New Policies. From and after the Effective Date, the Company shall issue in its name (a) new Policies issued or reinstated pursuant to Section 5.4 or 5.5(a), (b) new Policies for which applications were received by the Company on or before the Effective Date utilizing the same policy forms and underwriting standards in use for the Policies prior to the Effective Date and (c) new Policies for which applications were received by the Company through a Producer party to a Producer Agreement, including the Producer Agreements listed on Schedule 5.6, after the Effective Date but on or before the effective date of termination of new production by such Producer utilizing the same policy forms and underwriting standard in use for the Policies prior to the Effective Date. In connection with the issuance of new Policies described in this Section 5.6, the Reinsurer shall maintain the Company's current rate and form filings with Governmental or Regulatory Authorities, make any required rate and form filings with Governmental or Regulatory Authorities in connection with any changes in Company's rates and forms for the Policies and use best efforts to obtain all regulatory approvals required by applicable Law and the Reinsurer shall reimburse the Company for expenses incurred by the Company in connection with such issuance of new Policies (including any costs related to the actions described in this sentence).

ARTICLE VI ADMINISTRATION

Section 6.1 Administrative Services. The Parties hereby agree that the Policies and Other Reinsurance Agreements shall be administered by the Reinsurer in accordance with or as otherwise provided in the Administrative Services Agreement.

Section 6.2 Regulatory Matters. If the Company or the Reinsurer receive notice of, or otherwise become aware of any inquiry, investigation, examination, audit or proceeding by Governmental or Regulatory Authorities relating to the Policies, the Company or the Reinsurer, as applicable, shall promptly notify the other Party thereof, whereupon the Parties shall cooperate in good faith to resolve such matter in a mutually satisfactory manner and shall act reasonably in light of the Parties' respective interests in the matter at issue.

Section 6.3 Bank Accounts. During the term of this Agreement, the Reinsurer may establish and maintain accounts with banking institutions with respect to the Reinsured Policies provided hereby (the "Bank Accounts"). To the extent such Bank Accounts are established, the Reinsurer shall have the exclusive authority over the Bank Accounts including, without limitation, the exclusive authority to (a) open the Bank

Accounts in the name of the Company, (b) designate the authorized signatories on the Bank Accounts, (c) issue drafts on and make deposits in the Bank Accounts in the name of the Company, (d) make withdrawals from the Bank Accounts and (e) enter into agreements with respect to the Bank Accounts on behalf of the Company; provided, that in no event shall the Company be responsible for any fees, overdraft charges or other payments, liabilities or obligations with respect to any such Bank Accounts. The Company shall do all things necessary to (x) enable and authorize the Reinsurer to use the Company's existing lockboxes with respect to the Reinsured Policies and (y) to enable the Reinsurer to open and maintain the Bank Accounts including, without limitation, executing and delivering such depository resolutions and other documents as may be requested from time to time by the banking institutions. The Company agrees that without the Reinsurer's prior written consent it shall not make any changes to the authorized signatories on the Bank Accounts nor attempt to withdraw any funds therefrom.

Section 6.4 Net Settlements. For each Monthly Accounting Period the Parties will effect a settlements on a net basis (the "Net Settlement") as contemplated in Annex B hereto. The Reinsurer shall provide the Company with reports reflecting in detail the Net Settlement determinations contemplated in Annex B (a) in the case of the first three Monthly Accounting Periods ending after the Effective Date, not later than twenty Business Days after the end of such Monthly Accounting Period and (b) in the case of all other Monthly Accounting Periods, not later than ten Business Days after the end of each Monthly Accounting Period. If a Net Settlement report reflects a balance due the Company, the amount(s) shown as due shall be paid within ten Business Days of the delivery of the report. If (x) a Net Settlement report reflects a balance due the Reinsurer and (y) the Company does not object to the report within ten Business Days of its delivery, the amount(s) shown as due shall be paid within ten Business Days after the date on which the report was delivered. If there is a delayed settlement of any payment due hereunder, interest will accrue on such payment at the Applicable Rate. For purposes of this section, a payment will be considered overdue on the date which is ten Business Days after the date such payment is due hereunder provided that such interest will begin to accrue from the original due date with respect to such payment. All settlements of account between the Company and the Reinsurer shall be made in cash or its equivalent.

Section 6.5 Actuarial Reports. Each year in connection with the preparation of the Company's annual financial statements, the Reinsurer's appointed actuary shall provide to the Company's appointed actuary a certificate of reliance stating that in his opinion, the reserves and related actuarial values concerning the Reinsured Policies:

- (a) are computed in accordance with presently accepted actuarial standards consistently applied and are fairly stated, in accordance with sound actuarial principles;

(b) are based on actuarial assumptions which produce reserves at least as great as those called for in any contract provision as to reserve basis and method, and are in accordance with all other policy or contract provisions;

(c) meet the requirements of the insurance laws and regulations of the Reinsurer's state of domicile and, to the extent applicable regulations of the Reinsurer's state of domicile vary materially from the parallel requirements of the Company's state of domicile, a good faith estimate of the effects of any such differences and a summary description of the Reinsurer's methodologies used in developing such estimations; and

(d) have been subjected to satisfactory asset adequacy testing in accordance with applicable regulations.

Any certification provided pursuant to this Section 6.5 is not, and shall not be deemed to constitute, any representation as to the ultimate adequacy or sufficiency of the reserves held by the Company in respect of the Reinsured Policies.

ARTICLE VII DAC TAX

Section 7.1 DAC Tax Election. The Company and the Reinsurer hereby elect and agree under Treasury Regulations Section 1.848-2(g)(8) as follows:

(a) The Company and the Reinsurer will each attach a schedule to its federal income tax return for the first taxable year ending after the Effective Date that identifies this Agreement as a reinsurance agreement for which a joint election under Treasury Regulation Section 1.848-2(g)(8) has been made, and will otherwise file its respective federal income tax returns in a manner consistent with the provisions of Treasury Regulation Section 1.848-2 as in effect on the date this Agreement is executed;

(b) For each taxable year under this Agreement, the Party with the net positive consideration, as defined in the regulations promulgated under Section 848 of the Code, will capitalize specified policy acquisition expenses with respect to this Agreement without regard to the general deductions limitation of Section 848(c)(1) of the Code;

(c) The Company and the Reinsurer agree to exchange information pertaining to the amount of net consideration under this Agreement each year to ensure consistency or as otherwise required by the Code and applicable Treasury Regulations;

(d) The first tax year for which this election is effective is 2011;

(e) The Reinsurer will submit to the Company by May 15 each year its calculation of the amount of the net consideration for the preceding calendar year. This schedule of calculations will be accompanied by a statement that the Reinsurer will report such amount of net consideration in its tax return for the preceding calendar year;

(f) The Company may contest such calculation by providing an alternative calculation to the Reinsurer in writing within thirty days of the Company's receipt of the Reinsurer's calculation. If the Company does not so notify the Reinsurer, the Company will report the amount of net consideration as determined by the Reinsurer in the Company's tax return for the previous calendar year;

(g) If the Company contests the Reinsurer's calculation of the amount of net consideration, the Parties will act in good faith to reach an agreement as to the correct amount within thirty days of the date the Company submits its alternative calculation.

Both the Company and the Reinsurer are subject to U.S. taxation under Subchapter L of Chapter 1 of the Code.

ARTICLE VIII INSOLVENCY

Section 8.1 Insolvency. The amount recoverable by a liquidator of the Company from the Reinsurer may not be reduced as a result of delinquency proceedings with respect to the Company. Payment made directly to an insured or other creditor does not diminish the Reinsurer's obligation hereunder except: (1) where this Agreement specifically provides for another payee of the reinsurance in the event of the insolvency of the ceding insurer; or (2) where the Reinsurer, with the consent of the direct insured, has assumed the policy obligations of the Company as direct obligations of the Reinsurer to the payees under a Reinsured Policy and in substitution for the obligations of the Company to the payees. The reinsurance hereunder is payable under the Reinsured Policies reinsured by the Reinsurer on the basis of reported claims allowed in the liquidation proceedings, subject to court approval, without diminution because of the insolvency of the Company. In the event of an insolvency of the Company, the domiciliary liquidator of the Company will give written notice to the Reinsurer of the pendency of a claim against the Company on a Reinsured Policy reinsured hereunder within a reasonable time after the claim is filed in the liquidation proceeding. During the pendency of the claim, the Reinsurer may investigate the claim and interpose, at its own expense in the proceeding where the claim is to be adjudicated, any defenses which it considers available to the Company or its liquidator. This expense is chargeable, subject to court approval, against the insolvent Company as part of the expense of liquidation to the extent of a proportionate share of the benefit which may accrue to the Company solely as a result of the defense undertaken by the Reinsurer. Where two or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to the claim, the expense must be apportioned in accordance with the terms of this Agreement as though the expense had been incurred by the Company.

ARTICLE IX
TERMINATION

Section 9.1 Duration of Coinsurance; No Recapture. This Agreement will be effective as of the Effective Time. Subject to the provisions of this Article IX, this Agreement will remain in effect, and the reinsurance provided hereunder will remain in force, until termination of the policy or policies on which the reinsurance is based in accordance with the terms of this Agreement. Except as provided in Section 9.3, the Reinsured Policies are not eligible for recapture by the Company.

Section 9.2 Termination. This Agreement shall terminate:

- (a) at any time upon the mutual written consent of the Parties hereto, which writing shall state the effective date of termination; or
- (b) automatically at such time as no liability remains under this Agreement.

Section 9.3 Termination by the Company. The Company, in its sole discretion, shall have the option to terminate this Agreement upon the occurrence of any one of the following events:

- (a) The Reinsurer is placed in receivership, conservatorship, rehabilitation or liquidation by any insurance regulatory authority;
- (b) The Reinsurer breaches Section 3.1 or 3.2 and fails to cure such breach by the earlier of (i) thirty days following receipt of written notice of such breach from the Company, or (ii) the last day of the calendar quarter in which such breach occurs; or
- (c) In the event that the Reinsurer fails to pay any material amount due to the Company under this Agreement and (i) such amount is not subject to a good faith dispute, (ii) the Company has exhausted all other remedies available to it under the terms of this Agreement and (iii) such failure is not cured within five Business Days following the Reinsurer's receipt of written notice of such failure from the Company.

Section 9.4 Settlement Upon Termination by the Company. Upon the termination of this Agreement by the Company pursuant to Section 9.3, subject to payment by the Reinsurer of any amounts due to the Company pursuant to this Section 9.4 and the payment by the Company of any amounts due to the Reinsurer pursuant to this Section 9.4, the Company shall recapture all liabilities previously ceded to the Reinsurer, the Reinsurer's liability under this Agreement will terminate (provided, that such termination shall not relieve any Party of any pre-termination breach of this Agreement) and, subject to compliance by the Reinsurer with Section 7.3(b) of the Administrative Services Agreement, the Reinsurer shall be relieved of on-going responsibilities for servicing the Policies. The Company shall prepare a Net Settlement

report for the period commencing on the first day of the then-current calendar month and ending on the date this Agreement is terminated pursuant to Section 9.3. On the tenth Business Day following the delivery of such Net Settlement report (a) the applicable Party shall pay any amounts due and owing by such Party on such Net Settlement report; (b) the Reinsurer shall transfer to the Company cash and assets with an aggregate Fair Market Value equal to 100% of the amount equal to the sum of: (i) Reinsurer's Share of the Statutory Reserves held by the Company with respect to the Reinsured Policies as of the date of termination, *plus* (ii) the Reinsurer's Share of the Interest Maintenance Reserve attributable to the transferred assets, *minus* (iii) the Reinsurer's Share of the amount of outstanding policy loans on the Reinsured Policies (to the extent such policy loans constitute admitted assets under SAP, net of any unearned policy loan interest on such loans but including amounts of interest due and accrued with respect thereto), *minus* (iv) the Reinsurer's Share of net due and deferred Premiums on the Reinsured Policies reduced by advances thereon, in each case determined by the Company in accordance with SAP, consistently applied as of the date of termination (the sum of (i) through (iv), the "Reinsurer Termination Payment"); and (c) the Company shall pay to the Reinsurer cash equal to the sum of (i) 100% of the unamortized portion of the Ceding Commission, *plus* (ii) an amount equal to the amount of any cash and assets withdrawn by the Company or any successor by operation of law, including, without limitation, any liquidator, rehabilitator, receiver or conservator of the Company from the Trust Account prior to the date of termination, and not used to satisfy claims of policyholders under the Reinsured Policies prior to the date of termination, or otherwise pay amounts due to the Company pursuant to this Agreement, in each case determined by the Reinsurer as of the date of termination (the sum of (i) and (ii), the "Company Termination Payment"). Any dispute by either Party of the Company Termination Payment or the Reinsurer Termination Payment shall be resolved in accordance with Section 10.3.

ARTICLE X DISPUTE RESOLUTION

Section 10.1 Arbitration.

(a) Arbitration. Any dispute or other matter in question between the Reinsurer and the Company arising out of, or relating to, the formation, interpretation, performance, or breach of this Agreement (other than disputes with respect to (i) calculations relating to DAC tax, which shall be resolved in accordance with Article VII hereof, (ii) calculations of the Initial Coinsurance Premium, the Ceding Commission and the Net Retained Liabilities Cash Adjustment pursuant to Sections 1.3(a), 1.3(b) and 1.3(c), which shall be resolved in accordance with Section 10.2 hereof and (iii) calculations of other amounts that are to be calculated or reported pursuant to this Agreement, which shall be resolved in accordance with Section 10.3 hereof), whether such dispute arises before or after termination of this Agreement, and whether in contract or in tort, shall be settled by arbitration.

(b) Good Faith Negotiation. The Reinsurer and the Company agree that, prior to resorting to arbitration, they will negotiate diligently and in good faith, in an effort to resolve any dispute. Once a Party notifies the other of a dispute and invokes this paragraph, the Parties shall have sixty days (or such longer period as they may agree) within which to negotiate a resolution. At the end of sixty days, either Party may initiate arbitration.

(c) Initiation of Arbitration. To initiate arbitration, either the Reinsurer or the Company (the "Claimant") shall notify the other Party (the "Respondent") in writing of its desire to arbitrate (the "Demand"). The Demand shall identify the nature of the dispute, the claims asserted and the relief sought. The Demand shall be sent certified mail, with return receipt, or another service which produces a receipt. The arbitration will be deemed to have been commenced on the date the Demand is received by the Respondent.

(d) Arbitration Panel.

(i) Number and Qualification of Arbitrators. The arbitration will be conducted by a panel (the "Panel") consisting of three arbitrators who will each have no less than ten years of industry experience and who are (1) current or former officers of life insurance or life reinsurance companies other than the Parties to this Agreement or their respective Affiliates or subsidiaries or (2) professionals with no less than twenty years of experience in or serving the life insurance or reinsurance industries. The arbitrators serving on the Panel shall not be under the control of any Party, nor shall any member of the Panel have a financial interest in the outcome of the dispute.

(ii) Selection of Arbitrators. Within thirty days following the commencement of the arbitration proceedings, each Party will provide the other with the identification of their appointed arbitrator, and provide a copy of the arbitrator's curriculum vitae. If either Party refuses or neglects to appoint an arbitrator within thirty days, the other Party may appoint the second arbitrator to act as the appointed arbitrator for the defaulting Party. The Parties' appointed arbitrators shall jointly appoint a third arbitrator (the "Umpire"). Each Party may consult, in confidence, with the arbitrator they appointed concerning the appointment of an Umpire. If the two Party-appointed arbitrators fail to reach agreement on an Umpire within sixty days of their appointment, each Party shall exchange, within seven days thereafter, six names of qualified individuals. Each Party will select three names from the list and notify the other Party as to its selection. Each Party will rank the six candidates in order of preference, and the individual with the lowest total numerical ranking will

act as Umpire. If the ranking results in a tie, the Parties will draw lots from the tied individuals, and the individual chosen by lot will act as Umpire. If either Party fails to act in good faith within a reasonable period of time to complete these procedures, the non-defaulting Party will appoint the Umpire from its original candidate pool. The Umpire selected under this paragraph will not be advised as to which Party initiated his or her selection.

(iii) Replacement. In the event any arbitrator fails, refuses, or becomes unable to act as such before an award has been rendered, a successor shall be selected in the same manner as the original arbitrator.

(c) Procedural Requirements.

(i) Submission of Briefs. The Claimant and Respondent shall each submit initial briefs to the Panel outlining the issues in dispute and the reasons for their respective positions within thirty days of the notice of the appointment of the Umpire.

(ii) Standard of Review. Insofar as not in conflict with the express terms of this Agreement, it is the intention of the parties that customs and practices of the life and reinsurance industries may be considered by the arbitrators in resolving any ambiguities inherent in this Agreement or its operation. In the absence of any such ambiguity, the express terms of this Agreement will control.

(iii) Hearing Procedures. The arbitrators shall decide all substantive and procedural issues by a majority of votes. As soon as possible following appointment, the arbitrators will meet and establish arbitration procedures as warranted by the facts and issues of the particular case. Except as provided specifically in this Article X, the arbitrators shall have the power to determine all procedural rules of the arbitration, including, but not limited to inspection of documents, examination of witnesses, and any other matter related to the conduct of the arbitration. Each Party may examine the witnesses who testify at the arbitration hearing. Each Party shall have the right to be represented by legal counsel. (iii) Remedies. The Panel is authorized to award any remedy or sanctions allowed by applicable law, including, but not limited to monetary damages, equitable relief, pre- or post-award interest, costs of arbitration, attorneys fees, and other final or interim relief. Arbitrators shall not be empowered to award damages in excess of compensatory damages, and each Party irrevocably waives any damages in excess of compensatory damages.

(iv) Decisions. The decision of the arbitrators will be made by majority rule, and shall be final and binding on both Parties. There shall be no appeal from the decision, except that the Parties retain all rights to challenge under the Federal Arbitration Act (9 U.S.C. §1, *et seq.*). Either Party to the arbitration may petition any court having jurisdiction over the Parties to reduce the decision to judgment.

(v) Expenses. Unless the arbitrators decide otherwise, each Party will bear the expense of its own arbitration activities, including its appointed arbitrator and any outside attorney and witness fees. The parties will jointly and equally bear the expense of the Umpire and other costs of the arbitration.

The Reinsurer shall, following the Effective Date through the date that the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, becomes final in accordance with the last sentence of Section 10.2(c), take all actions necessary or desirable to maintain and preserve all accounting books, records, policies and procedures on which such Initial Coinsurance Premium Reconciliation Statement, Ceding Commission Reconciliation Statement or Net Retained Liabilities Cash Reconciliation Statement, as applicable, are based or on which the finalized Initial Coinsurance Premium Adjustment, the finalized Ceding Commission Adjustment or the finalized Net Retained Liabilities Cash Adjustment, as applicable, are to be based so as not to impede or delay the determination of the finalized Actual Initial Coinsurance Premium, the finalized Value of the Transferred Assets on the Effective Date, the finalized Actual Ceding Commission or the finalized the Net Retained Liabilities Cash Adjustment, as applicable, or the preparation of the Company's Objection in the manner and utilizing the methods permitted by this Agreement. Upon receipt by the Reinsurer of a Notice of Agreement from the Company or if no Company's Objection is received by the Reinsurer prior to the expiration of the Review Period, the Actual Initial Coinsurance Premium or the Actual Ceding Commission, as applicable, and the Reinsurer's calculation of the Initial Coinsurance Premium Adjustment, the Ceding Commission Adjustment or the Net Retained Liabilities Cash Adjustment (as set forth in the Net

Retained Liabilities Cash Reconciliation Statement), as applicable, shall be deemed to have been accepted by the Company and will become final and binding upon the Parties in accordance with the last sentence of Section 10.2(c).

(b) If the Company timely delivers a Company's Objection to the Reinsurer, the Reinsurer shall have thirty days in the case of a Company's Objection with respect to the Initial Coinsurance Premium or the Ceding Commission or five Business Days in the case of a Company's Objection with respect to the Net Retained Liabilities Cash Adjustment, as applicable, in each case from the date of such delivery to review and respond to such Company's Objection (the "Consultation Period"). The Parties shall use reasonable, good faith efforts to resolve any disagreements that they may have with respect to the matters set forth in the Company's Objection. If the Parties are unable to resolve all of their disagreements with respect to the matters set forth in the Company's Objection within ten Business Days following the expiration of the Consultation Period, then the Parties shall submit all matters that remain in dispute with respect to the Company's Objection (along with a copy of the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, and the Reinsurer's calculation of the amounts set forth therein, marked to indicate those line items that are still in dispute) to Ernst & Young, LLP, or another internationally recognized firm of independent certified public accountants with appropriate actuarial expertise as to which the Parties mutually agree (the "CPA Firm"), which shall, acting as an expert and not as an arbitrator, make a final determination, on the basis of the standards set forth in Section 1.3 hereof, and only with respect to any remaining differences submitted to the CPA Firm, in accordance with this Section 10.2(b), of the appropriate amount of each line item in the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, and the Reinsurer's calculation of the amounts set forth therein as to which the Parties disagree (such items that remain in dispute, the "Unresolved Items").

(c) The Parties shall instruct the CPA Firm to deliver its written determination to the Reinsurer and the Company no later than fifteen Business Days after the Unresolved Items are referred to the CPA Firm. The CPA Firm's determination shall include a certification that it reached such determination in accordance with this Section 10.2(c) and shall be conclusive and binding upon the Parties, absent clear and manifest error. With respect to each Unresolved Item, the CPA Firm's determination, if not in accordance with the position of either the Company or the Reinsurer, shall not be more favorable to the Company than the amounts advocated by the Company in the Company's Objection or more favorable to the Reinsurer than the amounts advocated by the Reinsurer in the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, or the Reinsurer's calculations of the amounts set forth therein with respect to such disputed line item and/or calculation. For the

avoidance of doubt, (i) the CPA Firm's review of the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, and the Reinsurer's calculation of the amounts set forth therein shall be limited to a determination of whether such documents and calculations were prepared in accordance with Section 1.3, and (ii) the CPA Firm shall not review any line items or make any determination with respect to any matters other than the Unresolved Items that were referred to the CPA Firm for resolution pursuant to this Section 10.2(c). The Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, and the determination of the amounts set forth therein that are final and binding on the Parties, as determined either through (1) the Company's delivery of a Notice of Agreement pursuant to Section 10.2 (a), (2) the Company's failure to deliver Company's Objection prior to expiration of the Review Period pursuant to Section 10.2(a), (3) agreement by the Parties during the Consultation Period or (4) the determination of the CPA Firm pursuant to this Section 10.2(c) are referred to herein as the "finalized Initial Coinsurance Premium Reconciliation Statement", the "finalized Ceding Commission Reconciliation Statement", the "finalized Net Retained Liabilities Cash Reconciliation Statement", the "finalized Actual Initial Coinsurance Premium", the "finalized Value of the Transferred Assets as of the Effective Date", the "finalized Actual Ceding Commission", the "finalized Initial Coinsurance Premium Adjustment", the "finalized Ceding Commission Adjustment" and the "finalized Net Retained Liabilities Cash Adjustment", as the case may be.

(d) The Parties agree that judgment may be entered upon the CPA Firm's determination in any court having jurisdiction over the Reinsurer or the Company, as the case may be. The fees and disbursements of the CPA Firm shall be paid by the Parties in proportion to those matters submitted to the CPA Firm that are resolved against that Party, as such fees and disbursements are allocated by the CPA Firm in accordance with this Section 10.2 at the time of the CPA Firm's determination. At any time following delivery of the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, the Reinsurer shall provide to the Company and its Representatives full access to books and records and other information with respect to the Reinsured Policies, including work papers of its accountants (subject to execution by the Company and/or its Representatives, as applicable, of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants), and to any employees during regular business hours and on reasonable advance notice, to the extent necessary for the Company to review the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, or the Reinsurer's calculation of the amounts set forth therein, to prepare Company's Objection or to prepare materials for presentation to the CPA Firm. The Parties shall make readily available to the CPA Firm, during regular business hours and on reasonable advance notice, interviews with such

employees, and all relevant information, books and records and any work papers of their respective accountants (in each case, subject to execution by the CPA Firm of a customary hold-harmless agreement in form and substance reasonably acceptable to such accountants) relating to the Initial Coinsurance Premium Reconciliation Statement, the Ceding Commission Reconciliation Statement or the Net Retained Liabilities Cash Reconciliation Statement, as applicable, and any Unresolved Items and all other items reasonably required by the CPA Firm to fulfill its obligations under Section 10.2(c). In acting under this Section 10.2, the CPA Firm will be entitled to the privileges and immunities of an arbitrator.

Section 10.3 Other Disputes over Calculations. After the Effective Date, any dispute between the Parties with respect to the calculation of amounts that are to be calculated or reported pursuant to this Agreement (other than disputes with respect to calculations relating to DAC tax, which shall be resolved in accordance with Article VII hereof, and dispute with respect to the Initial Coinsurance Premium, the Ceding Commission and the Net Retained Liabilities Cash Adjustment pursuant to Sections 1.3(a), 1.3(b) and 1.3(c), which shall be resolved in accordance with Section 10.2 hereof), including disputes with respect to any Net Settlement, valuation of the assets held in the Trust Account or the amount of the Reinsurer Termination Payment or the Company Termination Payment, that cannot be resolved by the Parties within sixty calendar days, shall be referred to an independent accounting firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties; provided, however, that where the dispute involves an actuarial issue, the dispute shall instead be referred to an independent actuarial firm of national recognized standing (which shall not have any material relationship with the Reinsurer or the Company) mutually agreed to by the Parties. There shall be no appeal from the decision made by such firm, which shall be final and binding, except that, either Party may petition a court having jurisdiction over the Parties and subject matter to reduce the arbitrator's decision to judgment. The fees charged by the accounting firm or actuarial firm, as applicable, to resolve the dispute shall be allocated between the Company and the Reinsurer by such firm in accordance with its judgment as to the relative merits of the Parties' positions in respect of the dispute.

ARTICLE XI INDEMNIFICATION

Section 11.1 Indemnification of the Reinsurer by the Company. From and after the Effective Date, the Company shall indemnify, defend and hold harmless the Reinsurer and its officers, directors and Representatives (the "Reinsurer Indemnified Parties") against, and hold each of them harmless from all Losses imposed on, sustained or incurred or suffered by, or asserted against, the Reinsurer Indemnified Parties (a) with respect to the Excluded Liabilities, or (b) which arise out of (i) any inaccuracy or breach of any representation or warranty of the Company set forth in Section 4.2 hereof or (ii)

any breach or nonfulfillment by the Company of, or any failure by the Company to perform, any of the covenants, terms or conditions of or any of its duties or obligations under this Agreement unless such breach, nonfulfillment or failure arises out of or results from the action or omission of the Reinsurer pursuant to the Administrative Services Agreement, or (c) which arise out of any enforcement of this indemnity.

Section 11.2 Indemnification of the Company by the Reinsurer. From and after the Effective Date, the Reinsurer shall indemnify, defend and hold harmless the Company, and its officers, directors and Representatives (the "Company Indemnified Parties") against, and hold each of them harmless from all Losses imposed on, sustained or incurred or suffered by, or asserted against, the Company Indemnified Parties (a) with respect to the Reinsured Liabilities, or (b) arising from Extra Contractual Obligations other than the Excluded Liabilities, or (c) arising out of (i) any inaccuracy or breach of any representation or warranty of the Reinsurer set forth in Section 4.1 hereof or (ii) any breach or nonfulfillment by the Reinsurer of, or any failure by the Reinsurer to perform, any of the covenants, terms or conditions of or any of its duties or obligations under this Agreement, or (iii) written instructions of the Reinsurer given pursuant to Section 1.4, Section 1.5, Section 1.8(b), Section 2.2 or Section 3.3(b) hereof, or (c) arising out of any enforcement of this indemnity.

Section 11.3 Claims Notice. In the event that either the Company or Reinsurer wishes to assert a claim for indemnification hereunder, the Party seeking indemnification (the "Indemnified Party") shall deliver written notice (a "Claims Notice") to the other Party (the "Indemnifying Party") no later than ten Business Days after such claim becomes known to the Indemnified Party, specifying the facts constituting the basis for, and the amount (if known) of the claim asserted. Failure to deliver a Claims Notice with respect to a claim (other than a claim based on an Asserted Liability, as defined below) in a timely manner as specified in the preceding sentence shall not be deemed a waiver of the Indemnified Party's right to indemnification hereunder for Losses in connection with such claim, but the amount of reimbursement to which the Indemnified Party is entitled shall be reduced to the extent the Indemnifying Party is materially prejudiced by such failure to timely deliver such Claims Notice.

Section 11.4 Right to Contest Claims of Third Parties.

(a) If an Indemnified Party asserts, or may in the future seek to assert, a claim for indemnification hereunder because (i) of a claim or demand made, or an action, proceeding or investigation instituted, by any Person not a party to this Agreement (a "Third Party Claimant") that may result in a liability with respect to which the Indemnified Party would be entitled to indemnification pursuant to this Article XI or (ii) the Company has become aware of any circumstance that could result in a claim for indemnification by the Reinsurer hereunder with respect to any Extra Contractual Obligation described in clauses (v) through (viii) of the definition of "Extra Contractual

Obligation” (regardless of whether any claim or demand has been made, or any action, proceeding or investigation has been instituted by a Third Party Claimant with respect to such Extra Contractual Obligation), (each, an “Asserted Liability”), the Indemnified Party, shall deliver to the Indemnifying Party a Claims Notice with respect thereto, which Claims Notice shall, in accordance with the provisions of Section 11.3 be delivered as promptly as practicable after such Asserted Liability is actually known to the Indemnified Party. Failure to deliver a Claims Notice with respect to a claim in a timely manner as specified in the preceding sentence shall not be deemed a waiver of the Indemnified Party’s right to indemnification hereunder for a liability in connection with such claim, but the amount of reimbursement to which the Indemnified Party is entitled shall be reduced to the extent the Indemnifying Party is materially prejudiced by such failure to timely deliver such Claims Notice.

(b) The Indemnifying Party shall have the right, upon written notice to the Indemnified Party, to investigate, contest, defend or settle any Asserted Liability that may result in a liability with respect to which the Indemnified Party is entitled to indemnification pursuant to this Article XI, provided that the Indemnified Party may, at its option and at its own expense, participate in the investigation, contesting, defense or settlement of any such Asserted Liability through Representatives and counsel of its own choosing; and, provided further, that the Indemnifying Party shall not settle any Asserted Liability unless (i)(A) such settlement is on exclusively monetary terms, (B) the Indemnifying Party obtains a complete release for the Indemnified Party with respect to such Asserted Liability, (C) such settlement does not involve a class action claim or a claim which alleges bad faith on the part of the Indemnified Party and (D) such settlement would not be reasonably expected to result in an adverse effect on the reputation, licenses or regulatory status of the Indemnified Party; or (ii) the Indemnified Party shall have consented to the terms of such settlement, which consent shall not unreasonably be withheld. If requested by the Indemnifying Party, the Indemnified Party will, at the sole cost and expense of the Indemnifying Party, cooperate with the Indemnifying Party and its counsel in contesting any Asserted Liability or, if appropriate and related to the Asserted Liability in question, in making any counterclaim against the Third Party Claimant, or any cross-complaint against any Person (other than the Indemnified Party or its Affiliates). Unless and until the Indemnifying Party elects to defend the Asserted Liability, the Indemnified Party shall have the right, at its option and at the Indemnifying Party’s expense to do so in such manner as it deems appropriate, provided, however, that the Indemnified Party shall not settle or compromise any Asserted Liability for which it seeks indemnification hereunder without the prior written consent of the Indemnifying Party (which shall not be unreasonably withheld).

(c) The Indemnifying Party shall be entitled to participate in (but not to control) the defense of any Asserted Liability which it is not defending with its own counsel and at its own expense.

(d) The Company and Reinsurer shall make mutually available to each other all relevant information in their possession relating to any Asserted Liability (except to the extent that such action would result in a loss of attorney-client privilege) and shall cooperate with each other in the defense thereof.

Section 11.5 Mitigation. Each Party agrees to use its respective commercially reasonable efforts to mitigate Losses and not to cause or worsen any liability as would constitute a liability of the other Party pursuant to any claim of indemnification hereunder.

Section 11.6 Subrogation; Insurance. Upon making any indemnification payment, the Indemnifying Party will, to the extent of such payment, be subrogated to all rights of the Indemnified Party against any third party in respect of the Loss to which the payment relates. The amount of Losses sustained by an Indemnified Party and owed by an Indemnifying Party shall be reduced by any amount received by such Indemnified Party with respect thereto under any insurance or reinsurance coverage from any other party alleged to be responsible therefor. The Indemnified Party shall use reasonable efforts at the Indemnifying Party's expense to collect any amounts available under such insurance or reinsurance coverage and from such other party alleged to have responsibility.

ARTICLE XII CONFIDENTIALITY

Section 12.1 Confidentiality. Each of the Reinsurer and the Company agrees to hold any Confidential Information with respect to the other Party in strictest confidence and to take all reasonable steps to ensure that such Confidential Information is not disclosed in any form by any means by it or by its Affiliates, employees, advisors, agents or administrators (collectively, "Representatives") to third parties of any kind; provided that the foregoing obligation shall not prohibit disclosure of any such information (a) if required by Law, stock exchange rules or a Governmental or Regulatory Authority (in which case the disclosing party shall allow (to the extent permitted by law and reasonably practicable) the other Party a reasonable opportunity to comment on such disclosure in advance of such disclosure); (b) to Representatives, auditors or ratings agencies, provided, that such Representatives, auditors or ratings agencies are made aware of the provisions of this Article XII; (c) to the extent that the information has been made public by or on behalf of, or with the prior consent of, the non-disclosing party; (d) if required in connection with any report required to be filed or submitted with any Governmental or Regulatory Authority; and (e) to the extent reasonably necessary in connection with any dispute with respect to this Agreement. The Reinsurer agrees to hold medical, financial and other personal information about proposed, current, and former policyowners, insureds, applicants, and beneficiaries of Policies in confidence to the extent required to be held in confidence under applicable Law and the Reinsurer's privacy policy or policies

TRUST AGREEMENT

TRUST AGREEMENT, dated as of April 29, 2011 (this "**Agreement**"), among PROTECTIVE LIFE INSURANCE COMPANY, a Tennessee insurance company (the "**Grantor**"), LIBERTY LIFE INSURANCE COMPANY, a South Carolina insurance company (the "**Beneficiary**"), and THE BANK OF NEW YORK MELLON, a New York banking corporation (the "**Trustee**") (the Grantor, the Beneficiary and the Trustee are hereinafter each sometimes referred to individually as a "**Party**" and collectively as the "**Parties**").

WITNESSETH:

WHEREAS, pursuant to a Coinsurance Agreement dated the date hereof between the Beneficiary and the Grantor (the "**Coinsurance Agreement**"), the Beneficiary is ceding or retroceding to the Grantor, and the Grantor is reinsuring on a coinsurance basis, certain risks under certain life and health insurance policies issued and reinsured by the Beneficiary pursuant to the terms and conditions thereof;

WHEREAS, pursuant to Section 3.1 of the Coinsurance Agreement, the Grantor desires to transfer to the Trustee for deposit to a trust account or accounts as provided herein (the "**Trust Account**") such assets as it may desire to make subject to this Agreement as security for the payment of amounts due the Beneficiary under the Coinsurance Agreement;

WHEREAS, the Trustee has agreed to act as Trustee hereunder, and to hold such assets in trust in the Trust Account for the sole use and benefit of the Beneficiary;

WHEREAS, this Agreement is made for the sole use and benefit of the Beneficiary and for the purpose of setting forth the duties and powers of the Trustee with respect to the Trust Account;

WHEREAS, the Parties hereto intend that this Agreement shall be treated as a grantor trust and that the Grantor shall be treated as the grantor of the Trust for United States federal income tax purposes; and

NOW, THEREFORE, for and in consideration of the foregoing and for other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Parties hereby agree as follows:

1. **Deposit of Assets to the Trust Account**

(a) The Grantor shall establish the Trust Account on the date hereof for the sole use and benefit of the Beneficiary, and the Trustee shall receive Assets (as defined below) hereunder and administer the Trust Account and the trust established hereunder in its name as Trustee for the sole benefit of the Beneficiary (the "**Trust**").

(b) The Grantor shall transfer to the Trustee cash and assets as may be required from time to time pursuant to Section 3.1 of the Coinsurance Agreement for deposit to the Trust Account (all such cash and assets, together with the proceeds thereof, all investments of such cash, assets and proceeds in other assets and all substitutions of such cash, assets and proceeds for other assets are herein referred to individually as an "**Asset**" and collectively as the "**Assets**"). The Trustee is authorized and shall have power to receive the Assets from the Grantor and to hold, invest, reinvest and dispose of the same for the uses and purposes of, and according to, the provisions set forth herein. The Assets shall consist only of Permitted Investments (as defined herein). All Assets credited to the Trust Account shall be in the name of the Trustee and shall be held by the Trustee in its capacity as trustee hereunder. No Asset credited to the Trust Account shall be registered in the name of the Grantor, payable to the order of the Grantor or indorsed to the Grantor, except to the extent that the Grantor has indorsed such Assets to the order of the Trustee. In the event of any payment default as to any Asset in the Trust Account or in the event that any Asset no longer is a Permitted Investment, the Grantor shall promptly substitute other Assets which meet the requirements of a Permitted Investment and have a Statutory Book Value equal to the Statutory Book Value of such Asset which has a payment default or no longer meets the requirements for a Permitted Investment on the last statement provided by the Trustee.

(c) Within fifteen days after (i) the date of inception of the Trust Account, (ii) the last day of each calendar month and (iii) receipt of a written request of the Grantor or the Beneficiary, the Trustee shall prepare and deliver to each of the Beneficiary and the Grantor a report listing all Assets held in the Trust Account, which report shall set forth the type of asset, CUSIP number, if any, position size and its maturity.

(d) Any Assets transferred by the Grantor to the Trustee for deposit to the Trust Account and all Assets invested and substituted at the direction of the Grantor hereunder will be in such form that the Beneficiary whenever necessary may, and the Trustee upon direction by the Beneficiary will, negotiate any such Assets without consent or signature from the Grantor or any person or entity in accordance with the terms of this Agreement. The Grantor shall ensure that (i) only cash and assets of the type permitted under the guidelines (including concentration limits, applied on a percentage of assets basis rather than a percentage of capital basis) applied by the Grantor generally for its own general investments supporting insurance liabilities (the "**Permitted Investments**") are deposited or retained as Assets in the Trust Account, (ii) as of the date of the transfer of any Assets to the Trust Account, the Grantor has good and marketable title to such Assets (iii) each such Asset transferred on the date hereof, shall be at the time of deposit free and clear of all Encumbrances, other than Permitted Encumbrances and interests of nominees, custodians or similar intermediaries and (iv) each such Asset deposited after

the date hereof shall be at the time of deposit free and clear of all claims, liens and Encumbrances whatsoever (other than those arising under this Agreement). The Grantor shall not, and shall not cause the Trustee to, take any action that would create, incur, assume or permit any claim, lien or Encumbrance on any Asset in the Trust Account. Notwithstanding anything herein to the contrary, for a period of 30 days following the date hereof, the concentration limits and other limits contained in the guidelines applied by the Grantor generally for its own general investments supporting insurance liabilities shall not apply to Assets deposited or retained in the Trust Account.

(e) On the date hereof, Grantor shall transfer to the Trustee for deposit to the Trust Account Permitted Investments with an aggregate Statutory Book Value equal to or greater than \$1,612,744,040.

(f) The Required Balance and the Statutory Book Value of the Permitted Investments held in the Trust Account shall be calculated by the Grantor as of the last day of each calendar quarter and the Grantor shall provide a certification with respect to such valuation, including the calculation of the aggregate Statutory Book Value of the Permitted Investments, to each of the Beneficiary and the Trustee within thirty days after the end of such quarter. If the Statutory Book Value of the Permitted Investments held in the Trust Account as of any quarter end is less than the Required Balance as of such quarter end, the Grantor shall within ten Business Days after such determination is made make such further deposits to the Trust Account as are required so that following such deposit the Permitted Investments in the Trust Account have an aggregate Statutory Book Value of not less than the Required Balance as of such quarter end.

(g) Notwithstanding anything herein to the contrary, in the event that the Grantor's RBC Ratio is less than 125%, the Grantor shall fund the Trust Account, in accordance with the mechanics outlined above, with Permitted Investments with an aggregate fair market value equal to or greater than the Required Balance, and all references in this Agreement to "Statutory Book Value" shall be deemed to be references to "fair market value."

2. Withdrawal of Assets from the Trust Account

(a) Pursuant to Section 3.1 of the Coinsurance Agreement, the Beneficiary shall have the right to withdraw Assets from the Trust Account pursuant to the third sentence of this Section 2(a) only after a default by the Grantor in the performance of its monetary obligations under the Coinsurance Agreement, which default has not been cured by the Grantor within ten days following its receipt of a specific written notice thereof delivered by the Beneficiary. Pursuant to Section 3.1 of the Coinsurance Agreement, any such withdrawals shall be utilized and applied by the Beneficiary or any successor by operation of law, including, without limitation, any liquidator, rehabilitator, receiver or conservator of the Beneficiary, without diminution because of insolvency on the part of the Beneficiary or the Grantor, only to pay amounts then due to the

Beneficiary under the Coinsurance Agreement. The Beneficiary shall be permitted to direct the Trustee to withdraw Assets from the Trust Account not in excess of the amount the Beneficiary is permitted to withdraw from the Trust Account under the preceding two sentences upon written notice to the Trustee and the Grantor substantially in the form attached hereto as Exhibit A (a "**Beneficiary Withdrawal Notice**"), which Beneficiary Withdrawal Notice shall specify the Assets to be withdrawn. The Trustee shall have no responsibility whatsoever to determine whether the basis for the Beneficiary's issuance of the Beneficiary Withdrawal Notice is proper and in accordance with the terms of the Coinsurance Agreement. A Beneficiary Withdrawal Notice delivered pursuant to this Section 2(a) may designate a third party designee to whom Assets specified therein shall be delivered. Each withdrawal from the Trust Account by the Beneficiary (i) shall constitute a representation and certification by the Beneficiary that such withdrawal is being made in accordance with the terms of the Coinsurance Agreement and this Agreement and (ii) shall be deemed to satisfy in full all the obligations of the Grantor in respect of which such withdrawal is made. Nothing in this Agreement shall limit the right of the Grantor to seek equitable relief to enjoin any withdrawal on the grounds that any condition precedent to withdrawal under this Section 2(a) has not been satisfied. The amount of any withdrawal by the Beneficiary hereunder in excess of amounts then due to the Beneficiary under the Coinsurance Agreement shall be deemed maintained by the Beneficiary in constructive trust for the benefit of the Grantor and promptly returned to the Grantor.

(b) If the aggregate Statutory Book Value of all Permitted Investments held in the Trust Account as of any quarter end is greater than the Required Balance as of such quarter end, the Grantor may provide notice to the Beneficiary, with a copy to the Trustee, of its desire to withdraw Assets from the Trust Account, specifying the amount and type of Assets to be withdrawn. Within five Business Days following its delivery of such notice to the Beneficiary, the Grantor shall be permitted, without further notice to, or consent of, the Beneficiary, to direct the Trustee to withdraw Assets from the Trust Account in excess of the amount necessary to maintain such Required Balance as of the applicable quarter end, which notice shall be substantially in the form attached hereto as Exhibit B (a "**Grantor Withdrawal Notice**"), which Grantor Withdrawal Notice shall specify the Assets to be withdrawn. Each withdrawal from the Trust Account by the Grantor shall constitute a representation and certification by the Grantor that such withdrawal is being made in accordance with the terms of the Coinsurance Agreement and this Agreement. The Trustee shall have no responsibility whatsoever to determine (i) the Statutory Book Value of the Assets in the Trust Account, (ii) the Required Balance, (iii) the excess of the amount necessary to maintain the Required Balance or (v) whether written notice has been delivered to or received by the Beneficiary pursuant to this Section 2(b). A Grantor Withdrawal Notice delivered pursuant to this Section 2(b) may designate a third party designee to whom Assets specified therein shall be delivered.

(c) Upon receipt of a Beneficiary Withdrawal Notice or a Grantor Withdrawal Notice by the Trustee, the Trustee shall immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title and interest in the Assets specified in such Beneficiary Withdrawal Notice or Grantor Withdrawal Notice, and shall deliver physical custody of such Assets, to or for the account of the Beneficiary, the Grantor or such designee as specified in such Beneficiary Withdrawal Notice or Grantor Withdrawal Notice, as applicable. Upon its receipt of Assets from the Trustee pursuant to this Section 2(c), the Grantor or the Beneficiary, as applicable, shall execute and deliver to the Trustee a receipt evidencing the delivery of such Assets.

(d) Except as provided in Sections 1(b) and 3, in the absence of a Beneficiary Withdrawal Notice or a Grantor Withdrawal Notice, the Trustee shall allow no substitution or withdrawal of any Asset from the Trust Account.

3. Redemption, Investment and Substitution of Assets.

(a) The Trustee shall surrender for payment all maturing Assets and all Assets called for redemption and deposit the principal amount of the proceeds of any such payment to the Trust Account.

(b) From time to time, at the written order and direction of the Grantor or its designated Investment Manager (as hereinafter defined), the Trustee shall, and is hereby given authority to, invest Assets in the Trust Account in Permitted Investments without the Beneficiary's consent and without notice to the Beneficiary.

(c) From time to time upon not less than five Business Days' prior written notice to the Beneficiary, at the written order and direction of the Grantor or its designated Investment Manager (as hereinafter defined), the Trustee shall, and is hereby given authority to, accept substitutions of Assets in the Trust Account in Permitted Investments without the Beneficiary's consent; provided, that such notice to the Beneficiary shall not be required for substitutions of Assets made pursuant to this Section 3(c) within the 30 day period following the date hereof. Such written order and direction shall specify by CUSIP number the specific Assets to be deposited in, and withdrawn from, the Trust Account, and shall contain a certification to the Trustee and the Beneficiary that the Assets to be deposited in the Trust Account are Permitted Investments. The Grantor or its designated Investment Manager shall only substitute Assets if following such substitution the aggregate Statutory Book Value of the Permitted Investments in the Trust Account is not less than the aggregate Statutory Book Value of the Assets prior to any such substitution. The Trustee shall not have responsibility whatsoever to monitor whether prior written notice of such substitution has been given to the Beneficiary or to determine the Statutory Book Value of such substituted Assets or that such substituted Assets actually constitute Permitted Investments.

(d) Any instruction or order concerning investments or substitutions of Assets shall be referred to herein as an **Investment Order**.” The Trustee shall execute Investment Orders and settle securities transactions by itself or by means of an agent or broker. The Trustee shall not be responsible for any act or omission in the selection, or for the solvency, of any such agent or broker.

(e) When the Trustee is directed to deliver Assets against payment, delivery will be made in accordance with generally-accepted market practice.

(f) Any loss incurred from any investment pursuant to the terms of this Section 3 shall be borne exclusively by the Trust Account provided, however, that in no event shall any such loss relieve the Grantor’s obligations to maintain the Required Balance.

4. Dividends, Interest and Income.

(a) All payments of interest, dividends and other income in respect of Assets in the Trust Account shall be posted and credited by the Trustee to the Trust Account. Any such interest, dividends and other income shall immediately become part of the Trust Account and be available for withdrawal, substitution and investment as provided in this Agreement. Any interest, dividends or other income automatically posted and credited on the payment date to the Trust Account that is not subsequently received by the Trustee shall be reimbursed by the Grantor to the Trustee, and the Trustee may debit the Trust Account for this purpose. All interest, dividends and other income in respect of Assets in the Trust Account shall be considered income attributable to the Grantor. Any United States federal, state, local or other income tax liability for capital gains on Assets in the Trust Account shall be the responsibility of Grantor.

(b) The Grantor shall pay, prior to delinquency, all taxes, assessments and other charges levied upon the Assets or the Trust Account and shall discharge all liens against the Assets or the Trust Account; provided, however, that unless and until foreclosure, distraint, levy, sale or similar proceedings shall have been commenced, the Grantor need not pay any such tax, assessment or other charge so long as the validity thereof is contested in good faith and by appropriate proceedings diligently conducted and so long as security sufficient to pay such tax, assessment or other charge (and any interest and penalties which may be applicable thereon) has been provided to the Trustee to protect the Beneficiary and the Trustee. In the event that the Grantor shall fail so to pay any such tax, assessment or other charge (and shall not be so contesting it) or to discharge any such lien, the Beneficiary may, at its option, but shall not be required to, make any payments necessary to pay such tax, assessment or other charge and/or to discharge such lien, and the Grantor shall, upon demand, reimburse the Beneficiary for the full amount of such payments (together with interest from the date paid to, but not including the date reimbursed at, a fluctuating rate per annum equal to the prime rate as announced by the Trustee from time to time). The Trustee shall not be responsible for paying any taxes, assessments or other charges or discharging liens on the Trust Account or any of the Assets thereof.

(c) The Parties intend that the Trust Account be classified for United States federal income tax purposes as a grantor trust. Each Party agrees to treat the Trust Account as a grantor trust for all United States federal, state and local tax purposes. The Trustee shall not be authorized or empowered to do anything that would cause the Trust Account to fail to qualify as a grantor trust for such tax purposes. The Grantor shall be responsible for any tax reporting (including filing of any income tax returns and, if applicable, obtaining tax identification numbers) required on behalf of the Trust or Trust Account and shall notify the Trustee of the tax identification number of the Trust.

5. Right to Vote Assets.

Within a reasonable time of the Trustee's receipt thereof, the Trustee shall forward to the Grantor or a person authorized in writing for such purpose (including a designated Investment Manager (as defined herein)) any and all annual and interim stockholder reports and all proxies, ballots and proxy materials relating to the Assets, notices of required actions related to bankruptcy cases, and information received by the Trustee or summaries thereof regarding ownership rights pertaining to the Assets, each as actually received by the Trustee and in accordance with the Trustee's customary practices. Absent the Trustee's actual receipt of such notice, the Trustee shall have no liability for failing to so notify the Grantor or its designee. Absent the Trustee's timely receipt of instructions, the Trustee shall not be liable for failure to take any action relating to, or to exercise any rights conferred by, such Assets. The Grantor or a person authorized in writing for such purpose (including a designated Investment Manager) shall have the full and unqualified right to vote any Assets in the Trust Account and shall be responsible for making any decisions and taking any other action with respect to any voluntary rights that may be exercised or alternate courses of action that may be taken by reason of the ownership of such Assets and for directing the Trustee to act.

6. Additional Rights and Duties of the Trustee.

(a) The Trustee shall be a Qualified United States Financial Institution that does not control, is not controlled by and is not under common control with, the Grantor or the Beneficiary, and which maintains trust accounts for others in the ordinary course of its business and is acting in that capacity in this Agreement.

(b) The Trustee shall notify the Grantor and the Beneficiary in writing within ten days following each deposit to, or withdrawal from, the Trust Account.

(c) Before accepting any Asset for deposit to the Trust Account, the Trustee shall determine that such Asset is in such form that the Beneficiary, whenever necessary, or the Trustee, upon direction by the Beneficiary, may negotiate such Asset without consent or signature from the Grantor or any other person or entity other than the Trustee in accordance with the terms of this Agreement.

(d) The Trustee shall have no responsibility whatsoever to determine that any Assets in the Trust Account are or continue to be Permitted Investments, comply with the guidelines referred to in Section 1(d) or are or continue to be free of Encumbrances or subject to any Permitted Encumbrances. All Assets shall be maintained by the Trustee in the Trust Account separate and distinct from all other assets under the control of or on the books of the Trustee.

(e) The Trustee shall hold all Assets in a safe place at one of its offices in the United States, and such Assets may be held in certificated or electronic form. The Trustee may deposit any Assets in the Trust Account in a book-entry account maintained at the Federal Reserve Bank of New York or in depositories such as The Depository Trust Company and hold them in electronic form. The Trustee shall have no liability whatsoever for the action or inaction of any depository or for any losses resulting from the maintenance of Assets with a depository. Assets may be held in the name of a nominee maintained by the Trustee or by any such depository.

(f) The Trustee shall keep full and complete records of the administration of the Trust Account in accordance with applicable law. Upon the request of the Grantor or the Beneficiary, the Trustee shall promptly permit the Grantor or the Beneficiary, their respective agents, employees or independent auditors to examine, audit, excerpt, transcribe and copy, during the Trustee's normal business hours, any books, documents, papers and records relating to the Trust Account or the Assets. The Trustee shall accept and open all mail directed to the Grantor or the Beneficiary in care of the Trustee.

(g) Unless otherwise provided in this Agreement, the Trustee is authorized to follow and rely upon all instructions given by officers (including officers of any investment manager designated in writing by the Grantor and approved in writing by the Beneficiary (such approval not to be unreasonably withheld) (each, an "**Investment Manager**")) named in incumbency certificates furnished to the Trustee from time to time by the Grantor, a designated Investment Manager or the Beneficiary, respectively, and by attorneys-in-fact acting under written authority furnished to the Trustee by the Grantor or the Beneficiary, including, without limitation, instructions given by letter, facsimile or electronic media, if the Trustee reasonably believes such instructions to be genuine and to have been signed, sent or presented by the proper Party or Parties, a designated Investment Manager or attorney-in-fact. The Trustee shall not incur any liability to anyone resulting from actions taken by the Trustee in reliance in good faith on such instructions. The Grantor shall provide written notice to the Trustee of any change to any Investment Manager or attorney-in-fact (for the avoidance of doubt any such replacement Investment Manager shall have been approved in writing by the Beneficiary (such approval not to be unreasonably withheld)). The Trustee shall not incur any liability in executing instructions (i) from any attorney-in-fact prior to receipt by it of notice of the

revocation of the written authority of such attorney-in-fact or (ii) from any officer of the Grantor (or its designated Investment Manager) or the Beneficiary named in an incumbency certificate delivered hereunder prior to receipt by it of a more current certificate or notice of revocation of the authority of such Investment Manager. Each of the Grantor and the Beneficiary acknowledges and agrees that it is fully informed of the protections and risks associated with the various methods of transmitting instructions to the Trustee, and that there may be more secure methods of transmitting instructions than the method selected by the sender. Each of the Grantor and the Beneficiary agrees that the security procedures, if any, to be followed in connection with a transmission of instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

(h) The duties and obligations of the Trustee shall only be such as are specifically set forth in this Agreement, as it may from time to time be amended, and no implied duties or obligations shall be read into this Agreement against the Trustee. Notwithstanding anything to the contrary herein, the Trustee shall not be liable except for its own negligence, willful misconduct or lack of good faith arising out of or in connection with the performance of its obligations in accordance with this Agreement.

(i) No provision of this Agreement shall require the Trustee to take any action which, in the Trustee's reasonable judgment, would result in any violation of this Agreement or any provision of law.

(j) Anything in this Agreement to the contrary notwithstanding, in no event shall the Trustee be liable under or in connection with this Agreement for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.

(k) The Trustee shall not be responsible for ensuring or determining the existence, genuineness or value of any of the Assets or the validity, perfection, priority or enforceability of any liens on any of the Assets whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes negligence, lack of good faith or willful misconduct on the part of the Trustee, for the validity of title to the Assets, for insuring the Assets or for the payment of taxes, charges, assessments or liens upon the Assets.

(l) The Trustee shall not be required to risk or expend its own funds in performing its obligations under this Agreement. The foregoing sentence shall not apply to the ordinary out-of-pocket expenses referred to in the second sentence of Section 7(a) which are incurred by the Trustee in the normal administration of this Agreement and which are to be reimbursed as provided in Section 7(a) or to ordinary internal overhead expenses which are incurred by the Trustee in the normal administration of this Agreement.

7. Trustee's Compensation, Expenses, etc

(a) The Grantor shall pay the Trustee, as compensation for its services under this Agreement, a fee computed at rates determined by the Trustee from time to time and communicated in writing to, and consented to by, the Grantor. The Grantor shall pay or reimburse the Trustee for all of the Trustee's expenses and disbursements in connection with its duties under this Agreement (including attorney's fees and expenses), except any such expense or disbursement as may arise from the Trustee's negligence, willful misconduct or lack of good faith. The Grantor hereby indemnifies the Trustee for, and holds it harmless against, any loss, liability, costs or expenses (including attorney's fees and expenses) incurred or made without negligence, willful misconduct or lack of good faith on the part of the Trustee, arising out of or in connection with the performance of its obligations in accordance with the provisions of this Agreement or the status of the Trustee and its nominee as the holder of record of the Assets. In addition to and not in limitation of the foregoing, the Beneficiary hereby indemnifies the Trustee for, and holds it harmless against, any loss, liability, costs or expenses (including attorney's fees and expenses) incurred or made without negligence, willful misconduct or lack of good faith on the part of the Trustee, arising out of or in connection with actions taken by the Trustee pursuant to any written instruction from the Beneficiary to perform any such action. The Grantor and the Beneficiary each hereby acknowledge that the foregoing indemnities shall survive the resignation or discharge of the Trustee or the termination of this Agreement.

(b) No Assets shall be withdrawn from the Trust Account or used in any manner for paying compensation to, or reimbursement of expenses or indemnification of, the Trustee.

(c) The Trustee may consult with counsel selected by it. The written opinion or advice of said counsel shall be full and complete authority and protection for the Trustee with respect to any action taken, suffered or omitted by it in good faith and in accordance with the opinion or advice of said counsel.

8. Resignation or Removal of the Trustee

(a) The Trustee may resign at any time by delivery of a written notice of resignation, effective not less than 90 days after receipt by the Beneficiary and the Grantor of such notice. The Trustee may be removed by the Grantor's delivery to the Trustee and the Beneficiary of a written notice of removal, effective not less than 90 days after receipt by the Trustee and the Beneficiary of such notice; provided, that no such resignation or removal shall become effective until a successor Trustee has been duly appointed and approved by the Beneficiary and the Grantor and all Assets in the Trust

Account have been duly transferred to the new Trustee in accordance with Section 8(b). The Beneficiary may instruct the Grantor to deliver a written notice of removal in accordance with this Section 8(a) in the event the Trustee breaches any of its duties hereunder and such breach is not cured within five Business Days after delivery by the Grantor of written notice thereof to the Trustee.

(b) Upon receipt by the proper Parties of the Trustee's notice of resignation or the Grantor's notice of removal, the Grantor and the Beneficiary shall appoint a successor trustee. The Trustee and any successor trustee shall be a bank that is a Qualified United States Financial Institution that does not control, is not controlled by and is not under common control with, the Grantor or the Beneficiary. Upon the acceptance of the appointment as trustee hereunder by a successor trustee and the transfer to such successor trustee of all Assets in the Trust Account, the resignation or removal of the Trustee shall become effective. Thereupon, such successor trustee shall succeed to and become vested with all the rights, powers, privileges and duties of the resigning or removed Trustee, and the resigning or removed Trustee shall be discharged from any future duties and obligations under this Agreement, but the resigning or removed Trustee shall continue after such resignation or removal to be entitled to the benefits of the indemnities provided herein for the Trustee.

9. Termination of the Trust Account

AMENDED AND RESTATED EMPLOYMENT AGREEMENT

THIS AMENDED AND RESTATED EMPLOYMENT AGREEMENT (this "Agreement") is made and entered into this day of February, 2013, by and between Athene Holding Ltd., a Bermuda exempted company limited by shares (the "Company"), and James R. Belardi (the "Executive").

RECITALS

THE PARTIES ENTER THIS AGREEMENT on the basis of the following facts, understandings and intentions:

A. The Company and the Executive entered into that certain Employment Agreement (the "Original Agreement"), dated as of July 15, 2009 (the "Effective Date") pursuant to which the Executive serves as the Chief Executive Officer of the Company.

B. The Company and the Executive (the "Parties") desire that the Executive continue to serve as the Chief Executive Officer of the Company pursuant to the terms and conditions hereof. This Agreement shall govern the employment relationship between the Executive and the Company from and after the date hereof, and, as of the date hereof, supersedes and negates all previous agreements with respect to such relationship, including the Original Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals incorporated herein and the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, the Parties agree as follows:

1. Retention and Duties.

- 1.1 Retention.** The Company does hereby engage and employ the Executive for the Period of Employment (as such term is defined in Section 2) on the terms and conditions expressly set forth in this Agreement. The Executive does hereby accept and agree to such engagement and employment, on the terms and conditions expressly set forth in this Agreement.
- 1.2 Duties.** During the Period of Employment, the Executive shall serve the Company as its Chief Executive Officer and shall have the powers, authorities, duties and obligations of management usually vested in the office of the Chief Executive Officer, and such other powers, authorities, duties and obligations commensurate with such position as the Company's Board of Directors (the "Board") may assign from time to time, all subject to the lawful directives of the Board and the corporate policies of the Company as they are in effect from time to time throughout the Period of Employment (including, without limitation, the Company's business conduct and ethics policies and the Company's operating guidelines as they may be in effect from time to time). The parties acknowledge that the Executive was appointed to the Board as of the Effective Date. During the Period of Employment, the Executive shall report to the Board.

1.3 No Other Employment; Minimum Time Commitment. During the Period of Employment, the Executive shall (i) devote substantially all of the Executive's business time, energy and skill to the performance of the Executive's duties for the Company, Athene Asset Management LLC and their subsidiaries (collectively, the "Company Entities"), (ii) perform such duties in a faithful, effective and efficient manner to the best of his abilities, and (iii) hold no other employment other than pursuant to the Amended and Restated Employment Agreement with Athene Asset Management LLC, dated as of even date herewith (the "Asset Management Employment Agreement"). The Executive's service on the boards of directors (or similar body) of other business entities is subject to the approval of the Board; provided, however, that service on the board of directors (or similar body) of any Company Entity shall be deemed pre-approved. During the Period of Employment, the Executive shall be permitted to manage his personal investments and engage in charitable activities, so long as such activities do not, in each case and in the aggregate, interfere with the effective discharge of the Executive's duties and responsibilities to the Company. The Company shall have the right to require the Executive to resign from any board or similar body (including, without limitation, any association, corporate, civic or charitable board or similar body) on which he may then serve if the Board reasonably determines that the Executive's service on such board or body interferes with the effective discharge of the Executive's duties and responsibilities to the Company or that any business related to such service is then in competition with any business of the Company, the Asset Management Company, or any of their respective Affiliates (as such terms are defined in Section 5.5), successors or assigns.

1.4 Representations.

- (a) The Executive hereby represents to the Company that: (i) the execution and delivery of this Agreement by the Executive and the Company and the performance by the Executive of the Executive's duties hereunder do not and shall not constitute a breach of, conflict with, or otherwise contravene or cause a default under, the terms of any other agreement or policy to which the Executive is a party or otherwise bound or any judgment, order or decree to which the Executive is subject; (ii) that the Executive has no information (including, without limitation, confidential information and trade secrets) relating to any other Person (as such term is defined in Section 5.5) which would prevent, or be violated by, the Executive entering into this Agreement or carrying out his duties hereunder; (iii) other than this Agreement and the Asset Management Employment Agreement, the Executive is not bound by any employment, consulting, non-compete, trade secret or similar agreement with any other Person; (iv) the Executive understands the Company will rely upon the accuracy and truth of the representations and warranties of the Executive set forth herein and the Executive consents to such reliance and (v) upon the execution

and delivery of this Agreement by the Parties, this Agreement shall be his valid and binding obligation, enforceable against the Executive in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditor's rights generally and general principles of equity (whether considered by a court of law or a court of equity).

- (b) The Company hereby represents to the Executive that (i) it is fully authorized by action of its Board (and of any other Person or body whose action is required) to enter into this Agreement and to perform its obligations under it, (ii) the execution, delivery and performance of this Agreement by it does not violate any applicable law, regulation, order, judgment or decree or any agreement, arrangement, plan or corporate governance document to which it or any of its Affiliates is a party or by which it or any of its Affiliates is bound and (iii) upon the execution and delivery of this Agreement by the Parties, this Agreement shall be its valid and binding obligation, enforceable against it in accordance with its terms, except to the extent that enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditor's rights generally and general principles of equity (whether considered by a court of law or a court of equity).

- 1.5 Location.** The Executive's principal places of employment shall be the Company's principal executive offices as they may be located from time to time initially located in Los Angeles and in Bermuda. The Executive agrees that he will be regularly present at those offices. The Executive acknowledges that he will be required to travel from time to time in the course of performing his duties for the Company, and in particular, that he will be required to travel to Bermuda regularly.

2. Period of Employment. The "Period of Employment" shall commence on the date hereof and end at the close of business on November 3, 2016 (the "Termination Date"); provided, however, that this Agreement shall be automatically renewed, and the Period of Employment shall be automatically extended for one (1) additional year on the Termination Date and each anniversary of the Termination Date thereafter, unless either party gives written notice at least one hundred and twenty (120) days prior to the expiration of the Period of Employment (including any renewal thereof) of such party's desire to terminate the Period of Employment (such notice to be delivered in accordance with Section 21). The term "Period of Employment" shall include any extension thereof pursuant to the preceding sentence. Provision of notice by the Company or the Executive that the Period of Employment shall not be extended or further extended, as the case may be, shall not constitute a breach of this Agreement and shall not constitute "Good Reason" for purposes of this Agreement. Notwithstanding the foregoing, the Period of Employment is subject to earlier termination as provided below in this Agreement.

3. **Compensation.**

3.1 **Base Salary.** During the Period of Employment, the Company shall pay the Executive a base salary (the "**Base Salary**"), which shall be paid in monthly installments (or more frequently) as are consistent with the Company's regular payroll practices in effect from time to time. The Executive's Base Salary shall be at an annualized rate of one hundred and thirty-five thousand dollars (\$135,000). The Compensation Committee of the Board (the "**Compensation Committee**") will review the Executive's rate of Base Salary on an annual basis and may, in its sole discretion, increase (but not decrease) the rate then in effect. The Executive's Base Salary shall not be reduced other than (x) as part of an across the board reduction applicable to all members of senior management that results in a proportional reduction to the Executive's Base Salary equal to that of other members of senior management or (y) if in connection with such reduction the Executive's base salary is increased by a like amount by the Asset Management Company. In the discretion of the Company the Base Salary may be paid to the Executive by the Asset Management Company.

3.2 **Incentive Bonus.** The Executive shall be eligible to receive an incentive bonus for each fiscal year of the Company that ends during the Period of Employment ("**Incentive Bonus**"); provided that, except as provided in Section 5.3, the Executive must be employed by the Company at the time the Company pays its annual bonuses generally with respect to any such fiscal year in order to be eligible for an Incentive Bonus with respect to that fiscal year (and, if the Executive is not so employed at such time, in no event shall he have been considered to have "earned" any Incentive Bonus with respect to the fiscal year in question). The Executive's target Incentive Bonus amount for a particular fiscal year of the Company shall equal one hundred percent (100%) of the Executive's Base Salary paid to the Executive for that fiscal year; provided that the Executive's actual Incentive Bonus amount for a particular fiscal year shall be determined by the Compensation Committee in its sole discretion, based on performance objectives (which may include corporate, business unit or division, financial, strategic, individual or other objectives) established with respect to that particular fiscal year by the Compensation Committee. Any Incentive Bonus earned by the Executive for a particular fiscal year shall be paid in cash as soon as reasonably practicable following the date that the audited financial statements of the Company for such fiscal year are issued and at the same time that incentive bonuses for such fiscal year are paid to other senior executives of the Company generally, and in no event later than December 31 of the year following the close of the fiscal year for which the bonus is earned. In the discretion of the Company the Incentive Bonus may be paid to the Executive by the Asset Management Company.

4. **Benefits.**

4.1 **Retirement, Welfare and Fringe Benefits.** During the Period of Employment, the Executive shall be entitled to participate in all employee pension and welfare

benefit plans and programs, and fringe benefit plans and programs, made available to the Company's employees generally, in accordance with the eligibility and participation provisions of such plans and as such plans or programs may be in effect from time to time.

- 4.2 **Reimbursement of Business Expenses.** The Executive is authorized to incur reasonable expenses in carrying out the Executive's duties under this Agreement and shall be entitled to reimbursement for all reasonable business expenses the Executive incurs during the Period of Employment in connection with carrying out such duties, subject to the Company's expense reimbursement policies and any pre-approval policies in effect from time to time.
- 4.3 **Vacation and Other Leave.** During the Period of Employment, the Executive's annual rate of vacation accrual shall be four (4) weeks per year; provided that such vacation shall accrue and be subject to the Company's vacation policies in effect from time to time. The Executive shall also be entitled to all other holiday and leave pay generally available to other executives of the Company.

5. **Termination.**

- 5.1 **Termination by the Company.** The Executive's employment by the Company, and the Period of Employment, may be terminated at any time by the Company: (i) with Cause (as such term is defined in Section 5.5), or (ii) without Cause, or (iii) in the event that the Executive has a Disability (as such term is defined in Section 5.5). Further, the Executive's employment by the Company and the Period of Employment shall automatically terminate in the event of the Executive's death.
- 5.2 **Termination by the Executive.** The Executive's employment by the Company, and the Period of Employment, may be terminated by the Executive with no less than ninety (90) days advance written notice to the Company (such notice to be delivered in accordance with Section 21); provided, however, that in the case of a resignation by the Executive with Good Reason, the Executive may provide immediate written notice of termination once the applicable cure period (as contemplated by the definition of Good Reason) has lapsed if the circumstances that gave rise to the basis for the resignation with Good Reason have not been cured as provided in Section 5.5(h), below. No termination of the Executive's employment hereunder by either Party in accordance with the provisions of this Section 5.2 shall be deemed a breach of this Agreement.
- 5.3 **Benefits Upon Termination.** If the Executive's employment hereunder terminates (the date of such termination being referred to as the 'Severance Date'), the Company shall have no further obligation to make or provide to the Executive, and the Executive shall have no further right to receive or obtain from the Company, any payments or benefits except as follows:
- (a) Upon any termination of the Executive's employment hereunder, the Company shall pay or provide the Executive any Accrued Obligations (as such term is defined in Section 5.5);

-
- (b) If the Executive's employment hereunder terminates due to an Involuntary Termination (as such term is defined in Section 5.5, below) then:
- (i) The Company shall pay the Executive a cash amount (the "Pro Rata Bonus") equal to a pro rata portion (based on the number of days during which he remained employed hereunder during the fiscal year in which the termination occurs) of his Bonus Severance (as such term is defined in Section 5.3(d)). Subject to Sections 5.4(a) and 5.8(a) below, such amount shall be payable in substantially equal installments in accordance with the Company's standard payroll practices over the period that ends at the end of the 12th calendar month that begins after the Severance Date; provided, however, that the first installment shall be paid on the 60th day following the Severance Date and shall include all installments that would have been paid from the Severance Date through the date of such first installment if the release described in Section 5.4(a) had become irrevocable, in accordance with its terms, on the Severance Date (but only if such release, in fact, was executed and delivered by the Executive in accordance with Section 5.4(a)).
 - (ii) The Company shall pay the Executive a cash amount equal to one (1) times his annualized Adjusted Base Salary in effect on the Severance Date (the "Severance Payment"). Subject to Sections 5.4(a) and 5.8(a) below, the Company shall pay the Severance Payment in substantially equal installments in accordance with the Company's standard payroll practices over the period that ends at the end of the twelfth (12th) calendar month that begins after the Severance Date; provided, however, that the first installment shall be paid on the 60th day following the Severance Date and shall include all installments that would have been paid from the Severance Date through the date of such first installment if the release described in Section 5.4(a) had become irrevocable, in accordance with its terms, on the Severance Date (but only if such release, in fact, was executed and delivered by the Executive in accordance with Section 5.4(a)).
 - (iii) The Company will pay or reimburse the Executive for his premiums charged to continue medical coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act ("COBRA"), at the same or reasonably equivalent medical coverage and on the same terms and conditions for the Executive (and, if applicable, the Executive's eligible dependents) as in effect immediately prior to

the Severance Date, to the extent that the Executive elects such continued coverage; provided that the Company's obligation to make any payment or reimbursement pursuant to this clause (ii) shall, subject to Section 5.8(a), commence with continuation coverage for the month following the month in which the Executive's Separation from Service occurs and shall cease with continuation coverage for the eighteenth month following the month in which the Executive's Separation from Service occurs (or, if earlier, shall cease upon the first to occur of the Executive's death, the date the Executive becomes eligible for coverage under the health plan of a future employer, or the date the Company ceases to offer group medical coverage to its active executive employees or the Company is otherwise under no obligation to offer COBRA continuation coverage to the Executive). To the extent the Executive elects COBRA coverage, he shall notify the Company in writing of such election prior to such coverage taking effect and complete any other continuation coverage enrollment procedures the Company may then have in place.

- (c) If the Executive's employment hereunder is terminated in an Involuntary Termination that is not due to the Company's provision of notice pursuant to Section 2 that the Period of Employment shall not be extended then:
- (i) Subject to Section 5.4(a) below, any outstanding and unvested time-vesting restricted shares granted to the Executive by the Company that are scheduled to vest during the one (1) year period immediately following the Severance Date shall immediately vest.
 - (ii) Subject to Section 5.4(a) below, a portion of each tranche of outstanding and unvested performance-vesting restricted shares granted to the Executive by the Company shall remain outstanding and eligible to vest pursuant to their terms for a period of eighteen (18) months following the Severance Date. The portion of each tranche that shall remain outstanding shall be determined by multiplying the total number of shares in such tranche that are outstanding and unvested as of the Severance Date by a fraction the numerator of which is the number of whole months during the period between the date that such tranche was originally granted to the Executive and the Severance Date and the denominator of which is 60.
- (d) If the Executive's employment hereunder is terminated in an Involuntary Termination that is not due to his death or Disability, then the Company shall also pay the Executive an amount (the "Bonus Severance") equal to the product of (A) the Executive's annualized Adjusted Base Salary in effect on the Severance Date times (B) the Bonus Percentage. Subject to Sections 5.4(a) and 5.8(a) below, the Bonus Severance shall be paid at the

time that the incentive bonus (if any) for the fiscal year in which the Severance Date occurred would have been paid under Section 5.2 above if the Executive's employment hereunder had continued.

- (e) Notwithstanding the foregoing provisions of this Section 5.3, if the Executive (i) materially breaches his obligations under Sections 6.2 through 6.4 of this Agreement, (i) knowingly and materially breaches his obligations under Section 6.5 of this Agreement, or (iii) materially breaches his obligations under Section 6.1 of this Agreement either knowingly or as a result of his gross negligence and, in each case, fails to cure such breach(es) within fifteen (15) days following written notice from the Company describing the breach(es) in reasonable detail and requesting cure, and not in any way in limitation of any right or remedy otherwise available to the Company, the Executive will no longer be entitled to, and the Company will no longer be obligated to pay or provide, any payment or benefit under Sections 5.3(b) through 5.3(d) of this Agreement that is not already due to be paid or provided as of the date of the first such uncured breach and any then-unvested restricted shares held by the Executive shall be forfeited and terminate for no consideration; provided that, if the Executive provides the release contemplated by Section 5.4, in no event shall the Executive be entitled to a Severance Payment of less than \$5,000, which amount the parties agree is good and adequate consideration, in and of itself, for the Executive's release contemplated by Section 5.4.

5.4 Release; Exclusive Remedy.

- (a) This Section 5.4 shall apply notwithstanding anything else contained in this Agreement or any stock option or other equity-based award agreement to the contrary. As a condition precedent to any Company obligation to the Executive pursuant to Sections 5.3(b) through 5.3(d) or any other obligation to accelerate vesting of any equity-based award in connection with the termination of the Executive's employment, the Executive shall have provided the Company, on or after the Severance Date, a valid, executed general release in substantially the form attached hereto as Exhibit A (with any such changes to such form as the Company (i) has reasonably determined to be necessary or advisable to help ensure that the release is enforceable to the fullest extent permissible under applicable law and (ii) has communicated to the Executive no later than five (5) business days following the Severance Date), and such release has become irrevocable, in accordance with its terms, no later than sixty (60) days after the Severance Date.
- (b) The Executive agrees that the payments and benefits contemplated by Section 5.3 shall constitute the exclusive and sole remedy for any termination of his employment. The Executive agrees to resign, on the Severance Date, as an officer and director of the Company and any

Affiliate of the Company, and as a fiduciary of any benefit plan of the Company or any Affiliate of the Company, and to promptly execute and provide to the Company any further documentation, as reasonably requested by the Company, to confirm such resignation.

5.5 Certain Defined Terms.

- (a) As used herein, “Accrued Obligations” means:
- (i) any Base Salary that had accrued but had not been paid (including accrued and unpaid vacation time) on or before the Severance Date;
 - (ii) except in the event the Executive’s employment is terminated by the Company for Cause or by the Executive without Good Reason, any Incentive Bonus payable pursuant to Section 3.2 with respect to any fiscal year in the Period of Employment preceding the fiscal year in which the Severance Date occurs (provided, however, that any such Incentive Bonus that is already due to be paid under Section 3.2 shall in all events other than a termination for Cause be paid promptly following the Severance Date);
 - (iii) any reimbursement due to the Executive pursuant to Section 4.2 for expenses reasonably incurred by the Executive on or before the Severance Date and documented and pre-approved, to the extent applicable, in accordance with the Company’s expense reimbursement policies in effect at the applicable time; and
 - (iv) any other payment or benefit then or thereafter due to the Executive under the then-applicable terms of any applicable Company Arrangement.
- (b) As used herein, “Adjusted Base Salary” shall be equal to the Executive’s Base Salary in effect on the Severance Date, adjusted to eliminate the effect of any reduction of Base Salary (i) pursuant to clause (x) of Section 3.1 or (ii) that was the grounds used for an actual termination for Good Reason.
- (c) As used herein, “Affiliate” shall mean, with respect to any specified Person, any other Person that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with such specified Person. As used in this definition, the term “control,” including the correlative terms “controlling,” “controlled by” and “under common control with,” means the possession, directly or indirectly, of the power to direct or cause the direction of management or policies (whether through ownership of securities or any partnership or other ownership interest, by contract or otherwise) of a Person. With respect to the Company, the term “Affiliate” shall not include at any time the Asset Management Company, any member of the Apollo Group (as such term is

defined in the Company's Fifth Amended and Restated Shareholders Agreement dated as of December 27, 2012, as may be further amended from time to time (the "Shareholders Agreement"), or any portfolio companies of the Apollo Group, other than the Company and its subsidiaries. With respect to the Asset Management Company, the term "Affiliate" shall not include at any time the Company, any member of the Apollo Group (as defined in the previous sentence), or any portfolio company of the Apollo Group, other than the Asset Management Company and its subsidiaries.

- (d) As used herein, "Asset Management Company" means Athene Asset Management LLC, a Delaware limited liability company, together with (where appropriate) any of its subsidiaries.
- (e) As used herein, "Bonus Percentage" shall mean a fraction, the numerator being the sum of the annual bonus payments paid (or due to be paid) to the Executive by (or on behalf of) the Company and/or the Asset Management Company for the calendar year preceding the year in which the Severance Date occurred and the denominator being the sum of the actual aggregate base salaries paid to the Executive by (or on behalf of) the Company and/or the Asset Management Company in the calendar year preceding the year in which the Severance Date occurred.
- (f) As used herein, "Cause" shall mean that one or more of the following has occurred:
 - (i) the Executive has been indicted for, otherwise formally charged for, or plead guilty or no contest to, a felony (under the laws of the United States or any relevant state, or a similar crime or offense under the applicable laws of any relevant foreign jurisdiction);
 - (ii) the Executive has engaged in acts of fraud, material dishonesty or other acts of knowing misconduct in the course of his duties hereunder and such acts have resulted in, or are reasonably expected to result in, material harm to the Company;
 - (iii) the Executive has knowingly failed to perform or uphold his duties under this Agreement and/or has knowingly failed to comply with reasonable directives of the Board (including, without limitation, the Board's reasonable directive to the Executive to relocate if such relocation is determined by the Board, acting in good faith, to be advisable for regulatory or tax purposes);
 - (iv) the Executive has engaged in gross negligence in the course of his duties hereunder that has resulted in, or is reasonably expected to result in, material harm to the Company;

-
- (v) the Executive's violation of a fiduciary duty of loyalty to the Company that has resulted in, or is reasonably expected to result in, material harm to the Company;
 - (vi) the Executive's knowing attempt to obstruct, or knowing failure to cooperate on reasonable request with, any investigation authorized by the Company or any governmental or self-regulatory entity;
 - (vii) the Executive's disqualification or bar by any governmental or self-regulatory authority from serving in the capacity contemplated by this Agreement or the Executive's loss of any governmental or self-regulatory license that is reasonably necessary for the Executive to perform his responsibilities under this Agreement;
 - (viii) any directive to terminate the Executive's employment has been made by any governmental or self-regulatory authority with jurisdiction over the matter;
 - (ix) a material breach by the Executive of any material provision of this Agreement, or any material breach by the Executive of any other material provision of any contract he is a party to with the Company or any of its Affiliates; or
 - (x) the Executive's employment with Athene Asset Management LLC has been terminated for Cause pursuant to the Asset Management Employment Agreement.

provided, however, that if the Executive is in breach of (iii), (iv), (v), (vi) or (ix) above, the Company shall first notify the Executive in writing, and in reasonable detail, of the specific breach(es) claimed to constitute Cause and may only terminate the Executive for Cause if the Executive fails to cure such breach(es), if curable, within ten (10) business days following his receipt of the written notice.

- (g) As used herein, "Company Arrangement" shall mean: (i) any equity-based awards granted by any Company Entity or any of their parents, subsidiaries or Affiliates to the Executive, to the extent that such awards continue after the termination of the Executive's employment in accordance with the applicable terms of such awards (and subject to any period in which to exercise such awards following such termination of employment); (ii) any right to indemnification (including, without limitation, advancement of legal fees and other expenses) that the Executive may have under any written agreement or arrangement or under applicable state law; (iii) any rights that the Executive may have to insurance coverage for losses, damages or expenses under any insurance policy; (iv) the Executive's receipt of benefits otherwise due to terminated employees under group insurance coverage consistent with the terms of

the applicable welfare benefit plans; (v) the Executive's rights under COBRA to continue participation in medical, dental, hospitalization and life insurance coverage; (vi) the Executive's receipt of benefits otherwise due in accordance with the terms of the any written 401(k), retirement, deferred compensation plan, program, agreement or arrangement; (vii) the Executive's rights under any written vacation policy, as in effect from time to time, with respect to any accrued but unused vacation; and (viii) any rights to reimbursement of business expenses incurred on or before the Separation Date in accordance with this Agreement or the Asset Management Employment Agreement.

- (h) As used herein, "Disability" shall mean a physical or mental impairment that has rendered the Executive unable to perform the essential functions of his employment with the Company, even with reasonable accommodation that does not impose an undue hardship on the Company, for more than 90 days in any 180-day period, unless a longer period is required by federal or state law, in which case that longer period would apply.
- (i) As used herein, "Good Reason" shall mean a resignation by the Executive after the occurrence (without the Executive's prior written consent) of any one or more of the following conditions:
- (i) a material diminution in the Executive's rate of Base Salary or Incentive Bonus target, other than in accordance with Section 3.1 (for the avoidance of doubt it shall not constitute Good Reason if the Executive's Base Salary or Incentive Bonus is paid to the Executive by the Asset Management Company);
 - (ii) a material diminution in the Executive's title, authority, duties or responsibilities with respect to the Company;
 - (iii) assignment of duties inconsistent with the Executive's title set forth in Section 1.2 hereof;
 - (iv) a material adverse change in the Executive's title set forth in Section 1.2 hereof;
 - (v) an adverse change in the Executive's reporting relationship to the Board;
 - (vi) a material change in geographic locations at which the Executive must perform his services to the Company (except if such change is determined by the Board, acting in good faith, to be advisable for regulatory or tax purposes);
 - (vii) the Executive's removal from or the failure to reappoint the Executive to the Board (except if such removal is as a result of Cause); or

(viii) a material breach by the Company or any of its subsidiaries of this Agreement or any other material agreement to which the Company or any of its subsidiaries, and the Executive, are parties;

provided, however, that any such condition or conditions, as applicable, shall not constitute grounds for resignation with Good Reason unless both (x) the Executive provides written notice to the Company of the conditions claimed to constitute grounds for a resignation with Good Reason within sixty (60) days after he learns of the initial existence of such condition(s) (such notice to be delivered in accordance with Section 21), and (y) the Company fails to remedy such condition(s) within sixty (60) days of receiving such written notice thereof; and provided, further, that in all events the termination of the Executive's employment with the Company shall not constitute a resignation with Good Reason unless such termination occurs not more than one hundred and twenty (120) days following the date the Executive learns of the initial existence of the condition(s) claimed to constitute grounds for a resignation with Good Reason.

- (j) As used herein, "Involuntary Termination" shall mean: (i) a termination by the Company of the Executive's employment hereunder without Cause; (ii) a termination by the Executive of his employment hereunder with Good Reason; (iii) a termination by the Company of the Executive's employment hereunder in connection with the Company's provision of notice pursuant to Section 2 that the Period of Employment shall not be extended or further extended, as the case may be; (iv) the Executive's death; or (v) a termination by the Company of the Executive's employment hereunder due to the Executive's Disability.
- (k) As used herein, the term "Person" shall be construed broadly and shall include, without limitation, an individual, a partnership, a limited liability company, a corporation, an association, a joint stock company, a trust, a joint venture, an unincorporated organization and a governmental entity or any department, agency or political subdivision thereof.
- (l) As used herein, a "Separation from Service" occurs when the Executive dies, retires, or otherwise has a termination of employment with the Company that constitutes a "separation from service" within the meaning of Treasury Regulation Section 1.409A-1(h)(1). Notwithstanding anything in this Agreement or elsewhere to the contrary, the Executive shall have no duties following the Severance Date that are inconsistent with his having a Separation from Service on the Severance Date.

5.6 Notice of Termination. Any termination of the Executive's employment under this Agreement shall be communicated by written notice of termination from the terminating party to the other party. This notice of termination must be delivered in accordance with Section 21 and must indicate the specific provision(s) of this Agreement relied upon in effecting the termination.

5.7 Limitation on Benefits.

- (a) Notwithstanding anything contained in this Agreement to the contrary, except as provided in Section 5.7(d), to the extent that any payment, benefit or distribution of any type to or for the benefit of the Executive by the Company or any of its Affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this Agreement or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the "Total Payments") would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code. Unless the Executive shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice consistent with the requirements of Section 409A of the Code to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. This Section 5.7 shall take precedence over the provisions of any other Company Arrangement.
- (b) Any initial determination that Total Payments to the Executive must be reduced or eliminated in accordance with Section 5.7(a) and the assumptions to be utilized in arriving at such determination, shall be made by the Board in the exercise of its reasonable, good faith discretion based upon the advice of such professional advisors it may deem appropriate in the circumstances. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Board hereunder, it is possible that Total Payments to the Executive which will not have been made should have been made ("Underpayment") or that Total Payments to the Executive which were made should not have been made ("Overpayment"). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid to or for the benefit of the Executive. In the event of an Overpayment, then the Executive shall promptly repay the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by the Executive to the date the same is repaid.

-
- (c) If any portion of the Total Payments would otherwise be subject to the excise tax imposed by Section 4999 of the Code (before giving effect to any reduction in Total Payments contemplated by Section 5.7(a)), the Company shall use its reasonable efforts to obtain (in a manner which satisfies all applicable requirements of such Section 280G(b)(5)(B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations) the approval by such number of shareholders of the Company as is required by the terms of Section 280G(b)(5)(B) of the Code so as to render the parachute payment provisions of Section 280G of the Code inapplicable to the Total Payments that would be reduced or eliminated by operation of Section 5.7(a) if such shareholder approval was not obtained.
 - (d) Notwithstanding anything in Section 5.7(a) or elsewhere to the contrary, the Company and its Affiliates will pay the full amount of the Total Payments to the Executive if the Executive makes the Company and its Affiliates whole on an after-tax basis for any adverse tax consequences imposed on the Company and its Affiliates under Section 280G of the Code as a result of paying the Total Payments to the Executive.

5.8 Section 409A.

- (a) If the Executive is a “specified employee” within the meaning of Treasury Regulation Section 1.409A-1(i) as of the date of the Executive’s Separation from Service, the Executive shall not be entitled to any payment or benefit from the Company or any of its Affiliates that constitutes “nonqualified deferred compensation” within the meaning of Section 409A of the Code until the earlier of (i) the date which is six (6) months after his or her Separation from Service for any reason other than death, or (ii) the date of the Executive’s death. The provisions of this paragraph shall only apply if, and to the extent, required to avoid the imputation of any tax, penalty or interest pursuant to Section 409A of the Code. Any amounts otherwise payable to the Executive upon or in the six (6) month period following the Executive’s Separation from Service that are not so paid by reason of this Section 5.8(a) shall be paid (without interest) as soon as practicable (and in all events within thirty (30) days) after the date that is six (6) months after the Executive’s Separation from Service (or, if earlier, as soon as practicable, and in all events within thirty (30) days, after the date of the Executive’s death).
- (b) To the extent that any reimbursement pursuant to Section 4.2 or otherwise, or any benefit pursuant to Section 5.3(a) or 5.3(b)(iii) or otherwise, is taxable to the Executive, then such payment or benefit shall be paid or provided to the Executive on or before the last day of the Executive’s

taxable year following the taxable year in which the related expense was incurred. The benefits and reimbursements described in the immediately preceding sentence are not subject to liquidation or exchange for another benefit and the amount of such benefits and reimbursement that the Executive receives in one taxable year shall not affect the amount of such benefits and reimbursement that the Executive receives in any other taxable year.

- (c) It is intended that any amounts payable under this Agreement and the Company's and the Executive's exercise of authority or discretion hereunder shall comply with and avoid the imputation of any tax, penalty or interest under Section 409A of the Code. This Agreement shall be construed and interpreted consistent with that intent.
- (d) If under this Agreement an amount is paid in two or more installments, for purposes of Section 409A of the Code, each installment shall be treated as a separate payment.

5.9 No Mitigation; No Offset. In the event of any termination of the Executive's employment hereunder, the Executive shall be under no obligation to seek other employment or otherwise mitigate the obligations of the Company or its Affiliates under this Agreement, and there shall be no offset against amounts or benefits due the Executive under this Agreement or otherwise (except as expressly set forth in Section 5.3(b)(iii) above) on account of any remuneration or other benefit earned or received by the Executive after such termination. Any amounts due under this Section 5 are considered to be reasonable by the Company and are not in the nature of a penalty.

6. Protective Covenants.

6.1 Confidential Information; Inventions

- (a) The Executive shall not disclose or use at any time, either during the Period of Employment or thereafter, any Confidential Information (as defined below) of which the Executive is or becomes aware, whether or not such information is developed by him, except to the extent that such disclosure or use is directly related to and required by the Executive's performance in good faith of duties for the Company, the Asset Management Company or their respective Affiliates. The Executive will take all appropriate steps to safeguard Confidential Information in his possession and to protect it against disclosure, misuse, espionage, loss and theft. The Executive shall deliver to the Company at the termination of the Period of Employment, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the Work Product (as hereinafter defined) of the business of the Company, the Asset Management Company or any of their respective Affiliates which the Executive may then possess or have under his control.

-
- (b) As used in this Agreement, the term “Confidential Information” means information that is not generally known to the public and that is used, developed or obtained by the Company, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Executive while employed by the Company, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the Effective Date) concerning (i) the business or affairs of the Company, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Executive in breach of this Agreement) in a form generally available to the public prior to the date the Executive proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.
- (c) As used in this Agreement, the term “Work Product” means all inventions, innovations, improvements, technical information, systems, software developments, methods, designs, analyses, drawings, reports, service marks, trademarks, trade names, logos and all similar or related information (whether patentable or unpatentable, copyrightable, registerable as a trademark, reduced to writing, or otherwise) which relates to the Company’s, the Asset Management Company’s or any of their respective Affiliates’ actual or anticipated business, research and development or existing or future products or services and which are conceived, developed or made by the Executive (whether or not during usual business hours, whether or not by the use of the facilities of the Company, the Asset Management Company or any of their respective Affiliates, and whether or not alone or in conjunction with any other person) while employed by the Company (including those conceived, developed or made prior to the Effective Date) together with all patent applications, letters patent, trademark, trade name and service mark

applications or registrations, copyrights and reissues thereof that may be granted for or upon any of the foregoing. All Work Product that the Executive may have discovered, invented or originated during his employment by the Company, the Asset Management Company or any of their respective Affiliates prior to the Effective Date, that he may discover, invent or originate during the Period of Employment or prior to the Severance Date, shall be the exclusive property of the Company, the Asset Management Company and their respective Affiliates, as applicable, and Executive hereby assigns all of Executive's right, title and interest in and to such Work Product to the Company, the Asset Management Company or their applicable Affiliates, including all intellectual property rights therein. Executive shall promptly disclose all Work Product to the Company or the Asset Management Company, shall execute at the request of the Company or the Asset Management Company any assignments or other documents the Company or the Asset Management Company may reasonably deem necessary to protect or perfect its (or any of their respective Affiliates', as applicable) rights therein, and shall assist the Company or the Asset Management Company, at the Company's or the Asset Management Company's expense, in obtaining, defending and enforcing the Company's or the Asset Management Company's (or any of their respective Affiliates', as applicable) rights therein. The Executive hereby appoints the Company and the Asset Management Company, as applicable, as his attorney-in-fact to execute on his behalf any assignments or other documents reasonably deemed necessary by the Company or the Asset Management Company to protect or perfect the Company's and the Asset Management Company's (and any of their respective Affiliates', as applicable) rights to any Work Product.

- (d) Notwithstanding anything in this Agreement or elsewhere to the contrary, the Executive may:
- (i) at any time make disclosures of documents and information (A) as reasonably appropriate in order to carry out his duties for the Company or any of its Affiliates, (B) when required to do so by law or by a court, governmental agency, legislative body, self-regulatory body, arbitrator or other governmental body with jurisdiction to order him by force of law to divulge, disclose or make accessible such information, (C) in the course of any proceeding under Section 6.7 or 14 below, or (D) in confidence to an attorney or other professional for the purpose of securing professional advice. In the event that the Executive is required to disclose any documents or information pursuant to clause (B) or (C) of the immediately preceding sentence, he shall (x) promptly give the Company notice that such disclosure is or may be made and (y) cooperate with the Company, at its reasonable request and sole expense, in seeking to protect the confidentiality of any document or information;
 - (ii) at all times retain, and utilize appropriately, (A) his rolodex and electronic equivalents (provided that his rolodex and electronic equivalents do not contain any Confidential Information) and (B) any document relating to his personal entitlements and obligations.

6.2 **Restriction on Competition.** The Executive acknowledges that, in the course of his employment with the Company, the Asset Management Company, their respective subsidiaries and/or their predecessors (the "Protected Companies"), he has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his services have been and will be of special, unique and extraordinary value to the Protected Companies. The Executive agrees that if the Executive were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for the Executive not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, the Executive will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business, on the Severance Date (provided that as of the Severance Date, to the knowledge of the Executive, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the Severance Date). For purposes of this Agreement, "Competing Business" means a Person that at any time during the Period of Employment has competed, or any time during the twelve (12) month period following the Severance Date begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing fixed annuity business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the Severance Date and any significant business the Protected Companies conduct in the twelve (12) month

period after the Severance Date (provided that as of the Severance Date, to the knowledge of the Participant, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Period of Employment through and including twelve (12) months after the Severance Date

Nothing herein shall prohibit the Executive from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Executive has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and the Executive does not provide services to, or have any responsibilities regarding, the Competing Business.

- 6.3 Non-Solicitation of Employees and Consultants.** During the Period of Employment and for a period of twenty-four (24) months after the Severance Date, the Executive will not directly or indirectly through any other Person (i) induce or attempt to induce any Person that he knows to be an employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way knowingly interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.
- 6.4 Non-Solicitation of Customers.** During the Period of Employment and for a period of twelve (12) months after the Severance Date, the Executive will not directly or indirectly through any other Person influence or attempt to influence any Person that he knows to be a customer, vendor, supplier, licensors, lessor, joint venturer, ceding company, associate, consultant, agent, or partner of the Protected Companies to divert such Person's business away from the Protected Companies, and the Executive will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any Person that he knows to be a customer, supplier, vendor, lessor, licensor, joint venturer, associate, officer, employee, consultant, manager, partner, member or investor of any Protected Company, on the other hand.
- 6.5 Non-Disparagement.** The Executive agrees that he will not at any time, during the Period of Employment or thereafter, directly or indirectly, make or ratify any statement, public or private, oral or written, to any Person that disparages, either professionally or personally, the Protected Companies or any of Person he knows to be one of their past or present directors, officers, agents, attorneys, insurers, employees, stockholders, and successors. The Executive further agrees that he will not, at any time during the Period of Employment or for twenty-four (24)

months after the Severance Date, make any statement that has the purpose or the effect of disrupting the business of the Protected Companies. The Company likewise agrees to use its best efforts to instruct its officers and directors, and those of its subsidiaries, to refrain from, during the Period of Employment or thereafter, directly or indirectly, making or ratifying any statement, public or private, oral or written, to any Person that disparages the Executive, either professionally or personally.

- 6.6 Understanding of Covenants.** The Executive represents and agrees that he (i) is familiar with and carefully considered the foregoing covenants set forth in this Section 6 (together, the "Restrictive Covenants"), (ii) is fully aware of his obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Restrictive Covenants are necessary to protect the Protected Companies' confidential and proprietary information, good will, stable workforce and customer relations, and (v) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 6 regardless of whether the Executive is then entitled to receive severance pay or benefits from any of the Protected Companies. The Executive understands that the Restrictive Covenants may limit his ability to earn a livelihood in a business similar to the business of the Protected Companies, but he nevertheless believes that he has received and will receive sufficient consideration and other benefits as an employee of the Company and as otherwise provided hereunder or as described in the recitals hereto to clearly justify such restrictions which, in any event (given his education, skills and ability), the Executive does not believe would prevent him from otherwise earning a living. The Executive agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of the Executive. The Executive shall be subject to no restrictions on his post-employment activities that are more onerous than the covenants set forth in this Agreement and/or in the Asset Management Employment Agreement.
- 6.7 Enforcement.** The Executive agrees that the Executive's services are unique and that he has access to Confidential Information and Work Product. Accordingly, without limiting the generality of Section 20, the Executive agrees that a breach by the Executive of any of the covenants in this Section 6 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Executive agrees that in the event of any breach or threatened breach of any provision of this Section 6, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 6, as the case may be, or require the Executive to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this

Section 6, if and when final judgment of a court of competent jurisdiction is so entered against the Executive. The Executive further agrees that the applicable period of time the restrictive covenants set forth in Section 6.2 through Section 6.4 are in effect following the Severance Date, as determined pursuant to such Sections, shall be extended by the same amount of time that the Executive is in breach of such restrictive covenants.

- 6.8 Breaches.** In the event that (i) the Company, or any of its Affiliates, is in material breach of any of its material obligations to the Executive on or after the Severance Date and (ii) such breach has not been fully cured within thirty (30) days after the Executive gives written notice to the Company describing such breach in reasonable detail and requesting cure, then the Executive's obligations under Sections 6.2 and 6.4 shall immediately become null and void.
7. **Withholding Taxes.** Notwithstanding anything else herein to the contrary, the Company may withhold (or cause there to be withheld, as the case may be) from any amounts otherwise due or payable under or pursuant to this Agreement such federal, state and local income, employment, or other taxes as may be required to be withheld pursuant to any applicable law or regulation.
8. **Insurance.** The Company may, for its own benefit, maintain "keyman" life and disability insurance policies covering the Executive. The Executive will cooperate with the Company and provide such information or other assistance as the Company may reasonably request in connection with the Company obtaining and maintaining such policies. The Company may also purchase a death benefit insurance policy which may (in the Company's sole discretion) be used to fund the Company's obligation to pay the Severance Payment and Bonus Severance pursuant to Section 5.3 in the event of the Executive's death.
9. **Indemnification.**
- 9.1 The Company shall indemnify the Executive should he be a party or be threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Company), by reason of the fact that he is or was (x) a Manager, officer or consultant of the Company or any of its Affiliates, or (y) is or was serving at the request of the Company as a director, officer, manager, employee, representative or agent of another corporation, limited liability company, general partnership, limited partnership, joint venture, trust, business trust or other enterprise or entity, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the Executive in connection with such action, suit or proceeding if the Executive acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall

not, of itself, create a presumption the Executive did not act in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful. Notwithstanding the foregoing, the Executive shall not be entitled to indemnification from the Company (nor any amounts provided for under Section 9.4, below) for any acts or omissions of the Executive in the Executive's role (x) as a director, officer or consultant of the Asset Management Company, or (y) as a representative or agent of the Asset Management Company.

- 9.2** To the extent that the Executive has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 9.1 or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith.
- 9.3** Any indemnification under Section 9.1 shall be made by the Company unless it has been determined upon final determination by a court of competent jurisdiction that the Executive has not met the applicable standard of conduct set forth in Section 9.1.
- 9.4** Expenses (including attorneys' fees) incurred by the Executive in defending any civil, criminal, administrative or investigative action, suit or proceeding shall be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the Executive to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Company pursuant to this Section 9.
- 9.5** The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 9 shall not be deemed exclusive of any other rights to which the Executive may be entitled under any by-law, agreement, vote of shareholders or disinterested members of the Board or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office.
- 9.6** The indemnification and advancement of expenses provided by, or granted pursuant to, this Section 9 shall continue following termination of the employment of the Executive for acts or omissions alleged to having occurred prior thereto and shall inure to the benefit of his heirs and beneficiaries and any executors and administrators.
- 9.7** Notwithstanding anything in this Section 9 to the contrary, the Company will not have the obligation of indemnifying the Executive with respect to proceedings, claims or actions initiated or brought voluntarily by the Executive and not by way of defense.
- 9.8** A directors' and officers' liability insurance policy (or policies) shall be kept in place, during the Period of Employment and thereafter until the later of (x) the sixth anniversary of the Severance Date and (y) the date on which all claims against the Executive that would otherwise be covered by such policy (or policies) become fully time-barred, providing coverage to the Executive that is no less favorable to him in any respect (including, without limitation, with respect to scope, exclusions, amounts, and deductibles) than the coverage then being provided to any other present or former senior executive, director, or manager of the Company or any of its Affiliates.

-
10. **Successors and Assigns.** This Agreement is personal to the Executive and without the prior written consent of the Company shall not be assignable by the Executive otherwise than by will or the laws of descent and distribution. This Agreement shall inure to the benefit of and be enforceable by the Executive's legal representatives. This Agreement shall inure to the benefit of and be binding upon the Company and its successors and assigns. In the event of the Executive's death or a judicial determination of his incompetence, references in this Agreement to the Executive shall be deemed, where appropriate, to be references to his executor(s), heir(s), estate, beneficiar(ies), guardian(s) or other legal representative(s).
- In the event of a reorganization of the Company as contemplated in Section 3.9 of the Shareholders Agreement, the Company and the Executive agree to make modifications to this Agreement, including, without limitation, adjustments in duties, location, Base Salary and Incentive Bonus to the extent needed as a result of such reorganization; provided that any such adjustments will be made in a manner that will not, in the aggregate, reduce the compensation and benefits that existed prior to the reorganization.
11. **Number and Gender; Examples.** Where the context requires, the singular shall include the plural, the plural shall include the singular, and any gender shall include all other genders. Where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates.
12. **Section Headings.** The section headings of, and titles of paragraphs and subparagraphs contained in, this Agreement are for the purpose of convenience only, and they neither form a part of this Agreement nor are they to be used in the construction or interpretation thereof.
13. **Governing Law.** THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH ITS EXPRESS TERMS, AND OTHERWISE IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF NEW YORK OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF NEW YORK WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS

AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

14. **Arbitration.** Except for suits seeking solely injunctive relief or specific performance or as otherwise prohibited by law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement, the Executive's employment with the Company or any of its Affiliates, any termination of such employment, or the arbitrability of any controversy or claim relating to any of the foregoing, will be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claims. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules for the Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in the State of New York before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator will be final, conclusive, unappealable and binding on the parties. The arbitration proceeding shall be confidential except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.
15. **Severability.** It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced as written to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court or arbitrator of competent jurisdiction to be invalid, prohibited or unenforceable under any present or future law, and if the rights and obligations of any party under this Agreement will not be materially and adversely affected thereby, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction, and to this end the provisions of this Agreement are declared to be severable; furthermore, in lieu of such invalid or unenforceable provision there will be added automatically as a part of this Agreement, a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision: as may be possible. Notwithstanding the foregoing, if such provision could be more narrowly drawn (as to geographic scope, period of duration or otherwise) so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.
16. **Entire Agreement.** This Agreement embodies the entire agreement of the parties hereto with respect to the matters specifically addressed in it. This Agreement supersedes all prior and contemporaneous agreements of the parties hereto that are inconsistent with

its terms. Any prior negotiations, correspondence, agreements, proposals or understandings that are inconsistent with the terms of this Agreement shall be deemed to have been merged into this Agreement, and to the extent inconsistent herewith, such negotiations, correspondence, agreements, proposals, or understandings shall be deemed to be of no force or effect. There are no representations, warranties, or agreements, whether express or implied, or oral or written, with respect to the subject matter hereof, except as expressly set forth herein. Nothing in this Agreement shall, however, affect rights of either Party under the Original Agreement, or under any other Company Arrangement, that have already accrued as of the date of this Agreement. In the event of any inconsistency between any provision of this Agreement and any provision of any other Company Arrangement, the provisions of this Agreement shall control unless the Executive and the Company otherwise agrees in a writing that expressly refers to the provision of this Agreement whose control he and it are waiving.

17. **Modifications.** This Agreement may not be amended, modified or changed (in whole or in part), except by a formal, definitive written agreement expressly referring to this Agreement, which agreement is executed by both of the parties hereto.
18. **Waiver.** Neither the failure nor any delay on the part of a party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.
19. **Waiver of Jury Trial.** EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.
20. **Remedies.** Each of the parties to this Agreement and any such person or entity granted rights hereunder whether or not such person or entity is a signatory hereto shall be entitled to enforce its rights under this Agreement specifically to recover damages for any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that each party may in its sole discretion (except as otherwise provided in Section 14, above) apply to any court of law or equity of competent jurisdiction for specific performance, injunctive relief and/or other appropriate equitable relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Agreement. Each party shall be responsible for paying its own attorneys' fees, costs and other expenses pertaining to any such legal proceeding and enforcement regardless of whether an award or finding or any judgment or verdict thereon is entered against either party.

21. **Notices.** Any notice provided for in this Agreement must be in writing and must be either personally delivered, transmitted via telecopier and receipt acknowledged, mailed by first class mail (postage prepaid and return receipt requested and received) or sent by reputable overnight courier service (charges prepaid and return receipt requested and received) to the recipient at the address below indicated or at such other address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party. Notices will be deemed to have been given hereunder and received when delivered personally, when received if transmitted via telecopier, five days after deposit in the U.S. mail and one day after deposit with a reputable overnight courier service.

FORM OF RELEASE¹

This Release (this "Release") is entered into this day of 20 , by James R. Belardi, an individual ("Executive"), for the benefit of Athene Holding Ltd., a Bermuda exempted company limited by shares (the "Company") and certain other releasees described in this Release.

WHEREAS, Executive has been employed by the Company or one of its affiliates; and

WHEREAS, Executive's employment by the Company has terminated and, in connection with the Amended and Restated Employment Agreement dated as of February , 2013, by and between the Executive and the Company, as amended from time to time in accordance with its terms (the "Employment Agreement"), the Executive desires to enter into this Release upon the terms set forth herein;

NOW, THEREFORE, in consideration of the covenants undertaken and the releases contained in this Release, and in consideration of the obligations of the Company (or one of its subsidiaries) to pay severance benefits (conditioned upon this Release) under and pursuant to the Employment Agreement, Executive agrees as follows:

1. **Termination of Employment.** Executive's employment with the Company terminated on [,] (the "Separation Date"). Executive waives any right or claim to reinstatement as an employee of the Company and each of its affiliates. Executive hereby confirms that Executive does not hold any position as an officer, director, employee, member, manager and in any other capacity with the Company and each of its parents, subsidiaries and other affiliates, other than positions in which he has been requested in writing by the Company to continue.

2. **Release.** Executive, on behalf of himself or herself, his or her descendants, dependents, heirs, executors, administrators, assigns, and successors, and each of them, hereby covenants not to sue and fully releases and discharges the Company, Athene Asset Management LLC ("Athene Asset Management"), their parents, subsidiaries and affiliates, past and present, as well as each of their trustees, directors, officers, members, managers, partners, agents, attorneys, insurers, employees, stockholders, representatives, assigns, and successors, past and present, and each of them, hereinafter together and collectively referred to as the "Releasees," with respect to and from any and all claims, wages, demands, rights, liens, agreements or contracts (written or oral), covenants, actions, suits, causes of action, obligations, debts, costs, expenses, attorneys' fees, damages, judgments, orders and liabilities of whatever kind or nature in law, equity or otherwise, whether now known or unknown, suspected or unsuspected, and whether or not concealed or hidden (each, a "Claim"), which he or she now owns or holds or he or she has at any time heretofore owned or held or may in the future hold as against any of said Releasees (including, without limitation, any Claim arising out of or in any way connected with Executive's service as an officer, director, employee, member or manager of any Releasee,

¹ The Company reserves the right to modify this form to the extent provided in Section 5.4(a) of the Employment Agreement.

Executive's separation from his or her position as an officer, director, employee, manager and/or member, as applicable, of any Releasee, or any other transactions, occurrences, acts or omissions or any loss, damage or injury whatever), whether known or unknown, suspected or unsuspected, resulting from any act or omission by or on the part of said Releasees, or any of them, committed or omitted prior to the date of this Release including, without limiting the generality of the foregoing, any Claim under Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act, the Family and Medical Leave Act of 1993, or any other federal, state or local law, regulation, or ordinance, or any Claim for severance pay, bonus, sick leave, holiday pay, vacation pay, life insurance, health or medical insurance or any other fringe benefit, workers' compensation or disability (the "Release"); provided, however, that the foregoing Release does not apply to any obligation of any Releasee to Executive pursuant to any of the following: (1) any equity-based awards granted to Executive by the Company, Athene Asset Management or any of their respective parents, subsidiaries or affiliates, to the extent that such awards continue after the termination of Executive's employment in accordance with the applicable terms of such awards (and subject to any period in which to exercise such awards following such termination of employment); (2) any right to indemnification, or advancement of expenses subject to indemnification, that Executive may have pursuant to the bylaws, certificate of incorporation, operating agreement, written indemnification agreement or similar governing document of the Company, Athene Asset Management, or any of their respective parents, subsidiaries or affiliates, or under applicable law (including but not limited to attorneys' fees to the extent otherwise provided); (3) with respect to any rights that Executive may have to insurance coverage for such losses, damages or expenses under any directors and officers liability insurance policy of the Company, Athene Asset Management or any of their respective parents, subsidiaries or affiliates; (4) any rights to continued medical or dental coverage that Executive may have under COBRA (or similar applicable state law); (5) any rights to benefits under Section 5.3 of the Employment Agreement in accordance with the terms of the Employment Agreement; (6) any rights to benefits under Section 5.3 of Executive's Employment Agreement with Athene Asset Management dated as of February 2, 2013 in accordance with the terms of such employment agreement; or (7) any rights to payment of benefits that Executive may have under a retirement plan sponsored or maintained by the Company, Athene Asset Management or any of their respective parents, subsidiaries or affiliates that is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended. In addition, this Release does not cover (a) any Claim that cannot be so released as a matter of applicable law, (b) any Claim against any Releasee (other than the Company and its affiliates) that neither arises out of, nor relates to, Executive's employment with the Company or the termination thereof, or (c) if Executive continues to be an employee of Athene Asset Management following the date hereof, any Claim against Athene Asset Management or any of its affiliates that arises out of, or relates to, Executive's employment with Athene Asset Management, or any termination thereof.

3. Section 1542 Waiver. It is the intention of Executive in executing this Release that the same shall be effective as a bar to each and every Claim hereinabove specified. In furtherance of this intention, Executive hereby expressly waives any and all rights and benefits conferred upon him or her by the provisions of SECTION 1542 OF THE CALIFORNIA CIVIL CODE or any similar applicable law of any other state and expressly consents that this Release (including, without limitation, the Release set forth above) shall be given full force and effect according to each and all of its express terms and provisions, including those related to unknown and unsuspected Claims, if any, as well as those relating to any other Claims hereinabove specified. SECTION 1542 OF THE CALIFORNIA CIVIL CODE provides:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

Executive acknowledges that he or she may hereafter discover Claims or facts in addition to or different from those which Executive now knows or believes to exist with respect to the subject matter of this Release and which, if known or suspected at the time of executing this Release, may have materially affected this settlement. Nevertheless, Executive hereby waives any right, Claim or cause of action that might arise as a result of such different or additional Claims or facts. Executive acknowledges that he or she understands the significance and consequences of such release and such specific waiver of SECTION 1542 OF THE CALIFORNIA CIVIL CODE and any similar applicable law of any other state.

4. ADEA Waiver. Executive expressly acknowledges and agrees that by entering into this Release, Executive is waiving any and all rights or Claims that he or she may have arising under the Age Discrimination in Employment Act of 1967, as amended (the "ADEA"), which have arisen on or before the date of execution of this Release. Executive further expressly acknowledges and agrees that:

A. In return for this Release, Executive will receive consideration beyond that which Executive was already entitled to receive before entering into this Release;

B. Executive is hereby advised in writing by this Release to consult with an attorney before signing this Release;

C. Executive has voluntarily chosen to enter into this Release and has not been forced or pressured in any way to sign it;

D. Executive was informed that he or she had [twenty one (21)/forty five (45)] days within which to consider this Release and that if he or she wished to execute this Release prior to expiration of such [21-day/45-day] period, he or she should execute the Endorsement attached hereto;²

E. Executive was informed that he or she had seven (7) days following the date of execution of this Release in which to revoke this Release, and this Release will become null and void if Executive elects revocation during that time. Any revocation must be in writing and must be received by the Company during the seven-day revocation period. In the event that Executive exercises his or her right of revocation, neither the Company nor Executive will have any obligations under this Release;

F. Nothing in this Release prevents or precludes Executive from challenging or seeking a determination in good faith of the validity of this waiver under the ADEA, nor does it impose any condition precedent, penalties or costs from doing so, unless specifically authorized by federal law.

² Whether Executive has 21 days, 45 days, or some other period in which to consider the Release will be determined with reference to the requirements of the ADEA in order for such waiver to be valid in the circumstances.

6. Severability. It is the desire and intent of the parties hereto that the provisions of this Release be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Release shall be adjudicated by an arbitrator or a court of competent jurisdiction to be invalid, prohibited or unenforceable under any present or future law, and if the rights and obligations of any party under this Release will not be materially and adversely affected thereby, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Release or affecting the validity or enforceability of such provision in any other jurisdiction, and to this end the provisions of this Release are declared to be severable; furthermore, in lieu of such invalid or unenforceable provision there will be added automatically as a part of this Release, a legal, valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible. Notwithstanding the foregoing, if such provision could be more narrowly drawn (as to geographic scope, period of duration or otherwise) so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Release or affecting the validity or enforceability of such provision in any other jurisdiction.

7. Counterparts. This Release may be executed in any number of counterparts, each of which shall be deemed an original as against any party whose signature appears thereon, and all of which together shall constitute one and the same instrument. Release by operation of law or otherwise. In the event of Executive's death or a judicial determination of his incompetence, references in this Release to Executive shall be deemed, where appropriate, to be references to his executor(s), guardian(s), or other legal representative(s).

9. Governing Law. **THIS RELEASE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW OR CONFLICTING PROVISION OR RULE (WHETHER OF THE STATE OF NEW YORK OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF NEW YORK TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF NEW YORK WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.**

10. Modifications. This Release may not be amended, modified or changed (in whole or in part), except by a formal, definitive written agreement expressly referring to this Release, which agreement is executed by both of the parties hereto.

11. Waiver. Neither the failure nor any delay on the part of a party to exercise any right, remedy, power or privilege under this Release shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver shall be effective unless it is in writing and is signed by the party asserted to have granted such waiver.

12. Section Headings. The section headings of, and titles of paragraphs and subparagraphs contained in, this Release are for the purpose of convenience only, and they neither form a part of this Release nor are they to be used in the construction or interpretation thereof.

The language used in this Release shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party.

14. Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

15. Number and Gender; Examples. Where the context requires, the singular shall include the plural, the plural shall include the singular, and any gender shall include all other

genders. Where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates.

16. No Wrongdoing. This Release does not constitute an adjudication or finding on the merits and it is not, and shall not be construed as, an admission or acknowledgment by any party of any violation of any policy, procedure, state or federal law or regulation, or any unlawful or improper act or conduct, all of which is expressly denied. Moreover, neither this Release nor anything in this Release shall be construed to be, or shall be, admissible in any proceeding as evidence of or an admission by any party of any violation of any policy, procedure, state or federal law or regulation, or any unlawful or improper act or conduct. This Release may be introduced, however, in any proceeding to enforce this Release or the Employment Agreement.

17. Legal Counsel; Mutual Drafting. Each party recognizes that this is a legally binding contract and acknowledges and agrees that they have had the opportunity to consult with legal counsel of their choice. Each party has cooperated in the drafting, negotiation and preparation of this Release. For the purposes of this clause, Group Company means and includes any company which is from time to time a holding company (as defined by Section 86 of the Companies Act 1981, but irrespective of whether it is a Bermuda company or an overseas company) of the Company, a subsidiary company (as so defined) of the Company, a subsidiary company (as so defined) of a holding company (as so defined) of the Company or in which the Company owns at least 50% of the issued share capital.

You agree that your Services are unique and that you have access to Confidential Information and Work Product. Accordingly, you agree that your breach of any of the covenants in this Section VII would cause immediate or irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, you agree that in the event of any breach or threatened breach of any provision of this Section VII, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in any jurisdiction the Company deems appropriate in order to enforce or prevent any violations of the provisions of this Section VII, as the case may be, or require you to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section VII, if and when final judgment of a court of competent jurisdiction is so entered against you. You further agree that the applicable period of time any Restrictive Covenant is in effect following the date of your termination of employment, as determined pursuant to the foregoing provisions of this Section VII, such period of time shall be extended by the same amount of time that you are in breach of any Restrictive Covenant.

3.2 Procedures.

The Committee shall adopt such rules and regulations as it shall deem appropriate concerning the holding of meetings and the administration of the Plan. A majority of the Committee shall constitute a quorum and the actions of the entire Committee present at a meeting, or actions approved in writing by the entire Committee, shall be the actions of the Committee.

3.3 Interpretation; Powers of Committee.

Except as may otherwise be expressly reserved to the Board as provided herein, and with respect to any Award, except as may otherwise be provided in the Award Agreement evidencing such Award or an employment or consulting agreement between the Participant and Company, the Committee shall have all powers with respect to the administration of the Plan, including the authority to:

- (a) determine eligibility and the particular persons or classes of persons who will receive Awards;
- (b) grant Awards to eligible persons or eligible classes of persons, determine the price and number of securities to be offered or awarded to any of such persons, determine the other specific terms and conditions of Awards consistent with the express limits of the Plan, establish the installments (if any) in which such Awards will become exercisable or will vest and the respective consequences thereof (or determine that no delayed exercisability or vesting is required), and establish the events of termination or reversion of such Awards;

(c) approve the forms of Award Agreements, which need not be identical either as to type of Award or among Participants;

(d) construe and interpret the provisions of the Plan and any Award Agreement or other agreement defining the rights and obligations of the Company and Participants under the Plan, make factual determinations with respect to the administration of the Plan, further define the terms used in the Plan, and prescribe, amend and rescind rules and regulations relating to the administration of the Plan;

3.4 Powers of the Chief Executive Officer.

Subject to the Committee's approval, the Company's Chief Executive Officer may recommend terms and conditions of Awards to the Committee, but shall not have the authority to approve any Awards.

3.5 Compliance with Code Section 162(m).

In the event the Company becomes a "publicly-held corporation" as defined in Code §162(m)(2), the Company may establish a committee of outside directors meeting the requirements of Code §162(m)(2) to (i) approve Awards that might reasonably be anticipated to result in the payment of employee remuneration that would otherwise exceed the limit on employee remuneration deductible for income tax purposes by the Company pursuant to Code §162(m); and (ii) administer the Plan. In such event, the powers reserved to the Committee in the Plan shall be exercised by such compensation committee. In addition, Awards under the Plan may be granted upon satisfaction of the conditions to such grants provided pursuant to Code §162(m) and any Treasury Regulations promulgated thereunder.

3.6 Number of Shares.

Subject to the provisions of Article X (relating to adjustments upon changes in capital structure and other corporate transactions), the aggregate number of Shares with respect to which Awards may be granted under the Plan shall not exceed the Reserved Shares. Shares that are subject to or underlie Options granted under the Plan that expire or for any reason are canceled or terminated without having been exercised (or Shares subject to or underlying the unexercised

portion of any Options, in the case of Options that were partially exercised at the time of their expiration, cancellation or termination), as well as Shares that are subject to Share Awards made under the Plan that are not actually purchased pursuant to such Share Awards and Shares that are subject to Restricted Shares or Restricted Share Units that are forfeited, will again, except to the extent prohibited by law or applicable listing or regulatory requirements, be available for subsequent Award grants under the Plan.

Each such person to whom an Award is granted under the Plan is referred to herein as a "Participant."

ARTICLE V

SHARE OPTIONS

5.1 General.

Options may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Each Option granted under the Plan shall be designated as an NSO and shall be subject to the terms and conditions applicable to NSOs set forth in the Plan. Each Option shall be evidenced by an Award Agreement incorporating the terms and provisions of the Plan that shall be executed by the Company and the Participant. The Award Agreement shall specify the number of Shares for which such Option shall be exercisable, the Option Price (as defined in Section 5.4 below) for such Shares and the other terms and conditions of the Option.

5.2 Vesting.

The Committee, in its sole discretion, shall determine and set forth such determination in the Award Agreement whether and to what extent any Options are subject to vesting based upon the Participant's continued service to, or the Participant's performance of duties for, the Company, any of its Subsidiaries or the Asset Management Company, or upon any other basis.

5.3 Date of Grant.

Except as may be otherwise provided in an Award Agreement, the date of grant of an Option under this Plan shall be the date as of which the Committee approves the grant.

5.4 Option Price.

The Option Price shall be determined by the Committee and set forth in the Award Agreement. In no event, however, may the Committee determine an Option Price that is less than the Fair Market Value of the Share on the date of grant.

5.5 Automatic Termination of Options

Each Option granted under the Plan, to the extent not previously exercised, shall automatically terminate and shall become null and void and be of no further force or effect upon such date or dates as are set forth in the applicable Award Agreement, consistent with the terms of the Plan.

5.6 Payment of Option Price.

The aggregate Option Price shall be paid in cash (by wire transfer of immediately available funds to a bank account of the Company designated by the Committee or by delivery of a personal or certified check payable to the Company); provided that the Committee may, in its sole discretion, specify one or more of the following other forms of payment which may be used by a Participant (but only to the extent permitted by applicable law) upon exercise of his or her Option:

(a) by surrender of Shares (by delivery of such shares or by attestation) with a Fair Market Value equal to the Option Price which were obtained by the Participant in the public market (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act);

(b) to the extent permitted by applicable law, in compliance with any cashless exercise program authorized by the Board or the Committee for use in connection with the Plan at the time of such exercise (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act); or

(c) a combination of the methods set forth in this Section 5.6.

5.7 Notice of Exercise.

A Participant (or other person, as provided in Section 11.2) may exercise an Option (for the Shares represented thereby) granted under the Plan in whole or in part (but for the purchase of whole Shares only), as provided in the Award Agreement evidencing his or her Option, by delivering a written notice (the "Notice") to the Secretary of the Company. The Notice shall state:

(a) that the Participant elects to exercise the Option;

(b) the number of Shares with respect to which the Option is being exercised (the "Option Shares");

-
- (c) the method of payment for the Option Shares (which method must be available to the Participant under the terms of his or her Award Agreement);
 - (d) the date upon which the Participant desires to consummate the purchase of the Option Shares (which date must be prior to the termination of such Option); and
 - (e) any additional provisions consistent with the Plan as the Committee may from time to time require.

The exercise date of an Option shall be the date on which the Company receives the Notice from the Participant and, if applicable, payment of the aggregate Option Price for such Shares. Such Notice shall also contain, and any such exercise shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

Notwithstanding anything to the contrary herein or in any Award Agreement, an Option may only be exercised in an amount proportionate (determined with reference to the total number of Shares originally subject to the Award as may be adjusted pursuant to Article X) to the extent the Investors have then funded the Total Commitment relative to the aggregate Total Commitment.

5.8 Issuance of Certificates.

The Company shall issue share certificates in the name of the Participant (or other person exercising the applicable Option in accordance with the provisions of Section 11.2), representing the Shares purchased upon exercise of the Option as soon as practicable after receipt of the Notice and, if applicable, payment of the aggregate Option Price for such Shares; provided that the Company, in its sole discretion, may elect not to issue any fractional Shares upon the exercise of an Option (determining the fractional Shares after aggregating all Shares issuable to a single holder as a result of an exercise of an Option for more than one Share) and, in lieu of issuing such fractional Shares, shall pay the Participant the Fair Market Value thereof as determined by the Board in good faith. Neither the Participant nor any person exercising an Option in accordance with the provisions of Section 11.2 shall have any privileges as a shareholder of the Company with respect to any Shares issuable upon exercise of an Option granted under the Plan until the date of issuance of share certificates representing such Shares pursuant to this Section 5.8.

ARTICLE VI
SHARE AWARDS

6.1 General.

Share Awards may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Each Share Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The Award Agreement shall specify the terms and conditions of the Share Award, including without limitation the number of Shares covered by the Share Award, the Purchase Price (as defined in Section 6.2 below), if any, for such Shares and the deadline for the purchase of such Shares.

6.2 Purchase Price; Payment.

The price (the "Purchase Price"), if any, at which each Share covered by the Share Award may be purchased upon exercise of a Share Award shall be determined by the Committee and set forth in the applicable Award Agreement. The Company will not be obligated to issue certificates evidencing Shares purchased under this Article VI unless and until it receives full payment of the aggregate Purchase Price therefor and all other conditions to the purchase, as reasonably determined by the Committee, have been satisfied. The Purchase Price of any Shares subject to a Share Award must be paid in full at the time of the purchase.

6.3 Adoption Agreement.

Each Share Award shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable. In addition, to the extent determined applicable by the Committee, each Share Award shall be contingent upon the relevant Participant executing a Participant Subscription Agreement in form and substance satisfactory to the Board.

ARTICLE VII
RESTRICTED SHARES

7.1 General.

Restricted Shares may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the time or times at which grants of Restricted Shares will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 7.3.

The Committee may, prior to grant, condition the vesting of Restricted Shares upon continued service of the Participant, upon the Participant's performance of duties or upon any other basis. The provisions of Restricted Share Awards need not be the same with respect to each recipient.

7.2 Awards and Certificates.

Restricted Shares shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more share certificates. Any certificate issued in respect of Restricted Shares shall be registered in the name of such Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The sale or other transfer of Shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the AMENDED AND RESTATED ATHENE HOLDING LTD., 2009 SHARE INCENTIVE PLAN, in an Award Agreement and in a Shareholders Agreement. A copy of the Plan, such Award Agreement and such Shareholders Agreement may be obtained from ATHENE HOLDING LTD.”

The Committee may require that the certificates evidencing such Shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Shares, the Participant shall have delivered a share power, endorsed in blank, relating to the Shares covered by such Award.

7.3 Terms and Conditions.

Restricted Shares shall be subject to the following terms and conditions:

(a) Subject to the provisions of the Plan and the Award Agreement referred to in Section 7.3(d), and except as otherwise permitted under the Shareholders Agreement, during the restricted period, the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber unvested Restricted Shares. Within these limits, the Committee may provide for the lapse of restrictions based upon period of service in installments or otherwise and may accelerate or waive, in whole or in part, restrictions based upon period of service, performance or other criteria as the Committee may determine.

(b) Except as provided in the Award Agreement, the Participant shall not have, with respect to the Restricted Shares, any of the rights of a shareholder of the Company holding the class or series of Shares that is the subject of the Restricted Shares, including, if applicable, the right to vote the Shares and the right to receive any cash dividends, unless and until such Restricted Shares have vested in accordance with their terms and the respective terms of the related Award Agreement, the Shareholders Agreement and the Bye-Laws.

(c) If and when any applicable restricted period expires without a prior forfeiture of Restricted Shares, with respect to Shares having associated legended certificates, unlegended certificates for such Shares shall be delivered to the Participant that no longer reference such forfeiture provisions (but continue to reference the Shareholders Agreement and include any other legends that may be required by law) upon surrender of the legended certificates.

(d) Each Award of Restricted Shares shall be confirmed by, and be subject to, the terms of an Award Agreement.

(e) Each Award of Restricted Shares shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

ARTICLE VIII

RESTRICTED SHARE UNITS

8.1 Nature of Award.

Restricted Share Units are Awards denominated in Shares that will be settled, subject to the terms and conditions of the Restricted Share Units, either by delivery of Shares to the Participant or by the payment of cash based upon the Fair Market Value of a specified number of Shares. Restricted Share Units may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the time or times at which grants of Restricted Share Units will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 8.2.

8.2 Terms and Conditions.

The Committee may, in connection with the grant of Restricted Share Units, condition the vesting thereof upon the continued service of the Participant to, or the Participant's performance of duties for, the Company, its Subsidiaries or the Asset Management Company. Each Award of Restricted Share Units shall be confirmed by, and be subject to, the terms of an Award Agreement. The applicable Award Agreement shall specify the consequences for the Restricted Share Units of the Participant's Termination of Relationship. An Award of Restricted Share Units shall be settled as and when the Restricted Share Units vest or at a later time specified by the Committee or in accordance with an election of the Participant, if the Committee so permits. Restricted Share Units may not be sold, assigned, transferred, pledged or otherwise encumbered until they are settled, except to the extent provided in the applicable Award Agreement in the event of the Participant's death. Restricted Share Units that are settled for Shares shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

ARTICLE IX

OTHER SHARE-BASED AWARDS

Other Awards of Shares and other Awards that are valued in whole or in part by reference to, or are otherwise based upon, Shares, including (without limitation) dividend equivalents and convertible debentures, may be granted under the Plan. The Committee shall determine the time or times at which grants of such Awards will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, consistent with the terms of the Plan.

ARTICLE X

ADJUSTMENTS

10.1 Changes in Capital Structure.

In the event of an extraordinary share dividend, share split, reverse share split, share combination, or recapitalization or similar event affecting the capital structure of the Company, an extraordinary cash dividend, separation, spinoff or a reorganization (each, an "Adjustment Event"), then the Committee or the Board shall make substitutions or adjustments to: (A) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (B) the number and kind of Shares or other securities subject to outstanding Awards; (C) performance metrics and targets underlying outstanding Awards; and (D) the Option Price of outstanding Options, in each case, to the extent (if any) necessary to preserve (but not increase) the level of incentives by this Plan and the then-outstanding Awards. In the event of a merger, consolidation, acquisition of property or shares, share rights offering, liquidation, disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a "Corporate Transaction"), then the Committee or the Board shall make substitutions or adjustments to: (w) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (x) the number and kind of Shares or other securities subject to outstanding Awards; (y) performance metrics and targets underlying outstanding Awards; and (z) the Option Price of outstanding Options, in each case, to the extent (if any) necessary to preserve (but not increase) the level of incentives by this Plan and the then-outstanding Awards. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which shareholders of Shares receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the Option Price of such Option shall conclusively be deemed valid); and (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards.

10.2 Special Rules.

The following rules shall apply in connection with Section 10.1 above:

(a) No adjustment shall be made for cash dividends (except as described in Section 10.1) or any new issuance of securities by the Company (including the issuance of Excluded Securities) for consideration (except in connection with a Corporate Transaction).

(b) The determination as to whether any adjustment referred to in Section 10.1 is needed and the extent and nature of any such adjustment shall be made by the Committee or the Board in its discretion and shall, absent manifest error, be conclusive and binding on all Persons holding any Awards granted under the Plan.

10.3 Adjustment and Continuation of Awards.

If a Sale of the Company occurs, the parties to the Sale of the Company may agree that any Option, Shares, Restricted Shares, Restricted Share Units or other Award outstanding under the Plan immediately prior to the consummation of the Sale of the Company shall, at the effective time of the Sale of the Company, be assumed and continued on substantially the same vesting and other terms and conditions as a like Award with respect to shares of common stock of the successor or acquiring company (or a parent company). If an Option is assumed, the number of shares and exercise or base price per share covered by the assumed Award will be adjusted in accordance with the principles set forth in Sections 1.424-1(a)(5) and 1.409A-1(b)(5)(v)(D) of the Treasury Regulations. If a Restricted Share, Restricted Share Unit or other Award is assumed, the number of shares covered by the assumed Award will be a whole number that reflects the exchange ratio or value of the transaction consideration applicable with respect to holders of Shares in connection with the Sale of the Company.

10.4 Termination of Awards.

Any Award outstanding under the Plan immediately prior the consummation of a Sale of the Company that is not assumed pursuant to the preceding section will be terminated at the effective time of the Sale of the Company. If the terminated Award is an Option, then the holder of such Option will be entitled to receive at the effective time of the Sale of the Company a single sum payment equal to the excess, if any, of the transaction value of the Shares that are then covered by the Award over the aggregate Option Price for such Options, only to the extent that such Option was vested on the date of the Sale of the Company. No consideration will be payable in respect of the termination of an Option with a Option Price that is not more than the transaction value per Share or with regard to any Option that is unvested on the date of the Sale of the Company. The amount payable with respect to the termination of an outstanding Option pursuant to this section will be paid in cash, unless the parties to the Sale of the Company agree that some or all of such amount will be payable in the form of shares of common stock of the successor or acquiring company (or a parent company).

ARTICLE XI

RESTRICTIONS ON AWARDS

11.1 Compliance With Securities Laws.

No Awards shall be granted under the Plan, and no Shares shall be issued and delivered pursuant to Awards granted under the Plan, unless and until the Company and/or the Participant shall have complied with all applicable Federal, state or foreign registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the delivery of any Shares pursuant to any Award granted under the Plan, require the applicable Participant (i) to represent in writing that the Shares received pursuant to such Award are being acquired for investment and not with a view to distribution and (ii) to make such other representations and warranties as are deemed reasonably appropriate by the Committee. No Participant or beneficiary of a Participant will have any claim against the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates as a result of any corporate action.

ARTICLE XII

The Plan may be modified or amended in any respect, and at any time or from time to time, by the Board or by the Committee with the prior approval of the Board. Notwithstanding the foregoing, the Plan may not be modified or amended as it pertains to any existing Award Agreement without the consent of an applicable Participant where such modification or amendment would materially impair the rights of such Participant, it being understood that the modification of Option Price, exercise period, purchase price, repurchase price or vesting terms shall be deemed to materially impair the rights of Participants, unless such modifications are made pursuant to Article X. In addition, no such amendment shall be made without the approval of the Company's shareholders to the extent such approval is required by applicable law or regulation or the listing standards of the securities exchange, that is, at the applicable time, the principal market for the Shares.

The Option Price shall be determined by the Committee and set forth in the Award Agreement. In no event, however, may the Committee determine an Option Price that is less than the Fair Market Value of the Share on the date of grant.

5.5 Automatic Termination of Options.

Each Option granted under the Plan, to the extent not previously exercised, shall automatically terminate and shall become null and void and be of no further force or effect upon such date or dates as are set forth in the applicable Award Agreement, consistent with the terms of the Plan.

5.6 Payment of Option Price.

The aggregate Option Price shall be paid in cash (by wire transfer of immediately available funds to a bank account of the Company designated by the Committee or by delivery of a personal or certified check payable to the Company); provided that the Committee may, in its sole discretion, specify one or more of the following other forms of payment which may be used by a Participant (but only to the extent permitted by applicable law) upon exercise of his or her Option:

- (a) by surrender of Shares (by delivery of such shares or by attestation) with a Fair Market Value equal to the Option Price which were obtained by the Participant in the public market (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act);
- (b) to the extent permitted by applicable law, in compliance with any cashless exercise program authorized by the Board or the Committee for use in connection with the Plan at the time of such exercise (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act); or
- (c) a combination of the methods set forth in this Section 5.6.

5.7 Notice of Exercise.

A Participant (or other person, as provided in Section 11.2) may exercise an Option (for the Shares represented thereby) granted under the Plan in whole or in part (but for the purchase of whole Shares only), as provided in the Award Agreement evidencing his or her Option, by delivering a written notice (the "Notice") to the Secretary of the Company. The Notice shall state:

- (a) that the Participant elects to exercise the Option;
- (b) the number of Shares with respect to which the Option is being exercised (the "Option Shares");

-
- (c) the method of payment for the Option Shares (which method must be available to the Participant under the terms of his or her Award Agreement);
 - (d) the date upon which the Participant desires to consummate the purchase of the Option Shares (which date must be prior to the termination of such Option); and
 - (e) any additional provisions consistent with the Plan as the Committee may from time to time require.

The exercise date of an Option shall be the date on which the Company receives the Notice from the Participant and, if applicable, payment of the aggregate Option Price for such Shares. Such Notice shall also contain, and any such exercise shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

Notwithstanding anything to the contrary herein or in any Award Agreement, an Option may only be exercised in an amount proportionate (determined with reference to the total number of Shares originally subject to the Award as may be adjusted pursuant to Article X) to the extent the Investors have then funded the Total Commitment relative to the aggregate Total Commitment.

5.8 Issuance of Certificates.

The Company shall issue share certificates in the name of the Participant (or other person exercising the applicable Option in accordance with the provisions of Section 11.2), representing the Shares purchased upon exercise of the Option as soon as practicable after receipt of the Notice and, if applicable, payment of the aggregate Option Price for such Shares; provided that the Company, in its sole discretion, may elect not to issue any fractional Shares upon the exercise of an Option (determining the fractional Shares after aggregating all Shares issuable to a single holder as a result of an exercise of an Option for more than one Share) and, in lieu of issuing such fractional Shares, shall pay the Participant the Fair Market Value thereof as determined by the Board in good faith. Neither the Participant nor any person exercising an Option in accordance with the provisions of Section 11.2 shall have any privileges as a shareholder of the Company with respect to any Shares issuable upon exercise of an Option granted under the Plan until the date of issuance of share certificates representing such Shares pursuant to this Section 5.8.

ARTICLE VI
SHARE AWARDS

6.1 General.

Share Awards may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Each Share Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The Award Agreement shall specify the terms and conditions of the Share Award, including without limitation the number of Shares covered by the Share Award, the Purchase Price (as defined in Section 6.2 below), if any, for such Shares and the deadline for the purchase of such Shares.

6.2 Purchase Price; Payment

The price (the "Purchase Price"), if any, at which each Share covered by the Share Award may be purchased upon exercise of a Share Award shall be determined by the Committee and set forth in the applicable Award Agreement. The Company will not be obligated to issue certificates evidencing Shares purchased under this Article VI unless and until it receives full payment of the aggregate Purchase Price therefor and all other conditions to the purchase, as reasonably determined by the Committee, have been satisfied. The Purchase Price of any Shares subject to a Share Award must be paid in full at the time of the purchase.

6.3 Adoption Agreement.

Each Share Award shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable. In addition, to the extent determined applicable by the Committee, each Share Award shall be contingent upon the relevant Participant executing a Subscription Agreement in form and substance satisfactory to the Board.

ARTICLE VII
RESTRICTED SHARES

7.1 General.

Restricted Shares may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the time or times at which grants of Restricted Shares will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 7.3.

The Committee may, prior to grant, condition the vesting of Restricted Shares upon continued service of the Participant, upon the Participant's performance of duties or upon any other basis. The provisions of Restricted Share Awards need not be the same with respect to each recipient.

7.2 Awards and Certificates.

Restricted Shares shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more share certificates. Any certificate issued in respect of Restricted Shares shall be registered in the name of such Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The sale or other transfer of Shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the AMENDED AND RESTATED ATHENE HOLDING LTD., 2012 SHARE INCENTIVE PLAN, in an Award Agreement and in a Shareholders Agreement. A copy of the Plan, such Award Agreement and such Shareholders Agreement may be obtained from ATHENE HOLDING LTD.”

The Committee may require that the certificates evidencing such Shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Shares, the Participant shall have delivered a share power, endorsed in blank, relating to the Shares covered by such Award.

7.3 Terms and Conditions.

Restricted Shares shall be subject to the following terms and conditions:

(a) Subject to the provisions of the Plan and the Award Agreement referred to in Section 7.3(d), and except as otherwise permitted under the Shareholders Agreement, during the restricted period, the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber unvested Restricted Shares. Within these limits, the Committee may provide for the lapse of restrictions based upon period of service in installments or otherwise and may accelerate or waive, in whole or in part, restrictions based upon period of service, performance or other criteria as the Committee may determine.

(b) Except as provided in the Award Agreement, the Participant shall not have, with respect to the Restricted Shares, any of the rights of a shareholder of the Company holding the class or series of Shares that is the subject of the Restricted Shares, including, if applicable, the right to vote the Shares and the right to receive any cash dividends, unless and until such Restricted Shares have vested in accordance with their terms and the respective terms of the related Award Agreement, the Shareholders Agreement and the Bye-Laws.

(c) If and when any applicable restricted period expires without a prior forfeiture of Restricted Shares, with respect to Shares having associated legended certificates, unlegended certificates for such Shares shall be delivered to the Participant that no longer reference such forfeiture provisions (but continue to reference the Shareholders Agreement and include any other legends that may be required by law) upon surrender of the legended certificates.

(d) Each Award of Restricted Shares shall be confirmed by, and be subject to, the terms of an Award Agreement.

(e) Each Award of Restricted Shares shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

ARTICLE VIII

RESTRICTED SHARE UNITS

8.1 Nature of Award.

Restricted Share Units are Awards denominated in Shares that will be settled, subject to the terms and conditions of the Restricted Share Units, either by delivery of Shares to the Participant or by the payment of cash based upon the Fair Market Value of a specified number of Shares. Restricted Share Units may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the time or times at which grants of Restricted Share Units will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 8.2.

8.2 Terms and Conditions.

The Committee may, in connection with the grant of Restricted Share Units, condition the vesting thereof upon the continued service of the Participant to, or the Participant's performance of duties for, the Company, its Subsidiaries or the Asset Management Company. Each Award of Restricted Share Units shall be confirmed by, and be subject to, the terms of an Award Agreement. The applicable Award Agreement shall specify the consequences for the Restricted Share Units of the Participant's Termination of Relationship. An Award of Restricted Share Units shall be settled as and when the Restricted Share Units vest or at a later time specified by the Committee or in accordance with an election of the Participant, if the Committee so permits. Restricted Share Units may not be sold, assigned, transferred, pledged or otherwise encumbered until they are settled, except to the extent provided in the applicable Award Agreement in the event of the Participant's death. Restricted Share Units that are settled for Shares shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

ARTICLE IX

OTHER SHARE-BASED AWARDS

Other Awards of Shares and other Awards that are valued in whole or in part by reference to, or are otherwise based upon, Shares, including (without limitation) dividend equivalents and convertible debentures, may be granted under the Plan. The Committee shall determine the time or times at which grants of such Awards will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, consistent with the terms of the Plan.

ARTICLE X

ADJUSTMENTS

10.1 Changes in Capital Structure.

In the event of an extraordinary share dividend, share split, reverse share split, share combination, or recapitalization or similar event affecting the capital structure of the Company, an extraordinary cash dividend, separation, spinoff or a reorganization (each, an "Adjustment Event"), then the Committee or the Board shall make substitutions or adjustments to: (A) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (B) the number and kind of Shares or other securities subject to outstanding Awards; (C) performance metrics and targets underlying outstanding Awards; and (D) the Option Price of outstanding Options, in each case, to the extent (if any) necessary to preserve (but not increase) the level of incentives by this Plan and the then-outstanding Awards. In the event of a merger, consolidation, acquisition of property or shares, share rights offering, liquidation, disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a "Corporate Transaction"), then the Committee or the Board shall make substitutions or adjustments to: (w) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (x) the number and kind of Shares or other securities subject to outstanding Awards; (y) performance metrics and targets underlying outstanding Awards; and (z) the Option Price of outstanding Options, in each case, to the extent (if any) necessary to preserve (but not increase) the level of incentives by this Plan and the then-outstanding Awards. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which shareholders of Shares receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the Option Price of such Option shall conclusively be deemed valid); and (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards.

10.2 Special Rules.

The following rules shall apply in connection with Section 10.1 above:

(a) No adjustment shall be made for cash dividends (except as described in Section 10.1) or any new issuance of securities by the Company (including the issuance of Excluded Securities) for consideration (except in connection with a Corporate Transaction); and

(b) The determination as to whether any adjustment referred to in Section 10.1 is needed and the extent and nature of any such adjustment shall be made by the Committee or the Board in its discretion and shall, absent manifest error, be conclusive and binding on all Persons holding any Awards granted under the Plan.

10.3 Adjustment and Continuation of Awards.

If a Sale of the Company occurs, the parties to the Sale of the Company may agree that any Option, Shares, Restricted Shares, Restricted Share Units or other Award outstanding under the Plan immediately prior to the consummation of the Sale of the Company shall, at the effective time of the Sale of the Company, be assumed and continued on substantially the same vesting and other terms and conditions as a like Award with respect to shares of common stock of the successor or acquiring company (or a parent company). If an Option is assumed, the number of shares and exercise or base price per share covered by the assumed Award will be adjusted in accordance with the principles set forth in Sections 1.424-1(a)(5) and 1.409A-1(b)(5)(v)(D) of the Treasury Regulations. If a Restricted Share, Restricted Share Unit or other Award is assumed, the number of shares covered by the assumed Award will be a whole number that reflects the exchange ratio or value of the transaction consideration applicable with respect to holders of Shares in connection with the Sale of the Company.

10.4 Termination of Awards.

Any Award outstanding under the Plan immediately prior the consummation of a Sale of the Company that is not assumed pursuant to the preceding section will be terminated at the effective time of the Sale of the Company. If the terminated Award is an Option, then the holder of such Option will be entitled to receive at the effective time of the Sale of the Company a single sum payment equal to the excess, if any, of the transaction value of the Shares that are then covered by the Award over the aggregate Option Price for such Options, only to the extent that such Option was vested on the date of the Sale of the Company. No consideration will be payable in respect of the termination of an Option with a Option Price that is not more than the transaction value per Share or with regard to any Option that is unvested on the date of the Sale of the Company. The amount payable with respect to the termination of an outstanding Option pursuant to this section will be paid in cash, unless the parties to the Sale of the Company agree that some or all of such amount will be payable in the form of shares of common stock of the successor or acquiring company (or a parent company).

ARTICLE XI

RESTRICTIONS ON AWARDS

11.1 Compliance With Securities Laws.

No Awards shall be granted under the Plan, and no Shares shall be issued and delivered pursuant to Awards granted under the Plan, unless and until the Company and/or the Participant shall have complied with all applicable Federal, state or foreign registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the delivery of any Shares pursuant to any Award granted under the Plan, require the applicable Participant (i) to represent in writing that the Shares received pursuant to such Award are being acquired for investment and not with a view to distribution and (ii) to make such other representations and warranties as are deemed reasonably appropriate by the Committee. Share certificates representing Shares acquired under the Plan that have not been registered under the Securities Act shall, if required by the Committee, bear such legends as may be required by the Shareholders Agreement and the applicable Award Agreement.

11.2 Nonassignability of Awards

No Award granted under this Plan shall be assignable or otherwise transferable by the Participant, except by designation of a beneficiary, by will or by the laws of descent and distribution, or as otherwise provided in the applicable Award Agreement. An Award may be exercised during the lifetime of the Participant only by the Participant, unless the Participant becomes subject to a Disability. If a Participant dies or becomes subject to a Disability, his Options shall thereafter be exercisable, during the period specified in the applicable Award Agreement (as the case may be), by his designated beneficiary or if no beneficiary has been designated in writing, by his executors or administrators to the full extent (but only to such extent) to which such Options were exercisable by the Participant at the time of (and after giving effect to any vesting that may occur in connection with) his death or Disability.

Before issuing any Shares under the Plan to any person who is not already a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable, the Company shall obtain an executed Adoption Agreement from such person.

11.3 No Right to an Award or Grant

Neither the adoption of the Plan nor any action of the Board or the Committee shall be deemed to give an employee, director, consultant any right to be granted an Option to purchase Shares or to receive an Award under the Plan, except as may be evidenced by an Award Agreement duly executed on behalf of the Company, and then only to the extent of and on the terms and conditions expressly set forth in the Award Agreement. The Plan will be unfunded. The Company will not be required to establish any special or separate fund or to make any other segregation of funds or assets to assure the payment of any Award.

11.4 No Evidence of Employment or Service

Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant any right with respect to the continuation of his employment by or service with the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, any such Subsidiary or the Asset Management Company, in its sole discretion (subject to the terms of any separate agreement to the contrary), at any time to terminate such employment or service or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Award.

11.5 No Restriction of Corporate Action.

Nothing contained in the Plan or in any Award Agreement will be construed to prevent the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates from taking any corporate action which is deemed by the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates to be appropriate or in its best interest, whether such action would have an adverse effect on the Plan or any Award made under the Plan. No Participant or beneficiary of a Participant will have any claim against the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates as a result of any corporate action.

ARTICLE XII

TERM OF THE PLAN

This Plan shall become effective on the Effective Date and shall terminate on the Termination Date. No Awards may be granted after the Termination Date. Any Award outstanding as of the Termination Date shall remain in effect and the terms of the Plan will apply until such Award terminates as provided in the Plan or the applicable Award Agreement.

ARTICLE XIII

AMENDMENT OF PLAN

The Plan may be modified or amended in any respect, and at any time or from time to time, by the Board or by the Committee with the prior approval of the Board. Notwithstanding the foregoing, the Plan may not be modified or amended as it pertains to any existing Award Agreement without the consent of an applicable Participant where such modification or amendment would materially impair the rights of such Participant, it being understood that the modification of Option Price, exercise period, purchase price, repurchase price or vesting terms shall be deemed to materially impair the rights of Participants, unless such modifications are made pursuant to Article X. In addition, no such amendment shall be made without the approval of the Company's shareholders to the extent such approval is required by applicable law or regulation or the listing standards of the securities exchange, that is, at the applicable time, the principal market for the Shares.

ARTICLE XIV

CAPTIONS

The use of captions in the Plan is for convenience. The captions are not intended to provide substantive rights.

ARTICLE XV

WITHHOLDING TAXES

Upon any exercise or payment of any Award, the Company shall have the right at its option and in its sole discretion to (i) require the Participant to pay or provide for payment in cash of the amount of any taxes which the Company, any of its Subsidiaries or the Asset Management Company may be required to withhold with respect to such exercise or payment (provided that, to the extent permitted by the Company, any such Subsidiary or the Asset Management Company, as applicable, the Participant may elect to pay or provide such amount in Shares); (ii) deduct from any amount payable to the Participant in cash or securities in respect of the Award the amount of any taxes which the Company, any such Subsidiary or the Asset Management Company, as applicable, may be required to withhold with respect to such exercise or payment; or (iii) reduce the number of Shares to be delivered to the Participant in connection with such exercise or payment by the appropriate number of Shares, valued at their then Fair Market Value, to satisfy the minimum withholding obligation. In no event will the value of Shares withheld under clause (iii) above exceed the minimum amount of required withholding under applicable law.

ARTICLE XVI

SECTION 83(b) ELECTION

To the extent permitted by the Board or Committee, and unless otherwise provided in an Award Agreement, each recipient of Restricted Shares may, but is not obligated to, make an election under Section 83(b) of the Code to be taxed currently with respect to such Award. The election permitted under this Article XVI shall comply in all respects with and shall be made within the period of time prescribed under Section 83(b) of the Code. Each Participant shall prepare such forms as are required to make an election under Section 83(b) of the Code. The Company shall have no liability to any grantee who fails to make a permitted Section 83(b) election in a timely manner. In addition, the Company shall have no liability and makes no representation regarding the advisability of making an election under Section 83(b) of the Code, or regarding the tax, financial and other consequences of Awards.

ARTICLE XVII

CODE SECTION 409A COMPLIANCE

It is the intent of the Company that the awards under this Plan and the Committee's exercise of authority or discretion with respect thereto shall comply with and avoid the imputation of any tax, penalty or interest under Section 409A of the Code. The Plan and the terms and conditions of the awards granted under this Plan shall be construed and interpreted consistent with that intent.

Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of "nonqualified deferred compensation" (within the meaning of Section 409A of the Code) that are otherwise required to be made under the Plan or any Award Agreement to a

“specified employee” (as defined under Section 409A of the Code) as a result of his or her termination of service shall be delayed for the first six (6) months following such termination of service and shall instead be paid as soon as administratively practicable following the end of such six-month period (or, if earlier, within 10 business days following the date of death of the specified employee).

ARTICLE XVIII

SECTION 16 COMPLIANCE

In the event that the Company becomes subject to Section 16 of the Exchange Act, it is intended that the Plan and any Award made to a Participant subject to Section 16 of the Exchange Act will meet all of the requirements of Rule 16b-3. Accordingly, unless otherwise provided by the Committee, if any provisions of the Plan or any Award would disqualify the Plan or the Award, or would otherwise not comply with Rule 16b-3, such provision or Award will be construed or deemed amended to conform to Rule 16b-3.

ARTICLE XIX

OTHER PROVISIONS

Each Award granted under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Committee, in its sole discretion.

ARTICLE XX

NUMBER AND GENDER

With respect to words used in the Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, and vice versa, as the context requires.

ARTICLE XXI

MISCELLANEOUS

21.1 Subsidiary Employees.

In the case of a grant of an Award to an employee or director or consultant to any Subsidiary of the Company or the Asset Management Company, the Company may, if the Committee so directs, issue or transfer the Common Shares, if any, covered by the Award to the Subsidiary or the Asset Management Company, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary or the Asset Management Company will transfer the Common Shares to the employee, director or consultant in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan. All Common Shares underlying Awards that are forfeited or canceled should revert to the Company.

21.2 Foreign Employees and Foreign Law Considerations.

The Committee may grant Awards to individuals who are eligible to participate in the plan who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause the Company to be subject to) legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan, and, in furtherance of such purposes, the Committee may make such modifications, amendments, procedures, or subplans as may be necessary or advisable to comply with such legal or regulatory provisions.

21.3 Erroneously Awarded Compensation.

All Awards, if and to the extent subject to the Dodd-Frank Wall Street Reform and Consumer Protection Act, may be subject to a claw back policy or other incentive compensation policy established from time to time by the Company to comply with such Act.

ARTICLE XXII

GOVERNING LAW

All questions concerning the construction, interpretation and validity of the Plan and the instruments evidencing the Awards granted hereunder shall be governed by and construed and enforced in accordance with the domestic laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. In furtherance of the foregoing, the internal law of the State of Delaware will control the interpretation and construction of this Plan, even if under such jurisdiction's choice of law or conflict of law analysis, the substantive law of some other jurisdiction would ordinarily apply.

3.2 Procedures.

The Committee shall adopt such rules and regulations as it shall deem appropriate concerning the holding of meetings and the administration of the Plan. A majority of the Committee shall constitute a quorum and the actions of the entire Committee present at a meeting, or actions approved in writing by the entire Committee, shall be the actions of the Committee.

3.3 Interpretation; Powers of Committee.

Except as may otherwise be expressly reserved to the Board as provided herein, and with respect to any Award, except as may otherwise be provided in the Award Agreement evidencing such Award or an employment or consulting agreement between the Participant and Company, the Committee shall have all powers with respect to the administration of the Plan, including the authority to:

- (a) determine eligibility and the particular persons or classes of persons who will receive Awards;

(b) grant Awards to eligible persons or eligible classes of persons, determine the price and number of securities to be offered or awarded to any of such persons, determine the other specific terms and conditions of Awards consistent with the express limits of the Plan, establish the installments (if any) in which such Awards will become exercisable or will vest and the respective consequences thereof (or determine that no delayed exercisability or vesting is required), and establish the events of termination or reversion of such Awards;

(c) approve the forms of Award Agreements, which need not be identical either as to type of Award or among Participants;

(d) construe and interpret the provisions of the Plan and any Award Agreement or other agreement defining the rights and obligations of the Company and Participants under the Plan, make factual determinations with respect to the administration of the Plan, further define the terms used in the Plan, and prescribe, amend and rescind rules and regulations relating to the administration of the Plan;

Subject to the Committee's approval, the Company's Chief Executive Officer may recommend terms and conditions of Awards to the Committee, but shall not have the authority to approve any Awards.

In the event the Company becomes a "publicly-held corporation" as defined in Code §162(m)(2), the Company may establish a committee of outside directors meeting the requirements of Code §162(m)(2) to (i) approve Awards that might reasonably be anticipated to result in the payment of employee remuneration that would otherwise exceed the limit on employee remuneration deductible for income tax purposes by the Company pursuant to Code §162(m); and (ii) administer the Plan. In such event, the powers reserved to the Committee in the Plan shall be exercised by such compensation committee. In addition, Awards under the Plan may be granted upon satisfaction of the conditions to such grants provided pursuant to Code §162(m) and any Treasury Regulations promulgated thereunder.

3.6 Number of Shares.

Subject to the provisions of Article X (relating to adjustments upon changes in capital structure and other corporate transactions), the aggregate number of Shares with respect to which Awards may be granted under the Plan shall not exceed the Reserved Shares. Shares that are subject to or underlie Options granted under the Plan that expire or for any reason are canceled or terminated without having been exercised (or Shares subject to or underlying the unexercised portion of any Options, in the case of Options that were partially exercised at the time of their expiration, cancellation or termination), as well as Shares that are subject to Share Awards made under the Plan that are not actually purchased pursuant to such Share Awards and Shares that are subject to Restricted Shares or Restricted Share Units that are forfeited, will again, except to the extent prohibited by law or applicable listing or regulatory requirements, be available for subsequent Award grants under the Plan.

5.2 Vesting.

The Committee, in its sole discretion, shall determine and set forth such determination in the Award Agreement whether and to what extent any Options are subject to vesting based upon the Participant's continued service to, or the Participant's performance of duties for, the Company, any of its Subsidiaries or the Asset Management Company, or upon any other basis.

5.3 Date of Grant.

Except as may be otherwise provided in an Award Agreement, the date of grant of an Option under this Plan shall be the date as of which the Committee approves the grant.

5.4 Option Price.

The Option Price shall be determined by the Committee and set forth in the Award Agreement. In no event, however, may the Committee determine an Option Price that is less than the Fair Market Value of the Share on the date of grant.

5.5 Automatic Termination of Options.

Each Option granted under the Plan, to the extent not previously exercised, shall automatically terminate and shall become null and void and be of no further force or effect upon such date or dates as are set forth in the applicable Award Agreement, consistent with the terms of the Plan.

5.6 Payment of Option Price.

The aggregate Option Price shall be paid in cash (by wire transfer of immediately available funds to a bank account of the Company designated by the Committee or by delivery of a personal or certified check payable to the Company); provided that the Committee may, in its sole discretion, specify one or more of the following other forms of payment which may be used by a Participant (but only to the extent permitted by applicable law) upon exercise of his or her Option:

- (a) by surrender of Shares (by delivery of such shares or by attestation) with a Fair Market Value equal to the Option Price which were obtained by the Participant in the public market (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act);
- (b) to the extent permitted by applicable law, in compliance with any cashless exercise program authorized by the Board or the Committee for use in connection with the Plan at the time of such exercise (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act); or
- (c) a combination of the methods set forth in this Section 5.6.

5.7 Notice of Exercise.

A Participant (or other person, as provided in Section 11.2) may exercise an Option (for the Shares represented thereby) granted under the Plan in whole or in part (but for the purchase of whole Shares only), as provided in the Award Agreement evidencing his or her Option, by delivering a written notice (the "Notice") to the Secretary of the Company. The Notice shall state:

- (a) that the Participant elects to exercise the Option;

-
- (b) the number of Shares with respect to which the Option is being exercised (the “Option Shares”);
 - (c) the method of payment for the Option Shares (which method must be available to the Participant under the terms of his or her Award Agreement);
 - (d) the date upon which the Participant desires to consummate the purchase of the Option Shares (which date must be prior to the termination of such Option); and
 - (e) any additional provisions consistent with the Plan as the Committee may from time to time require.

The exercise date of an Option shall be the date on which the Company receives the Notice from the Participant and, if applicable, payment of the aggregate Option Price for such Shares. Such Notice shall also contain, and any such exercise shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

5.8 Issuance of Certificates.

The Company shall issue share certificates in the name of the Participant (or other person exercising the applicable Option in accordance with the provisions of Section 11.2), representing the Shares purchased upon exercise of the Option as soon as practicable after receipt of the Notice and, if applicable, payment of the aggregate Option Price for such Shares; provided that the Company, in its sole discretion, may elect not to issue any fractional Shares upon the exercise of an Option (determining the fractional Shares after aggregating all Shares issuable to a single holder as a result of an exercise of an Option for more than one Share) and, in lieu of issuing such fractional Shares, shall pay the Participant the Fair Market Value thereof as determined by the Board in good faith. Neither the Participant nor any person exercising an Option in accordance with the provisions of Section 11.2 shall have any privileges as a shareholder of the Company with respect to any Shares issuable upon exercise of an Option granted under the Plan until the date of issuance of share certificates representing such Shares pursuant to this Section 5.8.

ARTICLE VI
SHARE AWARDS

6.1 General.

Share Awards may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Each Share Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The Award Agreement shall specify the terms and conditions of the Share Award, including without limitation the number of Shares covered by the Share Award, the Purchase Price (as defined in Section 6.2 below), if any, for such Shares and the deadline for the purchase of such Shares.

6.2 Purchase Price; Payment

The price (the "Purchase Price"), if any, at which each Share covered by the Share Award may be purchased upon exercise of a Share Award shall be determined by the Committee and set forth in the applicable Award Agreement. The Company will not be obligated to issue certificates evidencing Shares purchased under this Article VI unless and until it receives full payment of the aggregate Purchase Price therefor and all other conditions to the purchase, as reasonably determined by the Committee, have been satisfied. The Purchase Price of any Shares subject to a Share Award must be paid in full at the time of the purchase.

6.3 Adoption Agreement.

Each Share Award shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable. The Committee shall determine the time or times at which grants of Restricted Shares will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 7.3.

The Committee may, prior to grant, condition the vesting of Restricted Shares upon continued service of the Participant, upon the Participant's performance of duties or upon any other basis. The provisions of Restricted Share Awards need not be the same with respect to each recipient.

7.2 Awards and Certificates.

Restricted Shares shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more share certificates. Any certificate issued in respect of Restricted Shares shall be registered in the name of such Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The sale or other transfer of Shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the ATHENE HOLDING LTD., 2014 SHARE INCENTIVE PLAN, in an Award Agreement and in a Shareholders Agreement. A copy of the Plan, such Award Agreement and such Shareholders Agreement may be obtained from ATHENE HOLDING LTD.”

The Committee may require that the certificates evidencing such Shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Shares, the Participant shall have delivered a share power, endorsed in blank, relating to the Shares covered by such Award.

7.3 Terms and Conditions.

Restricted Shares shall be subject to the following terms and conditions:

(a) Subject to the provisions of the Plan and the Award Agreement referred to in Section 7.3(d), and except as otherwise permitted under the Shareholders Agreement, during the restricted period, the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber unvested Restricted Shares. Within these limits, the Committee may provide for the lapse of restrictions based upon period of service in installments or otherwise and may accelerate or waive, in whole or in part, restrictions based upon period of service, performance or other criteria as the Committee may determine.

(b) Except as provided in the Award Agreement, the Participant shall not have, with respect to the Restricted Shares, any of the rights of a shareholder of the Company holding the class or series of Shares that is the subject of the Restricted Shares, including, if applicable, the right to vote the Shares and the right to receive any cash dividends, unless and until such Restricted Shares have vested in accordance with their terms and the respective terms of the related Award Agreement, the Shareholders Agreement and the Bye-Laws.

(c) If and when any applicable restricted period expires without a prior forfeiture of Restricted Shares, with respect to Shares having associated legended certificates, unlegended certificates for such Shares shall be delivered to the Participant that no longer reference such forfeiture provisions (but continue to reference the Shareholders Agreement and include any other legends that may be required by law) upon surrender of the legended certificates.

(d) Each Award of Restricted Shares shall be confirmed by, and be subject to, the terms of an Award Agreement.

(e) Each Award of Restricted Shares shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

ARTICLE VIII

RESTRICTED SHARE UNITS

8.1 Nature of Award.

Restricted Share Units are Awards denominated in Shares that will be settled, subject to the terms and conditions of the Restricted Share Units, either by delivery of Shares to the Participant or by the payment of cash based upon the Fair Market Value of a specified number of Shares. Restricted Share Units may be awarded either alone or in addition to other Awards granted under the Plan. The Committee shall determine the time or times at which grants of Restricted Share Units will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, in addition to those contained in Section 8.2.

8.2 Terms and Conditions.

The Committee may, in connection with the grant of Restricted Share Units, condition the vesting thereof upon the continued service of the Participant to, or the Participant's performance of duties for, the Company, its Subsidiaries or the Asset Management Company. Each Award of Restricted Share Units shall be confirmed by, and be subject to, the terms of an Award Agreement. The applicable Award Agreement shall specify the consequences for the Restricted Share Units of the Participant's Termination of Relationship. An Award of Restricted Share Units shall be settled as and when the Restricted Share Units vest or at a later time specified by the Committee or in accordance with an election of the Participant, if the Committee so permits. Restricted Share Units may not be sold, assigned, transferred, pledged or otherwise encumbered until they are settled, except to the extent provided in the applicable Award Agreement in the event of the Participant's death. Restricted Share Units that are settled for Shares shall be contingent upon, to the extent such Participant is not then a party to the Shareholders Agreement and the Registration Rights Agreement (and either of such Agreements remains in effect on such date), an executed Adoption Agreement, in form and substance satisfactory to the Board pursuant to which the Participant agrees to become a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable.

ARTICLE IX

OTHER SHARE-BASED AWARDS

Other Awards of Shares and other Awards that are valued in whole or in part by reference to, or are otherwise based upon, Shares, including (without limitation) dividend equivalents and convertible debentures, may be granted under the Plan. The Committee shall determine the time or times at which grants of such Awards will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions of the Awards, consistent with the terms of the Plan.

ARTICLE X

ADJUSTMENTS

10.1 Changes in Capital Structure.

In the event of an extraordinary share dividend, share split, reverse share split, share combination, or recapitalization or similar event affecting the capital structure of the Company, an extraordinary cash dividend, separation, spinoff or a reorganization (each, an "Adjustment Event"), then the Committee or the Board shall make substitutions or adjustments to: (A) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (B) the number and kind of Shares or other securities subject to outstanding Awards; (C) performance metrics and targets underlying outstanding Awards; and (D) the Option Price of outstanding Options, in each case, to the extent (if any) necessary to preserve (but not increase) the level of incentives by this Plan and the then-outstanding Awards. In the event of a merger, consolidation, acquisition of property or shares, share rights offering, liquidation, disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a "Corporate Transaction"), then the Committee or the Board shall make substitutions or adjustments to: (w) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (x) the number and kind of Shares or other securities subject to outstanding Awards; (y) performance metrics and targets underlying outstanding Awards; and (z) the Option Price of outstanding Options, in each case, to the extent (if any) necessary to preserve (but not increase) the level of incentives by this Plan and the then-outstanding Awards. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which shareholders of Shares receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the Option Price of such Option shall conclusively be deemed valid); and (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards.

10.2 Special Rules.

The following rules shall apply in connection with Section 10.1 above:

(a) No adjustment shall be made for cash dividends (except as described in Section 10.1) or any new issuance of securities by the Company (including the issuance of Excluded Securities) for consideration (except in connection with a Corporate Transaction);

(b) The determination as to whether any adjustment referred to in Section 10.1 is needed and the extent and nature of any such adjustment shall be made by the Committee or the Board in its discretion and shall, absent manifest error, be conclusive and binding on all Persons holding any Awards granted under the Plan.

10.3 Adjustment and Continuation of Awards.

If a Sale of the Company occurs, the parties to the Sale of the Company may agree that any Option, Shares, Restricted Shares, Restricted Share Units or other Award outstanding under the Plan immediately prior to the consummation of the Sale of the Company shall, at the effective time of the Sale of the Company, be assumed and continued on substantially the same vesting and other terms and conditions as a like Award with respect to shares of common stock of the successor or acquiring company (or a parent company). If an Option is assumed, the number of shares and exercise or base price per share covered by the assumed Award will be adjusted in accordance with the principles set forth in Sections 1.424-1(a)(5) and 1.409A-1(b)(5)(v)(D) of the Treasury Regulations. If a Restricted Share, Restricted Share Unit or other Award is assumed, the number of shares covered by the assumed Award will be a whole number that reflects the exchange ratio or value of the transaction consideration applicable with respect to holders of Shares in connection with the Sale of the Company.

10.4 Termination of Awards.

Any Award outstanding under the Plan immediately prior the consummation of a Sale of the Company that is not assumed pursuant to the preceding section will be terminated at the effective time of the Sale of the Company. If the terminated Award is an Option, then the holder of such Option will be entitled to receive at the effective time of the Sale of the Company a single sum payment equal to the excess, if any, of the transaction value of the Shares that are then covered by the Award over the aggregate Option Price for such Options, only to the extent that such Option was vested on the date of the Sale of the Company. No consideration will be payable in respect of the termination of an Option with a Option Price that is not more than the transaction value per Share or with regard to any Option that is unvested on the date of the Sale of the Company. The amount payable with respect to the termination of an outstanding Option pursuant to this section will be paid in cash, unless the parties to the Sale of the Company agree that some or all of such amount will be payable in the form of shares of common stock of the successor or acquiring company (or a parent company).

ARTICLE XI

RESTRICTIONS ON AWARDS

11.1 Compliance With Securities Laws

No Awards shall be granted under the Plan, and no Shares shall be issued and delivered pursuant to Awards granted under the Plan, unless and until the Company and/or the Participant shall have complied with all applicable Federal, state or foreign registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction.

The Committee in its discretion may, as a condition to the delivery of any Shares pursuant to any Award granted under the Plan, require the applicable Participant (i) to represent in writing that the Shares received pursuant to such Award are being acquired for investment and not with a view to distribution and (ii) to make such other representations and warranties as are deemed reasonably appropriate by the Committee. Share certificates representing Shares acquired under the Plan that have not been registered under the Securities Act shall, if required by the Committee, bear such legends as may be required by the Shareholders Agreement and the applicable Award Agreement.

11.2 Nonassignability of Awards

No Award granted under this Plan shall be assignable or otherwise transferable by the Participant, except by designation of a beneficiary, by will or by the laws of descent and distribution, or as otherwise provided in the applicable Award Agreement. An Award may be exercised during the lifetime of the Participant only by the Participant, unless the Participant becomes subject to a Disability. If a Participant dies or becomes subject to a Disability, his Options shall thereafter be exercisable, during the period specified in the applicable Award Agreement (as the case may be), by his designated beneficiary or if no beneficiary has been designated in writing, by his executors or administrators to the full extent (but only to such extent) to which such Options were exercisable by the Participant at the time of (and after giving effect to any vesting that may occur in connection with) his death or Disability.

Before issuing any Shares under the Plan to any person who is not already a party to the Shareholders Agreement and the Registration Rights Agreement, as applicable, the Company shall obtain an executed Adoption Agreement from such person.

11.3 No Right to an Award or Grant

Neither the adoption of the Plan nor any action of the Board or the Committee shall be deemed to give an employee, director, consultant any right to be granted an Option to purchase Shares or to receive an Award under the Plan, except as may be evidenced by an Award Agreement duly executed on behalf of the Company, and then only to the extent of and on the terms and conditions expressly set forth in the Award Agreement. The Plan will be unfunded. The Company will not be required to establish any special or separate fund or to make any other segregation of funds or assets to assure the payment of any Award.

11.4 No Evidence of Employment or Service

Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant any right with respect to the continuation of his employment by or service with the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, any such Subsidiary or the Asset Management Company, in its sole discretion (subject to the terms of any separate agreement to the contrary), at any time to terminate such employment or service or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Award.

11.5 No Restriction of Corporate Action

Nothing contained in the Plan or in any Award Agreement will be construed to prevent the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates from taking any corporate action which is deemed by the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates to be appropriate or in its best interest, whether such action would have an adverse effect on the Plan or any Award made under the Plan. No Participant or beneficiary of a Participant will have any claim against the Company, any of its Subsidiaries, the Asset Management Company or any of their respective Affiliates as a result of any corporate action.

ARTICLE XII

TERM OF THE PLAN

This Plan shall become effective on the Effective Date and shall terminate on the Termination Date. No Awards may be granted after the Termination Date. Any Award outstanding as of the Termination Date shall remain in effect and the terms of the Plan will apply until such Award terminates as provided in the Plan or the applicable Award Agreement.

ARTICLE XIII

AMENDMENT OF PLAN

The Plan may be modified or amended in any respect, and at any time or from time to time, by the Board or by the Committee with the prior approval of the Board. Notwithstanding the foregoing, the Plan may not be modified or amended as it pertains to any existing Award Agreement without the consent of an applicable Participant where such modification or amendment would materially impair the rights of such Participant, it being understood that the modification of Option Price, exercise period, purchase price, repurchase price or vesting terms shall be deemed to materially impair the rights of Participants, unless such modifications are made pursuant to Article X. In addition, no such amendment shall be made without the approval of the Company's shareholders to the extent such approval is required by applicable law or regulation or the listing standards of the securities exchange that is, at the applicable time, the principal market for the Shares.

ARTICLE XIV

CAPTIONS

The use of captions in the Plan is for convenience. The captions are not intended to provide substantive rights.

ARTICLE XV

WITHHOLDING TAXES

Upon any exercise or payment of any Award, the Company shall have the right at its option and in its sole discretion to (i) require the Participant to pay or provide for payment in cash of the amount of any taxes which the Company, any of its Subsidiaries or the Asset Management Company may be required to withhold with respect to such exercise or payment (provided that, to the extent permitted by the Company, any such Subsidiary or the Asset Management Company, as applicable, the Participant may elect to pay or provide such amount in Shares); (ii) deduct from any amount payable to the Participant in cash or securities in respect of the Award the amount of any taxes which the Company, any such Subsidiary or the Asset Management Company, as applicable, may be required to withhold with respect to such exercise or payment; or (iii) reduce the number of Shares to be delivered to the Participant in connection with such exercise or payment by the appropriate number of Shares, valued at their then Fair Market Value, to satisfy the minimum withholding obligation. In no event will the value of Shares withheld under clause (iii) above exceed the minimum amount of required withholding under applicable law.

ARTICLE XVI

SECTION 83(b) ELECTION

To the extent permitted by the Board or Committee, and unless otherwise provided in an Award Agreement, each recipient of Restricted Shares may, but is not obligated to, make an election under Section 83(b) of the Code to be taxed currently with respect to such Award. The election permitted under this Article XVI shall comply in all respects with and shall be made within the period of time prescribed under Section 83(b) of the Code. Each Participant shall prepare such forms as are required to make an election under Section 83(b) of the Code. The Company shall have no liability to any grantee who fails to make a permitted Section 83(b) election in a timely manner. In addition, the Company shall have no liability and makes no representation regarding the advisability of making an election under Section 83(b) of the Code, or regarding the tax, financial and other consequences of Awards.

ARTICLE XVII

CODE SECTION 409A COMPLIANCE

It is the intent of the Company that the awards under this Plan and the Committee's exercise of authority or discretion with respect thereto shall comply with and avoid the imputation of any tax, penalty or interest under Section 409A of the Code. The Plan and the terms and conditions of the awards granted under this Plan shall be construed and interpreted consistent with that intent.

Notwithstanding any contrary provision in the Plan or any Award Agreement, any payment(s) of “nonqualified deferred compensation” (within the meaning of Section 409A of the Code) that are otherwise required to be made under the Plan or any Award Agreement to a “specified employee” (as defined under Section 409A of the Code) as a result of his or her termination of service shall be delayed for the first six (6) months following such termination of service and shall instead be paid as soon as administratively practicable following the end of such six-month period (or, if earlier, within 10 business days following the date of death of the specified employee).

ARTICLE XVIII

SECTION 16 COMPLIANCE

In the event that the Company becomes subject to Section 16 of the Exchange Act, it is intended that the Plan and any Award made to a Participant subject to Section 16 of the Exchange Act will meet all of the requirements of Rule 16b-3. Accordingly, unless otherwise provided by the Committee, if any provisions of the Plan or any Award would disqualify the Plan or the Award, or would otherwise not comply with Rule 16b-3, such provision or Award will be construed or deemed amended to conform to Rule 16b-3.

ARTICLE XIX

OTHER PROVISIONS

Each Award granted under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Committee, in its sole discretion.

21.3 Erroneously Awarded Compensation.

All Awards, if and to the extent subject to the Dodd-Frank Wall Street Reform and Consumer Protection Act, may be subject to a claw back policy or other incentive compensation policy established from time to time by the Company to comply with such Act.

ARTICLE XXII

- (d) construe and interpret the provisions of the Plan and any Award Agreement or other agreement defining the rights and obligations of the Company and Participants under the Plan, make factual determinations with respect to the administration of the Plan, further define the terms used in the Plan, and prescribe, amend and rescind rules and regulations relating to the administration of the Plan;
- (e) cancel, modify, or waive the Company's rights with respect to, or modify, discontinue, suspend, or terminate any or all outstanding Awards held by Participants;

(f) take action to (i) accelerate the exercisability or vesting of, or waive the vesting conditions applicable to, any Award, including all or a portion of any applicable restriction period applicable to any outstanding Restricted Shares or Restricted Share Units, (ii) waive all or a portion of any Performance Period applicable to any outstanding Award subject to performance-based vesting conditions and (iii) waive or deem to be satisfied the Performance Measures (if any) applicable to any outstanding Award at the target or any other level; and

(g) make all other determinations and take such other action as contemplated by this Plan or as may be necessary or advisable for the administration of this Plan and the effectuation of its purposes.

All decisions of the Committee shall be made in good faith and shall be conclusive and binding on all Participants in the Plan.

3.4 Delegation.

The Committee may delegate some or all of its power and authority hereunder to the Board or a subcommittee thereof or, subject to applicable law, to the Chief Executive Officer and President or such other executive officer as the Committee deems appropriate; *provided, however*, that (a) the Committee may not delegate its power and authority to the Board, the President and Chief Executive Officer or other executive officer of the Company with regard to the grant of an Award to any person who is a "covered employee" within the meaning of Section 162(m) of the Code or who, in the Committee's judgment, is likely to be a "covered employee" at any time during the period an Award hereunder to such employee would be outstanding and (b) the Committee may not delegate its power and authority to the President and Chief Executive Officer or other executive officer of the Company with regard to the selection for participation in this Plan of an officer, director or other person subject to Section 16 of the Exchange Act or decisions concerning the timing, pricing or amount of an Award to such an officer, director or other person.

No member of the Board or Committee, and neither the Chief Executive Officer and President or any other executive officer to whom the Committee delegates any of its power and authority hereunder, shall be liable for any act, omission, interpretation, construction or determination made in connection with this Plan in good faith, and the members of the Board and the Committee and the Chief Executive Officer and President and any other executive officer shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including attorneys' fees) arising therefrom to the full extent permitted by law (except as otherwise may be provided in the Company's Certificate of Incorporation or Bye-Laws, each as may be amended from time to time) and under any directors' and officers' liability insurance that may be in effect from time to time

3.5 Number of Shares.

Subject to the provisions of Article X (relating to adjustments upon changes in capital structure and other corporate transactions), the aggregate number of Shares with respect to which Awards may be granted under the Plan shall not exceed 3,500,000, of which 3,500,000 may be issued pursuant to the exercise of ISOs granted under the Plan. The number of Shares that

remain available for future Awards under the Plan shall be reduced by the sum of the aggregate number of Shares which become subject to outstanding Options, Awards of Restricted Shares and Restricted Share Units, Share Awards, Performance Awards and Other Share-Based Awards. To the extent that Shares subject to an outstanding Option, Award of Restricted Shares or Restricted Share Units, Share Award, Performance Award or Other Share-Based Award granted under the Plan are not issued or delivered by reason of (i) the expiration, termination, cancellation or forfeiture of such Award or (ii) the settlement of such Award in cash, then except to the extent prohibited by law or applicable listing or regulatory requirements, such Shares shall again be available under this Plan, other than for grants of ISOs. Notwithstanding anything in this Section 3.5 to the contrary, Shares subject to an Award may not be made available for issuance under this Plan if such Shares are: (i) Shares used to pay the Option Price of an Option, (ii) Shares delivered to or withheld by the Company to pay withholding taxes related to an Award under this Plan or (iii) Shares repurchased on the open market with the proceeds of an Option exercise.

The number of Shares for Awards under this Plan shall not be reduced by available shares under a shareholder approved plan of a company or other entity which was a party to a corporate transaction with the Company (as appropriately adjusted to reflect such corporate transaction) which become subject to Awards granted under this Plan (subject to applicable stock exchange requirements).

Shares to be delivered under this Plan shall be made available from authorized and unissued Shares, or authorized and issued Shares reacquired and held as treasury shares or otherwise or a combination thereof.

3.6 Per Person Limits

To the extent necessary for an Award to be qualified performance-based compensation under Section 162(m) of the Code and the regulations thereunder (a) the maximum number of Shares with respect to which Options may be granted during any fiscal year of the Company to any person shall be 3,500,000 Shares, subject to adjustment as provided in Article X, (b) the maximum number of Shares with respect to which Awards subject to Performance Measures denominated in Shares that may be granted during any fiscal year of the Company to any person shall be 3,500,000 Shares, subject to adjustment as provided in Article X, and (c) the maximum amount that may be earned by any person with respect to Performance Awards denominated in cash granted during any fiscal year of the Company to any person shall be \$15,000,000. The aggregate grant date fair value of Shares that may be granted during any fiscal year of the Company to any non-employee director shall not exceed \$500,000; *provided, however*, that the limits set forth in this sentence shall not apply to awards made pursuant to an election to receive the Award in lieu of all or a portion of fees received for service on the Board or any committee thereunder.

ARTICLE IV

ELIGIBILITY

Awards may be granted under the Plan only to persons who are employees, directors, consultants, agents and independent contractors, and persons expected to become employees, directors, consultants, agents and independent contractors, of the Company, any of its Subsidiaries or the Asset Management Company as the Committee in its sole discretion may select from time to time. Each such person to whom an Award is granted under the Plan is referred to herein as a "Participant." To effectuate the grant of Awards to persons who are employees, directors, consultants, agents and independent contractors, and persons expected to become employees, directors, consultants, agents and independent contractors of the Asset Management Company, Awards may be granted to the Asset Management Company for allocation by the Asset Management Company to such persons. The Committee's selection of a person to participate in this Plan at any time shall not require the Committee to select such person to participate in this Plan at any other time. For purposes of this Plan and except as otherwise provided for in an Award Agreement, references to employment by the Company shall also mean employment by a Subsidiary, and references to employment shall include service as a non-employee director or independent contractor. The Committee shall determine, in its sole discretion, the extent to which a Participant shall be considered employed during any periods during which such Participant is on an approved leave of absence.

ARTICLE V

SHARE OPTIONS

5.1 General.

Options may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Each Option granted under the Plan shall be designated as either an NSO or an ISO, as determined by the Committee in its sole discretion, and shall be subject to the terms and conditions applicable to such Options set forth in the Plan. Each Option shall be evidenced by an Award Agreement incorporating the terms and provisions of the Plan that shall be executed by the Company and the Participant. The Award Agreement shall specify the number of Shares for which such Option shall be exercisable, the Option Price (as defined in Section 5.4 below) for such Shares and the other terms and conditions of the Option, in each case, as determined by the Committee. Notwithstanding any provision of the Plan to the contrary, (a) an ISO may only be granted to an employee of the Company or its Subsidiaries and (b) Options may only be granted to persons who are employees, directors, consultants, agents and independent contractors, and persons expected to become employees, directors, consultants, agents and independent contractors of the Company and its Subsidiaries.

5.2 Vesting and Exercisability.

The Committee, in its sole discretion, shall determine whether and to what extent any Options are exercisable and subject to vesting based upon continued service of the Participant, upon the Participant's performance of duties or upon any other basis. The Committee may, in its

discretion, establish Performance Measures which shall be satisfied or met as a condition to the grant or vesting of an option or to the exercisability of all or a portion of an Option. The Committee shall determine whether an Option shall become exercisable in cumulative or non-cumulative installments and in part or in full at any time. An exercisable Option, or portion thereof, may be exercised only with respect to whole Shares. Prior to the exercise of an Option, the holder of such Option shall have no rights as a shareholder of the Company with respect to the Shares subject to such Option.

5.3 Termination of Relationship.

All of the terms relating to the exercise, cancellation or other disposition of an Option (a) upon a Participant's Termination of Relationship whether by reason of disability, retirement, death or any other reason, or (b) during a paid or unpaid leave of absence, shall be determined by the Committee and, in the case of the foregoing clause (a), set forth in the applicable Award Agreement and, in the case of the foregoing clause (b), set forth either in the applicable Award Agreement or Company policies.

5.4 Option Price.

The Option Price shall be determined by the Committee and set forth in the Award Agreement. In no event, however, may the Committee determine an Option Price that is less than (a) 100% of the Fair Market Value of the Share on the date of grant, or (b) in the case of an ISO granted to a Participant who is a 10% Shareholder, 110% of the Fair Market Value of the Share on the date of grant.

5.5 Term of Options.

Each Option granted under the Plan, to the extent not previously exercised, shall cease to be exercisable, automatically terminate and become null and void and be of no further force or effect upon such date or dates as are set forth in the applicable Award Agreement, consistent with the terms of the Plan. In addition, an ISO granted to a Participant who is a 10% Shareholder may not be exercised more than 5 years after its date of grant and no other Option may be exercised more than 10 years after its date of grant.

By its terms, an ISO shall be exercisable in any calendar year only to the extent that the aggregate Fair Market Value (determined on the date of grant) of the Shares with respect to which all incentive stock options granted to the Participant are exercisable for the first time during such calendar year does not exceed \$100,000. Incentive stock options granted under the Plan and all other plans of the Company or any Subsidiary shall be aggregated for purposes of determining whether such \$100,000 limitation has been exceeded. If the ISOs that first become exercisable in a calendar year exceed such \$100,000 limitation, the excess Options will automatically be treated as NSOs to the extent permitted by law.

5.6 Method of Exercise.

A Participant (or other person, as provided in [Section 11.2](#)) may exercise an Option (for the Shares represented thereby) granted under the Plan in whole or in part as provided in the Award Agreement evidencing his or her Option by

(a) delivering a written notice (the "Notice") to the Secretary of the Company or his or her designee specifying the whole number of Shares with respect to which the Option is being exercised; and

(b) by accompanying such notice with payment therefor in full (or by arranging for such payment to the Company's satisfaction) (i) in cash (by wire transfer of immediately available funds to a bank account of the Company designated by the Committee or by delivery of a personal or certified check payable to the Company) or (ii) to the extent permitted by the Committee, in its sole discretion, and set forth in such Participant's Award Agreement (but, subject in any case, to the applicable limitations of Rule 16b-3 under the Exchange Act):

(A) by delivery of previously owned whole Shares (either actual delivery or by attestation) for which the holder has good title, free and clear of all liens and encumbrances, with a Fair Market Value (determined on the date of exercise) equal to the aggregate Option Price payable pursuant to the Option by reason of such exercise; provided, that any fraction of a Share which would be required to pay such Option Price shall be disregarded and the remaining amount due shall be paid in cash by the Participant;

(B) by authorizing the Company to withhold whole Shares which would otherwise be delivered upon exercise of the Option having an aggregate Fair Market Value, determined as of the date of exercise, equal to the aggregate Option Price payable by reason of such exercise; provided, that any fraction of a Share which would be required to pay such Option Price shall be disregarded and the remaining amount due shall be paid in cash by the Participant;

(C) in cash delivered by a broker-dealer acceptable to the Company to whom the Participant has submitted an irrevocable notice of exercise; or

(D) by a combination of methods set forth in this Section 5.6; and

(c) by executing such documents as may be required under the applicable Award Agreement or as the Committee may request.

5.7 Delivery of Shares.

No Shares shall be issued until the full Option Price therefor and any withholding taxes thereon, as described in Article XV, have been paid (or arrangement made for such payment to the Company's satisfaction). Shares shall be issued to the Participant (or other person exercising the applicable Option in accordance with the provisions of Section 11.2) in certificate or book entry form, as determined by the Committee in its sole discretion. Neither the Participant nor any person exercising an Option in accordance with the provisions of Section 11.2 shall have any rights or privileges as a shareholder of the Company with respect to any Shares issuable upon exercise of an Option granted under the Plan until the Shares have been issued.

ARTICLE VI
SHARE AWARDS

6.1 General.

Share Awards may be granted under the Plan at any time and from time to time on or prior to the Termination Date. Each Share Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The Award Agreement shall specify the terms and conditions of the Share Award, including without limitation the number of Shares covered by the Share Award, the Purchase Price (as defined in Section 6.2 below), if any, for such Shares, the deadline for the purchase of such Shares and any other terms and conditions applicable to such Share Award, in each case, as determined by the Committee.

6.2 Purchase Price; Payment.

The price (the "Purchase Price"), if any, at which each Share covered by the Share Award may be purchased pursuant to a Share Award shall be determined by the Committee and set forth in the applicable Award Agreement. The Company will not be obligated to issue any Shares purchased under this Article VI unless and until it receives full payment of the aggregate Purchase Price therefor, if any, and all other conditions to the grant of the Share Award, as reasonably determined by the Committee, have been satisfied. The Purchase Price, if any, of any Shares subject to a Share Award must be paid in full at the time of the purchase.

ARTICLE VII
RESTRICTED SHARES

7.1 General.

Awards of Restricted Shares may be awarded either alone or in addition to other Awards granted under the Plan. Each Award of Restricted Shares shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The Award Agreement shall specify the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture, and any other terms and conditions applicable to the Restricted Shares, in each case, as determined by the Committee.

7.2 Awards and Certificates.

During the restricted period, Restricted Shares shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more share certificates. Any certificate issued in respect of Restricted Shares shall be registered in the name of such Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The sale or other transfer of Shares represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the ATHENE HOLDING LTD. 2016 SHARE INCENTIVE PLAN and in an Award Agreement. A copy of the Plan and such Award Agreement may be obtained from ATHENE HOLDING LTD.”

The Committee may require that the certificates evidencing such Shares be held in custody by the Company until the restrictions thereon shall have lapsed and that, as a condition of any Award of Restricted Shares, the Participant shall have delivered a share power, endorsed in blank, relating to the Shares covered by such Award in the event such Award is forfeited in whole or in part. If and when any applicable restricted period expires without a prior forfeiture of Restricted Shares (and upon the satisfaction or attainment of applicable Performance Measures, if applicable), subject to the Company's right to require payment of any taxes in accordance with Article XV, the restrictions shall be removed from the requisite number of any Shares that are held in book entry form (and, if applicable, non-legended certificates evidencing ownership of the requisite number of Shares shall be delivered to the Participant).

7.3 Terms and Conditions.

(a) The Committee may condition the vesting of Restricted Shares upon continued service of the Participant, upon the Participant's performance of duties, upon the attainment of specified Performance Measures during an applicable Performance Period or upon any other basis determined by the Committee in its sole discretion. The provisions of Restricted Share Awards need not be the same with respect to each recipient.

(b) The holder of an Award of Restricted Shares shall have such rights as a shareholder of the Company (if any), including but not limited to, voting rights, the right to receive dividends and the right to participate in any capital adjustment applicable to all holders of Shares, in each case, only to the extent as set forth in the Award Agreement relating to Restricted Shares.

(c) All of the terms relating to the satisfaction of Performance Measures and the termination of a restricted period or a Performance Period relating to an Award of Restricted Shares, or any forfeiture or cancellation of such Award (i) upon a Participant's Termination of Relationship whether by reason of disability, retirement, death or any other reason, or (b) during a paid or unpaid leave of absence, shall be determined by the Committee and, in the case of the foregoing clause (a), set forth in the applicable Award Agreement and, in the case of the foregoing clause (b), set forth either in the applicable Award Agreement or Company policies.

ARTICLE VIII

RESTRICTED SHARE UNITS

8.1 General.

Awards of Restricted Share Units are Awards denominated in Shares that will be settled by delivery of Shares (including Restricted Shares) to the Participant or, only to the extent specified in the applicable Award Agreement, by the payment of cash based upon the Fair Market Value of a specified number of Shares. Restricted Share Units may be awarded either alone or in addition to other Awards granted under the Plan. Each Award of Restricted Share Units shall be evidenced by an Award Agreement that shall be executed by the Company and the

Participant. The Award Agreement shall specify the number of Restricted Share Units to be awarded to Participants, whether such Award will be settled in Shares (including Restricted Shares), cash or a combination of both, the conditions for vesting, the time or times within which such Restricted Share Units may be subject to forfeiture and any other terms and conditions applicable to the Restricted Share Units, in each case, as determined by the Committee.

8.2 Terms and Conditions.

The Committee may, in connection with the grant of Restricted Share Units, condition the vesting thereof upon the continued service of the Participant, upon the Participant's performance of duties, upon the attainment of specified Performance Measures during an applicable Performance Period or upon any other basis determined by the Committee in its sole discretion. An Award of Restricted Share Units shall be settled as and when the Restricted Share Units vest or at a later time specified by the Committee or in accordance with an election of the Participant, if the Committee so permits. Except as otherwise set forth in an Award Agreement for Restricted Share Units, prior to the settlement of a Restricted Share Unit Award in Shares (including Restricted Shares), a Participant shall have no rights as a shareholder of the Company with respect to the Shares subject to such Award.

All of the terms relating to the satisfaction of Performance Measures and the termination of a restricted period or a Performance Period relating to an Award of Restricted Share Units, or any forfeiture or cancellation of such Award (i) upon a Participant's Termination of Relationship whether by reason of disability, retirement, death or any other reason, or (b) during a paid or unpaid leave of absence, shall be determined by the Committee and set forth in the applicable Award Agreement.

ARTICLE IX

PERFORMANCE AWARDS AND OTHER SHARE-BASED AWARDS

9.1 Performance Awards.

Performance Awards are Awards which provide a Participant the right to receive cash, Shares (including Restricted Shares) or a combination thereof contingent upon the attainment of specified Performance Measures within a specified Performance Period. Performance Awards may be awarded either alone or in addition to other Awards granted under the Plan. Each Performance Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The applicable Award Agreement shall specify whether such Performance Award will be settled in Shares (including Restricted Shares), cash or a combination thereof, the conditions for vesting, the applicable Performance Measures and Performance Period and any other terms and conditions applicable to the Performance Award, in each case, as determined by the Committee. Except as otherwise set forth in an Award Agreement for a Performance Award, prior to the settlement of a Performance Award in Shares (including Restricted Shares), a Participant shall have no rights as a shareholder of the Company with respect to the Shares subject to such Award.

9.2 Other Share-Based Awards.

Other Awards of Shares and other Awards that are valued in whole or in part by reference to, or are otherwise based upon, Shares, including (without limitation) stock appreciation rights and dividend equivalents, may be granted under the Plan. Each Other Share-Based Award shall be evidenced by an Award Agreement that shall be executed by the Company and the Participant. The Committee shall determine the time or times at which grants of such Awards will be awarded, the number of Shares to be awarded to Participants, the conditions for vesting, the time or times within which such Awards may be subject to forfeiture and any other terms and conditions applicable to the Other Share-Based Awards, consistent with the terms of the Plan. Notwithstanding any provision of the Plan to the contrary, stock appreciation rights may only be granted to persons who are employees, directors, consultants, agents and independent contractors, and persons expected to become employees, directors, consultants, agents and independent contractors of the Company and its Subsidiaries.

9.3 Termination of Relationship.

All of the terms relating to the satisfaction of Performance Measures and the termination of a restricted period or a Performance Period relating to a Performance Award or Other Share-Based Award, or any forfeiture or cancellation of such Award (i) upon a Participant's Termination of Relationship whether by reason of disability, retirement, death or any other reason, or (b) during a paid or unpaid leave of absence, shall be determined by the Committee and set forth in the applicable Award Agreement.

ARTICLE X

ADJUSTMENTS

10.1 Changes in Capital Structure.

In the event of any equity restructuring (within the meaning of Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation—Stock Compensation or applicable successor guidance) that causes the per Share value to change, such as a stock dividend, stock split, spinoff, rights offering or recapitalization through an extraordinary dividend, the number and class of securities available under this Plan or specified in any section of this Plan, the terms of each outstanding Option (including the number and class of securities subject to each outstanding Option and the Option Price per share) and the terms of each outstanding Restricted Share Award, Restricted Share Unit Award, Performance Award and Other Share-Based Award (including the number and class of securities subject thereto), shall be appropriately adjusted by the Committee, such adjustments to be made in the case of outstanding Options without an increase in the aggregate purchase price and in accordance with Section 409A of the Code. In the event of any other change in corporate capitalization, including a merger, consolidation, reorganization, or partial or complete liquidation of the Company (a "Corporate Transaction"), such equitable adjustments described in the foregoing sentence may be made as determined to be appropriate and equitable by the Committee to prevent dilution or enlargement of rights of participants. In either case, the decision of the Committee regarding any such adjustment shall be final, binding and conclusive.

Notwithstanding anything herein to the contrary, no adjustment shall be made for cash dividends (except as described in Section 10.1) or any new issuance of securities by the Company for consideration (except in connection with a Corporate Transaction).

10.2 Change in Control.

Subject to the terms of an applicable Award Agreement, if a Change in Control occurs, the Board (as constituted prior to such Change in Control) may, in its discretion:

(a) require that Options, Shares, Restricted Shares, Restricted Share Units, Performance Awards or other Stock-Based Awards outstanding under the Plan, at the effective time of the Change in Control, be assumed and continued on substantially the same vesting and other terms and conditions as a like Award with respect to shares of common stock of the successor or acquiring company (or a parent company). If an Option is assumed, the number of shares and exercise price per share covered by the assumed Award will be adjusted in accordance with the principles set forth in Sections 1.424-1(a)(5) and 1.409A-1(b)(5)(v)(D) of the Treasury Regulations. If a Restricted Share, Restricted Share Unit or other Award is assumed, the number of shares covered by the assumed Award will be a whole number that reflects the exchange ratio or value of the transaction consideration applicable with respect to holders of Shares in connection with the Change in Control;

(b) require that Options, Shares, Restricted Shares, Restricted Share Units, Performance Awards or Other Share-Based Awards outstanding under the Plan, in whole or in part, be surrendered to the Company by the Participant, and be immediately cancelled by the Company, and to provide for the Participant to receive (i) a cash payment in an amount equal to (A) in the case of an Option, the number of Shares then subject to the portion of such Option surrendered multiplied by the excess, if any, of the Fair Market Value of a Share as of the date of the Change in Control (or the value per Share as received or to be received by shareholders of the Company in connection with the Change in Control), over the Option Price per Share subject to such Option, (B) in the case of an Award denominated in Shares, the number of Shares then subject to the portion of such Award surrendered (if Performance Measures are applicable to such Award, to the extent to which such Performance Measures have been satisfied or deemed satisfied) multiplied by the Fair Market Value of a Share as of the date of the Change in Control (or the value per Share as received or to be received by shareholders of the Company), and (C) in the case of a Performance Award denominated in cash, the value of such Performance Award then subject to the portion of such Award surrendered to the extent the Performance Measures (if applicable to such Award) have been satisfied or deemed satisfied; (ii) shares of the corporation or other entity resulting from such Change in Control, or a parent thereof, having a fair market value not less than the amount determined under clause (i) above; or (iii) a combination of the payment of cash pursuant to clause (i) above and the issuance of shares pursuant to clause (ii) above; and/or

(c) provide that (i) some or all outstanding Options become exercisable in full or in part, either immediately or upon a subsequent termination of employment or service, (ii) the restriction period applicable to some or all outstanding Restricted Share Awards and Restricted Share Unit Awards lapse in full or in part, either immediately or upon a subsequent termination of employment or service, (iii) the Performance Period applicable to some or all outstanding Awards lapse in full or in part and (iv) the Performance Measures applicable to some or all outstanding Awards shall be deemed to be satisfied at the target or any other level.

(d) A “**Change of Control**” of the Company shall be deemed to have occurred upon the occurrence of any of the following events:

(i) the acquisition, other than from the Company, by any individual, entity or group (within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act) of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 50% or more of either the then outstanding Shares of the Company or the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors, but excluding, for this purpose, any such acquisition by the Company or any of its Subsidiaries, or any employee benefit plan (or related trust) of the Company or its Subsidiaries, or any corporation or other company with respect to which, following such acquisition, more than 50% of, respectively, the then outstanding Shares of such corporation and the combined voting power of the then outstanding voting securities of such corporation entitled to vote generally in the election of all or substantially all directors is then beneficially owned, directly or indirectly, by the individuals and entities who were the beneficial owners, respectively, of Shares and voting securities of the Company immediately prior to such acquisition in substantially the same proportion as their ownership, immediately prior to such acquisition, of the then outstanding Shares of the Company or the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors, as the case may be;

(ii) the consummation of a reorganization, merger or consolidation of the Company, in each case, with respect to which all or substantially all of the individuals and entities who were the respective beneficial owners of Shares and voting securities of the Company immediately prior to such reorganization, merger or consolidation do not, following such reorganization, merger or consolidation, beneficially own, directly or indirectly, more than 50% of, respectively, the then outstanding Shares and the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the corporation or other company resulting from such reorganization, merger or consolidation;

(iii) during any twenty-four (24) month period, individuals who, as of the beginning of such period, constitute the Board (the “Incumbent Directors”) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the beginning of such period whose election or nomination for election was approved by a vote of at least a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall be an Incumbent Director; *provided, however*, that no individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to directors or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director;

-
- (iv) a complete liquidation or dissolution of the Company or of the sale or other disposition of all or substantially all of the assets of the Company; or
- (v) a “Sale of the Company” as defined in the Eighth Amended and Restated Bye-laws of the Company, as they may be further amended, supplemented, restated or otherwise modified from time to time.

In no event shall a Change in Control include the IPO or any bona fide primary or secondary public offering following the occurrence of the IPO.

ARTICLE XI

RESTRICTIONS ON AWARDS

11.1 Compliance With Securities Laws.

No Awards shall be granted under the Plan, and no Shares shall be issued and delivered pursuant to Awards granted under the Plan, unless and until the Company and/or the Participant shall have complied with all applicable Federal, state or foreign registration, listing and/or qualification requirements and all other requirements of law or of any regulatory agencies having jurisdiction.

All Awards granted under the Plan and all Shares, other securities, cash or other property delivered pursuant to an Award are subject to forfeiture, recovery by the Company or other action pursuant to any clawback or recoupment policy which the Company may adopt from time to time, including without limitation any such policy which the Company may be required to adopt under the Dodd-Frank Wall Street Reform and Consumer Protection Act and implementing rules and regulations thereunder, or as otherwise required by law.

The Committee in its discretion may, as a condition to the delivery of any Shares pursuant to any Award granted under the Plan, require the applicable Participant (i) to represent in writing that the Shares received pursuant to such Award are being acquired for investment and not with a view to distribution and (ii) to make such other representations and warranties as are deemed reasonably appropriate by the Committee.

11.2 Nonassignability; Nontransferability of Awards.

No Award granted under this Plan shall be assignable or otherwise transferable by the Participant, except by designation of a beneficiary, by will or by the laws of descent and distribution, or as otherwise provided in the applicable Award Agreement. An Award may be exercised during the lifetime of the Participant only by the Participant, unless the Participant becomes subject to a Disability. If a Participant dies or becomes subject to a Disability, his Options shall thereafter be exercisable, during the period specified in the applicable Award Agreement (as the case may be), by his designated beneficiary or if no beneficiary has been designated in writing, by his executors or administrators to the full extent (but only to such extent) to which such Options were exercisable by the Participant at the time of (and after giving effect to any vesting that may occur in connection with) his death or Disability.

11.3 No Right to an Award or Grant

Neither the adoption of the Plan nor any action of the Board or the Committee shall be deemed to give an employee, director, consultant or independent contractor any right to be granted an Option to purchase Shares or to receive an Award under the Plan, except as may be evidenced by an Award Agreement duly executed on behalf of the Company, and then only to the extent of and on the terms and conditions expressly set forth in the Award Agreement. The Plan will be unfunded. The Company will not be required to establish any special or separate fund or to make any other segregation of funds or assets to assure the payment of any Award.

11.4 No Evidence of Employment or Service

Nothing contained in the Plan or in any Award Agreement shall confer upon any Participant any right with respect to the continuation of his employment by or service with the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, any such Subsidiary or the Asset Management Company, in its sole discretion (subject to the terms of any separate agreement to the contrary), at any time to terminate such employment or service or to increase or decrease the compensation of the Participant from the rate in existence at the time of the grant of an Award.

11.5 Rights as Shareholder

Except as otherwise provided herein, no person shall have any right as a shareholder of the Company with respect to any Shares or other equity security of the Company which is subject to an Award hereunder unless and until such person becomes a shareholder with respect to such Shares or equity security.

ARTICLE XII

TERM OF THE PLAN

This Plan shall become effective on the Effective Date and, unless terminated earlier by the Board, shall terminate on the Termination Date. No Awards may be granted after the Termination Date. Any Award outstanding as of the Termination Date shall remain in effect and the terms of the Plan will apply until such Award terminates as provided in the Plan or the applicable Award Agreement.

ARTICLE XIII

AMENDMENT OF PLAN

The Plan may be modified or amended in any respect, and at any time or from time to time, by the Board. Notwithstanding the foregoing, the Plan may not be modified or amended as it pertains to any existing Award Agreement without the consent of an applicable Participant where such modification or amendment would materially impair the rights of such Participant, it being understood that the modification of Option Price, exercise period, purchase price, repurchase price or vesting terms shall be deemed to materially impair the rights of Participants, unless such modifications are made pursuant to Article X. In addition, no such amendment shall

be made without the approval of the Company's shareholders to the extent such approval is required by applicable law, rule or regulation, including Section 162(m) of the Code and any rule of the New York Stock Exchange, or if Shares are not listed on the New York Stock Exchange, any rule of the principal stock exchange on which Shares are then traded.

Unless the Committee determines that more Shares may be delivered or withheld without an adverse accounting consequence to the Company, Shares to be delivered or withheld may not have an aggregate Fair Market Value in excess of the amount required to be withheld except that any fraction of a Share which would be required to satisfy such an obligation shall be rounded up to the nearest whole number.

ARTICLE XVI

Each Participant shall prepare such forms as are required to make an election under Section 83(b) of the Code. ARTICLE XVIII

SECTION 16 COMPLIANCE

It is intended that the Plan and any Award made to a Participant subject to Section 16 of the Exchange Act will meet all of the requirements of Rule 16b-3. Accordingly, unless otherwise provided by the Committee, if any provisions of the Plan or any Award would disqualify the Plan or the Award, or would otherwise not comply with Rule 16b-3, such provision or Award will be construed or deemed amended to conform to Rule 16b-3.

ARTICLE XIX

With respect to words used in the Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, and vice versa, as the context requires.

ARTICLE XXI

21.1 Subsidiary Employees.

In the case of a grant of an Award to an employee or director of or consultant to any Subsidiary of the Company or the Asset Management Company, the Company may, if the Committee so directs, issue or transfer the Shares, if any, covered by the Award to the Subsidiary or the Asset Management Company for such lawful consideration as the Committee may specify, upon the condition or understanding that the Subsidiary or the Asset Management Company will transfer the Shares to the employee, director or consultant in accordance with the terms of the Award specified by the Committee pursuant to the provisions of the Plan.

21.2 Foreign Employees and Foreign Law Considerations.

The Committee may grant Awards to individuals who are eligible to participate in the plan who are foreign nationals, who are located outside the United States or who are not compensated from a payroll maintained in the United States, or who are otherwise subject to (or could cause the Company to be subject to) legal or regulatory provisions of countries or jurisdictions outside the United States, on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan, and, in furtherance of such purposes, the Committee may make such modifications, amendments, procedures, or subplans as may be necessary or advisable to comply with such legal or regulatory provisions.

21.3 Erroneously Awarded Compensation.

All Awards and any cash payment or Shares delivered pursuant to an Award, if and to the extent subject to the Dodd-Frank Wall Street Reform and Consumer Protection Act, may be subject to a claw back policy or other incentive compensation policy established from time to time by the Company to comply with such Act.

ARTICLE XXII

GOVERNING LAW

All questions concerning the construction, interpretation and validity of the Plan and the instruments evidencing the Awards granted hereunder shall be governed by and construed and enforced in accordance with the domestic laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware. In furtherance of the foregoing, the internal law of the State of Delaware will control the interpretation and construction of this Plan, even if under such jurisdiction's choice of law or conflict of law analysis, the substantive law of some other jurisdiction would ordinarily apply.

As adopted by the Board of Directors of ATHENE HOLDING LTD. on August 10, 2016.

AMENDED AND RESTATED ATHENE HOLDING LTD.

2009 SHARE INCENTIVE PLAN

AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT

THIS AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT (the "Agreement"), dated as of [●], 2016 (the "Effective Date"), is made between **ATHENE HOLDING LTD.**, a Bermuda exempted company limited by shares (the "Company"), and the Participant set forth on the signature page to this Agreement (the "Participant").

WHEREAS, the Company, acting through the Committee with the consent of the Company's Board of Directors (the "Board"), previously granted to the Participant effective on [●] (the "Grant Date"), a restricted share award pursuant to the Athene Holding Ltd. 2009 Share Incentive Plan (the "Plan"), the terms and conditions of which were set forth in that certain amended and restated restricted share award agreement, dated [●], between the Company and the Participant (the "Prior Award Agreement");

WHEREAS, the Company, acting through the Committee with the consent of the Board, and the Participant have agreed to amend and restate the Prior Award Agreement on the terms and subject to the conditions set forth in this Agreement and the Plan; and

WHEREAS, except as otherwise specifically provided herein, Awards granted by the Company (including those being amended pursuant to this Agreement) are subject to the terms of the Sixth Amended and Restated Shareholders Agreement, by and among the Company and certain of its securityholders, dated as of April 4, 2014 (as it may be further amended from time to time, the "Shareholders Agreement").

NOW, THEREFORE, in consideration of the promises and of the mutual agreements contained in this Agreement, the parties hereto hereby agree as follows:

Section 1. The Plan.

The terms and provisions of the Plan are hereby incorporated into this Agreement as if set forth herein in their entirety. In the event of a conflict between any provision of this Agreement and the Plan, the provisions of this Agreement shall control. A copy of the Plan may be obtained from the Company by the Participant upon request. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings ascribed thereto in the Plan or the Shareholders Agreement, as the case may be.

Section 2. Grant.

Effective on the Grant Date, on the terms and subject to the conditions of the Plan and the Prior Award Agreement, the Company granted to the Participant an Award to receive Restricted Shares (the "Restricted Shares") at a purchase price of \$0.002 per share (the "Purchase Price").

The Company acknowledges that the Participant has paid the Purchase Price in full. The Restricted Shares are separated into two tranches for vesting purposes, the Tranche 1 Restricted Shares ("Tranche 1 Restricted Shares") and Tranche 2 Restricted Shares ("Tranche 2 Restricted Shares"), in the amounts set forth on the signature page hereto.

Section 3. Dividend and Voting Rights.

A Participant who holds Restricted Shares shall not have the rights of a shareholder with respect to such shares, including the right to vote, if any, thereon until such Restricted Shares vest in accordance with Section 4. Notwithstanding the foregoing, at any time after a Return of Investment (as defined below) has been achieved, in the event the Company pays a dividend on Shares, the Participant shall be entitled to receive an Adjusted Dividend (as defined below) on the Restricted Shares (the "Specified Shares") held by the Participant; provided that under no circumstances shall any such Adjusted Dividend be paid prior to the achievement of a Return on Investment (as defined below). An "Adjusted Dividend" means, with respect to each dividend declared and paid on Shares by the Company following the achievement of a Return on Investment (including, with respect to the dividend which causes a Return of Investment to be achieved, the portion, if any, of such dividend in excess of the amount necessary to cause a Return of Investment), the per share dividend calculated by determining the total amount of dividends that would have been payable on the Specified Shares, and dividing this amount by the number of Specified Shares. "Return of Investment" shall be the time at which dividends (whether in cash or specie) or consideration in redemption shall have been paid, or Realized Cash shall have been received, or deemed to be received as determined in accordance with Exhibit A, with respect to the Class A Common Shares issued prior to July 13, 2011 in an amount equal to the Relevant Investor's pro rata portion of the Group 1 Preference Amount (as such terms are defined in the Bye-laws). For the avoidance of doubt, after a Return of Investment, dividends on vested Restricted Shares shall be paid at the same time that such dividends are paid to other stockholders.

Section 4. Vesting. All Tranche 1 Restricted Shares and Tranche 2 Restricted Shares are non-forfeitable hereunder ("Vested Shares").

Section 5. Limitations upon Liquidation and Distributions.

Notwithstanding anything to the contrary herein or in the Plan or the Shareholders Agreement, it is the intent and agreement of the parties hereto that upon (i) a Liquidation of the Company, any distributions on or proceeds in respect of Vested Shares shall only be paid to the extent a Return of Investment has been achieved and (ii) Vested Shares shall not be entitled to any dividends until the achievement of a Return of Investment. For this purpose, a Return of Investment shall be determined including sale proceeds and deemed sale proceeds which shall be determined as set forth on Exhibit A hereto.

Section 6. Restrictions on Transfer.

(a) Restrictions After Vesting. Notwithstanding anything to the contrary, Vested Shares shall continue to be subject to all limitations and restrictions set forth herein (including Section 6(d) below), in the Plan and in the Shareholders Agreement.

(b) Transfers Void. Any sale or transfer, or purported sale or transfer, of any Restricted Shares acquired pursuant to this Agreement or any interest therein other than to the Company shall be null and void except to the extent transferred in accordance with the Company's estate planning policy.

(c) Charter Documents. The Certificate of Altered Memorandum of Association, the Bye-laws of the Company, the Subscription Agreement, the Registration Rights Agreement and the Shareholders Agreement (collectively, the "Other Agreements"), as any of them may be amended from time to time, may provide for additional restrictions and limitations with respect to the Shares (including additional restrictions and limitations relating to the preference return on common equity of the Company to the shareholders of such equity and on the transfer of Shares). To the extent that the restrictions and limitations set forth in the Other Agreements are greater than those set forth in this Agreement, such restrictions and limitations shall apply to the Vested Shares and are incorporated herein by this reference. The restrictions and limitations set forth in such Other Agreements are not, however, in lieu of, nor shall they in any way reduce or eliminate, any limitation or restriction on the Shares imposed under the Plan or this Agreement, including Section 6(d) below. In the event of any conflict between the terms of the Other Agreements and the terms of the Plan or this Agreement, the terms contained in the Plan or this Agreement shall be controlling.

(d) Call Rights. Notwithstanding anything herein or in the Other Agreements to the contrary (including Section 3.7 of the Shareholders Agreement), the Participant and the Company agree that the provisions of this Section 6(d) shall apply with respect to the Vested Shares ("Subject Shares").

(i) Within 270 days following a Participant's Termination of Relationship for any reason (or the date on which the Restricted Shares become Vested Shares, if later), the Company shall have the right (but not the obligation) to repurchase all or any portion of the Subject Shares, and the Participant shall be obligated to sell any such Subject Shares in accordance with this Section 6(d). Any Permitted Transferee that received Subject Shares pursuant to clause (b) of the definition of Permitted Transfer as set forth in the Shareholders Agreement shall be subject to this Section 6(d) as if such Permitted Transferee and the Participant through which such Permitted Transferee received such Subject Shares are one and the same. For the avoidance of doubt, the Company's repurchase of a portion of the Subject Shares held by the Participant (or Permitted Transferee) shall not preclude the Company from repurchasing additional Subject Shares held by such Participant (or Permitted Transferee) at a later date or dates within the 270-day period(s) described above.

(ii) In the event that the Company wishes to exercise its rights pursuant to this Section 6(d), the Company shall deliver to such Participant (or his or her heirs or representatives), a timely written notice (the "Repurchase Notice") that sets forth (i) the number of Subject Shares the Company is repurchasing, (ii) an indication of the price to be paid for each such Subject Shares and (iii) the anticipated closing date of such transaction. The Company shall have the right to revoke the Repurchase Notice at any time prior to the consummation of such repurchase.

(iii) Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(d) shall be consummated on a date (the "Repurchase Date") within thirty (30) calendar days following delivery of a Repurchase Notice. Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(d) shall be made:

(A) with respect to Vested Shares which are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company less the Group 1 Preference Amount (defined below);

(B) with respect to Vested Shares which are repurchased following an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice less the Group 1 Preference Amount; and

(C) with respect to Vested Shares which are repurchased following a Termination of Relationship for Cause, in cash at a price per Vested Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares.

For purposes of this Section 6(d)(iii), "Group 1 Preference Amount" shall have the meaning ascribed to it in Bye-laws of the Company.

(iv) The Repurchase Price (defined below) shall be paid in a lump sum cash payment on the Repurchase Date. The Participant (or Permitted Transferee) hereby agrees that upon his or her receipt of such Repurchase Price, the outstanding Subject Shares then owned by such Participant (or Permitted Transferee) that are sold pursuant to this Section 6(d) shall automatically be transferred, sold and assigned to the Company and the Secretary of the Company shall automatically and irrevocably be appointed to transfer such Subject Shares to the Company on the books of the Company with full power of substitution. For purposes of this Section 6(d), the "Repurchase Price" means the price referred to in Section 6(d)(iii), as applicable.

(v) The Participant (or Permitted Transferee) agrees to provide customary representations and warranties to the Company, including (A) his or her power, authority and legal capacity to enter into such sale and to transfer valid right, title and interest in such Subject Shares; (B) his or her ownership of such Subject Shares and the absence of any liens, pledges, and other encumbrances on such Subject Shares; and (C) the absence of any violation, default, or acceleration of any agreement or instrument pursuant to which such Participant (or Permitted Transferee) or the assets of such Participant (or Permitted Transferee) are bound as the result of such sale.

(vi) If the Participant (or Permitted Transferee) holds Subject Shares which the Company wishes to repurchase in accordance with this Section 6(d), the Participant (or

Permitted Transferee) shall be entitled to payment in accordance with this Section 6(d), but shall no longer be entitled to participation in the Company or enjoy other rights as a shareholder with respect to the Subject Shares subject to such repurchase. To the maximum extent permitted by law, the Participant's (or Permitted Transferee's) rights following the Repurchase Notice, with respect to the repurchase of Subject Shares covered thereby, shall be solely the rights that he or she has as a general creditor of the Company to receive the amount set forth in this Section 6(d).

(vii) For the avoidance of doubt, the provisions of this Section 6(d) shall cease to apply to Vested Shares that have been exchanged for Class A Common Shares pursuant to Section 11. The provisions of this Section 6(d) shall automatically terminate and be of no further force or effect with respect to a Termination of Relationship occurring on or after the IPO Date.

Section 7. Protective Covenants.

(a) Confidential Information. The Participant shall not disclose or use at any time any Confidential Information (as defined below) of which the Participant is or becomes aware, whether or not such information is developed by the Participant, except to the extent that such disclosure or use is directly related to and required by the Participant's performance in good faith of duties for the Company, the Asset Management Company or their respective Affiliates. The Participant shall take all appropriate steps to safeguard Confidential Information in the Participant's possession and to protect it against disclosure, misuse, espionage, loss and theft. The Participant shall deliver to the Company upon the Participant's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, the Asset Management Company or any of their respective Affiliates which the Participant may then possess or have under his or her control. Notwithstanding the foregoing, the Participant may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Participant while providing services to the Company, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and

(xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Participant in breach of this Agreement) in a form generally available to the public prior to the date the Participant proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

Nothing herein (including, without limitation, any provision of this Section 7) shall, or is intended to, limit the Participant's right to file a proceeding with, or provide truthful evidence or other information, to any federal, state or local governmental agency.

(b) Restriction on Competition. The Participant acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. The Participant agrees that if the Participant were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for the Participant not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, the Participant will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of the Participant's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during the Participant's period of service has competed, or any time during the twelve (12) month period following the date of the Participant's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business

conducted by the Protected Companies as of the date of the Participant's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Participant's period of service until his or her Termination of Relationship, and thereafter through and including: (A) twelve (12) months following the Participant's Termination of Relationship with respect to any Participant with a title of CEO, President or EVP at the time of the Termination of Relationship; (B) nine (9) months following the Participant's Termination of Relationship with respect to any Participant with a title of SVP at the time of the Termination of Relationship and (C) six (6) months following the Participant's Termination of Relationship with respect to any Participant with a title of VP at the time of the Termination of Relationship.

Nothing herein shall prohibit the Participant from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Participant has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and the Participant does not provide services to, or have any responsibilities regarding, the Competing Business.

(c) Non-Solicitation of Employees and Consultants. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

(d) Non-Solicitation of Customers. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business away from the Protected Companies, and the Participant will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

(e) Understanding of Covenants. The Participant represents and agrees that he or she (i) is familiar with and carefully considered the foregoing covenants set forth in this Section 7 (together, the "Restrictive Covenants"), (ii) is fully aware of his or her obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Restrictive Covenants are necessary

to protect the Protected Companies' confidential and proprietary information, good will, stable workforce and customer relations, and (v) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 7 regardless of whether the Participant is then entitled to receive severance pay or benefits from any of the Protected Companies. The Participant understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), the Participant does not believe would prevent him or her from otherwise earning a living. The Participant agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of the Participant.

(f) Enforcement. The Participant agrees that the Participant's services are unique and that he or she has access to Confidential Information. Accordingly, the Participant agrees that a breach by the Participant of any of the covenants in this Section 7 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Participant agrees that in the event of any breach or threatened breach of any provision of this Section 7, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 7, as the case may be, or require the Participant to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 7, if and when final judgment of a court of competent jurisdiction is so entered against the Participant. The Participant further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of the Participant's Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 7, shall be extended by the same amount of time that the Participant is in breach of any Restrictive Covenant.

Section 8. Limitation on Benefits.

(a) Notwithstanding anything contained in this Agreement to the contrary, except as provided in Section 8(d), to the extent that any payment, benefit or distribution of any type to or for the benefit of the Participant by the Company or any of its Affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this Agreement or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the "Total Payments") would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code. Unless the Participant shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice

consistent with the requirements of Section 409A of the Code to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. This Section 8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Participant's rights and entitlements to any benefits or compensation.

(b) Any determination that Total Payments to the Participant must be reduced or eliminated in accordance with Section 8(a) and the assumptions to be utilized in arriving at such determination, shall be made by the Board in the exercise of its reasonable, good faith discretion based upon the advice of such professional advisors it may deem appropriate in the circumstances. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Board hereunder, it is possible that Total Payments to the Participant which will not have been made by the Company should have been made ("Underpayment") or that Total Payments to the Participant which were made should not have been made ("Overpayment"). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid by the Company to or for the benefit of the Participant. In the event of an Overpayment, then the Participant shall promptly repay to the Company the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by the Participant to the date the same is repaid to the Company.

(c) If any portion of the Total Payments would otherwise be subject to the excise tax imposed by Section 4999 of the Code (before giving effect to any reduction in Total Payments contemplated by Section 8(a)), the Company shall use its reasonable efforts to obtain (in a manner which satisfies all applicable requirements of Section 280G(b)(5)(B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations) the approval by such number of shareholders of the Company as is required by the terms of Section 280G(b)(5)(B) of the Code so as to render the parachute payment provisions of Section 280G of the Code inapplicable to the Total Payments that would be reduced or eliminated by operation of Section 8(a) if such shareholder approval was not obtained.

(d) Notwithstanding Section 8(a), the Company will pay the full amount of the Total Payments to the Participant if the Participant makes the Company and its Affiliates whole on an after tax basis for any adverse tax consequences imposed on the Company and its Affiliates under Section 280G of the Code as a result of paying the Total Payments to the Participant. The Company acknowledges that the adverse tax consequences to it will be limited by the extent to which it is subject to U.S. income tax.

Section 9. Participant's Employment or Service.

Nothing in this Agreement shall confer upon the Participant any right to continue in the employ or service of the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, its Subsidiaries or the Asset Management Company, as the case may be, in its sole discretion, to terminate the Participant's employment or service or to increase or decrease the Participant's compensation at any time.

Section 10. Delivery of Shares.

(a) Form. The Company has, in its discretion, issued the Restricted Shares either: (1) in certificate form as provided in clause (b) below; or (2) in book entry form, registered in the name of the Participant with notations regarding the applicable restrictions on transfer imposed under this Agreement.

(b) Delivery of Certificates Upon Vesting. Promptly after the date any Restricted Shares become Vested Shares pursuant to Section 4, the Company shall, as applicable, either remove the notations on any such Vested Shares issued in book entry form or deliver to the Participant a certificate or certificates evidencing the number of such Vested Shares (or, in either case, such lesser number of shares as may be permitted pursuant to the tax withholding provisions referred to in Section 19). The Participant shall deliver to the Company any representations or other documents or assurances as the Company may deem necessary or reasonably desirable to ensure compliance with all applicable legal and regulatory requirements. The shares so delivered shall be subject to the restrictions referred to in Section 6(b), Section 6(c) and Section 6(d).

(c) Power of Attorney. The Participant, by acceptance of the Award, shall be deemed to appoint, and does so appoint by execution of this Agreement, the Company and each of its authorized representatives as the Participant's attorney(s)-in-fact to (1) effect any transfer to the Company (or other purchaser, as the case may be) of the Restricted Shares acquired pursuant to this Agreement that are repurchased by or forfeited to the Company (or other permitted purchaser), and (2) execute such documents as the Company or such representatives deem necessary or advisable in connection with any such transfer.

(d) Share Legend Generally. The certificate(s) representing the Restricted Shares shall bear the legend set forth in Section 7.2 of the Plan and/or any other appropriate or required legends under applicable laws. Such legends shall remain on the certificate(s) representing the Restricted Shares until the later of an IPO or such later date that counsel to the Company may reasonably determine is advisable to help ensure the Company's compliance with all applicable legal and regulatory requirements.

Section 11. Exchange of Restricted Shares.

(a) The Participant shall exchange all of the Vested Shares into Class A Common Shares by surrendering a portion of the Vested Shares to be exchanged to the Company. Vested Shares shall be exchanged for a number of Class A Common Shares of the Company determined by the product of (i) the number of Vested Shares being exchanged multiplied by (ii) the quotient obtained by dividing (A) the result of (x) the value of a Class A Common Share determined using the Valuation Method elected as provided below (the "Class A Value") less (y) \$10.00 less the per share dividends and other distributions, if any, previously paid by the Company in respect of the Class A Common Shares by (B) the Class A Value. The Participant shall within 10 days after the Effective Date (such tenth day, the "Election Date") elect one or more of the following

valuation methods (each, a "Valuation Method") in ten percent increments using Exhibit C hereto to effect the exchange of Vested Shares: (a) the value of a Class A Common Share determined by the Company as of the Election Date ("Private Valuation"); (b) the price at which the Company and the underwriters agree to offer and actually sell Class A Common Shares to the public in the IPO ("IPO Price") and (c) the Fair Market Value of a Class A Common Share on the applicable exchange date ("Post-IPO Installments").

(b) Exchanges using (i) the Private Valuation method will occur on the Election Date, with settlement occurring as soon as reasonably practicable thereafter, (ii) the IPO Price will occur on the IPO Date, with settlement occurring as soon as reasonably practicable following the IPO Date, and (iii) Post-IPO Installments will occur in six substantially equal installments on the 10th trading day of each of the first six calendar months beginning with the month following the month in which the IPO Date falls, with settlement occurring as soon as reasonably practicable following the applicable 10th trading day.

(c) As a condition to an exchange the Company may require that the Participant deliver to the Company an agreement or certificate containing such representations, warranties and covenants as the Company reasonably requires.

(d) Notwithstanding anything to the contrary in this Section 11, the Company, in its sole discretion, may elect not to issue any fractional Class A Common Shares upon the exchange of Vested Shares for Class A Common Shares and, in lieu of issuing such fractional Class A Common Shares, may, in its sole discretion, either (i) deliver to the Participant the number of Class A Common Shares equal to the next highest whole share or (ii) pay to the Participant, in cash, an amount equal to the value of such fractional Class A Common Shares determined using the Class A Value.

Section 12. Securities Law Representations.

The Participant hereby represents and warrants to the Company as set forth on Exhibit B hereto.

Section 13. Notices.

All notices, claims, certifications, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been duly given and delivered if personally delivered or if sent by nationally-recognized overnight courier, by telecopy, or by registered or certified mail, return receipt requested and postage prepaid, addressed as follows:

Section 14. Waiver of Breach.

The waiver by either party of a breach of any provision of this Agreement must be in writing and shall not operate or be construed as a waiver of any other or subsequent breach.

Section 15. Participant's Undertaking.

The Participant hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of this Agreement and the Plan; provided, however, that such additional actions and documents are consistent with the terms of this Agreement.

Section 16. Modification of Rights.

The rights of the Participant are subject to modification and termination in certain events as provided in this Agreement and the Plan (with respect to the Restricted Shares granted hereby). Notwithstanding the foregoing, the Participant's rights under this Agreement and the Plan may not be materially impaired without the Participant's prior written consent.

Section 17. Governing Law.

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD

CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF DELAWARE WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

Section 18. Arbitration.

Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto, will be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claims. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules for the Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in the State of Delaware before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator will be final, conclusive, unappealable and binding on the parties. The arbitration proceeding shall be confidential except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

Section 19. Withholding and Other Tax Issues.

The Company's obligation to deliver the Restricted Shares or any certificates evidencing the Restricted Shares, or otherwise remove the restrictive notations or legends on such shares or certificates is subject to the condition precedent that the Participant either pay (in cash or Shares) or provide for the amount of any such withholding obligations in such manner as may be authorized by the Committee under Article XV of the Plan. The Participant covenants and agrees to hold harmless and indemnify the Company, to the fullest extent permitted by applicable law, for any and all withholding taxes, penalties, fines and amounts paid in settlement of obligations related to any federal, state, local or other income, employment or other taxes with respect to the grant, vesting or making an election under Section 83(b) of the Code or other event with respect to the Restricted Shares.

Section 20. Adjustment.

In the event of any event described in Article X of the Plan occurring after the Grant Date, the adjustment provisions as provided for under Article X of the Plan shall apply to the Restricted Shares. If any adjustment is made to the Restricted Shares pursuant to Article X of the Plan, the restrictions applicable to the Restricted Shares will continue in effect with respect to

any consideration or other securities (the “Restricted Property” and, for the purposes of this Agreement, “Restricted Shares” shall include “Restricted Property,” unless the context otherwise requires) received in respect of such Restricted Shares. Such Restricted Property shall vest at such times and in such proportion as the Restricted Shares to which the Restricted Property is attributable vest, or would have vested pursuant to the terms hereof if such Restricted Shares had remained outstanding.

Section 21. Counterparts.

This Agreement may be executed in one or more counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts together shall constitute but one agreement.

Section 22. Entire Agreement.

This Agreement and the Plan (and the other writings referred to herein) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto, including the Prior Award Agreement.

Section 23. Severability.

It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 24. Waiver of Jury Trial.

Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, trial by jury in any suit, action or proceeding arising hereunder.

3. For the avoidance of doubt, for purposes of this Agreement, the Relevant Investor Shares shall not include any Class A Common Shares of the Company acquired by the Relevant Investor after July 12, 2011.

4. In the event of a sale or deemed sale by the Relevant Investor of less than 100% of the Relevant Investor Shares, for purposes of determining Realized Cash, the Relevant Investor will be deemed to sell such shares on a “first in, first out” basis.
 5. All decisions by the Committee with respect to any calculations pursuant to this Agreement, including, without limitation, the determination of Realized Cash, Relevant Investor Investment and the date, if any, that Realized Cash exceeds any of the applicable targets, shall be reasonable and made in good faith and, absent manifest error, shall be final and binding on the Participant.

Securities Law Representations

The Participant, by executing this Agreement, hereby makes the following representations to the Company and acknowledges that the Company's reliance on federal, state and foreign securities law exemptions from registration and qualification is predicated, in substantial part, upon the accuracy of these representations:

(a) The Participant acknowledges that the Restricted Shares are not being registered under the Securities Act of 1933, as amended (the "Securities Act"), based, in part, on either (i) reliance upon an exemption from registration under Securities and Exchange Commission Rule 701 promulgated under the Securities Act or (ii) the fact that the Participant is an "accredited investor" (as defined under the Securities Act and the rules and regulations promulgated thereunder), and, in each of (i) and (ii) above, a comparable exemption from qualification under applicable state securities laws, as each may be amended from time to time.

(b) The Participant is an "accredited investor" within the meaning of Rule 501(a)(1), (2) or (3) of the Securities Act.

(c) The Participant has acquired the Restricted Shares solely for the Participant's own account, for investment purposes only, and not with a view to or an intent to sell, or to offer for resale in connection with any unregistered distribution, all or any portion of the Restricted Shares within the meaning of the Securities Act and/or any applicable state securities laws.

(d) The Participant acknowledges that he has not acquired the Restricted Shares as a result of any general solicitation or general advertising in the United States, including any meeting whose attendees have been invited by general solicitation or general advertising.

(e) The Participant has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the Restricted Shares and the restrictions imposed on any Shares. The Participant has been furnished with, and/or has access to, such information as he considers necessary or appropriate for deciding whether to purchase the Restricted Shares. However, in evaluating the merits and risks of an investment in the Shares, the Participant has and will rely only upon the advice of his own legal counsel, tax advisors, and/or investment advisors.

(f) The Participant is aware that the Restricted Shares may be of no practical value, that any value they may have depend on vesting as well as the performance of the Company and the market generally, and that any investment in common shares of a closely held corporation such as the Company is non-marketable, non-transferable and could require capital to be invested for an indefinite period of time, possibly without return, and at substantial risk of loss.

(g) The Participant understands that the Restricted Shares are being offered in a transaction not involving any public offering within the United States within the meaning of the Securities Act and that the Restricted Shares have not been and will not be registered under the Securities Act,

and that the Restricted Shares are “restricted securities” as defined by Rule 144(a)(3) under the Securities Act, and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances, including in accordance with the conditions of Rule 144 promulgated under the Securities Act or in an offshore transaction meeting the requirements of Rule 903 or 904 of Regulation S under the Securities Act, each as presently in effect. The Participant acknowledges reviewing a copy of Rule 144 promulgated under the Securities Act and Regulation S under the Securities Act, as presently in effect, and represents that he is familiar with such rule, and understands the resale limitations imposed thereby and by the Securities Act and the applicable state securities law.

(h) The Participant agrees that he will comply with all applicable laws and regulations in effect in any jurisdiction in which he sells any of the securities or otherwise transfers any interest therein.

(i) The Participant has read and understands the restrictions and limitations set forth in the Shareholders Agreement, the Plan and this Agreement.

(j) The Participant understands and acknowledges that, if and the Restricted Shares vest, (a) any certificate evidencing the Vested Shares (or evidencing any other securities issued with respect thereto pursuant to any share split, share dividend, merger or other form of reorganization or recapitalization) when issued shall bear any legends which may be required by applicable federal and state securities laws, and (b) except as otherwise provided under the Shareholders Agreement, the Company has no obligation to register the Shares or file any registration statement under federal or state securities laws.

2012 SHARE INCENTIVE PLAN

AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT

THIS AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT (the "Agreement"), dated as of [●], 2016 (the "Effective Date"), is made between **ATHENE HOLDING LTD.**, a Bermuda exempted company limited by shares (the "Company"), and the Participant set forth on the signature page to this Agreement (the "Participant").

WHEREAS, the Company, acting through the Committee with the consent of the Company's Board of Directors (the "Board"), previously granted to the Participant, effective on [●] (the "Grant Date"), a restricted share award pursuant to the Athene Holding Ltd. 2012 Share Incentive Plan (the "Plan"), the terms and conditions of which were set forth in that certain amended and restated restricted share award agreement, dated [●], between the Company and the Participant (the "Prior Award Agreement");

WHEREAS, the Company, acting through the Committee with the consent of the Board, and the Participant have agreed to amend and restate the Prior Award Agreement on the terms and subject to the conditions set forth in this Agreement and the Plan; and

WHEREAS, except as otherwise specifically provided herein, Awards granted by the Company (including those being amended pursuant to this Agreement) are subject to the terms of the Sixth Amended and Restated Shareholders Agreement, by and among the Company and certain of its securityholders, dated as of April 4, 2014 (as it may be further amended from time to time, the "Shareholders Agreement").

NOW, THEREFORE, in consideration of the promises and of the mutual agreements contained in this Agreement, the parties hereto hereby agree as follows:

Section 1. The Plan.

The terms and provisions of the Plan are hereby incorporated into this Agreement as if set forth herein in their entirety. In the event of a conflict between any provision of this Agreement and the Plan, the provisions of this Agreement shall control. A copy of the Plan may be obtained from the Company by the Participant upon request. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings ascribed thereto in the Plan or the Shareholders Agreement, as the case may be.

Section 2. Grant.

Effective on the Grant Date, on the terms and subject to the conditions of the Plan and the Prior Award Agreement, the Company granted to the Participant an Award to receive Restricted Shares (the "Restricted Shares") at a purchase price of \$0.001 per share (the "Purchase Price").

The Company acknowledges that the Participant has paid the Purchase Price in full. The Restricted Shares are separated into two tranches for vesting purposes, the Tranche 1 Restricted Shares ("Tranche 1 Restricted Shares") and Tranche 2 Restricted Shares ("Tranche 2 Restricted Shares"), in the amounts set forth on the signature page hereto.

Section 3. Dividend and Voting Rights.

A Participant who holds Restricted Shares shall not have the rights of a shareholder with respect to such shares, including the right to vote, if any, thereon until such Restricted Shares vest in accordance with Section 4. Notwithstanding the foregoing, at any time after a Return of Investment (as defined below) has been achieved, in the event the Company pays a dividend on Shares, the Participant shall be entitled to receive an Adjusted Dividend (as defined below) on the Restricted Shares (the "Specified Shares") held by the Participant that would have been eligible to receive the dividend but for the fact that such Shares were not vested. The Adjusted Dividend shall be payable, from time to time, within two and one-half months after all or any portion of the Specified Shares vest pursuant to Section 4(a); provided that under no circumstances shall any such Adjusted Dividend be paid prior to the achievement of a Return on Investment (as defined below). An "Adjusted Dividend" means, with respect to each dividend declared and paid on Shares by the Company following the achievement of a Return on Investment (including, with respect to the dividend which causes a Return of Investment to be achieved, the portion, if any, of such dividend in excess of the amount necessary to cause a Return of Investment), the per share dividend calculated by determining the total amount of dividends that would have been payable on the Specified Shares, assuming, solely for this purpose, that the time hurdles under Section 4(a) below were fully satisfied as of the time that such dividend was paid, and dividing this amount by the number of Specified Shares. "Return of Investment" shall be the time at which dividends (whether in cash or specie) or consideration in redemption shall have been paid, or Realized Cash shall have been received, or deemed to be received as determined in accordance with Exhibit A, with respect to the Class A Common Shares subscribed for after July 12, 2011 in an amount equal to the Relevant Investor's pro rata portion of the Group 2 Preference Amount (as such terms are defined in the Bye-laws). For the avoidance of doubt, after a Return of Investment, dividends on vested Restricted Shares shall be paid at the same time that such dividends are paid to other stockholders.

If the Participant forfeits any unvested Restricted Shares, the Participant shall also forfeit any payments related to dividends otherwise deliverable in connection with the forfeited Restricted Shares.

Section 4. Vesting.

Subject to the Participant's not having a Termination of Relationship prior to the applicable vesting date (except as provided in Section 4(a)(ii) and Section 4(a)(iii)), the Restricted Shares shall become non-forfeitable and the restrictions imposed thereon pursuant to Section 6(a) shall lapse (any Restricted Shares that shall have become non-forfeitable pursuant to Section 4, the "Vested Shares") according to the following provisions:

(a) Tranche 1 Restricted Shares.

(i) Twenty-percent (20%) of the Tranche 1 Restricted Shares shall become Vested Shares on each of the 1st, 2nd, 3rd, 4th and 5th anniversaries of [●], and prior to becoming vested, shall be subject to the restrictions set forth in Section 6(a).

(ii) In the event of the consummation of a Sale of the Company or upon the occurrence of a Change in Control (A) prior to the Participant's Termination of Relationship or (B) within six (6) months following a Termination of Relationship of the Participant by the Company, its Subsidiaries and/or the Asset Management Company without Cause, by the Participant for Good Reason or as a result of the Participant's death or Disability (each, a "Qualifying Termination") the Tranche 1 Restricted Shares which have not theretofore vested or been forfeited shall vest in full and shall become Vested Shares. "Change in Control" means any event or series of events by which (i) the Apollo Group ceases to own, directly or indirectly, equity interests in the Company ("Equity Interests") representing 40% or more on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company, and (ii) any "person" or "group" (as such terms are used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of a greater percentage on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company than such percentage owned by the Apollo Group. For purposes of the definition of Change in Control, "Apollo Group" means (i) Apollo Global Management, LLC, any investment fund or managed account managed by Apollo Global Management, LLC and any of their respective Affiliates (in each case, other than any operating portfolio companies of an Apollo managed fund or the Company or any of the Company's Subsidiaries), and (ii) any employees of or consultants to the entities described in clause (i) of this sentence.

(iii) In the event that the Participant is party to a written employment agreement with either the Company, any of its Subsidiaries or with the Asset Management Company, any vesting provisions applicable to the Tranche 1 Restricted Shares contained therein are hereby incorporated by reference into this Agreement.

(iv) For the avoidance of doubt, any Tranche 1 Restricted Shares that are unvested on the date of the Participant's Termination of Relationship (excluding any Restricted Shares that are eligible to vest pursuant to Section 4(a)(iii)) shall be forfeited to the Company as of such date in accordance with Section 6; provided, that, any Tranche 1 Restricted Shares that are eligible to vest following the Participant's Qualifying Termination pursuant to Section 4(a)(ii) shall be forfeited to the Company on the date that is six (6) months following the date of the Participant's Qualifying Termination, to the extent then unvested.

(b) Tranche 2 Restricted Shares.

All Tranche 2 Restricted Shares are non-forfeitable hereunder.

Section 5. Limitations upon Liquidation and Distributions.

Notwithstanding anything to the contrary herein or in the Plan or the Shareholders Agreement, it is the intent and agreement of the parties hereto that upon (i) a Liquidation of the Company, any distributions on or proceeds in respect of Vested Shares shall only be paid to the extent a Return of Investment has been achieved and (ii) Vested Shares shall not be entitled to any dividends until the achievement of a Return of Investment. For this purpose, a Return of Investment shall be determined including sale proceeds and deemed sale proceeds which shall be determined as set forth on Exhibit A hereto.

Section 6. Restrictions on Transfer.

(a) Restrictions Prior to Vesting; Effect of Termination of Employment Prior to Vesting Prior to the time that the Restricted Shares have become Vested Shares pursuant to Section 4, the Restricted Shares, any interest therein or any amount payable in respect thereof shall not be sold or Transferred. Except as expressly provided in Section 4(a)(ii) and Section 4(a)(iii) as to the Tranche 1 Restricted Shares, if the Participant ceases to be employed by or ceases to provide services to the Company, a Subsidiary or the Asset Management Company (other than by virtue of any transfer of the Participant's employment or services as among the Company, a Subsidiary and the Asset Management Company), the Participant's Restricted Shares shall be forfeited to the Company to the extent such shares have not become Vested Shares pursuant to Section 4 as of the date of the Participant's Termination of Relationship (regardless of the reason for such termination of employment or service, whether with or without cause, voluntarily or involuntarily, or due to death or Disability). Restricted Shares subject to Section 4(a)(ii) and Section 4(a)(iii) shall be forfeited on the date or dates such Restricted Shares are no longer eligible to vest pursuant to such provisions to the extent that such Restricted Shares do not become Vested Shares prior to such date or dates. In addition, in the event of the earliest to occur of (i) a Sale of the Company, (ii) a Liquidation of the Company, or (iii) the ten (10) year anniversary of the Grant Date, the Participant's Restricted Shares shall be forfeited to the Company immediately prior to the occurrence of such event to the extent such shares have not become Vested Shares or to the extent that such shares shall not otherwise become Vested Shares upon the consummation of the Sale of the Company or the Liquidation of the Company. Upon the occurrence of any forfeiture of Restricted Shares hereunder, such forfeited Restricted Shares shall be automatically transferred to the Company as of the date of such forfeiture, without any other action by the Participant. The Company may exercise its powers under Section 10(d) hereof and take any other action necessary or advisable to evidence such transfer. The Participant shall deliver any additional documents of transfer that the Company may request to confirm the transfer of such forfeited Restricted Shares to the Company. Within a reasonable period of time following the Company's receipt of such forfeited Restricted Shares, and any other documents required pursuant to the preceding sentence, the Company shall pay to the Participant (in the form of a check or by cancellation of money purchase indebtedness) an amount equal to the lesser of (i) the original Purchase Price paid by the Participant for the forfeited Restricted Shares, or (ii) the Fair Market Value of the forfeited Restricted Shares

determined as of date of such forfeiture. No interest shall be paid with respect to and no other adjustments (other than adjustments in accordance with Article X of the Plan) shall be made to the repurchase amount determined pursuant to the preceding sentence.

(b) Restrictions After Vesting. Upon and after the time that any Restricted Shares have become Vested Shares pursuant to Section 4, such Vested Shares shall not continue to be subject to the restrictions set forth in Section 6(a), but such Vested Shares shall continue to be subject to the other limitations and restrictions set forth herein (including Section 6(e) below), in the Plan and in the Shareholders Agreement.

(c) Transfers Void. Any sale or transfer, or purported sale or transfer, of any Restricted Shares acquired pursuant to this Agreement or any interest therein other than to the Company shall be null and void except to the extent transferred in accordance with the Company's estate planning policy.

(d) Charter Documents. The Certificate of Altered Memorandum of Association, the Bye-laws of the Company, the Subscription Agreement, the Registration Rights Agreement and the Shareholders Agreement (collectively, the "Other Agreements"), as any of them may be amended from time to time, may provide for additional restrictions and limitations with respect to the Shares (including additional restrictions and limitations relating to the preference return on common equity of the Company to the shareholders of such equity and on the transfer of Shares). To the extent that the restrictions and limitations set forth in the Other Agreements are greater than those set forth in this Agreement, such restrictions and limitations shall apply to the Restricted Shares as well as any Restricted Shares that may have become Vested Shares and are incorporated herein by this reference. The restrictions and limitations set forth in such Other Agreements are not, however, in lieu of, nor shall they in any way reduce or eliminate, any limitation or restriction on the Shares imposed under the Plan or this Agreement, including Section 6(e) below. In the event of any conflict between the terms of the Other Agreements and the terms of the Plan or this Agreement, the terms contained in the Plan or this Agreement shall be controlling.

(e) Call Rights. Notwithstanding anything herein or in the Other Agreements to the contrary (including Section 3.7 of the Shareholders Agreement), the Participant and the Company agree that the provisions of this Section 6(e) shall apply with respect to the Vested Shares ("Subject Shares").

(i) Within 270 days following a Participant's Termination of Relationship for any reason (or the date on which the Restricted Shares become Vested Shares, if later), the Company shall have the right (but not the obligation) to repurchase all or any portion of the Subject Shares, and the Participant shall be obligated to sell any such Subject Shares in accordance with this Section 6(e). Any Permitted Transferee that received Subject Shares pursuant to clause (b) of the definition of Permitted Transfer as set forth in the Shareholders Agreement shall be subject to this Section 6(e) as if such Permitted Transferee and the Participant through which such Permitted Transferee received such Subject Shares are one and the same. For the avoidance of doubt, the Company's repurchase of a portion of the Subject Shares held by the Participant (or Permitted Transferee) shall not preclude the Company from repurchasing additional Subject Shares held by such Participant (or Permitted Transferee) at a later date or dates within the 270-day period(s) described above.

(ii) In the event that the Company wishes to exercise its rights pursuant to this Section 6(e), the Company shall deliver to such Participant (or his or her heirs or representatives), a timely written notice (the "Repurchase Notice") that sets forth (i) the number of Subject Shares the Company is repurchasing, (ii) an indication of the price to be paid for each such Subject Shares and (iii) the anticipated closing date of such transaction. The Company shall have the right to revoke the Repurchase Notice at any time prior to the consummation of such repurchase.

(iii) Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be consummated on a date (the "Repurchase Date") within thirty (30) calendar days following delivery of a Repurchase Notice. Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be made:

(A) with respect to Vested Shares which are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company less the Group 2 Preference Amount (defined below);

(B) with respect to Vested Shares which are repurchased following an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice less the Group 2 Preference Amount; and

(C) with respect to Vested Shares which are repurchased following a Termination of Relationship for Cause, in cash at a price per Vested Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares.

For purposes of this Section 6(e)(iii), "Group 2 Preference Amount" shall have the meaning ascribed to it in Bye-laws of the Company.

(iv) The Repurchase Price (defined below) shall be paid in a lump sum cash payment on the Repurchase Date. The Participant (or Permitted Transferee) hereby agrees that upon his or her receipt of such Repurchase Price, the outstanding Subject Shares then owned by such Participant (or Permitted Transferee) that are sold pursuant to this Section 6(e) shall automatically be transferred, sold and assigned to the Company and the Secretary of the Company shall automatically and irrevocably be appointed to transfer such Subject Shares to the Company on the books of the Company with full power of substitution. For purposes of this Section 6(e), the "Repurchase Price" means the price referred to in Section 6(e)(iii), as applicable.

(v) The Participant (or Permitted Transferee) agrees to provide customary representations and warranties to the Company, including (A) his or her power, authority and legal capacity to enter into such sale and to transfer valid right, title and interest in such Subject Shares; (B) his or her ownership of such Subject Shares and the absence of any liens, pledges, and other encumbrances on such Subject Shares; and (C) the absence of any violation, default, or acceleration of any agreement or instrument pursuant to which such Participant (or Permitted Transferee) or the assets of such Participant (or Permitted Transferee) are bound as the result of such sale.

(vi) If the Participant (or Permitted Transferee) holds Subject Shares which the Company wishes to repurchase in accordance with this Section 6(e), the Participant (or Permitted Transferee) shall be entitled to payment in accordance with this Section 6(e), but shall no longer be entitled to participation in the Company or enjoy other rights as a shareholder with respect to the Subject Shares subject to such repurchase. To the maximum extent permitted by law, the Participant's (or Permitted Transferee's) rights following the Repurchase Notice, with respect to the repurchase of Subject Shares covered thereby, shall be solely the rights that he or she has as a general creditor of the Company to receive the amount set forth in this Section 6(e).

(vii) For the avoidance of doubt, the provisions of this Section 6(e) shall cease to apply to Vested Shares that have been exchanged for Class A Common Shares pursuant to Section 11. The provisions of this Section 6(e) shall automatically terminate and be of no further force or effect with respect to a Termination of Relationship occurring on or after the IPO Date.

Section 7. Protective Covenants.

(a) Confidential Information. The Participant shall not disclose or use at any time any Confidential Information (as defined below) of which the Participant is or becomes aware, whether or not such information is developed by the Participant, except to the extent that such disclosure or use is directly related to and required by the Participant's performance in good faith of duties for the Company, the Asset Management Company or their respective Affiliates. The Participant shall take all appropriate steps to safeguard Confidential Information in the Participant's possession and to protect it against disclosure, misuse, espionage, loss and theft. The Participant shall deliver to the Company upon the Participant's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, the Asset Management Company or any of their respective Affiliates which the Participant may then possess or have under his or her control. Notwithstanding the foregoing, the Participant may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to,

information, observations and data obtained by the Participant while providing services to the Company, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Participant in breach of this Agreement) in a form generally available to the public prior to the date the Participant proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

Nothing herein (including, without limitation, any provision of this Section 7 shall, or is intended to, limit the Participant's right to file a proceeding with, or provide truthful evidence or other information, to any federal, state or local governmental agency.

(b) Restriction on Competition. The Participant acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. The Participant agrees that if the Participant were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for the Participant not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, the Participant will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of

Relationship, to the knowledge of the Participant, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of the Participant's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during the Participant's period of service has competed, or any time during the twelve (12) month period following the date of the Participant's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the date of the Participant's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Participant's period of service until his or her Termination of Relationship, and thereafter through and including: (A) twelve (12) months following the Participant's Termination of Relationship with respect to any Participant with a title of CEO, President or EVP at the time of the Termination of Relationship; (B) nine (9) months following the Participant's Termination of Relationship with respect to any Participant with a title of SVP at the time of the Termination of Relationship and (C) six (6) months following the Participant's Termination of Relationship with respect to any Participant with a title of VP at the time of the Termination of Relationship.

Nothing herein shall prohibit the Participant from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Participant has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and the Participant does not provide services to, or have any responsibilities regarding, the Competing Business.

(c) Non-Solicitation of Employees and Consultants. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

(d) Non-Solicitation of Customers. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business

away from the Protected Companies, and the Participant will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

(e) Understanding of Covenants. The Participant represents and agrees that he or she (i) is familiar with and carefully considered the foregoing covenants set forth in this Section 7 (together, the “Restrictive Covenants”), (ii) is fully aware of his or her obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Restrictive Covenants are necessary to protect the Protected Companies’ confidential and proprietary information, good will, stable workforce and customer relations, and (v) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 7 regardless of whether the Participant is then entitled to receive severance pay or benefits from any of the Protected Companies. The Participant understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), the Participant does not believe would prevent him or her from otherwise earning a living. The Participant agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of the Participant.

(f) Enforcement. The Participant agrees that the Participant’s services are unique and that he or she has access to Confidential Information. Accordingly, the Participant agrees that a breach by the Participant of any of the covenants in this Section 7 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Participant agrees that in the event of any breach or threatened breach of any provision of this Section 7, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 7, as the case may be, or require the Participant to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 7, if and when final judgment of a court of competent jurisdiction is so entered against the Participant. The Participant further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of the Participant’s Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 7, shall be extended by the same amount of time that the Participant is in breach of any Restrictive Covenant.

Section 8. Limitation on Benefits.

(a) Notwithstanding anything contained in this Agreement to the contrary, except as provided in Section 8(d), to the extent that any payment, benefit or distribution of any type to or for the benefit of the Participant by the Company or any of its Affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this Agreement or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the “Total Payments”) would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the “Code”), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code. Unless the Participant shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice consistent with the requirements of Section 409A of the Code to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. This Section 8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Participant’s rights and entitlements to any benefits or compensation.

(b) Any determination that Total Payments to the Participant must be reduced or eliminated in accordance with Section 8(a) and the assumptions to be utilized in arriving at such determination, shall be made by the Board in the exercise of its reasonable, good faith discretion based upon the advice of such professional advisors it may deem appropriate in the circumstances. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Board hereunder, it is possible that Total Payments to the Participant which will not have been made by the Company should have been made (“Underpayment”) or that Total Payments to the Participant which were made should not have been made (“Overpayment”). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid by the Company to or for the benefit of the Participant. In the event of an Overpayment, then the Participant shall promptly repay to the Company the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by the Participant to the date the same is repaid to the Company.

(c) If any portion of the Total Payments would otherwise be subject to the excise tax imposed by Section 4999 of the Code (before giving effect to any reduction in Total Payments contemplated by Section 8(a)), the Company shall use its reasonable efforts to obtain (in a manner which satisfies all applicable requirements of Section 280G(b)(5) (B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations) the approval by such number of shareholders of the Company as is required by the terms of Section 280G(b)(5)(B) of the Code so as to render the parachute payment provisions of Section 280G of the Code inapplicable to the Total Payments that would be reduced or eliminated by operation of Section 8(a) if such shareholder approval was not obtained.

(d) Notwithstanding Section 8(a), the Company will pay the full amount of the Total Payments to the Participant if the Participant makes the Company and its Affiliates whole on an after tax basis for any adverse tax consequences imposed on the Company and its Affiliates under Section 280G of the Code as a result of paying the Total Payments to the Participant. The Company acknowledges that the adverse tax consequences to it will be limited by the extent to which it is subject to U.S. income tax.

Section 9. Participant's Employment or Service.

Nothing in this Agreement shall confer upon the Participant any right to continue in the employ or service of the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, its Subsidiaries or the Asset Management Company, as the case may be, in its sole discretion, to terminate the Participant's employment or service or to increase or decrease the Participant's compensation at any time.

Section 10. Delivery of Shares.

(a) Form. The Company shall, in its discretion, issue the Restricted Shares either: (1) in certificate form as provided in clause (b) below; or (2) in book entry form, registered in the name of the Participant with notations regarding the applicable restrictions on transfer imposed under this Agreement.

(b) Certificates to be Held by the Company; Legend Any certificates representing the Restricted Shares that may be delivered to the Participant by the Company prior to vesting of the Restricted Shares pursuant to Section 4 shall be redelivered to the Company to be held by the Company or its designee until the shares represented thereby vest pursuant to Section 4. Any such certificates will bear a legend making appropriate reference to the restrictions imposed hereunder.

(c) Delivery of Certificates Upon Vesting. Promptly after the date any Restricted Shares become Vested Shares pursuant to Section 4, the Company shall, as applicable, either remove the notations on any such Vested Shares issued in book entry form or deliver to the Participant a certificate or certificates evidencing the number of such Vested Shares (or, in either case, such lesser number of shares as may be permitted pursuant to the tax withholding provisions referred to in Section 19). The Participant shall deliver to the Company any representations or other documents or assurances as the Company may deem necessary or reasonably desirable to ensure compliance with all applicable legal and regulatory requirements. The shares so delivered shall no longer be restricted pursuant to Section 6(a) but shall continue to be subject to the restrictions referred to in Section 6(b), Section 6(d) and Section 6(e).

(d) Power of Attorney. The Participant, by acceptance of the Award, shall be deemed to appoint, and does so appoint by execution of this Agreement, the Company and each of its authorized representatives as the Participant's attorney(s)-in-fact to (1) effect any transfer to the Company (or other purchaser, as the case may be) of the Restricted Shares acquired pursuant to

this Agreement that are repurchased by or forfeited to the Company (or other permitted purchaser), and (2) execute such documents as the Company or such representatives deem necessary or advisable in connection with any such transfer.

(e) Share Legend Generally. The certificate(s) representing the Restricted Shares as well as any Restricted Shares that may become Vested Shares shall bear the legend set forth in Section 7.2 of the Plan and/or any other appropriate or required legends under applicable laws. Such legends shall remain on the certificate(s) representing the Restricted Shares until the later of (1) an IPO (or such later date that counsel to the Company may reasonably determine is advisable to help ensure the Company's compliance with all applicable legal and regulatory requirements) or (2) as to any legend referencing the forfeiture provisions of Section 6(a), until the date that such shares become Vested Shares pursuant to Section 4.

Section 11. Exchange of Restricted Shares.

(a) The Participant shall exchange all of the Restricted Shares that become Vested Shares prior to or as of the IPO Date, as applicable, ("Pre-IPO Vested Shares") into Class A Common Shares by surrendering a portion of the Vested Shares to be exchanged to the Company. Pre-IPO Vested Shares shall be exchanged for a number of Class A Common Shares of the Company determined by the product of (i) the number of Vested Shares being exchanged multiplied by (ii) the quotient obtained by dividing (A) the result of (x) the value of a Class A Common Share determined using the Valuation Method elected as provided below (the "Class A Value") less (y) \$10.78 less the per share dividends and other distributions, if any, paid by the Company in respect of the Class A Common Shares by (B) the Class A Value. The Participant shall within 10 days after the Effective Date (such tenth day, the "Election Date") elect one or more of the following valuation methods (each, a "Valuation Method") in ten percent increments using Exhibit C hereto to effect the exchange of Pre-IPO Vested Shares: (a)(i) for all Pre-IPO Vested Shares that have vested on or before the Effective Date, the value of a Class A Common Share determined by the Company as of the Election Date or (ii) for all Pre-IPO Vested Shares that vest following the Effective Date but prior to the IPO Date, the value of a Class A Common Share determined by the Company as of the applicable vesting date ("Private Valuation"); (b) the price at which the Company and the underwriters agree to offer and actually sell Class A Common Shares to the public in the IPO ("IPO Price") and (c) the Fair Market Value of a Class A Common Share on the applicable exchange date ("Post-IPO Installments").

(b) Exchanges using (i) the Private Valuation method will occur on the Election Date for all Pre-IPO Vested Shares that have vested on or before the Effective Date and on the vesting date for all Pre-IPO Vested Shares that vest following the Effective Date but prior to the IPO Date, with settlement occurring as soon as reasonably practicable thereafter, (ii) the IPO Price will occur on the IPO Date, with settlement occurring as soon as reasonably practicable following the IPO Date, and (iii) Post-IPO Installments will occur in six substantially equal installments on the 10th trading day of each of the first six calendar months beginning with the month following the month in which the IPO Date falls, with settlement occurring as soon as reasonably practicable following the applicable 10th trading day.

(c) The Participant shall exchange Restricted Shares that become Vested Shares after the IPO Date ("Post-IPO Vested Shares") into Class A Common Shares within 30 days after the

vesting date. The Participant may exchange Post-IPO Vested Shares by surrendering a portion of the Vested Shares to be exchanged or by making a cash payment. If the Participant elects to surrender Vested Shares, the Post-IPO Vested Shares shall be exchanged for a number of Class A Common Shares of the Company determined by the product of (i) the number of Vested Shares being exchanged multiplied by (ii) the quotient obtained by dividing (A) the result of (x) the Fair Market Value of a Class A Common Share less (y) \$10.78 less the per share dividends and other distributions, if any, paid by the Company in respect of the Class A Common Shares by (B) the Fair Market Value of a Class A Common Share. If the Participant elects to pay cash, the Participant shall pay to the Company \$10.78 less the per share dividends and other distributions, if any, paid by the Company in respect of the Class A Common Shares for each Post-IPO Vested Share to be exchanged, and each Post-IPO Vested Share shall be exchanged for one Class A Common Share of the Company. If the Participant does not make a timely election, the exchange will occur by surrender of Vested Shares on the thirtieth day following the vesting date as provided in this [Section 11\(c\)](#).

(d) Notwithstanding the foregoing, after achievement of a Return of Investment (determined based on dividends and other distributions actually paid and Realized Cash actually received), each Post-IPO Vested Share shall be exchanged for one Class A Common Share of the Company without surrender of Shares to the Company or payment, regardless of whether Class A Common Shares (or any securities attributable to such shares) are listed on a public exchange.

(e) As a condition to an exchange the Company may require that the Participant deliver to the Company an agreement or certificate containing such representations, warranties and covenants as the Company reasonably requires.

(f) Notwithstanding anything to the contrary in this [Section 11](#), the Company, in its sole discretion, may elect not to issue any fractional Class A Common Shares upon the exchange of Vested Shares for Class A Common Shares and, in lieu of issuing such fractional Class A Common Shares, may, in its sole discretion, either (i) deliver to the Participant the number of Class A Common Shares equal to the next highest whole share or (ii) pay to the Participant, in cash, an amount equal to the value of such fractional Class A Common Shares determined using the Class A Value for Pre-IPO Vested Shares, and the Fair Market Value for Post-IPO Vested Shares.

Section 12. Securities Law Representations.

The Participant hereby represents and warrants to the Company as set forth on [Exhibit B](#) hereto.

Section 14. Waiver of Breach.

The waiver by either party of a breach of any provision of this Agreement must be in writing and shall not operate or be construed as a waiver of any other or subsequent breach.

Section 15. Participant's Undertaking.

The Participant hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of this Agreement and the Plan; provided, however, that such additional actions and documents are consistent with the terms of this Agreement.

Section 16. Modification of Rights.

The rights of the Participant are subject to modification and termination in certain events as provided in this Agreement and the Plan (with respect to the Restricted Shares granted hereby). Notwithstanding the foregoing, the Participant's rights under this Agreement and the Plan may not be materially impaired without the Participant's prior written consent.

Section 17. Governing Law.

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF DELAWARE WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

Section 18. Arbitration.

Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto, will be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claims. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules for the Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in the State of Delaware before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator will be final, conclusive, unappealable and binding on the parties. The arbitration proceeding shall be confidential except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

Section 19. Withholding and Other Tax Issues.

The Company's obligation to deliver the Restricted Shares or any certificates evidencing the Restricted Shares, or otherwise remove the restrictive notations or legends on such shares or certificates that refer to the transfer restrictions set forth in Section 6(a), is subject to the condition precedent that the Participant either pay (in cash or Shares) or provide for the amount of any such withholding obligations in such manner as may be authorized by the Committee under Article XV of the Plan. The Participant covenants and agrees to hold harmless and indemnify the Company, to the fullest extent permitted by applicable law, for any and all withholding taxes, penalties, fines and amounts paid in settlement of obligations related to any federal, state, local or other income, employment or other taxes with respect to the grant, vesting or making an election under Section 83(b) of the Code or other event with respect to the Restricted Shares.

Section 20. Adjustment.

In the event of any event described in Article X of the Plan occurring after the Grant Date, the adjustment provisions as provided for under Article X of the Plan shall apply to the Restricted Shares. If any adjustment is made to the Restricted Shares pursuant to Article X of the Plan, the restrictions applicable to the Restricted Shares will continue in effect with respect to any consideration or other securities (the "Restricted Property" and, for the purposes of this Agreement, "Restricted Shares" shall include "Restricted Property," unless the context otherwise requires) received in respect of such Restricted Shares. Such Restricted Property shall vest at such times and in such proportion as the Restricted Shares to which the Restricted Property is attributable vest, or would have vested pursuant to the terms hereof if such Restricted Shares had remained outstanding.

Section 21. Counterparts.

This Agreement may be executed in one or more counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts together shall constitute but one agreement.

Section 22. Entire Agreement.

This Agreement and the Plan (and the other writings referred to herein) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto, including the Prior Award Agreement.

Section 23. Severability.

It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 24. Waiver of Jury Trial

Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, trial by jury in any suit, action or proceeding arising hereunder.

Securities Law Representations

The Participant, by executing this Agreement, hereby makes the following representations to the Company and acknowledges that the Company's reliance on federal, state and foreign securities law exemptions from registration and qualification is predicated, in substantial part, upon the accuracy of these representations:

(a) The Participant acknowledges that the Restricted Shares are not being registered under the Securities Act of 1933, as amended (the "Securities Act"), based, in part, on either (i) reliance upon an exemption from registration under Securities and Exchange Commission Rule 701 promulgated under the Securities Act or (ii) the fact that the Participant is an "accredited investor" (as defined under the Securities Act and the rules and regulations promulgated thereunder), and, in each of (i) and (ii) above, a comparable exemption from qualification under applicable state securities laws, as each may be amended from time to time.

(b) The Participant is an "accredited investor" within the meaning of Rule 501(a)(1), (2) or (3) of the Securities Act.

(c) The Participant has acquired the Restricted Shares solely for the Participant's own account, for investment purposes only, and not with a view to or an intent to sell, or to offer for resale in connection with any unregistered distribution, all or any portion of the Restricted Shares within the meaning of the Securities Act and/or any applicable state securities laws.

(d) The Participant acknowledges that he has not acquired the Restricted Shares as a result of any general solicitation or general advertising in the United States, including any meeting whose attendees have been invited by general solicitation or general advertising.

(e) The Participant has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the Restricted Shares and the restrictions imposed on any Shares. The Participant has been furnished with, and/or has access to, such information as he considers necessary or appropriate for deciding whether to purchase the Restricted Shares. However, in evaluating the merits and risks of an investment in the Shares, the Participant has and will rely only upon the advice of his own legal counsel, tax advisors, and/or investment advisors.

(f) The Participant is aware that the Restricted Shares may be of no practical value, that any value they may have depend on vesting as well as the performance of the Company and the market generally, and that any investment in common shares of a closely held corporation such as the Company is non-marketable, non-transferable and could require capital to be invested for an indefinite period of time, possibly without return, and at substantial risk of loss.

(g) The Participant understands that the Restricted Shares are being offered in a transaction not involving any public offering within the United States within the meaning of the Securities Act and that the Restricted Shares have not been and will not be registered under the Securities Act,

and that the Restricted Shares are “restricted securities” as defined by Rule 144(a)(3) under the Securities Act, and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances, including in accordance with the conditions of Rule 144 promulgated under the Securities Act or in an offshore transaction meeting the requirements of Rule 903 or 904 of Regulation S under the Securities Act, each as presently in effect. The Participant acknowledges reviewing a copy of Rule 144 promulgated under the Securities Act and Regulation S under the Securities Act, as presently in effect, and represents that he is familiar with such rule, and understands the resale limitations imposed thereby and by the Securities Act and the applicable state securities law.

(h) The Participant agrees that he will comply with all applicable laws and regulations in effect in any jurisdiction in which he sells any of the securities or otherwise transfers any interest therein.

(i) The Participant has read and understands the restrictions and limitations set forth in the Shareholders Agreement, the Plan and this Agreement.

(j) The Participant understands and acknowledges that, if and the Restricted Shares vest, (a) any certificate evidencing the Vested Shares (or evidencing any other securities issued with respect thereto pursuant to any share split, share dividend, merger or other form of reorganization or recapitalization) when issued shall bear any legends which may be required by applicable federal and state securities laws, and (b) except as otherwise provided under the Shareholders Agreement, the Company has no obligation to register the Shares or file any registration statement under federal or state securities laws.

2014 SHARE INCENTIVE PLAN

AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT

THIS AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT (the "Agreement"), dated as of [●], 2016 (the "Effective Date"), is made between **ATHENE HOLDING LTD.**, a Bermuda exempted company limited by shares (the "Company"), and the Participant set forth on the signature page to this Agreement (the "Participant").

WHEREAS, the Company, acting through the Committee with the consent of the Company's Board of Directors (the "Board"), previously granted to the Participant effective on [●] (the "Grant Date"), a restricted share award pursuant to the Athene Holding Ltd. 2014 Share Incentive Plan (the "Plan"), the terms and conditions of which were set forth in that certain amended and restated restricted share award agreement, dated [●], between the Company and the Participant (the "Prior Award Agreement");

WHEREAS, the Company, acting through the Committee with the consent of the Board, and the Participant have agreed to amend and restate the Prior Award Agreement on the terms and subject to the conditions set forth in this Agreement and the Plan; and

WHEREAS, except as otherwise specifically provided herein, Awards granted by the Company (including those being amended pursuant to this Agreement) are subject to the terms of the Sixth Amended and Restated Shareholders Agreement, by and among the Company and certain of its securityholders, dated as of April 4, 2014 (as it may be further amended from time to time, the "Shareholders Agreement").

NOW, THEREFORE, in consideration of the promises and of the mutual agreements contained in this Agreement, the parties hereto hereby agree as follows:

Section 1. The Plan.

The terms and provisions of the Plan are hereby incorporated into this Agreement as if set forth herein in their entirety. In the event of a conflict between any provision of this Agreement and the Plan, the provisions of this Agreement shall control. A copy of the Plan may be obtained from the Company by the Participant upon request. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings ascribed thereto in the Plan or the Shareholders Agreement, as the case may be.

Section 2. Grant.

Effective on the Grant Date, on the terms and subject to the conditions of the Plan and the Prior Award Agreement, the Company granted to the Participant an Award to receive Restricted Shares (the "Restricted Shares") at a purchase price of \$0.001 per share (the "Purchase Price").

The Company acknowledges that the Participant has paid the Purchase Price in full. The Restricted Shares are separated into two tranches for vesting purposes, the Tranche 1 Restricted Shares ("Tranche 1 Restricted Shares") and Tranche 2 Restricted Shares ("Tranche 2 Restricted Shares"), in the amounts set forth on the signature page hereto.

Section 3. Dividend and Voting Rights.

A Participant who holds Restricted Shares shall not have the rights of a shareholder with respect to such shares, including the right to vote, if any, thereon until such Restricted Shares vest in accordance with Section 4. Notwithstanding the foregoing, at any time after a Return of Investment (as defined below) has been achieved, in the event the Company pays a dividend on Shares, the Participant shall be entitled to receive an Adjusted Dividend (as defined below) on the Restricted Shares (the "Specified Shares") held by the Participant that would have been eligible to receive the dividend but for the fact that such Shares were not vested. The Adjusted Dividend shall be payable, from time to time, within two and one-half months after all or any portion of the Specified Shares vest pursuant to Section 4(a); provided that under no circumstances shall any such Adjusted Dividend be paid prior to the achievement of a Return on Investment (as defined below). An "Adjusted Dividend" means, with respect to each dividend declared and paid on Shares by the Company following the achievement of a Return on Investment (including, with respect to the dividend which causes a Return of Investment to be achieved, the portion, if any, of such dividend in excess of the amount necessary to cause a Return of Investment), the per share dividend calculated by determining the total amount of dividends that would have been payable on the Specified Shares, assuming, solely for this purpose, that the time hurdles under Section 4(a) below were fully satisfied as of the time that such dividend was paid, and dividing this amount by the number of Specified Shares. "Return of Investment" shall be the time at which dividends (whether in cash or specie) or consideration in redemption shall have been paid, or Realized Cash shall have been received, or deemed to have been received as determined in accordance with Exhibit A, with respect to the Class A Common Shares actually purchased on or after October 30, 2012 in an amount equal to \$13.46 per share. For the avoidance of doubt, after a Return of Investment, dividends on vested Restricted Shares shall be paid at the same time that such dividends are paid to other stockholders.

If the Participant forfeits any unvested Restricted Shares, the Participant shall also forfeit any payments related to dividends otherwise deliverable in connection with the forfeited Restricted Shares.

Section 4. Vesting.

Subject to the Participant's not having a Termination of Relationship prior to the applicable vesting date (except as provided in Section 4(a)(ii) and Section 4(a)(iii)) the Restricted Shares shall become non-forfeitable and the restrictions imposed thereon pursuant to Section 6(a) shall lapse (any Restricted Shares that shall have become non-forfeitable pursuant to Section 4, the "Vested Shares") according to the following provisions:

(a) Tranche 1 Restricted Shares.

(i) Twenty-percent (20%) of the Tranche 1 Restricted Shares shall become Vested Shares on each of the 1st, 2nd, 3rd, 4th and 5th anniversaries of [●], and prior to becoming vested, shall be subject to the restrictions set forth in Section 6(a).

(ii) In the event of the consummation of a Sale of the Company or upon the occurrence of a Change in Control (A) prior to the Participant's Termination of Relationship or (B) within six (6) months following a Termination of Relationship of the Participant by the Company, its Subsidiaries and/or the Asset Management Company without Cause, by the Participant for Good Reason or as a result of the Participant's death or Disability (each, a "Qualifying Termination") the Tranche 1 Restricted Shares which have not theretofore vested or been forfeited shall vest in full and shall become Vested Shares. "Change in Control" means any event or series of events by which (i) the Apollo Group ceases to own, directly or indirectly, equity interests in the Company ("Equity Interests") representing 40% or more on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company, and (ii) any "person" or "group" (as such terms are used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of a greater percentage on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company than such percentage owned by the Apollo Group. For purposes of the definition of Change in Control, "Apollo Group" means (i) Apollo Global Management, LLC, any investment fund or managed account managed by Apollo Global Management, LLC and any of their respective Affiliates (in each case, other than any operating portfolio companies of an Apollo managed fund or the Company or any of the Company's Subsidiaries), and (ii) any employees of or consultants to the entities described in clause (i) of this sentence.

(iii) In the event that the Participant is party to a written employment agreement with either the Company, any of its Subsidiaries or with the Asset Management Company, any vesting provisions applicable to the Tranche 1 Restricted Shares contained therein are hereby incorporated by reference into this Agreement.

(iv) For the avoidance of doubt, any Tranche 1 Restricted Shares that are unvested on the date of the Participant's Termination of Relationship (excluding any Restricted Shares that are eligible to vest pursuant to Section 4(a)(iii)) shall be forfeited to the Company as of such date in accordance with Section 6; provided, that, any Tranche 1 Restricted Shares that are eligible to vest following the Participant's Qualifying Termination pursuant to Section 4(a)(ii) shall be forfeited to the Company on the date that is six (6) months following the date of the Participant's Qualifying Termination, to the extent then unvested.

(b) Tranche 2 Restricted Shares.

All Tranche 2 Restricted Shares are non-forfeitable hereunder.

Section 5. Limitations upon Liquidation and Distributions.

Notwithstanding anything to the contrary herein or in the Plan or the Shareholders Agreement, it is the intent and agreement of the parties hereto that upon (i) a Liquidation of the Company, any distributions on or proceeds in respect of Vested Shares shall only be paid to the extent a Return of Investment has been achieved and (ii) Vested Shares shall not be entitled to any dividends until the achievement of a Return of Investment. For this purpose, a Return of Investment shall be determined including sale proceeds and deemed sale proceeds which shall be determined as set forth on Exhibit A hereto.

Section 6. Restrictions on Transfer.

(a) Restrictions Prior to Vesting; Effect of Termination of Employment Prior to Vesting Prior to the time that the Restricted Shares have become Vested Shares pursuant to Section 4, the Restricted Shares, any interest therein or any amount payable in respect thereof shall not be sold or Transferred. Except as expressly provided in Section 4(a)(ii) and Section 4(a)(iii) as to the Tranche 1 Restricted Shares, if the Participant ceases to be employed by or ceases to provide services to the Company, a Subsidiary or the Asset Management Company (other than by virtue of any transfer of the Participant's employment or services as among the Company, a Subsidiary and the Asset Management Company), the Participant's Restricted Shares shall be forfeited to the Company to the extent such shares have not become Vested Shares pursuant to Section 4 as of the date of the Participant's Termination of Relationship (regardless of the reason for such termination of employment or service, whether with or without cause, voluntarily or involuntarily, or due to death or Disability). Restricted Shares subject to Section 4(a)(ii) and Section 4(a)(iii) shall be forfeited on the date or dates such Restricted Shares are no longer eligible to vest pursuant to such provisions to the extent that such Restricted Shares do not become Vested Shares prior to such date or dates. In addition, in the event of the earliest to occur of (i) a Sale of the Company, (ii) a Liquidation of the Company, or (iii) the 36-month anniversary of the Lock-Up End Date, the Participant's Restricted Shares shall be forfeited to the Company immediately prior to the occurrence of such event to the extent such shares have not become Vested Shares or to the extent that such shares shall not otherwise become Vested Shares upon the consummation of the Sale of the Company or the Liquidation of the Company. Upon the occurrence of any forfeiture of Restricted Shares hereunder, such forfeited Restricted Shares shall be automatically transferred to the Company as of the date of such forfeiture, without any other action by the Participant. The Company may exercise its powers under Section 10(d) hereof and take any other action necessary or advisable to evidence such transfer. The Participant shall deliver any additional documents of transfer that the Company may request to confirm the transfer of such forfeited Restricted Shares to the Company. Within a reasonable period of time following the Company's receipt of such forfeited Restricted Shares, and any other documents required pursuant to the preceding sentence, the Company shall pay to the Participant (in the form of a check or by cancellation of money purchase indebtedness) an amount equal to the lesser of (i) the original Purchase Price paid by the Participant for the forfeited Restricted Shares, or (ii) the Fair Market Value of the forfeited Restricted Shares determined as of date of such forfeiture. No interest shall be paid with respect to and no other adjustments (other than adjustments in accordance with Article X of the Plan) shall be made to the repurchase amount determined pursuant to the preceding sentence.

(b) Restrictions After Vesting. Upon and after the time that any Restricted Shares have become Vested Shares pursuant to Section 4, such Vested Shares shall not continue to be subject to the restrictions set forth in Section 6(a), but such Vested Shares shall continue to be subject to the other limitations and restrictions set forth herein (including Section 6(e) below), in the Plan and in the Shareholders Agreement.

(c) Transfers Void. Any sale or transfer, or purported sale or transfer, of any Restricted Shares acquired pursuant to this Agreement or any interest therein other than to the Company shall be null and void except to the extent transferred in accordance with the Company's estate planning policy.

(d) Charter Documents. The Certificate of Altered Memorandum of Association, the By-laws of the Company, the Subscription Agreement, the Registration Rights Agreement and the Shareholders Agreement (collectively, the "Other Agreements"), as any of them may be amended from time to time, may provide for additional restrictions and limitations with respect to the Shares (including additional restrictions and limitations relating to the preference return on common equity of the Company to the shareholders of such equity and on the transfer of Shares). To the extent that the restrictions and limitations set forth in the Other Agreements are greater than those set forth in this Agreement, such restrictions and limitations shall apply to the Restricted Shares as well as any Restricted Shares that may have become Vested Shares and are incorporated herein by this reference. The restrictions and limitations set forth in such Other Agreements are not, however, in lieu of, nor shall they in any way reduce or eliminate, any limitation or restriction on the Shares imposed under the Plan or this Agreement, including Section 6(e) below. In the event of any conflict between the terms of the Other Agreements and the terms of the Plan or this Agreement, the terms contained in the Plan or this Agreement shall be controlling.

(e) Call Rights. Notwithstanding anything herein or in the Other Agreements to the contrary (including Section 3.7 of the Shareholders Agreement), the Participant and the Company agree that the provisions of this Section 6(e) shall apply with respect to the Vested Shares ("Subject Shares").

(i) Within 270 days following a Participant's Termination of Relationship for any reason (or the date on which the Restricted Shares become Vested Shares, if later), the Company shall have the right (but not the obligation) to repurchase all or any portion of the Subject Shares, and the Participant shall be obligated to sell any such Subject Shares in accordance with this Section 6(e). Any Permitted Transferee that received Subject Shares pursuant to clause (b) of the definition of Permitted Transfer as set forth in the Shareholders Agreement shall be subject to this Section 6(e) as if such Permitted Transferee and the Participant through which such Permitted Transferee received such Subject Shares are one and the same. For the avoidance of doubt, the Company's repurchase of a portion of the Subject Shares held by the Participant (or Permitted Transferee) shall not preclude the Company from repurchasing additional Subject Shares held by such Participant (or Permitted Transferee) at a later date or dates within the 270-day period(s) described above.

(ii) In the event that the Company wishes to exercise its rights pursuant to this Section 6(e), the Company shall deliver to such Participant (or his or her heirs or representatives), a timely written notice (the "Repurchase Notice") that sets forth (i) the number of Subject Shares the Company is repurchasing, (ii) an indication of the price to be paid for each such Subject Shares and (iii) the anticipated closing date of such transaction. The Company shall have the right to revoke the Repurchase Notice at any time prior to the consummation of such repurchase.

(iii) Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be consummated on a date (the "Repurchase Date") within thirty (30) calendar days following delivery of a Repurchase Notice. Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be made:

(A) with respect to Vested Shares which are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company less the Group 3 Preference Amount (defined below);

(B) with respect to Vested Shares which are repurchased following an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice less the Group 3 Preference Amount; and

(C) with respect to Vested Shares which are repurchased following a Termination of Relationship for Cause, in cash at a price per Vested Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares.

For purposes of this Section 6(e)(iii), "Group 3 Preference Amount" shall have the meaning ascribed to it in Bye-laws of the Company.

(iv) The Repurchase Price (defined below) shall be paid in a lump sum cash payment on the Repurchase Date. The Participant (or Permitted Transferee) hereby agrees that upon his or her receipt of such Repurchase Price, the outstanding Subject Shares then owned by such Participant (or Permitted Transferee) that are sold pursuant to this Section 6(e) shall automatically be transferred, sold and assigned to the Company and the Secretary of the Company shall automatically and irrevocably be appointed to transfer such Subject Shares to the Company on the books of the Company with full power of substitution. For purposes of this Section 6(e), the "Repurchase Price" means the price referred to in Section 6(e)(iii), as applicable.

(v) The Participant (or Permitted Transferee) agrees to provide customary representations and warranties to the Company, including (A) his or her power, authority and legal capacity to enter into such sale and to transfer valid right, title and interest in

such Subject Shares; (B) his or her ownership of such Subject Shares and the absence of any liens, pledges, and other encumbrances on such Subject Shares; and (C) the absence of any violation, default, or acceleration of any agreement or instrument pursuant to which such Participant (or Permitted Transferee) or the assets of such Participant (or Permitted Transferee) are bound as the result of such sale.

(vi) If the Participant (or Permitted Transferee) holds Subject Shares which the Company wishes to repurchase in accordance with this Section 6(e), the Participant (or Permitted Transferee) shall be entitled to payment in accordance with this Section 6(e), but shall no longer be entitled to participation in the Company or enjoy other rights as a shareholder with respect to the Subject Shares subject to such repurchase. To the maximum extent permitted by law, the Participant's (or Permitted Transferee's) rights following the Repurchase Notice, with respect to the repurchase of Subject Shares covered thereby, shall be solely the rights that he or she has as a general creditor of the Company to receive the amount set forth in this Section 6(e).

(vii) For the avoidance of doubt, the provisions of this Section 6(e) shall cease to apply to Vested Shares that have been exchanged for Class A Common Shares pursuant to Section 11. The provisions of this Section 6(e) shall automatically terminate and be of no further force or effect with respect to a Termination of Relationship occurring on or after the IPO Date.

Section 7. Protective Covenants.

(a) Confidential Information. The Participant shall not disclose or use at any time any Confidential Information (as defined below) of which the Participant is or becomes aware, whether or not such information is developed by the Participant, except to the extent that such disclosure or use is directly related to and required by the Participant's performance in good faith of duties for the Company, the Asset Management Company or their respective Affiliates. The Participant shall take all appropriate steps to safeguard Confidential Information in the Participant's possession and to protect it against disclosure, misuse, espionage, loss and theft. The Participant shall deliver to the Company upon the Participant's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, the Asset Management Company or any of their respective Affiliates which the Participant may then possess or have under his or her control. Notwithstanding the foregoing, the Participant may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Participant while providing services to the Company, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of

the Company, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Participant in breach of this Agreement) in a form generally available to the public prior to the date the Participant proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

Nothing herein (including, without limitation, any provision of this Section 7) shall, or is intended to, limit the Participant's right to file a proceeding with, or provide truthful evidence or other information, to any federal, state or local governmental agency.

(b) Restriction on Competition. The Participant acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. The Participant agrees that if the Participant were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for the Participant not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, the Participant will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of the Participant's Termination of Relationship). For purposes of this

Agreement, "Competing Business" means a Person that at any time during the Participant's period of service has competed, or any time during the twelve (12) month period following the date of the Participant's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the date of the Participant's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Participant's period of service until his or her Termination of Relationship, and thereafter through and including: (A) twelve (12) months following the Participant's Termination of Relationship with respect to any Participant with a title of CEO, President or EVP at the time of the Termination of Relationship; (B) nine (9) months following the Participant's Termination of Relationship with respect to any Participant with a title of SVP at the time of the Termination of Relationship and (C) six (6) months following the Participant's Termination of Relationship with respect to any Participant with a title of VP at the time of the Termination of Relationship.

Nothing herein shall prohibit the Participant from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Participant has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and the Participant does not provide services to, or have any responsibilities regarding, the Competing Business.

(c) Non-Solicitation of Employees and Consultants. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

(d) Non-Solicitation of Customers. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business away from the Protected Companies, and the Participant will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

(e) Understanding of Covenants. The Participant represents and agrees that he or she (i) is familiar with and carefully considered the foregoing covenants set forth in this Section 7 (together, the “Restrictive Covenants”), (ii) is fully aware of his or her obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Restrictive Covenants are necessary to protect the Protected Companies’ confidential and proprietary information, good will, stable workforce and customer relations, and (v) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 7 regardless of whether the Participant is then entitled to receive severance pay or benefits from any of the Protected Companies. The Participant understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), the Participant does not believe would prevent him or her from otherwise earning a living. The Participant agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of the Participant.

(f) Enforcement. The Participant agrees that the Participant’s services are unique and that he or she has access to Confidential Information. Accordingly, the Participant agrees that a breach by the Participant of any of the covenants in this Section 7 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Participant agrees that in the event of any breach or threatened breach of any provision of this Section 7, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 7, as the case may be, or require the Participant to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 7, if and when final judgment of a court of competent jurisdiction is so entered against the Participant. The Participant further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of the Participant’s Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 7, shall be extended by the same amount of time that the Participant is in breach of any Restrictive Covenant.

Section 8. Limitation on Benefits.

(a) Notwithstanding anything contained in this Agreement to the contrary, except as provided in Section 8(d), to the extent that any payment, benefit or distribution of any type to or for the benefit of the Participant by the Company or any of its Affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this

Agreement or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the “Total Payments”) would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the “Code”), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code. Unless the Participant shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice consistent with the requirements of Section 409A of the Code to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. This Section 8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Participant’s rights and entitlements to any benefits or compensation.

(b) Any determination that Total Payments to the Participant must be reduced or eliminated in accordance with Section 8(a) and the assumptions to be utilized in arriving at such determination, shall be made by the Board in the exercise of its reasonable, good faith discretion based upon the advice of such professional advisors it may deem appropriate in the circumstances. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Board hereunder, it is possible that Total Payments to the Participant which will not have been made by the Company should have been made (“Underpayment”) or that Total Payments to the Participant which were made should not have been made (“Overpayment”). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid by the Company to or for the benefit of the Participant. In the event of an Overpayment, then the Participant shall promptly repay to the Company the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by the Participant to the date the same is repaid to the Company.

(c) If any portion of the Total Payments would otherwise be subject to the excise tax imposed by Section 4999 of the Code (before giving effect to any reduction in Total Payments contemplated by Section 8(a)), the Company shall use its reasonable efforts to obtain (in a manner which satisfies all applicable requirements of Section 280G(b)(5) (B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations) the approval by such number of shareholders of the Company as is required by the terms of Section 280G(b)(5)(B) of the Code so as to render the parachute payment provisions of Section 280G of the Code inapplicable to the Total Payments that would be reduced or eliminated by operation of Section 8(a) if such shareholder approval was not obtained.

(d) Notwithstanding Section 8(a), the Company will pay the full amount of the Total Payments to the Participant if the Participant makes the Company and its Affiliates whole on an after tax basis for any adverse tax consequences imposed on the Company and its Affiliates under Section 280G of the Code as a result of paying the Total Payments to the Participant. The Company acknowledges that the adverse tax consequences to it will be limited by the extent to which it is subject to U.S. income tax.

Section 9. Participant's Employment or Service.

Nothing in this Agreement shall confer upon the Participant any right to continue in the employ or service of the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, its Subsidiaries or the Asset Management Company, as the case may be, in its sole discretion, to terminate the Participant's employment or service or to increase or decrease the Participant's compensation at any time.

Section 10. Delivery of Shares.

(a) Form. The Company shall, in its discretion, issue the Restricted Shares either: (1) in certificate form as provided in clause (b) below; or (2) in book entry form, registered in the name of the Participant with notations regarding the applicable restrictions on transfer imposed under this Agreement.

(b) Certificates to be Held by the Company; Legend. Any certificates representing the Restricted Shares that may be delivered to the Participant by the Company prior to vesting of the Restricted Shares pursuant to Section 4 shall be redelivered to the Company to be held by the Company or its designee until the shares represented thereby vest pursuant to Section 4. Any such certificates will bear a legend making appropriate reference to the restrictions imposed hereunder.

(c) Delivery of Certificates Upon Vesting. Promptly after the date any Restricted Shares become Vested Shares pursuant to Section 4, the Company shall, as applicable, either remove the notations on any such Vested Shares issued in book entry form or deliver to the Participant a certificate or certificates evidencing the number of such Vested Shares (or, in either case, such lesser number of shares as may be permitted pursuant to the tax withholding provisions referred to in Section 19). The Participant shall deliver to the Company any representations or other documents or assurances as the Company may deem necessary or reasonably desirable to ensure compliance with all applicable legal and regulatory requirements. The shares so delivered shall no longer be restricted pursuant to Section 6(a) but shall continue to be subject to the restrictions referred to in Section 6(b), Section 6(d) and Section 6(e).

(d) Power of Attorney. The Participant, by acceptance of the Award, shall be deemed to appoint, and does so appoint by execution of this Agreement, the Company and each of its authorized representatives as the Participant's attorney(s)-in-fact to (1) effect any transfer to the Company (or other purchaser, as the case may be) of the Restricted Shares acquired pursuant to this Agreement that are repurchased by or forfeited to the Company (or other permitted purchaser), and (2) execute such documents as the Company or such representatives deem necessary or advisable in connection with any such transfer.

(e) Share Legend Generally. The certificate(s) representing the Restricted Shares as well as any Restricted Shares that may become Vested Shares shall bear the legend set forth in Section 7.2 of the Plan and/or any other appropriate or required legends under applicable laws.

Such legends shall remain on the certificate(s) representing the Restricted Shares until the later of (1) an IPO (or such later date that counsel to the Company may reasonably determine is advisable to help ensure the Company's compliance with all applicable legal and regulatory requirements) or (2) as to any legend referencing the forfeiture provisions of Section 6(a), until the date that such shares become Vested Shares pursuant to Section 4.

Section 11. Exchange of Restricted Shares.

(a) The Participant shall exchange all of the Restricted Shares that become Vested Shares prior to or as of the IPO Date, as applicable, (~~Pre-IPO Vested Shares~~) into Class A Common Shares by surrendering a portion of the Vested Shares to be exchanged to the Company. Pre-IPO Vested Shares shall be exchanged for a number of Class A Common Shares of the Company determined by the product of (i) the number of Vested Shares being exchanged multiplied by (ii) the quotient obtained by dividing (A) the result of (x) the value of a Class A Common Share determined using the Valuation Method elected as provided below (the "Class A Value") less (y) \$13.46 less the per share dividends and other distributions, if any, paid by the Company in respect of the Class A Common Shares on or after October 30, 2012 by (B) the Class A Value. The Participant shall within 10 days after the Effective Date (such tenth day, the "Election Date") elect one or more of the following valuation methods (each, a "Valuation Method") in ten percent increments using Exhibit C hereto to effect the exchange of Pre-IPO Vested Shares: (a)(i) for all Pre-IPO Vested Shares that have vested on or before the Effective Date, the value of a Class A Common Share determined by the Company as of the Election Date or (ii) for all Pre-IPO Vested Shares that vest following the Effective Date but prior to the IPO Date, the value of a Class A Common Share determined by the Company as of the applicable vesting date ("Private Valuation"); (b) the price at which the Company and the underwriters agree to offer and actually sell Class A Common Shares to the public in the IPO ("IPO Price") and (c) the Fair Market Value of a Class A Common Share on the applicable exchange date ("Post-IPO Installments").

(b) Exchanges using (i) the Private Valuation method will occur on the Election Date for all Pre-IPO Vested Shares that have vested on or before the Effective Date and on the vesting date for all Pre-IPO Vested Shares that vest following the Effective Date but prior to the IPO Date, with settlement occurring as soon as reasonably practicable thereafter, (ii) the IPO Price will occur on the IPO Date, with settlement occurring as soon as reasonably practicable following the IPO Date, and (iii) Post-IPO Installments will occur in six substantially equal installments on the 10th trading day of each of the first six calendar months beginning with the month following the month in which the IPO Date falls, with settlement occurring as soon as reasonably practicable following the applicable 10th trading day.

(c) The Participant shall exchange Restricted Shares that become Vested Shares after the IPO Date ("Post-IPO Vested Shares") into Class A Common Shares within 30 days after the vesting date. The Participant may exchange Post-IPO Vested Shares by surrendering a portion of the Vested Shares to be exchanged or by making a cash payment. If the Participant elects to surrender Vested Shares, the Post-IPO Vested Shares shall be exchanged for a number of Class A Common Shares of the Company determined by the product of (i) the number of Vested Shares being exchanged multiplied by (ii) the quotient obtained by dividing (A) the result of (x) the Fair Market Value of a Class A Common Share less (y) \$13.46 less the per share dividends

and other distributions, if any, paid by the Company in respect of the Class A Common Shares on or after October 30, 2012 by (B) the Fair Market Value of a Class A Common Share. If the Participant elects to pay cash, the Participant shall pay to the Company \$13.46 less the per share dividends and other distributions, if any, paid by the Company in respect of the Class A Common Shares on or after October 30, 2012 for each Post-IPO Vested Share to be exchanged, and each Post-IPO Vested Share shall be exchanged for one Class A Common Share of the Company. If the Participant does not make a timely election, the exchange will occur by surrender of Vested Shares on the thirtieth day following the vesting date as provided in this [Section 11\(c\)](#).

(d) Notwithstanding the foregoing, after achievement of a Return of Investment (determined based on dividends and other distributions actually paid and Realized Cash actually received), each Post-IPO Vested Share shall be exchanged for one Class A Common Share of the Company without surrender of Shares to the Company or payment, regardless of whether Class A Common Shares (or any securities attributable to such shares) are listed on a public exchange.

(e) As a condition to an exchange the Company may require that the Participant deliver to the Company an agreement or certificate containing such representations, warranties and covenants as the Company reasonably requires.

(f) Notwithstanding anything to the contrary in this [Section 11](#), the Company, in its sole discretion, may elect not to issue any fractional Class A Common Shares upon the exchange of Vested Shares for Class A Common Shares and, in lieu of issuing such fractional Class A Common Shares, may, in its sole discretion, either (i) deliver to the Participant the number of Class A Common Shares equal to the next highest whole share or (ii) pay to the Participant, in cash, an amount equal to the value of such fractional Class A Common Shares determined using the Class A Value for Pre-IPO Vested Shares, and the Fair Market Value for Post-IPO Vested Shares.

Section 12. [Securities Law Representations](#).

The Participant hereby represents and warrants to the Company as set forth on [Exhibit B](#) hereto.

Section 13. [Notices](#).

Section 14. Waiver of Breach.

The waiver by either party of a breach of any provision of this Agreement must be in writing and shall not operate or be construed as a waiver of any other or subsequent breach.

Section 15. Participant's Undertaking; Participant's Release.

(a) The Participant hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of this Agreement and the Plan; provided, however, that such additional actions and documents are consistent with the terms of this Agreement.

(b) The Participant acknowledges and agrees that the Participant is not relying (for purposes of accepting this Award, making any tax election related to this Award or otherwise) upon any information, advice, counsel or representations (whether written or oral) of the Company with respect to the valuation of the Restricted Shares. The Participant has consulted with his or her own legal, regulatory, tax, business, investment, financial, and accounting advisers to the extent he or she has deemed necessary, and have made his or her own decisions with respect to accepting this Award and making any tax election related to the Restricted Shares based upon his or her own judgment and upon any advice from such advisers he or she has deemed necessary and not upon any view expressed by the Company. The Participant is accepting this Award with a full understanding of all the terms, conditions and risks hereof and

thereof (economic and otherwise), and is capable of and willing to assume (financially and otherwise) those risks. The Participant agrees that neither the Company nor any of its Affiliates shall have any liability to the Participant for any loss or liability that the Participant may suffer to the extent that it arises out of, or in connection with tax-related matters, including but not limited to any matter related to any decision by the Participant to make a Section 83(b) election, any Section 83(b) filing made with the IRS or any income recognized by the Participant related to or arising out of the Restricted Shares.

Section 16. Modification of Rights.

The rights of the Participant are subject to modification and termination in certain events as provided in this Agreement and the Plan (with respect to the Restricted Shares granted hereby). Notwithstanding the foregoing, the Participant's rights under this Agreement and the Plan may not be materially impaired without the Participant's prior written consent.

Section 17. Governing Law.

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF DELAWARE WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

Section 18. Arbitration.

Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto, will be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claims. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules for the Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in the State of Delaware before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator will be final, conclusive, unappealable and binding on the parties. The arbitration proceeding shall be confidential except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

Section 19. Withholding and Other Tax Issues.

The Company's obligation to deliver the Restricted Shares or any certificates evidencing the Restricted Shares, or otherwise remove the restrictive notations or legends on such shares or certificates that refer to the transfer restrictions set forth in Section 6(a), is subject to the condition precedent that the Participant either pay (in cash or Shares) or provide for the amount of any such withholding obligations in such manner as may be authorized by the Committee under Article XV of the Plan. The Participant covenants and agrees to hold harmless and indemnify the Company, to the fullest extent permitted by applicable law, for any and all withholding taxes, penalties, fines and amounts paid in settlement of obligations related to any federal, state, local or other income, employment or other taxes with respect to the grant, vesting or making an election under Section 83(b) of the Code or other event with respect to the Restricted Shares.

Section 20. Adjustment.

In the event of any event described in Article X of the Plan occurring after the Grant Date, the adjustment provisions as provided for under Article X of the Plan shall apply to the Restricted Shares. If any adjustment is made to the Restricted Shares pursuant to Article X of the Plan, the restrictions applicable to the Restricted Shares will continue in effect with respect to any consideration or other securities (the "Restricted Property" and, for the purposes of this Agreement, "Restricted Shares" shall include "Restricted Property," unless the context otherwise requires) received in respect of such Restricted Shares. Such Restricted Property shall vest at such times and in such proportion as the Restricted Shares to which the Restricted Property is attributable vest, or would have vested pursuant to the terms hereof if such Restricted Shares had remained outstanding.

Section 21. Counterparts.

This Agreement may be executed in one or more counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts together shall constitute but one agreement.

Section 22. Entire Agreement.

This Agreement and the Plan (and the other writings referred to herein) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto, including the Prior Award Agreement.

Section 23. Severability.

It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without

invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 24. Waiver of Jury Trial

Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, trial by jury in any suit, action or proceeding arising hereunder.

In the event that (x) any AAA Investor Shares remain unsold on each of the lock-up release dates occurring on the 7-1/2-month, 12-month and 15-month anniversary of the date of the IPO (the "IPO Date"), and (y) the Class A Common Shares are traded on a national public securities exchange on or after such date (the "Relevant Exchange"), then, for purposes of determining whether the Return of Investment has been achieved as of such release date, any unsold AAA Investor Shares shall be deemed sold (or, if such unsold shares are held in a form other than Class A Common Shares, then an equivalent number of Class A Common Shares shall be deemed sold), and the AAA Investor shall be deemed to have received Realized Cash, on such release date equal to the product of (A) the number of the then unsold AAA Investor Shares, and (B) the volume weighted average closing trading price for the AAA Investor Shares on the Relevant Exchange during the ninety (90) preceding trading days through and including such release date; provided that, for the avoidance of doubt, the calculation shall exclude any amounts deemed to have been received on any prior release date pursuant to this provision as a result of such sale.
2. In the event that the AAA Investors do not sell or otherwise dispose of all of the AAA Investor Shares on or before the Lock-Up End Date, then, for purposes of determining whether the Return of Investment has been achieved after the Lock-Up End Date until the 36-month anniversary of the Lock-Up End Date (the "Post Lock-up Period"), any unsold AAA Investor Shares shall be deemed sold, and the AAA Investors shall be deemed to have received Realized Cash, on the 1st day of each calendar month during the Post Lock-up Period and on the 15th day of the calendar month immediately following the end of the Post Lock-up Period (each such date, a "Testing Date"), equal to the product of (A) the number of the unsold AAA Investor Shares measured as of the end of the last trading day of the calendar month immediately preceding the calendar month in which the determination is being made (or, with respect to the last Testing Date, measured as of the last day of the Post Lock-up Period), and (B) the highest single trading day VWAP (as defined below) during the calendar month (or, with respect to the first and last Testing Date, during the portion of the calendar month within the Post Lock-up Period) immediately preceding the calendar month in which the determination is being made; provided that, for the avoidance of doubt, the calculation shall exclude any amounts deemed to have been received on any prior Testing Date pursuant to this provision as a result of such sale. For the purposes hereof, "VWAP" shall be determined on each trading day and means, with respect to each such trading day, the volume weighted average closing trading price for the AAA Investor Shares on the Relevant Exchange during the ninety (90) preceding trading days through and including such trading day.
3. For the avoidance of doubt, for purposes of this Agreement, (i) the AAA Investor Shares shall not include any Class A Common Shares of the Company acquired by the AAA Investor in connection with the Company's 2014 private placement of such shares, and (ii) a distribution of AAA Investor Shares by the AAA Investor to its investors (including a distribution to the beneficial owners of AP Alternative Assets, L.P.) shall not be treated as a sale by the AAA Investor.

-
4. In the event of a sale or deemed sale by the AAA Investor of less than 100% of the AAA Investor Shares, for purposes of determining Realized Cash, the AAA Investor will be deemed to sell such shares on a “first in, first out” basis.
 5. All decisions by the Committee with respect to any calculations pursuant to this Agreement including, without limitation, the determination of Realized Cash, Total Investor IRR, Total Invested Capital, AAA Investor Investment and the date, if any, that Realized Cash exceeds any of the applicable targets, shall be reasonable and made in good faith and, absent manifest error, shall be final and binding on the Participant.

Securities Law Representations

The Participant, by executing this Agreement, hereby makes the following representations to the Company and acknowledges that the Company's reliance on federal, state and foreign securities law exemptions from registration and qualification is predicated, in substantial part, upon the accuracy of these representations:

(a) The Participant acknowledges that the Restricted Shares are not being registered under the Securities Act of 1933, as amended (the "Securities Act"), based, in part, on either (i) reliance upon an exemption from registration under Securities and Exchange Commission Rule 701 promulgated under the Securities Act or (ii) the fact that the Participant is an "accredited investor" (as defined under the Securities Act and the rules and regulations promulgated thereunder), and, in each of (i) and (ii) above, a comparable exemption from qualification under applicable state securities laws, as each may be amended from time to time.

(b) The Participant is an "accredited investor" within the meaning of Rule 501(a)(1), (2) or (3) of the Securities Act.

(c) The Participant has acquired the Restricted Shares solely for the Participant's own account, for investment purposes only, and not with a view to or an intent to sell, or to offer for resale in connection with any unregistered distribution, all or any portion of the Restricted Shares within the meaning of the Securities Act and/or any applicable state securities laws.

(d) The Participant acknowledges that he has not acquired the Restricted Shares as a result of any general solicitation or general advertising in the United States, including any meeting whose attendees have been invited by general solicitation or general advertising.

(e) The Participant has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the Restricted Shares and the restrictions imposed on any Shares. The Participant has been furnished with, and/or has access to, such information as he considers necessary or appropriate for deciding whether to purchase the Restricted Shares. However, in evaluating the merits and risks of an investment in the Shares, the Participant has and will rely only upon the advice of his own legal counsel, tax advisors, and/or investment advisors.

(f) The Participant is aware that the Restricted Shares may be of no practical value, that any value they may have depend on vesting as well as the performance of the Company and the market generally, and that any investment in common shares of a closely held corporation such as the Company is non-marketable, non-transferable and could require capital to be invested for an indefinite period of time, possibly without return, and at substantial risk of loss.

(g) The Participant understands that the Restricted Shares are being offered in a transaction not involving any public offering within the United States within the meaning of the Securities Act and that the Restricted Shares have not been and will not be registered under the Securities Act,

and that the Restricted Shares are “restricted securities” as defined by Rule 144(a)(3) under the Securities Act, and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances, including in accordance with the conditions of Rule 144 promulgated under the Securities Act or in an offshore transaction meeting the requirements of Rule 903 or 904 of Regulation S under the Securities Act, each as presently in effect. The Participant acknowledges reviewing a copy of Rule 144 promulgated under the Securities Act and Regulation S under the Securities Act, as presently in effect, and represents that he is familiar with such rule, and understands the resale limitations imposed thereby and by the Securities Act and the applicable state securities law.

(h) The Participant agrees that he will comply with all applicable laws and regulations in effect in any jurisdiction in which he sells any of the securities or otherwise transfers any interest therein.

(i) The Participant has read and understands the restrictions and limitations set forth in the Shareholders Agreement, the Plan and this Agreement.

(j) The Participant understands and acknowledges that, if and the Restricted Shares vest, (a) any certificate evidencing the Vested Shares (or evidencing any other securities issued with respect thereto pursuant to any share split, share dividend, merger or other form of reorganization or recapitalization) when issued shall bear any legends which may be required by applicable federal and state securities laws, and (b) except as otherwise provided under the Shareholders Agreement, the Company has no obligation to register the Shares or file any registration statement under federal or state securities laws.

Nonqualified Stock Option Agreement

Athene Holding Ltd., a Bermuda exempted company limited by shares (the "Company"), hereby grants to the individual ("Optionee") named in the award notice attached hereto (the "Award Notice") as of the "Option Date" (as defined in the Award Notice), pursuant to the provisions of the Athene Holding Ltd. 2014 Share Incentive Plan (the "Plan"), a nonqualified stock option (the "Option") to purchase from the Company the number of the Company's Class A common shares, par value \$0.001 per share ("Common Shares"), set forth in the Award Notice at the price per share set forth in the Award Notice (the "Exercise Price"), upon and subject to the terms and conditions set forth below, in the Award Notice and in the Plan. Capitalized terms not defined herein shall have the meanings specified in the Plan.

1. Option Subject to Acceptance of Agreement. The Option shall be null and void unless Optionee shall accept this Agreement by executing the Award Notice in the space provided therefor and returning an original execution copy of the Award Notice to the Company (or electronically accepting this Agreement pursuant to procedures established by the Committee).

2. Time and Manner of Exercise of Option

2.1. Maximum Term of Option. In no event may the Option be exercised, in whole or in part, after the expiration date set forth in the Award Notice (the "Expiration Date").

2.2. Vesting and Exercise of Option. The Option shall become vested and exercisable in accordance with the vesting schedule set forth in the Award Notice (the "Vesting Schedule"). The Option shall be exercisable following a Termination of Relationship according to the following terms and conditions:

(a) Termination of Relationship due to Death or Disability. If Optionee experiences a Termination of Relationship by reason of Optionee's death or Disability, the Option shall become immediately and fully vested as of the date of such Termination of Relationship and may thereafter be exercised by Optionee or Optionee's executor, administrator, legal representative, guardian or similar person until and including the earlier to occur of (i) the date which is one (1) year after the date of such Termination of Relationship and (ii) the Expiration Date.

(b) Termination by Company for Cause. Notwithstanding anything to the contrary in the Award Notice or this Agreement, if Optionee experiences a Termination of Relationship by reason of the Company's termination of Optionee's employment for Cause, then the Option, whether or not vested, shall terminate immediately upon such Termination of Relationship and shall no longer be exercisable as of the date of such Termination of Relationship.

(c) Termination of Relationship by the Company Other than for Cause, Death or Disability or by Optionee If Optionee experiences a Termination of Relationship for any reason other than those described in Section 2.2(a) and (b), the Option, to the extent vested on the effective date of such Termination of Relationship, may thereafter be exercised by Optionee until and including the earlier to occur of (i) the date which is ninety (90) days after the date of such Termination of Relationship and (ii) the Expiration Date. The Option, to the extent unvested on the effective date of such Termination of Relationship, shall terminate and no longer be exercisable as of the effective date of such Termination of Relationship.

(d) Termination of Relationship Following a Change in Control. Notwithstanding anything to the contrary in Section 2.2(c), if Optionee experiences a Termination of Relationship due to (i) an involuntary termination by the Company without Cause or (ii) resignation by Optionee for Good Reason, in each case, within eighteen (18) months following a Change in Control, the Option shall become immediately and fully vested as of the date of such Termination of Relationship and may thereafter be exercised by Optionee until and including the earlier to occur of (i) the date which is ninety (90) days after the date of such Termination of Relationship and (ii) the Expiration Date.

2.3. Method of Exercise. Subject to the limitations set forth in this Agreement, the Option, to the extent vested, may be exercised by Optionee (a) by delivering to the Company an exercise notice in the form prescribed by the Company specifying the number of whole Common Shares to be purchased and by accompanying such notice with payment therefor in full (or by arranging for such payment to the Company's satisfaction) in cash or, following an IPO, by one of the following methods of payment: (i) by delivery to the Company (either actual delivery or by attestation procedures established by the Company) of Common Shares having an aggregate Fair Market Value, determined as of the date of exercise, equal to the aggregate purchase price payable pursuant to the Option by reason of such exercise, (ii) by authorizing the Company to withhold whole Common Shares which would otherwise be delivered having an aggregate Fair Market Value, determined as of the date of exercise, equal to the aggregate purchase price payable pursuant to the Option by reason of such exercise, (iii) except as may be prohibited by applicable law, in cash by a broker-dealer acceptable to the Company to whom Optionee has submitted an irrevocable notice of exercise or (iv) by a combination of cash, (i), (ii) and (iii), and (b) by executing such documents as the Committee may request. Any fraction of a Common Share which would be required to pay such purchase price shall be disregarded and the remaining amount due shall be paid in cash by Optionee. No Common Shares shall be issued or delivered until the full purchase price therefor and any withholding taxes thereon, as described in Section 4.1, have been paid.

2.4. Termination of Option. In no event may the Option be exercised after it terminates as set forth in this Section 2.4. The Option shall terminate, to the extent not earlier terminated pursuant to Section 2.2 or exercised pursuant to Section 2.3, on the Expiration Date. Upon the termination of the Option, the Option and all rights hereunder shall immediately become null and void.

3. Transfer Restrictions and Investment Representations.

3.1. Nontransferability of Option. The Option may not be transferred by Optionee other than by will or the laws of descent and distribution, pursuant to the designation of one or more beneficiaries on the form prescribed by the Committee or, to the extent permitted by the Committee, to a trust or entity established by Optionee for estate planning purposes. During Optionee's lifetime, the Option is exercisable only by Optionee, unless Optionee becomes subject to a Disability in which case, the Option may be exercised by Optionee's designated beneficiary or if no beneficiary has been designated in writing, by Optionee's executors or administrators. Except as permitted by this Section 3.1, the Option may not be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of the Option, the Option and all rights hereunder shall immediately become null and void.

3.2. Investment Representation. Optionee hereby represents and covenants that (a) any Common Shares purchased upon exercise of the Option will be purchased for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (the "Securities Act"), unless such purchase has been registered under the Securities Act and any applicable state securities laws; (b) any subsequent sale of any such shares shall be made either pursuant to an effective registration statement under the Securities Act and any applicable state securities laws, or pursuant to an exemption from registration under the Securities Act and such state securities laws; and (c) if requested by the Company, Optionee shall submit a written statement, in a form satisfactory to the Company, to the effect that such representation (x) is true and correct as of the date of any purchase of any shares hereunder or (y) is true and correct as of the date of any sale of any such shares, as applicable. As a further condition precedent to any exercise of the Option, Optionee shall comply with all regulations and requirements of any regulatory authority having control of or supervision over the issuance or delivery of the shares and, in connection therewith, shall execute any documents which the Company shall in its sole discretion deem necessary or advisable.

4. Additional Terms and Conditions.

4.1. Withholding Taxes. (a) As a condition precedent to the issuance of Common Shares following the exercise of all or any portion of the Option, Optionee shall, upon request by the Company, pay to the Company in addition to the purchase price of the shares, such amount as the Company may be required, under all applicable federal, state, local or other laws or regulations, to withhold and pay over as income or other withholding taxes (the "Required Tax Payments") with respect to such exercise of the Option. If Optionee shall fail to advance the Required Tax Payments after request by the Company, the Company may, in its discretion, deduct any Required Tax Payments from any amount then or thereafter payable by the Company to Optionee.

(b) Optionee may elect to satisfy his or her obligation to advance the Required Tax Payments by a cash payment to the Company or, following an IPO, by any of the following means: (i) authorizing the Company to withhold whole shares of Common Shares which would otherwise be delivered to Optionee upon exercise of the Option having an aggregate Fair Market

Value, determined as of the date on which such withholding obligation arises (the "Tax Date"), equal to the Required Tax Payments, (ii) delivery to the Company (either actual delivery or by attestation procedures established by the Company) of previously owned whole shares of Common Shares having an aggregate Fair Market Value, on the Tax Date, equal to the Required Tax Payments, (iii) except as may be prohibited by applicable law, a cash payment by a broker-dealer acceptable to the Company to whom Optionee has submitted an irrevocable notice of exercise, or (iv) any combination of foregoing. Common Shares to be delivered or withheld may not have a Fair Market Value in excess of the minimum amount of the Required Tax Payments except that any fraction of a Common Share which would be required to satisfy any such obligation shall be rounded up to the nearest whole number. No Common Share or certificate representing a Common Share shall be issued or delivered until the Required Tax Payments have been satisfied in full.

4.2. Adjustment. In the event of any equity restructuring (within the meaning of Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation—Stock Compensation) that causes the per share value of a Common Share to change, such as a stock dividend, stock split, spinoff, rights offering or recapitalization through an extraordinary dividend, the number and class of securities subject to the Option and the Exercise Price shall be appropriately adjusted by the Committee, such adjustment to be made in accordance with Section 409A of the Code. In the event of any other change in corporate capitalization, including a merger, consolidation, reorganization, or partial or complete liquidation of the Company, such equitable adjustments described in the foregoing sentence may be made as determined to be appropriate and equitable by the Committee to prevent dilution or enlargement of rights of Optionee. The decision of the Committee regarding any such adjustment shall be final, binding and conclusive.

4.3. Compliance with Applicable Law. The Option is subject to the condition that if the listing, registration or qualification of the shares subject to the Option upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action incidental thereto is necessary or desirable as a condition of, or in connection with, the purchase or issuance of shares hereunder, the Option may not be exercised, in whole or in part, and such shares may not be issued, unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free of any conditions not acceptable to the Company.

4.4. Issuance or Delivery of Shares. Upon the exercise of the Option, in whole or in part, the Company shall promptly issue or deliver, subject to the conditions of this Agreement, the number of Common Shares purchased against full payment therefor. Such issuance shall be evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company. The Company shall pay all original issue or transfer taxes and all fees and expenses incident to such issuance, except as otherwise provided in Section 4.1.

4.5. Option Confers No Rights as Shareholder. Optionee shall not be entitled to any privileges of ownership with respect to the shares subject to the Option unless and until such shares are purchased and issued upon the exercise of the Option, in whole or in part, and Optionee becomes a shareholder with respect to such issued shares. Optionee shall not be considered a shareholder of the Company with respect to any such shares not so purchased and issued.

4.6. Option Confers No Rights to Continued Employment. In no event shall the granting of the Option or its acceptance by Optionee, or any provision of this Agreement or the Plan, give or be deemed to give Optionee any right to continued employment by the Company, the Asset Management Company or any of their Subsidiaries or affiliates or affect in any manner the right of the Company, the Asset Management Company or any of their Subsidiaries or affiliates to terminate the employment of any person at any time.

4.7. Decisions of Board or Committee. The Committee (or Board, as applicable) shall have the right to resolve all questions which may arise in connection with the Option or its exercise. Any interpretation, determination or other action made or taken by the Committee (or Board, as applicable) regarding the Plan, the Award Notice or this Agreement shall be final, binding and conclusive.

4.8. Successors. This Agreement shall be binding upon and inure to the benefit of any successor or successors of the Company and any person or persons who shall, upon the death of Optionee, acquire any rights hereunder in accordance with this Agreement or the Plan.

4.9. Notices. All notices, requests or other communications provided for in this Agreement shall be made, if to the Company, to Athene Holding Ltd., c/o Athene Employee Services, LLC, Attn: Kristi Burma, SVP Human Resources, 7700 Mills Civic Parkway, West Des Moines, IA 50266-3862, and if to Optionee, to the last known mailing address of Optionee contained in the records of the Company. All notices, requests or other communications provided for in this Agreement shall be made in writing either (a) by personal delivery, (b) by facsimile or electronic mail with confirmation of receipt, (c) by mailing in the United States mails or (d) by express courier service. The notice, request or other communication shall be deemed to be received upon personal delivery, upon confirmation of receipt of facsimile or electronic mail transmission or upon receipt by the party entitled thereto if by United States mail or express courier service; provided, however, that if a notice, request or other communication sent to the Company is not received during regular business hours, it shall be deemed to be received on the next succeeding business day of the Company.

4.10. Governing Law. This Agreement, the Option and all determinations made and actions taken pursuant hereto and thereto, to the extent not governed by the Code or the laws of the United States, shall be governed by the laws of the State of Delaware and construed in accordance therewith without giving effect to principles of conflicts of laws.

4.11. Agreement Subject to the Plan. This Agreement is subject to the provisions of the Plan and shall be interpreted in accordance therewith. In the event that the provisions of this Agreement and the Plan conflict, the Plan shall control. The Optionee hereby acknowledges receipt of a copy of the Plan.

4.12. Entire Agreement. This Agreement, including the Award Notice, and the Plan constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Optionee with respect to the subject matter hereof.

4.13. Partial Invalidity. The invalidity or unenforceability of any particular provision of this Agreement shall not effect the other provisions hereof and this Agreement shall be construed in all respects as if such invalid or unenforceable provisions were omitted.

4.14. Amendment and Waiver. The provisions of this Agreement may not be amended without the written consent of Optionee where such amendment would materially impair Optionee's rights under this Agreement. No course of conduct or failure or delay in enforcing the provisions of this Agreement shall affect the validity, binding effect or enforceability of this Agreement.

4.15. Counterparts. The Award Notice may be executed in two counterparts, each of which shall be deemed an original and both of which together shall constitute one and the same instrument.

4.16. Option Subject to Reduction for 280G. The Option and any Common Shares, other securities or other property delivered pursuant to the Option are subject to reduction pursuant to any policy which the Company may adopt from time to time to avoid the potential adverse tax consequences that may be imposed on the Company or the Holder pursuant to Section 280G and/or Section 4999 of the Code.

5. Protective Covenants.

5.1. Confidential Information. (a) Optionee shall not disclose or use at any time any Confidential Information (as defined below) of which Optionee is or becomes aware, whether or not such information is developed by Optionee, except to the extent that such disclosure or use is directly related to and required by Optionee's performance in good faith of duties for the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates. Optionee shall take all appropriate steps to safeguard Confidential Information in Optionee's possession and to protect it against disclosure, misuse, espionage, loss and theft. Optionee shall deliver to the Company upon Optionee's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, its Subsidiaries, the Asset Management Company or any of their respective Affiliates which Optionee may then possess or have under his or her control. Notwithstanding the foregoing, Optionee may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by Optionee while providing services to the Company, its Subsidiaries, the Asset Management Company, their respective Affiliates or

any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by Optionee in breach of this Agreement) in a form generally available to the public prior to the date Optionee proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

(b) Nothing herein (including, without limitation, any provision of this Section 5.1 shall, or is intended to, limit Optionee's right to file a proceeding with, or provide truthful evidence or other information to, any federal, state or local governmental agency.

5.2. Restriction on Competition. (a) Optionee acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. Optionee agrees that if Optionee were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for Optionee not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, Optionee will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of Optionee's Termination of Relationship (provided that as of the date of Optionee's Termination of Relationship, to the knowledge of Optionee, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period

following the date of Optionee's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during Optionee's period of service has competed, or any time during the twelve (12) month period following the date of Optionee's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the date of Optionee's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after Optionee's Termination of Relationship (provided that as of the date of Optionee's Termination of Relationship, to the knowledge of Optionee, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Optionee's period of service until his or her Termination of Relationship, and thereafter through and including: (A) twelve (12) months following the Optionee's Termination of Relationship with respect to any Optionee with a title of CEO, President or EVP at the time of the Termination of Relationship; (B) nine (9) months following the Optionee's Termination of Relationship with respect to any Optionee with a title of SVP at the time of the Termination of Relationship; (C) six (6) months following the Optionee's Termination of Relationship with respect to any Optionee with a title of VP at the time of the Termination of Relationship; and (D) two (2) months following the Optionee's Termination of Relationship with respect to any Optionee with a title less senior than VP at the time of the Termination of Relationship.

(b) Nothing herein shall prohibit Optionee from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as Optionee has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and Optionee does not provide services to, or have any responsibilities regarding, the Competing Business.

5.3. Non-Solicitation of Employees and Consultants. During Optionee's period of service and for a period of twelve (12) months after the date of Optionee's Termination of Relationship, Optionee shall not directly or indirectly through any other Person (a) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (b) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

5.4. Non-Solicitation of Customers. During Optionee's period of service and for a period of twelve (12) months after the date of Optionee's Termination of Relationship, Optionee shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business

away from the Protected Companies, and Optionee will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

5.5. Understanding of Covenants. Optionee represents and agrees that he or she (a) is familiar with and carefully considered the foregoing covenants set forth in this Section 5 (together, the “Restrictive Covenants”), (b) is fully aware of his or her obligations hereunder, (c) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (d) agrees that the Restrictive Covenants are necessary to protect the Protected Companies’ confidential and proprietary information, good will, stable workforce and customer relations, and (e) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 5 regardless of whether Optionee is then entitled to receive severance pay or benefits from any of the Protected Companies. Optionee understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), Optionee does not believe would prevent him or her from otherwise earning a living. Optionee agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of Optionee.

5.6. Enforcement. Optionee agrees that Optionee’s services are unique and that he or she has access to Confidential Information. Accordingly, Optionee agrees that a breach by Optionee of any of the covenants in this Section 5 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, Optionee agrees that in the event of any breach or threatened breach of any provision of this Section 5, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 5, as the case may be, or require Optionee to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 5, if and when final judgment of a court of competent jurisdiction is so entered against Optionee. Optionee further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of Optionee’s Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 5, shall be extended by the same amount of time that Optionee is in breach of any Restrictive Covenant.

For this purpose, Return on Equity and Operating Income have the same meanings as disclosed in the Company's financial statements,

2014 SHARE INCENTIVE PLAN**

Restricted Share Unit Award Agreement

Athene Holding, Ltd., a Bermuda exempted company limited by shares (the “Company”), hereby grants to the individual (the “Holder”) named in the award notice attached hereto (the “Award Notice”) as of the “Grant Date” (as defined in the Award Notice, pursuant to the provisions of the Athene Holding Ltd. 2014 Share Incentive Plan (the “Plan”), a restricted share unit award (the “Award”) with respect to the number of the Company’s Class A common shares, par value \$0.001 per share (the “Common Shares”) set forth in the Award Notice, upon and subject to the restrictions, terms and conditions set forth below, in the Award Notice and in the Plan. Capitalized terms not defined herein shall have the meanings specified in the Plan.

1. Award Subject to Acceptance of Agreement. The Award shall be null and void unless Holder shall accept this Agreement by executing it in the space provided therefor and returning an original execution copy of the Award Notice to the Company (or electronically accepting this Agreement pursuant to procedures established by the Committee).

2. Restriction Period and Vesting. Except as otherwise provided in this Agreement, the Award shall vest in accordance with the vesting schedule set forth in the Award Notice (the “Vesting Schedule”).

3. Settlement of Award. (a) Subject to Section 5.1, as soon as practicable after the vesting of all or a portion of the Award (but not later than ninety (90) days after each date on which all or a portion of the Award vests), the Company shall settle the Award, subject to the conditions of this Agreement, with respect to the number of Common Shares so vested. Settlement shall be made, at the sole discretion of the Company, by (i) delivery of the number of Common Shares subject to the Award so vested, (ii) payment of cash equal to the Fair Market Value of the equivalent number of Common Shares subject to the Award so vested, or (iii) a combination of both. If the Company elects to issue any Common Shares in settlement of the Award, such issuance shall be evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company and the Company shall pay all original issue or transfer taxes and all fees and expenses incident to such issuance, except as otherwise provided in Section 5.1. Any fraction of a Common Share which would otherwise be issuable upon settlement of the Award shall be rounded up to the nearest whole number. Except as set forth in this Agreement, Holder shall not be entitled to any voting rights or other privileges of ownership with respect to Common Shares subject to the Award unless and until such shares become vested pursuant to Section 2, and then only to the extent the Company has settled such portion of the Award in Common Shares. Prior to the settlement of the Award (whether in cash or Common Shares), Holder shall have only the status of a general unsecured creditor of the Company and have no direct or secured claim in any specific assets of the Company or in any Common Shares.

(b) Dividend Equivalents. In the event that the Company pays a dividend on its Common Shares, which dividend record date is prior to the date on which all or any portion of this Award is settled, then subject to Section 5.1, the Company shall pay to Holder, each time all

or any portion of the Award is settled (or the payment date for the dividend if later), an amount in cash equal to the aggregate ordinary cash dividends that would have been paid on the equivalent number of Common Shares subject to the portion of the Award being settled (the "Dividend Equivalent Shares") during the period between the Grant Date and such settlement date had the Dividend Equivalent Shares been held directly by Holder during such period (the "Dividend Equivalents"). Dividend Equivalents shall be paid whether the Award (or portion thereof) is settled in cash or Common Shares. No Dividend Equivalents shall be paid prior to the date on which the Award vests and is settled, in whole or in part, and no Dividend Equivalents shall be paid with respect to any Common Shares subject to this Award that have either been settled or forfeited prior to the record date for such ordinary cash dividend.

4. Transfer Restrictions and Investment Representations.

4.1. Nontransferability of Award. The Award may not be transferred by Holder other than by will or the laws of descent and distribution, pursuant to the designation of one or more beneficiaries on the form prescribed by the Committee or, to the extent permitted by the Committee, to a trust or entity established for estate planning purposes. Except as permitted by the foregoing sentence, the Award may not be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of the Award, the Award and all rights hereunder shall immediately become null and void.

4.2. Investment Representation. Holder hereby represents and covenants that (a) any Common Shares acquired upon the vesting of the Award will be acquired for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (the "Securities Act"), unless such acquisition has been registered under the Securities Act and any applicable state securities laws; (b) any subsequent sale of any such shares shall be made either pursuant to an effective registration statement under the Securities Act and any applicable state securities laws, or pursuant to an exemption from registration under the Securities Act and such state securities laws; and (c) if requested by the Company, Holder shall submit a written statement, in a form satisfactory to the Company, to the effect that such representation (x) is true and correct as of the date of any vesting of any shares hereunder or (y) is true and correct as of the date of any sale of any such shares, as applicable. As a further condition precedent to the delivery to Holder of any Common Shares subject to the Award, Holder shall comply with all regulations and requirements of any regulatory authority having control of or supervision over the issuance or delivery of the shares and, in connection therewith, shall execute any documents which the Committee shall in its sole discretion deem necessary or advisable.

5. Additional Terms and Conditions.

5.1. Withholding Taxes. (a) As a condition precedent to the settlement of any Award upon vesting, Holder shall, upon request by the Company, pay to the Company such amount as the Company may be required, under all applicable federal, state, local or other laws or regulations, to withhold and pay over as income or other withholding taxes (the "Required Tax Payments") with respect to the vesting and settlement of the Award. If Holder shall fail to

advance the Required Tax Payments after request by the Company, the Company may, in its discretion, deduct any Required Tax Payments from any amount then or thereafter payable by the Company to Holder.

(b) Holder may elect to satisfy his or her obligation to advance the Required Tax Payments by a cash payment to the Company or, if applicable, authorizing the Company to withhold whole shares of Common Shares which would otherwise be delivered to Holder upon settlement of the Award having an aggregate Fair Market Value, determined as of the date on which such withholding obligation arises (the "Tax Date"), equal to the Required Tax Payments. Following an IPO, withholding may also be satisfied by delivery to the Company (either actual delivery or by attestation procedures established by the Company) of previously owned whole shares of Common Shares having an aggregate Fair Market Value on the Tax Date equal to the Required Tax Payments or any combination of the methods described in this Section 5.1(b). Common Shares to be delivered or withheld may not have a Fair Market Value in excess of the minimum amount of the Required Tax Payments except that any fraction of a Common Share which would be required to satisfy any such obligation shall be rounded up to the nearest whole number. No Common Share or certificate representing a Common Share shall be issued or delivered until the Required Tax Payments have been satisfied in full.

5.2. Adjustment. In the event of any equity restructuring (within the meaning of Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation—Stock Compensation or applicable successor guidance) that causes the per share value of a Common Share to change, such as a stock dividend, stock split, spinoff, rights offering or recapitalization through an extraordinary dividend, the terms of the Award, including the number and class of securities subject hereto, shall be appropriately adjusted by the Committee. In the event of any other change in corporate capitalization, including a merger, consolidation, reorganization, or partial or complete liquidation of the Company, such equitable adjustments described in the foregoing sentence may be made as determined to be appropriate and equitable by the Committee to prevent dilution or enlargement of rights of Holder. The decision of the Committee regarding any such adjustment shall be final, binding and conclusive.

5.3. Compliance with Applicable Law. The Award is subject to the condition that if the listing, registration or qualification of the Common Shares subject to the Award upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action incidental thereto is necessary or desirable as a condition of, or in connection with, the delivery of shares hereunder, the Common Shares subject to the Award shall not be delivered, in whole or in part, unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free of any conditions not acceptable to the Company.

5.4. Awards Subject to Clawback and Reduction for 280G. The Award and any Common Shares, other securities, cash or other property delivered pursuant to the Award are subject to (a) forfeiture, recovery by the Company or other action pursuant to any clawback or recoupment policy which the Company may adopt from time to time, including without limitation any such policy which the Company may be required to adopt under the Dodd-Frank Wall Street Reform and Consumer Protection Act and implementing rules and regulations thereunder, or as otherwise required by law and (b) reduction pursuant to any policy which the

Company may adopt from time to time to avoid the potential adverse tax consequences that may be imposed on the Company or Holder pursuant to Section 280G and/or Section 4999 of the Code.

5.5. Award Confers No Rights to Continued Employment In no event shall the granting of the Award or its acceptance by Holder, or any provision of this Agreement or the Plan, give or be deemed to give Holder any right to continued employment by the Company, the Asset Management Company or any of their Subsidiaries or affiliates or affect in any manner the right of the Company, the Asset Management Company or any of their Subsidiaries or affiliates to terminate the employment of any person at any time.

5.6. Decisions of Board or Committee. The Committee (or Board, as applicable) shall have the right to resolve all questions which may arise in connection with the Award. Any interpretation, determination or other action made or taken by the Committee (or Board, as applicable) regarding the Plan, the Award Notice or this Agreement shall be final, binding and conclusive.

5.7. Successors. This Agreement shall be binding upon and inure to the benefit of any successor or successors of the Company and any person or persons who shall, upon the death of Holder, acquire any rights hereunder in accordance with this Agreement or the Plan.

5.8. Notices. All notices, requests or other communications provided for in this Agreement shall be made, if to the Company, to Athene Holding Ltd., c/o Athene Employee Services, LLC, Attn: Kristi Burma, SVP Human Resources, 7700 Mills Civic Parkway, West Des Moines, IA 50266-3862, and if to Holder, to the last known mailing address of Holder contained in the records of the Company. All notices, requests or other communications provided for in this Agreement shall be made in writing either (a) by personal delivery, (b) by facsimile or electronic mail with confirmation of receipt, (c) by mailing in the United States mails or (d) by express courier service. The notice, request or other communication shall be deemed to be received upon personal delivery, upon confirmation of receipt of facsimile or electronic mail transmission or upon receipt by the party entitled thereto if by United States mail or express courier service; provided, however, that if a notice, request or other communication sent to the Company is not received during regular business hours, it shall be deemed to be received on the next succeeding business day of the Company.

5.9. Governing Law. This Agreement, the Award and all determinations made and actions taken pursuant hereto and thereto, to the extent not governed by the Code or the laws of the United States, shall be governed by the laws of the State of Delaware and construed in accordance therewith without giving effect to principles of conflicts of laws.

5.10. Agreement Subject to the Plan. This Agreement is subject to the provisions of the Plan and shall be interpreted in accordance therewith. In the event that the provisions of this Agreement and the Plan conflict, the Plan shall control. Holder hereby acknowledges receipt of a copy of the Plan.

5.11. Entire Agreement. This Agreement, including the Award Notice, and the Plan constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Holder with respect to the subject matter hereof.

5.12. Partial Invalidity. The invalidity or unenforceability of any particular provision of this Agreement shall not effect the other provisions hereof and this Agreement shall be construed in all respects as if such invalid or unenforceable provisions were omitted.

5.13. Amendment and Waiver. The provisions of this Agreement may not be amended without the written consent of Holder where such amendment would materially impair Holder's rights under this Agreement. No course of conduct or failure or delay in enforcing the provisions of this Agreement shall affect the validity, binding effect or enforceability of this Agreement.

5.14. Counterparts. The Award Notice may be executed in two counterparts, each of which shall be deemed an original and both of which together shall constitute one and the same instrument.

6. Protective Covenants.

6.1. Confidential Information. (a) Holder shall not disclose or use at any time any Confidential Information (as defined below) of which Holder is or becomes aware, whether or not such information is developed by Holder, except to the extent that such disclosure or use is directly related to and required by Holder's performance in good faith of duties for the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates. Holder shall take all appropriate steps to safeguard Confidential Information in Holder's possession and to protect it against disclosure, misuse, espionage, loss and theft. Holder shall deliver to the Company upon Holder's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, its Subsidiaries, the Asset Management Company or any of their respective Affiliates which Holder may then possess or have under his or her control. Notwithstanding the foregoing, Holder may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by Holder while providing services to the Company, its Subsidiaries, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including

operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by Holder in breach of this Agreement) in a form generally available to the public prior to the date Holder proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

(b) Nothing herein (including, without limitation, any provision of this Section 6 shall, or is intended to, limit Holder's right to file a proceeding with, or provide truthful evidence or other information to, any federal, state or local governmental agency.

6.2. Restriction on Competition. (a) Holder acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. Holder agrees that if Holder were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for Holder not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, Holder will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of Holder's Termination of Relationship (provided that as of the date of Holder's Termination of Relationship, to the knowledge of Holder, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of Holder's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during Holder's period of service has competed, or any time during the twelve (12) month period following the date of Holder's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity

reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the date of Holder's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after Holder's Termination of Relationship (provided that as of the date of Holder's Termination of Relationship, to the knowledge of Holder, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means Holder's period of service until his or her Termination of Relationship, and thereafter through and including: (A) twelve (12) months following Holder's Termination of Relationship with respect to any Holder with a title of CEO, President or EVP at the time of the Termination of Relationship; (B) nine (9) months following Holder's Termination of Relationship with respect to any Holder with a title of SVP at the time of the Termination of Relationship; (C) six (6) months following Holder's Termination of Relationship with respect to any Holder with a title of VP at the time of the Termination of Relationship; and (D) two (2) months following Holder's Termination of Relationship with respect to any Holder with a title less senior than VP at the time of the Termination of Relationship.

(b) Nothing herein shall prohibit Holder from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as Holder has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and Holder does not provide services to, or have any responsibilities regarding, the Competing Business.

6.3. Non-Solicitation of Employees and Consultants. During Holder's period of service and for a period of twelve (12) months after the date of Holder's Termination of Relationship, Holder shall not directly or indirectly through any other Person (a) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (b) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

6.4. Non-Solicitation of Customers. During Holder's period of service and for a period of twelve (12) months after the date of Holder's Termination of Relationship, Holder shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business away from the Protected Companies, and Holder will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

6.5. Understanding of Covenants. Holder represents and agrees that he or she (a) is familiar with and carefully considered the foregoing covenants set forth in this Section 6 (together, the “Restrictive Covenants”), (b) is fully aware of his or her obligations hereunder, (b) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (d) agrees that the Restrictive Covenants are necessary to protect the Protected Companies’ confidential and proprietary information, good will, stable workforce and customer relations, and (e) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 6 regardless of whether Holder is then entitled to receive severance pay or benefits from any of the Protected Companies. Holder understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), Holder does not believe would prevent him or her from otherwise earning a living. Holder agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of Holder.

6.6. Enforcement. Holder agrees that Holder’s services are unique and that he or she has access to Confidential Information. Accordingly, Holder agrees that a breach by Holder of any of the covenants in this Section 6 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, Holder agrees that in the event of any breach or threatened breach of any provision of this Section 6, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 6, as the case may be, or require Holder to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 6, if and when final judgment of a court of competent jurisdiction is so entered against Holder. Holder further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of Holder’s Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 6, shall be extended by the same amount of time that Holder is in breach of any Restrictive Covenant.

2014 SHARE INCENTIVE PLAN**

Restricted Share Unit Award Agreement

Athene Holding, Ltd., a Bermuda exempted company limited by shares (the “Company”), hereby grants to the individual (the “Holder”) named in the award notice attached hereto (the “Award Notice”) as of the “Grant Date” (as defined in the Award Notice, pursuant to the provisions of the Athene Holding Ltd. 2014 Share Incentive Plan (the “Plan”), a restricted share unit award (the “Award”) with respect to the number of the Company’s Class A common shares, par value \$0.001 per share (the “Common Shares”) set forth in the Award Notice, upon and subject to the restrictions, terms and conditions set forth below, in the Award Notice and in the Plan. Capitalized terms not defined herein shall have the meanings specified in the Plan.

1. Award Subject to Acceptance of Agreement. The Award shall be null and void unless Holder shall accept this Agreement by executing it in the space provided therefor and returning an original execution copy of the Award Notice to the Company (or electronically accepting this Agreement pursuant to procedures established by the Committee).

2. Restriction Period and Vesting. Except as otherwise provided in this Agreement, the Award shall vest in accordance with the vesting schedule set forth in the Award Notice (the “Vesting Schedule”).

3. Settlement of Award. (a) Subject to Section 5.1, as soon as practicable after the vesting of all or a portion of the Award (but not later than ninety (90) days after each date on which all or a portion of the Award vests), the Company shall settle the Award, subject to the conditions of this Agreement, with respect to the number of Common Shares so vested. Settlement shall be made, at the sole discretion of the Company, by (i) delivery of the number of Common Shares subject to the Award so vested, (ii) payment of cash equal to the Fair Market Value of the equivalent number of Common Shares subject to the Award so vested, or (iii) a combination of both. If the Company elects to issue any Common Shares in settlement of the Award, such issuance shall be evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company and the Company shall pay all original issue or transfer taxes and all fees and expenses incident to such issuance, except as otherwise provided in Section 5.1. Any fraction of a Common Share which would otherwise be issuable upon settlement of the Award shall be rounded up to the nearest whole number. Except as set forth in this Agreement, Holder shall not be entitled to any voting rights or other privileges of ownership with respect to Common Shares subject to the Award unless and until such shares become vested pursuant to Section 2, and then only to the extent the Company has settled such portion of the Award in Common Shares. Prior to the settlement of the Award (whether in cash or Common Shares), Holder shall have only the status of a general unsecured creditor of the Company and have no direct or secured claim in any specific assets of the Company or in any Common Shares.

(b) Dividend Equivalents. In the event that the Company pays a dividend on its Common Shares, which dividend record date is prior to the date on which all or any portion of this Award is settled, then subject to Section 5.1, the Company shall pay to Holder, each time all

or any portion of the Award is settled (or the payment date for the dividend if later), an amount in cash equal to the aggregate ordinary cash dividends that would have been paid on the equivalent number of Common Shares subject to the portion of the Award being settled (the "Dividend Equivalent Shares") during the period between the Grant Date and such settlement date had the Dividend Equivalent Shares been held directly by Holder during such period (the "Dividend Equivalents"). Dividend Equivalents shall be paid whether the Award (or portion thereof) is settled in cash or Common Shares. No Dividend Equivalents shall be paid prior to the date on which the Award vests and is settled, in whole or in part, and no Dividend Equivalents shall be paid with respect to any Common Shares subject to this Award that have either been settled or forfeited prior to the record date for such ordinary cash dividend.

4. Transfer Restrictions and Investment Representations.

4.1. Nontransferability of Award. The Award may not be transferred by Holder other than by will or the laws of descent and distribution, pursuant to the designation of one or more beneficiaries on the form prescribed by the Committee or, to the extent permitted by the Committee, to a trust or entity established for estate planning purposes. Except as permitted by the foregoing sentence, the Award may not be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Upon any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of the Award, the Award and all rights hereunder shall immediately become null and void.

4.2. Investment Representation. Holder hereby represents and covenants that (a) any Common Shares acquired upon the vesting of the Award will be acquired for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (the "Securities Act"), unless such acquisition has been registered under the Securities Act and any applicable state securities laws; (b) any subsequent sale of any such shares shall be made either pursuant to an effective registration statement under the Securities Act and any applicable state securities laws, or pursuant to an exemption from registration under the Securities Act and such state securities laws; and (c) if requested by the Company, Holder shall submit a written statement, in a form satisfactory to the Company, to the effect that such representation (x) is true and correct as of the date of any vesting of any shares hereunder or (y) is true and correct as of the date of any sale of any such shares, as applicable. As a further condition precedent to the delivery to Holder of any Common Shares subject to the Award, Holder shall comply with all regulations and requirements of any regulatory authority having control of or supervision over the issuance or delivery of the shares and, in connection therewith, shall execute any documents which the Committee shall in its sole discretion deem necessary or advisable.

5. Additional Terms and Conditions.

5.1. Withholding Taxes. (a) As a condition precedent to the settlement of any Award upon vesting, Holder shall, upon request by the Company, pay to the Company such amount as the Company may be required, under all applicable federal, state, local or other laws or regulations, to withhold and pay over as income or other withholding taxes (the "Required Tax Payments") with respect to the vesting and settlement of the Award. If Holder shall fail to

advance the Required Tax Payments after request by the Company, the Company may, in its discretion, deduct any Required Tax Payments from any amount then or thereafter payable by the Company to Holder.

(b) Holder may elect to satisfy his or her obligation to advance the Required Tax Payments by a cash payment to the Company or, if applicable, authorizing the Company to withhold whole shares of Common Shares which would otherwise be delivered to Holder upon settlement of the Award having an aggregate Fair Market Value, determined as of the date on which such withholding obligation arises (the “Tax Date”), equal to the Required Tax Payments. Following an IPO, withholding may also be satisfied by delivery to the Company (either actual delivery or by attestation procedures established by the Company) of previously owned whole shares of Common Shares having an aggregate Fair Market Value on the Tax Date equal to the Required Tax Payments or any combination of the methods described in this Section 5.1(b). Common Shares to be delivered or withheld may not have a Fair Market Value in excess of the minimum amount of the Required Tax Payments except that any fraction of a Common Share which would be required to satisfy any such obligation shall be rounded up to the nearest whole number. No Common Share or certificate representing a Common Share shall be issued or delivered until the Required Tax Payments have been satisfied in full.

5.2. Adjustment. In the event of any equity restructuring (within the meaning of Financial Accounting Standards Board Accounting Standards Codification Topic 718, Compensation—Stock Compensation or applicable successor guidance) that causes the per share value of a Common Share to change, such as a stock dividend, stock split, spinoff, rights offering or recapitalization through an extraordinary dividend, the terms of the Award, including the number and class of securities subject hereto, shall be appropriately adjusted by the Committee. In the event of any other change in corporate capitalization, including a merger, consolidation, reorganization, or partial or complete liquidation of the Company, such equitable adjustments described in the foregoing sentence may be made as determined to be appropriate and equitable by the Committee to prevent dilution or enlargement of rights of Holder. The decision of the Committee regarding any such adjustment shall be final, binding and conclusive.

5.3. Compliance with Applicable Law. The Award is subject to the condition that if the listing, registration or qualification of the Common Shares subject to the Award upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action incidental thereto is necessary or desirable as a condition of, or in connection with, the delivery of shares hereunder, the Common Shares subject to the Award shall not be delivered, in whole or in part, unless such listing, registration, qualification, consent, approval or other action shall have been effected or obtained, free of any conditions not acceptable to the Company.

5.4. Awards Subject to Clawback and Reduction for 280G. The Award and any Common Shares, other securities, cash or other property delivered pursuant to the Award are subject to (a) forfeiture, recovery by the Company or other action pursuant to any clawback or recoupment policy which the Company may adopt from time to time, including without limitation any such policy which the Company may be required to adopt under the Dodd-Frank Wall Street Reform and Consumer Protection Act and implementing rules and regulations thereunder, or as otherwise required by law and (b) reduction pursuant to any policy which the

Company may adopt from time to time to avoid the potential adverse tax consequences that may be imposed on the Company or Holder pursuant to Section 280G and/or Section 4999 of the Code.

5.5. Award Confers No Rights to Continued Employment In no event shall the granting of the Award or its acceptance by Holder, or any provision of this Agreement or the Plan, give or be deemed to give Holder any right to continued employment by the Company, the Asset Management Company or any of their Subsidiaries or affiliates or affect in any manner the right of the Company, the Asset Management Company or any of their Subsidiaries or affiliates to terminate the employment of any person at any time.

5.6. Decisions of Board or Committee. The Committee (or Board, as applicable) shall have the right to resolve all questions which may arise in connection with the Award. Any interpretation, determination or other action made or taken by the Committee (or Board, as applicable) regarding the Plan, the Award Notice or this Agreement shall be final, binding and conclusive.

5.7. Successors. This Agreement shall be binding upon and inure to the benefit of any successor or successors of the Company and any person or persons who shall, upon the death of Holder, acquire any rights hereunder in accordance with this Agreement or the Plan.

5.8. Notices. All notices, requests or other communications provided for in this Agreement shall be made, if to the Company, to Athene Holding Ltd., c/o Athene Employee Services, LLC, Attn: Kristi Burma, SVP Human Resources, 7700 Mills Civic Parkway, West Des Moines, IA 50266-3862, and if to Holder, to the last known mailing address of Holder contained in the records of the Company. All notices, requests or other communications provided for in this Agreement shall be made in writing either (a) by personal delivery, (b) by facsimile or electronic mail with confirmation of receipt, (c) by mailing in the United States mails or (d) by express courier service. The notice, request or other communication shall be deemed to be received upon personal delivery, upon confirmation of receipt of facsimile or electronic mail transmission or upon receipt by the party entitled thereto if by United States mail or express courier service; provided, however, that if a notice, request or other communication sent to the Company is not received during regular business hours, it shall be deemed to be received on the next succeeding business day of the Company.

5.9. Governing Law. This Agreement, the Award and all determinations made and actions taken pursuant hereto and thereto, to the extent not governed by the Code or the laws of the United States, shall be governed by the laws of the State of Delaware and construed in accordance therewith without giving effect to principles of conflicts of laws.

5.10. Agreement Subject to the Plan. This Agreement is subject to the provisions of the Plan and shall be interpreted in accordance therewith. In the event that the provisions of this Agreement and the Plan conflict, the Plan shall control. Holder hereby acknowledges receipt of a copy of the Plan.

5.11. Entire Agreement. This Agreement, including the Award Notice, and the Plan constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Holder with respect to the subject matter hereof.

5.12. Partial Invalidity. The invalidity or unenforceability of any particular provision of this Agreement shall not effect the other provisions hereof and this Agreement shall be construed in all respects as if such invalid or unenforceable provisions were omitted.

5.13. Amendment and Waiver. The provisions of this Agreement may not be amended without the written consent of Holder where such amendment would materially impair Holder's rights under this Agreement. No course of conduct or failure or delay in enforcing the provisions of this Agreement shall affect the validity, binding effect or enforceability of this Agreement.

5.14. Counterparts. The Award Notice may be executed in two counterparts, each of which shall be deemed an original and both of which together shall constitute one and the same instrument.

6. Protective Covenants.

6.1. Confidential Information. (a) Holder shall not disclose or use at any time any Confidential Information (as defined below) of which Holder is or becomes aware, whether or not such information is developed by Holder, except to the extent that such disclosure or use is directly related to and required by Holder's performance in good faith of duties for the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates. Holder shall take all appropriate steps to safeguard Confidential Information in Holder's possession and to protect it against disclosure, misuse, espionage, loss and theft. Holder shall deliver to the Company upon Holder's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, its Subsidiaries, the Asset Management Company or any of their respective Affiliates which Holder may then possess or have under his or her control. Notwithstanding the foregoing, Holder may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by Holder while providing services to the Company, its Subsidiaries, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, its Subsidiaries, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including

operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by Holder in breach of this Agreement) in a form generally available to the public prior to the date Holder proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

(b) Nothing herein (including, without limitation, any provision of this Section 6 shall, or is intended to, limit Holder's right to file a proceeding with, or provide truthful evidence or other information to, any federal, state or local governmental agency.

6.2. Restriction on Competition. (a) Holder acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. Holder agrees that if Holder were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for Holder not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, Holder will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of Holder's Termination of Relationship (provided that as of the date of Holder's Termination of Relationship, to the knowledge of Holder, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of Holder's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during Holder's period of service has competed, or any time during the twelve (12) month period following the date of Holder's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity

reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the date of Holder's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after Holder's Termination of Relationship (provided that as of the date of Holder's Termination of Relationship, to the knowledge of Holder, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means Holder's period of service until his or her Termination of Relationship, and thereafter through and including: (A) twelve (12) months following Holder's Termination of Relationship with respect to any Holder with a title of CEO, President or EVP at the time of the Termination of Relationship; (B) nine (9) months following Holder's Termination of Relationship with respect to any Holder with a title of SVP at the time of the Termination of Relationship; (C) six (6) months following Holder's Termination of Relationship with respect to any Holder with a title of VP at the time of the Termination of Relationship; and (D) two (2) months following Holder's Termination of Relationship with respect to any Holder with a title less senior than VP at the time of the Termination of Relationship.

(b) Nothing herein shall prohibit Holder from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as Holder has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and Holder does not provide services to, or have any responsibilities regarding, the Competing Business.

6.3. Non-Solicitation of Employees and Consultants. During Holder's period of service and for a period of twelve (12) months after the date of Holder's Termination of Relationship, Holder shall not directly or indirectly through any other Person (a) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (b) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

6.4. Non-Solicitation of Customers. During Holder's period of service and for a period of twelve (12) months after the date of Holder's Termination of Relationship, Holder shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business away from the Protected Companies, and Holder will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

6.5. Understanding of Covenants. Holder represents and agrees that he or she (a) is familiar with and carefully considered the foregoing covenants set forth in this Section 6 (together, the “Restrictive Covenants”), (b) is fully aware of his or her obligations hereunder, (b) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (d) agrees that the Restrictive Covenants are necessary to protect the Protected Companies’ confidential and proprietary information, good will, stable workforce and customer relations, and (e) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 6 regardless of whether Holder is then entitled to receive severance pay or benefits from any of the Protected Companies. Holder understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), Holder does not believe would prevent him or her from otherwise earning a living. Holder agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of Holder.

6.6. Enforcement. Holder agrees that Holder’s services are unique and that he or she has access to Confidential Information. Accordingly, Holder agrees that a breach by Holder of any of the covenants in this Section 6 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, Holder agrees that in the event of any breach or threatened breach of any provision of this Section 6, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 6, as the case may be, or require Holder to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 6, if and when final judgment of a court of competent jurisdiction is so entered against Holder. Holder further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of Holder’s Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 6, shall be extended by the same amount of time that Holder is in breach of any Restrictive Covenant.

ATHENE SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

ARTICLE 1: ESTABLISHMENT OF PLAN

Effective January 1, 1996, American Mutual Life Insurance Company (“AMLI”) established the All★ AmerUs Supplemental Executive Retirement Plan (“SERP”) to supplement benefits provided under certain qualified retirement plans of AMLI and AmerUs Group Co. Following a corporate reorganization, AmerUs Life Holdings, Inc. became the successor sponsor of the SERP effective August 1, 1996, on which date it succeeded AMLI as the “Company” under the SERP. Pursuant to another corporate reorganization, AmerUs Group Co. became the successor sponsor of the SERP effective September 18, 2000, on which date it succeeded AmerUs Life Holdings, Inc. as the “Company” under the SERP. The SERP was amended and restated in its entirety effective as of January 1, 2002. Effective January 1, 2008 following another corporate reorganization, Aviva USA Corporation became the successor sponsor of the SERP, on which date it became the “Company” under the SERP. The SERP was amended and restated effective as of January 1, 2008, and its name was changed to the Aviva Supplemental Executive Retirement Plan.

Effective October 1, 2013 following a corporate transaction, Athene USA Corporation became the successor sponsor of the SERP, on which date it became the “Company” under the SERP. Effective January 1, 2014 and through February 28, 2014, Athene USA Corporation shall be succeeded by Aviva Life and Annuity Company, during which time it shall be the “Company” under the SERP. Effective March 1, 2014, Aviva Life and Annuity Company shall be succeeded by Athene Annuity & Life Company, at which time it shall be the “Company” under the SERP.

The SERP is intended to constitute a non-qualified, unfunded plan for federal tax purposes and for purposes of Title 1 of the Employee Retirement Income Security Act of 1974 as amended from time to time (“ERISA”). The SERP is maintained primarily for the purpose of providing deferred compensation for a select group of management and highly compensated employees, as described in sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974 (“ERISA”). More specifically, the SERP is maintained for the purpose of providing benefits for selected employees participating in the Athene Savings & Retirement Plan (the “Savings Plan”) whose contributions are limited by sections 401(a)(17) and 402(g) of the Internal Revenue Code of 1986 (the “Code”) and/or for employees who elect to defer a portion of their income into the SERP. Without affecting the validity of any other provision of the SERP, to the extent that any SERP provision does not meet the requirements of Code Section 409A and the regulations issued thereunder, the Plan shall be construed and administered as necessary to comply with such requirements until this Plan is appropriately amended to comply with such requirements.

This Plan shall function solely as a “top-hat” plan within the meaning of Sections 201(2), 301(a)(3), and 401(a)(1) of ERISA. As such, this Plan is subject to limited ERISA reporting and disclosure requirements, and is exempt from all other ERISA requirements. Distributions required or contemplated by this Plan or actions required to be taken under this Plan shall not be construed as creating a trust of any kind or a fiduciary relationship between the Company and any Participants, any Participant’s designated beneficiary, or any other person.

This Plan is to be maintained according to the terms of this document and the Company or its designee shall have the sole authority to construe, interpret and administer the Plan.

As used herein, the terms Compensation, Deferral Contributions, and Discretionary Contributions have the meaning given such terms under the Savings Plan (but see Article 4 for the definition of “Total Compensation” as used under the SERP).

ARTICLE 2: ELIGIBILITY

An executive of the Company is eligible to participate in this Plan as determined and selected by the Company’s Pension & Benefit Committee (the “Committee”) except for executives who are assigned by the Company to perform their services primarily at a work location outside the United States (such executives referred to as “assignees”). For avoidance of doubt, participation by an assignee in the Savings Plan shall not be affected by his or her exclusion from this Plan.

A participant must complete such forms and/or make such elections as the Committee may require. In particular, in order to defer compensation earned in any calendar year under the SERP, a participant must provide an annual written or on-line irrevocable election for pretax deferrals prior to the commencement of that year. Once the year commences, no change in the election shall be permitted until the following year, unless a participant becomes newly eligible to participate mid-year as a result of being newly qualified to participate in the Plan (e.g., promotion or newly hired), in which case he has 30 days from the date of the this event to make an irrevocable election for the remainder of the current year. A new annual election must be completed and filed every year prior to the start of the year. Elections with respect to “performance pay” described in Code Section 409A regulations may be made as permitted by the Company and in accordance with applicable Code Section 409A regulations and guidance.

If a participant ceases to satisfy any of the conditions of this Article 2 or the Committee determines that the participant is no longer eligible to participate, his or her participation in the Plan will terminate immediately except that his or her account shall be held for his or her benefit and distributed in accordance with Article 6. A former participant may resume participation in accordance with this Article 2 following the date on which he or she again satisfies the conditions of this Article 2.

ARTICLE 3: BOOKKEEPING ACCOUNTS

- (1) A bookkeeping account shall be established for each SERP participant to record his interest in the SERP.
- (2) Each participant’s account shall be divided into subaccounts corresponding to subaccounts under the Savings Plan.
- (3) Such other subaccounts shall be established as the Committee determines are necessary to keep track of participants’ interests under the SERP.
- (4) A participant shall vest in a subaccount under this SERP at the same rate and in the same manner as he or she vests in the corresponding subaccount under the Savings Plan.
- (5) SERP records shall be kept on a calendar-year basis.

- (6) With respect to SERP participants whose deferred compensation benefits attributable to individual employment agreements with the Indianapolis Life Insurance Company and/or the Bankers Life Insurance Company were transferred to this SERP as of October 1, 2001 in accordance with Article 20 hereof, such transferred benefits shall be credited as of October 1, 2001 to a separate subaccount within such SERP participant's bookkeeping account.

ARTICLE 4: BENEFIT CREDITS

The following credits shall be made to the applicable subaccounts of participants each year. The timing of the credits shall be coincident with the timing of credits for similar contribution types under the Savings Plan.

- (a) Participant Deferral Contributions as elected under Article 2.
- (b) Employer Discretionary Contributions, if any and as applicable, calculated on Total Compensation (see subsection (c) below) less Compensation. The allocation conditions under the Savings Plan for any contribution under this subsection (b) shall apply (e.g., last business day of employment and 1,000 hours of service requirement) unless the Committee, in its sole discretion, with respect to any participant, waives any such requirement.
- (c) "Total Compensation" shall equal Compensation as defined in the Savings Plan, but without regard to the limitation under Section 401(a)(17) of the Code, and including participant Deferral Contributions under Article 2; provided, however, that if a participant does not elect to defer any portion of his or her bonus for a year under Article 2, then "Total Compensation" and Compensation (as defined under the Savings Plan) shall not include any such bonus for such year.

ARTICLE 5: PHANTOM INVESTMENT CREDITS

Each participant may elect to invest, on a hypothetical basis, his bookkeeping account under this SERP in the investment options selected by the Committee available to him or her under the SERP. This investment election shall be independent of his investment elections under the Savings Plan. A participant's account under this SERP shall be credited (or debited) with the investment return (including losses) it would have earned had it actually been invested according to the participant's directions. The account of a participant who fails to make an investment election shall receive the performance it would have received had it been invested in the SERP default option as determined by the Committee.

ARTICLE 6: BENEFIT PAYMENT OPTIONS

The vested balance in a participant's account under this SERP shall be paid as soon as administratively feasible following but not sooner than 30 days following his Separation from Service (as defined in Code Section 409A and regulations and guidance issued thereunder) with the Company and its affiliates; provided, however, that a participant who is a "specified employee" under Code Section 409A shall have any payment due within 6 months following Separation from Service postponed until the first day of the month following the date that is 6 months after the date of Separation from Service. A participant in this SERP may, subject to the terms and conditions of this Article, make the following elections as to form of payment (a "Form of Payment Election"):

- (a) A single sum payment;

- (b) A specified total dollar amount to be paid in a fixed quarterly, semiannual, or annual installments ("Payment Frequency") over a 3, 5, 10, 15 or 20 year period ("Installment Period"), with any remaining balance at the end of the Installment Period paid in a lump sum within 2 1/2 months of the date of the Installment Period payment; or
- (a) Substantially equal installments paid quarterly, semiannually, or annually ("Payment Frequency") over a 3, 5, 10, 15 or 20 year period ("Installment Period").

A participant shall elect the total dollar amount or Installment Period and Payment Frequency in his discretion, provided that if a participant selects an Installment Period in excess of such participant's life expectancy (as determined in accordance with Treasury Regulation section 1.72-9, Table V), the Installment Period selected by such participant shall be deemed to be the longest Installment Period that does not exceed such participant's life expectancy. The first installment shall be paid as soon as administratively feasible following Separation from Service. If an Installment Period has been selected, the amount of each payment will be determined by dividing the value of the participant's vested account balance by the number of payments remaining in the Installment Period.

In the event the participant dies before his vested account balance is exhausted, the balance shall be paid to his beneficiary (as determined in accordance with the terms of the Savings Plan) in a single sum as soon as administratively feasible.

All amounts not vested in accordance with the terms of the SERP shall be forfeited upon the participant's termination of employment with the Company and its affiliates.

ARTICLE 7: TIMING AND METHOD OF DISTRIBUTION

After becoming eligible to participate in the SERP, the SERP participant shall make a Form of Payment Election by the later of (i) 30 days after the date the individual becomes eligible to participate in the SERP, provided that such election shall apply to compensation paid for services to be performed subsequent to the election, or (ii) December 31 of the calendar year in which such participant first elects to defer salary under Article 2 for the next calendar year. If a participant does not make a timely Form of Payment Election (in such manner as the Company shall provide), such participant shall be deemed to have elected to receive payment in a single sum.

A participant may elect to change the number of years over which payments will be made, may change the dollar amount of each installment payment, or may change from a fixed payment period to a specified dollar amount (or vice versa), provided that the following requirements shall be met:

- (a) The first payment with respect to such revised election shall not be made until at least 5 years after the date on which distribution would have otherwise begun; provided that earlier distribution may be made in the event of the participant's death; and

-
- (b) The revised election shall be made at least 12 months prior to the date on which distribution would have otherwise begun and shall not take effect until 12 months after the date on which such election is made.

In no event shall a participant be permitted to change his form or timing of distribution if such change would result in an acceleration of payment, as provided in regulations and other guidance issued under Code Section 409A.

ARTICLE 8: PARTICIPANT'S RIGHTS

This SERP is unfunded for purposes of the Internal Revenue Code and ERISA. Accordingly, no participant or beneficiary shall have any title to or beneficial ownership in any assets of the Company.

All benefits payable under this SERP (including those derived from participant's deferrals) shall be general, unsecured obligations of the Company to be paid by the Company from its own funds, and such payments shall not (a) impose any obligation upon the trust fund under the Savings Plan; (b) be paid from the trust fund under the Savings Plan; or (c) have any effect whatsoever upon the Savings Plan or the payment of benefits from the trust fund under the Savings Plan.

ARTICLE 9: ADMINISTRATION

This SERP shall be administered by the Committee appointed by the Company's Board of Directors (the "Committee"), which shall administer it as an unfunded plan which is not intended to meet the qualification requirements of section 401 of the Code. The Committee shall have discretionary authority to interpret and administer this SERP, and to issue rules and regulations for its governance. No member of the Committee shall be liable to any person for any action taken or omitted in connection with the interpretation or administration of this SERP. A Committee member shall not participate in any action or determination regarding his own benefits.

ARTICLE 10: CLAIMS AND APPEAL PROCEDURES

It shall not be necessary for a participant or beneficiary entitled to receive a benefit hereunder to file a claim for such benefit with any person in order to receive such benefit. However, any participant or beneficiary who believes that he or she is entitled to receive a benefit hereunder and has not received or begun receiving a distribution of such benefit or who believes that he or she is entitled to a benefit hereunder in excess of the benefit which he or she has received or begun receiving, may file a written claim for such benefit or increased benefit with the Committee at any time up to the last day of the 12-month period that begins on the earlier of (i) the date on which the claimant learned of facts sufficient to enable the claimant to formulate such claim, or (ii) the date on which the claimant reasonably should have been expected to learn of facts sufficient to enable the claimant to formulate such claim. Such written claim shall set forth the participant's or beneficiary's name and address and shall include a statement of the facts and a reference to the pertinent provisions of the SERP upon which such claim is based. A claimant who does not timely and properly file his claim as herein required shall to the extent permitted by law be conclusively deemed to have waived any right to the benefit or increased benefit not provided.

Within 90 days after such claim is filed, the Committee shall provide the claimant with written notice of its decision with respect to such claim. If such claim is denied in whole or in part, the Committee shall, in such written notice to the claimant, set forth in a manner calculated to be understood by the claimant the specific reason or reasons for denial; specific references to pertinent provisions of the SERP upon which the denial is based; a description of any additional material or information necessary for the claimant to perfect his claim and an explanation as to why such material or information is necessary; an explanation of the provisions for review of claim denials set forth in this Article; and a statement that if the claimant fails to seek review of the claim denial under this Article within the 60-day period described below he or she shall, to the extent permitted by law, be conclusively deemed to have waived any right to contest in any forum the determination of the Committee. If special circumstances require additional time, the Committee may extend the period allowed for notice of its decision by a period not to exceed 90 days. Written notice of such extension, stating the circumstances requiring the extension and the date by which a final decision is expected, shall be provided to the claimant before the expiration of the initial 90-day period. With respect to any claim, in the event that the Committee fails to provide the written notice described herein within the time period described herein, the claimant's claim shall be deemed to be denied by the Committee.

A participant or beneficiary whose claim for benefits has been denied may appeal such denial to the Committee and receive a full and fair review of his claim by filing with the Committee a written application for review at any time within 60 days after the Committee gives him or her the written notice of denial of his claim or, if no such notice has been given to the participant, within 60 days after the end of the 90-day (or extended) period described above. A participant or beneficiary who submits a timely written application for review shall be entitled to review any and all documents pertinent to his claim and may submit issues and comments to the Committee in writing. In the sole and absolute discretion of the Committee, a hearing may be held. Not later than 60 days after receipt of a written application for review, the Committee shall give the claimant written notice of its decision on review, which shall set forth in a manner calculated to be understood by the claimant specific reasons for its decision and specific references to the pertinent provisions of the SERP upon which the decision is based. If special circumstances, including (but not limited to) the need for a hearing as determined by the Committee, shall require additional time for making a decision on review, the period for decision may be extended by not more than 60 days. Written notice of such extension, stating the circumstances requiring the extension and the date by which a final decision is expected, shall be provided to the claimant before the expiration of the initial 60-day period. With respect to any appeal, in the event that the Committee fails to provide the written notice within the time period described herein, the appeal shall be deemed to be denied. The decision of the Committee, shall, to the maximum extent permitted by law, be final and binding on all parties. A claimant who shall not timely file his written application for review as required shall, to the maximum extent permitted by law, be conclusively deemed to have waived any right to contest in any forum the initial determination of the Committee.

Any act permitted or required to be taken by a participant or beneficiary by this Article may be taken for and on behalf of such participant or beneficiary by such participant's or beneficiary's duly authorized representative. Any fees or expenses charged or incurred by such representative shall be the liability of the participant or beneficiary, and not the liability of the Company, the SERP, the Committee, or any other person. Any claim, notice, application, or other writing permitted or required to be filed with, provided, or given to a party by this Article shall be deemed to have been filed, provided, or given when deposited in the United States mail, postage prepaid, and properly addressed to the party to whom it is to be provided or given

or with whom it is to be filed. Any such notice, application, or other writing directed to a participant or beneficiary shall be deemed properly addressed if directed to the address set forth in the written claim filed by such participant or beneficiary.

No legal action to recover SERP benefits or to enforce or to clarify rights under the SERP shall be commenced unless and until the claimant first shall have exhausted the claims and appeal procedures available to the claimant hereunder. A claimant must raise all issues and present all theories relating to his claim to the Committee at one time. Otherwise, the claimant shall be deemed to have abandoned forever all issues and theories not raised and presented to the Committee.

Any suit brought to contest a decision of the Committee shall be filed in a court of competent jurisdiction within one (1) year from receipt of written notice of the Committee's final decision or from the date the appeal is deemed denied, and any suit not filed within this one-year limitation period shall be dismissed by the court.

In any suit contesting a decision of the Committee, all issues of fact shall be tried by the court and not by a jury. No evidence may be introduced in court which was not previously presented to the Committee and no evidence may be introduced to modify or contradict the terms of the SERP document.

The Committee shall have full discretionary authority to interpret and apply the terms of the SERP document and other relevant documents and relevant provisions of law. This grant of authority shall be construed to be as broad as permitted by law and shall include the authority to find facts, to reach conclusions of law, to interpret and apply ambiguous terms, and to supply missing terms reasonably necessary to resolution of claims and appeals.

ARTICLE 11: AMENDMENT AND DISCONTINUANCE

The Company may at any time amend any or all provisions of this SERP in any respect (including retroactively) to the maximum extent permitted by law. Such an amendment may be made at any time by written instrument identified as an amendment of the SERP effective as of a specified date (or dates) and such amendment shall be binding on all participants, beneficiaries, and other individuals and entities. Notwithstanding the foregoing, no such amendment shall, without the consent of the participant, have the effect of reducing a participant's account balance immediately before the amendment is adopted.

The Company expects to continue the SERP indefinitely. However, the Company shall, to the maximum extent permitted by law, have the right at any time to terminate the SERP (including retroactively) in whole or in part or to otherwise terminate the SERP (including retroactively). In accordance with any amendment to the SERP that may be adopted in connection with any such termination, the Company may after such termination continue the SERP for the purpose of making distributions under the SERP as they become payable.

No amendment or termination shall result in any acceleration or delay in any payment due under this Plan except as may be permitted by Code Section 409A or regulations and guidance issued thereunder.

ARTICLE 12: RESTRICTIONS ON ASSIGNMENT

The interest of a participant or his beneficiary in the SERP may not be sold, transferred, assigned, or encumbered in any manner, either voluntarily or involuntarily, and any attempt so to anticipate, alienate, sell, transfer, assign, pledge, encumber, or change the same shall be null and void; neither shall the benefits hereunder be liable for or subject to the debts, contracts, liabilities, engagement, or torts of any person to whom such benefits or funds are payable, nor shall they be subject to garnishment, attachment, or other legal or equitable process nor shall they be an asset in bankruptcy, except that no amount shall be payable hereunder until and unless any and all amounts representing debts or other obligations owed to the Company or any affiliate of the Company by the employee with respect to whom such amount would otherwise be payable shall have been fully paid and satisfied.

ARTICLE 13: NATURE OF AGREEMENT

No provisions in the SERP, either directly or indirectly, shall be construed to require the Company to reserve, or otherwise set aside, funds for the payment of benefits hereunder. The adoption of this SERP and any setting aside of amounts by the Company with which to discharge its obligations hereunder shall not be deemed to create a trust (other than a grantor trust within the meaning of subpart E, part I, subchapter J, chapter 1, subtitle A of the Code); legal and equitable title to any funds so set aside shall remain in the Company, and any recipient of benefits hereunder shall have no security or other interest in such funds. Any and all funds so set aside shall remain subject to the claims of the general creditors of the Company, present and future, and no payment shall be made under this SERP unless the Company is then solvent. This provision shall not require the Company to set aside any funds, but the Company may set aside such funds if it chooses to do so.

ARTICLE 14: NATURE OF PAYMENTS

Any benefits provided hereunder shall constitute nonqualified deferred compensation payments to the participant and shall not be taken into account in computing the amount of salary or compensation of the participant for the purposes of determining any pension, retirement, death or other benefits under (a) any pension, retirement, profit-sharing, bonus, life insurance or other employee benefit plan of the Company or any of its subsidiaries or (b) any agreement between the Company or any subsidiary and the participant except as such plan or agreement shall otherwise expressly provide.

ARTICLE 15: CONTINUED EMPLOYMENT

Neither the creation of this Plan nor anything contained herein shall be construed (a) to give any participant the right to remain in the employ of the Company or any of its subsidiaries, (b) to give any participant or beneficiary any benefits not specifically provided by the Plan, or (c) to modify, in any manner, the right of the Company or any of its subsidiaries to modify, amend, or terminate any of its employee benefit plans.

ARTICLE 16: BINDING ON COMPANY, PARTICIPANTS AND THEIR SUCCESSORS

This SERP shall be binding upon and inure to the benefit of the Company, its successors and assigns and the participants and their heirs, executors, administrators and legal representatives.

ARTICLE 17: PAYMENTS MADE BY MISTAKE

Notwithstanding anything to the contrary, a participant or beneficiary is entitled only to those benefits provided by the SERP and promptly shall return any payment made by mistake of fact or law.

ARTICLE 18: LAWS GOVERNING

If and to the extent that federal law is inapplicable to the SERP, the SERP shall be construed in accordance with and governed by the laws of the State of Iowa (but without regard to Iowa's principles on the conflicts of laws).

If any provisions of the Plan shall be held illegal or invalid for any reason, said illegality or invalidity shall not affect the remaining parts of the Plan; and the Plan shall be construed and enforced as if said illegal and invalid provisions had never been included herein.

ARTICLE 19: TAXES

The Company does not represent or guarantee that any particular tax consequences (favorable or unfavorable) will result from participation in the SERP. Participants shall bear their share of taxes assessed against them because of benefits paid or accrued under the SERP. Any taxes owed may be withheld from or charged against benefits otherwise payable from the SERP or compensation otherwise payable by the Company.

ARTICLE 20: TRANSFER OF DEFERRED COMPENSATION BENEFITS

Effective October 1 2001, certain SERP participants' deferral compensation benefits granted under such participants' individual employment agreements with the Indianapolis Life Insurance Company and/or the Bankers Life Insurance Company were transferred to this SERP. Accordingly, as of October 1, 2001, the terms of this SERP shall apply with respect to such transferred benefits. Correspondingly, as of October 1 2001, the terms of the individual employment agreements shall cease to apply with respect to such transferred benefits. A list of participants with such transferred benefits is set forth in Appendix A.

ARTICLE 21: GENDER AND NUMBER REFERENCE

Masculine gender shall include the feminine; and the singular shall include the plural, unless the context clearly indicates otherwise.

Amendment No. 1 to the Athene Supplemental Executive Retirement Plan

Reference is hereby made to the Athene Supplemental Executive Retirement Plan ("SERP") generally effective as of January 1, 2014, as executed on December 24, 2013. This Amendment No. 1 to the SERP ("Amendment") is made and entered into by Athene Annuity and Life Company ("Company") in accordance with Article 11 of the SERP and shall amend and supplement the SERP to the extent set forth below.

The purpose of this Amendment is to modify a portion of Article 2: Eligibility to clarify who makes eligibility determinations and the election period applicable to newly eligible participants and to modify a portion of Article 6: Benefit Payment Options. For avoidance of doubt, only the specific paragraphs of the sections outlined below are modified; all other provisions within those sections remain unchanged.

This Amendment shall be effective with respect to participants in the SERP for plan years beginning on or after January 1, 2015 unless otherwise specified below.

1. Paragraphs 1 and 2 of Article 2 of the SERP are hereby amended in their entirety to read as follows:

"An executive of the Company is eligible to participate in this Plan as determined by the Company."

"A participant must complete such forms and/or make such elections as the Committee may require. In particular, in order to defer compensation earned in any calendar year under the SERP, a participant must provide an annual written or on-line irrevocable election for pre-tax deferrals prior to the commencement of that year. Once the year commences, no change in the election shall be permitted until the following year unless a participant becomes newly eligible to participate mid-year as a result of being newly qualified to participate in the Plan (e.g., promotion or newly hired) in which case he has 30 days from notification of the event to make an irrevocable election for the remainder of the current year. A new annual election must be completed and filed every year prior to the start of the year. Elections with respect to "performance pay" described in Code Section 409A regulations may be made as permitted by the Company and in accordance with Code Section 409A regulations and guidance."

2. Paragraph 1 of Article 6 of the SERP is hereby amended in its entirety to read as follows:

"The vested balance in a participant's account under the SERP shall be paid as soon as administratively feasible following his Separation from Service (as defined in Code Section 409A and regulations and guidance issued thereunder) with the Company and its affiliates; provided, however, that a participant who is a "specified employee" under Code Section 409A shall have any payment due within 6 months following Separation from Service postponed until the first day of the month following the date that is 6 months after the date of Separation from Service. A participant in this SERP may, subject to the terms and conditions of this Article, make the following elections as to the form of payment (a "Form of Payment Election"):

(a) A single sum payment;

(b) Substantially equal installments paid quarterly, semiannually, or annually ("Payment Frequency") over a 3, 5, 10, 15 or 20 year period ("Installment Period").

IN WITNESS OF WHICH, the Company has adopted this Amendment to the Plan.

Amendment No. 2 to the Athene Supplemental Executive Retirement Plan

Reference is hereby made to the Athene Supplemental Executive Retirement Plan as restated and generally effective as of January 1, 2014 and executed on December 24, 2013, and as amended by Amendment No. 1 effective as of January 1, 2015 and executed on December 30, 2014 (collectively, the "SERP"). This Amendment No. 2 to the SERP ("Amendment") is made and entered into by Athene USA Corporation ("Company") in accordance with Article 11 of the SERP and shall amend and supplement the SERP to the extent set forth below.

The purpose of this Amendment is to properly identify the sponsor of the SERP as of January 1, 2014, and to amend the SERP's beneficiary designation provisions.

This Amendment shall be effective with respect to participants in the SERP as specified below.

1. Effective January 1, 2014, the second paragraph of Article 1 of the SERP is hereby amended and replaced in its entirety to read as follows:

Effective October 1, 2013 following a corporate transaction, Athene USA Corporation became the successor sponsor of the SERP, on which date it became the "Company" under the SERP.

2. Effective January 1, 2014, the first and only sentence of the first paragraph of Article 2 of the SERP (as previously amended by Amendment No. 1) is hereby amended and replaced in its entirety to read as follows:

An executive of the Company or any of its subsidiaries is eligible to participate in this Plan as determined by the Company.

3. Effective January 1, 2015, the third paragraph of Article 6 (beginning "In the event the participant dies...") of the SERP is hereby amended and replaced in its entirety to read as follows:

In the event the participant dies before his vested account balance is exhausted, the balance shall be paid to his beneficiary in a single sum as soon as administratively feasible. Effective April 1, 2015, a participant may designate from time to time a beneficiary for the SERP, which beneficiary designation will revoke any prior designation by the same participant and be effective only when delivered by the participant in writing to the Company during his lifetime. In the event that the Participant has not designated a beneficiary (or one is not in effect pursuant to the Savings Plan as of April 1, 2015), such payments shall be made, in the following order of priority, to the participant's: (a) surviving spouse; (b) surviving children (including adopted children) in equal shares; and (c) estate. Prior to April 1, 2015, the beneficiary under the SERP was determined in accordance with the provisions of the Savings Plan.

IN WITNESS WHEREOF, Athene USA Corporation has executed and adopted this Amendment as of the 13 day of April, 2015.

Re: Separation Agreement and General Release

Dear Brenda:

This letter confirms the terms in connection with your separation of employment from Athene Annuity and Life Company and its affiliates (including without limitation Athene Holding Ltd.) (collectively, the "Company"). The Company and you agree that this letter agreement (this "Agreement") represents the full and complete agreement concerning your separation of employment with the Company.

In consideration of the mutual promises and agreements contained in this Agreement, the adequacy and receipt of which each party expressly acknowledges, you and the Company agree as follows:

1. The parties have agreed that your last day of employment with the Company shall be August 14, 2015 (the "Separation Date"). You acknowledge and agree that this mutual separation includes your resignation from any and all officer and director positions that you hold with the Company as of the Separation Date, which the Company hereby accepts. You acknowledge and agree that your mutual separation is neither a resignation by you for "Good Reason" nor a termination of your employment by the Company without "Cause" within the meaning of any of your Share Award Agreements (as defined in Paragraph 5 below). From the date of this Agreement through the Separation Date, you will continue to serve as the Chief Financial Officer of the Company and have the duties and responsibilities as are consistent with such title and position and will cooperate with the Company to transition your duties and responsibilities to such person(s) as the Company may identify. You acknowledge and agree that you have no present or future right to employment with the Company or any of the other Released Parties (as defined below).
2. Subject to the terms of this Agreement and provided that you sign and return this Agreement to the Company within twenty-one (21) days after your receipt thereof, and sign and return to the Company the Supplemental Release attached to this Agreement (the "Supplemental Release") within 21 days after (but not before) the Separation Date and you do not revoke this Agreement or the Supplemental Release in accordance with Paragraph 17 below or Paragraph 5 of the Supplemental Release, and you comply with this Agreement (including without limitation the provisions of your Share Award Agreements (defined in Paragraph 5 below), the Company will pay you the following:
 - a) A lump sum severance payment in the gross amount of \$336,970.
 - b) An additional severance payment in the gross amount of \$375,000.00, representing an annual bonus payout for the 2015 performance period, which payment shall be subject to the Company's 2014 audited financial statements being completed and delivered to the Audit Committee of the Company by August 11, 2015; *provided, however*, that this requirement shall be waived in the event that a change in Company priorities (such as merger, acquisition or other corporate transaction activity) could reasonably be expected to, and does, materially affect the timing or delivery of such audited financial statements.

Amounts payable pursuant to this Paragraph 2 shall be paid within 30 days of the Separation Date provided you remain employed with the Company through and including the Separation Date. If your employment with the Company terminates for any reason prior to the Separation Date, no payments shall be payable pursuant to this Paragraph 2; *provided, however*, if you are involuntarily terminated by the Company without Cause (as defined in the Share Award Agreements (defined in Paragraph 5 below)) prior to the Separation Date, the Company will pay to you the amounts set forth in this Paragraph 2 within 30 days of the effective date of your involuntary termination of employment without Cause.

3. You will receive a payment for your earned and unused 2015 PTO hours accrued through your Separation Date. This payment will be made following your Separation Date and within the time period provided by applicable law.
4. Your participation in all employee benefit plans and programs in which you currently participate will end upon your Separation Date. You may continue your group health insurance coverage thereafter to the extent required by the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"). If you elect continued coverage under COBRA, you will be required to pay 102% of the monthly premium. You will receive information about continuing your health coverage under COBRA separately.
5. You acknowledge that, pursuant to the Amended and Restated Class A Share Award Agreement between you and Athene Holding Ltd. ("Holding") dated December 13, 2014 (the "Class A Share Award Agreement"), you were granted an award to purchase, and you did purchase, 15,000 Class A common shares of Holding at \$13.46 per share under the Athene Holding Ltd. 2014 Share Incentive Plan (the "Purchased Shares"). You also acknowledge that, pursuant to the Amended and Restated Restricted Share Award Agreement between you and Holding dated December 13, 2014 (the "M-3 Award Agreement"), you were granted 80,000 Class M-3 common shares under the Athene Holding Ltd. 2014 Share Incentive Plan at a purchase price of \$0.001 per share, of which 8,000 shares will be vested as of the Separation Date (the "Vested Class M-3 Shares"). You also acknowledge that, pursuant to the Share Award Agreement dated February 23, 2015 (the "M-4 Award Agreement"), you were granted 160,000 Class M-4 common shares under the Athene Holding Ltd 2014 Share Incentive Plan at a purchase price of \$0.001 per share, of which 16,000 will be vested as of the Separation Date (the "Vested Class M-4 Shares," and together with the Purchased Shares and the Vested Class M-3 Shares, the "Vested Shares"). The Class A Share Award Agreement, the M-3 Award Agreement and the M-4 Award Agreement, to the extent applicable, shall be referred to collectively as, the "Share Award Agreements". You acknowledge and agree that, pursuant to Section 6 of each of the M-3 Award Agreement and the M-4 Award Agreement, the 72,000 Class M-3 common shares held by you that will remain unvested as of the Separation Date and the 144,000 of the Class M-4 common shares held by you that will remain unvested as of the Separation Date shall be immediately forfeited to the Company as of the Separation Date (the "Forfeited Shares"). You further acknowledge and agree that none of the Forfeited Shares shall be eligible to vest following the Separation Date. Pursuant to Section 6 of the M-3 Award Agreement and the M-4 Award Agreement, the Company shall pay to you, and you agree to accept, \$216 as full and final payment for the repurchase of all of the Forfeited Shares.

You acknowledge and agree that the Company has the right to repurchase all of your Vested Shares pursuant to the provisions of Section 6 of the Share Award Agreements. You further acknowledge and agree that, subject to the approval of the board of directors of Holding, you will enter into a share Repurchase Agreement substantially in the form attached hereto pursuant to which you will transfer all of your right, title and interest in the Vested Shares to the Company, effective as of the date of this Agreement, in exchange for a total repurchase price (the "Repurchase Payment") equal to the sum of (i) \$225,450 with respect to the Purchased Shares plus (ii) an amount equal to the number of Vested Class M-3 Shares multiplied by the difference between the June 30, 2015 valuation of a Class M-3 common share as approved by the Audit Committee less \$13.46 plus (iii) an amount equal to the number of Vested Class M-4 Shares multiplied by the difference between the June 30, 2015 valuation of a Class M-4 common share as approved by the Audit Committee less \$26.00. The Repurchase Payment shall be paid to you within thirty (30) days following the Separation Date.

6. You acknowledge that, except as otherwise specifically provided in Paragraph 5 above, you hold no shares or other equity of Holding or any of its affiliates, and you agree that you have no right to purchase or acquire any shares or other equity of the Company now or in the future.
7. All payments made and benefits provided to you shall be subject to customary withholding and other taxes as required by applicable federal, state and local law. Notwithstanding anything contained herein to the contrary, you agree that you, and not the Company, are responsible for any and all taxes payable by you.
8. You agree to return to the Company no later than your Separation Date all of its property in your possession, custody or control including, but not limited to, all memoranda, notes, plans, records, reports, software and data, files (written and electronic), tapes, manuals, personnel information, employee lists, brochures, catalogs, price lists, cost information, financial records, customer lists and all copies thereof, cell phones, computers, information storage devices (including without limitation external hard drives and thumb drives), keys, credit cards and other equipment.
9. This Agreement, including the provisions of the Share Award Agreements that survive as indicated in this Paragraph 9, embody the entire agreement and understanding of you and the Company with regard to all matters and those documents supersede any and all prior and/or contemporaneous agreements and understandings, oral or written, between you and the Company. The Share Award Agreements are hereby terminated, null and void, except that: (a) Sections 7 (relating to Protective Covenants), 13, 14, 15, 17, 19, 22, 23 and 24 of your M-3 Award Agreement, (b) Sections 7 (relating to Protective Covenants), 13, 14, 15, 17, 19, 22, 23 and 24 of your M-4 Award Agreement, and (c) Sections 7 (relating to Protective Covenants), 11, 12, 13, 15, 17, 19, 20 and 21 of the Class A Share Award Agreement shall each remain in full force and effect as if reprinted herein and you agree to continue to abide in full by those terms. Notwithstanding the foregoing, subject to the terms of this Agreement and provided that you sign and return this Agreement to the Company within twenty-one (21) days after your receipt thereof and the Supplemental Release within twenty-one (21) days after (but not before) the Separation Date, you do not revoke this Agreement in accordance with Paragraph 17 below or the Supplemental Release in accordance with Paragraph 5 of the Supplemental Release, and you comply with this Agreement (including without limitation the provisions of your Share Award Agreements), (x) the post-employment "Restricted Period" as defined in your Share Award Agreements shall be reduced by seven and one-half (7 1/2) months and thus shall continue through and including four and one-half (4 1/2) months following the Separation Date (i.e., through December 31, 2015) and

(y) the post-employment duration of the other covenants in Sections 7(c) and 7(d) of those Share Award Agreements, shall be reduced by three and one-quarter ($3\frac{1}{4}$) months and thus shall continue through and including eight and three-quarters ($8\frac{3}{4}$) months following the Separation Date (i.e., through May 7, 2016). For this purpose, the Separation Date shall be the date of your "Termination of Relationship" within the meaning of the Share Award Agreements. The foregoing duration reductions are among the valid consideration provided to you, to which you are not otherwise entitled, for your execution of this Agreement and the Supplemental Release and are subject to your continued employment through the Separation Date. In the event your employment with the Company terminates prior to the Separation Date for any reason other than an involuntary termination by the Company without Cause (as defined in the Share Award Agreements), the foregoing duration reductions shall not apply.

10. You represent that you (i) are familiar with and have carefully considered the covenants set forth in Section 7 of your Share Award Agreements (together, the Restrictive Covenants"), (ii) are fully aware of your obligations under the Restrictive Covenants, (iii) agree to the reasonableness (including without limitation as to length of time and scope, as applicable) of the Restrictive Covenants and (iv) agree that the Restrictive Covenants are necessary to protect the Company's confidential and proprietary information, good will, stable workforce and customer relations. You further agree and acknowledge that your breach of any of the Restrictive Covenants would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. You agree that in the event of any breach or threatened breach of any of the Restrictive Covenants, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement or the Share Award Agreements at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the Restrictive Covenants and/or require you to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of the Restrictive Covenants, if and when final judgment of a court of competent jurisdiction is so entered against you. You further agree that the applicable period of time any Restrictive Covenant is in effect following the Separation Date shall be extended by the same amount of time that you are in breach of any Restrictive Covenant.
11. You, and anyone claiming through you, agree to fully, finally and forever waive, release and discharge the Company and any and all parents, divisions, subsidiaries, partnerships, affiliates and/or other related entities of the Company (whether or not such entities are wholly owned) and each of those entities' past, present, and future owners, trustees, fiduciaries, shareholders, directors, officers, administrators, agents, representatives, members, associates, partners, employees, attorneys, and the predecessors, successors, and assigns of each of them (collectively, the "Released Parties"), from any and all claims, whether known or unknown, which you have or have ever had against any of the Released Parties arising from or related to any act, omission, or thing occurring or existing at any time prior to or on the date of your signing this Agreement including, but not limited to, any and all claims that in any way result from, or relate to, your employment, compensation, other terms and conditions of employment, or termination from employment with the Company or any of the other Released Parties. These released and waived claims include, but are not limited to: (a) all claims for any compensation payments, bonus, severance pay, equity or any other compensation or benefit, (b) all claims arising under the Share Award Agreements, or the Sixth Amended and Restated Shareholders Agreement of Athene Holding Ltd. dated as of April 4, 2014 (the "Shareholders Agreement"), (c) all claims that were or

could have been asserted by you or on your behalf: (i) in any federal, state, or local court, commission, or agency; or (ii) under any common law theory (including without limitation all claims for breach of contract (oral, written or implied), wrongful termination, defamation, invasion of privacy, infliction of emotional distress, tortious interference, fraud, estoppel, unjust enrichment, and any other contract, tort or other common law claim of any kind); and (d) all claims that were or could have been asserted by you or on your behalf under the Age Discrimination in Employment Act (as amended, including by the Older Workers' Benefit Protection Act) and any other federal, state, or local, employment, services or other law, regulation, ordinance, constitutional provision, executive order or other source of law, including without limitation under any of the following laws, as amended from time to time: the Rehabilitation Act of 1973 (including Section 504 thereof), the Civil Rights Act of 1866, Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Equal Pay Act, the National Labor Relations Act, the Worker Adjustment and Retraining Notification Act, the Americans With Disabilities Act, the Employee Retirement Income Security Act, the Lilly Ledbetter Fair Pay Act of 2009, the Family and Medical Leave Act, the Fair Credit Reporting Act, and the Genetic Information Non-Discrimination Act. Notwithstanding the foregoing, the releases and waivers in this Paragraph 11 shall not apply to any claim that by law is non-waivable, such as claims for unemployment or workers' compensation benefits.

12. You represent and warrant that you have not filed or initiated any legal or other proceedings against any of the Released Parties, that no such proceedings have been initiated against any of the Released Parties on your behalf, that you are the sole owner of the claims that are released in Paragraph 11 above, that none of those claims has been transferred or assigned or caused to be transferred or assigned to any other person, firm or other legal entity, and that you have the full right and power to grant, execute, and deliver the releases, undertakings and agreements contained in this Agreement.
13. Except as otherwise expressly provided in this Agreement, you acknowledge and agree that you are not entitled to and will not receive any other compensation, payments, benefits or recovery of any kind from the Company or the other Released Parties, including without limitation, any payment under the Company's annual cash incentive bonus plan for fiscal year 2014 or 2015, any other bonus, any severance, equity or other payments, or any amounts under the Share Award Agreements. In the event of any further proceedings whatsoever based upon any claim released in this Agreement, you hereby waive, and agree that you will not have and the Released Parties will not be liable for, any further monetary or other recovery of any kind arising out of or related to any such matter, including without limitation any costs, expenses and attorneys' fees incurred by you or on your behalf.
14. You acknowledge and agree that the existence and terms of this Agreement are confidential and that you will not disclose the terms or existence of this Agreement to anyone other than to your attorney, accountant, and immediate family, whom you shall ensure will comply with the terms of this confidentiality provision, in each case except as otherwise required by law; provided, however, that notwithstanding anything in this Paragraph 14 to the contrary, you may disclose to a potential employer the fact that you are subject to the Restrictive Covenants, but may not disclose the terms of the Restrictive Covenants to such potential employer without the prior written consent (which may include email) of an authorized representative of the Company.

15. You agree to refrain from all conduct, verbal or otherwise, that disparages or damages the reputation, goodwill, or standing in the community of the Company or any of the other Released Parties, provided that nothing herein shall prohibit you from giving truthful testimony or evidence to a governmental entity, or if properly subpoenaed or otherwise required to do so under applicable law. The Company agrees to direct its executive officers to refrain from all conduct, verbal or otherwise, that disparages or damages your reputation, goodwill, or standing in the community, provided that nothing herein shall prohibit any such executive officer or the Company from giving truthful testimony or evidence to a governmental entity, or if properly subpoenaed or otherwise required to do so under applicable law. You shall direct all third parties inquiring or reasonably likely to seek a reference verification about your employment with the Company to Kristi Burma, Senior Vice President, Human Resources or John Golden, EVP, Legal (or their respective successors), Athene USA Corporation, 7700 Mills Civic Parkway, West Des Moines, IA 50266.
16. For a period of three (3) years following the Separation Date, you agree to cooperate fully with the Company and the other Released Parties in any administrative, investigative, litigation or other legal or financial statement matter(s) that may arise or have arisen involving the Company or any of the other Released Parties and which in any way relate to or involve your employment with the Company, provided that any such cooperation shall not unreasonably interfere with your then current employment or business activities. Your obligation to cooperate hereunder shall include, without limitation, meeting and conferring with such persons at such times and in such places as the Company and the other Released Parties may reasonably require, and giving truthful evidence and truthful testimony and executing and delivering to the Company and any of the other Released Parties any truthful papers reasonably requested by any of them. You shall be reimbursed for reasonable out-of-pocket expenses that you incur in rendering cooperation requested by the Company after the Separation Date pursuant to this Paragraph 16 subject in each case to your provision to the Company of reasonable documentation of all such activities, time and amounts within fourteen (14) days after incurring such expenses or rendering such cooperation, as applicable. You shall be solely responsible for any and all federal, state, local and other taxes payable with respect to any and all such reimbursement payment.
17. YOU ACKNOWLEDGE, UNDERSTAND, AND AGREE THAT: (i) YOU HAVE READ AND UNDERSTAND THE TERMS AND EFFECT OF THIS AGREEMENT; (ii) YOU RELEASE AND WAIVE CLAIMS UNDER THIS AGREEMENT KNOWINGLY AND VOLUNTARILY, IN EXCHANGE FOR CONSIDERATION IN ADDITION TO ANYTHING OF VALUE TO WHICH YOU ALREADY ARE ENTITLED; (iii) YOU HEREBY ARE AND HAVE BEEN ADVISED TO HAVE YOUR ATTORNEY REVIEW THIS AGREEMENT (AT YOUR COST) BEFORE SIGNING IT; (iv) YOU HAVE TWENTY-ONE (21) DAYS IN WHICH TO CONSIDER WHETHER TO EXECUTE THIS AGREEMENT; AND (v) WITHIN SEVEN (7) DAYS AFTER THE DATE ON WHICH YOU SIGN THIS AGREEMENT, YOU MAY, AT YOUR SOLE OPTION, REVOKE THE AGREEMENT UPON WRITTEN NOTICE TO KRISTI BURMA, SENIOR VICE PRESIDENT, HUMAN RESOURCES, ATHENE USA CORPORATION, 7700 MILLS CIVIC PARKWAY, WEST DES MOINES, IA 50266, AND THE AGREEMENT WILL NOT BECOME EFFECTIVE OR ENFORCEABLE UNTIL THIS SEVEN-DAY REVOCATION PERIOD HAS EXPIRED WITHOUT ANY REVOCATION BY YOU. IF YOU REVOKE THIS AGREEMENT, IT SHALL BE NULL AND VOID.
18. You expressly acknowledge and agree that (a) the payments set forth in Paragraph 2 of this Agreement and (b) the modifications to the duration of certain Restrictive Covenants as set forth in Paragraph 9 of this Agreement are expressly contingent upon (i) your signing this Agreement within 21 days after your original receipt thereof, (ii) your signing the Supplemental Release attached to this Agreement no earlier than, and within 21 days after, the Separation Date, (iii) your

returning the signed Agreement and the signed Supplemental Release to Kristi Burma, Senior Vice President, Human Resources, Athene USA Corporation, 7700 Mills Civic Parkway, West Des Moines, IA 50266, (iv) the revocation periods set forth in Paragraph 17 above and in Paragraph 5 of the Supplemental Release expiring without you having revoked this Agreement or the Supplemental Release, and (v) your compliance with this Agreement (including without limitation the provisions of the Share Award Agreements referenced in Paragraph 9 above).

19. Nothing in this Agreement is intended to or shall be construed as an admission by the Company or any of the other Released Parties that any of them violated any law, interfered with any right, breached any obligation or otherwise engaged in any improper or illegal conduct with respect to you or otherwise. The Company and the other Released Parties expressly deny any such illegal or wrongful conduct.
20. All notices and other communications required or permitted under this Agreement shall be deemed to have been duly given and made if in writing and if served personally on the party for whom intended or deposited, postage prepaid, certified or registered mail, return receipt requested, in the United States mail to your address above, if the notice is to you, or if the notice is to the Company, to John Golden, EVP Legal (or his successor), Athene USA Corporation, 7700 Mills Civic Parkway, West Des Moines, IA 50266, or to such other address as either party may designate in writing thereafter.
21. This Agreement shall be construed and interpreted in accordance with the internal laws of the State of New York, without regard to its choice of law rules.
22. The parties agree that in the event any of the provisions in this Agreement (including without limitation the Share Award Agreements) are found by a court of competent jurisdiction to be unreasonable or otherwise unenforceable (including without limitation as to scope, duration, area or otherwise), it is the purpose and intent of the parties that any such provisions be deemed modified or limited to the maximum extent permitted under applicable law so that, as modified or limited, such provisions may be enforced to the fullest extent possible. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law (after any appropriate modification or limitation pursuant to the preceding sentence), such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.
23. This Agreement is intended to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and shall be interpreted and construed consistently with such intent. Payments provided herein are intended to be exempt from Section 409A of the Code to the maximum extent possible, under either the separation pay exemption pursuant to Treasury regulation §1.409A-1 (b)(9)(iii) or as short-term deferrals pursuant to Treasury regulation §1.409A-1 (b)(4). Each payment and benefit hereunder shall constitute a "separately identified" amount within the meaning of Treasury regulation §1.409A-2(b)(2). In the event the terms of this Agreement would subject you to taxes or penalties under Section 409A of the Code ("409A Penalties"), or if it is determined that any provision of this Agreement is not in compliance with Section 409A of the Code, the parties agree to cooperate to modify the applicable provision(s) to avoid such 409A Penalties and bring this Agreement into compliance if capable of correction and without significant economic consequence to either party, provided that in no event shall the Company be responsible for any 409A Penalties that arise in connection with any

amounts payable under this Agreement. Any amount of expenses eligible for reimbursement, or in-kind benefit provided, during a calendar year shall not affect the amount of expenses eligible for reimbursement, or in-kind benefit to be provided, during any other calendar year. Any reimbursement shall be made no later than the last day of the calendar year following the calendar year in which the expenses to be reimbursed were incurred. The right to any reimbursement or in-kind benefit pursuant to this Agreement shall not be subject to liquidation or exchange for any other benefit.

If you understand and agree with the foregoing terms and conditions, please sign one original of this Agreement and return it to me. You may retain the other original for your file.

Very truly yours,

Capitalized terms not expressly defined in this Release shall have the meanings set forth in the Agreement:

1. The Employee understands and agrees that the Employee's execution of this Release within 21 days after (but not before) the Separation Date, without revocation thereof as provided herein, is among the conditions precedent to the Company's obligation to provide any of the payments or benefits set forth in Paragraph 2 or 9 of the Agreement. Re: Separation Agreement and General Release

Dear Steve:

This letter confirms the terms in connection with your separation of employment from Athene Annuity and Life Company and its affiliates (including without limitation Athene Holding Ltd. (“Holding”) and Athene Asset Management, L.P. (“AAM”)) (collectively, the “Company”). The Company and you agree that this letter agreement (this “Agreement”), together with the Repurchase Agreement dated June 21, 2016 (“Repurchase Agreement”) and the restrictive covenant provisions (together, the “Restrictive Covenants”) of your Share Agreements (each, as defined below), represents the full and complete agreement concerning your termination of employment with the Company.

In consideration of the mutual promises and agreements contained in this Agreement, the adequacy and receipt of which each party expressly acknowledges, you and the Company agree as follows:

1. You acknowledge and agree that your employment with the Company will terminate on June 30, 2016 (the “Separation Date”) and that such termination will not constitute a “Qualifying Termination” for purposes of the applicable Share Agreements (as hereinafter defined). You acknowledge and agree that you will cease to hold any and all officer and director positions that you held with the Company as of such date. You acknowledge and agree that you have no present or future right to employment with the Company or any of the other Released Parties (as defined below).
2. Subject to the terms of this Agreement and provided that you sign and return this Agreement to the Company within twenty-one (21) days after your receipt thereof, you sign and return to the Company the Supplemental Release attached to this Agreement (the “Supplemental Release”) within 21 days after (but not before) the Separation Date, and do not revoke this Agreement or the Supplemental Release in accordance with, respectively, Paragraph 14 below or Paragraph 5 of the Supplemental Release, and you comply with this Agreement (including without limitation the provisions of your Share Agreements (defined in Paragraph 3 below), the Company will pay you a gross amount equal to \$512,500.00, which represents a pro rata portion of the 2016 bonus that you could have received had you remained employed with the Company through the date on which 2016 bonuses are paid. This amount (less any required withholdings) shall be paid to you in a lump sum pursuant to the Company’s standard payroll schedule within 60 days following your Separation Date.

Your coverage under the Company’s group health plan(s) will end as of June 30, 2016. You may continue your group health insurance coverage thereafter as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”). You will receive information about continuing your health coverage under COBRA separately following your Separation Date.

You hereby acknowledge and agree that upon payment by AAM of a gross amount equal to \$20,060 (the “AAM Payment”), AAM shall have satisfied any and all obligations it may owe to

you, if any, including without limitation, in respect of any interests you may have in AAM, and you will forfeit any limited partnership or other interests you may have in AAM and will not be entitled to any further payments, benefits, or distributions with respect to any such interests or other interests, shares or equity of AAM or its affiliates. You further acknowledge and agree that, except as may otherwise be specifically provided in this Paragraph 2, you hold no shares or other equity of AAM or any of its affiliates, and you agree that you have no right to purchase or acquire any interests, shares or other equity of AAM or any of its affiliates now or in the future. AAM agrees to pay you the AAM Payment in a lump sum within 30 days following your Separation Date.

3. You acknowledge that you were granted and/or purchased:

- 568,765 Class M-1 common shares pursuant to two (2) Amended and Restated Restricted Share Award Agreements between you and Athene Holding Ltd. (“Holding”) each dated as of December 13, 2014 (together, the “M-1 Award Agreements”), of which an aggregate 298,222.26 Class M-1 common shares will be vested, and the remaining 270,542.74 Class M-1 common shares will be unvested, as of your Separation Date;
- 269,123.44 Class M-2 common shares pursuant to the Amended and Restated Restricted Share Award Agreement between you and Holding dated as of December 13, 2014 (the “M-2 Award Agreement”), of which 107,649.38 Class M-2 common shares will be vested, and the remaining 161,474.06 Class M-2 common shares will be unvested, as of your Separation Date;
- 320,000 Class M-3 common shares pursuant to the Amended and Restated Restricted Share Award Agreement between you and Holding dated as of December 13, 2014 (the “M-3 Award Agreement”), of which 96,000 Class M-3 common shares will be vested, and the remaining 224,000 Class M-3 common shares will be unvested, as of your Separation Date;
- 200,000 Class M-4 common shares pursuant to the Restricted Share Award Agreement between you and Holding dated as of February 23, 2015 (the “M-4 Award Agreement”), of which 40,000 Class M-4 common shares will be vested, and the remaining 160,000 Class M-4 common shares will be unvested, as of your Separation Date;
- 39,110.92 Class A common shares pursuant to two (2) Restricted Share Award Agreements between you and Holding dated as of April 28, 2015 and February 19, 2016, respectively (the “Bonus Class A Award Agreements”), of which an aggregate 9,270.68 Class A shares will be vested and the remaining 29,840.24 Class A common shares will be unvested, as of your Separation Date;
- 212,500 Class A common shares pursuant to the Amended and Restated Class A Share Award Agreement between you and Holding dated as of December 13, 2014 (the “Discounted Class A Award Agreement”), all of which will be vested as of your Separation Date; and
- 37,500 Class A common shares pursuant to the Subscription Agreement by and among Holding and the various Investors listed in the Annex thereto dated as of July 15, 2009 (the “Subscription Agreement”), all of which will be vested as of your Separation Date.

The M-1 Award Agreements, the M-2 Award Agreement, the M-3 Award Agreement, the M-4 Award Agreement, the Bonus Class A Award Agreements, the Discounted Class A Award Agreement and the Subscription Agreement shall be referred to collectively herein as the “Share Agreements”.

You acknowledge and agree that, pursuant to the terms of the Share Agreements, all 845,857.04 of your unvested shares (as described in this Paragraph 3) shall be forfeited as of your Separation Date and the Company will pay you \$413.84 with respect to all such forfeited shares. You further acknowledge and agree that the Company has the right to repurchase all 801,142.32 of your vested shares (as described in this Paragraph 3) pursuant to the provisions of the Share Agreements and Sixth Amended and Restated Shareholders Agreement of Athene Holding Ltd. dated as of April 4, 2014 (the "Shareholders Agreement"). You further acknowledge and agree that, as approved by the Board of Directors of Holding, you will enter into a share Repurchase Agreement substantially in the form attached hereto pursuant to which you will transfer all of your right, title and interest in your 801,142.32 vested shares to the Company, effective as of the Separation Date, in exchange for a per share repurchase price equal to the Fair Market Value (as defined in the Share Agreements) of a Class A common share as of June 30, 2016 which shall be paid to you in accordance with the terms of the share Repurchase Agreement.

You acknowledge that, except as otherwise specifically provided in this Paragraph 3 above, you hold no shares or other equity of Holding or any of its affiliates, and you agree that you have no right to purchase or acquire any shares or other equity of Holding or any of its affiliates now or in the future.

4. The Company acknowledges and agrees that you are vested in your accrued benefits under the Athene Supplemental Executive Retirement Plan ("SERP") and that you will be paid your SERP benefits and any other vested accrued benefits to which you are entitled under the Company's benefits and compensation plans in accordance with the respective terms thereof.
5. All payments made and benefits provided to you shall be subject to customary withholding and other taxes as required by applicable federal, state and local law. Notwithstanding anything contained herein to the contrary, you agree that you, and not the Company, are responsible for any and all taxes payable by you.
6. You agree to return to the Company no later than 15 days following your Separation Date all of its property in your possession, custody or control including, but not limited to, all memoranda, notes, plans, records, reports, software and data, files (written and electronic), tapes, manuals, personnel information, employee lists, brochures, catalogs, price lists, cost information, financial records, customer lists and all copies thereof, cell phones, computers, information storage devices (including without limitation external hard drives and thumb drives), keys, credit cards and other equipment.
7. You represent that you (i) are familiar with and have carefully considered the Restrictive Covenants, (ii) are fully aware of your obligations under the Restrictive Covenants, (iii) agree to the reasonableness (including without limitation as to length of time and scope, as applicable) of the Restrictive Covenants and (iv) agree that the Restrictive Covenants are necessary to protect the Company's confidential and proprietary information, good will, stable workforce and customer relations. You further agree and acknowledge that your breach of any of the Restrictive Covenants would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. You agree that in the event of any breach or threatened breach of any of the Restrictive Covenants, the Company shall be entitled, in addition

to and without limitation upon all other remedies the Company may have under this Agreement, the Supplemental Release or the Share Agreements at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the Restrictive Covenants and/or require you to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of the Restrictive Covenants, if and when final judgment of a court of competent jurisdiction is so entered against you. You further agree that the applicable period of time any Restrictive Covenant is in effect following your Separation Date, as determined pursuant to Section 7 of the Share Agreements, as applicable, shall be extended by the same amount of time that you are in breach of any Restrictive Covenant.

8. In consideration for the compensation and benefits provided hereunder and conditioned upon the Company satisfying its obligations hereunder, you, and anyone claiming through you, agree to fully, finally and forever waive, release and discharge the Company, AAM and any and all of their parents, divisions, subsidiaries, partnerships, affiliates and/or other related entities (whether or not such entities are wholly owned) and each of those entities' past, present, and future owners, trustees, fiduciaries, shareholders, directors, officers, administrators, agents, representatives, members, associates, partners, employees, attorneys, and the predecessors, successors, and assigns of each of them (collectively, the "Released Parties"), from any and all claims, whether known or unknown, which you have or have ever had against any of the Released Parties arising from or related to any act, omission, or thing occurring or existing at any time prior to or on the date of your signing this Agreement including, but not limited to, any and all claims that in any way result from, or relate to, your employment, compensation, other terms and conditions of employment, or termination from employment with the Company or any of the other Released Parties. These released and waived claims include (except as provided in this Agreement), but are not limited to: (a) all claims for any compensation payments, bonus, severance pay, equity or any other compensation or benefit, (b) all claims arising under the Share Agreements, the Shareholders Agreement or the Second Amended and Restated Agreement of Exempted Limited Partnership of Athene Asset Management, L.P. dated as of July 21, 2014, (c) all claims that were or could have been asserted by you or on your behalf: (i) in any federal, state, or local court, commission, or agency; or (ii) under any common law theory (including without limitation all claims for breach of contract (oral, written or implied), wrongful termination, defamation, invasion of privacy, infliction of emotional distress, tortious interference, fraud, estoppel, unjust enrichment, and any other contract, tort or other common law claim of any kind); and (d) all claims that were or could have been asserted by you or on your behalf under the Age Discrimination in Employment Act (as amended, including by the Older Workers' Benefit Protection Act) and any other federal, state, or local, employment, services or other law, regulation, ordinance, constitutional provision, executive order or other source of law, including without limitation under any of the following laws, as amended from time to time: the Rehabilitation Act of 1973 (including Section 504 thereof), the Civil Rights Act of 1866, Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Equal Pay Act, the National Labor Relations Act, the Worker Adjustment and Retraining Notification Act, the Americans With Disabilities Act, the Employee Retirement Income Security Act, the Lilly Ledbetter Fair Pay Act of 2009, the Family and Medical Leave Act, the Fair Credit Reporting Act, and the Genetic Information Non-Discrimination Act. You agree also to waive the provisions of section 1542 of the California Civil Code, which states:

A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Notwithstanding the foregoing, the releases and waivers in this Paragraph 8 shall not apply to any claim that by law is non-waivable, such as claims for unemployment or workers' compensation benefits. In consideration of your release of the Company and the other Released Parties, the Company hereby releases you from any and all claims which it has or ever had against you arising from or related to any act, omission or thing occurring or existing at any time prior to the date that the Company signs this Agreement including, but not limited to, any and all claims that in any way result from, or relate to, your employment, compensation other terms and conditions of employment, or termination from employment with the Company or any of the Released Parties, provided, however, that the Company is not releasing you from or with respect to, and the foregoing release by the Company does not include, any claims arising out of any criminal, fraudulent, intentionally wrongful or reckless conduct by you.

9. You represent and warrant that you have not filed or initiated any legal or other proceedings against any of the Released Parties, that no such proceedings have been initiated against any of the Released Parties on your behalf, that you are the sole owner of the claims that are released in Paragraph 8 above, that none of those claims has been transferred or assigned or caused to be transferred or assigned to any other person, firm or other legal entity, and that you have the full right and power to grant, execute, and deliver the releases, undertakings and agreements contained in this Agreement.
10. Except as otherwise expressly provided in this Agreement, you acknowledge and agree that you are not entitled to and will not receive any other compensation, payments, benefits or recovery of any kind from the Company or the other Released Parties. In the event of any further proceedings whatsoever based upon any claim released in this Agreement, you hereby waive, and agree that you will not have and the Released Parties will not be liable to you for, any further monetary or other recovery of any kind arising out of or related to any such matter, including without limitation any costs, expenses and attorneys' fees incurred by you or on your behalf.
11. You acknowledge and agree that the existence and terms of this Agreement are confidential and that you will not disclose the terms or existence of this Agreement to anyone other than to your attorney, accountant, and immediate family, whom you shall ensure will comply with the terms of this confidentiality provision, in each case except as otherwise required by law; provided, however, that notwithstanding anything in this Paragraph 11 to the contrary, you may disclose the fact that you are subject to the Restrictive Covenants and the terms of the Restrictive Covenants.
12. You agree to refrain from all conduct, verbal or otherwise, that disparages or damages the reputation, goodwill, or standing in the community of the Company or any of the other Released Parties, provided that nothing herein shall prohibit you from giving truthful testimony or evidence to a governmental entity, or if properly subpoenaed or otherwise required to do so under applicable law. The Company agrees its executive officers will refrain from all conduct, verbal or otherwise, that disparages or damages your reputation, goodwill, or standing in the community, provided that nothing herein shall prohibit any such executive officer from giving truthful testimony or evidence to a governmental entity, or if properly subpoenaed or otherwise required to do so under applicable law. You shall direct all third parties inquiring or reasonably likely to seek a reference verification about your employment with the Company to Kristi Kaye Burma, SVP, Human Resources or John Golden, EVP, Legal (or their respective successors), Athene USA Corporation, 7700 Mills Civic Parkway, West Des Moines, IA 50266. You agree that,

should you seek personal references from any then current Company employee, you shall notify the Company of your intent to do so along with the names of such individuals. You acknowledge and agree that any personal reference provided by a current employee of the Company (i) shall be entirely voluntarily on behalf of such individual and shall not be considered to have been given in the individual's capacity as a Company employee, (ii) shall be considered as having been given outside the scope of such individual's duties and responsibilities as an employee of the Company and (iii) shall not be deemed as having been given or endorsed by the Company.

13. For a period of three (3) years following the Separation Date, you agree to cooperate fully with the Company and the other Released Parties in any administrative, investigative, litigation or other legal or financial statement matter(s) that may arise or have arisen involving the Company or any of the other Released Parties and which relate to or involve your employment with the Company, provided that any such cooperation shall not unreasonably interfere with your then current employment or business activities and such cooperation shall be limited to providing factual information on matters on which you were personally involved. Your obligation to cooperate hereunder shall include, without limitation, meeting and conferring with such persons at such times and in such places as the Company and the other Released Parties may reasonably require, and giving truthful evidence and truthful testimony and executing and delivering to the Company and any of the other Released Parties any truthful papers reasonably requested by any of them. You shall be reimbursed for reasonable out-of-pocket expenses (including reasonable legal fees, travel and hotel accommodations) that you incur in rendering cooperation requested by the Company after the Separation Date pursuant to this Paragraph 13 subject in each case to your provision to the Company of reasonable documentation of all such activities, time and amounts within fourteen (14) days after incurring such expenses or rendering such cooperation, as applicable. You shall be solely responsible for any and all federal, state, local and other taxes payable with respect to any and all such cooperation payments.
14. YOU ACKNOWLEDGE, UNDERSTAND, AND AGREE THAT: (i) YOU HAVE READ AND UNDERSTAND THE TERMS AND EFFECT OF THIS AGREEMENT; (ii) YOU RELEASE AND WAIVE CLAIMS UNDER THIS AGREEMENT KNOWINGLY AND VOLUNTARILY, IN EXCHANGE FOR CONSIDERATION IN ADDITION TO ANYTHING OF VALUE TO WHICH YOU ALREADY ARE ENTITLED; (iii) YOU HEREBY ARE AND HAVE BEEN ADVISED TO HAVE YOUR ATTORNEY REVIEW THIS AGREEMENT (AT YOUR COST) BEFORE SIGNING IT; (iv) YOU HAVE TWENTY-ONE (21) DAYS IN WHICH TO CONSIDER WHETHER TO EXECUTE THIS AGREEMENT; AND (v) WITHIN SEVEN (7) DAYS AFTER THE DATE ON WHICH YOU SIGN THIS AGREEMENT, YOU MAY, AT YOUR SOLE OPTION, REVOKE THE AGREEMENT UPON WRITTEN NOTICE TO KRISTI KAYE BURMA, SENIOR VICE PRESIDENT, HUMAN RESOURCES, ATHENE USA CORPORATION, 7700 MILLS CIVIC PARKWAY, WEST DES MOINES, IA 50266, AND THE AGREEMENT WILL NOT BECOME EFFECTIVE OR ENFORCEABLE UNTIL THIS SEVEN-DAY REVOCATION PERIOD HAS EXPIRED WITHOUT ANY REVOCATION BY YOU. IF YOU REVOKE THIS AGREEMENT, IT SHALL BE NULL AND VOID.
15. You expressly acknowledge and agree that the payment set forth in Paragraph 2 of this Agreement is expressly contingent upon (i) your signing this Agreement within 21 days after your original receipt thereof, (ii) your signing the Supplemental Release attached to this Agreement no earlier than the Separation Date, (iii) your returning the signed Agreement and the signed Supplemental Release to Kristi Kaye Burma, Senior Vice President, Human Resources, Athene Holding, 7700 Mills Civic Parkway, West Des Moines, IA 50266 within the time periods

- provided, (iii) the revocation period set forth in Paragraph 14 above and the Supplemental Release expiring without you having revoked this Agreement or the Supplemental Release, and (iv) your compliance with this Agreement (including without limitation the Restrictive Covenant provisions of the Share Agreements referenced in Paragraph 3 above).
16. Nothing in this Agreement is intended to or shall be construed as an admission by the Company or any of the other Released Parties that any of them violated any law, interfered with any right, breached any obligation or otherwise engaged in any improper or illegal conduct with respect to you or otherwise. The Company and the other Released Parties expressly deny any such illegal or wrongful conduct.
 17. All notices and other communications required or permitted under this Agreement shall be deemed to have been duly given and made if in writing and if served personally on the party for whom intended or deposited, postage prepaid, certified or registered mail, return receipt requested, in the United States mail to your address above, if the notice is to you, or if the notice is to the Company, to John Golden (or his successor), Athene USA Corporation, 7700 Mills Civic Parkway, West Des Moines, IA 50266, or to such other address as either party may designate in writing thereafter.
 18. This Agreement shall be construed and interpreted in accordance with the internal laws of the State of New York, without regard to its choice of law rules.
 19. The parties agree that in the event any of the provisions in this Agreement (including without limitation the Share Agreements) are found by a court of competent jurisdiction to be unreasonable or otherwise unenforceable (including without limitation as to scope, duration, area or otherwise), it is the purpose and intent of the parties that any such provisions be deemed modified or limited to the maximum extent permitted under applicable law so that, as modified or limited, such provisions may be enforced to the fullest extent possible. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable law (after any appropriate modification or limitation pursuant to the preceding sentence), such provision will be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.
 20. This Agreement is intended to comply with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and shall be interpreted and construed consistently with such intent. Payments provided herein are intended to be exempt from Section 409A of the Code to the maximum extent possible, under either the separation pay exemption pursuant to Treasury regulation § 1.409A-1(b)(9)(iii) or as short-term deferrals pursuant to Treasury regulation § 1.409A-1(b)(4). Each payment and benefit hereunder shall constitute a "separately identified" amount within the meaning of Treasury regulation § 1.409A-2(b)(2). In the event the terms of this Agreement would subject you to taxes or penalties under Section 409A of the Code ("409A Penalties"), the Company and you shall cooperate diligently to amend the terms of this Agreement to avoid such 409A Penalties, to the extent possible; provided that in no event shall the Company be responsible for any 409A Penalties that arise in connection with any amounts payable under this Agreement. Any amount of expenses eligible for reimbursement, or in-kind benefit provided, during a calendar year shall not affect the amount of expenses eligible for reimbursement, or in-kind benefit to be provided, during any other calendar year. Any reimbursement shall be made no later than the last day of the calendar year following the calendar year in which the expenses to be reimbursed were incurred. The right to any reimbursement or in-kind benefit pursuant to this Agreement shall not be subject to liquidation or exchange for any other benefit.

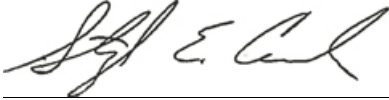

If you understand and agree with the foregoing terms and conditions, please sign one original of this Agreement and return it to Kristi Burma, Senior Vice President, Human Resources, Athene Holding Ltd.

Very truly yours,

James Belardi
Chief Executive Officer
Athene Holding Ltd. and Athene Asset Management, L.P.

I have read, understand, and voluntarily agree to be bound by each of the terms contained in this Agreement.

Procific
122 Mary Street, P.O. Box 709
Grand Cayman, KY1-1107
Cayman Islands
Attention: Directors

Ladies and Gentlemen:

As you are aware, Procific, a Cayman Islands company limited by shares ("Procific"), is a significant interest holder in AP Alternative Assets, L.P. ("AAA"), and AAA's investment in Athene Holding Ltd. (the "Company") represents substantially all of AAA's investment assets. As a result, Procific, which currently has significant capital at risk in connection with AAA, indirectly holds a significant interest in the Company. The Company believes that Procific's confidence in the business and management of the Company and its continued involvement as an active and engaged indirect shareholder will be in the best interests of the Company and all of its shareholders and AAA and all of its interest holders. Therefore, after careful consideration, the Company believes that granting Procific the rights as set out in this letter agreement will be the least invasive yet most effective manner in which to benefit the Company and AAA interest holders. The rights granted pursuant to this letter agreement are not transferrable by Procific (other than to certain affiliates) and are not intended to increase the value of Procific's interest in AAA but to enhance the value of the interests of all interest holders in AAA.

Reference is made to the two separate letter agreements, each dated December 4, 2012, by and among the Company, Apollo Global Management, LLC ("AGM") and Procific (the letter agreement that terminates upon the Company's initial public offering, as amended from time to time, the "Pre-IPO Letter Agreement" and the letter agreement that survives the Company's initial public offering, as amended from time to time, the "Post-IPO Letter Agreement"). This letter is sometimes referred to herein as the "2014 Letter Agreement" and each of the prior letter agreements are hereby amended to include such definition of "2014 Letter Agreement."

This letter agreement is being entered into by the Company, AGM, Procific and AHL 2014 Investor, L.P., a Cayman Islands exempted limited partnership of which Procific is the sole limited partner and a subsidiary of AGM is the general partner (the "Procific SPV"), in connection with the Company's offering of additional common shares (the "Private Placement"), which is expected to close on or about April 4, 2014 (the date on which the Private Placement is consummated, the "Offering Closing Date"), and the entry into that certain Subscription Agreement, to be dated on or around the Offering Closing Date, by and between the Company and the Procific SPV, pursuant to

which the Procific SPV will purchase common shares of the Company in the Private Placement (the "Procific Subscription Agreement"). In connection with the consummation of the Private Placement, it is anticipated that the Company will redeem for cash and/or a third party will purchase approximately \$175 million in the aggregate of the Class B common shares of the Company held by Palmetto Athene Holdings (Cayman), L.P. ("Palmetto") at a price per share equal to the price per share of the common shares of the Company to be issued in the Private Placement (the "Palmetto Disposition").

1. Information Rights.

Section 2(b) of the Pre-IPO Letter Agreement is amended and restated its entirety as follows:

"Information Rights. The Company shall deliver financial statements and other reports and information (including management projections and budgets, risk reports, reports of the asset manager, liability reports, cash flow testing, capital ratio results, audit reports and any documents or notices) to Procific (i) at the same time as the Company actually delivers such documents to its shareholders pursuant to the Sixth Amended and Restated Shareholders Agreement, dated on or around the Offering Closing Date, by and among the Company and its shareholders listed on the signature pages thereto or who become a party thereto, substantially in the form attached as Annex 1 to the 2014 Letter Agreement (the "Shareholders Agreement") and/or Sections B2 and B3 of each of the letter agreements, dated as of on or around the Offering Closing Date, between the Company, on the one hand, and each of Stanhope Life, L.P. and Stanhope Life II, L.P., Palmetto, and AAA Guarantor – Athene L.P. and Apollo Life Re Ltd., on the other hand, in each case substantially in the forms attached as Annex 2 to the 2014 Letter Agreement (the "Other Sideletters"), or (ii) if Section 3.8 of the Shareholders Agreement and/or Section B2 and B3 of the Other Sideletters are no longer in effect, the Company shall deliver such documents in accordance with the procedures set forth in such Section 3.8 of the Shareholders Agreement or Sections B2 and B3 of the Other Sideletters as in effect immediately following the closing of the Private Placement."

2. Consents.

Reference is hereby made to (i) the Shareholders Agreement, (ii) the Other Sideletters, (iii) the Third Amended and Restated Registration Rights Agreement, to be dated on or around the Offering Closing Date, by and among the Company and its shareholders listed on the signature pages thereto or who become a party thereto, substantially in the form attached as Annex 3 hereto (the "Registration Rights Agreement"), and (iv) the Second Amendment (the "AAA LPA Amendment") and together with the Shareholders Agreement and Registration Rights Agreement, the "Transaction Documents"), to be dated on or around the Offering Closing Date, to the First Amended and Restated Limited Partnership Agreement of AAA, dated as of December 3, 2010 (as amended, the "AAA LPA"), substantially in the form attached as Annex 4 hereto, each of which is being executed in connection with and/or to facilitate the Private Placement.

Procific hereby consents and agrees to (including for purposes of Sections 1 and 5 of the Post-IPO Letter Agreement) the amendment of each of the Transaction Documents substantially in the form attached hereto; provided, that any changes or modifications to the forms of the Transaction Documents attached hereto as Annexes 1-4 prior to their adoption shall require the consent of Procific if such change or modification is directly or indirectly adverse to Procific; provided, further, that in the event that such change or modification is directly or indirectly adverse to Procific, upon the request of the Company, the parties hereto agree to negotiate one or more additional changes or modifications thereto in good faith such that the result is that all such changes and modifications, in the aggregate, are not directly or indirectly adverse to Procific.

AGM and the Company agree that (i) following the adoption of the AAA LPA Amendment in connection with the Private Placement, Sections 16A and 16B of the AAA LPA shall not be amended in a manner directly or indirectly adverse to Procific, without Procific's consent, and (ii) following the adoption of the Shareholders Agreement in connection with the Private Placement, Sections 3.4 and 3.8 of the Shareholders Agreement shall not be amended in a manner directly or indirectly adverse to Procific, without Procific's consent; provided, in each case, that in the event that such amendment is directly or indirectly adverse to Procific, upon the request of the Company, the parties hereto agree to negotiate in good faith one or more additional changes or modifications thereto such that the result is that all such changes and modifications, in the aggregate, are not directly or indirectly adverse to Procific. Additionally, the Company agrees that following the adoption of the Registration Rights Agreement in connection with the Private Placement, the Registration Rights Agreement shall not be amended without the prior written consent of Procific.

In addition, Procific hereby (i) consents and agrees to (including for purposes of Section 4 of the Pre-IPO Letter Agreement and Section 5 of this letter agreement) the Palmetto Disposition and (ii) waives any right that Procific may have in connection with the Private Placement with respect to a redemption and/or purchase for cash by the Company or a third party of the shares of the Company held, directly or indirectly, by Procific at a price per share equal to the price per share of the common shares of the Company to be issued in the Private Placement.

3. Athene IPO Registration.

The Company shall use its best efforts to effect, on or prior to November 30, 2015, the consummation of the sale by one or more persons in an underwritten public offering of common equity of the Company that (A) is led by a nationally recognized financial institution reasonably acceptable to the Board of Directors of the Company, (B) is registered on a Form S-1 registration statement (or a comparable form of registration statement) under the Securities Act of 1933, as amended (or applicable UK securities law), and (C) following which such publicly-offered common equity is listed on the New York Stock Exchange, the NASDAQ Stock Market or the London Stock Exchange's Main Market.

4. “Drag-Neutralizing” Mechanism.

(a) All capitalized terms used in this Section 4 but not defined in this letter agreement shall have the meanings ascribed to them in the Registration Rights Agreement.

(b) In the event that the Company exercises its right pursuant to Section 4 of the Registration Rights Agreement to cause one or more AAA Entities to include in the IPO or any Follow-On Offering any Investor Shares held by the AAA Group (any such Investor Shares being “AAA Subject Shares”), then in connection with such IPO or Follow-On Offering, the Company will, subject to Section 2 of the Post-IPO Letter Agreement, (i) offer Procific (or the Procific SPV) the opportunity to purchase (at the market offering price) common shares of the Company in an amount up to the Maximum Dollar Amount (as defined below) and (ii) cause the underwriter(s) for such IPO or Follow-On Offering to waive any underwriter discount or other compensation payable to the underwriters on a number of AAA Subject Shares equal to the number of common shares of the Company that Procific (or the Procific SPV) actually purchases pursuant to this Section 4(b). As used herein, the “Maximum Dollar Amount” shall, with respect to the IPO or particular Follow-On Offering, equal (x) the gross proceeds received by the AAA Group from the sale of AAA Subject Shares less any portion of such proceeds that AAA intends to use to satisfy its obligations and expenses, including the payment of carried interest, multiplied by (y) the number of units Procific holds in AAA at the time divided by the total number of outstanding units in AAA at the time.

(c) In the event that the Company exercises its right pursuant to Section 4 of the Registration Rights Agreement to cause Procific (or the Procific SPV) to include in the IPO or any Follow-On Offering any Investor Shares held by Procific (or the Procific SPV) (any such Investor Shares being “Procific Subject Shares”), then in connection with such IPO or Follow-On Offering the Company will, subject to Section 2 of the Post-IPO Letter Agreement, (i) offer Procific (or the Procific SPV) the opportunity to purchase (at the market offering price) common shares of the Company in an amount up to the gross proceeds received by Procific (or the Procific SPV) from the sale of such Procific Subject Shares and (ii) cause the underwriter(s) for such IPO or Follow-On Offering to waive any underwriter discount or other compensation payable to the underwriters on a number of Procific Subject Shares equal to the number of common shares of the Company that Procific (or the Procific SPV) actually purchases pursuant to this Section 4(c).

(d) In the event that Procific (or the Procific SPV) purchases common shares of the Company in the IPO or any Follow-On Offering pursuant to this Section 4, with respect to the waiver of any underwriter discount or other compensation payable to the underwriters in such IPO or Follow-On Offering, such waiver shall apply first to the Procific Subject Shares sold in the IPO or such Follow-On Offering, as applicable, and only thereafter to the AAA Subject Shares sold in the IPO or such Follow-On Offering, as applicable.

(e) Notwithstanding anything in this Section 4 to the contrary, in the event that (i) the Company seeks a waiver or extension from Procific of the Company’s obligation to use its best efforts to effect, on or prior to November 30, 2015, the consummation of an initial public offering, including the Company’s obligation pursuant to Section 3 hereof, (ii) the Company receives such a waiver or extension from the counterparties to the Other Sideletters and (iii) Procific refuses to grant such a waiver or extension on the same terms as the counterparties to the Other Sideletters, then Procific shall not be entitled to exercise its rights under this Section 4 in connection with such IPO occurring as a result of such refusal by Procific.

5. Additional Shareholder Rights.

Each of the Company and AGM agrees and acknowledges that Section 4 of the Pre-IPO Letter Agreement remains in full force and effect and that Procific's rights thereunder shall apply to both (x) the shares of the Company held indirectly by Procific (through its ownership interest in AAA as of the date hereof) and (y) any shares of the Company purchased by Procific (or the Procific SPV) in the Private Placement.

6. Fees Payable to AGM.

AGM represents that Annex 5 contains, as of February 28, 2014, a complete list of all fees, including without limitation, management fees, advisory fees, consulting fees, carried interest, performance fees, special allocations, placement fees, transaction fees, investment banking fees, closing fees, directors' fees and break-up fees, that are payable by AAA, the Company or any of their respective subsidiaries to AGM, Athene Asset Management, L.P. ("AAM") or any of their respective subsidiaries (collectively, "Apollo Fees"); provided, that Procific agrees that none of AGM, its subsidiaries or their respective affiliates or representatives shall have any liability for any error in or omission from Annex 5 so long as the amount payable in connection with any such Apollo Fee, individually, did not exceed \$2 million over the twelve month period beginning on March 1, 2013 and ending on February 28, 2014 and, notwithstanding such error or omission, Annex 5 was prepared in good faith by AGM and its representatives. For the avoidance of doubt, no Apollo Fees are conditioned on, or are payable in connection with, the consummation of the Private Placement. AGM covenants to provide Procific with an updated version of Annex 5 on each anniversary of the date hereof.

7. Tax Jurisdiction.

As of the date hereof, the Company has no present intention to redomesticate the Company to the United States of America or any other jurisdiction.

8. Notice of Changes to Entity Classification

If the Company determines that it is in the best interest of the Company to effectuate a change in the entity classification of the Company for U.S. tax purposes (e.g., changing the Company's entity classification from a corporation to a partnership for U.S. tax purposes), the Company shall provide Procific at least 180 days prior written notice before effectuating such change to enable Procific the opportunity to take any actions necessary to address Procific's specific tax considerations.

9. FATCA

Procific represents to the Company that it is an exempt beneficial owner described in section 1471(f) of the Code and Treasury Regulations section 1.1471-6(b). Procific agrees that it will provide the Company an executed IRS Form W-8 (or other appropriate form) indicating that it is an exempt beneficial owner described in section 1471(f) of the Code and further agrees to promptly provide a new IRS Form W-8 (or other appropriate form) confirming its status with respect to the information provided on its original form if such information changes or if an updated IRS Form W-8 (or other appropriate form) is required to be held on file in order for the Company to continue to recognize Procific's exempt status under section 1471(f) of the Code. Based on such representation and agreement (and assuming that FATCA, its related regulations and the interpretation thereof do not change in a manner that suggests a different outcome), the Company shall not withhold under FATCA on a payment made by it to Procific.

10. Notice of Lock-up Modifications.

If the Company waives, alters or amends any provision of the Lock-up (as defined in the Registration Rights Agreement) or modifies any Lock-up Expiration Date (as defined in the Registration Rights Agreement) with respect to any shares of the Company held by one or more Investor Shareholders (as defined in the Registration Rights Agreement) pursuant to the proviso at the end of Section 6(a) of the Registration Rights Agreement, then (a) the Company shall provide prompt notice to Procific of such waiver, alteration, amendment or modification (each, a "More Favorable Lock-Up Term") and (b) Procific may elect, in its sole discretion, to cause any provision of any More Favorable Lock-Up Term to become applicable to the shares of the Company held by Procific on a ratable basis (subject to assuming any obligations assumed by the applicable Investor Shareholder(s) directly conditioned upon the More Favorable Lock-Up Term) by providing the Company written notice of such election within ten (10) business days of Procific's receipt of notice thereof; provided, that the Company's notice obligation and Procific's right to elect to cause any More Favorable Lock-Up Term to be applicable to the shares of the Company held by Procific shall not apply to any More Favorable Lock-Up Term granted with respect to (1) any shares of the Company held by AAA, Apollo Life Re Ltd., AAA Guarantor – Athene, L.P. or any of their respective subsidiaries (the "AAA Group"); (2) a collateral assignment by any employee, officer or director of the Company, AAM, AGM or their respective subsidiaries in respect of any shares of the Company held by such person or any transfer of such shares of the Company in connection with a foreclosure related to such collateral assignment or any transfer by such foreclosing party; or (3) any shares of the Company held by one or more Investor Shareholders (other than the AAA Group) so long as such shares represent, in the aggregate, less than five percent (5%) of the then-outstanding shares of the Company and are not owned (directly or indirectly) by AGM or any subsidiary, employee, officer or director thereof (other than (x) a subsidiary of AGM that is an investment fund so long as AGM and its subsidiaries do not directly or indirectly own 2% or more of such

investment fund or (y) an employee, officer or director of AAM). For the avoidance of doubt, no sale of shares of the Company in a registered offering in accordance with Section 4(a) of the Registration Rights Agreement shall be considered a "More Favorable Lock-Up Term" for purposes of this Section 10.

11. Procific Directors.

The Company represents that (i) Jerome Mourgue d'Algue is a Class III director of the Company with a term expiring at the Company's annual general meeting to be held in 2015 and (ii) Ahmed Ghubash is a Class II director of the Company with a term expiring at the Company's annual general meeting to be held in 2017. For the avoidance of doubt, neither Jerome Mourgue d'Algue nor Ahmed Ghubash shall be subject to election at the Special Election (as defined in the Company's bye-laws) being held in connection with the Private Placement.

12. Transfers; Shareholders Agreement

Notwithstanding anything to the contrary contained in Section 11 of the Pre-IPO Letter Agreement or Section 11 the Post-IPO Letter Agreement, (i) Procific may transfer its direct interests in the Company (if any) to a Permitted Affiliate; provided, that Procific must notify AGM and the Company of any such transfer and (ii) the government of Abu Dhabi and any entities owned by the government of Abu Dhabi shall be deemed to be (x) "Permitted Affiliates" of Procific for purposes of the Pre-IPO Letter Agreement, the Post-IPO Letter Agreement and this letter agreement and (y) "Permitted Transferees" of Procific pursuant to clause (c) of the definition of "Permitted Transferee" in the Shareholders Agreement so long as (A) unless such entity is the government of Abu Dhabi, such entity is a newly formed entity organized outside of the United States and not a subsidiary of an existing entity (other than the government of Abu Dhabi or the Abu Dhabi Investment Authority ("ADIA")) and (B) no such Permitted Affiliate, its subsidiaries or its direct or indirect owners (other than a Permitted Affiliate or a direct or indirect owner that is ADIA or the government of Abu Dhabi) shall own directly or indirectly (including through a total return swap or other derivative arrangement) any interests in AP Alternative Assets, L.P. or Apollo Global Management, LLC that are treated as equity for U.S. federal income tax purposes. For the avoidance of doubt, (i) this Section 12 shall apply equally to any common shares of the Company purchased by Procific or the Procific SPV in the Private Placement or pursuant to the exercise of Procific's share purchase right under Section 4 of this letter agreement) and (ii) the Abu Dhabi Investment Council (ADIC), Mubadala Development Company PJSC, the International Petroleum Investment Company and similar investment funds are not the government of Abu Dhabi for purposes of this Section 12.

13. Procific Subscription Agreement.

Each of the parties hereto agrees and acknowledges that as of the date hereof and for so long as an affiliate of AGM remains the general partner of the Procific SPV, the Procific SPV shall constitute a "Procific LP" (as defined in the Post-IPO Letter Agreement). In connection with Procific's entry into the Procific Subscription

Agreement, (a) the Company agrees to reimburse the Procific SPV for 50% of all Organizational Expenses and Operating Expenses (each, as defined in the limited partnership agreement of the Procific SPV) incurred in any calendar year up to the first \$50,000 of such expenses and thereafter for 100% of such expenses; (b) the Company shall deliver a written opinion addressed to Procific upon which Procific may rely from a firm of attorneys of national or international standing to the effect that (i) at the time of issuance and sale of common shares of the Company pursuant to the Procific Subscription Agreement, the Company is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation and has all requisite corporate power and corporate authority to issue and sell such common shares at such time and (ii) such common shares have been duly and validly authorized and issued and are fully paid and nonassessable; and (c) all subscription agreements that have been entered into in connection with the Private Placement are in substantially the same form as the Procific Subscription Agreement except with respect to the relevant subscriber's name and other information about such subscriber, the subscriber's commitment, representations and warranties that are specific to the relevant subscriber and whether the subscriber buys Class A Common Shares, non-voting Class A Common Shares or Class B Common Shares of the Company.

14. Termination.

Except as otherwise expressly provided herein, Sections 1, 3, 4, 5, 6 and 7 of this letter agreement shall automatically and permanently terminate and be of no further force and effect without any action by any party hereto upon the earlier to occur of (i) any time when Procific ceases to be a Qualifying Shareholder (as defined in the Post-IPO Letter Agreement) and (ii) the Termination Date (as defined in the Post-IPO Letter Agreement).

15. Miscellaneous.

Other than as expressly modified or amended in accordance with the foregoing provisions of this letter agreement, the remaining terms of the Pre-IPO Letter Agreement and Post-IPO Letter Agreement remain in full force and effect and nothing contained in this letter agreement shall be deemed to alter, change or amend the rights, duties or obligations of the parties to the Pre-IPO Letter Agreement or Post-IPO Letter Agreement or to affect the enforceability or validity of any other provision thereof. This letter agreement supplements the Shareholders Agreement, the Registration Rights Agreement and the Procific Subscription Agreement, and the terms of this letter agreement, the Pre-IPO Letter Agreement and the Post-IPO Letter Agreement shall control with respect to Procific in the event any conflict exists between such letter agreement, on the one hand, and any of the Shareholders Agreement, the Registration Rights Agreement or the Procific Subscription Agreement, on the other hand.

The provisions of Sections 8 ("Insurance Laws"), 10 ("Binding on Successors"), 11 ("Assignment; Transfers to Affiliates"), 12 ("Severability"), 13 ("No Publicity"), 14 ("Governing Law"), 16 ("Amendments") and 17 ("Counterparts") of the Post-IPO Letter Agreement are hereby incorporated by reference herein (as modified hereby, if applicable) and shall apply to this letter agreement as if specifically stated herein. In

furtherance of the foregoing, and for purposes of clarity, (i) in the event of any dispute, controversy or claim arising out of, connected with, or relating to this letter agreement or the Subscription Agreement, or to the breach, termination, invalidity, existence or interpretation thereof arising solely among Procific, on the one hand, and the Company, AGM and/or their respective subsidiaries, on the other hand (and does not involve any other shareholder of the Company), such dispute shall be settled by binding arbitration pursuant to the terms of Section 14 of the Post-IPO Letter Agreement and (ii) Section 13 (“No Publicity”) of the Post-IPO Letter Agreement shall supersede Section 6.1 (“Public Disclosure”) of the Subscription Agreement.

acceptable to the Company, (iii) the proposed Transferee is a Qualified Buyer and (iv) the Other Shareholder shall have afforded to the Company (or Persons identified by the Company) a right of first refusal to purchase such Shares or agree to undertake such Commitments on the Early Liquidity Transfer Terms; provided that, (A) the primary business of the proposed Transferee or any Affiliate of such Transferee is not underwriting and insuring or reinsuring life insurance, annuities, or similar products anywhere in the world nor is such proposed Transferee or any Affiliate thereof an Affiliate of any entity conducting such business, unless the Company in its sole discretion waives such requirement; (B) subject to Board Early Liquidity Approval and the satisfaction of the foregoing clauses (i), (ii), (iii) (if applicable) and (iv), the Other Shareholder shall only be permitted to proceed with the Early Liquidity Transfer if (x) the Company waives such right of first refusal in writing or (y) if the Company (or such Persons identified by the Company) fails to consummate a purchase of the Shares and subscription to such Commitments within 30 days following the delivery of the Early Liquidity Transfer Notice on the Early Liquidity Transfer Terms (it being understood that if the Company (or such Persons identified by the Company) offers to purchase the Shares and subscription to such Commitments within such 30-day period on the Early Liquidity Transfer Terms, then the Other Shareholder shall be required to sell the Shares and Commitments to the Company (or such Persons identified by the Company) accordingly); and (C) if the Other Shareholder is so permitted to proceed with such Early Liquidity Transfer, then it may only do so with the proposed Transferee on the Early Liquidity Transfer Terms within 30 days following the earlier of the waiver described in the foregoing clause (x) or the failure described in the foregoing clause (y) and any failure to consummate such Early Liquidity Transfer within such 30-day period shall once again subject any further proposed Early Liquidity Transfer to the terms and conditions of this Section 3.2(a). Subject to a Board Early Liquidity Approval and the satisfaction of the condition described in the foregoing clause (iv), the Company shall cooperate reasonably with the Other Shareholder to facilitate the delivery of information to the proposed Transferee regarding the Company and the applicable Shares (“Company Information”) that is reasonably necessary for the proposed Transferee to evaluate the proposed Early Liquidity Transfer; provided, that the Company shall not be required to deliver any Company Information that (x) it reasonably determines constitutes material non-public information or the disclosure of which the Company reasonably believes to be prohibited by agreement or applicable law or would result in a waiver of the attorney-client privilege or (y) the disclosure of which the Company reasonably believes would have an adverse effect on the Company or any of its Affiliates (including, without limitation, the ability of the Company to consider, negotiate or consummate a QIPO). Any purported Transfer in violation of the provisions of this Section 3.2(a) shall be null and void and shall have no force or effect.

(b) Subject to Section 3.2(c), an Other Shareholder may Transfer any or all of its Shares after December 31, 2015 to any Third Party (a “Liquidity Transfer”) so long as each of the following conditions is satisfied prior to the consummation of such Liquidity Transfer: (i) the Other Shareholder shall have delivered prior written notice to the Company, identifying the proposed Transferee and describing in reasonably sufficient

detail the terms and conditions of the proposed Liquidity Transfer (a "Liquidity Transfer Notice" and, such terms and conditions, the "Liquidity Transfer Terms") accompanied by a written legal opinion (which may be an opinion of internal corporate and securities legal counsel of the Other Shareholder), if requested by the Company, addressed to the Company, and reasonably satisfactory in form and substance to the Company, to the effect that the proposed Liquidity Transfer will be made in compliance with applicable securities laws and may be effected without registration under the Securities Act and any other applicable securities laws, (ii) the proposed Transferee shall have executed a confidentiality agreement on terms reasonably acceptable to the Company, (iii) the proposed Transferee is a Qualified Buyer and (iv) the Other Shareholder shall have afforded to the Company (or Persons identified by the Company) a right of first refusal with respect to such Shares on the Liquidity Transfer Terms; provided, that, (A) the primary business of the proposed Transferee or any Affiliate of such Transferee is not underwriting and insuring or reinsuring life insurance, annuities, or similar products anywhere in the world, unless the Company in its sole discretion waives such requirement; (B) subject to the satisfaction of the foregoing clauses (i), (ii), (iii) (if applicable) and (iv), the Other Shareholder shall only be permitted to proceed with the Liquidity Transfer if (x) the Company waives such right of first refusal in writing or (y) if the Company (or such Persons identified by the Company) fails to consummate a purchase of the Shares within 30 days following the delivery of the Liquidity Transfer Notice on the Liquidity Transfer Terms (it being understood that if the Company (or such Persons identified by the Company) offers to purchase the Shares within such 30-day period on the Liquidity Transfer Terms, then the Other Shareholder shall be required to sell the Shares to the Company (or such Persons identified by the Company) accordingly); and (C) if the Other Shareholder is so permitted to proceed with such Liquidity Transfer, then it may only do so with the proposed Transferee on the Liquidity Transfer Terms within 30 days following the earlier of the waiver described in the foregoing clause (x) or the failure described in the foregoing clause (y) and any failure to consummate such Liquidity Transfer within such 30 day period shall once again subject any further proposed Liquidity Transfer to the terms and conditions of this Section 3.2(b). Subject to the satisfaction of the condition described in the foregoing clause (iv), the Company shall co-operate reasonably with the Other Shareholder to facilitate the delivery of Company Information to the proposed Transferee that is reasonably necessary for the proposed Transferee to evaluate the proposed Liquidity Transfer; provided, that the Company shall not be required to deliver any Company Information that (x) it reasonably determines constitutes material non-public information or the disclosure of which the Company reasonably believes to be prohibited by agreement or applicable law or would result in a waiver of the attorney-client privilege or (y) the disclosure of which the Company reasonably believes would have an adverse effect on the Company or any of its Affiliates (including, without limitation, the ability of the Company to consider, negotiate or consummate a QIPO). Any purported Transfer in violation of the provisions of this Section 3.2(b) shall be null and void and shall have no force or effect.

(c) Notwithstanding anything herein to the contrary, no Transfer of any Shares by any Shareholder shall become effective unless and until the Transferee

ATHENE HOLDING LTD. – SHAREHOLDERS AGREEMENT

executes and delivers to the Company a counterpart to this Agreement in form and substance reasonably satisfactory to the Board, unless such Transferee is already subject to this Agreement. Any Transfer of Shares by any such Shareholder not in accordance with this paragraph shall be null and void and shall have no force or effect, shall not be recorded on the books of the Company and shall not be recognized by the Company.

(d) Each Other Shareholder that is an entity that was formed for the sole purpose of directly or indirectly acquiring Shares or that has no substantial assets other than Shares or direct or indirect interests in Shares agrees that (i) certificates for its common shares or other instruments reflecting equity interests in such entity (and the certificates for common shares or other instruments reflecting equity interests in any similar entities controlling such entity) will note the restrictions contained in this Agreement on the restrictions on Transfer of Shares as if such common shares or other instruments reflecting equity interests were Shares, (ii) no such common shares or other instruments reflecting equity interests may be Transferred (including any Transfer or issuance by the Company) to any Person other than in accordance with the terms and provisions of this Agreement as if such common shares or other instruments reflecting equity interests were Shares and (iii) any Transfer of such common shares or other instruments reflecting equity interests shall be deemed to be a transfer of a pro rata number of Shares hereunder.

3.3 Co-Sale Rights.

(a) If any Apollo Shareholder (the "Co-Sale Offeror") proposes to Transfer any Shares to any Third Party (the "Co-Sale Offeree"), the Co-Sale Offeror shall, at least fifteen (15) business days before such Transfer deliver a notice (the "Co-Sale Notice") to the Company and the Other Shareholders (the "Entitled Shareholders") setting forth the material terms in connection with such proposed Transfer, including (i) the number of Shares to which the Co-Sale Notice relates (the "Offered Shares") and the name and address of the Co-Sale Offeree, (ii) the name and address of the Co-Sale Offeror, (iii) the proposed amount and type of consideration and the terms and conditions of payment offered by the Co-Sale Offeree, (iv) a description of the anticipated required representations, warranties, indemnities, covenants, conditions, escrow agreements and other provisions and agreements by the Co-Sale Offeror (and any Other Shareholder that may elect to participate in the proposed Transfer pursuant to this Section 3.3) and the Co-Sale Offeree and (v) an indication that the Co-Sale Offeree has been informed of the co-sale rights provided for in this Section 3.3 and has agreed to purchase Shares in accordance with the terms hereof.

(b) Within fifteen (15) business days after delivery of the Co-Sale Notice by the Co-Sale Offeror, each Entitled Shareholder may elect to participate in the proposed Transfer by delivering to such Co-Sale Offeree a notice (the "Tag-Along Notice") specifying the number of Class A Common Shares, Class B Common Shares and Vested Class M Common Shares (up to his, her or its Pro Rata Amount of such Common Shares) with respect to which such Entitled Shareholder intends to exercise his, her or its rights under this Section 3.3. The number of Vested Class M Common Shares for which the

Entitled Shareholders may exercise their rights under this Section 3.3 shall equal the number of Vested Class M Common Shares prior to the Transfer plus the additional number Class M Common Shares that would have otherwise vested on a pro forma basis after giving effect to the consummation of the proposed Transfer. If none of the Entitled Shareholders gives the Co-Sale Offeror a timely Tag-Along Notice with respect to the sale proposed in the Co-Sale Notice, the Co-Sale Offeror may thereafter sell the Shares specified in the Co-Sale Notice on terms and conditions no more favorable, in all material respects, in the aggregate, than the terms and conditions set forth in the Co-Sale Notice. If one or more of the Entitled Shareholders gives the Co-Sale Offeror a timely Tag-Along Notice, then the Co-Sale Offeror shall use commercially reasonable efforts to cause the Co-Sale Offeree(s) to agree to acquire all Shares identified in all Tag-Along Notices that are timely given to the Co-Sale Offeror, upon terms and conditions no less favorable, in all material respects, in the aggregate, than the terms and conditions set forth in the Co-Sale Notice; provided, however, that the price for each Common Share to be Transferred by an Entitled Shareholder (who elects to participate in an offer to sell a class or series of Common Shares to a Co-Sale Offeree) under this Section 3.3 that is different from that class or series of Common Shares proposed to be Transferred by the Co-Sale Offeror shall be determined by the Board on the basis of assuming the consummation at such time of a Liquidation for cash and the distribution of the proceeds thereof in accordance with the provisions of Section 4 of the Bye-laws of the Company after giving effect to the provisions of any restricted share award agreement. If the Co-Sale Offeree(s) are unwilling or unable to acquire all Shares proposed to be included in such sale upon such terms, then the Co-Sale Offeror may elect either to cancel such proposed sale or to allocate the maximum number of Shares that the Co-Sale Offeree is willing to purchase among the Co-Sale Offeror and the Entitled Shareholders giving timely Tag-Along Notices in proportion to such Shareholder's Pro Rata Amount in relation to the Pro Rata Amount of the Co-Sale Offeror and all participating Entitled Shareholders, provided that, in such circumstances, the amount of Shares set forth in such Entitled Shareholder's Tag-Along Notice (and which shall be allocated to the prospective purchase as set forth above) shall be allocated proportionately between the Class A Common Shares, the Class B Common Shares and the Class M Common Shares of such Entitled Shareholder, as applicable, to the extent possible.

(c) The Co-Sale Offeror shall not Transfer any Shares to the Co-Sale Offeree unless such Transfer complies with this Section 3.3 and is otherwise Transferred in accordance with this Agreement.

(d) In the event that the Transfer between the Co-Sale Offeror and the Co-Sale Offeree is not completed by the later of: (i) 120 days following the delivery of the Co-Sale Notice; and (ii) 30 days following the satisfaction or waiver by the parties of (A) all of the conditions set forth in the definitive documentation related to such Transfer (if applicable) and (B) if (A) does not apply, then all of the conditions identified in the Co-Sale Notice, the Co-Sale Offeror shall serve a new Co-Sale Notice to the Company and the Entitled Shareholders under Section 3.3(a) and permit the Entitled Shareholders to deliver a new Tag-Along Notice under Section 3.3(b) before completing the Transfer.

(e) Notwithstanding the foregoing, any Co-Sale Offeror shall not be required to comply with the provisions of this Section 3.3 with respect to any Management Shareholder who is a Co-Sale Offeree to the extent such compliance (i.e., such Transfer pursuant to this Section 3.3), would require registration of such Transferred Shares where the Company or the Co-Sale Offeror would not otherwise be required to do so but for this Section 3.3, or would otherwise subject the Company or the Co-Sale Offeror to general taxation in a jurisdiction in which the Company or the Co-Sale Offeror was not previously subject to taxation or consent to general service of process in any jurisdiction where it is not currently subject to such requirements.

(f) For purposes of this Section 3.3, “Third Party” shall not be deemed to include any Person which has directly or indirectly invested in, or otherwise has ownership interests in one or more affiliated investment funds managed or advised by, Apollo Management Holdings, L.P. or its Affiliates.

3.4 Preemptive Rights.

(a) If at any time from time to time the Company proposes to offer New Securities to any Person after the date hereof, the Company shall, prior to such offer, deliver to the Shareholders an offer (the “Preemptive Offer”) for such Shareholders that are able to certify to the Company that they are “accredited investors” (as such term is defined in Rule 501 pursuant to the Securities Act) (the “Eligible Shareholders”), to purchase that number of New Securities in connection with such proposed offering of New Securities, so that each such Shareholder would, in the aggregate, after the issuance or sale of all of such New Securities in connection with the proposed offering, hold the same Pro Rata Amount as was held by such Shareholder prior to such issuance and sale. Such issue shall be at the same price and on no less favorable terms and conditions as are applicable to all other purchasers of such New Securities. The Preemptive Offer shall state (i) that the Company proposes to issue New Securities, (ii) the amount of New Securities to be issued, (iii) the terms of the New Securities, (iv) the purchase price of the New Securities, (v) the portion of the New Securities available for purchase by such Shareholder and (vi) any other material terms of the proposed issuance. The Preemptive Offer shall remain open and irrevocable for a period of ten (10) business days (the “Preemptive Period”) from the date of its delivery.

(b) Each Eligible Shareholder may accept the Preemptive Offer by delivering to the Company a written notice (the “Purchase Notice”) within the Preemptive Period. At the closing of the issuance of such New Securities, all of the parties to the transaction shall execute such customary documents as are otherwise necessary or appropriate to effect the transaction set forth in the Preemptive Offer. If after the Preemptive Period expires, the Company proposes to offer New Securities to any Person on terms that differ from those set forth in the Preemptive Offer, the Company shall make a new Preemptive Offer setting forth such modified terms.

(c) The issuance of New Securities to the Eligible Shareholders who delivered a Purchase Notice shall be made on a business day, as designated by the Company, not more than thirty (30) days after expiration of the Preemptive Period on those terms and conditions of the Preemptive Offer not inconsistent with this Section 3.4.

ATHENE HOLDING LTD. – SHAREHOLDERS AGREEMENT

(d) Notwithstanding anything to the contrary contained herein, the Company may, in order to expedite the issuance of the New Securities hereunder, issue all or a portion of such the New Securities to one or more Persons (each, an “Initial Subscribing Shareholder”), without complying with the provisions of this Section 3.4, provided, that, prior to such issuance, either (i) each Initial Subscribing Shareholder agrees to offer to sell to each Eligible Shareholder who is not an Initial Subscribing Shareholder (each such Shareholder, an “Other Eligible Shareholder”) such Other Eligible Shareholder’s respective Pro Rata Amount (excluding for the purposes of this calculation Shares held by Shareholders who are not Eligible Shareholders) of such New Securities on the same terms and conditions as issued to the Initial Subscribing Shareholders and in a manner which provides such Other Eligible Shareholder with rights substantially similar to the rights outlined in Sections 3.4(a) through (c) above or (ii) the Company shall offer to sell an additional amount of New Securities to each Other Eligible Shareholder only in an amount and manner which provides such Other Eligible Shareholder with rights substantially similar to the rights outlined in Sections 3.4(a) through (c). The Initial Subscribing Shareholders or the Company, as applicable, shall offer to sell such New Securities to each Other Eligible Shareholder within the Preemptive Period.

(e) Each Eligible Shareholder who elects not to purchase all or any portion of the New Securities made available to such Eligible Shareholder pursuant to this Section 3.4 hereby waives any and all rights and claims it may have with respect to or arising out of the New Securities and the issuance thereof against the Company, any other Shareholder, and each of their respective officers, directors, employees, agents and Affiliates.

(f) For purposes of this Section 3.4, each Eligible Shareholder may aggregate his, her or its Pro Rata Amount among other Shareholders in his, her or its Group to the extent that other Shareholders in his, her or its Group do not elect to purchase their respective Pro Rata Amounts.

(g) Notwithstanding the foregoing, the Company shall not be required to comply with the provisions of this Section 3.4 (x) with respect to any Management Shareholder who is an Eligible Shareholder to the extent such compliance (i.e., such issuance pursuant to this Section 3.4), would require registration of such New Securities where the Company would not otherwise be required to do so but for this Section 3.4, or (y) would otherwise subject the Company to general taxation in a jurisdiction in which the Company was not previously subject to taxation or consent to general service of process in any jurisdiction where it is not currently subject to such requirements.

3.5 Approved Sale; Sale of the Company; Approved Reorganization

(a) At any time that Shareholders holding Common Shares and Commitments to subscribe for additional Common Shares in the manner allocated pursuant to Section 3.6,

if any, in the aggregate, represent a majority of the voting power of the Company propose (i) a Sale of the Company to any Third Party, such Shareholders shall be entitled to deliver notice to the Company that such Shareholders desire the Company and/or the Shareholders to enter into agreements with one or more Persons that would result in a Sale of the Company (an “Approved Sale”) or (ii) a Reorganization of the Company (an “Approved Reorganization”), all Shareholders and the Company shall consent to and raise no objections against the Approved Sale or the Approved Reorganization, and if the Approved Sale or Approved Reorganization is structured as a sale, contribution and/or exchange or issuance of the capital stock of the Company (whether by merger, recapitalization, consolidation, Transfer of Equity Securities, or otherwise, as applicable), and each Shareholder shall waive, and hereby waives, any dissenter’s rights, appraisal rights or similar rights in connection with such Approved Sale or Approved Reorganization and shall instruct, and hereby instructs, the Board to vote in favor of such Approved Sale or Approved Reorganization and (x) in the case of an Approved Sale, each Shareholder shall agree, and hereby agrees, to Transfer his, her or its Shares on the terms and conditions approved by such majority voting Shareholders, and hereby waives preemptive or other similar rights with respect to any share issuance to be effected in connection herewith, and (y) in the case of an Approved Reorganization, each Shareholder shall agree, and hereby agrees, to contribute, exchange and/or otherwise Transfer his, her or its Shares on the terms and conditions approved by such majority voting Shareholders and/or consent to any other transaction constituting a Reorganization of the Company, and hereby waives preemptive or other similar rights with respect to any share issuance to be effected in connection herewith. The number of Vested Class M Common Shares that the Other Shareholders shall Transfer in connection with the Approved Sale under this Section 3.5 shall equal the number of Vested Class M Common Shares existing prior to the Approved Sale plus the additional number of Class M Common Shares that would have otherwise vested on a pro forma basis after giving effect to the consummation of the Approved Sale. All Shareholders and the Company shall take all necessary and desirable actions in connection with the consummation of the Approved Sale or Approved Reorganization, including the execution of such agreements and such instruments and other actions reasonably necessary to (1) provide the representations, warranties, indemnities, covenants, conditions, escrow agreements and other provisions and agreements relating to such Approved Sale or Approved Reorganization and (2) if applicable, to effectuate the allocation and distribution of the aggregate consideration upon any Approved Sale as set forth below, provided, that the Other Shareholders shall only be required to provide representations as to their ownership of the Common Shares, the absence of liens and encumbrances with respect to the Common Shares and their authority to enter into the Approved Sale and have it enforced, unless the acquiror requires such additional representations and warranties, in which case, such additional representations and warranties shall be limited in scope to the additional representations that the majority voting Shareholders agree to provide to the acquirer; provided, that no Other Shareholder shall be required to indemnify or contribute for any amount in excess of the gross proceeds received by such Shareholder in connection with any such Approved Sale and/or any Approved Reorganization. The Shareholders shall not be required to comply with, and shall have no rights under, Sections 3.1 through 3.4 in connection with an Approved Sale or Approved Reorganization.

ATHENE HOLDING LTD. – SHAREHOLDERS AGREEMENT

(b) The Company shall provide the Shareholders with written notice of any Approved Sale or Approved Reorganization at least five (5) business days prior to the consummation thereof. Upon the consummation of the Approved Sale, each Shareholder shall receive the same portion of the aggregate consideration from such Approved Sale that such Shareholder would have received if such aggregate consideration (in the case of an asset sale, after payment or provision for all liabilities) had been distributed by the Company in a Liquidation after giving effect to the provisions of any restricted share award agreement.

(c) The obligations of the Shareholders to participate in any Approved Sale pursuant to this Section 3.5 are subject to the satisfaction of the following conditions:

(i) if any Shareholders of a class of Shares are given an option as to the form and amount of consideration to be received with respect to Shares in a class, all holders of Shares of such class will be given the same option; and

(ii) no Shareholder shall be obligated to pay more than his, her or its pro rata amount of reasonable expenses incurred (based on the proportion of the aggregate transaction consideration received) in connection with a consummated Approved Sale, to the extent such expenses are incurred for the benefit of all Shareholders and are not otherwise paid by the Company or the acquiring party (with expenses incurred by or on behalf of a Shareholder for his, her or its sole benefit not being considered expenses incurred for the benefit of all Shareholders).

(d) Each Shareholder and the Company hereby grants an irrevocable proxy and power of attorney to any nominee selected by a majority of all the outstanding Apollo Shares (which may be a Shareholder) (the "Nominee") to take all necessary actions and execute and deliver all documents deemed necessary and appropriate by such Person to effectuate the consummation of any Approved Sale and/or any Approved Reorganization. The Shareholders hereby indemnify, defend and hold the Nominee harmless (severally in accordance with their pro rata share of the consideration received in any such Approved Sale (and not jointly and severally)) against all liability, loss or damage, together with all reasonable costs and expenses (including reasonable legal fees and expenses), relating to or arising from its exercise of the proxy and power of attorney granted hereby; provided, that the Nominee may not obligate any Shareholder to indemnify or contribute for any amount in excess of the gross proceeds received by such Shareholder in connection with any such Approved Sale and/or any Approved Reorganization. Copies of any documents executed by the Nominee on behalf of each Shareholder and the Company pursuant to this Section 3.5(d) shall be provided to such Shareholder and the Company, as applicable, in accordance with Section 4.7.

ATHENE HOLDING LTD. – SHAREHOLDERS AGREEMENT

3.6 Voting Rights of Shares and Commitments.

The Shareholders and the Company agree, that for purposes of the Bye-laws and all voting matters for which Shareholders of the Company may be entitled to vote (including for purposes of this Agreement), the Total Voting Power (as defined in the Bye-laws) of the Company and the voting power attributable to each Shareholder and within each class of Shares for purposes of Bye-law 4.4 shall include the voting power attributable to each Share owned by such Shareholder and the total number of Common Shares, if any, for which such Shareholder's outstanding Commitments relate as if such Common Shares were subscribed for by such Shareholder and were fully-paid Shares of the Company; provided, that the voting power attributable to each such Common Share represented by such Commitment shall equal the voting power that would be attributable to the related Share that would be purchased by such Shareholder upon a capital call for such Commitment and the attributes of such Shareholder as specified in the Bye-laws with respect to the voting rights of Shares as may be determined by the Company. Nothing in this Section 3.6 is intended to alter the aggregate voting power of the Class A Common Shares or the Class B Common Shares as contemplated by Bye-law 4.

3.7 Call Rights Over Shares for Certain Other Shareholders.

(a) Within 270 days following (x) the death, Disability, resignation from employment or directorship with or consulting services to the Company, its Subsidiaries or AAM (whether with or without Good Reason) or termination of employment with or consulting services to the Company, its Subsidiaries or AAM (whether for Cause or without Cause) of any employee, director or consultant of the Company, its Subsidiaries and/or AAM (each a "Termination Event") or (y) with respect to any unvested Shares that vest following a Termination Event, the vesting date of any such Shares, the Company shall have the right (but not the obligation) to repurchase all or any portion of the Shares of such employee, director or consultant who is an Other Shareholder and all or any portion of the Shares of any Other Shareholder holding Shares principally for the benefit of such employee, director or consultant and his, her or its Permitted Transferees, and such Other Shareholder(s) shall be obligated to sell any such Shares subject to the repurchase in accordance with this Section 3.7 and any outstanding Commitments shall be terminated in the discretion of the Board. In connection with the foregoing, the Company does not intend to repurchase any Vested Class M Common Shares that have not been vested for longer than six (6) months. Any Permitted Transferee that received Shares pursuant to clause (b) of the definition of Permitted Transfer shall be subject to this Section 3.7 as if such Permitted Transferee and such Other Shareholder (through which such Permitted Transferee received such Shares) are one and the same. For the avoidance of doubt, the Company's repurchase of a portion of the Shares held by any Other Shareholder shall not preclude the Company from repurchasing additional Shares held by such Other Shareholder at a later date or dates within the 270-day periods described above.

(b) In the event that the Company wishes to exercise its rights pursuant to this Section 3.7, the Company shall deliver to such Other Shareholder whose Shares are being repurchased (or his, her or its heirs or representatives), a timely written notice (the

ATHENE HOLDING LTD. – SHAREHOLDERS AGREEMENT

“Repurchase Notice”) that sets forth (i) the number of Shares the Company is repurchasing, (ii) an indication of the price to be paid for each such Shares provided that the final determination of fair market value shall be made as of the closing date of such transaction (the “Repurchase Date”) and (iii) the anticipated closing date of such transaction. The Company shall have the right to revoke the Other Shareholder Repurchase Notice at any time prior to the consummation of such repurchase.

(c) Any repurchase of Shares by the Company pursuant to the terms of this Section 3.7 shall be consummated within thirty (30) days following delivery of a Repurchase Notice; provided, however, if an Other Shareholder whose Shares are being repurchased demands an appraisal pursuant to Section 3.7(h), such repurchase shall occur within thirty (30) days following the determination of fair market value as provided therein. Any repurchase of Shares by the Company pursuant to the terms of this Section 3.7 shall be made:

(i) in respect of any Purchased Shares or Fully-Paid Awarded Shares held by any Other Shareholder, in cash at a price per Share equal to the fair market value of such Shares as of the Repurchase Date (as determined by the Board in good faith); and

(ii) in respect of any Vested Class M Common Shares held by any Other Shareholder, in cash at a price per Share equal to the fair market value of such Shares as of the Repurchase Date (as determined by the Board in good faith).

(d) The Repurchase Price (defined below) shall be paid in a lump sum cash payment on the consummation date referred to in the Repurchase Notice. Each of Other Shareholder hereby agrees that upon such Other Shareholder’s receipt of such Repurchase Price, any outstanding Shares then owned by such Other Shareholder that are sold pursuant to Section 3.7, shall automatically be transferred, sold and assigned to the Company and the Secretary of the Company shall automatically and irrevocably be appointed to transfer such Shares to the Company on the books of the Company with full power of substitution. For purposes of this Section 3.7, the “Repurchase Price” means the price referred to in Sections 3.7(c)(i)-(ii), as applicable.

(e) Such Other Shareholder agrees to provide representations and warranties regarding (i) its power, authority and legal capacity to enter into such sale and to transfer valid right, title and interest in such Shares or other Equity Securities; (ii) its ownership of such Shares and the absence of any liens, pledges, and other encumbrances on such Shares or other Equity Securities; and (iii) the absence of any violation, default, or acceleration of any agreement or instrument pursuant to which such Other Shareholder or the assets of such Other Shareholder are bound as the result of such sale.

(f) If an Other Shareholder holds Shares which the Company wishes to repurchase in accordance with this Section 3.7, the Other Shareholder shall be entitled to payment in accordance with Section 3.7(c), but shall no longer be entitled to participation in the Company or enjoy other rights as a shareholder with respect to the Shares subject

to such repurchase. To the maximum extent permitted by law, the Other Shareholders' rights following the Repurchase Notice, with respect to the repurchase of Shares covered thereby, shall be solely the rights that he or she has as a general creditor of the Company to receive the amount set forth in Section 3.7(c).

(g) The fair market value of a Common Share shall be determined by the Board as of the date of the Repurchase Notice in such manner as the Board deems appropriate, provided such determination is made in good-faith and assumes the consummation at such time of a Liquidation for cash and the distribution of the proceeds thereof in accordance Section 4 of the Bye-laws of the Company after giving effect to the provisions of any restricted share award agreement. In connection with such determination, the Board may use valuation models as the Board deems appropriate and customary for valuing the Company and its subsidiaries as a whole and on a going concern basis. The Board may, but is not required to, base its determination of fair market value on the advice of an independent investment banker or appraiser recognized to be an expert in making such valuation.

(h) The Other Shareholder may demand that the Board provide him or her with a written calculation of the fair market value and may examine the Company's books and records on which the calculation is based. Within ten (10) days of receiving the Company's written calculation, the Shareholder may provide the Board with a written objection identifying in reasonable detail any objections to the calculation of the fair market value and an alternative calculation of the fair market value (the "Objection Notice"). The Board and the Other Shareholder shall negotiate in good faith to determine the fair market value. If the Board and the Other Shareholder are unable to agree on a fair market value within ten (10) days of the date of the Objection Notice, the Other Shareholder may request in writing an independent valuation of the fair market value by an appraiser mutually agreed upon by the Board and the Other Shareholder (the "Appraisal Request"). If the parties are unable to agree on an appraiser within ten (10) days of the date of the Appraisal Request, each party shall submit the name of one nationally or internationally recognized firm that is engaged in the business of valuing non-public securities of life insurance companies and to the extent the parties are unable to agree on either of the two proposed firms, then the parties shall request that the two suggested firms jointly select a third firm that meets the same requirements applicable to the other two firms set forth above, which selection shall constitute the selected appraiser (acting as an expert in valuation and not as an arbitrator). The determination of fair market value by the selected appraiser shall be final and binding upon all parties solely for purposes of this Section 3.7. If the appraiser's determination of the fair market value is equal to or greater than 120% of the Board's determination of fair market value, the full cost of appraisal shall be borne by the Company. If the appraiser's determination of the fair market value is less than 120% of the Board's determination of fair market value, the full cost of appraisal shall be borne by the Other Shareholder.

(b) Notwithstanding anything in Bye-law 4.5, each of the Shareholders and the Company acknowledges the various restricted share award agreements and agree to give effect to the agreements set forth therein, including without limitation, any vesting, liquidation preference and other rights and obligations.

3.11 Agreement to Provide Certain Information: FATCA

(a) Each Shareholder agrees that upon the Company's request, the Shareholder will provide to the Company any information requested that is necessary for the Company to prevent or reduce the rate of withholding on premiums or other payments it receives, to make payments to the Shareholder without or at a reduced rate of withholding, or to enable the Company to satisfy any reporting or withholding requirements under the Code or other applicable law. Each Shareholder also agrees to provide, upon request by the Company, any certification or form required by law regarding such information that is requested by the Company, to the extent permissible to do so under applicable law. Each Shareholder acknowledges that such information may be required by law to be disclosed to taxing or governmental authorities or to Persons making payments to the Company, and each Shareholder hereby consents to such disclosure. Each Shareholder acknowledges that failure to provide the information provided by the Company pursuant to this paragraph may result in withholding on payments made to the Shareholder consistent with applicable law.

(b) The U.S. tax provision commonly known as the Foreign Account Tax Compliance Act, the regulations (whether proposed, temporary or final), including any subsequent amendments, and administrative guidance promulgated thereunder (or which may be promulgated in the future) and any applicable intergovernmental agreements in respect thereof (or any similar intergovernmental agreements which may be applicable to the Company or any Subsidiary of the Company), including any implementing legislation, regulations and guidance promulgated (or which may be promulgated) thereunder and any subsequent amendments to any of the foregoing ("FATCA") impose or may impose a number of obligations on the Company or the Subsidiaries of the Company. In this regard:

(i) Each Shareholder acknowledges that, in order to comply with the provisions of FATCA and avoid the imposition of U.S. federal withholding tax, the Board may, from time to time and to the extent provided under FATCA, (i) require further information and/or documentation from such Shareholder, which information and/or documentation may (A) include, but is not limited to, information and/or documentation relating to or concerning such Shareholder, such as Shareholder's direct and indirect beneficial owners (if any), and any such Person's identity, residence (or jurisdiction of formation) and income tax status, and (B) need to be certified by such Shareholder under penalties of perjury, and (ii) provide or disclose any such information and documentation to governmental agencies of the United States or other jurisdictions (including the U.S. Internal Revenue Service (the "IRS")) and Persons from or through which the Company or any Subsidiary of the Company may receive payments or with which the Company or any Subsidiary of the Company may have an account (within the meaning of FATCA).

ATHENE HOLDING LTD. – SHAREHOLDERS AGREEMENT

(ii) Each Shareholder agrees that it shall provide such information and/or documentation concerning itself and its direct and indirect beneficial owners (if any), as and when requested by the Board, as the Board, in its sole discretion, determines is necessary or advisable for the Company to comply with its obligations under FATCA, including, but not limited to, in connection with the Company or any of its Affiliates entering into or amending or modifying an “FFI Agreement” (as defined under FATCA) with the IRS and maintaining ongoing compliance with such agreement. Each Shareholder should consult its tax advisors as to the type of information that may be required from such Shareholder under this Section 3.11(b).

(iii) Consistent with FATCA, each Shareholder agrees to waive any provision of law of any jurisdiction that would, absent a waiver, prevent the Company’s compliance with its obligations under FATCA, including under any FFI Agreement, and hereby consents to the disclosure by the Company or any Subsidiary of the Company of any information regarding such Shareholder (including information regarding its direct and indirect beneficial owners, if any) as the Company or any Subsidiary of the Company determines is necessary or advisable to comply with FATCA (including the terms of any FFI Agreement).

(iv) Each Shareholder acknowledges that if such Shareholder does not timely provide and/or update the requested information and/or documentation or waiver, as applicable (a “FATCA Compliance Failure”), the Board may, in its sole and absolute discretion and in addition to all other remedies available at law, in equity or under this Agreement, cause such Shareholder to withdraw from the Company in whole or in part.

(v) To the extent that the Company or any Affiliate thereof suffers any withholding taxes, interest, penalties or other expenses or costs on account of any Shareholder’s FATCA Compliance Failure, unless otherwise agreed by the Board, (i) such Shareholder shall promptly pay upon demand by the Board to the Company or, at the Board’s direction, to the relevant Affiliate, an amount equal to such withholding taxes, interest, penalties and other expenses and costs, or (ii) the Board may reduce the amount of the next distribution or distributions which would otherwise have been made to such Shareholder or, if such distributions are not sufficient for that purpose, reduce the proceeds of liquidation otherwise payable to such Shareholder by an amount equal to such withholding taxes, interest, penalties and other expenses and costs; provided, that (1) if the amount of the next succeeding distribution or distributions or proceeds of liquidation is reduced, such amount shall include an amount to cover interest on the amount of such withholding taxes, interest, penalties and other expenses and costs at the lesser of (A) the rate of 2% per annum over the rate of interest announced

publicly from time to time by JPMorgan Chase Bank in New York, New York as such bank's prime rate, and (B) the maximum rate permitted by applicable law, and (2) should the Board elect to so reduce such distributions or proceeds, the Board shall use commercially reasonable efforts to notify such Shareholder of its intention to do so. Whenever the Board makes any such reduction of the proceeds payable to a Shareholder pursuant to clause (ii) of the preceding sentence, for all other purposes such Shareholder may be treated as having received all distributions (whether before or upon liquidation) unreduced by the amount of such reduction. Unless otherwise agreed to by the Board in writing, each Shareholder shall indemnify and hold harmless the Company and its Affiliates from and against any withholding taxes, interest, penalties or other expenses or costs with respect to such Shareholder's FATCA Compliance Failure.

(vi) Each Shareholder acknowledges that the Board (or the applicable Affiliate of the Company) will determine in its sole discretion how to comply with FATCA.

(vii) Each Shareholder acknowledges and agrees that it shall have no claim against the Board or the Company (or its Affiliates) for any damages or liabilities attributable to any FATCA compliance related determinations pursuant to Section 3.11(b)(vi).

AAA Guarantor – Athene L.P. shall provide notice to the Company of the identity and address of, or any change with respect to the identity or address of, such representative.

2. The Company and the Apollo Shareholders agree to take all actions necessary to ensure the foregoing.

2. Budget. Except as otherwise determined by the Audit Committee, 45 business days following the beginning of each quarter and annual fiscal period, the Company shall deliver management's most recently prepared projections and the current budget for the year-to-date for the Company and its Subsidiaries, in form, methodology, and level of detail reasonably satisfactory to the Apollo Shareholders.

b. notification in writing of any litigation or governmental proceeding (and any proposed compromise with respect to such litigation or governmental proceeding) in which it or any of its Subsidiaries is involved and which would likely, if determined adversely, materially and adversely affect the Company or any of its Subsidiaries;

c. notification in writing of the existence of any default under any material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which any of their assets are bound which would likely materially and adversely affect the Company or any of its Subsidiaries;

f. upon request, any other routinely collected financial or other information available to management of the Company or its Subsidiaries, subject to the preservation of all applicable attorney-client, attorney work product and other privileges.

4. VCOC. The rights granted to Apollo Life Re Ltd. and AAA Guarantor – Athene L.P. (in their respective capacities as an Apollo Shareholder) by the Company in this Letter Agreement are intended to satisfy the requirement of management rights for purposes of qualifying Apollo Life Re Ltd.'s and AAA Guarantor – Athene L.P.'s investments in the Company as "venture capital investments" for purposes of the Department of Labor "plan assets" regulation, 29 C.F.R. § 2510.3-101. In the event these rights are not satisfactory for such purpose, the Company, Apollo Life Re Ltd. and AAA Guarantor – Athene L.P. shall reasonably cooperate in good faith to agree upon mutually satisfactory management rights that satisfy such regulations. Furthermore, the rights granted to Apollo Life Re Ltd. and AAA Guarantor – Athene L.P. by the Company in this Letter Agreement are not in substitution for, and shall not be deemed to be in limitation of, any rights otherwise available to Apollo Life Re Ltd. or AAA Guarantor – Athene L.P. as a holder of any securities of the Company. In addition, the Company shall require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to expressly assume and agree to perform this agreement in the same manner and to the same extent that the Company would have been required to perform if no such succession had taken place.

2. It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction, or is otherwise reasonably determined (based on the advice of counsel) to be invalid, prohibited or unenforceable for any reason, such provision shall be ineffective, null and void and all actions previously taken pursuant to such provision shall be rescinded, without invalidating the remaining provisions of this Letter Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Letter Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

3. This Letter Agreement shall be governed by and construed in accordance with the laws of the State of New York without giving effect to any law or rule that would cause the laws of any jurisdiction other than the State of New York to be applied.

ANY ACTION OR PROCEEDING AGAINST THE PARTIES RELATING IN ANY WAY TO THIS LETTER AGREEMENT MAY ONLY BE BROUGHT AND ENFORCED IN EITHER THE COURTS OF BERMUDA OR THE COURTS OF THE STATE OF NEW YORK LOCATED IN NEW YORK COUNTY OR THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF THE STATE OF NEW YORK, AND THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF SUCH COURTS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING. THE PARTIES HERETO AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENTERED IN AND ENFORCED IN ANY COURT HAVING JURISDICTION THEREOF.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, CLAIM OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS LETTER AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

4. Any person not a party hereto but who is or may become an "Apollo Shareholder" shall be considered a third party beneficiary of this Letter Agreement.

5. This Letter Agreement may only be amended by an instrument in writing signed by the parties hereto.

6. The parties hereto may execute this Letter Agreement in one or more counterparts, each of which constitutes an original copy of this Letter Agreement and all of which, collectively, constitute one agreement.

Please Acknowledge your agreement with respect to the foregoing by signing below.

Ladies and Gentlemen:

In connection with an investment by Stanhope Investments (the "Investor") in Athene Holding Ltd., a Bermuda exempted company limited by shares (the "Company"), and as an inducement for investment by the Investor in the Company (the "Investment"), the Company has agreed to provide the Investor with this letter agreement (the "Letter Agreement"). The Investor is, contemporaneously herewith, subscribing for an interest in the Company in a private placement (the "Private Placement"), pursuant to the Sixth Amended and Restated Shareholders Agreement of the Company, as amended from time to time (the "Shareholders Agreement"), and, assuming satisfaction of the conditions contained in the subscription agreement executed by the Investor (the "Subscription Agreement") and acceptance thereof, will become a Shareholder.

Stanhope Life, L.P. ("Stanhope Life I") and Stanhope Life II, L.P. ("Stanhope Life II") and collectively with Stanhope Life I, the "Stanhope LPs", in which Investor is a partner, are currently Shareholders in the Company and are entering into this Letter Agreement with the Company in connection with the Private Placement to reflect and update their prior understandings regarding their investments in the Company. The Investor and the Stanhope LPs are collectively referred to as the "Stanhope Group".

Terms appearing with initial capitals in this Letter Agreement shall have the meanings assigned to them in the Shareholders Agreement or Subscription Agreement, as applicable, unless such terms are otherwise defined in this Letter Agreement or the use of initial capitals is conventional in its context.

This Letter Agreement shall evidence our understanding as follows:

1. **Most Favoured Nations.** If the Company or any of its affiliates (a) enters into any side letter, subscription agreement (which contains additional agreements) and/or any other letter agreement or similar agreement (a “Side Letter Agreement”) with any future or current direct or indirect investor in the Company whose aggregate (together with those of its affiliates) investment and commitment to subscribe for additional common shares in the Company equals or is less than the Stanhope Group, such Side Letter was provided in consideration of an investment in the Company and which Side Letter Agreement establishes rights or benefits in favour of such investor that are more favourable in any material respect to such investor than the rights or benefits established in favour of the Stanhope Group, or (b) grants a waiver or modification of certain investment terms to an investor in the Company for common shares, that in each case has the effect of establishing rights or benefits in favour of such investor that are more favourable in any material respect to such investor (in its capacity as an investor in the Company) than the rights or benefits established in favour of the Stanhope Group, then in the case of either clause (a) or (b), the Company shall, or shall procure that its affiliate shall offer to the Stanhope Group (the “MFN Offer”) the opportunity to elect to receive such rights or benefits established by such Side Letter Agreement (subject to the conditions, qualifications, restrictions and limitations related to such rights or benefits set forth in or implied by such Side Letter Agreement) and in connection with such MFN Offer, the Company or its affiliate shall provide a reasonably detailed description (without disclosing the identity of such investor) of the relevant Side Letter Agreements or other relevant documents to the Stanhope Group. Provided, however, that the Company shall have no obligation to make any MFN Offer to the Stanhope Group (a) that has been granted to such other investor because such other investor is subject to any law, rule or regulation to which the Investor is not subject, (b) that has been granted in connection with a strategic transaction the purpose of which is not primarily related to the raising of capital to fund the Company’s existing business (e.g., such as acquisitions of businesses or assets for shares in the Company), (c) that has been granted to any investor in the Shareholders Agreement, the Registration Rights Agreement or the Bye-laws, (d) that has been granted to Apollo Global Management, LLC (“AGM”), any of its affiliates or any directors, officers, or full-time employees of the Company and its affiliates, (e) that is not specific to a direct or indirect investment in common shares of the Company (e.g., a right granted by AGM to an investor in an investment fund or managed account that relate to a portfolio of investments, even if one investment in the portfolio is common shares of the Company), or (f) that if given to the Stanhope Group would adversely affect, in any material respect, the tax or regulatory position of the Company or its security holders. The Investor, acting for the Stanhope Group, shall have thirty (30) days from the receipt of the MFN Offer to respond and elect to accept such additional rights and benefits.

2. **Investment Condition.** The Company acknowledges and agrees that the Investor’s aggregate \$120 million Total Commitment and its \$24 million Initial Payment Amount indicated on the Investor’s signature page to the Subscription Agreement is conditional on the Company raising at or prior to the closing relating to the Initial Payment Amount a total amount of capital that is no less than US\$500 million.

3. **25% Commitment Threshold.** The Company acknowledges and agrees that, in accordance with the Investor's policy, notwithstanding the (i) aggregate \$120 million Commitment indicated on the Investor's signature page to the Subscription Agreement, (ii) the Investor's Commitment as of the Initial Payment Amount Date (as defined in the Subscription Agreement), (iii) Stanhope Life I's Total Commitment indicated on the Stanhope Life I's signature page to the Stanhope Subscription Agreement No. 1 (as defined below at Section 15), (iv) Stanhope Life II's Total Commitment indicated on the Stanhope Life II's signature page to the Stanhope Subscription Agreement No. 2 (as defined below at Section 15), and (v) each subsequent Capital Call, the aggregate total of the foregoing cannot exceed 25% of the aggregate targeted total Commitments to the Company in the Private Placement. Accordingly, the Company agrees that at the date the Investor is admitted as a Shareholder, the Investor's Commitment shall be an amount equal to the lesser of (a) the aggregate total of the amounts indicated in the foregoing items (i) to (v) (inclusive) and (b) 25% of the aggregate total Commitments to the Company as of the date of such admission (as adjusted to take account for the effect of this provision). The Company agrees, at each subsequent closing for each Capital Call, to adjust (whether by an increase or a decrease) as may be necessary the Investor's Commitment to an amount consistent with the formula set forth in the preceding sentence.

4. **Investor Information.** The Company confirms that none of the Investor, its sole shareholder, or an Affiliate of the Investor, will be required to provide any financial statements to the Company or its lenders in connection with any borrowing by the Company or its Subsidiaries. The Company further confirms that the Investor's sole shareholder will not provide any parent guarantee with respect to such borrowing.

5. **Capital Contributions.** Subject to [Section 3](#) hereof, the Company confirms that the Investor will not be required to contribute any funds in excess of the Investor's Capital Commitment to the Company as set forth in the Investor's Subscription Agreement without its consent.

6. **Auditors.** The Company will immediately notify the Investor in writing if it changes auditors.

7. **In Specie Distributions.** The Company undertakes that distributions made to any member of the Stanhope Group by the Company will only be made in cash (other than any stock dividends, stock splits, share reclassifications, share recombinations or other pro rata recapitalizations of the common shares of the Company). Accordingly, any other securities to be distributed in kind to the account of the Investor will be disposed of by the Company prior to such distribution and the proceeds from such disposition shall be distributed to Investor in lieu thereof, and in connection therewith, the Company shall use all reasonable efforts to achieve the best possible price for the benefit of the Investor. The Investor shall be responsible for the costs related to the disposition of such assets.

8. **Notices.** Notwithstanding anything to the contrary in the Shareholders Agreement or the Subscription Agreement, the Company agrees to provide the Investor via email to ss@adcouncil.ae with a copy of notices otherwise sent to the Investor in hard

Execution

copy (whether by mail, registered mail or any other delivery service) or by facsimile transmission. The Company agrees that all notices and reports sent to the Stanhope Group pursuant to the Shareholders Agreement or the Subscription Agreement, or pursuant to any other documents delivered by the Company in connection with the Stanhope Group's investment in the Company, shall be made available in either downloadable or printable format.

9. Use of Name. The Company and any of its affiliates shall not, without the prior written consent of the Investor, (a) use, whether orally or in writing, in advertising, publicity or otherwise the name, address or other identifying information of the Investor, the parent or any affiliate of the Investor or any derivative thereof, or any director, officer or employee of the Investor or its parent or its affiliates, nor any trade name, trademark, trade device, service mark or symbol owned by the Investor or its parent or its affiliates, (b) represent, directly or indirectly, that any product or any service provided by the Company or any of its affiliates has been approved or endorsed by the Investor or any of its parent or its affiliates, or (c) disclose, whether orally or in writing, any relationship with the Investor using the Investor's or its parent's or any affiliate's name, for any reason. Notwithstanding the foregoing, the Company may make any disclosure that (i) is required by law, regulation or legal process (including pursuant to any applicable listing or exchange rules) provided that the Company shall undertake to notify the Investor in advance and in writing that it is subject to such a requirement to the extent such prior notification is reasonably practicable, or (ii) is required or contemplated by the terms of the Shareholders Agreement regarding the Investor's status as a Shareholder.

10. Commissions. The Company hereby represents and warrants to the Investor that none of the Company and any of its affiliates, or any officer, director, employee, agent or representative of any of the foregoing has directly or indirectly paid (or will directly or indirectly pay) any brokerage commission, finder's, arranger's or placement agent's fee, or any other amount of whatever nature or kind, or has directly or indirectly provided (or will directly or indirectly provide) any other benefit (whether monetary or otherwise), to any person (including the Investor or its officers or employees) in connection with the investment by the Investor in the Company, except as fully disclosed in writing to, and consented to by, the Investor prior to the closing of the investment by the Investor in the Company. Notwithstanding anything else herein, the Company confirms that none of the Company and any of its affiliates, or any officer, director, employee, agent or representative of any of the foregoing has directly or indirectly paid any brokerage commission, finder's, arranger's or placement agent's fee, or any other amount of whatever nature or kind in connection with the investment by the Investor in the Company. The Company hereby represents and warrants to the Investor that no management or incentive fees are payable by the Stanhope Group with respect to any of the securities being purchased pursuant to the Private Placement.

11. Executed Copies. The Company shall cause to be prepared and couriered to the Investor, with a copy by email to the address set forth above, within fifteen (15) days after the closing pertaining to the Investor, original copies of the executed Shareholders Agreement and Subscription Agreement, if applicable, this Letter Agreement and a trade confirmation or similar documentation confirming the Investor's investment in the Company. The Company shall provide the Investor's legal counsel at jgladis@pattonboggs.com with an electronic copy of such executed documents.

12. **Business Days.** The Company agrees that, because Friday is not a business day in Abu Dhabi and this differs from Business Days as defined in the Shareholders Agreement, the Subscription Agreement, the Registration Rights Agreement and any other agreement in connection with the Private Placement, for any notice period less than ten (10) Business Days which includes a Friday, the Investor shall be given an extra Business Day to comply with the provision to which such notice period relates.

In addition, any such withdrawn registration shall not be considered to be a requested Demand Registration by such Demanding Holder for purposes of Section 2(a) if the Company shall have been reimbursed (in the absence of any agreement to the contrary, pro rata by the Demanding Holders) for all out-of-pocket expenses incurred by the Company in connection with such withdrawn registration (although, notwithstanding any reimbursement, such withdrawn registration shall be considered as a Demand Registration for purposes of the aggregate limitations set forth in Section 2(b)(i), other than with respect to any Demanding Holder holding (together with its Affiliates) greater than ten percent (10%) of the Company's then-issued and outstanding Effective Shares who, to the extent such Demanding Holder has not requested a Demand Registration for such twelve (12) month period, shall be entitled to one additional Demand Registration for such twelve (12) month period).

Section 3. Piggyback Registration.

(a) If the Company at any time proposes for any reason to register Primary Shares or Other Shares under the Securities Act (other than on Form S-4 or Form S-8 promulgated under the Securities Act (or any successor forms thereto)), it shall give written notice to each holder of Registrable Shares of its intention to so register such Primary Shares or Other Shares (a "Registration Notice") at least fifteen (15) days before the initial filing of the registration statement related thereto and, upon the written request, delivered to the Company within ten (10) days after delivery of a Registration Notice by the Company, of the holders of Registrable Shares to include in such registration Registrable Shares (which written request shall specify the number of Registrable Shares proposed to be included in such registration by such holder), the Company shall include all such Registrable Shares that are requested by such holders to be included in such registration on the same terms and conditions as the securities otherwise being sold in such registration; provided, however, that (x) with respect to the IPO and any Follow-On Offering, the Board, in its discretion, shall have the right to exclude all holders of Registrable Shares from participating in such IPO or Follow-On Offering (as applicable) or limit the participation by such holders of Registrable Shares to a specified percentage of their respective Registrable Shares and (y) with respect to any registration, if the managing underwriter advises the Company that the inclusion of all Registrable Shares requested by Shareholders to be included in such registration would interfere with the successful marketing (including pricing) of the Primary Shares or Other Shares proposed to be registered by the Company, then the number of Primary Shares, Investor Shares, Management Shares and Other Shares proposed to be included in such registration shall be included in the following order:

(i) first, the Primary Shares;

(ii) second, the Investor Shares that are not subject to (or in relation to which the relevant party has waived) the Lock-up, any Underwriter Lock-up or any Subsequent Lock-up (or, if necessary, such Investor Shares pro rata among the holders thereof based upon the number of Investor Shares requested to be registered by each such Investor Shareholder);

(iii) third, the Management Shares (or, if necessary, such Management Shares pro rata among the holders thereof based upon the number of Management Shares requested to be registered by each such holder); and

(iv) fourth, the Other Shares;

except a number of Management Shares equal to the total number of Management Shares requested to be registered multiplied by a fraction, the numerator of which shall be the number of Investor Shares requested to be registered and the denominator of which shall equal the total number of Investor Shares owned by the Investor Shareholders immediately prior to the planned registration, shall be deemed to be included as "Investor Shares" under this Section 3(a). In the event that the managing underwriter advises the Company that the inclusion of all of the Investor Shares and the Management Shares deemed to be Investor Shares under this Section 3(a) requested to be included in such registration would interfere with the successful marketing (including pricing) of the shares to be included in the registration, then the number of Investor Shares and the number of Management Shares to be registered shall be cutback pro rata in accordance with the percentages that the Investor Shares and the Management Shares each represent of the total number of shares sought to be registered.

(b) In the event any Investor Shareholder exercises its rights pursuant to this Agreement to register any portion of the Investor Shares (other than pursuant to Section 3(a) above), the Company shall give written notice to each Management Shareholder of such Investor Shareholder's intention to so register such Investor Shares and, upon the request of one or more Management Shareholders, such Management Shareholder(s) shall be entitled to include in such registration a number of the Management Shares (provided that, with respect to each such Management Shareholder, the maximum number of Management Shares included in such registration by such Management Shareholder shall not exceed, with respect to each Management Shareholder, the product of (x) a percentage equal to such Management Shareholder's ownership percentage of the Company relative to the Investor Shareholders' aggregate ownership percentage and (y) the number of Investor Shares participating in such registration relative to all outstanding Investor Shares). Each Management Shareholder exercising the foregoing participation right shall provide written notice thereof to the Company, which notice shall (i) be delivered to the Company within seven (7) days after delivery of the Company's notice of such registration, and (ii) specify the number of Management Shares proposed to be included in such registration (not to exceed the maximum participation amount above). The Company shall use its reasonable best efforts to cause such number of Management Shares to be included in such registration on the same terms and conditions as the securities otherwise being sold in such registration; provided, however, that if the managing underwriter advises the Company that the inclusion of such number of Management Shares requested to be included in such registration would interfere with the successful marketing (including pricing) of the Primary Shares, Investor Shares or Other Shares proposed to be registered by the Company, then the number of Primary Shares, Investor Shares, Management Shares and Other Shares proposed to be included in such registration shall be included in the order set forth in Section 2(b), except a number of Management Shares equal to the total number of Management Shares requested to be registered multiplied by a fraction, the numerator of which shall be the number of Investor Shares requested to be registered and the denominator of which shall equal the total number of Investor Shares owned by the Investor Shareholders immediately prior to the planned

registration, shall be deemed to be included as “Investor Shares” under Section 2(b). In the event that the managing underwriter advises the Company that the inclusion of all of the Investor Shares and the Management Shares deemed to be Investor Shares under Section 2(b) requested to be included in such registration would interfere with the successful marketing (including pricing) of the shares to be included in the registration, then the number of Investor Shares and the number of Management Shares to be registered shall be cutback pro rata in accordance with the percentages that the Investor Shares and the Management Shares each represent of the total number of shares sought to be registered.

Section 4. IPO Sales and Drag Along Rights

(a) In the event the Investor Shareholders are permitted by the Company to participate in the IPO (which Investor Shareholders shall refer to all Investor Shareholders as a group other than those Investor Shareholders subject to Sections 6(f)-(i) hereof), and the managing underwriter advises the Company that the aggregate number of Registrable Shares requested to be included in such offering by the Investor Shareholders would interfere with the successful marketing (including pricing) of the Primary Shares proposed to be included in the IPO, then the number of Primary Shares, Investor Shares, Management Shares and Other Shares proposed to be included in the IPO shall be included in the following order:

(i) first, the Primary Shares;

(ii) second, the Investor Shares (or, if necessary, such Investor Shares pro rata among the holders thereof based upon the number of Investor Shares requested to be registered by each Investor Shareholder; provided, however, that, if the managing underwriter of the IPO advised the Company that it would be beneficial to the marketing (including pricing) of the IPO or the trading of the Company’s shares following the IPO, any or all of the Investor Shares held by AAA Guarantor-Athene, L.P. or Apollo Life Re Ltd. (along with any of their respective successors assignees or transferees, the “AAA Entities”) (collectively, the “AAA Company Shares”) shall be permitted to be included in the IPO prior to including any other Investor Shares;

(iii) third, the Management Shares (or, if necessary, such Management Shares pro rata among the holders thereof based on the number of Management Shares requested to be registered by each such holder); and

(iv) fourth, the Other Shares.

(b) In connection with the IPO, in the event that the aggregate number of Investor Shares requested to be included in the IPO by the Investor Shareholders, when combined with the Primary Shares and Other Shares proposed to be registered in the IPO by the Company (as determined by the Board) and the Management Shares requested to be included in the IPO by Management Shareholders, is less than the total number of Common Shares the managing underwriter advises the Company is advisable to offer for sale in the IPO (such deficit, the “IPO Shortfall”), the Company may notify Investor Shareholders of such and provide Investor Shareholders with the opportunity voluntarily to include Investor Shares in the IPO to eliminate the IPO Shortfall. In the event that (i) an insufficient number of Investor Shares are volunteered

ATHENE HOLDING LTD. – REGISTRATION RIGHTS AGREEMENT

by Investor Shareholders for inclusion in the IPO to eliminate the IPO Shortfall and (ii) the 15% IRR Condition has been satisfied, the Company shall have the right, subject to Sections 6(f)-(h), to further reduce or eliminate such IPO Shortfall by causing to be included in the IPO up to fifteen percent (15%) of an Investor Shareholder's Investor Shares (the "IPO Share Cap"). If such 15% IRR Condition has been satisfied, the Company may cause any number of Investor Shares, up to such Investor Shareholder's IPO Share Cap, to be included in the IPO until such time as all Investor Shareholders have the same percentage of their Investor Shares included in the IPO, and thereafter the Company shall cause any additional Investor Shares to be included in the IPO on a pro rata basis among all Investor Shareholders, subject in all cases to their respective IPO Share Caps. Any Investor Shareholder that has voluntarily offered by notice in writing to the Company to include any or all of its Investor Shares in the IPO upon notice of the IPO Shortfall shall for every such Investor Share so voluntarily included and sold in the IPO be entitled to have an equal number of his, her, or its Investor Shares excluded from the Lock-up Period beginning on the first Lock-up Expiration Date (each such excluded Investor Share, an "Excluded Share").

(c) In connection with any Follow-On Offering, in the event that the aggregate number of Investor Shares requested to be included in such Follow-On Offering by the Investor Shareholders, when combined with the Primary Shares and Other Shares proposed to be registered in such Follow-On Offering by the Company (as determined by the Board) and the Management Shares requested to be included in the Follow-On Offering by Management Shareholders, is less than the total number of Common Shares the managing underwriter advises the Company is advisable to offer for sale in such Follow-On Offering (such deficit, a "Follow-On Shortfall"), the Company may notify Investor Shareholders of such and provide Investor Shareholders with the opportunity voluntarily to include Investor Shares in such Follow-On Offering to eliminate the Follow-On Shortfall. In the event that (i) an insufficient number of Investor Shares are volunteered by Investor Shareholders for inclusion in such Follow-On Offering to eliminate the Follow-On Shortfall and (ii) the 20% IRR Condition has been satisfied, the Company shall have the right, subject to Section 6(f)-(h), to further reduce or eliminate such Follow-On Shortfall by causing Investor Shares to be included in such Follow-On Offering; provided, however, the Company shall not have the right to cause to be included in aggregate greater than 50% of any Investor Shareholder's Remaining Shares in all Follow-On Offerings (the "Follow-On Share Cap"). If such 20% IRR Condition has been satisfied at the time of any Follow-On Offering, the Company may cause any number of Investor Shares, up to such Investor Shareholder's Follow-On Share Cap, to be included in such Follow-On Offering until such time as all Investor Shareholders have the same percentage of their Investor Shares included in such Follow-On Offering, and thereafter the Company shall cause any additional Investor Shares to be included in such Follow-On Offering on a pro rata basis among all Investor Shareholders, subject in all cases to their respective Follow-On Share Caps. Each Investor Share sold by an Investor Shareholder in any Follow-On Offering (whether at the request of such Investor Shareholder or as caused by the Company pursuant to this Section 4(c)), shall reduce on a one-for-one basis the number of Remaining Shares of such Investor Shareholder eligible to be released from the Lock-up at the Lock-up Expiration Date immediately succeeding the completion of such Follow-On Offering; provided, that if the number of Investor Shares sold by any Investor Shareholder in such Follow-On Offering exceeds the number of Investor Shares of such Investor Shareholder to be released from the Lock-up at the immediately succeeding Lock-up Expiration Date, then the excess of such Investor Shares shall be released from the next

succeeding Lock-up Expiration Date. Any remaining Investor Shares held by any Investor Shareholder whose Investor Shares were included in a Follow-On Offering shall continue to be subject to any applicable Underwriter Lock-up related to such Follow-On Offering subsequent to the immediately succeeding Lock-up Expiration Date.

Section 5. Registrations on Form S-3.

All expenses incurred by the Company, the Investor Shareholders and the Management Shareholders pursuant to this Agreement, including, without limitation, (a) all registration and filing fees, and any other fees and expenses associated with filing fees, and any other fees and expenses associated with filings required to be made with any stock exchange, the Commission and FINRA (including, if applicable, the fees and expenses of any “qualified independent underwriter” and its counsel as may be required by the rules and regulations of FINRA); (b) all fees and expenses of compliance with state securities or “blue sky” laws (including fees and disbursements of counsel for the underwriters or the Holders in connection with “blue sky” qualifications of the Registrable Shares and determination of their eligibility for investment under the laws of such jurisdictions as the managing underwriters may designate); (c) all printing and related messenger and delivery expenses (including expenses of printing certificates for the Registrable Shares in a form eligible for deposit with The Depository Trust Company) and of printing prospectuses, all fees and disbursements of all independent certified public accountants of the Company (including the expenses of any special audit and “cold comfort” letters required by or incident to such performance); (d) Securities Act liability insurance if the Company so desires; (e) all fees and expenses incurred in connection with the listing of Registrable Shares on any securities exchange and all rating agency fees; (f) all reasonable fees and disbursements of one lead counsel (and special and local counsel as required) to the holders of Registrable Shares to represent such Persons in connection with such registration, which counsel shall be selected by the Majority Demanding Holders; (g) all fees and disbursements of underwriters customarily paid by an issuer, excluding underwriting discounts and commissions and fees and disbursements of counsel to the underwriters (other than such fees and disbursements incurred in connection with any registration or qualification of Registrable Shares under the securities or “blue sky” laws of any state); (h) reasonable fees and expenses of outside counsel and advisors to the Company; (i) all fees and expenses of any special experts or other Persons retained by the Company in connection with any Registration; (j) all expenses of the Company related to the “road-show” for any underwritten public offering of Primary Shares or Registrable Shares; and (k) any other fees and disbursements customarily paid by the issuers of securities, including all travel, meals and lodging of the Company’s employees and representatives, will be borne by the Company, regardless of whether a registration statement becomes effective.

Section 11. Indemnification.

(a) In connection with any registration of any Registrable Shares under the Securities Act pursuant to this Agreement, the Company shall indemnify and hold harmless the holders of Registrable Shares, each of such holder’s officers, directors, employees, members, partners, and advisors and their respective Affiliates, each underwriter, broker or any other person acting on behalf of the holders of Registrable Shares and each other Person, if any, who controls any of the foregoing Persons within the meaning of the Securities Act against any losses, claims, damages, liabilities, expenses (including reasonable costs of investigation and legal expenses) or actions joint or several (or actions in respect thereof), to which any of the foregoing persons may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or allegedly untrue statement of a material fact contained in the registration statement under which

ATHENE HOLDING LTD. – REGISTRATION RIGHTS AGREEMENT

such Registrable Shares were registered under the Securities Act, any preliminary prospectus, Issuer Free Writing Prospectus, or final prospectus contained therein or otherwise filed with the Commission, any amendment or supplement thereto or any document incident to registration or qualification of any Registrable Shares, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading or, with respect to any prospectus, necessary to make the statements therein in light of the circumstances under which they were made not misleading, or any violation by the Company of the Securities Act or state securities or blue sky laws applicable to the Company or relating to action or inaction required of the Company in connection with such registration or qualification under such state securities or blue sky laws; and shall promptly reimburse such Persons for any legal or other expenses reasonably incurred by any of them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability or action (including any legal or other expenses incurred) arises out of or is based upon a materially untrue statement or omission made in said registration statement, preliminary prospectus, Issuer Free Writing Prospectus, final prospectus, amendment, supplement or document incident to registration or qualification of any Registrable Shares in reliance upon and in conformity with written information furnished to the Company by the holders of Registrable Shares specifically for use in the preparation thereof; provided, further, that the indemnification shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld); provided, further, the Company shall not be liable to any underwriter to the extent that any such loss, claim, damage, liability or action (including any legal or other expenses incurred) arises out of or is based upon an untrue statement or omission made in said preliminary prospectus if the final prospectus shall correct such untrue statement or alleged untrue statement, or such omission or alleged omission, and a copy of the final prospectus has not been sent or given to the relevant person at or prior to the confirmation of sale to such person if such underwriter was under an obligation to deliver such final prospectus and failed to do so.

(b) In connection with any registration of Registrable Shares under the Securities Act pursuant to this Agreement, to the extent permitted by applicable law, each holder of Registrable Shares shall severally (based on the percentage of the securities included in such registration that were owned by such holder) and not jointly and severally indemnify and hold harmless (in the same manner and to the same extent as set forth in Section 11(a)) the Company, each director of the Company, each officer of the Company who shall sign such registration statement, each underwriter, broker or other person acting on behalf of the holders of Registrable Shares and each person who controls any of the foregoing persons within the meaning of the Securities Act with respect to any, in each case, to the extent (and only to the extent) that such violation occurs in reliance upon and in conformity with written information furnished to the Company or such underwriter by such holder of Registrable Shares specifically for use in connection with the preparation of such registration statement, preliminary prospectus, Issuer Free Writing Prospectus, final prospectus, amendment, supplement or document; provided, however, that the maximum amount of liability in respect of such indemnification shall be limited, in the case of each holder of Registrable Shares, to an amount equal to the gross proceeds actually received by such holder from the sale of Registrable Shares effected pursuant to such registration.

ATHENE HOLDING LTD. – REGISTRATION RIGHTS AGREEMENT

(c) Promptly after receipt by an indemnified party of notice of the commencement of any action, suit, proceeding, investigation or threat thereof made in writing involving a claim referred to in this Section 11, such indemnified party will, if a claim in respect thereof is made against an indemnifying party, give written notice to the latter of the commencement of such action, suit, proceeding, investigation or threat. The failure of any indemnified party to notify an indemnifying party of any such action shall not (unless such failure shall have a material adverse effect on the indemnifying party) relieve the indemnifying party from any liability in respect of such action that it may have to such indemnified party hereunder. In case any such action is brought against an indemnified party, the indemnifying party will be entitled to participate in and to assume the defense thereof, jointly with any other indemnifying party similarly notified to the extent that it may wish, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be responsible for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof; provided, however, that if representation of the indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding, the indemnified party shall have the right to retain its own counsel and the indemnifying party shall reimburse such indemnified party and any Person controlling such indemnified party for that portion of the fees and expenses of any counsel retained by the indemnified party which is reasonably related to the matters covered by the indemnity agreement provided hereunder. If the indemnifying party is not entitled to, or elects not to, assume the defense of a claim, it will not be obligated to pay the fees and expenses of more than one lead counsel (plus appropriate local and special counsel) to represent the indemnified party with respect to such claim.

(d) If the indemnification provided for hereunder is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, claim, damage, liability or action referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amounts paid or payable by such indemnified party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which resulted in such loss, claim, damage, liability or action as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties agree that it would not be just and equitable if contribution pursuant hereto were determined by pro rata allocation or by any other method or allocation which does not take account of the equitable considerations referred to herein. No person guilty or liable of fraudulent misrepresentation shall be entitled to contribution from any person.

Section 12. Underwriting Agreement.

(a) Notwithstanding any provisions of this Agreement, to the extent that in connection with a proposed sale of Registrable Shares which have been registered with the

ATHENE HOLDING LTD. – REGISTRATION RIGHTS AGREEMENT

Commission pursuant to this Agreement, the holders of Registrable Shares shall enter into an underwriting agreement or similar agreement that contains customary provisions covering one or more issues addressed in such Sections of this Agreement, the provisions contained in such Sections of this Agreement addressing such issue or issues shall be of no force or effect with respect to such registration, but this provision shall not apply to the Company if the Company is not a party to the underwriting agreement or similar agreement.

(b) In connection with any proposed sale through an underwritten offering of Registrable Shares which have been registered with the Commission pursuant to this Agreement through an underwritten offering, the Company shall negotiate in good faith and enter into a reasonable and customary underwriting agreement with the underwriters thereof. The Company shall be entitled to receive customary indemnities from lead underwriters, selling brokers, dealer managers and similar security industry professionals participating in the distribution, to the same extent as provided above with respect to the information so furnished in writing by such Persons specifically for inclusion in any prospectus or registration statement.

(c) No underwriting agreement (or other agreement in connection with a proposed sale of Registrable Shares) shall require any holder of Registrable Shares to make any representations or warranties to or agreements with the Company or the underwriters other than representations, warranties or agreements regarding such holder, the ownership of such holder's Registrable Shares and such holder's intended method or methods of disposition and any other representation required by law or to furnish any indemnity to any Person which is broader than the indemnity furnished by such holder hereunder unless, in each case and to the extent a holder is allowed by applicable law, the Majority Demanding Holders have agreed to such representations, warranties or other agreements, in which case, such additional representations, warranties and other agreements shall be limited in scope to the additional representations, warranties and other agreements that the Majority Demanding Holders agree to provide.

Section 13. Information by Holder.

Each Shareholder shall furnish to the Company such written information regarding such Person and the distribution proposed by any holder of Registrable Shares as the Company may reasonably request in writing and as shall be reasonably required in connection with any registration referred to in this Agreement.

Section 14. Exchange Act Compliance.

From the Registration Date or such earlier date as a registration statement filed by the Company pursuant to the Exchange Act relating to any class of the Company's securities shall have become effective, the Company shall comply with all of the reporting requirements of the Exchange Act applicable to it and shall comply with all other public information reporting requirements of the Commission which are conditions to the availability of Rule 144. The Company shall cooperate with the parties to this Agreement in supplying such information as may be necessary such Persons to complete and file any information reporting forms presently or hereafter required by the Commission as a condition to the availability of Rule 144.

ATHENE HOLDING LTD. – REGISTRATION RIGHTS AGREEMENT

Section 15. No Conflict of Rights: Future Rights.

The Company shall not, after the date hereof, grant any registration rights which conflict with or impair the rights granted to the Investor Shareholders hereby, provided that, notwithstanding the foregoing, the addition of any Other Shareholder (as defined in the Shareholders Agreement) as a party to this Agreement shall not be deemed a grant of registration rights which conflicts with or impairs the rights granted to the Investor Shareholders hereby. If at any time following the date hereof, the Company shall grant to any present or future shareholder of the Company rights to in any manner cause or participate in any registration statement of the Company that, in the judgment of the Investor Shareholders, are superior to or conflict with the rights granted to the Investor Shareholders hereby, such grant shall be null, void and ultra vires.

Section 16. Termination.

This Agreement shall terminate and be of no further force or effect with respect to any Shareholder that is a party hereto upon the later of (i) the expiration of the Lock-up applicable to all of such Shareholder's Effective Shares pursuant to Section 6 hereof and (ii) such Shareholder ceasing to hold Registrable Shares.

Section 17. Benefits of Agreement; Third Party Beneficiaries

Except as provided herein, this Agreement shall bind and inure to the benefit of the Company, the Investor Shareholders, the Management Shareholders and subject to Section 18, the respective successors and assigns of the Company and the Investor Shareholders.

Section 18. Assignment.

Each Shareholder may assign its rights hereunder to any purchaser or transferee of Registrable Shares; provided, however, that such purchaser or transferee shall, as a condition to the effectiveness of such assignment, be required to execute a counterpart to this Agreement agreeing to be treated as a holder of Registrable Shares whereupon such purchaser or transferee shall have the benefits of, and shall be subject to the restrictions contained in, this Agreement as if such purchaser or transferee was originally been a party hereto. The Company may not assign any rights hereunder without the consent of the holders of a majority of the Registrable Shares.

Section 19. Entire Agreement.

This Agreement, and the other writings referred to herein or delivered pursuant hereto, contain the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous arrangements or understandings with respect thereto, including the Prior Registration Rights Agreement.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

Section 25. Severability.

It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the law and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, in the event that any provision of this Agreement would be held in any jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

(iii) At the consummation of the First Tender Offer, in connection with the exchange of NCV Units with respect to the holders of the Common Units that have elected to participate in the First Tender Offer, the Partnership shall transfer (or cause other members of the Partnership Group to transfer) to the New Carry Vehicle a number of Athene Shares equal to the Participation Percentage

multiplied by the number of Net Pre-Fee Athene Shares (it being understood that the Athene Shares transferred to the New Carry Vehicle shall be comprised of a ratable portion of Excluded Athene Shares and Specified Athene Shares), and the New Carry Vehicle will enter into a lock-up agreement with Athene on the same terms and conditions as the lock-up agreement to which the members of the Partnership Group are then party.

(iv) The limited partnership agreement (or equivalent organizational document) for the New Carry Vehicle shall provide that (A) the NCV Units shall be subject to customary transfer restrictions for a privately-owned limited partnership and (B) the NCV GP (or its nominee) will earn carried interest on any Specified Athene Shares held by the New Carry Vehicle, arising on the date such Specified Athene Shares are distributed or otherwise transferred to a holder of NCV Units by the New Carry Vehicle or sold by the New Carry Vehicle, and the terms of such carry arrangement will provide for carry to be paid only on the gain in excess of the Partnership's cost basis in such Specified Athene Shares plus an allocable portion of the Management Fees (as defined in the Services Agreement) paid to the Service Provider with respect to such Specified Athene Shares since November 1, 2012, and shall also provide for an 8% per annum hurdle accruing from November 1, 2012 with a full catch-up for the NCV GP (or its nominee) and then a 20% carry for the NCV GP.

(v) The New Carry Vehicle will commit to make tender offers (each, a "Subsequent Tender Offer") on the terms and conditions set forth below at least two times per year with the first such Subsequent Tender Offer being made no later than promptly following the date that is fifteen (15) months following the consummation of the Athene IPO, subject, in each case, to applicable laws, regulations, listing rules and any limitations set forth in any registration rights agreement entered into with Athene that may delay the New Carry Vehicle's ability to register or transfer the Athene Shares being exchanged in a Subsequent Tender Offer. In each Subsequent Tender Offer, the New Carry Vehicle shall offer to purchase all of the outstanding NCV Units and pay the consideration for such purchase with Athene Shares (with such Athene Shares being freely-tradable thereafter by Persons who are not affiliates of Athene and who are not subject to any contractual lock-up agreement in respect of such Athene Shares, including any lock-up contained in any registration rights agreement entered into with Athene). In connection with each Subsequent Tender Offer, the holders of NCV Units shall be entitled to receive, in respect of each NCV Unit, a number of Athene Shares equal to (a) the number of NCV Athene Shares, divided by (b) the number of NCV Units then outstanding. Immediately prior to the first Subsequent Tender Offer, the New Carry Vehicle will issue to the NCV GP one NCV Unit for a purchase price equal to the fair market value thereof and the NCV GP shall not tender such NCV Unit in any Subsequent Tender Offer. Each holder of NCV Units that elects to tender all or a portion of its NCV Units in a Subsequent Tender Offer shall, as promptly as possible, sell all of the Athene Shares acquired in such Subsequent Tender Offer to an unaffiliated person. The Partnership and the New Carry Vehicle may establish reasonable procedures to assure compliance with this requirement.

(vi) The New Carry Vehicle shall commit not to sell any NCV Athene Shares until the earlier of the fifth anniversary of the completion of the First Tender Offer or the date that the New Carry Vehicle holds fewer than 4 million NCV Athene Shares (with such number being equitably adjusted for all stock splits, stock dividends and other pro-rata recapitalizations affecting the same class of Athene Shares as the NCV Athene Shares), unless and to the extent that the New Carry Vehicle is contractually obligated to sell any such NCV Athene Shares pursuant to any agreement entered into with Athene.

(vii) (A) Promptly following (subject to applicable laws, regulations, listing rules and any limitations set forth any registration rights agreement entered into with Athene that may delay the Partnership's ability to register or transfer the applicable Athene Shares) the First Release Date and the consummation of the First Tender Offer (including the Partnership's transfer of Athene Shares to the New Carry Vehicle), the Partnership shall make an In-Kind Share Distribution to each Remaining Holder of its pro rata share of the lesser of (x) the Net Remaining Athene Shares and (y) the Athene Shares held by the Partnership Group with respect to which the Partnership Group is not subject to any contractual lock-up agreement, and (B) thereafter, promptly following (subject to applicable laws, regulations, listing rules and any limitations set forth any registration rights agreement entered into with Athene that may delay the Partnership's ability to register or transfer the applicable Athene Shares) any Additional Release Date, the Partnership shall make an In-Kind Share Distribution to each Remaining Holder of its pro rata share of the lesser of (x) the Net Remaining Athene Shares and (y) the Athene Shares held by the Partnership Group with respect to which the Partnership Group is not subject to any contractual lock-up agreement, in each case, with such Athene Shares being freely-tradable after such In-Kind Share Distribution by Remaining Holders who are not affiliates of Athene and who are not themselves subject to any contractual lock-up agreement in respect of such Net Remaining Athene Shares, including any lock-up contained in any registration rights agreement entered into with Athene.

(viii) The New Carry Vehicle shall not be responsible for the payment of any portion of the Unwind Fee, and effective upon the consummation of the First Tender Offer, the Unwind Fee shall be reduced as provided for in the Services Agreement.

(ix) Effective upon the consummation of the First Tender Offer, the general partner of AAA Investments will only be paid carried interest (the "AAA Investments Carried Interest") on the gain in respect of the Specified Athene Shares retained by the Partnership immediately following the First Tender Offer (but carried interest will be earned in respect of the Specified Athene Shares transferred to the New Carry Vehicle as provided above).

(d) In the event that an Unwind Fee Termination Event occurs, the Minimum Participation Condition is not satisfied, or the First Tender Offer is not required to be consummated for any other reason:

(i) promptly following (subject to applicable laws, regulations, listing rules and any limitations set forth any registration rights agreement entered into with Athene that may delay the Partnership's ability to register or transfer the applicable Athene Shares) the Initial Release Date, the Partnership shall make an In-Kind Share Distribution to each holder of Common Units of its pro rata share of the lesser of (x) the Net Remaining Athene Shares and (y) the Athene Shares held by the Partnership Group with respect to which the Partnership Group is not subject to any contractual lock-up agreement; and

(ii) thereafter, promptly following (subject to applicable laws, regulations, listing rules and any limitations set forth any registration rights agreement entered into with Athene that may delay the Partnership's ability to register or transfer the applicable Athene Shares) any Additional Release Date, the Partnership shall make an In-Kind Share Distribution to each holder of Common Units of its pro rata share of the lesser of (x) the Net Remaining Athene Shares and (y) the Athene Shares held by the Partnership Group with respect to which the Partnership Group is not subject to any contractual lock-up agreement, in each case, with such Athene Shares being freely-tradable after such In-Kind Share Distribution by Persons who are not affiliates of Athene and who are not themselves subject to any contractual lock-up agreement in respect of such Net Remaining Athene Shares, including any lock-up contained in any registration rights agreement entered into with Athene.

(e) For avoidance of doubt, (A) each holder of Common Units shall be deemed to be allocated an indirect interest in a ratable portion of the Excluded Athene Shares and the Specified Athene Shares, (B) each holder of Common Units that elects to tender some but not all of its Common Units in the First Tender Offer shall be deemed to have tendered a pro rata portion of its indirect interest in the Excluded Athene Shares and the Specified Athene Shares, (C) if applicable, each holder of NCV Units shall be deemed to be allocated an indirect interest in a ratable portion of the Excluded Athene Shares and the Specified Athene Shares, (D) if applicable, each holder of NCV Units that elects to tender some but not all of its NCV Units in a Subsequent Tender Offer shall be deemed to have tendered a pro rata portion of its indirect interest in the Excluded Athene Shares and the Specified Athene Shares, (E) if applicable, any Athene Shares sold or distributed by any member of the Partnership Group or NCV Group, as the case may be, shall be deemed to be comprised of a ratable portion of Excluded Athene Shares and Specified Athene Shares, (F) when applicable, the Excluded Athene Shares shall be deemed to be the Athene Shares with an original cost basis of \$13.46 per Athene Share, (G) when applicable, the Specified Athene Shares shall be deemed to be the Athene Shares with an original cost basis of \$10.00 per Athene Share (the "\$10.00 Specified Athene Shares") and \$10.78 per Athene Share (the "\$10.78 Specified Athene Shares"), and any time a Specified Athene Share is sold, distributed-in-kind, exchanged or otherwise transferred by the Partnership Group or the New Carry Vehicle, the Partnership Group or the New

Carry Vehicle, as applicable, shall be deemed to have sold, distributed-in-kind, exchanged or transferred, as the case may be, a pro rata portion of the \$10.00 Specified Athene Shares and the \$10.78 Specified Athene Shares.

(f) The entirety of this Clause 16B shall cease to have effect if either the number of Net Pre-Fee Athene Shares or Net Remaining Athene Shares is zero.”

The following includes the fee streams payable by AP Alternative Assets, L.P. (“AAA”) and Athene Holding Ltd. (“AHL” and together with its subsidiaries, “Athene”) to Apollo Global Management LLC (“AGM” and together with its subsidiaries, “Apollo”), as of February 28, 2014. The information below is a summary of the various fee streams only. The relevant agreements govern the arrangements and are available for review upon request. The information below does not include transactions with portfolio companies in AAA or Athene’s ordinary course of business.

In addition to the fees described herein, AGM, Athene Asset Management, L.P. (“AAM”) and their respective subsidiaries (the “Apollo Fee Parties”) are entitled to certain expense reimbursements, which vary by account and strategy. Further, certain investment funds allow the Apollo Fee Parties to charge customary fees to portfolio companies (such as closing fees and consulting fees) and collect break-up fees from counterparties for broken deals, and certain management fee offset provisions reduce the management fee otherwise payable by a fund to its manager by a portion of such fees. Description of such arrangements may not be included herein.

Reference is made to (i) that certain Contribution Agreement, dated as of October 30, 2012, by and among AHL, AAA, AAA Guarantor –Athene, L.P., and AAA Investments, L.P. (the “Contribution Agreement”) and (ii) AHL’s equity offering which is in process and seeks to raise additional equity capital of approximately \$1.5 billion in order to fund Athene’s continued growth while it remains a private company, which equity raise is expected to have an initial closing on or around March 31, 2014 (the “Private Placement”) at a price of at least \$25.00 per common share of AHL (the actual price at which shares are issued in the Private Placement is hereinafter referred to as the “2014 Issue Price”).

<u>Fee</u>	<u>Description</u>

All the management fees pursuant to the Services Agreement are to be satisfied by AAA’s transfer of shares of AHL (or a derivative equivalent thereof) to the Manager with such shares being valued at the most currently available fair value as determined by AAA in preparation of its financial reports; <u>provided, however</u> if the receipt of Athene shares would be deemed a “purchase” of a “security” under Section 16(b) of the U.S. Securities Exchange Act of 1934, the recipient may elect to receive cash.
	“Adjusted Assets” means (i) Invested Capital less (ii) the sum of (without duplication) (w) capital invested in shares of AHL issued in connection with the Contribution Agreement (other than AHL shares issued to AAA in satisfaction of AAA’s remaining \$42.9 million commitment), (x) any amount paid by AAA for the repurchase of limited partner interests of AAA, (y) an amount equal to the Capital Invested in Apollo Funds, and (z) the Temporary Investments held by AAA plus any cumulative distributable earnings attributable to such Temporary Investments, provided that the foregoing calculation of Adjusted Assets is further adjusted to exclude one-time events pursuant to changes in GAAP and certain non-cash items jointly agreed to by AAA and Apollo.

Procific
122 Mary Street, P.O. Box 709
Grand Cayman, KY1-1107
Cayman Islands
Attention: Directors

Ladies and Gentlemen:

As you are aware, Procific, a Cayman Islands company limited by shares ("Procific"), is a significant interest holder in AP Alternative Assets, L.P. ("AAA") and since the closing (on October 31, 2012) of the transactions contemplated by that certain Contribution Agreement, dated as of October 30, 2012, by and among Athene Holding Ltd. (the "Company"), AAA, AAA Investments, L.P., and AAA Guarantor – Athene, L.P. (the "Contribution Agreement"), AAA's investment in the Company represents all or substantially all of AAA's investment assets. As a result, Procific, which currently has significant capital at risk in connection with AAA, indirectly holds a significant interest in the Company.

The Company believes that Procific's confidence in the business and management of the Company and its involvement as an active and engaged shareholder will be in the best interests of the Company and all of its shareholders and AAA and all of its interest holders. Therefore, after careful consideration, the Company believes that granting Procific the rights as set out in this letter agreement will be the least invasive yet most effective manner in which to benefit the Company and AAA interest holders. The rights granted pursuant to this letter agreement are not transferrable by Procific (other than to certain affiliates) and are not intended to increase the value of Procific's interest in AAA but to enhance the value of the interests of all interest holders in AAA.

Additionally, as you are aware, the Company is contemplating a restructuring of its capital structure, immediately following which the Apollo Group (as defined below) will hold shares in the Company which will have 45% of the total votes attributable to all the shares of the Company then issued and outstanding (the "Restructuring"). For purposes of this letter agreement, "Apollo Group" means (i) Apollo Global Management, LLC ("AGM"), (ii) Apollo Life Re Ltd. and AAA Guarantor – Athene, L.P., (iii) any investment fund or other collective investment vehicle whose general partner or managing member is owned, directly or indirectly, by AGM or by one or more of AGM's subsidiaries and (iv) any affiliate of a person described in clause (i), (ii) or (iii) above; provided, that none of the Company or its subsidiaries, nor any person employed by the Company, its subsidiaries or Athene Asset Management LLC, shall be deemed to be a

member of the Apollo Group. For the avoidance of doubt, any person managed by AGM or by one or more of AGM's subsidiaries pursuant to a managed account agreement (or similar arrangement) without AGM or one or more of AGM's subsidiaries controlling such person as a general partner or managing member shall not be part of the Apollo Group.

1. Amendment of Limited Partnership Agreement of AAA and Shareholders Agreement of Athene

AGM and the Company agree that (i) Sections 16A and 16B of the First Amended and Restated Limited Partnership Agreement of AAA, dated as of December 3, 2010 (as amended on October 31, 2012, the "AAA LPA") shall not be amended in a manner directly or indirectly adverse to Procific, without Procific's consent and (ii) following the adoption of the Fifth Amended and Restated Shareholders Agreement, to be entered into by and among the Company and its shareholders listed on the signature pages thereto or who become a party thereto (the "Shareholders Agreement") in connection with the Restructuring, Sections 3.4 and 3.8 of the Shareholders Agreement shall not be amended in a manner directly or indirectly adverse to Procific, without Procific's consent; provided, in each case, that in the event that such amendment is directly or indirectly adverse to Procific, upon the request of the Company, the parties hereto agree to negotiate in good faith one or more additional changes or modifications thereto such that the result is that all such changes and modifications, in the aggregate, are not directly or indirectly adverse to Procific.

2. Board of Directors of the Company and Committees of the Board

Subject to the immediately following paragraph, at the time of the Restructuring and thereafter, AGM shall, and shall cause its controlled affiliates to, vote the shares in the Company controlled by the Apollo Group in favor of (i) the election of, (A) prior to the Termination Date (as defined below), two (2) senior investment professionals employed by Abu Dhabi Investment Authority ("ADIA"), Procific or their respective subsidiaries that are identified by Procific (the "Procific Nominees") to the board of directors of the Company (the "Board"), and (B) following the Termination Date, one (1) Procific Nominee to the Board, (ii) until consummation of a QIPO, the appointment of a Procific Nominee designated by Procific to serve as a member of each of the compensation and risk committees of the Board and (iii) until the Termination Date, the appointment of a Procific Nominee designated by Procific to serve as a member of the conflicts committee of the Board. In connection with a QIPO, (x) Procific shall cause any Procific Nominee serving on any committee of the Board, other than the conflicts committee, to resign from all such committee(s), in each case, with such resignation to be effective upon the consummation of such QIPO and (y) AGM shall cause any employees of the Company or Athene Asset Management LLC serving on the conflicts committee of the Board to resign from such committee, with such resignation to be effective upon the consummation of such QIPO. In connection with a Termination Event, Procific shall cause one Procific Nominee to resign from the Board and shall cause any Procific Nominee serving on the conflicts committee of the Board to resign from such committee, in each case, with such resignation to be effective on the Termination Date. For

purposes of this letter agreement only, (I) “QIPO” means the consummation of the sale by one or more persons in one or a series of underwritten public offerings of common equity of the Company that (A) is led by a nationally recognized financial institution reasonably acceptable to the Board, (B) is registered on a Form S-1 registration statement (or a comparable form of registration statement) under the Securities Act of 1933, as amended (or applicable UK securities law) and (C) following which such publicly-offered common equity is listed on the New York Stock Exchange, The NASDAQ Stock Market or the London Stock Exchange’s Main Market and (II) “Termination Date” means the date on or following a QIPO upon which Class A Common Shares of the Company (the “specified shares”), in an amount equal to at least 15% of the issued and outstanding Class A Common Shares and Class B Common Shares, are held by persons and entities who are not affiliates of the Company and such specified shares are freely tradable.

In the event that Procific, ADIA or any other affiliate of Procific that is controlled by ADIA (together with ADIA, a Permitted Affiliate) ever has the opportunity to hold shares in the Company directly, Procific or the Permitted Affiliate shall elect whether to hold such shares either (x) directly or (y) through a limited partnership (the “Procific LP”) of which an affiliate of AGM is the general partner and Procific or its affiliate is the limited partner such that the Procific LP would be part of the Apollo Group; provided, that in the event that Procific or any “Tax Attributed Affiliate” (as defined in the proposed Sixth Amended and Restated Bye-laws of the Company (as amended from time to time, the “Bye-Laws”) to be entered into in connection with the Restructuring) of Procific ever holds any shares in the Company directly (including as a result of a distribution of shares from the Procific LP as described in the next sentence), (i) such shares shall be non-voting to the extent provided in the Bye-laws, (ii) AGM shall have no further obligations under this Section 2 to vote in favor of the election of any Procific Nominee to the Board or the appointment of any Procific Nominee to any committee of the Board and (iii) Procific or its Permitted Affiliate shall cause the Procific Nominee(s) to immediately resign from the Board and all committees of the Board; provided, further, that the Company and AGM acknowledge that, with respect to Procific or any of its Permitted Affiliates, “Tax Attributed Affiliate” shall be interpreted to mean Procific, ADIA and any other affiliate of Procific that is controlled by ADIA, unless the Company reasonably determines that a different interpretation should apply as a result of either a change in applicable law or regulation after the date hereof or a change in the interpretation of current or future applicable law or regulation supported by an appropriate authority (such as a court decision or guidance from a taxing authority). The limited partnership agreement of the Procific LP shall (I) provide that neither AGM nor its affiliates shall be entitled to any fees or carry from the Procific LP or its limited partner; (II) provide that, at Procific’s election, either (A) the limited partner in its discretion may instruct at any time and from time to time the general partner of the Procific LP to distribute the shares in the Company owned by the Procific LP to the limited partner or dispose of such shares and distribute the proceeds to the limited partner (in either case subject to any legal or regulatory restrictions or limitations and any restrictions or limitations contained in the Amended and Restated Registration Rights Agreement, dated as of October 13, 2010, by and among the Company and its shareholders listed on the signature pages thereto or who become a party thereto (as

amended from time to time, the “Registration Rights Agreement”) or any lock-up agreement entered into in connection with any registered offering) or (B) the general partner of the Procific LP shall have the power to dispose of the shares in the Company owned by the Procific LP and thereafter distribute the proceeds to the limited partner, subject to reasonable guidelines regarding the timing and other terms of such disposals to be agreed upon between Procific and AGM at the time of the establishment of the Procific LP; and (III) contain the following covenant: “Neither Procific nor any of its affiliates holding a limited partnership interest in the Procific LP will be deemed to be engaged, now or in the future, either directly or indirectly and whether conducted within or outside the United States, in “commercial activities” as currently defined and interpreted in Section 892 of the Internal Revenue Code of 1986 (as amended, supplemented or restated from time to time) and the Treasury Regulations promulgated thereunder, solely as a result of holding a limited partnership interest in the Procific LP.” For avoidance of doubt, the limited partnership or other carry vehicle described in Section 16B of the AAA LPA is not the Procific LP, and Section 16B and this paragraph are mutually independent.

3. Confidentiality

(a) Procific agrees that it will use the Confidential Information (as defined in Section 3(b) below) solely for the purpose of monitoring the Company’s strategy in connection with a potential initial public offering of the Company, and will use reasonable precautions in accordance with its established procedures to keep such information confidential; provided, however, that any such information may be disclosed to Procific’s affiliates, partners and its and their respective directors, officers, employees, agents, counsel, auditors, advisors, consultants and representatives (collectively, (including the affiliates and partners), the “Representatives”) who need to know such information for the purpose of performing their duties in the normal course of business with respect to Procific (it being understood that such Representatives shall be informed by Procific of the confidential nature of such information and instructed to abide by these confidentiality provisions). To the extent permitted by applicable law, Procific agrees to be responsible for any breach of this letter agreement that results from the actions or omissions of Procific’s Representatives.

(b) The term “Confidential Information” means (i) all information related to the Company and its subsidiaries provided to Procific by or on behalf of the Company or its affiliates (the “Furnishing Parties”), and (ii) all analyses developed by Procific directly using any information specified under clause (i) above. The term “Confidential Information” shall not include information that (A) is or becomes generally available to the public other than as a result of a disclosure by Procific in violation of this letter agreement, (B) was within Procific’s possession prior to it being furnished to it by a Furnishing Party or their respective representatives; provided, that the source of such information was not known by Procific to be bound by a confidentiality agreement with or other contractual, legal or fiduciary obligation of confidentiality to a Furnishing Party or any other person or entity with respect to such information or (C) is or becomes available to Procific on a non-confidential basis from a source other than a Furnishing Party or their respective representatives; provided, that such source is not known by

Procific to be bound by a confidentiality agreement with or other contractual, legal or fiduciary obligation of confidentiality to a Furnishing Party, or any other person or entity with respect to such information.

(c) Procific shall be permitted to disclose any Confidential Information in the event that Procific is otherwise required by law or regulation or requested by any governmental agency or other regulatory authority (including any self-regulatory organization having or claiming to have jurisdiction) or in connection with any legal proceedings. Procific agrees that it will notify the Company as soon as practical in the event of any such disclosure (other than as a result of an examination by any regulatory agency), unless such notification shall be prohibited by applicable law or legal process.

4. Market-Sensitive Information

(a) Procific acknowledges on behalf of itself and its Representatives who are informed as to the matters that are the subject of this letter agreement (Covered Representatives), that certain securities laws prohibit any person who or that has received from or on behalf of an issuer or any of its subsidiaries material, "non-public" information or "price sensitive" information (collectively, "Non-Public Information") from purchasing or selling securities of such issuer or any of its subsidiaries or from communicating such information to any other person under circumstances in which it is reasonably foreseeable that such person is likely to purchase or sell such securities. Information received about the Company may constitute Non-Public Information about the Company, AAA or AGM.

(b) Procific shall not, and shall cause its Covered Representatives to not, disclose or use Non-Public Information in violation of any applicable law (it being understood that consultation with Designated Counsel shall not cure a violation of this covenant and it being further understood that the Company, AGM and AAA are all intended beneficiaries of this Section 4). Procific and such Covered Representatives shall not purchase or sell any securities of AAA or the Company without first notifying Designated Counsel (as defined below). If Designated Counsel determines that applicable securities laws prohibit Procific and/or such Covered Representative from purchasing or selling securities of AAA or the Company due to such Person's receipt of Non-Public Information, such Person shall refrain from purchasing or selling securities of AAA or the Company, as applicable, until such prohibition is no longer applicable. "Designated Counsel" means Willkie Farr & Gallagher LLP or such other legal counsel chosen by Procific with the consent of the General Counsel of the Company which consent shall not be unreasonably withheld, it being understood that an existing legal conflict of interest between such counsel and the Company shall be reasonable grounds for the General Counsel to withhold consent. The restrictions set forth in this Section 4(b) will only apply to the purchase or sale of securities of AAA or the Company, as the case may be, if such securities are publicly traded.

5. Registration Rights Agreement

The Company agrees not to amend the Registration Rights Agreement without the prior written consent of Procific, other than the proposed second amended and restated registration rights agreement to be entered into in connection with the Restructuring.

In the event that Procific holds equity interests in the Company directly or through the Procific LP, the Company and Procific agree that Procific (if such equity interests are held directly) or the Procific LP (if such shares are held through the Procific LP) shall become a party to the Registration Rights Agreement no later than five (5) days from the earlier of (i) the date of receipt by the Company of written notice from Procific that it holds equity interests in the Company directly or through the Procific LP and (ii) the date on which the Company acquires actual knowledge that Procific holds equity interests in the Company directly or through the Procific LP.

At the time of the Restructuring and thereafter, to the extent that the Company proposes to effectuate a public offering of equity interests in the Company that includes a selling shareholder, Procific shall be entitled to participate in such offering on a pro rata basis (based on Procific's (direct or indirect) ownership of equity in the Company as of the date of such offering) with respect to the selling shareholders.

6. Shareholders Agreement

In the event that Procific holds equity interests in the Company directly or through the Procific LP, AGM shall take all steps necessary to ensure that (i) Procific or the Procific LP, as applicable, is deemed to be an "Institutional Shareholder" pursuant to clause (iii) of the definition of "Institutional Shareholder" in the Shareholders Agreement, and thereafter (ii) any Transfer of Shares by Procific or the Procific LP, as applicable, is deemed to be a "Permitted Transfer" pursuant to clause (d) of the definition of "Permitted Transfer" in the Shareholders Agreement (as such terms are defined in the Shareholders Agreement), subject to compliance with applicable law and regulation.

7. Tax Jurisdiction

If the Company determines that it is in the best interest of the Company to redomesticate the Company to the United States of America or any other jurisdiction, the Company shall consult with Procific and provide Procific at least thirty (30) days prior notice (or if such redomestication is to the United States of America, at least 180 days prior written notice) before effectuating such redomestication to enable Procific the opportunity to take any actions necessary to address Procific's specific tax considerations.

8. Insurance Laws

The parties intend that the provisions of this letter agreement shall not result in Procific being deemed to control the Company and its subsidiaries for purposes of insurance holding company laws, and shall be interpreted in a manner consistent with such intent. If any of the rights herein are alleged by a state insurance regulatory

authority in the United States to cause Procific and/or its affiliates to be considered to be affiliates of the Company or the Company's subsidiaries, or within the holding company system of any of the Company's insurance company subsidiaries, then (i) to the extent the Company or the Company's subsidiaries receive an inquiry or notification from any state insurance regulator regarding Procific's alleged affiliation with the Company or the Company's subsidiaries, the Company shall promptly notify Procific of such inquiry or notification; (ii) the Company and the Company's subsidiaries and Procific will use their respective commercially reasonable efforts, and cooperate fully with each other to respond to such regulatory inquiry or notification and advocate against such a determination; (iii) the Company and the Company's subsidiaries will keep Procific and its counsel informed of any substantive communication received from such insurance regulator or given by the Company or the Company's subsidiaries to such regulator with respect to such determination and Procific will similarly keep the Company and the Company's subsidiaries informed of any communications received from state insurance regulators with respect to such determination; and (iv) in the event such state insurance regulatory authority determines that the rights herein create an affiliate relationship between Procific and/or its affiliates and the Company or the Company's subsidiaries or that Procific and/or any of its affiliates is a member of the Company's or any of the Company's insurance company subsidiaries' holding company system, the parties shall use their respective commercially reasonable efforts to revise Procific's rights only to the minimum extent necessary to overcome the determination of any state insurance regulatory authority that Procific and/or any of its affiliates are affiliates of the Company or the Company's subsidiaries, or within the holding company system of any of the Company's insurance company subsidiaries and shall use their respective commercially reasonable efforts to obtain state insurance regulatory approval of such revised rights to the extent required.

9. Termination

This letter agreement shall automatically and permanently terminate and be of no further force and effect without any action by any party hereto at any time when Procific ceases to be a Qualifying Shareholder (as defined below); provided, that Procific's obligations under Sections 3, 4, 7, 9, 10, 11, 12, 13, 14, 15, 16 and 17 of this letter agreement shall survive any such termination. For purposes of this letter agreement, "Qualifying Shareholder" means Procific so long as it owns, directly or indirectly, at least 40% of the equity interests in the Company that it holds as of the date hereof (determined after giving pro forma effect to any shares of the Company issued to AAA or its subsidiaries in connection with the transactions contemplated by the Contribution Agreement).

10. Binding on Successors

If the Company or any of its successors or assigns (i) merges or consolidates with or merges into any other entity and shall not be the surviving or continuing entity of such consolidation or merger or (ii) transfers all or substantially all of its respective properties and assets as an entity in one or a series of related transactions to any entity or related entities, then in either such case, proper provisions shall be made so that the successor or

assign of the Company assumes all of the obligations of the Company under this letter agreement and the Registration Rights Agreement. If such successor or assign is publicly-traded on the New York Stock Exchange, The NASDAQ Stock Market or the London Stock Exchange Main Market, then such merger, consolidation or transfer shall be deemed a "QIPO" for all purposes hereunder and shall also be deemed to result in the passing of the "Termination Date."

11. Assignment; Transfers to Affiliates

Until consummation of an initial public offering of the Company, Procific may transfer its direct interests in the Company (if any) to a Permitted Affiliate with the prior written consent of AGM and the Company (such consent not to be unreasonably withheld or delayed). If Procific transfers all or a portion of its direct or indirect interest in the Company to any Permitted Affiliate, such transferee shall be entitled to the rights granted under this letter agreement and references to Procific herein shall be deemed to include such transferee; provided, that such transfer does not adversely affect, in any material respect, the Company or any of its affiliates or securityholders from a tax or regulatory perspective. For the avoidance of doubt, Procific and its permitted transferees, in the aggregate, shall not be entitled to appoint more Procific Nominees pursuant to Section 2 of this letter agreement than as set forth therein pursuant to this Section 11. Except as specifically permitted pursuant to this Section 11, Procific may not assign any of its rights or assign or delegate any of its obligations under this letter agreement without the prior written consent of the Company and AGM.

12. Severability

It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction, or is otherwise reasonably determined by the Company (based on the advice of counsel) to be invalid, prohibited or unenforceable for any reason, such provision shall be ineffective, null and void and all actions previously taken pursuant to such provision shall be rescinded, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

13. No Publicity

Each party agrees that it has not made since October 22, 2012 and shall not make, and shall cause its affiliates not to make, any public reference to (i) any other party hereto or any of its affiliates with respect to the Restructuring or the transactions contemplated by the Contribution Agreement and this letter agreement, (ii) the terms and conditions

contained herein or therein, or the terms of Procific's (direct or indirect) investment in the Company, including without limitation on any website or other media, except (x) as required by applicable law or regulation or listing rule (including in the event that the Company takes a voluntary action, such as pursuing an acquisition, divestiture, public offering or other financing transaction, conducting its business or starting a new line of business or expanding an existing line of business into new jurisdictions, the result of which is that such information is required to be disclosed by applicable law or regulation or listing rule; provided, that in such instance, the disclosing party shall provide the referenced party with reasonable advance notice of and a reasonable opportunity to review and comment on such disclosure unless prohibited by such applicable law, regulation or listing rule), or (y) if it obtains the prior consent of the other parties hereto as to the substance of such disclosure; provided, further, that for purposes of the foregoing, none of the Company, the Company's subsidiaries or Athene Asset Management LLC shall be considered an "affiliate" of AGM, and the Company shall be responsible for any breach of this Section 13 by the Company, the Company's subsidiaries or Athene Asset Management LLC.

14. Governing Law

This letter agreement shall be governed by and construed in accordance with the laws of the State of New York without giving effect to choice of law doctrine. In the event of any dispute, controversy or claim arising out of, connected with, or relating to this letter agreement, or to the breach, termination, invalidity, existence or interpretation thereof (singly or cumulatively hereinafter referred to as a "Dispute") the parties' preference for resolution is by a face-to-face meeting between their respective senior executive officers or their designated representatives. Notwithstanding the foregoing, in the event that a Dispute is not resolved within 30 days of one party's written notice of such Dispute to the other party, then such Dispute, without prejudice to the parties' rights to seek interim legal remedies such as injunctions, shall be finally settled by binding arbitration under the Commercial Rules of the American Arbitration Association (the "Rules") by three arbitrators, one of which shall be selected by Procific, (ii) one of which shall be jointly selected by AGM and the Company, and (iii) one of which shall be selected by the mutual agreement of the arbitrators selected by the parties, in each case in accordance with the Rules. The place of arbitration shall be the International Center for Dispute Resolution in New York, New York, and the arbitration shall be conducted in English. The predominately losing party shall be responsible for the predominately prevailing party's costs and expenses, including, without limitation, legal fees (including fees and expenses of internal legal personnel allocable to the Dispute that is the subject of such arbitration) in respect of the arbitration proceeding and any ancillary proceeding to obtain injunctive or other interim relief or to enforce a final arbitral award or other final relief. The parties agree that all information concerning the arbitration (including the facts surrounding the Dispute that is the subject of such arbitration, the substance of such arbitration and the Dispute, any interim or final relief awarded, any other result of such arbitration and the existence of such arbitration) shall remain confidential and not be disclosed, except as may be required to obtain any injunctive or other interim relief, or enforce any arbitral award or other final relief.

15. Letter Agreement Controls

PURCHASE AGREEMENT

BY AND BETWEEN

ATHENE HOLDING LTD.

AND

ATHENE ASSET MANAGEMENT, L.P.

DATED AS OF DECEMBER 31, 2015

December 31, 2015

Athene Asset Management, L.P.
2121 Rosecrans Avenue, Suite 5300
El Segundo, California 90245

Ladies and Gentlemen:

SECTION 1. Introduction. Athene Holding Ltd., a Bermuda exempted company limited by shares (the "Company"), confirms its agreement with Athene Asset Management, L.P., a Cayman Islands limited partnership ("AAM") (the "Agreement") with respect to the purchase by AAM of 23,250 class M-4 common shares of the Company, comprised of 7,750 time vesting shares and 15,500 performance vesting shares (collectively, the "Shares") pursuant to the Company's 2014 Share Incentive Plan, as amended, at the fair market value per share as of December 31, 2015. It is understood that AAM intends to direct the Company to grant the Shares purchased hereby to certain employees, directors and consultants of AAM in accordance with the form of restricted share award agreement attached hereto as Exhibit A (the "Share Award Agreement").

SECTION 2. Delivery and Acceptance of the Shares. Subject to the conditions set forth herein, the Company agrees to issue and sell, and AAM agrees to purchase, the Shares on December 31, 2015, or on such other date as AAM and the Company shall mutually agree (the "Closing"), at a purchase price per share equal to the fair market value per share as of December 31, 2015 as determined by the Company and as is consistent with the Company's financial statements (the "Purchase Price").

SECTION 3. Representations, Warranties and Agreements of AAM. AAM acknowledges that the Shares have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act") and may not be offered and sold within the United States or to, or for the account or benefit of, U.S. persons, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. AAM hereby represents, warrants and agrees that, following AAM's purchase of the Shares, it shall not sell, convey or transfer the Shares to any person other than an employee, director or consultant of AAM who has duly executed the Share Award Agreement relative to such Shares in the form set forth in Exhibit A hereto.

SECTION 4. Representations, Warranties and Agreements of the Company. The Company hereby represents, warrants and agrees that the Shares have been duly authorized, and, when issued and delivered against payment therefor as provided herein, will be duly and validly issued and fully paid and non-assessable.

SECTION 5. Conditions of AAM's Obligation. The obligation of AAM to purchase the Shares as provided herein on the Closing shall be subject to the accuracy of the representations and warranties on the part of the Company set forth in this Agreement as of the Closing and to the timely performance by the Company of its obligations hereunder, and to AAM having received such information, documents and opinions as it may reasonably require.

SECTION 6. Indemnification

(a) The Company hereby agrees to indemnify, defend and hold harmless AAM and its respective successors and assigns, representatives and affiliates, and their respective directors, officers, partners, members, managers, employees and agents (any such persons, collectively, the "AAM Group") from and against all claims, actions or causes of action, assessments, demands, losses, damages, judgments, settlements, liabilities, costs and expenses, including, without limitation, interest, penalties and reasonable attorneys' and accounting fees and expenses of any nature whatsoever, whether actual or consequential (collectively, "Damages"), asserted against, imposed upon or incurred directly by any member of the AAM Group by reason of or resulting from a breach of any agreement or representation or warranty or covenant by the Company contained herein.

(b) AAM hereby agrees to indemnify, defend and hold harmless each of the Company and its respective successors and assigns, representatives and affiliates, and their respective directors, officers, partners, members, managers, employees and agents (any such persons, collectively, the "Company Group"), from and against all Damages, asserted against, imposed upon or incurred directly by any member of the Company Group by reason of or resulting from a breach of any agreement or representation, warranty or covenant by AAM contained herein.

(c) For the avoidance of doubt, the indemnification obligations set forth in this section shall survive the Closing.

SECTION 7. Governing Law Provisions; Jurisdiction.

(a) This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without regard to the principles of conflicts of laws thereof.

(b) The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of either the courts of Bermuda or the courts of the State of New York and the federal courts of the United States of America located in the County of New York, in the State of New York, and appropriate appellate courts therefrom, over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby, and each party hereby irrevocably agrees that all claims in respect of such dispute or proceeding may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby brought in such courts or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. This consent to jurisdiction is being given solely for purposes of this Agreement and is not intended to, and shall not, confer consent to jurisdiction with respect to any other dispute in which a party to this Agreement may become involved.

SECTION 8. *Binding Effect; Assignment; No Third Party Benefit.* This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and permitted assigns. Except as otherwise expressly provided in this Agreement, neither this Agreement nor any of the rights, interests, or obligations hereunder shall be assigned by either party without the consent of the other party. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties hereto, and their respective heirs, legal representatives, successors, and permitted assigns (including but not limited to any employee, director or consultant of AAM to whom any Shares are awarded), any rights, benefits, or remedies of any nature whatsoever under or by reason of this Agreement.

SECTION 9. *Amendment.* The provisions of this Agreement may be amended, waived or modified only with the written consent of AAM and the Company.

SECTION 10. *Share Award Agreements.* The terms of the Shares shall be governed by the Share Award Agreement attached as Exhibit A herein. The Company shall not be obligated to issue Shares to any employee, director or consultant of AAM unless such employee, director or consultant, as the case may be, duly executes the Share Award Agreement relative to such Shares in the form set forth in Exhibit A herein prior to such issuance.

SECTION 11. *Waiver.* No failure or delay by a party hereto in exercising any right, power, or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power, or privilege.

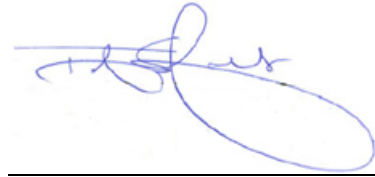

SECTION 12. *Counterparts.* This Agreement may be executed by the parties hereto in any number of counterparts (including without limitation, facsimile counterparts), each of which shall be deemed an original, but all of which shall constitute one and the same agreement.

SECTION 13. *Further Assurances.* Each party hereto shall do and perform or cause to be done and performed all such further acts and things and shall execute and deliver all such other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the provisions of this Agreement and the consummation of the transactions contemplated hereby.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to AAM the enclosed copies hereof, whereupon this instrument, along with all counterparts hereof, shall become a binding agreement in accordance with its terms.

Very truly yours,

EXHIBIT A

FORM OF RESTRICTED SHARE AWARD AGREEMENT

ATHENE HOLDING LTD.

2014 SHARE INCENTIVE PLAN

RESTRICTED SHARE AWARD AGREEMENT¹

THIS RESTRICTED SHARE AWARD AGREEMENT (the "Agreement"), dated as of [●] (the "Effective Date"), is made between **ATHENE HOLDING LTD.**, a Bermuda exempted company limited by shares (the "Company"), and the Participant set forth on the signature page to this Agreement (the "Participant").

WHEREAS, the Company, acting through the Committee with the consent of the Company's Board of Directors (the "Board") has agreed to grant to the Participant, effective on [●] (the "Grant Date"), a restricted share award pursuant to the Athene Holding Ltd. 2014 Share Incentive Plan (the "Plan") on the terms and subject to the conditions set forth in this Agreement and the Plan; and

WHEREAS, except as otherwise specifically provided herein, Awards granted by the Company are subject to the terms of the Sixth Amended and Restated Shareholders Agreement, by and among the Company and certain of its securityholders, dated as of April 4, 2014 (as it may be further amended from time to time, the "Shareholders Agreement").

NOW, THEREFORE, in consideration of the promises and of the mutual agreements contained in this Agreement, the parties hereto hereby agree as follows:

Section 1. The Plan.

The terms and provisions of the Plan are hereby incorporated into this Agreement as if set forth herein in their entirety. In the event of a conflict between any provision of this Agreement and the Plan, the provisions of this Agreement shall control. A copy of the Plan may be obtained from the Company by the Participant upon request. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings ascribed thereto in the Plan or the Shareholders Agreement, as the case may be.

Section 2. Grant.

Effective on the Grant Date, on the terms and subject to the conditions of the Plan and this Agreement, the Company hereby grants to the Participant an award to receive Restricted Shares (the "Restricted Shares") at a purchase price of \$0.001 per share (the "Purchase Price"). The Participant agrees to promptly pay (and in all events not later than five (5) days after the Grant Date) the Purchase Price in full, in a lump sum cash payment payable to the Company as a

condition to the receipt of the Restricted Shares. The Restricted Shares are separated into two tranches for vesting purposes, the Tranche 1 Restricted Shares ("Tranche 1 Restricted Shares") and Tranche 2 Restricted Shares ("Tranche 2 Restricted Shares"), in the amounts set forth on the signature page hereto.

Section 3. Dividend and Voting Rights.

A Participant who holds Restricted Shares shall not have the rights of a shareholder with respect to such shares, including the right to vote, if any, thereon until such Restricted Shares vest in accordance with Section 4. Notwithstanding the foregoing, at any time after a Return of Investment (as defined below) has been achieved, in the event the Company pays a dividend on Shares, the Participant shall be entitled to receive an Adjusted Dividend (as defined below) on the Restricted Shares (the "Specified Shares") held by the Participant that would have been eligible to receive the dividend but for the fact that such Shares were not vested. The Adjusted Dividend shall be payable, from time to time, within two and one-half months after all or any portion of the Specified Shares vest pursuant to Section 4(a) or 4(b); provided that under no circumstances shall any such Adjusted Dividend be paid prior to the achievement of a Return on Investment (as defined below). An "Adjusted Dividend" means, with respect to each dividend declared and paid on Shares by the Company following the achievement of a Return on Investment (including, with respect to the dividend which causes a Return of Investment to be achieved, the portion, if any, of such dividend in excess of the amount necessary to cause a Return of Investment), the per share dividend calculated by determining the total amount of dividends that would have been payable on the Specified Shares, assuming, solely for this purpose, that the time and performance hurdles under Sections 4(a) and 4(b) below were fully satisfied as of the time that such dividend was paid, and dividing this amount by the number of Specified Shares. "Return of Investment" shall be the time at which dividends (whether in cash or specie) or consideration in redemption shall have been paid, or Realized Cash shall have been received or deemed to have been received, with respect to the Class A Common Shares actually purchased on or after the initial closing date of the Company's 2014 private placement of Class A Common Shares (the "Placement Date") in an amount equal to the offering price per share in such private placement. For the avoidance of doubt, after a Return of Investment, dividends on vested Restricted Shares shall be paid at the same time that such dividends are paid to other stockholders. Solely for the purpose of this Section 3 and Section 5, for purposes of determining Return of Investment, Realized Cash shall be deemed to have been received after an IPO in an amount equal to the product of (A) the number of such Class A Common Shares and (B) the volume weighted average closing trading price for such Class A Common Shares during the ninety (90) preceding trading days before any date of determination.

If the Participant forfeits any unvested Restricted Shares, the Participant shall also forfeit any payments related to dividends otherwise deliverable in connection with the forfeited Restricted Shares.

Section 4. Vesting.

Subject to the Participant's not having a Termination of Relationship prior to the applicable vesting date (except as provided in Sections 4(a)(ii), 4(a)(iii) and 4(b)(ii)), the Restricted Shares shall become non-forfeitable and the restrictions imposed thereon pursuant to Section 6(a) shall lapse (any Restricted Shares that shall have become non-forfeitable pursuant to Section 4, the "Vested Shares") according to the following provisions:

(a) Tranche 1 Restricted Shares.

(i) Twenty-percent (20%) of the Tranche 1 Restricted Shares shall become Vested Shares on each of the 1st, 2nd, 3rd, 4th and 5th anniversaries of [February 15, 2016], and prior to becoming vested, shall be subject to the restrictions set forth in Section 6(a).

(ii) In the event of the consummation of a Sale of the Company or upon the occurrence of a Change in Control (A) prior to the Participant's Termination of Relationship or (B) within six (6) months following a Termination of Relationship of the Participant by the Company, its Subsidiaries and/or the Asset Management Company without Cause, by the Participant for Good Reason or as a result of the Participant's death or Disability (each, a "Qualifying Termination") the Tranche 1 Restricted Shares which have not theretofore vested or been forfeited shall vest in full and shall become Vested Shares. "Change in Control" means any event or series of events by which (i) the Apollo Group ceases to own, directly or indirectly, equity interests in the Company ("Equity Interests") representing 40% or more on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company, and (ii) any "person" or "group" (as such terms are used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of a greater percentage on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company than such percentage owned by the Apollo Group. For purposes of the definition of Change in Control, "Apollo Group" means (i) Apollo Global Management, LLC, any investment fund or managed account managed by Apollo Global Management, LLC and any of their respective Affiliates (in each case, other than any operating portfolio companies of an Apollo managed fund or the Company or any of the Company's Subsidiaries), and (ii) any employees of or consultants to the entities described in clause (i).

(iii) In the event that the Participant is party to a written employment agreement with either the Company, any of its Subsidiaries or with the Asset Management Company, any vesting provisions applicable to the Tranche 1 Restricted Shares contained therein are hereby incorporated by reference into this Agreement.

(iv) For the avoidance of doubt, any Tranche 1 Restricted Shares that are unvested on the date of the Participant's Termination of Relationship (excluding any Restricted Shares that are eligible to vest pursuant to Section 4(a)(iii)) shall be forfeited to the Company as of such date in accordance with Section 6; provided, that, any Tranche 1 Restricted Shares that are eligible to vest following the Participant's Qualifying Termination pursuant to Section 4(a)(ii) shall be forfeited to the Company on the date that is six (6) months following the date of the Participant's Qualifying Termination, to the extent then unvested.

(b) Tranche 2 Restricted Shares.

(i) The Tranche 2 Restricted Shares shall become Vested Shares pursuant to the terms and conditions set forth on Schedule 1, and prior to becoming vested, shall be subject to the restrictions set forth in Section 6(a). For the avoidance of doubt, except as otherwise provided in Section 4(b)(ii), any Tranche 2 Restricted Shares that are invested on the date of the Participant's Termination of Relationship shall be forfeited to the Company as of such date in accordance with Section 6.

(ii) In the event of a Qualifying Termination of the Participant, the Tranche 2 Restricted Shares that are outstanding and invested as of the date of the Qualifying Termination shall remain outstanding and eligible to vest pursuant to the terms and conditions set forth on Schedule 1 for a period of eighteen (18) months following the later of the IPO Date and the date of such Qualifying Termination and, to the extent such Tranche 2 Restricted Shares are invested at the end of such eighteen (18) month period, shall be immediately forfeited to the Company.

Section 5. Limitations upon Liquidation and Distributions.

Notwithstanding anything to the contrary herein or in the Plan or the Shareholders Agreement, it is the intent and agreement of the parties hereto that upon (i) a Liquidation of the Company, any distributions on or proceeds in respect of Vested Shares shall only be paid to the extent a Return of Investment has been achieved and (ii) Vested Shares shall not be entitled to any dividends until the achievement of a Return of Investment. For this purpose, a Return of Investment shall be determined including sale proceeds and deemed sale proceeds taken into account for purposes of Section 3.

Section 6. Restrictions on Transfer.

(a) Restrictions Prior to Vesting; Effect of Termination of Employment Prior to Vesting Prior to the time that the Restricted Shares have become Vested Shares pursuant to Section 4, the Restricted Shares, any interest therein or any amount payable in respect thereof shall not be sold or Transferred. Except as expressly provided in Section 4(a)(ii) and Section 4(a)(iii) as to the Tranche 1 Restricted Shares and Section 4(b)(ii) as to the Tranche 2 Restricted Shares, if the Participant ceases to be employed by or ceases to provide services to the Company, a Subsidiary or the Asset Management Company, the Participant's Restricted Shares shall be forfeited to the Company to the extent such shares have not become Vested Shares pursuant to Section 4 as of the date of the Participant's Termination of Relationship (regardless of the reason for such termination of employment or service, whether with or without cause, voluntarily or involuntarily, or due to death or Disability). Restricted Shares subject to Section 4(a)(ii) and Section 4(a)(iii) and Section 4(b)(ii) shall be forfeited on the date or dates such Restricted Shares are no longer eligible to vest pursuant to such provisions to the extent that such Restricted Shares do not become Vested Shares prior to such date or dates. In addition, in the event of the earliest to occur of (i) a Sale of the Company, or (ii) a Liquidation of the Company, or (iii) the 10th

anniversary of the Grant Date, the Participant's Restricted Shares shall be forfeited to the Company immediately prior to the occurrence of such event to the extent such shares have not become Vested Shares or to the extent that such shares shall not otherwise become Vested Shares upon the consummation of the Sale of the Company or the Liquidation of the Company. Upon the occurrence of any forfeiture of Restricted Shares hereunder, such forfeited Restricted Shares shall be automatically transferred to the Company as of the date of such forfeiture, without any other action by the Participant. The Company may exercise its powers under Section 10(d) hereof and take any other action necessary or advisable to evidence such transfer. The Participant shall deliver any additional documents of transfer that the Company may request to confirm the transfer of such forfeited Restricted Shares to the Company. Within a reasonable period of time following the Company's receipt of such forfeited Restricted Shares, and any other documents required pursuant to the preceding sentence, the Company shall pay to the Participant (in the form of a check or by cancellation of money purchase indebtedness) an amount equal to the lesser of (i) the original Purchase Price paid by the Participant for the forfeited Restricted Shares, or (ii) the Fair Market Value of the forfeited Restricted Shares determined as of date of such forfeiture. No interest shall be paid with respect to and no other adjustments (other than adjustments in accordance with Article X of the Plan) shall be made to the repurchase amount determined pursuant to the preceding sentence.

(b) Restrictions After Vesting. Upon and after the time that any Restricted Shares have become Vested Shares pursuant to Section 4, such Vested Shares shall not continue to be subject to the restrictions set forth in Section 6(a), but such Vested Shares shall continue to be subject to the other limitations and restrictions set forth herein (including Section 6(e) below), in the Plan and in the Shareholders Agreement.

(c) Transfers Void. Any sale or transfer, or purported sale or transfer, of any unvested Restricted Shares acquired pursuant to this Agreement or any interest therein other than to the Company shall be null and void.

(d) Charter Documents. The Certificate of Altered Memorandum of Association, the Bye-laws of the Company, the Subscription Agreement, the Registration Rights Agreement and the Shareholders Agreement (collectively, the "Other Agreements"), as any of them may be amended from time to time, may provide for additional restrictions and limitations with respect to the Shares (including additional restrictions and limitations relating to the preference return on common equity of the Company to the shareholders of such equity and on the transfer of Shares). To the extent that the restrictions and limitations set forth in the Other Agreements are greater than those set forth in this Agreement, such restrictions and limitations shall apply to the Restricted Shares as well as any Restricted Shares that may have become Vested Shares and are incorporated herein by this reference. The restrictions and limitations set forth in such Other Agreements are not, however, in lieu of, nor shall they in any way reduce or eliminate, any limitation or restriction on the Shares imposed under the Plan or this Agreement, including Section 6(e) below. In the event of any conflict between the terms of the Other Agreements and the terms of the Plan or this Agreement, the terms contained in the Plan or this Agreement shall be controlling.

(e) Call Rights. Notwithstanding anything herein or in the Other Agreements to the contrary (including Section 3.7 of the Shareholders Agreement), the Participant and the

Company agree that the provisions of this Section 6(e) shall apply with respect to the Vested Shares, any Class A Common Shares into which such Vested Shares are exchanged or converted pursuant to Section 11 and any shares into which such Class A Common Shares are exchanged or converted in connection with or prior to any IPO (collectively, the Vested Shares, any Class A Common Shares into which the Vested Shares are exchanged and any shares into which such Class A Common Shares are exchanged or converted in connection with or prior to an IPO, referred to hereinafter as the “Subject Shares”).

(i) Within 270 days following a Participant’s Termination of Relationship for any reason (or the date on which the Restricted Shares become Vested Shares, if later), the Company shall have the right (but not the obligation) to repurchase all or any portion of the Subject Shares, and the Participant shall be obligated to sell any such Subject Shares in accordance with this Section 6(e). Any Permitted Transferee that received Subject Shares pursuant to clause (b) of the definition of Permitted Transfer as set forth in the Shareholders Agreement shall be subject to this Section 6(e) as if such Permitted Transferee and the Participant through which such Permitted Transferee received such Subject Shares are one and the same. For the avoidance of doubt, the Company’s repurchase of a portion of the Subject Shares held by the Participant (or Permitted Transferee) shall not preclude the Company from repurchasing additional Subject Shares held by such Participant (or Permitted Transferee) at a later date or dates within the 270-day period(s) described above.

(ii) In the event that the Company wishes to exercise its rights pursuant to this Section 6(e), the Company shall deliver to such Participant (or his or her heirs or representatives), a timely written notice (the “Repurchase Notice”) that sets forth (i) the number of Subject Shares the Company is repurchasing, (ii) an indication of the price to be paid for each such Subject Shares and (iii) the anticipated closing date of such transaction. The Company shall have the right to revoke the Repurchase Notice at any time prior to the consummation of such repurchase.

(iii) Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be consummated on a date (the “Repurchase Date”) within thirty (30) calendar days following delivery of a Repurchase Notice. Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be made:

(A) with respect to Vested Shares which are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause in cash at a price per Vested Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company less \$[Insert fair market value of the Class A common shares as of December 31, 2015];

(B) with respect to Vested Shares which are repurchased following an IPO, if the Termination of Relationship occurred for any reason other than Cause , in cash at a price per Vested Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice less \$[Insert fair market value of the Class A common shares as of December 31, 2015];

(C) with respect to Vested Shares which are repurchased following a Termination of Relationship for Cause (whether before or after an IPO), in cash at a price per Vested Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares;

(D) with respect to Class A Common Shares into which Vested Shares were exchanged that are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Class A Common Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company,

(E) with respect to Class A Common Shares into which Vested Shares were exchanged that are repurchased after an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Class A Common Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice; and

(F) with respect to Class A Common Shares into which Vested Shares were exchanged that are repurchased following a Termination of Relationship for Cause (whether before or after an IPO), in cash at a price per Class A Common Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares plus \$*[Insert fair market value of the Class A common shares as of December 31, 2015]*.

(iv) The Repurchase Price (defined below) shall be paid in a lump sum cash payment on the Repurchase Date. The Participant (or Permitted Transferee) hereby agrees that upon his or her receipt of such Repurchase Price, the outstanding Subject Shares then owned by such Participant (or Permitted Transferee) that are sold pursuant to this Section 6(e) shall automatically be transferred, sold and assigned to the Company and the Secretary of the Company shall automatically and irrevocably be appointed to transfer such Subject Shares to the Company on the books of the Company with full power of substitution. For purposes of this Section 6(e), the "Repurchase Price" means the price referred to in Sections 6(e)(iii), as applicable.

(v) The Participant (or Permitted Transferee) agrees to provide customary representations and warranties to the Company, including (A) his or her power, authority and legal capacity to enter into such sale and to transfer valid right, title and interest in such Subject Shares; (B) his or her ownership of such Subject Shares and the absence of any liens, pledges, and other encumbrances on such Subject Shares; and (C) the absence of any violation, default, or acceleration of any agreement or instrument pursuant to which such Participant (or Permitted Transferee) or the assets of such Participant (or Permitted Transferee) are bound as the result of such sale.

(vi) If the Participant (or Permitted Transferee) holds Subject Shares which the Company wishes to repurchase in accordance with this Section 6(e), the Participant (or Permitted Transferee) shall be entitled to payment in accordance with this Section 6(e), but shall no longer be entitled to participation in the Company or enjoy other rights as a shareholder with respect to the Subject Shares subject to such repurchase. To the maximum extent permitted by law, the Participant's (or Permitted Transferee's) rights following the Repurchase Notice, with respect to the repurchase of Subject Shares covered thereby, shall be solely the rights that he or she has as a general creditor of the Company to receive the amount set forth in this Section 6(e).

(vii) The provisions of this Section 6(e) shall automatically terminate and be of no further force or effect with respect to any Subject Shares that are no longer subject to the Lock-up (as defined in the Company's Third Amended and Restated Registration Rights Agreement dated April 4, 2014).

Section 7. Protective Covenants.

(a) Confidential Information. The Participant shall not disclose or use at any time any Confidential Information (as defined below) of which the Participant is or becomes aware, whether or not such information is developed by the Participant, except to the extent that such disclosure or use is directly related to and required by the Participant's performance in good faith of duties for the Company, the Asset Management Company or their respective Affiliates. The Participant shall take all appropriate steps to safeguard Confidential Information in the Participant's possession and to protect it against disclosure, misuse, espionage, loss and theft. The Participant shall deliver to the Company upon the Participant's Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, the Asset Management Company or any of their respective Affiliates which the Participant may then possess or have under his or her control. Notwithstanding the foregoing, the Participant may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used, developed or obtained by the Company, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Participant while providing services to the Company, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works,

(xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Participant in breach of this Agreement) in a form generally available to the public prior to the date the Participant proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

Nothing herein (including, without limitation, any provision of this Section 7 shall, or is intended to, limit the Participant's right to file a proceeding with, or provide truthful evidence or other information to, any federal, state or local governmental agency.

(b) Restriction on Competition. The Participant acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the "Protected Companies"), he or she has become familiar, or will become familiar, with the Protected Companies' trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. The Participant agrees that if the Participant were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for the Participant not to rely on or use the Protected Companies' trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies' trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies' relationships and goodwill with customers, during the Restricted Period, the Participant will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase "directly or indirectly through any other Person engage in" shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, "Restricted Area" means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of the Participant's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during the Participant's period of service has competed, or any time during the twelve (12) month period following the date of the Participant's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by

the Protected Companies as of the date of the Participant's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Participant's period of service until his or her Termination of Relationship, and thereafter through and including twelve (12) months following the Participant's Termination of Relationship.

Nothing herein shall prohibit the Participant from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Participant has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and the Participant does not provide services to, or have any responsibilities regarding, the Competing Business.

(c) Non-Solicitation of Employees and Consultants. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Protected Companies, in each case, until twelve (12) months after such individual's employment relationship with the Protected Companies has been terminated.

(d) Non-Solicitation of Customers. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business away from the Protected Companies, and the Participant will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

(e) Understanding of Covenants. The Participant represents and agrees that he or she (i) is familiar with and carefully considered the foregoing covenants set forth in this Section 7 (together, the "Restrictive Covenants"), (ii) is fully aware of his or her obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Restrictive Covenants are necessary to protect the Protected Companies' confidential and proprietary information, good will, stable workforce and customer relations, and (v) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 7 regardless of whether the Participant is then entitled to receive severance pay or benefits from any of the Protected

Companies. The Participant understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), the Participant does not believe would prevent him or her from otherwise earning a living. The Participant agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of the Participant.

(f) Enforcement. The Participant agrees that the Participant's services are unique and that he or she has access to Confidential Information. Accordingly, the Participant agrees that a breach by the Participant of any of the covenants in this Section 7 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Participant agrees that in the event of any breach or threatened breach of any provision of this Section 7, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 7, as the case may be, or require the Participant to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 7, if and when final judgment of a court of competent jurisdiction is so entered against the Participant. The Participant further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of the Participant's Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 7, shall be extended by the same amount of time that the Participant is in breach of any Restrictive Covenant.

Section 8. Limitation on Benefits.

(a) Notwithstanding anything contained in this Agreement to the contrary, except as provided in Section 8(d), to the extent that any payment, benefit or distribution of any type to or for the benefit of the Participant by the Company or any of its Affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this Agreement or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the "Total Payments") would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code. Unless the Participant shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice consistent with the requirements of Section 409A of the Code to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock

options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. This Section 8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Participant's rights and entitlements to any benefits or compensation.

(b) Any determination that Total Payments to the Participant must be reduced or eliminated in accordance with Section 8(a) and the assumptions to be utilized in arriving at such determination, shall be made by the Board in the exercise of its reasonable, good faith discretion based upon the advice of such professional advisors it may deem appropriate in the circumstances. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Board hereunder, it is possible that Total Payments to the Participant which will not have been made by the Company should have been made ("Underpayment") or that Total Payments to the Participant which were made should not have been made ("Overpayment"). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid by the Company to or for the benefit of the Participant. In the event of an Overpayment, then the Participant shall promptly repay to the Company the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by the Participant to the date the same is repaid to the Company.

(c) If any portion of the Total Payments would otherwise be subject to the excise tax imposed by Section 4999 of the Code (before giving effect to any reduction in Total Payments contemplated by Section 8(a)), the Company shall use its reasonable efforts to obtain (in a manner which satisfies all applicable requirements of such Section 280G(b)(5)(B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations) the approval by such number of shareholders of the Company as is required by the terms of Section 280G(b)(5)(B) of the Code so as to render the parachute payment provisions of Section 280G of the Code inapplicable to the Total Payments that would be reduced or eliminated by operation of Section 8(a) if such shareholder approval was not obtained.

(d) Notwithstanding Section 8(a), the Company will pay the full amount of the Total Payments to the Participant if the Participant makes the Company and its Affiliates whole on an after tax basis for any adverse tax consequences imposed on the Company and its Affiliates under Section 280G of the Code as a result of paying the Total Payments to the Participant. The Company acknowledges that the adverse tax consequences to it will be limited by the extent to which it is subject to U.S. income tax.

Section 9. Participant's Employment or Service.

Nothing in this Agreement shall confer upon the Participant any right to continue in the employ or service of the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, its Subsidiaries or the Asset Management Company, as the case may be, in its sole discretion, to terminate the Participant's employment or service or to increase or decrease the Participant's compensation at any time.

Section 10. Delivery of Shares.

(a) Form. The Company shall, in its discretion, issue the Restricted Shares either: (1) in certificate form as provided in clause (b) below; or (2) in book entry form, registered in the name of the Participant with notations regarding the applicable restrictions on transfer imposed under this Agreement.

(b) Certificates to be Held by the Company; Legend Any certificates representing the Restricted Shares that may be delivered to the Participant by the Company prior to vesting of the Restricted Shares pursuant to Section 4 shall be redelivered to the Company to be held by the Company or its designee until the shares represented thereby vest pursuant to Section 4. Any such certificates will bear a legend making appropriate reference to the restrictions imposed hereunder.

(c) Delivery of Certificates Upon Vesting Promptly after the date any Restricted Shares become Vested Shares pursuant to Section 4, the Company shall, as applicable, either remove the notations on any such Vested Shares issued in book entry form or deliver to the Participant a certificate or certificates evidencing the number of such Vested Shares (or, in either case, such lesser number of shares as may be permitted pursuant to the tax withholding provisions referred to in Section 19). The Participant shall deliver to the Company any representations or other documents or assurances as the Company may deem necessary or reasonably desirable to ensure compliance with all applicable legal and regulatory requirements. The shares so delivered shall no longer be restricted pursuant to Section 6(a) but shall continue to be subject to the restrictions referred to in Sections 6(b), 6(d) and 6(e).

(d) Power of Attorney. The Participant, by acceptance of the Award, shall be deemed to appoint, and does so appoint by execution of this Agreement, the Company and each of its authorized representatives as the Participant's attorney(s)-in-fact to (1) effect any transfer to the Company (or other purchaser, as the case may be) of the Restricted Shares acquired pursuant to this Agreement that are repurchased by or forfeited to the Company (or other permitted purchaser), and (2) execute such documents as the Company or such representatives deem necessary or advisable in connection with any such transfer.

(e) Share Legend Generally. The certificate(s) representing the Restricted Shares as well as any Restricted Shares that may become Vested Shares shall bear the legend set forth in Section 7.2 of the Plan and/or any other appropriate or required legends under applicable laws. Such legends shall remain on the certificate(s) representing the Restricted Shares until the later of (1) an IPO (or such later date that counsel to the Company may reasonably determine is advisable to help ensure the Company's compliance with all applicable legal and regulatory requirements) or (2) as to any legend referencing the forfeiture provisions of Section 6(a), until the date that such shares become Vested Shares pursuant to Section 4.

Section 11. Exchange of Restricted Shares. Following the earlier of (a) a Sale of the Company or Change in Control or (b) the IPO Date, the Participant may elect to exchange any or all of the Vested Shares for an equivalent number of Class A Common Shares of the Company upon payment to the Company (at the election of the Participant, in accordance with procedures established by the Company, in cash or Shares) of an amount equal to the product of (i) the number of Vested Shares that are being exchanged and (ii) *[\$Insert fair market value of the Class A common shares as of December 31, 2015]* less the per share dividends and other

distributions, if any, paid by the Company in respect of the Class A Common Shares on or after the Placement Date; provided that, following the achievement of a Return of Investment (determined based on dividends and other distributions actually paid and Realized Cash actually received) that equals or exceeds \$[*Insert fair market value of the Class A common shares as of December 31, 2015*], no payment shall be due upon such exchange. For the avoidance of doubt, after achievement of a Return of Investment (determined based on dividends and other distributions actually paid and Realized Cash actually received) equal to or in excess of \$[*Insert fair market value of the Class A common shares as of December 31, 2015*], each Vested Share may be exchanged for one Class A Common Share of the Company without payment to the Company. As a condition to any such exchange the Company may require that the Participant deliver to the Company an agreement or certificate containing such representations, warranties and covenants as the Company reasonably requires.

Section 12. Securities Law Representations.

The Participant hereby represents and warrants to the Company as set forth on Attachment A hereto.

Section 13. Notices.

Section 14. Waiver of Breach.

The waiver by either party of a breach of any provision of this Agreement must be in writing and shall not operate or be construed as a waiver of any other or subsequent breach.

Section 15. Participant's Undertaking.

(a) The Participant hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of this Agreement and the Plan; provided, however, that such additional actions and documents are consistent with the terms of this Agreement.

(b) The Participant acknowledges and agrees that the Participant is not relying (for purposes of accepting this Award, making any tax election related to this Award or otherwise) upon any information, advice, counsel or representations (whether written or oral) of the Company with respect to the valuation of the Restricted Shares. The Participant has consulted with his or her own legal, regulatory, tax, business, investment, financial, and accounting advisers to the extent he or she has deemed necessary, and have made his or her own decisions with respect to accepting this Award and making any tax election related to the Restricted Shares based upon his or her own judgment and upon any advice from such advisers he or she has deemed necessary and not upon any view expressed by the Company. The Participant is accepting this Award with a full understanding of all the terms, conditions and risks hereof and thereof (economic and otherwise), and is capable of and willing to assume (financially and otherwise) those risks. The Participant agrees that neither the Company nor any of its Affiliates shall have any liability to the Participant for any loss or liability that the Participant may suffer to the extent that it arises out of, or in connection with tax-related matters, including but not limited to any matter related to any decision by the Participant to make a Section 83(b) election, any Section 83(b) filing made with the IRS or any income recognized by the Participant related to or arising out of the Restricted Shares.

Section 16. Modification of Rights.

The rights of the Participant are subject to modification and termination in certain events as provided in this Agreement and the Plan (with respect to the Restricted Shares granted hereby). Notwithstanding the foregoing, the Participant's rights under this Agreement and the Plan may not be materially impaired without the Participant's prior written consent.

Section 17. Governing Law.

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF DELAWARE WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

Section 18. Arbitration.

Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto, will be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claims. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules for the Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in the State of Delaware before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator will be final, conclusive, unappealable and binding on the parties. The arbitration proceeding shall be confidential except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

Section 19. Withholding and Other Tax Issues.

The Company's obligation to deliver the Restricted Shares or any certificates evidencing the Restricted Shares, or otherwise remove the restrictive notations or legends on such shares or certificates that refer to the transfer restrictions set forth in Section 6(a), is subject to the condition precedent that the Participant satisfy the amount of any required withholding obligations either in cash or by the methods described in clauses (ii) or (iii) of Article XV of the Plan. The Participant covenants and agrees to hold harmless and indemnify the Company, to the fullest extent permitted by applicable law, for any and all withholding taxes, penalties, fines and amounts paid in settlement of obligations related to any federal, state, local or other income, employment or other taxes with respect to the grant, vesting or making an election under Section 83(b) of the Code or other event with respect to the Restricted Shares.

Section 20. Adjustment.

In the event of any event described in Article X of the Plan occurring after the Grant Date, the adjustment provisions as provided for under Article X of the Plan shall apply to the Restricted Shares. If any adjustment is made to the Restricted Shares pursuant to Article X of the Plan, the restrictions applicable to the Restricted Shares will continue in effect with respect to any consideration or other securities (the "Restricted Property" and, for the purposes of this Agreement, "Restricted Shares" shall include "Restricted Property," unless the context otherwise requires) received in respect of such Restricted Shares. Such Restricted Property shall vest at such times and in such proportion as the Restricted Shares to which the Restricted Property is attributable vest, or would have vested pursuant to the terms hereof if such Restricted Shares had remained outstanding.

Section 21. Counterparts.

This Agreement may be executed in one or more counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts together shall constitute but one agreement.

Section 22. Entire Agreement.

This Agreement and the Plan (and the other writings referred to herein) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto.

Section 23. Severability.

It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 24. Waiver of Jury Trial.

Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, trial by jury in any suit, action or proceeding arising hereunder.

Securities Law Representations

The Participant, by executing this Agreement, hereby makes the following representations to the Company and acknowledges that the Company's reliance on federal, state and foreign securities law exemptions from registration and qualification is predicated, in substantial part, upon the accuracy of these representations:

(a) The Participant acknowledges that the Restricted Shares are not being registered under the Securities Act of 1933, as amended (the "Securities Act"), based, in part, on either (i) reliance upon an exemption from registration under Securities and Exchange Commission Rule 701 promulgated under the Securities Act or (ii) the fact that the Participant is an "accredited investor" (as defined under the Securities Act and the rules and regulations promulgated thereunder), and, in each of (i) and (ii) above, a comparable exemption from qualification under applicable state securities laws, as each may be amended from time to time.

(b) The Participant is an "accredited investor" within the meaning of Rule 501(a)(1), (2) or (3) of the Securities Act.

(c) The Participant has acquired the Restricted Shares solely for the Participant's own account, for investment purposes only, and not with a view to or an intent to sell, or to offer for resale in connection with any unregistered distribution, all or any portion of the Restricted Shares within the meaning of the Securities Act and/or any applicable state securities laws.

(d) The Participant acknowledges that he has not acquired the Restricted Shares as a result of any general solicitation or general advertising in the United States, including any meeting whose attendees have been invited by general solicitation or general advertising.

(e) The Participant has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the Restricted Shares and the restrictions imposed on any Shares. The Participant has been furnished with, and/or has access to, such information as he considers necessary or appropriate for deciding whether to purchase the Restricted Shares. However, in evaluating the merits and risks of an investment in the Shares, the Participant has and will rely only upon the advice of his own legal counsel, tax advisors, and/or investment advisors.

(f) The Participant is aware that the Restricted Shares may be of no practical value, that any value they may have depend on vesting as well as the performance of the Company and the market generally, and that any investment in common shares of a closely held corporation such as the Company is non-marketable, non-transferable and could require capital to be invested for an indefinite period of time, possibly without return, and at substantial risk of loss.

(g) The Participant understands that the Restricted Shares are being offered in a transaction not involving any public offering within the United States within the meaning of the Securities Act and that the Restricted Shares have not been and will not be registered under the Securities Act,

and that the Restricted Shares are “restricted securities” as defined by Rule 144(a)(3) under the Securities Act, and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances, including in accordance with the conditions of Rule 144 promulgated under the Securities Act or in an offshore transaction meeting the requirements of Rule 903 or 904 of Regulation S under the Securities Act, each as presently in effect. The Participant acknowledges reviewing a copy of Rule 144 promulgated under the Securities Act and Regulation S under the Securities Act, as presently in effect, and represents that he is familiar with such rule, and understands the resale limitations imposed thereby and by the Securities Act and the applicable state securities law.

(h) The Participant agrees that he will comply with all applicable laws and regulations in effect in any jurisdiction in which he sells any of the securities or otherwise transfers any interest therein.

(i) The Participant has read and understands the restrictions and limitations set forth in the Shareholders Agreement, the Plan and this Agreement.

(j) The Participant understands and acknowledges that, if and the Restricted Shares vest, (a) any certificate evidencing the Vested Shares (or evidencing any other securities issued with respect thereto pursuant to any share split, share dividend, merger or other form of reorganization or recapitalization) when issued shall bear any legends which may be required by applicable federal and state securities laws, and (b) except as otherwise provided under the Shareholders Agreement, the Company has no obligation to register the Shares or file any registration statement under federal or state securities laws.

Ladies and Gentlemen:

SECTION 1. Introduction. Athene Holding Ltd., a Bermuda exempted company limited by shares (the "Company"), confirms its agreement with Athene Asset Management, L.P., a Cayman Islands limited partnership ("AAM") (the "Agreement") with respect to the purchase by AAM of certain class M-4 common shares of the Company (the "Shares") pursuant to the Company's 2014 Share Incentive Plan, as amended, at the fair market value per share as of December 31, 2014. It is understood that AAM intends to direct the Company to grant the Shares purchased hereby to certain employees, directors and consultants of AAM in accordance with the form of restricted share award agreement attached hereto as Exhibit A (the "Share Award Agreement").

SECTION 2. Delivery and Acceptance of the Shares. Subject to the conditions set forth herein, the Company agrees to issue and sell, and AAM agrees to purchase, the Shares on December 31, 2014, or on such other date as AAM and the Company shall mutually agree (the "Closing"), at a purchase price per share equal to the fair market value per share as of December 31, 2014 as determined by the Company and as set forth in the Company's financial statements (the "Purchase Price").

SECTION 3. Representations, Warranties and Agreements of AAM. AAM acknowledges that the Shares have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act") and may not be offered and sold within the United States or to, or for the account or benefit of, U.S. persons, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. AAM hereby represents, warrants and agrees that, following AAM's purchase of the Shares, it shall not sell, convey or transfer the Shares to any person other than an employee, director or consultant of AAM who has duly executed the Share Award Agreement relative to such Shares in the form set forth in Exhibit A hereto.

SECTION 4. Representations, Warranties and Agreements of the Company. The Company hereby represents, warrants and agrees that the Shares have been duly authorized, and, when issued and delivered against payment therefor as provided herein, will be duly and validly issued and fully paid and non-assessable.

SECTION 5. Conditions of AAM's Obligation. The obligation of AAM to purchase the Shares as provided herein on the Closing shall be subject to the accuracy of the representations and warranties on the part of the Company set forth in this Agreement as of the Closing and to the timely performance by the Company of its obligations hereunder, and to AAM having received such information, documents and opinions as it may reasonably require.

SECTION 6. *Indemnification*

(a) The Company hereby agrees to indemnify, defend and hold harmless AAM and its respective successors and assigns, representatives and affiliates, and their respective directors, officers, partners, members, managers, employees and agents (any such persons, collectively, the "AAM Group") from and against all claims, actions or causes of action, assessments, demands, losses, damages, judgments, settlements, liabilities, costs and expenses, including, without limitation, interest, penalties and reasonable attorneys' and accounting fees and expenses of any nature whatsoever, whether actual or consequential (collectively, "Damages"), asserted against, imposed upon or incurred directly by any member of the AAM Group by reason of or resulting from a breach of any agreement or representation or warranty or covenant by the Company contained herein.

(b) AAM hereby agrees to indemnify, defend and hold harmless each of the Company and its respective successors and assigns, representatives and affiliates, and their respective directors, officers, partners, members, managers, employees and agents (any such persons, collectively, the "Company Group"), from and against all Damages, asserted against, imposed upon or incurred directly by any member of the Company Group by reason of or resulting from a breach of any agreement or representation, warranty or covenant by AAM contained herein.

(c) For the avoidance of doubt, the indemnification obligations set forth in this section shall survive the Closing.

SECTION 7. *Governing Law Provisions; Jurisdiction.*

(a) This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York, without regard to the principles of conflicts of laws thereof.

(b) The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of either the courts of Bermuda or the courts of the State of New York and the federal courts of the United States of America located in the County of New York, in the State of New York, and appropriate appellate courts therefrom, over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby, and each party hereby irrevocably agrees that all claims in respect of such dispute or proceeding may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby brought in such courts or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. This consent to jurisdiction is being given solely for purposes of this Agreement and is not intended to, and shall not, confer consent to jurisdiction with respect to any other dispute in which a party to this Agreement may become involved.

SECTION 8. *Binding Effect; Assignment; No Third Party Benefit.* This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, legal representatives, successors and permitted assigns. Except as otherwise expressly provided in this Agreement, neither this Agreement nor any of the rights, interests, or obligations hereunder shall be assigned by either party without the consent of the other party. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties hereto, and their respective heirs, legal representatives, successors, and permitted assigns (including but not limited to any employee, director or consultant of AAM to whom any Shares are awarded), any rights, benefits, or remedies of any nature whatsoever under or by reason of this Agreement.

SECTION 9. *Amendment.* The provisions of this Agreement may be amended, waived or modified only with the written consent of AAM and the Company.

SECTION 10. *Share Award Agreements.* The terms of the Shares shall be governed by the Share Award Agreement attached as Exhibit A herein. The Company shall not be obligated to issue Shares to any employee, director or consultant of AAM unless such employee, director or consultant, as the case may be, duly executes the Share Award Agreement relative to such Shares in the form set forth in Exhibit A herein prior to such issuance.

SECTION 11. *Waiver.* No failure or delay by a party hereto in exercising any right, power, or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power, or privilege.

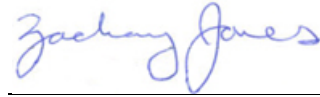

SECTION 12. *Counterparts.* This Agreement may be executed by the parties hereto in any number of counterparts (including without limitation, facsimile counterparts), each of which shall be deemed an original, but all of which shall constitute one and the same agreement.

SECTION 13. *Further Assurances.* Each party hereto shall do and perform or cause to be done and performed all such further acts and things and shall execute and deliver all such other agreements, certificates, instruments, and documents as any other party hereto reasonably may request in order to carry out the provisions of this Agreement and the consummation of the transactions contemplated hereby.

If the foregoing is in accordance with your understanding of our agreement, kindly sign and return to AAM the enclosed copies hereof, whereupon this instrument, along with all counterparts hereof, shall become a binding agreement in accordance with its terms.

Very truly yours,

FORM OF RESTRICTED SHARE AWARD AGREEMENT

ATHENE HOLDING LTD.

2014 SHARE INCENTIVE PLAN

AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT

THIS AMENDED AND RESTATED RESTRICTED SHARE AWARD AGREEMENT (the "Agreement"), dated as of [●], 2014 (the "Effective Date"), is made between ATHENE HOLDING LTD., a Bermuda exempted company limited by shares (the "Company"), and the Participant set forth on the signature page to this Agreement (the "Participant").

WHEREAS, the Company, acting through the Committee with the consent of the Company's Board of Directors (the "Board") and the Participant have agreed to amend and restate that certain restricted share award agreement originally granted to the Participant on April [●], 2014 (the "Grant Date") pursuant to the Athene Holding Ltd. 2014 Share Incentive Plan (the "Plan") on the terms and subject to the conditions set forth in this Agreement and the Plan; and

WHEREAS, except as otherwise specifically provided herein, Awards granted by the Company are subject to the terms of the Sixth Amended and Restated Shareholders Agreement, by and among the Company and certain of its securityholders, dated as of April 4, 2014 (as it may be further amended from time to time, the "Shareholders Agreement").

NOW, THEREFORE, in consideration of the promises and of the mutual agreements contained in this Agreement, the parties hereto hereby agree as follows:

Section 1. The Plan.

The terms and provisions of the Plan are hereby incorporated into this Agreement as if set forth herein in their entirety. In the event of a conflict between any provision of this Agreement and the Plan, the provisions of this Agreement shall control. A copy of the Plan may be obtained from the Company by the Participant upon request. Capitalized terms used herein and not otherwise defined herein shall have the respective meanings ascribed thereto in the Plan or the Shareholders Agreement, as the case may be.

Section 2. Grant.

Effective on the Grant Date, on the terms and subject to the conditions of the Plan and that certain restricted share Award Agreement dated as of April [●], 2014, the Company granted to the Participant an award to receive Restricted Shares (the "Restricted Shares") at a purchase price of \$0.001 per share (the "Purchase Price"). The Company acknowledges that the Participant has paid the Purchase Price in full. The Restricted Shares are separated into two tranches for vesting purposes, the Tranche 1 Restricted Shares ("Tranche 1 Restricted Shares") and Tranche 2 Restricted Shares ("Tranche 2 Restricted Shares"), in the amounts set forth on the signature page hereto.

Section 3. Dividend and Voting Rights.

A Participant who holds Restricted Shares shall not have the rights of a shareholder with respect to such shares, including the right to vote, if any, thereon until such Restricted Shares vest in accordance with Section 4. Notwithstanding the foregoing, at any time after a Return of Investment (as defined below) has been achieved, in the event the Company pays a dividend on Shares, the Participant shall be entitled to receive an Adjusted Dividend (as defined below) on the Restricted Shares (the "Specified Shares") held by the Participant that would have been eligible to receive the dividend but for the fact that such Shares were not vested. The Adjusted Dividend shall be payable, from time to time, within two and one-half months after all or any portion of the Specified Shares vest pursuant to Section 4(a) or 4(b); provided that under no circumstances shall any such Adjusted Dividend be paid prior to the achievement of a Return on Investment (as defined below). An "Adjusted Dividend" means, with respect to each dividend declared and paid on Shares by the Company following the achievement of a Return on Investment (including, with respect to the dividend which causes a Return of Investment to be achieved, the portion, if any, of such dividend in excess of the amount necessary to cause a Return of Investment), the per share dividend calculated by determining the total amount of dividends that would have been payable on the Specified Shares, assuming, solely for this purpose, that (a) the time and performance hurdles under Sections 4(a) and 4(b) below were fully satisfied and (b) the limitations on vesting pursuant to Section 4(c) below were applied, in each case as of the time that such dividend was paid, and dividing this amount by the number of Specified Shares. "Return of Investment" shall be the time at which dividends (whether in cash or specie) or consideration in redemption shall have been paid, or Realized Cash shall have been received or deemed to have been received, with respect to the Class A Common Shares actually purchased on or after the initial closing date of the Company's 2014 private placement of Class A Common Shares (the "Placement Date") in an amount equal to the offering price per share in such private placement (the "Offering Price"). For the avoidance of doubt, after a Return of Investment, dividends on vested Restricted Shares shall be paid at the same time that such dividends are paid to other stockholders.

If the Participant forfeits any unvested Restricted Shares, the Participant shall also forfeit any payments related to dividends otherwise deliverable in connection with the forfeited Restricted Shares.

Section 4. Vesting.

Subject to the Participant's not having a Termination of Relationship prior to the applicable vesting date (except as provided in Sections 4(a)(ii), 4(a)(iii) and 4(b)(iii)), the Restricted Shares shall become non-forfeitable and the restrictions imposed thereon pursuant to Section 6(a) shall lapse (any Restricted Shares that shall have become non-forfeitable pursuant to Section 4, the "Vested Shares") according to the following provisions:

(a) Tranche 1 Restricted Shares.

(i) Twenty-percent (20%) of the Tranche 1 Restricted Shares shall become Vested Shares on each of the 1st, 2nd, 3rd, 4th and 5th anniversaries of [April [●], 2014],¹ and prior to becoming vested, shall be subject to the restrictions set forth in Section 6(a).

¹ NTD: the vesting schedule for the initial grants will begin on (i) the Placement Date for individuals who were in service on such date and (ii) the date of hire for all other individuals.

(ii) In the event of the consummation of a Sale of the Company or upon the occurrence of a Change in Control (A) prior to the Participant's Termination of Relationship or (B) within six (6) months following a Termination of Relationship of the Participant by the Company, its Subsidiaries and/or the Asset Management Company without Cause, by the Participant for Good Reason or as a result of the Participant's death or Disability (each, a "Qualifying Termination") the Tranche 1 Restricted Shares which have not theretofore vested or been forfeited shall vest in full and shall become Vested Shares. "Change in Control" means any event or series of events by which (i) the Apollo Group ceases to own, directly or indirectly, equity interests in the Company ("Equity Interests") representing 40% or more on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company, and (ii) any "person" or "group" (as such terms are used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934) becomes the "beneficial owner" (as defined in Rules 13d-3 and 13d-5 under the Securities Exchange Act of 1934, as amended), directly or indirectly, of a greater percentage on a fully-diluted basis of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Company than such percentage owned by the Apollo Group. For purposes of the definition of Change in Control, "Apollo Group" means (i) Apollo Global Management, LLC, any investment fund or managed account managed by Apollo Global Management, LLC and any of their respective Affiliates (in each case, other than any operating portfolio companies of an Apollo managed fund or the Company or any of the Company's Subsidiaries), and (ii) any employees of or consultants to the entities described in clause (i).

(iii) In the event that the Participant is party to a written employment agreement with either the Company, any of its Subsidiaries or with the Asset Management Company, any vesting provisions applicable to the Tranche 1 Restricted Shares contained therein are hereby incorporated by reference into this Agreement.

(iv) For the avoidance of doubt, any Tranche 1 Restricted Shares that are unvested on the date of the Participant's Termination of Relationship (excluding any Restricted Shares that are eligible to vest pursuant to Section 4(a)(iii)) shall be forfeited to the Company as of such date in accordance with Section 6; provided, that, any Tranche 1 Restricted Shares that are eligible to vest following the Participant's Qualifying Termination pursuant to Section 4(a)(ii) shall be forfeited to the Company on the date that is six (6) months following the date of the Participant's Qualifying Termination, to the extent then unvested.

(b) Tranche 2 Restricted Shares.

(i) The Tranche 2 Restricted Shares shall become Vested Shares pursuant to the terms and conditions set forth on Schedule 1, and prior to becoming vested, shall be subject to the restrictions set forth in Section 6(a). For the avoidance of doubt, except as otherwise provided in Section 4(b)(ii) or Section 4(b)(iii), any Tranche 2 Restricted Shares that are unvested on the date of the Participant's Termination of Relationship shall be forfeited to the Company as of such date in accordance with Section 6.

(ii) In the event that the Relevant Investors sell any of the Relevant Investor Shares prior to an underwritten initial public offering of the common equity of Athene (an "IPO"), in such an IPO or in any underwritten offering occurring after the IPO and on or before the end of the 15-month period following such IPO (the "Lock-Up End Date"), then (A) the percentage of the Relevant Investor Shares sold by the Relevant Investors in such sale (the "Eligible Vesting Percentage") shall be determined, (B) the outstanding Tranche 2 Restricted Shares shall be multiplied by the Eligible Vesting Percentage, which will result in the number of such Tranche 2 Restricted Shares that are eligible to become vested ("Eligible Vesting Shares"), and (C) the price at which such Relevant Investor Shares are sold prior to the IPO or offered in the IPO or other applicable underwritten offering shall be measured against the performance vesting criteria set forth on Schedule 1, which will determine the percentage of the Eligible Vesting Shares that become Vested Shares as a result of such sale. Any of such Eligible Vesting Shares that do not become Vested Shares as a result of such sale shall thereupon be forfeited to the Company. For the avoidance of doubt, any Tranche 2 Restricted Shares that are not Eligible Vesting Shares with respect to such sale shall remain outstanding and may vest at a later date. In addition, and solely with respect to sales of the Relevant Investor Shares on or before the Lock-Up End Date, only the Total Investor IRR criterion shall be used to determine vesting of the Tranche 2 Restricted Shares.

(iii) In the event that (x) any Relevant Investor Shares remain unsold on each of the lock-up release dates occurring on the 7-1/2-month, 12-month and 15-month anniversary of the date of the IPO (the "IPO Date"), and (y) the Class A Common Shares are traded on a national public securities exchange on or after such date (the "Relevant Exchange"), then, for purposes of determining whether the Total Investor IRR and multiple of Total Invested Capital targets set forth on Schedule 1 have been achieved as of such release date, any unsold Relevant Investor Shares shall be deemed sold (or, if such unsold shares are held in a form other than Class A Common Shares, then an equivalent number of Class A Common Shares shall be deemed sold), and the Relevant Investors shall be deemed to have received Realized Cash, on such release date equal to the product of (A) the number of the then unsold Relevant Investor Shares, and (B) the volume weighted average closing trading price for the Relevant Investor Shares on the Relevant Exchange during the ninety (90) preceding trading days through and including such release date; provided that, for the avoidance of doubt, the calculation shall exclude any amounts deemed to have been received on any prior release date pursuant to this provision as a result of such sale. Notwithstanding the foregoing, not more than 1/3 of the outstanding unvested Tranche 2 Restricted Shares may vest on the 7-1/2-month anniversary of the IPO Date, not more than 2/3 of such shares may vest on the 12-month anniversary, and 100% may vest on the Lock-Up End Date.

(iv) Notwithstanding the foregoing, in the event that the Relevant Investors do not sell or otherwise dispose of all of the Relevant Investor Shares on or before the Lock-Up End Date, then, for purposes of determining whether the Total Investor IRR and multiple of Total Invested Capital targets set forth on Schedule 1 have been achieved as of the first day after the Lock-Up End Date on which the Relevant Exchange is open for trading and on each trading day thereafter until the 48-month anniversary of the Lock-Up End Date (each such date, a “Testing Date”), any unsold Relevant Investor Shares shall be deemed sold, and the Relevant Investors shall be deemed to have received Realized Cash, on such Testing Date equal to the product of (A) the number of the then unsold Relevant Investor Shares, and (B) the volume weighted average closing trading price for the Relevant Investor Shares on the Relevant Exchange during the ninety (90) preceding trading days through and including such Testing Date; provided that, for the avoidance of doubt, the calculation shall exclude any amounts deemed to have been received on any prior Testing Date pursuant to this provision as a result of such sale.

(v) In the event of a Qualifying Termination of the Participant, the Tranche 2 Restricted Shares that are outstanding and unvested as of the date of the Qualifying Termination shall remain outstanding and eligible to vest pursuant to the terms and conditions set forth on Schedule 1 for a period of eighteen (18) months following the later of the IPO Date and the date of such Qualifying Termination and, to the extent such Tranche 2 Restricted Shares are unvested at the end of such eighteen (18) month period, shall be immediately forfeited to the Company.

For the avoidance of doubt, a distribution of Relevant Investor Shares by a Relevant Investor to its investors shall not be treated as a sale by such Relevant Investor.

In the event of a sale or deemed sale by the Relevant Investors of less than 100% of the Relevant Investor Shares, for purposes of determining Realized Cash, the Relevant Investors will be deemed to sell such shares on a “first in, first out” basis. All decisions by the Committee with respect to any calculations pursuant to Section 3 and Section 4, including, without limitation, the determination of Realized Cash, Total Investor IRR, Total Invested Capital, Relevant Investor Investment and the date, if any, that Realized Cash exceeds any of the applicable targets, shall be reasonable and made in good faith and, absent manifest error, shall be final and binding on the Participant.

Section 5. Limitations upon Liquidation and Distributions.

Notwithstanding anything to the contrary herein or in the Plan or the Shareholders Agreement, it is the intent and agreement of the parties hereto that upon (i) a Liquidation of the Company, any distributions on or proceeds in respect of Vested Shares shall only be paid to the extent a Return of Investment has been achieved and (ii) Vested Shares shall not be entitled to any dividends until the achievement of a Return of Investment. For this purpose, a Return of Investment shall be determined including sale proceeds and deemed sale proceeds taken into account for purposes of Section 4.

Section 6. Restrictions on Transfer.

(a) Restrictions Prior to Vesting; Effect of Termination of Employment Prior to Vesting Prior to the time that the Restricted Shares have become Vested Shares pursuant to Section 4, the Restricted Shares, any interest therein or any amount payable in respect thereof shall not be sold or Transferred. Except as expressly provided in Section 4(a)(ii) and Section 4(a)(iii) as to the Tranche 1 Restricted Shares and Section 4(b)(v) as to the Tranche 2 Restricted Shares, if the Participant ceases to be employed by or ceases to provide services to the Company, a Subsidiary or the Asset Management Company, the Participant's Restricted Shares shall be forfeited to the Company to the extent such shares have not become Vested Shares pursuant to Section 4 as of the date of the Participant's Termination of Relationship (regardless of the reason for such termination of employment or service, whether with or without cause, voluntarily or involuntarily, or due to death or Disability). Restricted Shares subject to Section 4(a)(ii), Section 4(a)(iii) and Section 4(b)(v) shall be forfeited on the date or dates such Restricted Shares are no longer eligible to vest pursuant to such provisions to the extent that such Restricted Shares do not become Vested Shares prior to such date or dates. In addition, in the event of the earliest to occur of (i) a Sale of the Company, (ii) a Liquidation of the Company, or (iii) the 48-month anniversary of the Lock-Up End Date, the Participant's Restricted Shares shall be forfeited to the Company immediately prior to the occurrence of such event to the extent such shares have not become Vested Shares or to the extent that such shares shall not otherwise become Vested Shares upon the consummation of the Sale of the Company or the Liquidation of the Company. Upon the occurrence of any forfeiture of Restricted Shares hereunder, such forfeited Restricted Shares shall be automatically transferred to the Company as of the date of such forfeiture, without any other action by the Participant. The Company may exercise its powers under Section 10(d) hereof and take any other action necessary or advisable to evidence such transfer. The Participant shall deliver any additional documents of transfer that the Company may request to confirm the transfer of such forfeited Restricted Shares to the Company. Within a reasonable period of time following the Company's receipt of such forfeited Restricted Shares, and any other documents required pursuant to the preceding sentence, the Company shall pay to the Participant (in the form of a check or by cancellation of money purchase indebtedness) an amount equal to the lesser of (i) the original Purchase Price paid by the Participant for the forfeited Restricted Shares, or (ii) the Fair Market Value of the forfeited Restricted Shares determined as of date of such forfeiture. No interest shall be paid with respect to and no other adjustments (other than adjustments in accordance with Article X of the Plan) shall be made to the repurchase amount determined pursuant to the preceding sentence.

(b) Restrictions After Vesting Upon and after the time that any Restricted Shares have become Vested Shares pursuant to Section 4, such Vested Shares shall not continue to be subject to the restrictions set forth in Section 6(a), but such Vested Shares shall continue to be subject to the other limitations and restrictions set forth herein (including Section 6(e) below), in the Plan and in the Shareholders Agreement.

(c) Transfers Void. Any sale or transfer, or purported sale or transfer, of any unvested Restricted Shares acquired pursuant to this Agreement or any interest therein other than to the Company shall be null and void.

(d) Charter Documents. The Certificate of Altered Memorandum of Association, the By-laws of the Company, the Subscription Agreement, the Registration Rights Agreement and the Shareholders Agreement (collectively, the “Other Agreements”), as any of them may be amended from time to time, may provide for additional restrictions and limitations with respect to the Shares (including additional restrictions and limitations relating to the preference return on common equity of the Company to the shareholders of such equity and on the transfer of Shares). To the extent that the restrictions and limitations set forth in the Other Agreements are greater than those set forth in this Agreement, such restrictions and limitations shall apply to the Restricted Shares as well as any Restricted Shares that may have become Vested Shares and are incorporated herein by this reference. The restrictions and limitations set forth in such Other Agreements are not, however, in lieu of, nor shall they in any way reduce or eliminate, any limitation or restriction on the Shares imposed under the Plan or this Agreement, including Section 6(e) below. In the event of any conflict between the terms of the Other Agreements and the terms of the Plan or this Agreement, the terms contained in the Plan or this Agreement shall be controlling.

(e) Call Rights. Notwithstanding anything herein or in the Other Agreements to the contrary (including Section 3.7 of the Shareholders Agreement), the Participant and the Company agree that the provisions of this Section 6(e) shall apply with respect to the Vested Shares, any Class A Common Shares into which such Vested Shares are exchanged or converted pursuant to Section 11 and any shares into which such Class A Common Shares are exchanged or converted in connection with or prior to any IPO (collectively, the Vested Shares, any Class A Common Shares into which the Vested Shares are exchanged and any shares into which such Class A Common Shares are exchanged or converted in connection with or prior to an IPO, referred to hereinafter as the “Subject Shares”).

(i) Within 270 days following a Participant’s Termination of Relationship for any reason (or the date on which the Restricted Shares become Vested Shares, if later), the Company shall have the right (but not the obligation) to repurchase all or any portion of the Subject Shares, and the Participant shall be obligated to sell any such Subject Shares in accordance with this Section 6(e). Any Permitted Transferee that received Subject Shares pursuant to clause (b) of the definition of Permitted Transfer as set forth in the Shareholders Agreement shall be subject to this Section 6(e) as if such Permitted Transferee and the Participant through which such Permitted Transferee received such Subject Shares are one and the same. For the avoidance of doubt, the Company’s repurchase of a portion of the Subject Shares held by the Participant (or Permitted Transferee) shall not preclude the Company from repurchasing additional Subject Shares held by such Participant (or Permitted Transferee) at a later date or dates within the 270-day period(s) described above.

(ii) In the event that the Company wishes to exercise its rights pursuant to this Section 6(e), the Company shall deliver to such Participant (or his or her heirs or representatives), a timely written notice (the “Repurchase Notice”) that sets forth (i) the number of Subject Shares the Company is repurchasing, (ii) an indication of the price to be paid for each such Subject Shares and (iii) the anticipated closing date of such transaction. The Company shall have the right to revoke the Repurchase Notice at any time prior to the consummation of such repurchase.

(iii) Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be consummated on a date (the "Repurchase Date") within thirty (30) calendar days following delivery of a Repurchase Notice. Any repurchase of Subject Shares by the Company pursuant to the terms of this Section 6(e) shall be made:

(A) with respect to Vested Shares which are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company less the Offering Price;

(B) with respect to Vested Shares which are repurchased following an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Vested Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice less the Offering Price;

(C) with respect to Vested Shares which are repurchased following a Termination of Relationship for Cause (whether before or after an IPO), in cash at a price per Vested Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares;

(D) with respect to Class A Common Shares into which Vested Shares were exchanged that are repurchased prior to an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Class A Common Share equal to the Fair Market Value of a Class A Share as most recently reported to Shareholders by the Company,

(E) with respect to Class A Common Shares into which Vested Shares were exchanged that are repurchased after an IPO, if the Termination of Relationship occurred for any reason other than Cause, in cash at a price per Class A Common Share equal to the volume weighted average closing trading price of a Class A Share on the principal exchange where the Class A Shares are traded during the 60-trading day period immediately preceding the date of the Repurchase Notice; and

(F) with respect to Class A Common Shares into which Vested Shares were exchanged that are repurchased following a Termination of Relationship for Cause (whether before or after an IPO), in cash at a price per Class A Common Share equal to the original per Share Purchase Price paid by the Participant for such Vested Shares plus the Offering Price.

(iv) The Repurchase Price (defined below) shall be paid in a lump sum cash payment on the Repurchase Date. The Participant (or Permitted Transferee) hereby agrees that upon his or her receipt of such Repurchase Price, the outstanding Subject Shares then owned by such Participant (or Permitted Transferee) that are sold pursuant to

this Section 6(e) shall automatically be transferred, sold and assigned to the Company and the Secretary of the Company shall automatically and irrevocably be appointed to transfer such Subject Shares to the Company on the books of the Company with full power of substitution. For purposes of this Section 6(e), the “Repurchase Price” means the price referred to in Sections 6(e)(iii), as applicable.

(v) The Participant (or Permitted Transferee) agrees to provide customary representations and warranties to the Company, including (A) his or her power, authority and legal capacity to enter into such sale and to transfer valid right, title and interest in such Subject Shares; (B) his or her ownership of such Subject Shares and the absence of any liens, pledges, and other encumbrances on such Subject Shares; and (C) the absence of any violation, default, or acceleration of any agreement or instrument pursuant to which such Participant (or Permitted Transferee) or the assets of such Participant (or Permitted Transferee) are bound as the result of such sale.

(vi) If the Participant (or Permitted Transferee) holds Subject Shares which the Company wishes to repurchase in accordance with this Section 6(e), the Participant (or Permitted Transferee) shall be entitled to payment in accordance with this Section 6(e), but shall no longer be entitled to participation in the Company or enjoy other rights as a shareholder with respect to the Subject Shares subject to such repurchase. To the maximum extent permitted by law, the Participant’s (or Permitted Transferee’s) rights following the Repurchase Notice, with respect to the repurchase of Subject Shares covered thereby, shall be solely the rights that he or she has as a general creditor of the Company to receive the amount set forth in this Section 6(e).

(vii) The provisions of this Section 6(e) shall automatically terminate and be of no further force or effect with respect to any Subject Shares that are no longer subject to the Lock-up (as defined in the Company’s Third Amended and Restated Registration Rights Agreement dated April 4, 2014).

Section 7. Protective Covenants.

(a) Confidential Information. The Participant shall not disclose or use at any time any Confidential Information (as defined below) of which the Participant is or becomes aware, whether or not such information is developed by the Participant, except to the extent that such disclosure or use is directly related to and required by the Participant’s performance in good faith of duties for the Company, the Asset Management Company or their respective Affiliates. The Participant shall take all appropriate steps to safeguard Confidential Information in the Participant’s possession and to protect it against disclosure, misuse, espionage, loss and theft. The Participant shall deliver to the Company upon the Participant’s Termination of Relationship, or at any time the Company may request, all memoranda, notes, plans, records, reports, computer tapes and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company, the Asset Management Company or any of their respective Affiliates which the Participant may then possess or have under his or her control. Notwithstanding the foregoing, the Participant may truthfully respond to a lawful and valid subpoena or other legal process, but shall give the Company the earliest possible notice thereof, shall, as much in advance of the return date as possible, make available to the Company and its

counsel the documents and other information sought, and shall assist the Company and such counsel in resisting or otherwise responding to such process. As used in this Agreement, the term “Confidential Information” means information that is not generally known to the public and that is used, developed or obtained by the Company, the Asset Management Company or their respective Affiliates in connection with their businesses, including, but not limited to, information, observations and data obtained by the Participant while providing services to the Company, the Asset Management Company, their respective Affiliates or any predecessors thereof (including those obtained prior to the date hereof) concerning (i) the business or affairs of the Company, the Asset Management Company or their respective Affiliates (or such predecessors), (ii) products or services, (iii) fees, costs and pricing structures, (iv) designs, (v) analyses, (vi) drawings, photographs and reports, (vii) computer software, including operating systems, applications and program listings, (viii) flow charts, manuals and documentation, (ix) data bases, (x) accounting and business methods, (xi) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (xii) customers and clients and customer or client lists, (xiii) other copyrightable works, (xiv) all production methods, processes, technology and trade secrets, and (xv) all similar and related information in whatever form. Confidential Information will not include any information that has been published (other than a disclosure by the Participant in breach of this Agreement) in a form generally available to the public prior to the date the Participant proposes to disclose or use such information. Confidential Information will not be deemed to have been published merely because individual portions of the information have been separately published, but only if all material features comprising such information have been published in combination.

(b) Restriction on Competition. The Participant acknowledges that, in the course of his or her service with the Company, its Subsidiaries, the Asset Management Company and/or their predecessors (the “Protected Companies”), he or she has become familiar, or will become familiar, with the Protected Companies’ trade secrets and with other confidential and proprietary information concerning the Protected Companies and that his or her services have been and will be of special, unique and extraordinary value to the Protected Companies. The Participant agrees that if the Participant were to become employed by, or substantially involved in, the business of a competitor of the Protected Companies during the Restricted Period, it would be very difficult for the Participant not to rely on or use the Protected Companies’ trade secrets and confidential information. Thus, to avoid the inevitable disclosure of the Protected Companies’ trade secrets and confidential information, and to protect such trade secrets and confidential information and the Protected Companies’ relationships and goodwill with customers, during the Restricted Period, the Participant will not directly or indirectly through any other Person engage in, enter the employ of, render any services to, have any ownership interest in, nor participate in the financing, operation, management or control of, any Competing Business. For purposes of this Agreement, the phrase “directly or indirectly through any other Person engage in” shall include, without limitation, any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, member, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, consultant, director, officer or licensor of technology. For purposes of this Agreement, “Restricted Area” means anywhere in the United States, Bermuda and elsewhere in the world where the Protected Companies engage in business, including, without limitation, jurisdictions where any of the Protected Companies reasonably anticipate engaging in business on the date of the Participant’s Termination of Relationship (provided that as of the date of the Participant’s Termination of

Relationship, to the knowledge of the Participant, such area has been discussed as a market that the Protected Companies reasonably contemplate engaging in within the twelve (12) month period following the date of the Participant's Termination of Relationship). For purposes of this Agreement, "Competing Business" means a Person that at any time during the Participant's period of service has competed, or any time during the twelve (12) month period following the date of the Participant's Termination of Relationship begins competing with the Protected Companies anywhere in the Restricted Area and in the business of (i) annuity reinsurance, focusing on contracts reinsuring a quota share of future premiums of various fixed annuity product lines, (ii) reinsuring closed blocks of existing business, (iii) managing investments held by ceding companies pursuant to funds withheld coinsurance contracts with its affiliates, (iv) managing investments in the life insurance industry, or (v) any significant business conducted by the Protected Companies as of the date of the Participant's Termination of Relationship and any significant business the Protected Companies conduct in the twelve (12) month period after the Participant's Termination of Relationship (provided that as of the date of the Participant's Termination of Relationship, to the knowledge of the Participant, such business has been discussed as a business that the Protected Companies reasonably contemplate engaging in within such twelve (12) month period). For purposes of this Agreement, "Restricted Period" means the Participant's period of service until his or her Termination of Relationship, and thereafter through and including twelve (12) months following the Participant's Termination of Relationship.

Nothing herein shall prohibit the Participant from (i) being a passive owner of not more than 1% of the outstanding stock of any class of a corporation which is publicly traded, so long as the Participant has no active participation in the business of such corporation, or (ii) providing services to a subsidiary, division or affiliate of a Competing Business if such subsidiary, division or affiliate is not itself engaged in a Competing Business and the Participant does not provide services to, or have any responsibilities regarding, the Competing Business.

(c) Non-Solicitation of Employees and Consultants. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person (i) induce or attempt to induce any employee or independent contractor of the Protected Companies to leave the employ or service, as applicable, of the Protected Companies, or in any way interfere with the relationship between the Protected Companies, on the one hand, and any employee or independent contractor thereof, on the other hand, or (ii) hire any person who was an employee of the Protected Companies, in each case, until six (6) months after such individual's employment relationship with the Protected Companies has been terminated.

(d) Non-Solicitation of Customers. During the Participant's period of service and for a period of twelve (12) months after the date of the Participant's Termination of Relationship, the Participant shall not directly or indirectly through any other Person influence or attempt to influence customers, vendors, suppliers, licensors, lessors, joint venturers, ceding companies, associates, consultants, agents, or partners of the Protected Companies to divert their business away from the Protected Companies, and the Participant will not otherwise interfere with, disrupt or attempt to disrupt the business relationships, contractual or otherwise, between the Protected Companies, on the one hand, and any of their customers, suppliers, vendors, lessors, licensors, joint venturers, associates, officers, employees, consultants, managers, partners, members or investors, on the other hand.

(e) Understanding of Covenants. The Participant represents and agrees that he or she (i) is familiar with and carefully considered the foregoing covenants set forth in this Section 7 (together, the “Restrictive Covenants”), (ii) is fully aware of his or her obligations hereunder, (iii) agrees to the reasonableness of the length of time, scope and geographic coverage, as applicable, of the Restrictive Covenants, (iv) agrees that the Restrictive Covenants are necessary to protect the Protected Companies’ confidential and proprietary information, good will, stable workforce and customer relations, and (v) agrees that the Restrictive Covenants will continue in effect for the applicable periods set forth above in this Section 7 regardless of whether the Participant is then entitled to receive severance pay or benefits from any of the Protected Companies. The Participant understands that the Restrictive Covenants may limit his or her ability to earn a livelihood in a business similar to the business of the Protected Companies, but he or she nevertheless believes that he or she has received and will receive sufficient consideration and other benefits as an employee of or other service provider to the Company and as otherwise provided hereunder to clearly justify such restrictions which, in any event (given his or her education, skills and ability), the Participant does not believe would prevent him or her from otherwise earning a living. The Participant agrees that the Restrictive Covenants do not confer a benefit upon the Protected Companies disproportionate to the detriment of the Participant.

(f) Enforcement. The Participant agrees that the Participant’s services are unique and that he or she has access to Confidential Information. Accordingly, the Participant agrees that a breach by the Participant of any of the covenants in this Section 7 would cause immediate and irreparable harm to the Company that would be difficult or impossible to measure, and that damages to the Company for any such injury would therefore be an inadequate remedy for any such breach. Therefore, the Participant agrees that in the event of any breach or threatened breach of any provision of this Section 7, the Company shall be entitled, in addition to and without limitation upon all other remedies the Company may have under this Agreement, at law or otherwise, to obtain specific performance, injunctive relief and/or other appropriate relief (without posting any bond or deposit) in order to enforce or prevent any violations of the provisions of this Section 7, as the case may be, or require the Participant to account for and pay over to the Company all compensation, profits, moneys, accruals, increments or other benefits derived from or received as a result of any transactions constituting a breach of this Section 7, if and when final judgment of a court of competent jurisdiction is so entered against the Participant. The Participant further agrees that the applicable period of time any Restrictive Covenant is in effect following the date of the Participant’s Termination of Relationship, as determined pursuant to the foregoing provisions of this Section 7, shall be extended by the same amount of time that the Participant is in breach of any Restrictive Covenant.

Section 8. Limitation on Benefits.

(a) Notwithstanding anything contained in this Agreement to the contrary, except as provided in Section 8(d), to the extent that any payment, benefit or distribution of any type to or for the benefit of the Participant by the Company or any of its Affiliates, whether paid or payable, provided or to be provided, or distributed or distributable pursuant to the terms of this

Agreement or otherwise (including, without limitation, any accelerated vesting of stock options or other equity-based awards) (collectively, the “Total Payments”) would be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended (the “Code”), then the Total Payments shall be reduced (but not below zero) so that the maximum amount of the Total Payments (after reduction) shall be one dollar (\$1.00) less than the amount which would cause the Total Payments to be subject to the excise tax imposed by Section 4999 of the Code. Unless the Participant shall have given prior written notice to the Company to effectuate a reduction in the Total Payments if such a reduction is required, any such notice consistent with the requirements of Section 409A of the Code to avoid the imputation of any tax, penalty or interest thereunder, the Company shall reduce or eliminate the Total Payments by first reducing or eliminating any cash severance benefits (with the payments to be made furthest in the future being reduced first), then by reducing or eliminating any accelerated vesting of stock options or similar awards, then by reducing or eliminating any accelerated vesting of restricted stock or similar awards, then by reducing or eliminating any other remaining Total Payments. This Section 8 shall take precedence over the provisions of any other plan, arrangement or agreement governing the Participant’s rights and entitlements to any benefits or compensation.

(b) Any determination that Total Payments to the Participant must be reduced or eliminated in accordance with Section 8(a) and the assumptions to be utilized in arriving at such determination, shall be made by the Board in the exercise of its reasonable, good faith discretion based upon the advice of such professional advisors it may deem appropriate in the circumstances. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Board hereunder, it is possible that Total Payments to the Participant which will not have been made by the Company should have been made (“Underpayment”) or that Total Payments to the Participant which were made should not have been made (“Overpayment”). If an Underpayment has occurred, the amount of any such Underpayment shall be promptly paid by the Company to or for the benefit of the Participant. In the event of an Overpayment, then the Participant shall promptly repay to the Company the amount of any such Overpayment together with interest on such amount (at the same rate as is applied to determine the present value of payments under Section 280G of the Code or any successor thereto), from the date the reimbursable payment was received by the Participant to the date the same is repaid to the Company.

(c) If any portion of the Total Payments would otherwise be subject to the excise tax imposed by Section 4999 of the Code (before giving effect to any reduction in Total Payments contemplated by Section 8(a)), the Company shall use its reasonable efforts to obtain (in a manner which satisfies all applicable requirements of such Section 280G(b)(5)(B) of the Code and the Treasury Regulations thereunder, including Q-7 of Section 1.280G-1 of such Treasury Regulations) the approval by such number of shareholders of the Company as is required by the terms of Section 280G(b)(5)(B) of the Code so as to render the parachute payment provisions of Section 280G of the Code inapplicable to the Total Payments that would be reduced or eliminated by operation of Section 8(a) if such shareholder approval was not obtained.

(d) Notwithstanding Section 8(a), the Company will pay the full amount of the Total Payments to the Participant if the Participant makes the Company and its Affiliates whole on an after tax basis for any adverse tax consequences imposed on the Company and its Affiliates under Section 280G of the Code as a result of paying the Total Payments to the Participant. The Company acknowledges that the adverse tax consequences to it will be limited by the extent to which it is subject to U.S. income tax.

Section 9. Participant's Employment or Service.

Nothing in this Agreement shall confer upon the Participant any right to continue in the employ or service of the Company, any of its Subsidiaries or the Asset Management Company or interfere in any way with the right of the Company, its Subsidiaries or the Asset Management Company, as the case may be, in its sole discretion, to terminate the Participant's employment or service or to increase or decrease the Participant's compensation at any time.

Section 10. Delivery of Shares.

(a) Form. The Company shall, in its discretion, issue the Restricted Shares either: (1) in certificate form as provided in clause (b) below; or (2) in book entry form, registered in the name of the Participant with notations regarding the applicable restrictions on transfer imposed under this Agreement.

(b) Certificates to be Held by the Company; Legend Any certificates representing the Restricted Shares that may be delivered to the Participant by the Company prior to vesting of the Restricted Shares pursuant to Section 4 shall be redelivered to the Company to be held by the Company or its designee until the shares represented thereby vest pursuant to Section 4. Any such certificates will bear a legend making appropriate reference to the restrictions imposed hereunder.

(c) Delivery of Certificates Upon Vesting. Promptly after the date any Restricted Shares become Vested Shares pursuant to Section 4, the Company shall, as applicable, either remove the notations on any such Vested Shares issued in book entry form or deliver to the Participant a certificate or certificates evidencing the number of such Vested Shares (or, in either case, such lesser number of shares as may be permitted pursuant to the tax withholding provisions referred to in Section 19). The Participant shall deliver to the Company any representations or other documents or assurances as the Company may deem necessary or reasonably desirable to ensure compliance with all applicable legal and regulatory requirements. The shares so delivered shall no longer be restricted pursuant to Section 6(a) but shall continue to be subject to the restrictions referred to in Sections 6(b), 6(d) and 6(e).

(d) Power of Attorney. The Participant, by acceptance of the Award, shall be deemed to appoint, and does so appoint by execution of this Agreement, the Company and each of its authorized representatives as the Participant's attorney(s)-in-fact to (1) effect any transfer to the Company (or other purchaser, as the case may be) of the Restricted Shares acquired pursuant to this Agreement that are repurchased by or forfeited to the Company (or other permitted purchaser), and (2) execute such documents as the Company or such representatives deem necessary or advisable in connection with any such transfer.

(e) Share Legend Generally. The certificate(s) representing the Restricted Shares as well as any Restricted Shares that may become Vested Shares shall bear the legend set forth in Section 7.2 of the Plan and/or any other appropriate or required legends under applicable laws.

Such legends shall remain on the certificate(s) representing the Restricted Shares until the later of (1) an IPO (or such later date that counsel to the Company may reasonably determine is advisable to help ensure the Company's compliance with all applicable legal and regulatory requirements) or (2) as to any legend referencing the forfeiture provisions of Section 6(a), until the date that such shares become Vested Shares pursuant to Section 4.

Section 11. Exchange of Restricted Shares. Following the earlier of (a) the Relevant Investors' realization, in the aggregate, of a return of Realized Cash that exceeds the then funded amount of the Total Commitment and (b) the IPO Date, the Participant may elect to exchange any or all of the Vested Shares for an equivalent number of Class A Common Shares of the Company upon payment to the Company (at the election of the Participant, in accordance with procedures established by the Company, in cash or Shares) of an amount equal to the product of (i) the number of Vested Shares that are being exchanged and (ii) the Offering Price less the per share dividends and other distributions, if any, paid by the Company in respect of the Class A Common Shares on or after the Placement Date; provided that, following the achievement of a Return of Investment (determined based on dividends and other distributions actually paid and Realized Cash actually received), no payment shall be due upon such exchange. For the avoidance of doubt, after achievement of a Return of Investment (determined based on dividends and other distributions actually paid and Realized Cash actually received), each Vested Share may be exchanged for one Class A Common Share of the Company without payment to the Company, regardless of whether Class A Common Shares (or any securities attributable to such shares) are listed on a public exchange. As a condition to any such exchange the Company may require that the Participant deliver to the Company an agreement or certificate containing such representations, warranties and covenants as the Company reasonably requires.

Section 12. Securities Law Representations.

The Participant hereby represents and warrants to the Company as set forth on Attachment A hereto.

Section 13. Notices.

All notices, claims, certifications, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been duly given and delivered if personally delivered or if sent by nationally-recognized overnight courier, by telecopy, or by registered or certified mail, return receipt requested and postage prepaid, addressed as follows:

Section 14. Waiver of Breach.

The waiver by either party of a breach of any provision of this Agreement must be in writing and shall not operate or be construed as a waiver of any other or subsequent breach.

Section 15. Participant's Undertaking.

The Participant hereby agrees to take whatever additional actions and execute whatever additional documents the Company may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participant pursuant to the express provisions of this Agreement and the Plan; provided, however, that such additional actions and documents are consistent with the terms of this Agreement.

Section 16. Modification of Rights.

The rights of the Participant are subject to modification and termination in certain events as provided in this Agreement and the Plan (with respect to the Restricted Shares granted hereby). Notwithstanding the foregoing, the Participant's rights under this Agreement and the Plan may not be materially impaired without the Participant's prior written consent.

Section 17. Governing Law.

THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE (WHETHER

OF THE STATE OF DELAWARE OR ANY OTHER JURISDICTION) THAT WOULD CAUSE THE LAWS OF ANY JURISDICTION OTHER THAN THE STATE OF DELAWARE TO BE APPLIED. IN FURTHERANCE OF THE FOREGOING, THE INTERNAL LAW OF THE STATE OF DELAWARE WILL CONTROL THE INTERPRETATION AND CONSTRUCTION OF THIS AGREEMENT, EVEN IF UNDER SUCH JURISDICTION'S CHOICE OF LAW OR CONFLICT OF LAW ANALYSIS, THE SUBSTANTIVE LAW OF SOME OTHER JURISDICTION WOULD ORDINARILY APPLY.

Section 18. Arbitration.

Except for suits seeking injunctive relief or specific performance or as otherwise prohibited by law, the parties hereby agree that any dispute, controversy or claim arising out of, connected with and/or otherwise relating to this Agreement and the arbitrability of any controversy or claim relating hereto, will be finally settled by binding arbitration. The parties hereby knowingly and voluntarily waive any rights that they may have to a jury trial for any such disputes, controversies or claims. The parties agree to resolve any dispute arising out of this Agreement before the American Arbitration Association (the "AAA") in accordance with the AAA's then existing National Rules for the Resolution of Employment Disputes. The arbitration shall be administered by the AAA and the hearing shall be conducted in the State of Delaware before a neutral arbitrator, who must have been admitted to the practice of law for at least the last ten years (the "Arbitrator"). Each party further agrees to pay its or his own arbitration costs, attorneys' fees, and expenses, unless otherwise required by the AAA's then-existing arbitration rules. The Arbitrator shall issue an opinion within thirty (30) days of the final arbitration hearing and shall be authorized to award reasonable attorneys' fees to the prevailing party, which decision of the Arbitrator will be final, conclusive, unappealable and binding on the parties. The arbitration proceeding shall be confidential except that any arbitration award may be filed in a court of competent jurisdiction by either party for the purpose of enforcing the award.

Section 19. Withholding and Other Tax Issues.

The Company's obligation to deliver the Restricted Shares or any certificates evidencing the Restricted Shares, or otherwise remove the restrictive notations or legends on such shares or certificates that refer to the transfer restrictions set forth in Section 6(a), is subject to the condition precedent that the Participant satisfy the amount of any required withholding obligations either in cash or by the methods described in clauses (ii) or (iii) of Article XV of the Plan. The Participant covenants and agrees to hold harmless and indemnify the Company, to the fullest extent permitted by applicable law, for any and all withholding taxes, penalties, fines and amounts paid in settlement of obligations related to any federal, state, local or other income, employment or other taxes with respect to the grant, vesting or making an election under Section 83(b) of the Code or other event with respect to the Restricted Shares.

Section 20. Adjustment.

In the event of any event described in Article X of the Plan occurring after the Grant Date, the adjustment provisions as provided for under Article X of the Plan shall apply to the Restricted Shares. If any adjustment is made to the Restricted Shares pursuant to Article X of the Plan, the restrictions applicable to the Restricted Shares will continue in effect with respect to

any consideration or other securities (the “Restricted Property” and, for the purposes of this Agreement, “Restricted Shares” shall include “Restricted Property,” unless the context otherwise requires) received in respect of such Restricted Shares. Such Restricted Property shall vest at such times and in such proportion as the Restricted Shares to which the Restricted Property is attributable vest, or would have vested pursuant to the terms hereof if such Restricted Shares had remained outstanding.

Section 21. Counterparts.

This Agreement may be executed in one or more counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts together shall constitute but one agreement.

Section 22. Entire Agreement.

This Agreement and the Plan (and the other writings referred to herein) constitute the entire agreement between the parties with respect to the subject matter hereof and thereof and supersede all prior written or oral negotiations, commitments, representations and agreements with respect thereto, including that certain Restricted Share Award Agreement dated as of April [●], 2014 between the Company and the Participant.

Section 23. Severability.

It is the desire and intent of the parties hereto that the provisions of this Agreement be enforced to the fullest extent permissible under the laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 24. Waiver of Jury Trial.

Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, trial by jury in any suit, action or proceeding arising hereunder.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.

15%	2.0x	25%
19.9999%	2.2499x	75%
20%	2.25x	100%

If Realized Cash results in (i) Total Investor IRR being greater than 15% but less than 19.9999% or (ii) the multiple of Total Invested Capital being greater than 2.0x but less than 2.2499x, then the percentage of Tranche 2 Restricted Shares that vest shall be equal to the lesser of X and Y, where:

$$X = 25\% + 50\% ((\text{Total Investor IRR} - 15\%) / 4.9999\%)$$

In addition, and solely with respect to sales of the Relevant Investor Shares on or before the Lock-Up End Date, only the Total Investor IRR criterion shall be used to determine vesting of the Tranche 2 Restricted Shares.

The Board shall reasonably determine in good faith whether, and the extent to which, the applicable Total Investor IRR requirements and multiples of Total Invested Capital listed in the table above have been achieved in accordance with this Agreement and the Plan.

Securities Law Representations

The Participant, by executing this Agreement, hereby makes the following representations to the Company and acknowledges that the Company's reliance on federal, state and foreign securities law exemptions from registration and qualification is predicated, in substantial part, upon the accuracy of these representations:

(a) The Participant acknowledges that the Restricted Shares are not being registered under the Securities Act of 1933, as amended (the "Securities Act"), based, in part, on either (i) reliance upon an exemption from registration under Securities and Exchange Commission Rule 701 promulgated under the Securities Act or (ii) the fact that the Participant is an "accredited investor" (as defined under the Securities Act and the rules and regulations promulgated thereunder), and, in each of (i) and (ii) above, a comparable exemption from qualification under applicable state securities laws, as each may be amended from time to time.

(b) The Participant is an "accredited investor" within the meaning of Rule 501(a)(1), (2) or (3) of the Securities Act.

(c) The Participant has acquired the Restricted Shares solely for the Participant's own account, for investment purposes only, and not with a view to or an intent to sell, or to offer for resale in connection with any unregistered distribution, all or any portion of the Restricted Shares within the meaning of the Securities Act and/or any applicable state securities laws.

(d) The Participant acknowledges that he has not acquired the Restricted Shares as a result of any general solicitation or general advertising in the United States, including any meeting whose attendees have been invited by general solicitation or general advertising.

(e) The Participant has had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the Restricted Shares and the restrictions imposed on any Shares. The Participant has been furnished with, and/or has access to, such information as he considers necessary or appropriate for deciding whether to purchase the Restricted Shares. However, in evaluating the merits and risks of an investment in the Shares, the Participant has and will rely only upon the advice of his own legal counsel, tax advisors, and/or investment advisors.

(f) The Participant is aware that the Restricted Shares may be of no practical value, that any value they may have depend on vesting as well as the performance of the Company and the market generally, and that any investment in common shares of a closely held corporation such as the Company is non-marketable, non-transferable and could require capital to be invested for an indefinite period of time, possibly without return, and at substantial risk of loss.

(g) The Participant understands that the Restricted Shares are being offered in a transaction not involving any public offering within the United States within the meaning of the Securities Act and that the Restricted Shares have not been and will not be registered under the Securities Act,

and that the Restricted Shares are “restricted securities” as defined by Rule 144(a)(3) under the Securities Act, and that, under such laws and applicable regulations, such securities may be resold without registration under the Securities Act only in certain limited circumstances, including in accordance with the conditions of Rule 144 promulgated under the Securities Act or in an offshore transaction meeting the requirements of Rule 903 or 904 of Regulation S under the Securities Act, each as presently in effect. The Participant acknowledges reviewing a copy of Rule 144 promulgated under the Securities Act and Regulation S under the Securities Act, as presently in effect, and represents that he is familiar with such rule, and understands the resale limitations imposed thereby and by the Securities Act and the applicable state securities law.

(h) The Participant agrees that he will comply with all applicable laws and regulations in effect in any jurisdiction in which he sells any of the securities or otherwise transfers any interest therein.

(i) The Participant has read and understands the restrictions and limitations set forth in the Shareholders Agreement, the Plan and this Agreement.

(j) The Participant understands and acknowledges that, if and the Restricted Shares vest, (a) any certificate evidencing the Vested Shares (or evidencing any other securities issued with respect thereto pursuant to any share split, share dividend, merger or other form of reorganization or recapitalization) when issued shall bear any legends which may be required by applicable federal and state securities laws, and (b) except as otherwise provided under the Shareholders Agreement, the Company has no obligation to register the Shares or file any registration statement under federal or state securities laws.

**AMENDED AND RESTATED
MASTER SUB-ADVISORY AGREEMENT**

This Amended and Restated Master Sub-Advisory Agreement (this "Agreement"), effective as of April 1, 2014 (the "Effective Date"), is entered into by and among Athene Asset Management L.P., a Cayman Islands exempted limited partnership (the "Investment Manager"), Apollo Capital Management, L.P., a Delaware limited partnership ("ACM"), Apollo Global Real Estate Management, L.P., a Delaware limited partnership ("AGREM"), ARM Manager LLC, a Delaware limited liability company ("ARM"), Apollo Longevity, LLC, a Delaware limited liability company ("ALL") and Apollo Emerging Markets, LLC, a Delaware limited liability company ("AEM", and, together with ACM, AGREM, ARM and ALL the "Sub-Advisors").

WHEREAS, the Investment Manager serves as investment manager to one or more accounts as may be designated by certain insurance companies (each a "Company") from time to time and set forth on Schedule 1 attached hereto (as amended in accordance with Section 1(c) hereof), as subject to the Investment Manager's management, pursuant to the Investment Management Agreement set forth opposite each Company's name on Schedule 1 (each, an "Investment Management Agreement"), with authority to delegate any of its rights and obligations thereunder to one or more sub-advisors;

WHEREAS, the Investment Manager and the Sub-Advisors (other than AEM) previously entered into that certain Master Sub-Advisory Agreement, dated as of October 2, 2013 (the "Original Master Sub-Advisory Agreement"), pursuant to which the Investment Manager retained the Sub-Advisors (other than AEM), upon the terms and conditions set forth in the Original Master Sub-Advisory Agreement, to sub-advise an investment portfolio of one or more of such Company accounts (the portion of the accounts sub-advised by the Sub-Advisor, together with all additions, substitutions and alterations thereto, are individually referred to as an "Account" and, collectively, referred to herein as the "Accounts");

WHEREAS, the Investment Manager desires to appoint AEM, to sub-advise the Investment Manager with respect to one or more Accounts, and AEM wishes to accept such appointment and join the this Agreement in accordance with the terms of this Addendum; and

WHEREAS, the Investment Manager and the Sub-Advisors desire to amend and restate the Original Master Sub-Advisory Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. Appointment of Sub-Advisors.

(a) From time to time, as the Investment Manager and the applicable Sub-Advisors shall agree, the Investment Manager shall designate and appoint one or more Sub-Advisors (acting individually or jointly as the parties may agree), on the terms and subject to the conditions set forth herein, as a sub-investment advisor for one or more Accounts with authority

to make recommendations to the Investment Manager with respect to the investment and reinvestment of the funds and assets of such Account or Accounts, and the Sub-Advisors (or any of them as the case may be) shall accept such appointment. In addition, the Investment Manager and one or more Sub-Advisors may execute an addendum governing the terms of the sub-advisory services to be provided with respect to any Company, which addendum may, among other things and subject to Section 3(a), supplement or modify the terms of this Agreement relating to such Company's Account or Accounts (including, without limitation, terms relating to management services, investment guidelines and/or management fees) on terms mutually acceptable to the Investment Manager and the Sub-Advisors (or any of them as the case may be) (each such Addendum, including any schedules thereto, an "Addendum"). The parties intend that each Addendum shall be substantially in the form of the Master Sub-Advisory Agreement Addendum attached hereto as Exhibit A or as otherwise may be agreed upon among the applicable parties.

(b) From time to time, the Investment Manager may designate and appoint additional sub-advisors for one or more Accounts with authority to make recommendations to the Investment Manager with respect to the investment and reinvestment of the funds and assets of such Account or Accounts. Any such designation and appointment shall be effective upon the execution by the Investment Manager and such additional sub-advisor(s) of an Addendum setting forth the terms of the sub-advisory services to be provided by such sub-advisor(s). Following the execution of any such Addendum, each such additional sub-advisor shall be deemed to be a Sub-Advisor for all purposes of this Agreement.

(c) Within a reasonable time after the appointment or termination of any Sub-Advisor with respect to any particular Company, and after the execution of each Addendum, if any, Schedule 1 attached hereto shall be amended to reflect such appointment (by addition to such Schedule) or termination (by deletion from such Schedule), as the case may be, it being understood that Schedule 1 is solely for the convenience of the parties and shall not be evidence of, or precondition for, any such appointment or termination. The Sub-Advisors agree that Schedule 1 may be amended from time to time by the Investment Manager upon written notice to the Sub-Advisors for the purpose of adding additional insurance companies and/or accounts thereto, and, following any such amendment, (i) each such additional insurance company shall be deemed to be a Company for all purposes of this Agreement and (ii) each such additional account shall be deemed to be an Account for all purposes of this Agreement.

2. Management Services: Duties of and Restrictions on Sub-Advisors.

(a) For the avoidance of doubt and without limiting the generality of the powers conferred upon it by Section 1, the Sub-Advisors (or any of them as the case may be) shall be responsible for making recommendations for the investment and reinvestment of the assets of each Account. The Sub-Advisors shall make recommendations to the Investment Manager, and the Investment Manager shall approve or decline such recommendations in its sole discretion. The Sub-Advisors shall be responsible for facilitating execution (through third party brokers or other agents or as otherwise permitted hereby) of any approved investment recommendations in accordance with this Agreement and any instructions provided by the Investment Manager. For the avoidance of doubt, the Sub-Advisors may only execute (or facilitate execution of) transactions in an Account pursuant to this Agreement with the prior

consent of the Investment Manager (subject to Section 2(k) below). The Investment Manager shall be responsible for ensuring that any transaction approved by the Investment Manager is permissible under any investment guidelines agreed upon between the Investment Manager and the applicable Company. Where the prior consent of the Investment Manager is required prior to the Sub-Advisor taking any action under this Agreement, the Investment Manager's written or verbal consent (including consent by electronic mail) shall suffice, unless the express language of this Agreement requires the Investment Manager's consent in writing, in which case only the signed consent of the Investment Manager shall suffice. Where verbal consent for a particular trade is given by the Investment Manager, and provided that the applicable Sub-Advisor provides normal documentary evidence of such trade on the trade date (i.e., via trade ticket, trade confirmation, trade blotter excerpt or similar means provided in the normal course), the Investment Manager's consent with respect to such trade shall be deemed evidenced by the absence of the Investment Manager's objection to such trade in writing (including by electronic mail) prior to the earlier of (i) the close of business on the second business day following the trade date and (ii) the settlement date.

(b) Subject to the other provisions of this Agreement, including, without limitation, Sections 2(a) and 2(h), the Sub-Advisors have authority: (i) to buy, sell, sell short, hold and trade, on margin or otherwise and in or on any market or exchange within or outside the United States or otherwise, securities convertible into preferred or common stock of domestic and foreign issuers, debt securities of domestic and foreign governmental issuers (including federal, state and municipal issuers) and domestic and foreign corporate issuers, investment company securities, money-market securities, partnership interests, mortgage- and asset- backed securities (including, without limitation, collateralized loan obligations and other collateralized debt obligations), foreign currencies and currency forwards, futures contracts and options thereon, bank and debtor-in-possession loans, trade receivables, repurchase and reverse repurchase agreements, commercial paper, other securities, futures and derivatives (including interest rate and currency swaps, swaptions, caps, collars and floors), rights and options on all of the foregoing and other investments, assets and property; and (ii) to effect such other investment transactions involving the assets in an Account's name and solely for such Account, including without limitation, to execute swap, futures, options and other agreements with counterparties. Without the prior written consent of the Investment Manager, the Sub-Advisor shall not open or close any accounts on a Company's behalf.

(c) With respect to each Account advised by such Sub-Advisor, such Sub-Advisor will have the authority to exercise any voting rights relating to assets of such Account. Upon receipt of the Investment Manager's prior verbal or written consent, each Sub-Advisor shall be authorized to exercise rights, options, warrants, conversion privileges, and redemption privileges, and to tender securities pursuant to a tender offer, in each case, with respect to such Account. Each Sub-Advisor shall have the authority to exercise, on behalf of each Account managed by such Sub-Advisor, all rights, remedies and obligations associated with assets held in such Account. Each Sub-Advisor shall have the authority to execute trade confirmations, trade tickets, purchase orders, assignment agreements, engagement letters, amendments, forbearance agreements and all other documents related to the purchase, sale, amendment, restructuring or insolvency of assets of an Account managed by such Sub-Advisor; provided that, any exercise of such authority which would result in a conversion or transfer of an asset shall be subject to the prior verbal or written consent of the Investment Manager.

(d) Subject to each respective Investment Management Agreement with respect to each Account, the Investment Manager may rebalance or reallocate assets among such Account in its discretion (or between the Accounts and any other accounts of any Company or other clients of the Investment Manager sub-advised by any Sub-Advisor) and will provide the Sub-Advisors (or any of them as the case may be) with notice of any such rebalancings or reallocations.

(e) The Sub-Advisors (or any of them as the case may be) will reasonably cooperate with the Investment Manager to the limited extent necessary for the Investment Manager to perform such ongoing due diligence reasonably relating to each Account and the Sub-Advisors as the Investment Manager reasonably deems necessary or advisable, provided, that such cooperation shall be at no cost or expense to the Sub-Advisors and any cost or expense associated therewith shall be paid by the Investment Manager.

(f) No Sub-Advisor may retain any sub-advisors or otherwise delegate any of its obligations under this Agreement with respect to each Account managed by such Sub-Advisor without the prior written consent of the Investment Manager; provided that each Sub-Advisor may delegate any of its obligations to its affiliates without the prior consent of the Investment Manager; and provided further that, notwithstanding any delegation permitted pursuant to this Section 2(f), such Sub-Advisor shall always remain responsible to the Investment Manager for such Sub-Advisor's obligations hereunder with respect to such Company's Account.

(g) With the written consent of the Investment Manager, each Sub-Advisor shall have the authority to engage such attorneys, accountants and other professionals or advisors as may be necessary or advisable in the discharge of its duties and obligations under this Agreement.

(h) Unless otherwise allowed by an Addendum with respect to a particular Company, none of the Sub-Advisors shall enter into, whether in the name, and on behalf, of any Company or otherwise, any over-the-counter, exchange-traded and other derivative transactions (including any and all contracts or agreements related thereto) in respect of any Accounts without the prior written consent of the Investment Manager (which written consent may be conveyed via electronic mail).

(i) None of the Sub-Advisors shall make a claim for exemption from U.S. withholding tax to the U.S. Internal Revenue Service on the basis that income of any Company is effectively connected with the conduct of a trade or business in the United States, nor shall any Sub-Advisor file a U.S. Internal Revenue Service Form W8-ECI (or any successor form) on behalf of any Company with any withholding agent.

(j) Each Sub-Advisor shall promptly notify the Investment Manager upon its actual knowledge of the occurrence of any event which in the reasonable opinion of such Sub-Advisor would have a materially adverse impact on the ability of such Sub-Advisor to manage each Account sub-advised by such Sub-Advisor.

(k) Notwithstanding anything to the contrary contained herein, the Investment Manager may enter into an arrangement with a Sub-Advisor, either pursuant to an Addendum or

other written arrangement, whereby the Sub-Advisor would have discretion with respect to certain transactions other than as set forth in Section 2(a), such as to execute certain transactions for the Accounts without seeking prior consent from the Investment Manager so long as they fit within certain prescribed guidelines or a particular set of issuers, or some other similar agreement; provided that the Investment Manager may revoke such investment discretion at any time upon notice to such Sub-Advisor.

(l) Each Sub-Advisor agrees to use reasonable best efforts to cause its portfolio managers to trade within the Investment Manager's systems environment, including staging such trades prior to execution.

(m) Each Sub-Advisor and the Investment Manager agree to use commercially reasonable efforts to develop an investment policy statement (an "Investment Policy Statement") mutually agreed upon by such Sub-Advisor and the Investment Manager with respect to such Sub-Advisor's asset class and such Investment Policy Statement shall generally include, without limitation, policy statements with respect to such Sub-Advisor's investment strategy, applicable index ("Index"), investment objectives (including benchmarks), investment constraints and reporting procedures (provided that such reporting procedures shall comply with Section 15 below).

3. Compensation; Expenses.

(a) Except as otherwise set forth in any Addendum entered into in respect of any Account, the Investment Manager agrees to pay the Sub-Advisors a management fee ("Management Fee") for the services provided pursuant to this Agreement, calculated and paid (A) with respect to each Sub-Advisor, other than with respect to third party CLO equity managed accounts, in accordance with Schedule 2-1 attached hereto (as amended from time to time), (B) with respect to assets purchased by ALL prior to the Effective Date, in accordance with Schedule 2-2 attached hereto (as amended from time to time), (C) with respect to third party CLO equity managed accounts, in accordance with Schedule 2-3 hereto (as amended from time to time). The Management Fee described in Schedule 2-1 and Schedule 2-3, respectively, shall be allocated among the Sub-Advisors as such Sub-Advisors shall determine. Such Management Fee may be amended by an Addendum signed by the Investment Manager and the applicable Sub-Advisor without the consent of the Iowa Insurance Division (the "Division"), provided that such amended Management Fee shall be reimbursed to the Investment Manager by the applicable Company only to the extent such Management Fees have been approved by the Division.

(b) Each Sub-Advisor will be responsible for all fees and expenses incurred by it in performing its obligations under this Agreement except, for the avoidance of doubt, Account Trading and Investment Expenses, which shall be paid by each respective Company out of the assets of the Account of such Company.

(c) For purposes of this Agreement, "Account Trading and Investment Expenses" shall mean all brokerage fees, brokerage commissions and all other brokerage transaction costs, stock borrowing and lending fees, interest on cash balances, custodial fees, reasonable transaction legal expenses, regulatory fees or taxes payable in respect of the Account, professional expenses (including fees in connection with the use of proxy voting services) and

any other fees and expenses related to the trading and investment activity of the Account as determined by the Sub-Advisors in good faith; provided that such fees and expenses are not duplicative of any services provided by the Investment Managers or agents, brokers, advisors or professionals engaged in any capacity by the Investment Manager.

4. Custodian.

(a) The assets of each Account shall be held by a trustee, custodian or securities intermediary that is a “qualified custodian” as defined in Rule 206(4)–2 under the Investment Advisers Act of 1940 duly appointed by each Company (the “Custodian”), and each Sub-Advisor is authorized to give instructions to the Custodian, in writing, with respect to all investment decisions regarding each Account managed by such Sub-Advisor. Nothing contained herein shall be deemed to authorize the Sub-Advisors to take or receive physical possession of any of the assets for the Account and no Sub-Advisor shall have custody or possession of any such assets, it being intended that sole responsibility for safekeeping thereof (in such investments as the Investment Manager or the Sub-Advisors may direct) and the consummation of all purchases, sales, deliveries and investments made pursuant to such Sub-Advisor’s direction shall rest upon the Custodian. The Custodian may be changed with respect to any Company’s Account from time to time upon the written instructions of such Company, subject to any required consents.

(b) Except as expressly provided herein, a Sub-Advisor may not withdraw or substitute funds or other assets from any Account managed by it without the approval of the Custodian (which approval may be subject to the further approval of the applicable Company (as the case may be) and/or the Investment Manager).

(c) Each Company shall instruct the Custodian to send the Investment Manager and the Sub-Advisors (or any of them as the case may be) duplicate copies of all Account statements given to such Company by the Custodian.

5. Brokerage. The Sub-Advisors may designate the brokers or dealers through whom all purchases and sales on behalf of each Account will be made. To the extent permitted by applicable law, such brokers or dealers may include affiliates of the Sub-Advisors. The Sub-Advisors will determine the rate or rates, if any, to be paid for brokerage services provided to each Account. In selecting brokers or dealers to effect transactions on behalf of any Account, the Sub-Advisors, subject to their overall duty to obtain “best execution” of Account transactions, will have authority to and may consider the full range and quality of the ability of the brokers or dealers to execute transactions efficiently, their responsiveness to each Sub-Advisor’s instructions, their facilities, reliability and financial responsibility and the value of any research or other services or products they provide. None of the Sub-Advisors will be obligated to seek in advance competitive bidding for the most favorable commission rate applicable to any particular transaction for any Account or to select any broker-dealer on the basis of its purported posted commission rate. As long as the services or other products provided by a particular broker or dealer (whether directly or through a third party) qualify as “brokerage and research” services within the meaning of Section 28(e) of the Securities Exchange Act of 1934, as amended (and relevant Securities and Exchange Commission (“SEC”) interpretations of that section) and the Sub-Advisors (or any of them as the case may be) determine in good faith that

the amount of commission charged by such broker or dealer is reasonable in relation to the value of such "brokerage and research services," the Sub-Advisors (or any of them as the case may be) may utilize the services of that broker or dealer to execute transactions for each Account on an agency basis even if (i) such Account would incur higher transaction costs than it would have incurred had another broker or dealer been used and (ii) such Account does not necessarily benefit from the research or products provided by that broker or dealer.

6. Limitation of Liability.

(a) None of the Sub-Advisors guarantee the future performance of any Account or any specific level of performance, the success of any investment decision or strategy that any Sub-Advisor may use, or the success of any Sub-Advisor's overall management of any Account. None of the Sub-Advisors provide any express or implied warranty as to the performance or profitability of the Account nor any part thereof nor that any specific investment objectives will be successfully met. Investment decisions made by any Sub-Advisor on behalf of any Account managed by such Sub-Advisor are subject to various market, currency, economic, political and business risks, and those investment decisions will not always be profitable. The Sub-Advisors shall be severally and not jointly liable for their respective obligations and liabilities under this Agreement.

(b) To the maximum extent permitted by law, none of the Sub-Advisors, any affiliate of the Sub-Advisors or any member, partner, shareholder, principal, director, officer, employee or agent of the Sub-Advisors or any such affiliate (each, a "Sub-Advisor Party") shall be liable for any loss, liability or damage (including attorney's fees and other related expenses) ("Losses") resulting from: (i) any act or failure to act by the Custodian, any administrator or any broker or dealer; or (ii) any act or omission by any Sub-Advisor or any permitted Sub-Advisor in connection with the performance of its services under this Agreement (including any Addendum hereto), except in cases of willful misconduct, gross negligence, bad faith or reckless disregard by any Sub-Advisor or any permitted Sub-Advisor of its obligations and duties under this Agreement (including any Addendum hereto). Except as expressly set forth above, none of the Sub-Advisors shall have liability for any Losses suffered, and shall be fully indemnified by the Investment Manager for any Losses it may suffer, as the result of any actions it takes or does not take based on instructions or permissions received from any of the authorized persons of the Investment Manager reasonably believed by such Sub-Advisor to be genuine. Each Sub-Advisor may consult with legal counsel at its cost and expense (without limiting the reimbursement provisions set forth in this Agreement, including those set forth in Section 3(b)) concerning any question which may arise with reference to this Agreement or its duties hereunder, and the opinion of such counsel shall be full and complete protection with respect to, and none of the Sub-Advisors shall have liability for any Losses suffered as a result of, any action taken or suffered by any Sub-Advisor hereunder in good faith and in accordance with the opinion of such counsel. Under no circumstances shall any Sub-Advisor be liable for any special, incidental, exemplary, consequential, punitive, lost profits or indirect damages.

(c) The federal and state securities laws may impose liabilities under certain circumstances on persons who act in good faith, and therefore nothing in this Agreement will waive or limit any rights that the Investment Manager or any Company may have under those laws.

7. Termination.

(a) The terms and provisions of this Agreement shall apply to all transactions from the date of this Agreement and this Agreement shall continue in effect until terminated by the Investment Manager on the one hand, or the Sub-Advisors on the other hand, without penalty, by the terminating party giving written notice to the other party in writing which will take effect 30 days after the date on which notice is received by the other party or such later date as such notice specifies (which shall not exceed 90 days from the date of such notice) or such earlier date as the other party may agree. In addition, this Agreement may be terminated by:

(i) the Investment Manager with respect to any particular Sub-Advisor in the event of: (A) a material breach by such Sub-Advisor; (B) bankruptcy or insolvency by such Sub-Advisor; or (C) the inability of such Sub-Advisor for regulatory reasons to perform its services hereunder; and

(ii) the Sub-Advisors in the event of: (A) a material breach by the Investment Manager; (B) bankruptcy or insolvency by the Investment Manager; or (C) the inability of the Investment Manager for regulatory reasons to perform its services hereunder.

(b) Notwithstanding anything in this Agreement to the contrary, (a) the Investment Manager may suspend all trading in any Account upon 2 business days' prior written notice to the Sub-Advisors (or any of them, as the case may be) for any or no reason and (b) this Agreement shall automatically terminate upon the termination of the last remaining Investment Management Agreement with respect to the applicable Account listed on Schedule 1.

(c) Upon receipt of a termination notice from the Investment Manager, or delivery of a termination notice by any Sub-Advisor, such Sub-Advisor shall, at the reasonable request of the Investment Manager, continue to perform its functions under this Agreement or in respect of such terminated Account, and shall be entitled to receive the requisite portion of any fees due (including Management Fees) until a successor has been appointed, provided that such Sub-Advisor shall not be required to perform its functions after ninety (90) days from the receipt of a termination notice.

(d) Section 6 of this Agreement shall continue in full force and effect notwithstanding the termination hereof or the invalidation of any provision contained herein.

8. Representations and Warranties.

(a) Each Sub-Advisor, severally and not jointly, represents and warrants to the Investment Manager, as of the date hereof, as follows:

(i) such Sub-Advisor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization;

(ii) such Sub-Advisor is a registered investment adviser under the Investment Advisers Act of 1940, as amended or is relying on such a registered investment adviser (the "Advisers Act"), and in turn each such Sub-Advisor

acknowledges that the Advisers Act provides for the following duty: (A) to act with utmost good faith; (B) to act with loyalty to clients; (C) to provide full and fair disclosure of all material facts; and (D) to employ reasonable care to avoid misleading clients;

(iii) to its knowledge, there are no material suits, actions, claims or proceedings pending or threatened in any court or before or by any governmental, regulatory or administrative body, nor have there been any such material suits, actions, claims or proceedings, to which such Sub-Advisor is a party which might reasonably be expected to have a materially adverse effect on the ability of such Sub-Advisor to perform its duties hereunder;

(iv) the Sub-Advisor has not been subject to any legal or regulatory action, proceeding, or claim involving fraud, misrepresentation or violation of any securities laws, rules or regulations;

(v) in performing its duties and obligations under this Agreement, all acts and omissions taken by such Sub-Advisor in respect of any Account shall be in compliance in all material respects with all applicable laws, rules and regulations;

(vi) such Sub-Advisor has all necessary governmental, regulatory and exchange approvals and licenses and has effected all filings and registrations with all necessary authorities required to conduct its business and to perform its obligations hereunder in all material respects;

(vii) such Sub-Advisor has, and its employees or related parties are subject to, written procedures regarding compliance with all relevant rules and regulations as required by and in conformity with applicable law, and such Sub-Advisor has procedures in place which comply with all relevant anti-money laundering and privacy principles applicable to it pursuant to applicable law;

(viii) such Sub-Advisor has full corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(ix) this Agreement constitutes a binding obligation of such Sub-Advisor, enforceable against such Sub-Advisor in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws relating to or affecting creditors' rights or by general equity principles, regardless of whether such enforceability is considered in a proceeding in equity or at law; and

(x) the execution, delivery and performance of this Agreement by such Sub-Advisor do not violate (A) any law, rule or regulation applicable to such Sub-Advisor, (B) any provision of the articles of incorporation or by-laws of such Sub-Advisor, or (C) any agreement or instrument to which such Sub-Advisor is a party except, in each case, for such violations as would not have a materially adverse effect on the ability of such Sub-Advisor to perform its obligations under this Agreement.

(b) Except as otherwise provided in an Addendum, if any, with respect to a particular Company, the Investment Manager represents and warrants to each Sub-Advisor as follows:

(i) the Investment Manager is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization;

(ii) the Investment Manager has full corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(iii) this Agreement constitutes a binding obligation of the Investment Manager, enforceable against the Investment Manager in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws relating to or affecting creditors' rights or by general equity principles, regardless of whether such enforceability is considered in a proceeding in equity or at law;

(iv) the execution, delivery and performance of this Agreement by the Investment Manager do not violate (A) any law, rule or regulation applicable to the Investment Manager, (B) any provision of the articles of incorporation or by-laws of the Investment Manager, or (C) any agreement or instrument to which the Investment Manager is a party, except for such violations as would not have a materially adverse effect, directly or indirectly, on the ability of the Investment Manager to perform its duties under this Agreement;

(v) except for the approval of the Iowa Commissioner of Insurance (the "Commissioner"), which shall be required prior to the execution, delivery and performance of this Agreement and any amendment hereto (except as otherwise set forth herein), no consent of any person, and no license, permit, approval or authorization of, exemption by, report to, or registration, filing or declaration with, any governmental authority is required by the Investment Manager in connection with the execution, delivery and performance of this Agreement other than those already obtained;

(vi) each Company is a "qualified institutional buyer" ("QIB") as defined in Rule 144A under the Securities Act of 1933, as amended, and the Investment Manager will promptly notify the Sub-Advisors if such Company ceases to be a QIB; and

(vii) none of the assets contained in any Account are or will be "plan assets" of an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, or Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code").

10. No Assignment. This Agreement may not be assigned by any party to this Agreement without the prior written consent of the other parties hereto; provided, that, upon 5 days' prior written notice to the Investment Manager, any Sub-Advisor may assign this Agreement to its affiliates without the prior written consent of the Investment Manager or any Company, provided that such assignment does not result in a change of actual control or management of such Sub-Advisor, which shall be determined with reference to Section 202(a)(1) of the Advisers Act and Rule 202(a)(1)-1 and other guidance issued by the SEC thereunder. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding on the parties hereto and their successors and permitted assigns, in each case *provided* that such successor or assignee agrees to be bound by the terms and conditions of this Agreement.

11. Governing Law. To the extent consistent with any mandatorily applicable federal law, this Agreement shall be governed by the laws of the State of Iowa without giving effect to any principles of conflicts of law thereof that would permit or require the application of the law of another jurisdiction and are not mandatorily applicable by law, and the Iowa District Court in and for Polk County, Iowa, or the United States District Court for the Southern District of Iowa, Central Division, shall have jurisdiction over the subject matter and shall be the appropriate venue or the resolution of any dispute arising under this Agreement.

13. Right to Audit. The Investment Manager and its representatives shall have the right, at its own expense, to conduct an audit of the relevant books, records and accounts of each Sub-Advisor related to the Accounts (or any particular Account) managed by such Sub-Advisor during normal business hours upon giving reasonable notice of their intent to conduct such an audit. In the event of such audit, each Sub-Advisor shall comply with the reasonable requests of the Investment Manager and/or any Company and their respective representatives and provide access to all books, records and accounts necessary to the audit and the Investment Manager shall reimburse each Sub-Advisor for its costs and expenses in connection with such audit.

14. Books and Records. Each Sub-Advisor shall keep and maintain proper books and records wherein shall be recorded the business transacted by it on behalf of, in the name of, or on account of each Company in respect of such Company's Account. Each Sub-Advisor shall maintain voting records for each Account managed by such Sub-Advisor for a minimum period of five (5) years or for such longer time as may be required by applicable law, and shall make such voting records available to the Investment Manager as the Investment Manager may reasonably request from time to time.

15. Reports. In addition to any notice requirements otherwise described herein, each Sub-Advisor shall, subject to any confidentiality obligations, legal, regulatory or other disclosure restrictions, provide the Investment Manager with (i) reports containing the information set forth on Schedule 5 and (ii) all other information reasonably requested by the Investment Manager that is required to meet the Investment Manager's compliance, financial reporting, operational and other obligations, to the extent the Sub-Advisor actually possesses such information. Schedule 5 may otherwise be amended, supplemented or modified from time to time as agreed to in writing solely by the Investment Manager and the Sub-Advisors (as applicable) without a formal amendment to the Agreement.

16. Force Majeure. No party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or gross negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of the public enemy, terrorism, acts of the state in its sovereign capacity, fires, floods, earthquakes, power failure, disabling strikes, epidemics, quarantine restrictions and freight embargoes.

17. Non-Exclusive Dealings with and by Sub-Advisor Parties; Conflicts of Interest

(c) Although nothing herein shall require any Sub-Advisor to devote its full time or any material portion of its time to the performance of its duties and obligations under this Agreement, each Sub-Advisor shall furnish continuous investment advisory services for the Accounts and, in that connection, devote to such services such of its time and activity (and the time and activity of its employees) during normal business days and hours as it shall reasonably determine to be necessary for each Account to achieve its investment objective(s); *provided, however*, that nothing contained in this Section 17(a) shall preclude the Sub-Advisor Parties from acting, consistent with the foregoing, either individually or as a member, partner, shareholder, principal, director, trustee, officer, official, employee or agent of any entity, in connection with any type of enterprise (whether or not for profit), regardless of whether any Company, Account or any Sub-Advisor Party has dealings with or invests in such enterprise.

(d) The Investment Manager understands that each Sub-Advisor will continue to furnish investment management and advisory services to others, and that each Sub-Advisor shall be at all times free, in its discretion, to make recommendations to others which may be the same as, or may be different from or inconsistent with, those made to each Account. The Investment Manager further understands that the Sub-Advisor Parties may or may not have an interest in the securities whose purchase and sale any Sub-Advisor may recommend. Actions with respect to securities of the same kind may be the same as or different from or inconsistent with the action which the Sub-Advisor Parties or other investors may take with respect thereto. Furthermore, the Investment Manager understands and agrees that each Sub-Advisor Party shall have the right to engage, directly or indirectly, in the same or similar business activities or lines of business as any Sub-Advisor and any other Sub-Advisor Party and no knowledge or expertise of any Sub-Advisor Parties or any opportunities available to such Sub-Advisor Parties shall be imputed to any Sub-Advisor or any other Sub-Advisor Parties.

(e) The Investment Manager agrees that each Sub-Advisor may refrain from rendering any advice or services concerning securities of companies of which any of the Sub-Advisor Parties are directors or officers, or companies as to which the Sub-Advisor Parties have any substantial economic interest or possesses material non-public information, unless such Sub-Advisor either determines in good faith that it may appropriately do so without disclosing such conflict to the Investment Manager and any applicable Company or discloses such conflict to the Investment Manager and such Company prior to rendering such advice or services with respect to any Account.

(f) From time to time, when determined by any Sub-Advisor to be in the best interest of any Company and with the prior approval of the Investment Manager, the Account in respect of such Company may purchase securities from or sell securities to another account (including, without limitation, public or private collective investment vehicles) managed, maintained or trusted by such Sub-Advisor or an affiliate at prevailing market levels in accordance with applicable law and utilizing such pricing methodology determined to be fair and equitable to such Company in such Sub-Advisor's reasonable judgment.

(g) Notwithstanding anything else in this Agreement to the contrary, none of the Sub-Advisors shall be under any obligation to effect trades or satisfy any other obligation required of it herein if such Sub-Advisor determines that such transactions might be adverse to the interests of clients managed by such Sub-Advisor or its affiliates. Each Sub-Advisor shall

be entitled to consider its fiduciary duties to all clients that hold parallel positions in the securities to be sold or distributed, if any. In the event that, in accordance with this provision, a Sub-Advisor declines to follow the instructions of the Investment Manager, the Sub-Advisor will notify the Investment Manager of such conflict and its decision with respect thereto. For the avoidance of doubt, if the Sub-Advisor determines not to follow the direction of the Investment Manager, nothing herein shall prevent the Investment Manager from immediately making a full or partial withdrawal from the applicable Account(s) and proceeding with the relevant course of action on its own.

18. Aggregation and Allocation of Orders.

(a) The Investment Manager acknowledges that circumstances may arise under which a Sub-Advisor determines that, while it would be both desirable and suitable that a particular security or other investment be purchased or sold for the account of more than one of such Sub-Advisor's clients' accounts, there is a limited supply or demand for the security or other investment. Under such circumstances, the Investment Manager acknowledges that, while such Sub-Advisor will seek to allocate the opportunity to purchase or sell that security or other investment among those accounts on an equitable basis, such Sub-Advisor shall not be required to assure equality of treatment among all of its clients (including that the opportunity to purchase or sell that security or other investment will be proportionally allocated among those clients according to any particular or predetermined standards or criteria). Where, because of prevailing market conditions, it is not possible to obtain the same price or time of execution for all of the securities or other investments purchased or sold for each Account (or for the other accounts advised or sub-advised by such Sub-Advisor), such Sub-Advisor may average the various prices and charge or credit any Account with the average price.

(b) It is each Sub-Advisor's general policy to allocate investment opportunities among investment funds and client accounts on a basis that such Sub-Advisor and its affiliates determine in good faith to be appropriate taking into consideration such factors as each client's and investment fund's primary mandate, the relative amounts of capital available for investment (after taking into account applicable reserves), and any restrictions on investment, the sourcing of the transaction, the size of the transaction, the amount of potential follow-on investing strategy of the client or investment fund, reasons of portfolio balance, the nature and extent of involvement in the transaction on the part of the respective teams of investment professionals and other factors deemed applicable by such Sub-Advisor and its affiliates in good faith.

19. Sub-Advisors Independent. For all purposes of this Agreement, each Sub-Advisor shall be deemed to be an independent contractor and shall have no authority to act for, bind or represent the Investment Manager, any Company or any Company's shareholders in any way, except as expressly provided herein, and shall not otherwise be deemed to be an agent of any Company. Nothing contained herein shall create or constitute any Sub-Advisor, the Investment Manager and/or any Company as a member of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, nor shall anything contained herein be deemed to confer on any of them any express, implied, or apparent authority to incur any obligation or liability on behalf of any other person, except as expressly provided herein. Each Sub-Advisor shall be severally liable for its own obligations and the Investment Manager shall have no recourse to any Sub-Advisory for the actions or omissions of any other Sub-Advisor.

20. Entire Agreement. Except for those documents, agreements or Addendums referred to herein, this Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes from and after the Effective Date all other prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement. There are no understandings between the parties with respect to the subject matter of this Agreement other than as expressed herein.

21. Severability. To the extent this Agreement may be in conflict with any applicable law or regulation, this Agreement shall be construed to the greatest extent practicable in a manner consistent with such law or regulation. The invalidity or illegality of any provision of this Agreement shall not be deemed to affect the validity or legality of any other provision of this Agreement.

22. Counterparts; Amendment. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Except as set forth herein or in any Addendum, this Agreement may not be modified or amended, except by an instrument in writing approved by the Commissioner and signed by the party to be bound or as may otherwise be provided for herein.

23. Addendums. In the event that the Investment Manager and the Sub-Advisors (or any of them as the case may be) execute an Addendum to this Agreement, such Addendum shall be deemed to be attached to and become a part of this Agreement and the terms of this Agreement shall be amended, supplemented or modified by the terms of such Addendum as applicable. In the event of conflict between this Agreement and any Addendum, the terms and conditions contained in such Addendum shall control. Upon the execution by the Investment Manager and the Sub-Advisors (or any of them, as the case may be) of any Addendum, this "Agreement" shall be deemed to include the terms set forth in any such Addendum.

24. No Recourse to Companies. Each Sub-Advisor acknowledges and agrees that such Sub-Advisor shall not have any recourse against any Company for any claims, losses, damages, liabilities, indemnities or other obligations whatsoever in connection with this Agreement or any transaction contemplated hereunder.

25. Third-Party Beneficiary. Notwithstanding any provision herein to the contrary, each Sub-Advisor and the Investment Manager acknowledge and agree that each Company is an intended third-party beneficiary of each term and provision hereof and each term and provision of this Sub-Advisory Agreement may be enforced by the Company.

Schedule 1

Schedule 2-1

Management Fee Schedule

1. **Management Fee.** In consideration of the services performed under the Agreement, the Investment Manager shall pay to the Sub-Advisors (allocated among such Sub-Advisors as such Sub-Advisors shall determine) a management fee (the "**Management Fee**"), calculated and paid quarterly in arrears as a percentage of Average Month-End Net Asset Value of assets in all the Accounts managed by the Sub-Advisors (unless otherwise agreed to by the parties¹), (other than Third Party CLO Equity Managed Account (as described on Schedule 2-3)²) pursuant to the following schedule, which shall take effect with respect to new and existing assets as of the Effective Date³:

<u>Assets Under Management</u> ⁴	<u>Management Fee Rate</u> ⁵
< \$10,000,000,000	40 bps (0.40%) per annum
≥ \$10,000,000,000	35 bps (0.35%) per annum

- ¹ For the avoidance of doubt but subject to Section 2(a), to the extent that a Sub-Adviser invests on behalf of the Account in an affiliate-managed CLO (a) to the extent that such investment is on a secondary basis in one of the debt and/or equity tranches of such CLO, the Account will be charged fees pursuant to this Schedule 2-1; and (b) to the extent that such investment is on a primary basis, the agreement governing the Account's investment into the affiliate-managed CLO will govern the treatment of fees in such instance (and not, for the avoidance of doubt, this Schedule 2-1). In addition, the Investment Manager shall be responsible for any servicing fees associated with the sub-advised mortgage and mezzanine real estate loan portfolio.
- ² For the avoidance of doubt, this fee schedule does not apply to future or existing investments in Apollo funds (which as of the date hereof includes but is not limited to TRF, COF 3, EPFs, FCIs, all the ALM and ALME CLO and related warehouses, the levered CMBS funds and APC), or to any investments made by Apollo Royalties Management LLC. Additionally, this fee schedule does not apply to investments in MCF CLO II (f/k/a Kirkwood), which is covered by Schedule 2-3 hereof). Fees with respect to the Third Party CLO Equity Managed Account are charged pursuant to Schedule 2-3, and the Project Orange Trade will be included in the Third Party CLO Equity Managed Account and charged accordingly.
- ³ For the avoidance of doubt, this fee schedule applies to certain trades, notwithstanding that they took place prior to the Effective Date, as set forth on Schedule 6.
- ⁴ "Assets Under Management" shall be calculated in the aggregate to include the investment assets of or relating to Athene Holding Ltd. ("Athene") and its subsidiaries, managed by ACM, AGREM, ARM, ALL, AEM or an affiliate thereof, whether under this Agreement or separate sub-advisory agreement with the Investment Manager, including cash and all assets in surplus accounts and funds withheld accounts, modified coinsurance accounts and reinsurance trusts supporting reinsurance agreements entered into by Athene and managed by ACM, AGREM, ARM, ALL and AEM. For the avoidance of doubt, Assets Under Management shall not include future or existing investments in Apollo managed funds (which as of the date hereof includes but is not limited to TRF, COF 3, EPFs, FCIs, all the ALM, ALME or other affiliated CLOs or CLO-sponsored vehicles and related warehouses, APC, the levered CMBS funds) or any investments made by Apollo Royalties Management LLC; provided, that, notwithstanding the foregoing, to the extent that the Account invests in any affiliated CLO or CLO-sponsored vehicle pursuant to which the Account is charged fees pursuant to this Section 2-1, such investment in such affiliated CLO or CLO-sponsored vehicle shall be included in Assets Under Management.
- ⁵ For the avoidance of doubt, this Schedule 2.1 shall not apply to any Apollo controlled investment entities, the fee schedule of which shall be governed by a separate schedule or other governing document.

Schedule 2-1

For the avoidance of doubt, the step-down in Management Fee Rate from 40 bps to 35 bps will only apply to the portion of Assets Under Management in excess of \$10,000,000,000 based on the net asset value of the Accounts.

The "Average Month-End Net Asset Value" shall be the average of the month-end aggregate net asset value of the Accounts during the calendar quarter. If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro rated* accordingly. For the avoidance of doubt, for a given month, Average Month-End Net Asset Value shall be calculated based on trade date holdings plus accrued interest.

2. **Valuation.** Each Sub-Advisor, through its designee, shall (i) be responsible for determining the value of the assets that are purchased for the Accounts that it manages in accordance with such Sub-Advisor's existing policies and procedures, and (ii) shall use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees.
3. **Payment of Fees.** The Management Fee will be calculated, billed, and paid quarterly in arrears, based on the Average Month-End Net Asset Value as of the last business day of each and all of the three calendar months during the relevant quarter, or in the case of any partial quarterly period, the last day of each calendar month during the relevant period and the last business day of such period. The Investment Manager will pay any Management Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such fee, detailing the calculation of such fee. The Investment Manager and the Sub-Advisors shall agree on the form and substance of such invoice before the first Management Fee billing cycle. Upon termination of the Agreement, any outstanding Management Fee shall become immediately payable by the Investment Manager.
4. **Incentive Fees.** For the avoidance of doubt, the provisions governing incentive fees on existing assets remain intact and shall not be deemed amended by this Agreement. The Investment Manager and each Sub-Advisor may agree in writing from time to time on an incentive fee with respect to particular investments or asset classes managed by such Sub-Advisor.

Schedule 2-1

Schedule 2-2

ALL

Specifically, Proceeds from each investment will be allocated as follows:
- (i) First, to the Investment Manager's applicable clients (the "Clients") until such Clients have received an amount equal to: (a) the cost of such investment, plus (b) an amount equal to any previously unreturned realized losses from investments recommended by ALL pursuant to this Schedule 2-2;
 - (ii) Second, to the applicable Clients until such Clients have received an amount equal to interest at the rate of eight percent (8%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return");
 - (iii) Third, (a) 80% to ALL and (b) 20% to the applicable Clients, until ALL has received an amount equal to twenty percent (20%) of the sum of the allocations made pursuant to item (ii) above with respect to such investment and amounts then and previously allocated pursuant to this item (iii) with respect to such investment; and
 - (iv) Finally, 80% to the applicable Clients and 20% to ALL.

For the avoidance of doubt, (i) other than temporary impairments, determined by each applicable Client in accordance with such Client's accounting policies and procedures, shall be treated as realized losses and (ii) the applicable Clients will not receive any unreturned Preferred Return with respect to any investment recommended by ALL from the Proceeds of any other investment recommended by ALL.

Upon termination of the Agreement, a clawback calculation will be completed based on the aggregate Proceeds received from all realized investments recommended by ALL pursuant hereto, and ALL shall be required to repay any Incentive Fee previously paid to ALL to the extent that any realized losses from investments recommended by ALL pursuant to this Schedule 2-2 remain unreturned to the applicable Clients upon such termination.

Schedule 2-2

-
2. **Valuation.** ALL shall be responsible for determining the value of the Accounts that it manages in accordance with ALL's existing policies and procedures and shall use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Fees.
 3. **Incentive Fee.** Incentive Fee will be paid quarterly in arrears. As referenced in Schedule 2.1, provisions governing incentive fees on existing assets remain intact and shall not be deemed amended by this Agreement. The Investment Manager and each Sub-Advisor may in addition agree in writing from time to time on an incentive fee with respect to particular investments or asset classes managed by such Sub-Advisor.

Schedule 2-2

SCHEDULE 2-3

Third Party CLO Equity Managed Account

1. **Management Fee.** In consideration of the services performed under the Agreement and pursuant to this Schedule 2-3, the Investment Manager shall pay a management fee (the "Management Fee"), calculated and paid quarterly in arrears as a percentage of Average Month-End Net Asset Value equal to 100 bps *per annum* on the invested assets of the applicable Accounts. For the avoidance of doubt, CLO warehouses shall be treated as CLO equity for purposes of this Schedule 2-3.

The "Average Month-End Net Asset Value" shall be the average of the month-end aggregate net asset value of the Accounts during the calendar quarter. If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro rated* accordingly. For the avoidance of doubt, for a given month, Average Month-End Net Asset Value shall be calculated based on trade date holdings plus accrued interest.

2. **Incentive Fee (excluding Kirkwood III (MCF CLO II))** In addition to the Management Fee set forth above, the applicable Sub-Advisor shall receive an incentive fee equal to fifteen percent (15%) of the realized proceeds (including principal repayments and coupon payments, "Proceeds") in excess of the cost of each investment recommended by the applicable Sub-Advisor, subject to the return of any realized losses on investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3 and return of the Preferred Return in respect to each investment, each as fully described below (the "Incentive Fee" and together with the Management Fee, the "Fees"). Specifically, Proceeds from each investment will be allocated as follows:
- (i) First, to the Investment Manager's applicable clients (the "Clients") until such Clients have received an amount equal to: (a) the cost of such investment, plus (b) an amount equal to any previously unreturned realized losses from investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3;
 - (ii) Second, to the applicable Clients until such Clients have received an amount equal to interest at the rate of ten percent (10%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return"); and
 - (iii) Finally, 85% to the applicable Clients and 15% to the applicable Sub-Advisor.

CLO equity investments in Kirkwood III (MCF CLO II) ("Kirkwood") shall be excluded for purposes of determining incentive fees payable above.

For the avoidance of doubt, (i) other than temporary impairments, determined by each applicable Client in accordance with such Client's accounting policies and procedures, shall be treated as realized losses and (ii) the applicable Clients will not receive any unreturned Preferred Return with respect to any investment recommended by the applicable Sub-Advisor from the Proceeds of any other investment recommended by the applicable Sub-Advisor.

Schedule 2-3

Upon termination of the Agreement, a clawback calculation will be completed based on the aggregate Proceeds received from all realized investments recommended by the applicable Sub-Advisor pursuant hereto, and the applicable Sub-Advisor shall be required to repay any Incentive Fee previously paid to the applicable Sub-Advisor to the extent that any realized losses from investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3 remain unreturned to the applicable Clients upon such termination.

3. **Incentive Fee for Kirkwood.** In addition to the Management Fee set forth above, the applicable Sub-Advisor shall receive, with respect to the Kirkwood equity investment, an incentive fee equal to 12.5% of Proceeds in excess of the cost of such investment and receipt by the applicable Clients of the Preferred Return (as defined below). Specifically, Proceeds from the Kirkwood equity investment will be allocated as follows:
 - (i) First, to the applicable Clients, until such Clients have received an amount equal to the cost of such investment;
 - (ii) Second, to the applicable Clients until the such Clients have received an amount equal to interest at the rate of ten percent (10%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return"); and
 - (iii) Finally, 87.5% to the applicable Clients and 12.5% to the applicable Sub-Advisor.
4. **Valuation.** Each Sub-Advisor, through its designee, shall (i) be responsible for determining the value of the assets that are purchased for the Accounts that it manages in accordance with such Sub-Advisor's existing policies and procedures, and (ii) use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees.
5. **Payment of Fees.** The Management Fee will be calculated, billed, and paid quarterly in arrears, based on the Average Month-End Net Asset Value as of the last business day of each and all of the three calendar months during the relevant quarter, or in the case of any partial quarterly period, the last day of each calendar month during the relevant period and the last business day of such period. The Investment Manager will pay any Management Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such fee, detailing the calculation of such fee. The Investment Manager and the Sub-Advisors shall agree on the form and substance of such invoice before the first Management Fee billing cycle. Upon termination of the Agreement, any outstanding Management Fee shall become immediately payable by the Investment Manager.

Schedule 2-3

SCHEDULE 3

AEM Investment Guidelines

1. AEM Investment Discretion. In accordance with Section 2(k) of the Agreement AEM may execute (or facilitate execution of) transactions on behalf of one or more Accounts without the prior consent of the Investment Manager, so long as:

- (a) immediately after giving effect to such transactions, to the knowledge of AEM, the holdings of each Account for which AEM acts as Sub-Advisor is in compliance with these Investment Guidelines or as otherwise may be agreed in writing between the Investment Manager and AEM and subject to the terms of this Addendum (as amended or supplemented from time to time by agreement of the Investment Manager and AEM, the "Investment Guidelines"); and
- (b) the issuers in such transactions are included among the pre-approved list of issuers set forth in Schedule 4 attached hereto (as amended or supplemented from time to time by written agreement of the Investment Manager and AEM, the "Approved Issuers List").

Notwithstanding the foregoing, the Investment Manager may revoke such investment discretion at any time upon notice to AEM. This Schedule 3 and the Schedule 4 attached to the Agreement may otherwise be amended, supplemented or modified from time to time as agreed to in writing solely by the Investment Manager and AEM without a formal amendment to the Agreement. For the avoidance of doubt, AEM shall be required to seek the written consent of the Investment Manager, to the extent practicable, prior to executing any transactions that do not comply with the Investment Guidelines or are not included among the pre-approved classes of transactions on the Approved Issuers List, and the Investment Manager shall approve, decline or ratify such transactions, as applicable, in its sole discretion.

2. Investment Guidelines.

The Investment Guidelines set forth herein may be amended or waived only by the agreement of AEM and the Investment Manager, and the Investment Manager may request AEM to make suitable modifications to this Schedule 3 to reflect any change in market or other circumstances; provided, that any modification to this Schedule 3 requested by the either party shall become effective only upon agreement by both parties. AEM shall use its reasonable efforts to comply with these Investment Guidelines during the initial ramp-up period commencing on the date of this Addendum and ending on January 31, 2015, but AEM shall not be required to be in compliance with these Investment Guidelines during such ramp-up period. All percentages set forth below are intended as "soft" limits and shall be measured at the time of acquisition of an asset only, based on market value, and therefore should be measured on an incurrence basis only. AEM shall be entitled to maintain or improve its position with respect to such limits after the time of acquisition of an asset.

Schedule 3

AEM will invest primarily in the following emerging markets: Central and Eastern Europe, the Middle East and Africa, Latin America and Asia.

- (a) immediately after giving effect to such transactions, to the knowledge of AEM, the holdings of the AEM Accounts are in compliance with the Investment Guidelines below or as otherwise may be agreed in writing between the Investment Manager and AEM and subject to the terms of this Addendum (as amended or supplemented from time to time by agreement of the Investment Manager and AEM, the “Investment Guidelines”); and

AEM shall only purchase securities on behalf of the AEM Accounts if the issuer (i) is organized in a jurisdiction which, at the time of acquisition of an investment, does not require withholding tax on interest paid to a U.S. tax resident that qualifies for benefits under an applicable tax treaty either pursuant to the domestic laws of the country or pursuant to the relevant tax treaty or (ii) provides for a gross up of any withholding taxes.

Compliance. AEM shall provide written notice, which such written notice may be in the form of email, to the Investment Manager within five (5) business days of its knowledge of the acquisition or establishment of an investment or position that does not comply with the Investment Guidelines and/or Approved Issuers List (including noncompliance described below which does not result from the volitional acts of AEM) at the time of such acquisition or establishment and shall use commercially reasonable efforts to enter into a mutual agreement with the Investment Manager regarding AEM’s resolution of such breach. Notwithstanding the foregoing, to the extent the portfolio becomes noncompliant with the Investment Guidelines due to changes in the market values, maturities, amortization rates, credit ratings or other characteristics of the securities or other instruments after purchase or because of other causes not due to the volitional acts of AEM, AEM shall use commercially reasonable efforts to dispose of such security, or transfer such security within 45 business days of its knowledge of such noncompliance unless a shorter period is requested by the Investment Manager to AEM or such non-compliance is waived in writing by the Investment Manager.

In addition to the reporting requirements set forth on Schedule 5 and the other compliance requirements set forth above, within ten (10) business days of the end of each calendar month, AEM shall also provide to the Investment Manager a statement (a “Compliance Statement”) reporting whether each asset in the AEM Accounts as of the last day of the calendar month subject to such report, and all the assets in the AEM Accounts in aggregate, as of the last day of the calendar month subject to such report, were in compliance with the Investment Guidelines and the Approved Issuers List and the nature, reason and magnitude of noncompliance, if any, with the Investment Guidelines and/or the Approved Issuers List. Such Compliance Statement shall be provided to the Investment Manager via email at legalcomp@athenelp.com.

Exhibit A

**SECOND AMENDED AND RESTATED
MASTER SUB-ADVISORY AGREEMENT**

This Second Amended and Restated Master Sub-Advisory Agreement (this "Agreement"), effective as of April 1, 2014 (the "Effective Date"), is entered into by and among Athene Asset Management L.P., a Cayman Islands exempted limited partnership (the "Investment Manager"), Apollo Capital Management, L.P., a Delaware limited partnership ("ACM"), Apollo Global Real Estate Management, L.P., a Delaware limited partnership ("AGREM"), ARM Manager LLC, a Delaware limited liability company ("ARM"), Apollo Longevity, LLC, a Delaware limited liability company ("ALL"), Apollo Royalties Management, LLC, a Delaware limited liability company ("AR") and Apollo Emerging Markets, LLC, a Delaware limited liability company ("AEM"), and, together with ACM, AGREM, ARM, ALL and AR, the "Sub-Advisors").

WHEREAS, the Investment Manager serves as investment manager to one or more accounts as may be designated by certain insurance companies (each a "Company") from time to time and set forth on Schedule 1 attached hereto (as amended in accordance with Section 1(c) hereof), as subject to the Investment Manager's management, pursuant to the Investment Management Agreement set forth opposite each Company's name on Schedule 1 (each, an "Investment Management Agreement"), with authority to delegate any of its rights and obligations thereunder to one or more sub-advisors;

WHEREAS, the Investment Manager and the Sub-Advisors previously entered into that certain Amended and Restated Master Sub-Advisory Agreement, dated as of April 17, 2013 (as amended by that certain Master Sub-Advisory Agreement Addendum One, dated June 20, 2013, that certain Master Sub-Advisory Agreement Addendum Two, dated July 25, 2013, that certain Master Sub-Advisory Agreement Addendum Three, dated August 2, 2013, that certain Master Sub-Advisory Agreement Addendum Four, dated October 21, 2013, that certain Master Sub-Advisory Agreement Addendum Five, dated February 4, 2014 and that certain Master Sub-Advisory Agreement Addendum Six, dated April 14, 2014, the "First Amended Master Sub-Advisory Agreement"), pursuant to which the Investment Manager retained the Sub-Advisors, upon the terms and conditions set forth in the First Amended Master Sub-Advisory Agreement, to sub-advise an investment portfolio of one or more of such Company accounts (the portion of the accounts sub-advised by the Sub-Advisor, together with all additions, substitutions and alterations thereto, are individually referred to as an "Account" and, collectively, referred to herein as the "Accounts"); and

WHEREAS, the Investment Manager and the Sub-Advisors desire to amend and restate the First Amended Master Sub-Advisory Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. Appointment of Sub-Advisors.

(a) From time to time, as the Investment Manager and the applicable Sub-Advisors shall agree, the Investment Manager shall designate and appoint one or more Sub-Advisors (acting individually or jointly as the parties may agree), on the terms and subject to the conditions set forth herein, as a sub-investment advisor for one or more Accounts with authority to make recommendations to the Investment Manager with respect to the investment and reinvestment of the funds and assets of such Account or Accounts, and the Sub-Advisors (or any of them as the case may be) shall accept such appointment. In addition, the Investment Manager and one or more Sub-Advisors may execute an addendum governing the terms of the sub-advisory services to be provided with respect to any Company, which addendum may, among other things and subject to Section 3(a), supplement or modify the terms of this Agreement relating to such Company's Account or Accounts (including, without limitation, terms relating to management services, investment guidelines and/or management fees) on terms mutually acceptable to the Investment Manager and the Sub-Advisors (or any of them as the case may be) (each such Addendum, including any schedules thereto, an "Addendum"). The parties intend that each Addendum shall be substantially in the form of the Master Sub-Advisory Agreement Addendum attached hereto as Exhibit A or as otherwise may be agreed upon among the applicable parties.

(b) From time to time, the Investment Manager may designate and appoint additional sub-advisors for one or more Accounts with authority to make recommendations to the Investment Manager with respect to the investment and reinvestment of the funds and assets of such Account or Accounts. Any such designation and appointment shall be effective upon the execution by the Investment Manager and such additional sub-advisor(s) of an Addendum setting forth the terms of the sub-advisory services to be provided by such sub-advisor(s). Following the execution of any such Addendum, each such additional sub-advisor shall be deemed to be a Sub-Advisor for all purposes of this Agreement.

(c) Within a reasonable time after the appointment or termination of any Sub-Advisor with respect to any particular Company, and after the execution of each Addendum, if any, Schedule 1 attached hereto shall be amended to reflect such appointment (by addition to such Schedule) or termination (by deletion from such Schedule), as the case may be, it being understood that Schedule 1 is solely for the convenience of the parties and shall not be evidence of, or precondition for, any such appointment or termination. The Sub-Advisors agree that Schedule 1 may be amended from time to time by the Investment Manager upon written notice to the Sub-Advisors for the purpose of adding additional insurance companies and/or accounts thereto, and, following any such amendment, (i) each such additional insurance company shall be deemed to be a Company for all purposes of this Agreement and (ii) each such additional account shall be deemed to be an Account for all purposes of this Agreement.

2. Management Services; Duties of and Restrictions on Sub-Advisors.

(a) For the avoidance of doubt and without limiting the generality of the powers conferred upon it by Section 1, the Sub-Advisors (or any of them as the case may be) shall be responsible for making recommendations for the investment and reinvestment of the assets of each Account. The Sub-Advisors shall make recommendations to the Investment

Manager, and the Investment Manager shall approve or decline such recommendations in its sole discretion. The Sub-Advisors shall be responsible for facilitating execution (through third party brokers or other agents or as otherwise permitted hereby) of any approved investment recommendations in accordance with this Agreement and any instructions provided by the Investment Manager. For the avoidance of doubt, the Sub-Advisors may only execute (or facilitate execution of) transactions in an Account pursuant to this Agreement with the prior consent of the Investment Manager (subject to Section 2(k) below). The Investment Manager shall be responsible for ensuring that any transaction approved by the Investment Manager is permissible under any investment guidelines agreed upon between the Investment Manager and the applicable Company. Where the prior consent of the Investment Manager is required prior to the Sub-Advisor taking any action under this Agreement, the Investment Manager's written or verbal consent (including consent by electronic mail) shall suffice, unless the express language of this Agreement requires the Investment Manager's consent in writing, in which case only the signed consent of the Investment Manager shall suffice. Where verbal consent for a particular trade is given by the Investment Manager, and provided that the applicable Sub-Advisor provides normal documentary evidence of such trade on the trade date (i.e., via trade ticket, trade confirmation, trade blotter excerpt or similar means provided in the normal course), the Investment Manager's consent with respect to such trade shall be deemed evidenced by the absence of the Investment Manager's objection to such trade in writing (including by electronic mail) prior to the earlier of (i) the close of business on the second business day following the trade date and (ii) the settlement date.

(b) Subject to the other provisions of this Agreement, including, without limitation, Sections 2(a) and 2(h), the Sub-Advisors have authority: (i) to buy, sell, sell short, hold and trade, on margin or otherwise and in or on any market or exchange within or outside the United States or otherwise, securities convertible into preferred or common stock of domestic and foreign issuers, debt securities of domestic and foreign governmental issuers (including federal, state and municipal issuers) and domestic and foreign corporate issuers, investment company securities, money-market securities, partnership interests, mortgage- and asset- backed securities (including, without limitation, collateralized loan obligations and other collateralized debt obligations), foreign currencies and currency forwards, futures contracts and options thereon, bank and debtor-in-possession loans, trade receivables, repurchase and reverse repurchase agreements, commercial paper, other securities, futures and derivatives (including interest rate and currency swaps, swaptions, caps, collars and floors), rights and options on all of the foregoing and other investments, assets or property; and (ii) to effect such other investment transactions involving the assets in an Account's name and solely for such Account, including without limitation, to execute swap, futures, options and other agreements with counterparties. Without the prior written consent of the Investment Manager, the Sub-Advisor shall not open or close any accounts on a Company's behalf.

(c) With respect to each Account advised by such Sub-Advisor, such Sub-Advisor will have the authority to exercise any voting rights relating to assets of such Account. Upon receipt of the Investment Manager's prior verbal or written consent, each Sub-Advisor shall be authorized to exercise rights, options, warrants, conversion privileges, and redemption privileges, and to tender securities pursuant to a tender offer, in each case, with respect to such Account. Each Sub-Advisor shall have the authority to exercise, on behalf of each Account managed by such Sub-Advisor, all rights, remedies and obligations associated with assets held in

such Account. Each Sub-Advisor shall have the authority to execute trade confirmations, trade tickets, purchase orders, assignment agreements, engagement letters, amendments, forbearance agreements and all other documents related to the purchase, sale, amendment, restructuring or insolvency of assets of an Account managed by such Sub-Advisor; provided that, any exercise of such authority which would result in a conversion or transfer of an asset shall be subject to the prior verbal or written consent of the Investment Manager.

(d) Subject to each respective Investment Management Agreement with respect to each Account, the Investment Manager may rebalance or reallocate assets among such Account in its discretion (or between the Accounts and any other accounts of any Company or other clients of the Investment Manager sub-advised by any Sub-Advisor) and will provide the Sub-Advisors (or any of them as the case may be) with notice of any such rebalancings or reallocations.

(e) The Sub-Advisors (or any of them as the case may be) will reasonably cooperate with the Investment Manager to the limited extent necessary for the Investment Manager to perform such ongoing due diligence reasonably relating to each Account and the Sub-Advisors as the Investment Manager reasonably deems necessary or advisable, provided, that such cooperation shall be at no cost or expense to the Sub-Advisors and any cost or expense associated therewith shall be paid by the Investment Manager.

(f) No Sub-Advisor may retain any sub-advisors or otherwise delegate any of its obligations under this Agreement with respect to each Account managed by such Sub-Advisor without the prior written consent of the Investment Manager; provided that each Sub-Advisor may delegate any of its obligations to its affiliates without the prior consent of the Investment Manager; and provided further that, notwithstanding any delegation permitted pursuant to this Section 2(f), such Sub-Advisor shall always remain responsible to the Investment Manager for such Sub-Advisor's obligations hereunder with respect to such Company's Account.

(g) With the written consent of the Investment Manager, each Sub-Advisor shall have the authority to engage such attorneys, accountants and other professionals or advisors as may be necessary or advisable in the discharge of its duties and obligations under this Agreement.

(h) Unless otherwise allowed by an Addendum with respect to a particular Company, none of the Sub-Advisors shall enter into, whether in the name, and on behalf, of any Company or otherwise, any over-the-counter, exchange-traded and other derivative transactions (including any and all contracts or agreements related thereto) in respect of any Accounts without the prior written consent of the Investment Manager (which written consent may be conveyed via electronic mail).

(i) None of the Sub-Advisors shall make a claim for exemption from U.S. withholding tax to the U.S. Internal Revenue Service on the basis that income of any Company is effectively connected with the conduct of a trade or business in the United States, nor shall any Sub-Advisor file a U.S. Internal Revenue Service Form W8-ECI (or any successor form) on behalf of any Company with any withholding agent.

(j) Each Sub-Advisor shall promptly notify the Investment Manager upon its actual knowledge of the occurrence of any event which in the reasonable opinion of such Sub-Advisor would have a materially adverse impact on the ability of such Sub-Advisor to manage each Account sub-advised by such Sub-Advisor.

(k) Notwithstanding anything to the contrary contained herein, the Investment Manager may enter into an arrangement with a Sub-Advisor, either pursuant to an Addendum or other written arrangement, whereby the Sub-Advisor would have discretion with respect to certain transactions other than as set forth in Section 2(a), such as to execute certain transactions for the Accounts without seeking prior consent from the Investment Manager so long as they fit within certain prescribed guidelines or a particular set of issuers, or some other similar agreement; provided that the Investment Manager may revoke such investment discretion at any time upon notice to such Sub-Advisor.

(l) Each Sub-Advisor agrees to use reasonable best efforts to cause its portfolio managers to trade within the Investment Manager's systems environment, including staging such trades prior to execution.

(m) Each Sub-Advisor and the Investment Manager agree to use commercially reasonable efforts to develop an investment policy statement (an Investment Policy Statement) mutually agreed upon by such Sub-Advisor and the Investment Manager with respect to such Sub-Advisor's asset class and such Investment Policy Statement shall generally include, without limitation, policy statements with respect to such Sub-Advisor's investment strategy, applicable index ("Index"), investment objectives (including benchmarks), investment constraints and reporting procedures (provided that such reporting procedures shall comply with Section 15 below).

3. Compensation; Expenses.

(a) Except as otherwise set forth in any Addendum entered into in respect of any Account, the Investment Manager agrees to pay the Sub-Advisors a management fee ("Management Fee") for the services provided pursuant to this Agreement, calculated and paid (A) with respect to each Sub-Advisor other than AR and, other than with respect to third party CLO equity managed accounts, in accordance with Schedule 2-1 attached hereto (as amended from time to time), (B) with respect to assets purchased by ALL prior to the Effective Date, in accordance with Schedule 2-2 attached hereto (as amended from time to time), (C) with respect to third party CLO equity managed accounts, in accordance with Schedule 2-3 hereto (as amended from time to time) and (D) with respect to AR, in accordance with Schedule 2-4 attached hereto (as amended from time to time). The Management Fee described in Schedule 2-1 and Schedule 2-3, respectively, shall be allocated among the applicable Sub-Advisors as such Sub-Advisors shall determine.

(b) Each Sub-Advisor will be responsible for all fees and expenses incurred by it in performing its obligations under this Agreement except, for the avoidance of doubt, Account Trading and Investment Expenses, which shall be paid by each respective Company out of the assets of the Account of such Company.

(c) For purposes of this Agreement, "Account Trading and Investment Expenses" shall mean all brokerage fees, brokerage commissions and all other brokerage transaction costs, stock borrowing and lending fees, interest on cash balances, custodial fees, reasonable transaction legal expenses, regulatory fees or taxes payable in respect of the Account, professional expenses (including fees in connection with the use of proxy voting services) and any other fees and expenses related to the trading and investment activity of the Account as determined by the Sub-Advisors in good faith; provided that such fees and expenses are not duplicative of any services provided by the Investment Managers or agents, brokers, advisors or professionals engaged in any capacity by the Investment Manager.

4. Custodian.

(a) The assets of each Account shall be held by a trustee, custodian or securities intermediary that is a “qualified custodian” as defined in Rule 206(4)–2 under the Investment Advisers Act of 1940 duly appointed by each Company (the “Custodian”), and each Sub-Advisor is authorized to give instructions to the Custodian, in writing, with respect to all investment decisions regarding each Account managed by such Sub-Advisor. Nothing contained herein shall be deemed to authorize the Sub-Advisors to take or receive physical possession of any of the assets for the Account and no Sub-Advisor shall have custody or possession of any such assets, it being intended that sole responsibility for safekeeping thereof (in such investments as the Investment Manager or the Sub-Advisors may direct) and the consummation of all purchases, sales, deliveries and investments made pursuant to such Sub-Advisor’s direction shall rest upon the Custodian. The Custodian may be changed with respect to any Company’s Account from time to time upon the written instructions of such Company, subject to any required consents.

(b) Except as expressly provided herein, a Sub-Advisor may not withdraw or substitute funds or other assets from any Account managed by it without the approval of the Custodian (which approval may be subject to the further approval of the applicable Company (as the case may be) and/or the Investment Manager).

(c) Each Company shall instruct the Custodian to send the Investment Manager and the Sub-Advisors (or any of them as the case may be) duplicate copies of all Account statements given to such Company by the Custodian.

5. Brokerage. The Sub-Advisors may designate the brokers or dealers through whom all purchases and sales on behalf of each Account will be made. To the extent permitted by applicable law, such brokers or dealers may include affiliates of the Sub-Advisors. The Sub-Advisors will determine the rate or rates, if any, to be paid for brokerage services provided to each Account. In selecting brokers or dealers to effect transactions on behalf of any Account, the Sub-Advisors, subject to their overall duty to obtain “best execution” of Account transactions, will have authority to and may consider the full range and quality of the ability of the brokers or dealers to execute transactions efficiently, their responsiveness to each Sub-Advisor’s instructions, their facilities, reliability and financial responsibility and the value of any research or other services or products they provide. None of the Sub-Advisors will be obligated to seek in advance competitive bidding for the most favorable commission rate applicable to any particular transaction for any Account or to select any broker-dealer on the basis of its purported

posted commission rate. As long as the services or other products provided by a particular broker or dealer (whether directly or through a third party) qualify as “brokerage and research” services within the meaning of Section 28(e) of the Securities Exchange Act of 1934, as amended (and relevant Securities and Exchange Commission (“SEC”) interpretations of that section) and the Sub-Advisors (or any of them as the case may be) determine in good faith that the amount of commission charged by such broker or dealer is reasonable in relation to the value of such “brokerage and research services,” the Sub-Advisors (or any of them as the case may be) may utilize the services of that broker or dealer to execute transactions for each Account on an agency basis even if (i) such Account would incur higher transaction costs than it would have incurred had another broker or dealer been used and (ii) such Account does not necessarily benefit from the research or products provided by that broker or dealer.

6. Limitation of Liability.

(a) None of the Sub-Advisors guarantee the future performance of any Account or any specific level of performance, the success of any investment decision or strategy that any Sub-Advisor may use, or the success of any Sub-Advisor’s overall management of any Account. None of the Sub-Advisors provide any express or implied warranty as to the performance or profitability of the Account nor any part thereof nor that any specific investment objectives will be successfully met. Investment decisions made by any Sub-Advisor on behalf of any Account managed by such Sub-Advisor are subject to various market, currency, economic, political and business risks, and those investment decisions will not always be profitable. The Sub-Advisors shall be severally and not jointly liable for their respective obligations and liabilities under this Agreement.

(b) To the maximum extent permitted by law, none of the Sub-Advisors, any affiliate of the Sub-Advisors or any member, partner, shareholder, principal, director, officer, employee or agent of the Sub-Advisors or any such affiliate (each, a “Sub-Advisor Party”) shall be liable for any loss, liability or damage (including attorney’s fees and other related expenses) (“Losses”) resulting from: (i) any act or failure to act by the Custodian, any administrator or any broker or dealer; or (ii) any act or omission by any Sub-Advisor or any permitted Sub-Advisor in connection with the performance of its services under this Agreement (including any Addendum hereto), except in cases of willful misconduct, gross negligence, bad faith or reckless disregard by any Sub-Advisor or any permitted Sub-Advisor of its obligations and duties under this Agreement (including any Addendum hereto). Except as expressly set forth above, none of the Sub-Advisors shall have liability for any Losses suffered, and shall be fully indemnified by the Investment Manager for any Losses it may suffer, as the result of any actions it takes or does not take based on instructions or permissions received from any of the authorized persons of the Investment Manager reasonably believed by such Sub-Advisor to be genuine. Each Sub-Advisor may consult with legal counsel at its cost and expense (without limiting the reimbursement provisions set forth in this Agreement, including those set forth in Section 3(b)) concerning any question which may arise with reference to this Agreement or its duties hereunder, and the opinion of such counsel shall be full and complete protection with respect to, and none of the Sub-Advisors shall have liability for any Losses suffered as a result of, any action taken or suffered by any Sub-Advisor hereunder in good faith and in accordance with the opinion of such counsel. Under no circumstances shall any Sub-Advisor be liable for any special, incidental, exemplary, consequential, punitive, lost profits or indirect damages.

(c) The federal and state securities laws may impose liabilities under certain circumstances on persons who act in good faith, and therefore nothing in this Agreement will waive or limit any rights that the Investment Manager or any Company may have under those laws.

7. Termination.

(a) The terms and provisions of this Agreement shall apply to all transactions from the date of this Agreement and this Agreement shall continue in effect until terminated by the Investment Manager on the one hand, or the Sub-Advisors on the other hand, without penalty, by the terminating party giving written notice to the other party in writing which will take effect 30 days after the date on which notice is received by the other party or such later date as such notice specifies (which shall not exceed 90 days from the date of such notice) or such earlier date as the other party may agree. In addition, this Agreement may be terminated by:

(i) the Investment Manager with respect to any particular Sub-Advisor in the event of: (A) a material breach by such Sub-Advisor; (B) bankruptcy or insolvency by such Sub-Advisor; or (C) the inability of such Sub-Advisor for regulatory reasons to perform its services hereunder; and

(ii) the Sub-Advisors in the event of: (A) a material breach by the Investment Manager; (B) bankruptcy or insolvency by the Investment Manager; or (C) the inability of the Investment Manager for regulatory reasons to perform its services hereunder.

(b) Notwithstanding anything in this Agreement to the contrary, (a) the Investment Manager may suspend all trading in any Account upon 2 business days' prior written notice to the Sub-Advisors (or any of them, as the case may be) for any or no reason and (b) this Agreement shall automatically terminate upon the termination of the last remaining Investment Management Agreement with respect to the applicable Account listed on Schedule 1.

(c) Upon receipt of a termination notice from the Investment Manager, or delivery of a termination notice by any Sub-Advisor, such Sub-Advisor shall, at the reasonable request of the Investment Manager, continue to perform its functions under this Agreement or in respect of such terminated Account, and shall be entitled to receive the requisite portion of any fees due (including Management Fees) until a successor has been appointed, provided that such Sub-Advisor shall not be required to perform its functions after ninety (90) days from the receipt of a termination notice.

(d) Section 6 of this Agreement shall continue in full force and effect notwithstanding the termination hereof or the invalidation of any provision contained herein.

8. Representations and Warranties.

(a) Each Sub-Advisor, severally and not jointly, represents and warrants to the Investment Manager, as of the date hereof, as follows:

(i) such Sub-Advisor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization;

(ii) such Sub-Advisor is a registered investment adviser under the Investment Advisers Act of 1940, as amended or is relying on such a registered investment adviser (the "Advisers Act"), and in turn each such Sub-Advisor acknowledges that the Advisers Act provides for the following duty: (A) to act with utmost good faith; (B) to act with loyalty to clients; (C) to provide full and fair disclosure of all material facts; and (D) to employ reasonable care to avoid misleading clients;

(iii) to its knowledge, there are no material suits, actions, claims or proceedings pending or threatened in any court or before or by any governmental, regulatory or administrative body, nor have there been any such material suits, actions, claims or proceedings, to which such Sub-Advisor is a party which might reasonably be expected to have a materially adverse effect on the ability of such Sub-Advisor to perform its duties hereunder;

(iv) the Sub-Advisor has not been subject to any legal or regulatory action, proceeding, or claim involving fraud, misrepresentation or violation of any securities laws, rules or regulations;

(v) in performing its duties and obligations under this Agreement, all acts and omissions taken by such Sub-Advisor in respect of any Account shall be in compliance in all material respects with all applicable laws, rules and regulations;

(vi) such Sub-Advisor has all necessary governmental, regulatory and exchange approvals and licenses and has effected all filings and registrations with all necessary authorities required to conduct its business and to perform its obligations hereunder in all material respects;

(vii) such Sub-Advisor has, and its employees or related parties are subject to, written procedures regarding compliance with all relevant rules and regulations as required by and in conformity with applicable law, and such Sub-Advisor has procedures in place which comply with all relevant anti-money laundering and privacy principles applicable to it pursuant to applicable law;

(viii) such Sub-Advisor has full corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(ix) this Agreement constitutes a binding obligation of such Sub-Advisor, enforceable against such Sub-Advisor in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws relating to or affecting creditors' rights or by general equity principles, regardless of whether such enforceability is considered in a proceeding in equity or at law; and

(x) the execution, delivery and performance of this Agreement by such Sub-Advisor do not violate (A) any law, rule or regulation applicable to such Sub-Advisor, (B) any provision of the articles of incorporation or by-laws of such Sub-Advisor, or (C) any agreement or instrument to which such Sub-Advisor is a party except, in each case, for such violations as would not have a materially adverse effect on the ability of such Sub-Advisor to perform its obligations under this Agreement.

(b) Except as otherwise provided in an Addendum, if any, with respect to a particular Company, the Investment Manager represents and warrants to each Sub-Advisor as follows:

(i) the Investment Manager is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization;

(ii) the Investment Manager has full corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(iii) this Agreement constitutes a binding obligation of the Investment Manager, enforceable against the Investment Manager in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws relating to or affecting creditors' rights or by general equity principles, regardless of whether such enforceability is considered in a proceeding in equity or at law;

(iv) the execution, delivery and performance of this Agreement by the Investment Manager do not violate (A) any law, rule or regulation applicable to the Investment Manager, (B) any provision of the articles of incorporation or by-laws of the Investment Manager, or (C) any agreement or instrument to which the Investment Manager is a party, except for such violations as would not have a materially adverse effect, directly or indirectly, on the ability of the Investment Manager to perform its duties under this Agreement;

(v) no consent of any person, and no license, permit, approval or authorization of, exemption by, report to, or registration, filing or declaration with, any governmental authority is required by the Investment Manager in connection with the execution, delivery and performance of this Agreement other than those already obtained;

(vi) each Company is a "qualified institutional buyer" ("QIB") as defined in Rule 144A under the Securities Act of 1933, as amended, and the Investment Manager will promptly notify the Sub-Advisors if such Company ceases to be a QIB; and

(vii) none of the assets contained in any Account are or will be "plan assets" of an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, or Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code").

10. No Assignment. This Agreement may not be assigned by any party to this Agreement without the prior written consent of the other parties hereto; provided, that, upon 5 days' prior written notice to the Investment Manager, any Sub-Advisor may assign this Agreement to its affiliates without the prior written consent of the Investment Manager or any Company, provided that such assignment does not result in a change of actual control or management of such Sub-Advisor, which shall be determined with reference to Section 202(a)(1) of the Advisers Act and Rule 202(a)(1)-1 and other guidance issued by the SEC thereunder. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding on the parties hereto and their successors and permitted assigns, in each case *provided* that such successor or assignee agrees to be bound by the terms and conditions of this Agreement.

13. Right to Audit. The Investment Manager and its representatives shall have the right, at its own expense, to conduct an audit of the relevant books, records and accounts of each Sub-Advisor related to the Accounts (or any particular Account) managed by such Sub-Advisor during normal business hours upon giving reasonable notice of their intent to conduct such an audit. In the event of such audit, each Sub-Advisor shall comply with the reasonable requests of the Investment Manager and/or any Company and their respective representatives and provide access to all books, records and accounts necessary to the audit and the Investment Manager shall reimburse each Sub-Advisor for its costs and expenses in connection with such audit.

Each Sub-Advisor shall maintain voting records for each Account managed by such Sub-Advisor for a minimum period of five (5) years or for such longer time as may be required by applicable law, and shall make such voting records available to the Investment Manager as the Investment Manager may reasonably request from time to time.

15. Reports. In addition to any notice requirements otherwise described herein, each Sub-Advisor shall, subject to any confidentiality obligations, legal, regulatory or other disclosure restrictions, provide the Investment Manager with (i) reports containing the information set forth on Schedule 5 and (ii) all other information reasonably requested by the Investment Manager that is required to meet the Investment Manager's compliance, financial reporting, operational and other obligations, to the extent the Sub-Advisor actually possesses such information. Schedule 5 may otherwise be amended, supplemented or modified from time to time as agreed to in writing solely by the Investment Manager and the Sub-Advisors (as applicable) without a formal amendment to the Agreement.

16. Force Majeure. No party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or gross negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of the public enemy, terrorism, acts of the state in its sovereign capacity, fires, floods, earthquakes, power failure, disabling strikes, epidemics, quarantine restrictions and freight embargoes.

17. Non-Exclusive Dealings with and by Sub-Advisor Parties; Conflicts of Interest

(c) Although nothing herein shall require any Sub-Advisor to devote its full time or any material portion of its time to the performance of its duties and obligations under this Agreement, each Sub-Advisor shall furnish continuous investment advisory services for the Accounts and, in that connection, devote to such services such of its time and activity (and the time and activity of its employees) during normal business days and hours as it shall reasonably determine to be necessary for each Account to achieve its investment objective(s); *provided, however*, that nothing contained in this Section 17(a) shall preclude the Sub-Advisor Parties from acting, consistent with the foregoing, either individually or as a member, partner, shareholder, principal, director, trustee, officer, official, employee or agent of any entity, in connection with any type of enterprise (whether or not for profit), regardless of whether any Company, Account or any Sub-Advisor Party has dealings with or invests in such enterprise.

(d) The Investment Manager understands that each Sub-Advisor will continue to furnish investment management and advisory services to others, and that each Sub-Advisor shall be at all times free, in its discretion, to make recommendations to others which may be the same as, or may be different from or inconsistent with, those made to each Account. The Investment Manager further understands that the Sub-Advisor Parties may or may not have an interest in the securities whose purchase and sale any Sub-Advisor may recommend. Actions with respect to securities of the same kind may be the same as or different from or inconsistent with the action which the Sub-Advisor Parties or other investors may take with respect thereto. Furthermore, the Investment Manager understands and agrees that each Sub-Advisor Party shall have the right to engage, directly or indirectly, in the same or similar business activities or lines of business as any Sub-Advisor and any other Sub-Advisor Party and no knowledge or expertise of any Sub-Advisor Parties or any opportunities available to such Sub-Advisor Parties shall be imputed to any Sub-Advisor or any other Sub-Advisor Parties.

(e) The Investment Manager agrees that each Sub-Advisor may refrain from rendering any advice or services concerning securities of companies of which any of the Sub-Advisor Parties are directors or officers, or companies as to which the Sub-Advisor Parties have any substantial economic interest or possesses material non-public information, unless such Sub-Advisor either determines in good faith that it may appropriately do so without disclosing such conflict to the Investment Manager and any applicable Company or discloses such conflict to the Investment Manager and such Company prior to rendering such advice or services with respect to any Account.

(f) From time to time, when determined by any Sub-Advisor to be in the best interest of any Company and with the prior approval of the Investment Manager, the Account in respect of such Company may purchase securities from or sell securities to another account (including, without limitation, public or private collective investment vehicles) managed, maintained or trusted by such Sub-Advisor or an affiliate at prevailing market levels in accordance with applicable law and utilizing such pricing methodology determined to be fair and equitable to such Company in such Sub-Advisor's reasonable judgment.

(g) Notwithstanding anything else in this Agreement to the contrary, none of the Sub-Advisors shall be under any obligation to effect trades or satisfy any other obligation required of it herein if such Sub-Advisor determines that such transactions might be adverse to the interests of clients managed by such Sub-Advisor or its affiliates. Each Sub-Advisor shall

be entitled to consider its fiduciary duties to all clients that hold parallel positions in the securities to be sold or distributed, if any. In the event that, in accordance with this provision, a Sub-Advisor declines to follow the instructions of the Investment Manager, the Sub-Advisor will notify the Investment Manager of such conflict and its decision with respect thereto. For the avoidance of doubt, if the Sub-Advisor determines not to follow the direction of the Investment Manager, nothing herein shall prevent the Investment Manager from immediately making a full or partial withdrawal from the applicable Account(s) and proceeding with the relevant course of action on its own.

18. Aggregation and Allocation of Orders.

(a) The Investment Manager acknowledges that circumstances may arise under which a Sub-Advisor determines that, while it would be both desirable and suitable that a particular security or other investment be purchased or sold for the account of more than one of such Sub-Advisor's clients' accounts, there is a limited supply or demand for the security or other investment. Under such circumstances, the Investment Manager acknowledges that, while such Sub-Advisor will seek to allocate the opportunity to purchase or sell that security or other investment among those accounts on an equitable basis, such Sub-Advisor shall not be required to assure equality of treatment among all of its clients (including that the opportunity to purchase or sell that security or other investment will be proportionally allocated among those clients according to any particular or predetermined standards or criteria). Where, because of prevailing market conditions, it is not possible to obtain the same price or time of execution for all of the securities or other investments purchased or sold for each Account (or for the other accounts advised or sub-advised by such Sub-Advisor), such Sub-Advisor may average the various prices and charge or credit any Account with the average price.

(b) It is each Sub-Advisor's general policy to allocate investment opportunities among investment funds and client accounts on a basis that such Sub-Advisor and its affiliates determine in good faith to be appropriate taking into consideration such factors as each client's and investment fund's primary mandate, the relative amounts of capital available for investment (after taking into account applicable reserves), and any restrictions on investment, the sourcing of the transaction, the size of the transaction, the amount of potential follow-on investing strategy of the client or investment fund, reasons of portfolio balance, the nature and extent of involvement in the transaction on the part of the respective teams of investment professionals and other factors deemed applicable by such Sub-Advisor and its affiliates in good faith.

19. Sub-Advisors Independent. For all purposes of this Agreement, each Sub-Advisor shall be deemed to be an independent contractor and shall have no authority to act for, bind or represent the Investment Manager, any Company or any Company's shareholders in any way, except as expressly provided herein, and shall not otherwise be deemed to be an agent of any Company. Nothing contained herein shall create or constitute any Sub-Advisor, the Investment Manager and/or any Company as a member of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, nor shall anything contained herein be deemed to confer on any of them any express, implied, or apparent authority to incur any obligation or liability on behalf of any other person, except as expressly provided herein. Each Sub-Advisor shall be severally liable for its own obligations and the Investment Manager shall have no recourse to any Sub-Advisory for the actions or omissions of any other Sub-Advisor.

20. Entire Agreement. Except for those documents, agreements or Addendums referred to herein, this Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes from and after the Effective Date all other prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement. There are no understandings between the parties with respect to the subject matter of this Agreement other than as expressed herein.

21. Severability. To the extent this Agreement may be in conflict with any applicable law or regulation, this Agreement shall be construed to the greatest extent practicable in a manner consistent with such law or regulation. The invalidity or illegality of any provision of this Agreement shall not be deemed to affect the validity or legality of any other provision of this Agreement.

22. Counterparts; Amendment. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Except as set forth herein or in any Addendum, this Agreement may not be modified or amended, except by an instrument in writing signed by the party to be bound or as may otherwise be provided for herein.

23. Addendums. In the event that the Investment Manager and the Sub-Advisors (or any of them as the case may be) execute an Addendum to this Agreement, such Addendum shall be deemed to be attached to and become a part of this Agreement and the terms of this Agreement shall be amended, supplemented or modified by the terms of such Addendum as applicable. In the event of conflict between this Agreement and any Addendum, the terms and conditions contained in such Addendum shall control. Upon the execution by the Investment Manager and the Sub-Advisors (or any of them, as the case may be) of any Addendum, this "Agreement" shall be deemed to include the terms set forth in any such Addendum.

24. No Recourse to Companies. Each Sub-Advisor acknowledges and agrees that such Sub-Advisor shall not have any recourse against any Company for any claims, losses, damages, liabilities, indemnities or other obligations whatsoever in connection with this Agreement or any transaction contemplated hereunder.

25. Third-Party Beneficiary. Notwithstanding any provision herein to the contrary, each Sub-Advisor and the Investment Manager acknowledge and agree that each Company is an intended third-party beneficiary of each term and provision hereof and each term and provision of this Sub-Advisory Agreement may be enforced by the Company.

Schedule 2-1

Schedule 2-1

Management Fee Schedule (all Sub-Advisors other than AR)

1. **Management Fee.** In consideration of the services performed under the Agreement, the Investment Manager shall pay to the Sub-Advisors (allocated among such Sub-Advisors as such Sub-Advisors shall determine) a management fee (the “Management Fee”), calculated and paid quarterly in arrears as a percentage of Average Month-End Net Asset Value of assets in all the Accounts managed by the Sub-Advisors (unless otherwise agreed to by the parties¹), (other than Third Party CLO Equity Managed Account (as described on Schedule 2-3)²) pursuant to the following schedule, which shall take effect with respect to new and existing assets as of the Effective Date:

<u>Assets Under Management</u> ³	<u>Management Fee Rate</u> ⁴
< \$ 10,000,000,000	40 bps (0.40%) per annum
> \$ 10,000,000,000	35 bps (0.35%) per annum

- ¹ For the avoidance of doubt but subject to Section 2(a), to the extent that a Sub-Adviser invests on behalf of the Account in an affiliate-managed CLO (a) to the extent that such investment is on a secondary basis in one of the debt and/or equity tranches of such CLO, the Account will be charged fees pursuant to this Schedule 2-1; and (b) to the extent that such investment is on a primary basis, the agreement governing the Account’s investment into the affiliate-managed CLO will govern the treatment of fees in such instance (and not, for the avoidance of doubt, this Schedule 2-1). In addition, the Investment Manager shall be responsible for any servicing fees associated with the sub-advised mortgage and mezzanine real estate loan portfolio.
- ² For the avoidance of doubt, this fee schedule does not apply to future or existing investments in Apollo funds (which as of the date hereof includes but is not limited to TRF, COF 3, EPFs, FCIs, all the ALM and ALME CLO sand related warehouses, the levered CMBS funds and APC), or to any investments made by Apollo Royalties Management LLC. Additionally, this fee schedule does not apply to investments in MCF CLO II (f/k/a Kirkwood), which is covered by Schedule 2-3 hereof). Fees with respect to the Third Party CLO Equity Managed Account are charged pursuant to Schedule 2-3, and the Project Orange Trade will be included in the Third Party CLO Equity Managed Account and charged accordingly.
- ³ “Assets Under Management” shall be calculated in the aggregate to include the investment assets of or relating to Athene Holding Ltd. (“Athene”) and its subsidiaries, managed by ACM, AGREM, ARM, ALL, AEM or an affiliate thereof, whether under this Agreement or separate sub-advisory agreement with the Investment Manager, including cash and all assets in surplus accounts and funds withheld accounts, modified coinsurance accounts and reinsurance trusts supporting reinsurance agreements entered into by Athene and managed by ACM, AGREM, ARM, ALL and AEM. For the avoidance of doubt, Assets Under Management shall not include future or existing investments in Apollo managed funds (which as of the date hereof includes but is not limited to TRF, COF 3, EPFs, FCIs, all the ALM, ALME or other affiliated CLOs or CLO-sponsored vehicles and related warehouses, APC, the levered CMBS funds) or any investments made by Apollo Royalties Management LLC; provided, that, notwithstanding the foregoing, to the extent that the Account invests in any affiliated CLO or CLO-sponsored vehicle pursuant to which the Account is charged fees pursuant to this Section 2-1, such investment in such affiliated CLO or CLO-sponsored vehicle shall be included in Assets Under Management.
- ⁴ For the avoidance of doubt, this Schedule 2.1 shall not apply to any Apollo controlled investment entities, the fee schedule of which shall be governed by a separate schedule or other governing document.

Schedule 2-1

For the avoidance of doubt, the step-down in Management Fee Rate from 40 bps to 35 bps will only apply to the portion of Assets Under Management in excess of \$10,000,000,000 based on the net asset value of the Accounts.

The "Average Month-End Net Asset Value" shall be the average of the month-end aggregate net asset value of the Accounts during the calendar quarter. If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro rated* accordingly. For the avoidance of doubt, for a given month, Average Month-End Net Asset Value shall be calculated based on trade date holdings plus accrued interest.

2. **Valuation.** Each Sub-Advisor, through its designee, shall (i) be responsible for determining the value of the assets that are purchased for the Accounts that it manages in accordance with such Sub-Advisor's existing policies and procedures, and (ii) shall use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees. Notwithstanding anything to the contrary contained in the Agreement, with respect to the AEL Account (the "AEL Account") only, each Sub-Advisor shall provide to the Investment Manager either: (a) an auditor's report prepared in connection with the examination of such Sub-Advisor's internal controls in accordance with the Statement on Standards for Attestation Engagements 16 Type II audit ("SSAE 16") or (b) to the extent any Sub-Advisor designates an independent administrator to value the assets purchased for the AEL Account, an auditor's report prepared in connection with the examination of the independent administrator's internal controls in accordance with SSAE 16, and in either case provide the auditor's report pertaining to the applicable SSAE 16 audit to the Investment Manager by no later than 120 days after the end of each calendar year during the term of the Agreement. Accordingly, the failure to obtain a SSAE 16 audit with respect to any Sub-Advisor, other than any Sub-Advisor or independent administrator valuing the AEL Account, shall not give rise to a termination right of the Investment Manager with respect to any Sub-Advisor notwithstanding anything to the contrary contained in the Agreement.
3. **Payment of Fees.** The Management Fee will be calculated, billed, and paid quarterly in arrears, based on the Average Month-End Net Asset Value as of the last business day of each and all of the three calendar months during the relevant quarter, or in the case of any partial quarterly period, the last day of each calendar month during the relevant period and the last business day of such period. The Investment Manager will pay any Management Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such fee, detailing the calculation of such fee. The Investment Manager and the Sub-Advisors shall agree on the form and substance of such invoice before the first Management Fee billing cycle. Upon termination of the Agreement, any outstanding Management Fee shall become immediately payable by the Investment Manager.

Schedule 2-1

-
4. **Incentive Fees.** For the avoidance of doubt, the provisions governing incentive fees on existing assets remain intact and shall not be deemed amended by this Agreement. The Investment Manager and each Sub-Advisor may agree in writing from time to time on an incentive fee with respect to particular investments or asset classes managed by such Sub-Advisor.

Schedule 2-1

Schedule 2-2

ALL

Legacy Incentive Fee Schedule

1. **Incentive Fee** In addition to the Management Fee set forth on Schedule 2.1, solely with respect to assets purchased by ALL prior to the Effective Date, the Investment Manager shall pay to ALL an incentive fee equal to twenty percent (20%) of the realized proceeds (including principal repayments and coupon payments, "Proceeds") in excess of the cost of each investment recommended by ALL, subject to the return of any realized losses on investments recommended by ALL pursuant to this Schedule 2-2 and return of the Preferred Return in respect to each investment, each as fully described below (the "Incentive Fee" and together with the Management Fee, the "Fees"). Specifically, Proceeds from each investment will be allocated as follows:
- (i) First, to the Investment Manager's applicable clients (the "Clients") until such Clients have received an amount equal to: (a) the cost of such investment, plus (b) an amount equal to any previously unreturned realized losses from investments recommended by ALL pursuant to this Schedule 2-2;
 - (ii) Second, to the applicable Clients until such Clients have received an amount equal to interest at the rate of eight percent (8%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return");
 - (iii) Third, (a) 80% to ALL and (b) 20% to the applicable Clients, until ALL has received an amount equal to twenty percent (20%) of the sum of the allocations made pursuant to item (ii) above with respect to such investment and amounts then and previously allocated pursuant to this item (iii) with respect to such investment; and
 - (iv) Finally, 80% to the applicable Clients and 20% to ALL.

For the avoidance of doubt, (i) other than temporary impairments, determined by each applicable Client in accordance with such Client's accounting policies and procedures, shall be treated as realized losses and (ii) the applicable Clients will not receive any unreturned Preferred Return with respect to any investment recommended by ALL from the Proceeds of any other investment recommended by ALL.

Upon termination of the Agreement, a clawback calculation will be completed based on the aggregate Proceeds received from all realized investments recommended by ALL pursuant hereto, and ALL shall be required to repay any Incentive Fee previously paid to ALL to the extent that any realized losses from investments recommended by ALL pursuant to this Schedule 2-2 remain unreturned to the applicable Clients upon such termination.

Schedule 2-2

-
2. **Valuation.** ALL shall be responsible for determining the value of the Accounts that it manages in accordance with ALL's existing policies and procedures and shall use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Fees. Notwithstanding anything to the contrary contained in the Agreement, with respect to the AEL Account (the "AEL Account") only, each Sub-Advisor shall provide to the Investment Manager either: (a) an auditor's report prepared in connection with the examination of such Sub-Advisor's internal controls in accordance with the Statement on Standards for Attestation Engagements 16 Type II audit ("SSAE 16") or (b) to the extent any Sub-Advisor designates an independent administrator to value the assets purchased for the AEL Account, an auditor's report prepared in connection with the examination of the independent administrator's internal controls in accordance with SSAE 16, and in either case provide the auditor's report pertaining to the applicable SSAE 16 audit to the Investment Manager by no later than 120 days after the end of each calendar year during the term of the Agreement. Accordingly, the failure to obtain a SSAE 16 audit with respect to any Sub-Advisor, other than any Sub-Advisor or independent administrator valuing the AEL Account, shall not give rise to a termination right of the Investment Manager with respect to any Sub-Advisor notwithstanding anything to the contrary contained in the Agreement.
 3. **Incentive Fee.** Incentive Fee will be paid quarterly in arrears. As referenced in Schedule 2.1, provisions governing incentive fees on existing assets remain intact and shall not be deemed amended by this Agreement. The Investment Manager and each Sub-Advisor may in addition agree in writing from time to time on an incentive fee with respect to particular investments or asset classes managed by such Sub-Advisor.

Schedule 2-2

SCHEDULE 2-3

Third Party CLO Equity Managed Account (all Sub-Advisors other than AR)

1. **Management Fee.** In consideration of the services performed under the Agreement and pursuant to this Schedule 2-3, the Investment Manager shall pay a management fee (the "**Management Fee**"), calculated and paid quarterly in arrears as a percentage of Average Month-End Net Asset Value equal to 100 bps *per annum* on the invested assets of the applicable Accounts. For the avoidance of doubt, CLO warehouses shall be treated as CLO equity for purposes of this Schedule 2-3.

The "Average Month-End Net Asset Value" shall be the average of the month-end aggregate net asset value of the Accounts during the calendar quarter. If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro rated* accordingly. For the avoidance of doubt, for a given month, Average Month-End Net Asset Value shall be calculated based on trade date holdings plus accrued interest.

2. **Incentive Fee (excluding Kirkwood III (MCF CLO II))** In addition to the Management Fee set forth above, the applicable Sub-Advisor shall receive an incentive fee equal to fifteen percent (15%) of the realized proceeds (including principal repayments and coupon payments, "**Proceeds**") in excess of the cost of each investment recommended by the applicable Sub-Advisor, subject to the return of any realized losses on investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3 and return of the Preferred Return in respect to each investment, each as fully described below (the "**Incentive Fee**" and together with the Management Fee, the "**Fees**"). Specifically, Proceeds from each investment will be allocated as follows:
- (i) First, to the Investment Manager's applicable clients (the "**Clients**") until such Clients have received an amount equal to: (a) the cost of such investment, plus (b) an amount equal to any previously unreturned realized losses from investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3;
 - (ii) Second, to the applicable Clients until such Clients have received an amount equal to interest at the rate of ten percent (10%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "**Preferred Return**"); and
 - (iii) Finally, 85% to the applicable Clients and 15% to the applicable Sub-Advisor.

CLO equity investments in Kirkwood III (MCF CLO II) ("**Kirkwood**") shall be excluded for purposes of determining incentive fees payable above.

For the avoidance of doubt, (i) other than temporary impairments, determined by each applicable Client in accordance with such Client's accounting policies and procedures, shall be treated as realized losses and (ii) the applicable Clients will not receive any unreturned Preferred Return with respect to any investment recommended by the applicable Sub-Advisor from the Proceeds of any other investment recommended by the applicable Sub-Advisor.

Schedule 2-3

Upon termination of the Agreement, a clawback calculation will be completed based on the aggregate Proceeds received from all realized investments recommended by the applicable Sub-Advisor pursuant hereto, and the applicable Sub-Advisor shall be required to repay any Incentive Fee previously paid to the applicable Sub-Advisor to the extent that any realized losses from investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3 remain unreturned to the applicable Clients upon such termination.

3. **Incentive Fee for Kirkwood.** In addition to the Management Fee set forth above, the applicable Sub-Advisor shall receive, with respect to the Kirkwood equity investment, an incentive fee equal to 12.5% of Proceeds in excess of the cost of such investment and receipt by the applicable Clients of the Preferred Return (as defined below). Specifically, Proceeds from the Kirkwood equity investment will be allocated as follows:
 - (i) First, to the applicable Clients, until such Clients have received an amount equal to the cost of such investment;
 - (ii) Second, to the applicable Clients until the such Clients have received an amount equal to interest at the rate of ten percent (10%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return"); and
 - (iii) Finally, 87.5% to the applicable Clients and 12.5% to the applicable Sub-Advisor.
4. **Valuation.** Each Sub-Advisor, through its designee, shall (i) be responsible for determining the value of the assets that are purchased for the Accounts that it manages in accordance with such Sub-Advisor's existing policies and procedures, and (ii) use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees. Notwithstanding anything to the contrary contained in the Agreement, with respect to the AEL Account (the "AEL Account") only, each Sub-Advisor shall provide to the Investment Manager either: (a) an auditor's report prepared in connection with the examination of such Sub-Advisor's internal controls in accordance with the Statement on Standards for Attestation Engagements 16 Type II audit ("SSAE 16") or (b) to the extent any Sub-Advisor designates an independent administrator to value the assets purchased for the AEL Account, an auditor's report prepared in connection with the examination of the independent administrator's internal controls in accordance with SSAE 16, and in either case provide the auditor's report pertaining to the applicable SSAE 16 audit to the Investment Manager by no later than 120 days after the end of each calendar year during the term of the Agreement. Accordingly, the failure to obtain a SSAE 16 audit with respect to any Sub-Advisor, other than any Sub-Advisor or independent administrator valuing the AEL Account, shall not give rise to a termination right of the Investment Manager with respect to any Sub-Advisor notwithstanding anything to the contrary contained in the Agreement.

Schedule 2-3

-
5. **Payment of Fees.** The Management Fee will be calculated, billed, and paid quarterly in arrears, based on the Average Month-End Net Asset Value as of the last business day of each and all of the three calendar months during the relevant quarter, or in the case of any partial quarterly period, the last day of each calendar month during the relevant period and the last business day of such period. The Investment Manager will pay any Management Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such fee, detailing the calculation of such fee. The Investment Manager and the Sub-Advisors shall agree on the form and substance of such invoice before the first Management Fee billing cycle. Upon termination of the Agreement, any outstanding Management Fee shall become immediately payable by the Investment Manager.

Schedule 2-3

Schedule 2.4

Management and Incentive Fee Schedule (AR)

- 1. Management Fee.** In consideration of the services performed under the Master Sub-Advisory Agreement, the Investment Manager shall pay to AR a management fee of 1.00% per annum (the "Management Fee"), calculated and paid quarterly in arrears as a percentage of (a) during the first eight Management Fee calculation periods, Committed Capital (unless Invested Capital is greater than Committed Capital in which case the fee will be 1.00% of Invested Capital) and (b) thereafter, Invested Capital adjusted for any sales or dispositions of any Oil and Gas Royalties ("Capital Distributions") since the date of this Addendum (i.e., immediately following a Capital Distribution, Invested Capital shall be reduced by the cost of the Oil and Gas Royalties that were sold). For the avoidance of doubt, ordinary distributions in accordance with the terms of, or in respect of production associated with, Oil and Gas Royalties shall not be deemed Capital Distributions.

"Committed Capital" shall initially be equal to \$100,000,000, *provided, however*, that the Committed Capital amount may be increased by up to an additional \$200,000,000 by the mutual agreement of the Investment Manager and AR. "Invested Capital" shall be equal to the cumulative amount of capital invested in oil and gas royalties ("Oil and Gas Royalties"). If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro-rated* accordingly, subject to Section 5.

- 2. Incentive Fee.** In addition to the Management Fee set forth above, the Investment Manager shall pay to AR an annual incentive fee (the "Incentive Fee"), and together with the Management Fee, the "Fees") as further described in this Section.

The Incentive Fee shall be payable as of each December 31, or, in the event of a Liquidation, within 5 calendar days of such Liquidation (each such date, a "Performance Date") and equals the excess, if any, of (a) twenty percent (20%) of the Cumulative Profit as of such Performance Date over (b) the aggregate amount of Incentive Fees paid since the inception of the applicable Account (such date, the "Inception Date"); *provided that* the amount of Incentive Fee payable at such Performance Date shall not exceed the Cumulative Profit less the Cumulative Preferred Return.

A "Liquidation" means the closing of the sale of all or substantially all of the Oil and Gas Royalties.

The "Cumulative Profit", as of any Performance Date, shall be the amount equal to (a) payments received or gross distributions of any kind whatsoever arising from Oil and Gas Royalties (adjusted to reflect hedging activity) made since the Inception Date, plus (b) the Account Value as of such Performance Date, less (c) the Invested Capital since the Inception Date, less (d) without duplication, the Management Fees accrued and paid since the Inception Date, less (e) without duplication, all expenses incurred by or with the consent of AR on behalf of the applicable Account (i) in connection with the identification, screening, evaluation, acquisition, structuring, monitoring, servicing, and managing of investments in Oil and Gas Royalties, including any such expenses incurred with respect to potential investments that are not consummated, (ii) relating to an Audit, and (iii) pursuant to

Schedule 2.4

Section 3(b) of the Master Sub-Advisory Agreement and paid since the Inception Date ("Expenses"). For the avoidance of doubt, the Investment Manager shall either pay for Expenses directly or shall reimburse AR in the event that AR pays for Expenses.

The "Preferred Return" shall be calculated with respect to each Performance Date as eight percent (8%) of the average daily (using a 360 day period) amount equal to Invested Capital adjusted for Capital Distributions as described above during a calendar year (the "Preferred Return Base"), and shall be calculated on an annualized basis if the period in which a Preferred Return is calculated is less than a calendar year.

The "Cumulative Preferred Return" shall be calculated with respect to each Performance Date and is equal to the sum of the aggregate Preferred Returns calculated from the Inception Date through the Performance Date. For the avoidance of doubt, the Cumulative Preferred Return is not calculated on a compounded basis.

The below examples demonstrate the calculation of the Incentive Fee under various scenarios and assume, for the purpose of simplicity, that there are no Management Fees or Expenses.

For example, if the applicable Account is first funded with \$100,000,000 which is immediately invested in Oil and Gas Royalties on January 1 in a given year, there was no additional Invested Capital and there were no Capital Distributions, but there were non-Capital Distributions of \$9,000,000 as of the Performance Date, and the Account Value is equal to \$100,000,000 as of the Performance Date, then, as of the Performance Date, the Preferred Return Base is equal to \$100,000,000, the Cumulative Profit is equal to \$9,000,000, and the Incentive Fee is equal to \$1,000,000. Even though 20% of such Cumulative Profit would equal \$1,800,000, the Cumulative Profit must exceed the Cumulative Preferred Return of \$8,000,000 in order for Incentive Fees to be paid.

As a second example, if the facts from the first example remain the same and the following year there was no additional Invested Capital and there were no Capital Distributions, but there were additional non-Capital Distributions of \$16,000,000, and the Account Value is equal to \$100,000,000 as of the Performance Date, then, as of the Performance Date, the Preferred Return Base is equal to \$100,000,000, the Cumulative Profit is equal to \$25,000,000 (i.e., the sum of the non-Capital Distribution amounts of \$9,000,000 and \$16,000,000), and the Incentive Fee is equal 20% of the Cumulative Profit of \$25,000,000 less \$1,000,000 of Incentive Fee already paid, or \$4,000,000.

As a third example, if the applicable Account is first funded with \$100,000,000 which is immediately invested in Oil and Gas Royalties on January 1 in a given year, there was no additional Invested Capital and there were no Capital Distributions, but there were non-Capital Distributions of \$5,000,000 as of the Performance Date, and the Account Value is equal to \$100,000,000 as of the Performance Date, then, as of the Performance Date, the Preferred Return Base is equal to \$100,000,000, the Cumulative Profit is equal to \$5,000,000, and since the Cumulative Preferred Return has not been exceeded, the Incentive Fee is equal to \$0. The \$3,000,000 shortfall with respect to the Preferred Return shall carry over into the next year such that, assuming the Preferred Return Base is still \$100,000,000, the Cumulative Profit as of the second Performance Date must increase by at least \$11,000,000 in order for Incentive Fees to be paid.

Schedule 2.4

As a fourth example, assume that the applicable Account is first funded with \$100,000,000 which is immediately invested in Oil and Gas Royalties on January 1 in a given year, and there was no additional Invested Capital but there were distributions of \$80,000,000 which occurred on June 30, of which \$70,000,000 was a Capital Distribution (following the sale of Oil and Gas Royalties that were purchased for \$50,000,000) and \$10,000,000 was a non-Capital Distribution, and there were no further distributions after June 30 of that year. Assume also that the Account Value is \$50,000,000 as of the Performance Date (i.e., the initial Account Value of \$100,000,000 is reduced to reflect the sale of Oil and Gas Royalties, and the remaining Oil and Gas Royalties are valued at \$50,000,000 as of the Performance Date). Then, in this example, immediately following the Capital Distribution on June 30, the Preferred Return Base is \$50,000,000 (\$100,000,000 less the cost of the Oil and Gas Royalties that were sold), and as of the Performance Date, the Preferred Return Base for the full year is \$75,000,000 (i.e., the average of the Preferred Return Base of \$100,000,000 during the first six months of the year and the Preferred Return Base of \$50,000,000 during the second six months of the year). In addition, the Preferred Return is \$6,000,000 (i.e., 8% of \$75,000,000), the Cumulative Profit is equal to \$30,000,000 (i.e., distribution of \$80,000,000 plus Account Value of \$50,000,000 less Invested Capital of \$100,000,000), and the Incentive Fee is equal to \$6,000,000 (i.e., 20% of \$30,000,000).

3. **Exclusivity.** Until the expiration of the Exclusivity Period (as defined below), and subject to AR and its affiliates' legal or contractual restrictions and internal policies, including without limitation, those related to allocation requirements and procedures and fiduciary duties to its and their respective partners, owners and clients (as applicable), AR will not make an investment in any Investment Opportunity (as defined below) for the benefit of a Successor Fund (as defined below) without first offering the Investment Opportunity to the Investment Manager in accordance with the right of first offer procedure described below. For purposes of clarity, the foregoing exclusivity arrangement shall not restrict activities or investments made by existing Apollo Funds (as defined below) or their respective existing or future portfolio companies or by any future Apollo fund or managed account that is not deemed a Successor Fund.

During the Exclusivity Period, the Investment Manager will have a right of first offer with respect to each investment opportunity sourced by AR which consists solely of oil and gas royalties (such investment opportunity, an "Investment Opportunity", and such right, the "ROFO"). Upon written notice by AR (which notice may be in the form of electronic mail and shall contain all of the material terms and relevant information relating to the Investment Opportunity) to the Investment Manager of an Investment Opportunity (the "ROFO Notice"), the Investment Manager will have 30 calendar days from the receipt of the ROFO to agree to fund the Investment Opportunity by responding in writing to AR. The Investment Manager will be deemed to have rejected an Investment Opportunity if it either elects not to participate in the Investment Opportunity or does not respond to a ROFO Notice with respect to such Investment Opportunity within the time period specified in this paragraph. AR and its affiliates shall be free to pursue any Investment Opportunity which has been rejected by the Investment Manager.

Schedule 2.4

“Successor Fund” shall mean a managed account arrangement or fund (entered into or formed after the date of this Agreement) for which (i) AR acts as the manager or primary source or arranger of transactions and (ii) the investment objective is to solely invest in oil and gas royalties; *provided, that* (x) existing Apollo Funds or any of their respective existing or future portfolio companies and (y) any future Apollo Funds whose mandate is not solely to invest in oil and gas royalties, shall not be deemed to be a “Successor Fund.”

“Apollo Funds” means any fund, managed account or other investment vehicle or client for which AR or any of its affiliates provide investment advisory services.

The “Exclusivity Period” means the period beginning on the date of this Agreement and ending upon the earlier of (i) the point in time when Invested Capital equals at least \$50,000,000, unless prior to such time the Investment Manager agrees in writing to increase its Committed Capital to an aggregate amount equal to \$300,000,000, (ii) such time as AR has presented the Investment Manager with Investment Opportunities requiring an aggregate capital commitment of \$300,000,000 (whether or not the Investment Manager elects to make such investments) and (iii) such time as the Investment Manager rejects, or does not subscribe in full to, three such Investment Opportunities.

4. **Valuation.** AR shall be responsible for determining the value of the Oil and Gas Royalties held in the applicable Account, adjusted to reflect any related hedging activity as appropriate, that it manages in accordance with AR’s existing policies and procedures and shall submit a proposed valuation of such Account within 45 business days following each quarter-end to the Investment Manager (“Account Value”). Each valuation as of a Performance Date will be audited by a third party expert (an “Audit”) designated by AR and approved by Investment Manager. In determining Account Value, AR shall consider the estimated present value, discounted at an appropriate discount rate, of the estimated net cash flow from proved reserves to be realized from the production of hydrocarbons from Oil and Gas Royalties (including the impact of any hedging activity), *provided that* AR shall also consider other valuation factors such as, among other things, comparable publicly traded assets and precedent transactions. For the avoidance of doubt, the Account Value shall not be decreased by Expenses or Fees. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the applicable Account for purposes of determining the Fees.
5. **Payment of Fees.** The Management Fees will be calculated, billed, and paid quarterly in arrears. The Incentive Fee will be paid annually in arrears. The Investment Manager will pay any Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such Fees, detailing the calculation of such Fees. The Investment Manager and AR shall agree on the form and substance of such invoice before the first billing cycle.
6. **Effect of Termination on Management and Incentive Fees.** Upon termination of this Addendum or upon written notice (which may be in the form of e-mail) by the Investment Manager to AR that it does not want AR to make further investments in Oil and Gas Royalties on behalf of the Account, (i) no further investments in Oil and Gas Royalties will be made pursuant to this Addendum, (ii) no further Management Fees will accrue, *provided*

Schedule 2.4

that Management Fees will be paid in full as of the quarter-end of the quarter in which termination occurred, (iii) the Incentive Fees described above will be calculated and paid for a period of seven years from December 31 of the year in which termination occurred, after which point there will be no further obligation to pay any Fees under this Addendum and (iv) the Exclusivity Period shall be deemed to have expired.

Schedule 2.4

SCHEDULE 3

AEM Investment Guidelines

1. AEM Investment Discretion. In accordance with Section 2(k) of the Agreement AEM may execute (or facilitate execution of) transactions on behalf of one or more Accounts without the prior consent of the Investment Manager, so long as:

- (a) immediately after giving effect to such transactions, to the knowledge of AEM, the holdings of each Account for which AEM acts as Sub-Advisor is in compliance with these Investment Guidelines or as otherwise may be agreed in writing between the Investment Manager and AEM and subject to the terms of this Addendum (as amended or supplemented from time to time by agreement of the Investment Manager and AEM, the "Investment Guidelines"); and
- (b) the issuers in such transactions are included among the pre-approved list of issuers set forth in Schedule 4 attached hereto (as amended or supplemented from time to time by written agreement of the Investment Manager and AEM, the "Approved Issuers List").

Notwithstanding the foregoing, the Investment Manager may revoke such investment discretion at any time upon notice to AEM. This Schedule 3 and the Schedule 4 attached to the Agreement may otherwise be amended, supplemented or modified from time to time as agreed to in writing solely by the Investment Manager and AEM without a formal amendment to the Agreement. For the avoidance of doubt, AEM shall be required to seek the written consent of the Investment Manager, to the extent practicable, prior to executing any transactions that do not comply with the Investment Guidelines or are not included among the pre-approved classes of transactions on the Approved Issuers List, and the Investment Manager shall approve, decline or ratify such transactions, as applicable, in its sole discretion.

2. Investment Guidelines.

The Investment Guidelines set forth herein may be amended or waived only by the agreement of AEM and the Investment Manager, and the Investment Manager may request AEM to make suitable modifications to this Schedule 3 to reflect any change in market or other circumstances; provided, that any modification to this Schedule 3 requested by the either party shall become effective only upon agreement by both parties. AEM shall use its reasonable efforts to comply with these Investment Guidelines during the initial ramp-up period commencing on the date of this Addendum and ending on January 31, 2015, but AEM shall not be required to be in compliance with these Investment Guidelines during such ramp-up period. All percentages set forth below are intended as "soft" limits and shall be measured at the time of acquisition of an asset only, based on market value, and therefore should be measured on an incurrence basis only. AEM shall be entitled to maintain or improve its position with respect to such limits after the time of acquisition of an asset.

Schedule 3

AEM will invest primarily in the following emerging markets: Central and Eastern Europe, the Middle East and Africa, Latin America and Asia.

- *Regions*: No more than 50% of Net Asset Value of the assets being managed by AEM on behalf of the Investment Manager ("NAV") in any one region as defined by the JPMorgan Corporate Emerging Market Bond Indices.
- *Countries*: No more than 25% of NAV in any one country.
 - For purposes of this Addendum, "country" is defined based on the country in which the principal place of business of the issuer is located.
- Exposure to a single sector (as defined in the JPMorgan Corporate Emerging Market Bond Indices) and sovereigns: 25% of NAV
- Sector for Financials: 40% of NAV overall, banks: 30% of NAV, and other subsectors: 12.5% of NAV
- Issuer Concentration: No more than 5% of NAV in any one issuer.

Credit Ratings. AEM will not invest in debt securities, measured at the time of acquisition, rated lower than Investment Grade. "Investment Grade" means an investment which is, (i) if rated by the Securities Valuation Office of the National Association of Insurance Commissioners (the "SVO"), rated Class 1 or 2, and (ii)(A) if rated by one Nationally Recognized Statistical Rating Organization (an "NRSRO"), rated investment grade by such NRSRO, (B) if rated by two NRSROs, rated investment grade by the NRSRO assigning the lower of the two ratings, or (C) if rated by three or more NRSROs, rated investment grade by the NRSRO assigning the second lowest rating of the NRSROs.

SCHEDULE 5

Exception Report & Transfer Procedures

Within 25 days of the end of each calendar month, each Sub Advisor shall provide the Investment Manager with an exception report ("Exception Report") detailing specific securities owned in the portfolio with relevant characteristics (e.g. par amount, ratings, etc.) that had their Index status affected during the month by upgrade (departing the Index). With respect to High Yield Assets, the Exception Report shall apply only to those securities being held in the applicable account that had their Index status affected by the ratings upgrade. Upgrades highlighted on the Exception Report, (securities moving from the Sub-Advisor's Index to investment grade public credit) shall be transferred to the applicable investment grade public credit Sub-Advisor on the 1st business day of the month following the upgrade.

Monthly Client Reporting

Beginning no later than Q3 2014, within 10 business days following each calendar month-end, each Sub-Advisor shall provide a report to the Investment Manager with the following information:

- (i) Relative to Benchmark:
 - (a) Total Return – 1M, 3M, YTD, LTM, 3YR, 5YR and Since Inception performance
 - (b) Yield to Worst

**AEM
Investment Guidelines**

1. AEM Investment Discretion. In accordance with Section 2(k) of the Agreement AEM may execute (or facilitate execution of) transactions on behalf of one or more of the Accounts for which AEM acts as Sub-Advisor, whether under this Agreement or a separate sub-advisory agreement with the Investment Manager (collectively, the "AEM Accounts"), without the prior consent of the Investment Manager, so long as:

- (a) immediately after giving effect to such transactions, to the knowledge of AEM, the holdings of the AEM Accounts are in compliance with the Investment Guidelines below or as otherwise may be agreed in writing between the Investment Manager and AEM and subject to the terms of this Addendum (as amended or supplemented from time to time by agreement of the Investment Manager and AEM, the "Investment Guidelines"); and
- (b) the issuers in such transactions are among the pre-approved list of issuers set forth in Schedule 4 attached hereto (as amended or supplemented from time to time by written agreement of the Investment Manager and AEM, which such written agreement may be in the form of email, the "Approved Issuers List").

Notwithstanding the foregoing, the Investment Manager may revoke such investment discretion at any time upon notice to AEM. This Schedule 3 and the Schedule 4 attached to the Agreement may otherwise be amended, supplemented or modified from time to time as agreed to in writing solely by the Investment Manager and AEM without a formal amendment to the Agreement. For the avoidance of doubt, AEM shall be required to seek the written consent of the Investment Manager prior to executing any transactions that do not comply with the Investment Guidelines or are not included among the pre-approved classes of transactions on the Approved Issuers List, and the Investment Manager shall approve, decline or ratify such transactions, as applicable, in its sole discretion.

2. Investment Guidelines. The Investment Guidelines set forth herein may be amended, waived or modified only by the written agreement of AEM and the Investment Manager, which such written agreement may be in the form of email, and the Investment Manager may request AEM to make suitable modifications to this Schedule 3 to reflect any change in market or other circumstances or to reflect regulatory requirements of its Clients; provided, that any modification to this Schedule 3 requested by the either party shall become effective only upon agreement by both parties (which such agreement shall not be unreasonably withheld by AEM).

The allocation to the AEM Accounts shall not exceed a market value of \$1,000,000,000 (such maximum amount, the "AEM Allocation") unless otherwise agreed upon in writing between the Investment Manager and AEM, which such written agreement may be in the form of an email. All percentages set forth below shall be calculated on a market value basis as percentages of the AEM Allocation and shall be measured at the time of acquisition and on a continuous basis.

Exhibit A

 - No more than 25% of the AEM Allocation may be invested in issuers organized in the Tax Jurisdictions on an aggregate basis.

- *Single Issuer Limits*
 - No more than 5% of the AEM Allocation may be invested in Investment Grade securities of a single issuer.

or more NRSROs, rated investment grade by the NRSRO assigning the second lowest rating of the NRSROs. "HY Securities" means debt securities that are rated below Investment Grade but not less than "BB-". "BB-" means if rated by one NRSRO, a credit rating of at least BB- (or an equivalent rating) by such NRSRO, (B) if rated by two NRSROs, a credit rating of at least BB- (or an equivalent rating) by the NRSRO assigning the lower of the two ratings, or (C) if rated by three or more NRSROs, a credit rating of at least BB- (or equivalent rating) by the NRSRO assigning the second lowest rating of the NRSROs. All credit ratings are determined at the time of acquisition but shall be monitored on a continuous basis in accordance with the compliance requirements set forth in the Investment Guidelines.

Tax Considerations. AEM shall only purchase securities on behalf of the AEM Accounts if the issuer (i) is organized in a jurisdiction which, at the time of acquisition of an investment, does not require withholding tax on interest paid to a U.S. tax resident that qualifies for benefits under an applicable tax treaty either pursuant to the domestic laws of the country or pursuant to the relevant tax treaty or (ii) provides for a gross up of any withholding taxes.

Compliance. AEM shall provide written notice, which such written notice may be in the form of email, to the Investment Manager within five (5) business days of its knowledge of the acquisition or establishment of an investment or position that does not comply with the Investment Guidelines and/or Approved Issuers List (including noncompliance described below which does not result from the volitional acts of AEM) at the time of such acquisition or establishment and shall use commercially reasonable efforts to enter into a mutual agreement with the Investment Manager regarding AEM's resolution of such breach. Notwithstanding the foregoing, to the extent the portfolio becomes noncompliant with the Investment Guidelines due to changes in the market values, maturities, amortization rates, credit ratings or other characteristics of the securities or other instruments after purchase or because of other causes not due to the volitional acts of AEM, AEM shall use commercially reasonable efforts to dispose of such security, or transfer such security within 45 business days of its knowledge of such noncompliance unless a shorter period is requested by the Investment Manager to AEM or such non-compliance is waived in writing by the Investment Manager.

In addition to the reporting requirements set forth on Schedule 5 and the other compliance requirements set forth above, within ten (10) business days of the end of each calendar month, AEM shall also provide to the Investment Manager a statement (a "Compliance Statement") reporting whether each asset in the AEM Accounts as of the last day of the calendar month subject to such report, and all the assets in the AEM Accounts in aggregate, as of the last day of the calendar month subject to such report, were in compliance with the Investment Guidelines and the Approved Issuers List and the nature, reason and magnitude of noncompliance, if any, with the Investment Guidelines and/or the Approved Issuers List. Such Compliance Statement shall be provided to the Investment Manager via email at legalcomp@athenelp.com.

**SECOND AMENDED AND RESTATED
MASTER SUB-ADVISORY AGREEMENT**

This Second Amended and Restated Master Sub-Advisory Agreement (this "Agreement"), effective as of January 1, 2015 (the "Effective Date"), is entered into by and among Athene Asset Management L.P., a Cayman Islands exempted limited partnership (the "Investment Manager"), Apollo Capital Management, L.P., a Delaware limited partnership ("ACM"), Apollo Global Real Estate Management, L.P., a Delaware limited partnership ("AGREM"), ARM Manager LLC, a Delaware limited liability company ("ARM") and Apollo Longevity, LLC, a Delaware limited liability company ("ALL", and, together with ACM, AGREM, ARM and ALL the "Sub-Advisors").

WHEREAS, the Investment Manager serves as investment manager to one or more accounts as may be designated by certain insurance companies (each a "Company") from time to time and set forth on Schedule 1 attached hereto (as amended in accordance with Section 1(c) hereof), as subject to the Investment Manager's management, pursuant to the Investment Management Agreement set forth opposite each Company's name on Schedule 1 (each, an "Investment Management Agreement"), with authority to delegate any of its rights and obligations thereunder to one or more sub-advisors;

WHEREAS, the Investment Manager and the Sub-Advisors previously entered into that certain Amended and Restated Master Sub-Advisory Agreement, dated as of July 1, 2013 (as amended or modified from time to time, the "First Amended Master Sub-Advisory Agreement"), pursuant to which the Investment Manager retained the Sub-Advisors, upon the terms and conditions set forth in the First Amended Master Sub-Advisory Agreement, to sub-advise an investment portfolio of one or more of such Company accounts (the portion of the accounts sub-advised by the Sub-Advisor, together with all additions, substitutions and alterations thereto, are individually referred to as an "Account" and, collectively, referred to herein as the "Accounts"); and

WHEREAS, the Investment Manager and the Sub-Advisors desire to amend and restate the First Amended Master Sub-Advisory Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. Appointment of Sub-Advisors.

(a) From time to time, as the Investment Manager and the applicable Sub-Advisors shall agree, the Investment Manager shall designate and appoint one or more Sub-Advisors (acting individually or jointly as the parties may agree), on the terms and subject to the conditions set forth herein, as a sub-investment advisor for one or more Accounts with authority to make recommendations to the Investment Manager with respect to the investment and reinvestment of the funds and assets of such Account or Accounts, and the Sub-Advisors (or any of them as the case may be) shall accept such appointment. In addition, the Investment Manager and one or more Sub-Advisors may execute an addendum governing the terms of the

sub-advisory services to be provided with respect to any Company, which addendum may, among other things and subject to Section 3(a), supplement or modify the terms of this Agreement relating to such Company's Account or Accounts (including, without limitation, terms relating to management services, investment guidelines and/or management fees) on terms mutually acceptable to the Investment Manager and the Sub-Advisors (or any of them as the case may be) (each such Addendum, including any schedules thereto, an "Addendum"). The parties intend that each Addendum shall be substantially in the form of the Master Sub-Advisory Agreement Addendum attached hereto as Exhibit A or as otherwise may be agreed upon among the applicable parties.

(b) From time to time, the Investment Manager may designate and appoint additional sub-advisors for one or more Accounts with authority to make recommendations to the Investment Manager with respect to the investment and reinvestment of the funds and assets of such Account or Accounts. Any such designation and appointment shall be effective upon the execution by the Investment Manager and such additional sub-advisor(s) of an Addendum setting forth the terms of the sub-advisory services to be provided by such sub-advisor(s). Following the execution of any such Addendum, each such additional sub-advisor shall be deemed to be a Sub-Advisor for all purposes of this Agreement.

(c) Within a reasonable time after the appointment or termination of any Sub-Advisor with respect to any particular Company, and after the execution of each Addendum, if any, Schedule 1 attached hereto shall be amended to reflect such appointment (by addition to such Schedule) or termination (by deletion from such Schedule), as the case may be, it being understood that Schedule 1 is solely for the convenience of the parties and shall not be evidence of, or precondition for, any such appointment or termination. The Sub-Advisors agree that Schedule 1 may be amended from time to time by the Investment Manager upon written notice to the Sub-Advisors for the purpose of adding additional insurance companies and/or accounts thereto, and, following any such amendment, (i) each such additional insurance company shall be deemed to be a Company for all purposes of this Agreement and (ii) each such additional account shall be deemed to be an Account for all purposes of this Agreement.

2. Management Services: Duties of and Restrictions on Sub-Advisors.

(a) For the avoidance of doubt and without limiting the generality of the powers conferred upon it by Section 1, the Sub-Advisors (or any of them as the case may be) shall be responsible for making recommendations for the investment and reinvestment of the assets of each Account. The Sub-Advisors shall make recommendations to the Investment Manager, and the Investment Manager shall approve or decline such recommendations in its sole discretion. The Sub-Advisors shall be responsible for facilitating execution (through third party brokers or other agents or as otherwise permitted hereby) of any approved investment recommendations in accordance with this Agreement and any instructions provided by the Investment Manager. For the avoidance of doubt, the Sub-Advisors may only execute (or facilitate execution of) transactions in an Account pursuant to this Agreement with the prior consent of the Investment Manager (subject to Section 2(k) below). The Investment Manager shall be responsible for ensuring that any transaction approved by the Investment Manager is permissible under any investment guidelines agreed upon between the Investment Manager and the applicable Company. Where the prior consent of the Investment Manager is required prior to

the Sub-Advisor taking any action under this Agreement, the Investment Manager's written or verbal consent (including consent by electronic mail) shall suffice, unless the express language of this Agreement requires the Investment Manager's consent in writing, in which case only the signed consent of the Investment Manager shall suffice. Where verbal consent for a particular trade is given by the Investment Manager, and provided that the applicable Sub-Advisor provides normal documentary evidence of such trade on the trade date (i.e., via trade ticket, trade confirmation, trade blotter excerpt or similar means provided in the normal course), the Investment Manager's consent with respect to such trade shall be deemed evidenced by the absence of the Investment Manager's objection to such trade in writing (including by electronic mail) prior to the earlier of (i) the close of business on the second business day following the trade date and (ii) the settlement date.

(b) Subject to the other provisions of this Agreement, including, without limitation, Sections 2(a) and 2(h), the Sub-Advisors have authority: (i) to buy, sell, sell short, hold and trade, on margin or otherwise and in or on any market or exchange within or outside the United States or otherwise, securities convertible into preferred or common stock of domestic and foreign issuers, debt securities of domestic and foreign governmental issuers (including federal, state and municipal issuers) and domestic and foreign corporate issuers, investment company securities, money-market securities, partnership interests, mortgage- and asset- backed securities (including, without limitation, collateralized loan obligations and other collateralized debt obligations), foreign currencies and currency forwards, futures contracts and options thereon, bank and debtor-in-possession loans, trade receivables, repurchase and reverse repurchase agreements, commercial paper, other securities, futures and derivatives (including interest rate and currency swaps, swaptions, caps, collars and floors), rights and options on all of the foregoing and other investments, assets or property; and (ii) to effect such other investment transactions involving the assets in an Account's name and solely for such Account, including without limitation, to execute swap, futures, options and other agreements with counterparties. Without the prior written consent of the Investment Manager, the Sub-Advisor shall not open or close any accounts on a Company's behalf.

(c) With respect to each Account advised by such Sub-Advisor, such Sub-Advisor will have the authority to exercise any voting rights relating to assets of such Account. Upon receipt of the Investment Manager's prior verbal or written consent, each Sub-Advisor shall be authorized to exercise rights, options, warrants, conversion privileges, and redemption privileges, and to tender securities pursuant to a tender offer, in each case, with respect to such Account. Each Sub-Advisor shall have the authority to exercise, on behalf of each Account managed by such Sub-Advisor, all rights, remedies and obligations associated with assets held in such Account. Each Sub-Advisor shall have the authority to execute trade confirmations, trade tickets, purchase orders, assignment agreements, engagement letters, amendments, forbearance agreements and all other documents related to the purchase, sale, amendment, restructuring or insolvency of assets of an Account managed by such Sub-Advisor; provided that, any exercise of such authority which would result in a conversion or transfer of an asset shall be subject to the prior verbal or written consent of the Investment Manager.

(d) Subject to each respective Investment Management Agreement with respect to each Account, the Investment Manager may rebalance or reallocate assets among such Account in its discretion (or between the Accounts and any other accounts of any Company or

other clients of the Investment Manager sub-advised by any Sub-Advisor) and will provide the Sub-Advisors (or any of them as the case may be) with notice of any such rebalancings or reallocations.

(e) The Sub-Advisors (or any of them as the case may be) will reasonably cooperate with the Investment Manager to the limited extent necessary for the Investment Manager to perform such ongoing due diligence reasonably relating to each Account and the Sub-Advisors as the Investment Manager reasonably deems necessary or advisable, provided, that such cooperation shall be at no cost or expense to the Sub-Advisors and any cost or expense associated therewith shall be paid by the Investment Manager.

(f) No Sub-Advisor may retain any sub-advisors or otherwise delegate any of its obligations under this Agreement with respect to each Account managed by such Sub-Advisor without the prior written consent of the Investment Manager; provided that each Sub-Advisor may delegate any of its obligations to its affiliates without the prior consent of the Investment Manager; and provided further that, notwithstanding any delegation permitted pursuant to this Section 2(f), such Sub-Advisor shall always remain responsible to the Investment Manager for such Sub-Advisor's obligations hereunder with respect to such Company's Account.

(g) With the written consent of the Investment Manager, each Sub-Advisor shall have the authority to engage such attorneys, accountants and other professionals or advisors as may be necessary or advisable in the discharge of its duties and obligations under this Agreement.

(h) Unless otherwise allowed by an Addendum with respect to a particular Company, none of the Sub-Advisors shall enter into, whether in the name, and on behalf, of any Company or otherwise, any over-the-counter, exchange-traded and other derivative transactions (including any and all contracts or agreements related thereto) in respect of any Accounts without the prior written consent of the Investment Manager (which written consent may be conveyed via electronic mail).

(i) None of the Sub-Advisors shall make a claim for exemption from U.S. withholding tax to the U.S. Internal Revenue Service on the basis that income of any Company is effectively connected with the conduct of a trade or business in the United States, nor shall any Sub-Advisor file a U.S. Internal Revenue Service Form W8-ECI (or any successor form) on behalf of any Company with any withholding agent.

(j) Each Sub-Advisor shall promptly notify the Investment Manager upon its actual knowledge of the occurrence of any event which in the reasonable opinion of such Sub-Advisor would have a materially adverse impact on the ability of such Sub-Advisor to manage each Account sub-advised by such Sub-Advisor.

(k) Notwithstanding anything to the contrary contained herein, the Investment Manager may enter into an arrangement with a Sub-Advisor, either pursuant to an Addendum or other written arrangement, whereby the Sub-Advisor would have discretion with respect to certain transactions other than as set forth in Section 2(a), such as to execute certain transactions for the Accounts without seeking prior consent from the Investment Manager so long as they fit

within certain prescribed guidelines or a particular set of issuers, or some other similar agreement; provided that the Investment Manager may revoke such investment discretion at any time upon notice to such Sub-Advisor.

(l) Each Sub-Advisor agrees to use reasonable best efforts to cause its portfolio managers to trade within the Investment Manager's systems environment, including staging such trades prior to execution.

(m) Each Sub-Advisor and the Investment Manager agree to use commercially reasonable efforts to develop an investment policy statement (an Investment Policy Statement) mutually agreed upon by such Sub-Advisor and the Investment Manager with respect to such Sub-Advisor's asset class and such Investment Policy Statement shall generally include, without limitation, policy statements with respect to such Sub-Advisor's investment strategy, applicable index ("Index"), investment objectives (including benchmarks), investment constraints and reporting procedures (provided that such reporting procedures shall comply with Section 15 below).

3. Compensation: Expenses.

(a) Except as otherwise set forth in any Addendum entered into in respect of any Account, the Investment Manager agrees to pay the Sub-Advisors a management fee ("Management Fee") for the services provided pursuant to this Agreement, calculated and paid (A) with respect to each Sub-Advisor, other than with respect to third party CLO equity managed accounts, in accordance with Schedule 2-1 attached hereto (as amended from time to time), (B) with respect to assets purchased by ALL prior to the Effective Date, in accordance with Schedule 2-2 attached hereto (as amended from time to time), (C) with respect to third party CLO equity managed accounts, in accordance with Schedule 2-3 hereto (as amended from time to time). The Management Fee described in Schedule 2-1 and Schedule 2-3, respectively, shall be allocated among the Sub-Advisors as such Sub-Advisors shall determine. Such Management Fee may be amended by an Addendum signed by the Investment Manager and the applicable Sub-Advisor without the consent of the New York State Department of Financial Services (the "Department").

(b) Each Sub-Advisor will be responsible for all expenses incurred by it in performing its obligations under this Agreement except, for the avoidance of doubt, Account Trading and Investment Expenses, which shall be paid by each respective Company out of the assets of the Account of such Company.

(c) For purposes of this Agreement, "Account Trading and Investment Expenses" shall mean all brokerage fees, brokerage commissions and all other brokerage transaction costs, stock borrowing and lending fees, interest on cash balances, custodial fees, reasonable transaction legal expenses, regulatory fees or taxes payable in respect of the Account, professional expenses (including fees in connection with the use of proxy voting services) and any other fees and expenses related to the trading and investment activity of the Account as determined by the Sub-Advisors in good faith; provided that such fees and expenses are not duplicative of any services provided by the Investment Managers or agents, brokers, advisors or professionals engaged in any capacity by the Investment Manager.

4. Custodian.

(a) The assets of each Account shall be held by a trustee, custodian or securities intermediary that is a “qualified custodian” as defined in Rule 206(4)-2 under the Investment Advisers Act of 1940 duly appointed by each Company (the “Custodian”), and each Sub-Advisor is authorized to give instructions to the Custodian, in writing, with respect to all investment decisions regarding each Account managed by such Sub-Advisor. Nothing contained herein shall be deemed to authorize the Sub-Advisors to take or receive physical possession of any of the assets for the Account and no Sub-Advisor shall have custody or possession of any such assets, it being intended that sole responsibility for safekeeping thereof (in such investments as the Investment Manager or the Sub-Advisors may direct) and the consummation of all purchases, sales, deliveries and investments made pursuant to such Sub-Advisor’s direction shall rest upon the Custodian. The Custodian may be changed with respect to any Company’s Account from time to time upon the written instructions of such Company, subject to any required consents.

(b) Except as expressly provided herein, a Sub-Advisor may not withdraw or substitute funds or other assets from any Account managed by it without the approval of the Custodian (which approval may be subject to the further approval of the applicable Company (as the case may be) and/or the Investment Manager).

(c) Each Company shall instruct the Custodian to send the Investment Manager and the Sub-Advisors (or any of them as the case may be) duplicate copies of all Account statements given to such Company by the Custodian.

5. Brokerage. The Sub-Advisors may designate the brokers or dealers through whom all purchases and sales on behalf of each Account will be made. To the extent permitted by applicable law, such brokers or dealers may include affiliates of the Sub-Advisors. The Sub-Advisors will determine the rate or rates, if any, to be paid for brokerage services provided to each Account. In selecting brokers or dealers to effect transactions on behalf of any Account, the Sub-Advisors, subject to their overall duty to obtain “best execution” of Account transactions, will have authority to and may consider the full range and quality of the ability of the brokers or dealers to execute transactions efficiently, their responsiveness to each Sub-Advisor’s instructions, their facilities, reliability and financial responsibility and the value of any research or other services or products they provide. None of the Sub-Advisors will be obligated to seek in advance competitive bidding for the most favorable commission rate applicable to any particular transaction for any Account or to select any broker-dealer on the basis of its purported posted commission rate. As long as the services or other products provided by a particular broker or dealer (whether directly or through a third party) qualify as “brokerage and research” services within the meaning of Section 28(e) of the Securities Exchange Act of 1934, as amended (and relevant Securities and Exchange Commission (“SEC”) interpretations of that section) and the Sub-Advisors (or any of them as the case may be) determine in good faith that the amount of commission charged by such broker or dealer is reasonable in relation to the value of such “brokerage and research services,” the Sub-Advisors (or any of them as the case may be) may utilize the services of that broker or dealer to execute transactions for each Account on an agency basis even if (i) such Account would incur higher transaction costs than it would have incurred had another broker or dealer been used and (ii) such Account does not necessarily benefit from the research or products provided by that broker or dealer.

6. Limitation of Liability.

(a) None of the Sub-Advisors guarantee the future performance of any Account or any specific level of performance, the success of any investment decision or strategy that any Sub-Advisor may use, or the success of any Sub-Advisor's overall management of any Account. None of the Sub-Advisors provide any express or implied warranty as to the performance or profitability of the Account nor any part thereof nor that any specific investment objectives will be successfully met. Investment decisions made by any Sub-Advisor on behalf of any Account managed by such Sub-Advisor are subject to various market, currency, economic, political and business risks, and those investment decisions will not always be profitable. The Sub-Advisors shall be severally and not jointly liable for their respective obligations and liabilities under this Agreement.

(b) To the maximum extent permitted by law, none of the Sub-Advisors, any affiliate of the Sub-Advisors or any member, partner, shareholder, principal, director, officer, employee or agent of the Sub-Advisors or any such affiliate (each, a "Sub-Advisor Party") shall be liable for any loss, liability or damage (including attorney's fees and other related expenses) ("Losses") resulting from: (i) any act or failure to act by the Custodian, any administrator or any broker or dealer; or (ii) any act or omission by any Sub-Advisor or any permitted Sub-Advisor in connection with the performance of its services under this Agreement (including any Addendum hereto), except in cases of willful misconduct, gross negligence, bad faith or reckless disregard by any Sub-Advisor or any permitted Sub-Advisor of its obligations and duties under this Agreement (including any Addendum hereto). Except as expressly set forth above, none of the Sub-Advisors shall have liability for any Losses suffered, and shall be fully indemnified by the Investment Manager for any Losses it may suffer, as the result of any actions it takes or does not take based on instructions or permissions received from any of the authorized persons of the Investment Manager reasonably believed by such Sub-Advisor to be genuine. Each Sub-Advisor may consult with legal counsel at its cost and expense (without limiting the reimbursement provisions set forth in this Agreement, including those set forth in Section 3(b)) concerning any question which may arise with reference to this Agreement or its duties hereunder, and the opinion of such counsel shall be full and complete protection with respect to, and none of the Sub-Advisors shall have liability for any Losses suffered as a result of, any action taken or suffered by any Sub-Advisor hereunder in good faith and in accordance with the opinion of such counsel. Under no circumstances shall any Sub-Advisor be liable for any special, incidental, exemplary, consequential, punitive, lost profits or indirect damages.

(c) The federal and state securities laws may impose liabilities under certain circumstances on persons who act in good faith, and therefore nothing in this Agreement will waive or limit any rights that the Investment Manager or any Company may have under those laws.

7. Termination.

(a) The terms and provisions of this Agreement shall apply to all transactions from the date of this Agreement and this Agreement shall continue in effect until terminated by the Investment Manager on the one hand, or the Sub-Advisors on the other hand, without penalty, by the terminating party giving written notice to the other party in writing which will take effect 30 days after the date on which notice is received by the other party or such later date as such notice specifies (which shall not exceed 90 days from the date of such notice) or such earlier date as the other party may agree. In addition, this Agreement may be terminated by:

(i) the Investment Manager with respect to any particular Sub-Advisor in the event of: (A) a material breach by such Sub-Advisor; (B) bankruptcy or insolvency by such Sub-Advisor; or (C) the inability of such Sub-Advisor for regulatory reasons to perform its services hereunder; and

(ii) the Sub-Advisors in the event of: (A) a material breach by the Investment Manager; (B) bankruptcy or insolvency by the Investment Manager; or (C) the inability of the Investment Manager for regulatory reasons to perform its services hereunder.

(b) Notwithstanding anything in this Agreement to the contrary, (a) the Investment Manager may suspend all trading in any Account upon 2 business days' prior written notice to the Sub-Advisors (or any of them, as the case may be) for any or no reason and (b) this Agreement shall automatically terminate upon the termination of the last remaining Investment Management Agreement with respect to the applicable Account listed on Schedule 1.

(c) Upon receipt of a termination notice from the Investment Manager, or delivery of a termination notice by any Sub-Advisor, such Sub-Advisor shall, at the reasonable request of the Investment Manager, continue to perform its functions under this Agreement or in respect of such terminated Account, and shall be entitled to receive the requisite portion of any fees due (including Management Fees) until a successor has been appointed, provided that such Sub-Advisor shall not be required to perform its functions after ninety (90) days from the receipt of a termination notice.

(d) Section 6 of this Agreement shall continue in full force and effect notwithstanding the termination hereof or the invalidation of any provision contained herein.

8. Representations and Warranties.

(a) Each Sub-Advisor, severally and not jointly, represents and warrants to the Investment Manager, as of the date hereof, as follows:

(i) such Sub-Advisor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization;

(ii) such Sub-Advisor is a registered investment adviser under the Investment Advisers Act of 1940, as amended or is relying on such a registered investment adviser (the "Advisers Act"), and in turn each such Sub-Advisor

(iii) to its knowledge, there are no material suits, actions, claims or proceedings pending or threatened in any court or before or by any governmental, regulatory or administrative body, nor have there been any such material suits, actions, claims or proceedings, to which such Sub-Advisor is a party which might reasonably be expected to have a materially adverse effect on the ability of such Sub-Advisor to perform its duties hereunder;

(iv) the Sub-Advisor has not been subject to any legal or regulatory action, proceeding, or claim involving fraud, misrepresentation or violation of any securities laws, rules or regulations;

(v) in performing its duties and obligations under this Agreement, all acts and omissions taken by such Sub-Advisor in respect of any Account shall be in compliance in all material respects with all applicable laws, rules and regulations;

(vi) such Sub-Advisor has all necessary governmental, regulatory and exchange approvals and licenses and has effected all filings and registrations with all necessary authorities required to conduct its business and to perform its obligations hereunder in all material respects;

(vii) such Sub-Advisor has, and its employees or related parties are subject to, written procedures regarding compliance with all relevant rules and regulations as required by and in conformity with applicable law, and such Sub-Advisor has procedures in place which comply with all relevant anti-money laundering and privacy principles applicable to it pursuant to applicable law;

(viii) such Sub-Advisor has full corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(ix) this Agreement constitutes a binding obligation of such Sub-Advisor, enforceable against such Sub-Advisor in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws relating to or affecting creditors' rights or by general equity principles, regardless of whether such enforceability is considered in a proceeding in equity or at law; and

(x) the execution, delivery and performance of this Agreement by such Sub-Advisor do not violate (A) any law, rule or regulation applicable to such Sub-Advisor, (B) any provision of the articles of incorporation or by-laws of such Sub-Advisor, or (C) any agreement or instrument to which such Sub-Advisor is a party except, in each case, for such violations as would not have a materially adverse effect on the ability of such Sub-Advisor to perform its obligations under this Agreement.

(b) Except as otherwise provided in an Addendum, if any, with respect to a particular Company, the Investment Manager represents and warrants to each Sub-Advisor as follows:

(i) the Investment Manager is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization;

(ii) the Investment Manager has full corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder;

(iii) this Agreement constitutes a binding obligation of the Investment Manager, enforceable against the Investment Manager in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws relating to or affecting creditors' rights or by general equity principles, regardless of whether such enforceability is considered in a proceeding in equity or at law;

(iv) the execution, delivery and performance of this Agreement by the Investment Manager do not violate (A) any law, rule or regulation applicable to the Investment Manager, (B) any provision of the articles of incorporation or by-laws of the Investment Manager, or (C) any agreement or instrument to which the Investment Manager is a party, except for such violations as would not have a materially adverse effect, directly or indirectly, on the ability of the Investment Manager to perform its duties under this Agreement;

(v) no consent of any person, and no license, permit, approval or authorization of, exemption by, report to, or registration, filing or declaration with, any governmental authority is required by the Investment Manager in connection with the execution, delivery and performance of this Agreement other than those already obtained;

(vi) each Company is a "qualified institutional buyer" ("QIB") as defined in Rule 144A under the Securities Act of 1933, as amended, and the Investment Manager will promptly notify the Sub-Advisors if such Company ceases to be a QIB; and

(vii) none of the assets contained in any Account are or will be "plan assets" of an employee benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended, or Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code").

10. No Assignment. This Agreement may not be assigned by any party to this Agreement without the prior written consent of the other parties hereto: provided, that, upon 5 days' prior written notice to the Investment Manager, any Sub-Advisor may assign this Agreement to its affiliates without the prior written consent of the Investment Manager or any Company, provided that such assignment does not result in a change of actual control or management of such Sub-Advisor, which shall be determined with reference to Section 202(a)(1) of the Advisers Act and Rule 202(a)(1)-1 and other guidance issued by the SEC thereunder. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding on the parties hereto and their successors and permitted assigns, in each case *provided* that such successor or assignee agrees to be bound by the terms and conditions of this Agreement.

11. Governing Law. To the extent consistent with any mandatorily applicable federal law, this Agreement shall be governed by the laws of the State of New York without giving effect to any principles of conflicts of law thereof that would permit or require the application of the law of another jurisdiction and are not mandatorily applicable by law.

12. Arbitration. Any controversy arising out of or in connection with this Agreement shall be settled by arbitration in New York City in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect, and any award rendered thereon shall be enforceable in any court of competent jurisdiction. Without giving effect to Section 11, any such arbitration and this Section 12 shall be governed by Title 9 of the U.S. Code (Arbitration

13. Waiver of Jury Trial. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT THAT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a proceeding, seek to enforce the forgoing waiver and (ii) acknowledge that it has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this paragraph.

14. Right to Audit. The Investment Manager and its representatives shall have the right, at its own expense, to conduct an audit of the relevant books, records and accounts of each Sub-Advisor related to the Accounts (or any particular Account) managed by such Sub-Advisor during normal business hours upon giving reasonable notice of their intent to conduct such an audit. In the event of such audit, each Sub-Advisor shall comply with the reasonable requests of the Investment Manager and/or any Company and their respective representatives and provide access to all books, records and accounts necessary to the audit and the Investment Manager shall reimburse each Sub-Advisor for its costs and expenses in connection with such audit.

15. Books and Records. Each Sub-Advisor shall keep and maintain proper books and records wherein shall be recorded the business transacted by it on behalf of, in the name of, or on account of each Company in respect of such Company's Account. Each Sub-Advisor shall maintain voting records for each Account managed by such Sub-Advisor for a minimum period of five (5) years or for such longer time as may be required by applicable law, and shall make such voting records available to the Investment Manager as the Investment Manager may reasonably request from time to time.

16. Reports. In addition to any notice requirements otherwise described herein, each Sub-Advisor shall, subject to any confidentiality obligations, legal, regulatory or other disclosure restrictions, provide the Investment Manager with (i) reports containing the information set forth on Schedule 3 and (ii) all other information reasonably requested by the Investment Manager that is required to meet the Investment Manager's compliance, financial reporting, operational and other obligations, to the extent the Sub-Advisor actually possesses such information. Schedule 3 may otherwise be amended, supplemented or modified from time to time as agreed to in writing solely by the Investment Manager and the Sub-Advisors (as applicable) without a formal amendment to the Agreement.

17. Force Majeure. No party to this Agreement shall be liable for damages resulting from delayed or defective performance when such delays arise out of causes beyond the control and without the fault or gross negligence of the offending party. Such causes may include, but are not restricted to, acts of God or of the public enemy, terrorism, acts of the state in its sovereign capacity, fires, floods, earthquakes, power failure, disabling strikes, epidemics, quarantine restrictions and freight embargoes.

18. Non-Exclusive Dealings with and by Sub-Advisor Parties; Conflicts of Interest

(c) Although nothing herein shall require any Sub-Advisor to devote its full time or any material portion of its time to the performance of its duties and obligations under this Agreement, each Sub-Advisor shall furnish continuous investment advisory services for the Accounts and, in that connection, devote to such services such of its time and activity (and the time and activity of its employees) during normal business days and hours as it shall reasonably determine to be necessary for each Account to achieve its investment objective(s); *provided, however*, that nothing contained in this Section 17(a) shall preclude the Sub-Advisor Parties from acting, consistent with the foregoing, either individually or as a member, partner, shareholder, principal, director, trustee, officer, official, employee or agent of any entity, in connection with any type of enterprise (whether or not for profit), regardless of whether any Company, Account or any Sub-Advisor Party has dealings with or invests in such enterprise.

(d) The Investment Manager understands that each Sub-Advisor will continue to furnish investment management and advisory services to others, and that each Sub-Advisor shall be at all times free, in its discretion, to make recommendations to others which may be the same as, or may be different from or inconsistent with, those made to each Account. The Investment Manager further understands that the Sub-Advisor Parties may or may not have an interest in the securities whose purchase and sale any Sub-Advisor may recommend. Actions with respect to securities of the same kind may be the same as or different from or inconsistent with the action which the Sub-Advisor Parties or other investors may take with respect thereto. Furthermore, the Investment Manager understands and agrees that each Sub-Advisor Party shall have the right to engage, directly or indirectly, in the same or similar business activities or lines of business as any Sub-Advisor and any other Sub-Advisor Party and no knowledge or expertise of any Sub-Advisor Parties or any opportunities available to such Sub-Advisor Parties shall be imputed to any Sub-Advisor or any other Sub-Advisor Parties.

(e) The Investment Manager agrees that each Sub-Advisor may refrain from rendering any advice or services concerning securities of companies of which any of the Sub-Advisor Parties are directors or officers, or companies as to which the Sub-Advisor Parties have any substantial economic interest or possesses material non-public information, unless such Sub-Advisor either determines in good faith that it may appropriately do so without disclosing such conflict to the Investment Manager and any applicable Company or discloses such conflict to the Investment Manager and such Company prior to rendering such advice or services with respect to any Account.

(f) From time to time, when determined by any Sub-Advisor to be in the best interest of any Company and with the prior approval of the Investment Manager, the Account in respect of such Company may purchase securities from or sell securities to another account (including, without limitation, public or private collective investment vehicles) managed, maintained or trusted by such Sub-Advisor or an affiliate at prevailing market levels in accordance with applicable law and utilizing such pricing methodology determined to be fair and equitable to such Company in such Sub-Advisor's reasonable judgment.

(g) Notwithstanding anything else in this Agreement to the contrary, none of the Sub-Advisors shall be under any obligation to effect trades or satisfy any other obligation required of it herein if such Sub-Advisor determines that such transactions might be adverse to the interests of clients managed by such Sub-Advisor or its affiliates. Each Sub-Advisor shall

be entitled to consider its fiduciary duties to all clients that hold parallel positions in the securities to be sold or distributed, if any. In the event that, in accordance with this provision, a Sub-Advisor declines to follow the instructions of the Investment Manager, the Sub-Advisor will notify the Investment Manager of such conflict and its decision with respect thereto. For the avoidance of doubt, if the Sub-Advisor determines not to follow the direction of the Investment Manager, nothing herein shall prevent the Investment Manager from immediately making a full or partial withdrawal from the applicable Account(s) and proceeding with the relevant course of action on its own.

19. Aggregation and Allocation of Orders.

(a) The Investment Manager acknowledges that circumstances may arise under which a Sub-Advisor determines that, while it would be both desirable and suitable that a particular security or other investment be purchased or sold for the account of more than one of such Sub-Advisor's clients' accounts, there is a limited supply or demand for the security or other investment. Under such circumstances, the Investment Manager acknowledges that, while such Sub-Advisor will seek to allocate the opportunity to purchase or sell that security or other investment among those accounts on an equitable basis, such Sub-Advisor shall not be required to assure equality of treatment among all of its clients (including that the opportunity to purchase or sell that security or other investment will be proportionally allocated among those clients according to any particular or predetermined standards or criteria). Where, because of prevailing market conditions, it is not possible to obtain the same price or time of execution for all of the securities or other investments purchased or sold for each Account (or for the other accounts advised or sub-advised by such Sub-Advisor), such Sub-Advisor may average the various prices and charge or credit any Account with the average price.

(b) It is each Sub-Advisor's general policy to allocate investment opportunities among investment funds and client accounts on a basis that such Sub-Advisor and its affiliates determine in good faith to be appropriate taking into consideration such factors as each client's and investment fund's primary mandate, the relative amounts of capital available for investment (after taking into account applicable reserves), and any restrictions on investment, the sourcing of the transaction, the size of the transaction, the amount of potential follow-on investing strategy of the client or investment fund, reasons of portfolio balance, the nature and extent of involvement in the transaction on the part of the respective teams of investment professionals and other factors deemed applicable by such Sub-Advisor and its affiliates in good faith.

20. Sub-Advisors Independent. For all purposes of this Agreement, each Sub-Advisor shall be deemed to be an independent contractor and shall have no authority to act for, bind or represent the Investment Manager, any Company or any Company's shareholders in any way, except as expressly provided herein, and shall not otherwise be deemed to be an agent of any Company. Nothing contained herein shall create or constitute any Sub-Advisor, the Investment Manager and/or any Company as a member of any partnership, joint venture, association, syndicate, unincorporated business or other separate entity, nor shall anything contained herein be deemed to confer on any of them any express, implied, or apparent authority to incur any obligation or liability on behalf of any other person, except as expressly provided herein. Each Sub-Advisor shall be severally liable for its own obligations and the Investment Manager shall have no recourse to any Sub-Advisory for the actions or omissions of any other Sub-Advisor.

21. Entire Agreement. Except for those documents, agreements or Addendums referred to herein, this Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes from and after the Effective Date all other prior agreements and understandings, both oral and written, between the parties with respect to the subject matter of this Agreement. There are no understandings between the parties with respect to the subject matter of this Agreement other than as expressed herein. Nothing in this Agreement shall be construed to amend the First Amended Master Sub-Advisory Agreement, including any payments set forth therein, for any period of time prior to the date hereof.

22. Severability. To the extent this Agreement may be in conflict with any applicable law or regulation, this Agreement shall be construed to the greatest extent practicable in a manner consistent with such law or regulation. The invalidity or illegality of any provision of this Agreement shall not be deemed to affect the validity or legality of any other provision of this Agreement.

23. Counterparts: Amendment. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Except as set forth herein or in any Addendum, this Agreement may not be modified or amended, except by an instrument in writing signed by the party to be bound or as may otherwise be provided for herein.

24. Addendums. In the event that the Investment Manager and the Sub-Advisors (or any of them as the case may be) execute an Addendum to this Agreement, such Addendum shall be deemed to be attached to and become a part of this Agreement and the terms of this Agreement shall be amended, supplemented or modified by the terms of such Addendum as applicable. In the event of conflict between this Agreement and any Addendum, the terms and conditions contained in such Addendum shall control. Upon the execution by the Investment Manager and the Sub-Advisors (or any of them, as the case may be) of any Addendum, this "Agreement" shall be deemed to include the terms set forth in any such Addendum.

25. No Recourse to Companies. Each Sub-Advisor acknowledges and agrees that such Sub-Advisor shall not have any recourse against any Company for any claims, losses, damages, liabilities, indemnities or other obligations whatsoever in connection with this Agreement or any transaction contemplated hereunder.

26. Third-Party Beneficiary. Notwithstanding any provision herein to the contrary, each Sub-Advisor and the Investment Manager acknowledge and agree that each Company is an intended third-party beneficiary of each term and provision hereof and each term and provision of this Sub-Advisory Agreement may be enforced by the Company.

1. **Management Fee.** In consideration of the services performed under the Agreement, the Investment Manager shall pay to the Sub-Advisors (allocated among such Sub-Advisors as such Sub-Advisors shall determine) a management fee (the "**Management Fee**"), calculated and paid quarterly in arrears as a percentage of Average Month-End Net Asset Value of assets in all the Accounts managed by the Sub-Advisors (unless otherwise agreed to by the parties¹), (other than Third Party CLO Equity Managed Account (as described on Schedule 2-3)²) pursuant to the following schedule, which shall take effect with respect to new and existing assets as of the Effective Date:

Assets Under Management ³	Management Fee Rate ⁴
< \$10,000,000,000	40 bps (0.40%) per annum
≥ \$10,000,000,000	35 bps (0.35%) per annum

- ¹ For the avoidance of doubt but subject to Section 2(a), to the extent that a Sub-Adviser invests on behalf of the Account in an affiliate-managed CLO (a) to the extent that such investment is on a secondary basis in one of the debt and/or equity tranches of such CLO, the Account will be charged fees pursuant to this Schedule 2-1; and (b) to the extent that such investment is on a primary basis, the agreement governing the Account's investment into the affiliate-managed CLO will govern the treatment of fees in such instance (and not, for the avoidance of doubt, this Schedule 2-1). In addition, the Investment Manager shall be responsible for any servicing fees associated with the sub-advised mortgage and mezzanine real estate loan portfolio.
- ² For the avoidance of doubt, this fee schedule does not apply to future or existing investments in Apollo funds (which as of the date hereof includes but is not limited to TRF, COF 3, EPFs, FCIs, all the ALM and ALME CLO and related warehouses, the levered CMBS funds and APC), or to any investments made by Apollo Royalties Management LLC. - ⁴ For the avoidance of doubt, this Schedule 2.1 shall not apply to any Apollo controlled investment entities, the fee schedule of which shall be governed by a separate schedule or other governing document.

Schedule 2-1

For the avoidance of doubt, the step-down in Management Fee Rate from 40 bps to 35 bps will only apply to the portion of Assets Under Management in excess of \$10,000,000,000 based on the net asset value of the Accounts.

The "Average Month-End Net Asset Value" shall be the average of the month-end aggregate net asset value of the Accounts during the calendar quarter. If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro rated* accordingly. For the avoidance of doubt, for a given month, Average Month-End Net Asset Value shall be calculated based on trade date holdings plus accrued interest.

2. **Valuation.** Each Sub-Advisor, through its designee, shall (i) be responsible for determining the value of the assets that are purchased for the Accounts that it manages in accordance with such Sub-Advisor's existing policies and procedures, and (ii) shall use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees.
3. **Payment of Fees.** The Management Fee will be calculated, billed, and paid quarterly in arrears, based on the Average Month-End Net Asset Value as of the last business day of each and all of the three calendar months during the relevant quarter, or in the case of any partial quarterly period, the last day of each calendar month during the relevant period and the last business day of such period. The Investment Manager will pay any Management Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such fee, detailing the calculation of such fee. The Investment Manager and the Sub-Advisors shall agree on the form and substance of such invoice before the first Management Fee billing cycle. Upon termination of the Agreement, any outstanding Management Fee shall become immediately payable by the Investment Manager.
4. **Incentive Fees.** For the avoidance of doubt, the provisions governing incentive fees on existing assets remain intact and shall not be deemed amended by this Agreement. The Investment Manager and each Sub-Advisor may agree in writing from time to time on an incentive fee with respect to particular investments or asset classes managed by such Sub-Advisor.

Schedule 2-1

Schedule 2-2

ALL Incentive Fee Schedule

1. **Legacy Incentive Fee.** In addition to the Management Fee set forth on Schedule 2.1, solely with respect to assets purchased by ALL prior to the Effective Date, the Investment Manager shall pay to ALL an incentive fee equal to twenty percent (20%) of the realized proceeds (including principal repayments and coupon payments, "Proceeds") in excess of the cost of each investment recommended by ALL, subject to the return of any realized losses on investments recommended by ALL pursuant to this Schedule 2-2 and return of the Preferred Return in respect to each investment, each as fully described below (the "Legacy Incentive Fee" and together with the Management Fee and any agreed upon ALL Incentive Fees (as defined below), the "Fees"). Specifically, Proceeds from each investment will be allocated as follows:
- (i) First, to the Investment Manager's applicable clients (the "Clients") until the applicable Clients have received an amount equal to: (a) the cost of such investment, plus (b) an amount equal to any previously unreturned realized losses from investments recommended by ALL pursuant to this Schedule 2-2;
 - (ii) Second, to the applicable Clients until such Clients have received an amount equal to interest at the rate of eight percent (8%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return");
 - (iii) Third, (a) 80% to ALL and (b) 20% to the applicable Clients, until ALL has received an amount equal to twenty percent (20%) of the sum of the allocations made pursuant to item (ii) above with respect to such investment and amounts then and previously allocated pursuant to this item (iii) with respect to such investment; and
 - (iv) Finally, 80% to the applicable Clients and 20% to ALL.

For the avoidance of doubt, (i) other than temporary impairments, determined by each applicable Client in accordance with such Client's accounting policies and procedures, shall be treated as realized losses and (ii) the applicable Clients will not receive any unreturned Preferred Return with respect to any investment recommended by ALL from the Proceeds of any other investment recommended by ALL.

Upon termination of the Agreement, a clawback calculation will be completed based on the aggregate Proceeds received from all realized investments recommended by ALL pursuant hereto, and ALL shall be required to repay any Legacy ALL Incentive Fee previously paid to ALL to the extent that any realized losses from investments recommended by ALL pursuant to this Schedule 2-2 remain unreturned to the applicable Clients upon such termination. The Legacy ALL Incentive Fee will be paid quarterly in arrears.

Schedule 2-2

-
2. **Valuation.** ALL shall be responsible for determining the value of the Accounts that it manages in accordance with ALL's existing policies and procedures and shall use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Fees.
 3. **Incentive Fee.** New Investment Incentive Fee. From time to time and upon mutual agreement by ALL and the Investment Manager, ALL may be entitled to an incentive fee ranging in each case from 10% to 20% with respect to certain investments recommended by ALL and purchased on behalf of the Client(s) after the Effective Date of the Master Sub-Advisory Agreement (each such incentive fee, an "ALL Incentive Fee"). Prior to the payment of any ALL Incentive Fee to ALL, ALL and the Investment Manager shall execute a confirmation of the ALL Incentive Fee (each such confirmation, including any schedules thereto, an "ALL Incentive Fee Confirmation") governing the terms of such ALL Incentive Fee. The parties intend that each ALL Incentive Fee Confirmation shall be in substantially the form of the ALL Incentive Fee Confirmation attached to the Master Sub-Advisory Agreement as Exhibit B or as otherwise may be agreed upon by ALL and the Investment Manager. Each ALL Incentive Fee Confirmation may be entered into by ALL and the Investment Manager without formal amendment to the Master Sub-Advisory Agreement.

Schedule 2-2

SCHEDULE 2-3

Third Party CLO Equity Managed Account

1. **Management Fee.** In consideration of the services performed under the Agreement and pursuant to this Schedule 2-3, the Investment Manager shall pay a management fee (the "Management Fee"), calculated and paid quarterly in arrears as a percentage of Average Month-End Net Asset Value equal to 100 bps *per annum* on the invested assets of the applicable Accounts. For the avoidance of doubt, CLO warehouses shall be treated as CLO equity for purposes of this Schedule 2-3.

The "Average Month-End Net Asset Value" shall be the average of the month-end aggregate net asset value of the Accounts during the calendar quarter. If the period in respect of which a Management Fee is payable is less than a calendar quarter, then the Management Fee shall be *pro rated* accordingly. For the avoidance of doubt, for a given month, Average Month-End Net Asset Value shall be calculated based on trade date holdings plus accrued interest.

2. **Incentive Fee (excluding Kirkwood III (MCF CLO II))** In addition to the Management Fee set forth above, the applicable Sub-Advisor shall receive an incentive fee equal to fifteen percent (15%) of the realized proceeds (including principal repayments and coupon payments, "Proceeds") in excess of the cost of each investment recommended by the applicable Sub-Advisor, subject to the return of any realized losses on investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3 and return of the Preferred Return in respect to each investment, each as fully described below (the "Incentive Fee" and together with the Management Fee, the "Fees"). Specifically, Proceeds from each investment will be allocated as follows:
- (i) First, to the Investment Manager's applicable clients (the "Clients") until such Clients have received an amount equal to: (a) the cost of such investment, plus (b) an amount equal to any previously unreturned realized losses from investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3;
 - (ii) Second, to the applicable Clients until such Clients have received an amount equal to interest at the rate of ten percent (10%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return"); and
 - (iii) Finally, 85% to the applicable Clients and 15% to the applicable Sub-Advisor.

CLO equity investments in Kirkwood III (MCF CLO II) ("Kirkwood") shall be excluded for purposes of determining incentive fees payable above.

For the avoidance of doubt, (i) other than temporary impairments, determined by each applicable Client in accordance with such Client's accounting policies and procedures, shall be treated as realized losses and (ii) the applicable Clients will not receive any unreturned Preferred Return with respect to any investment recommended by the applicable Sub-Advisor from the Proceeds of any other investment recommended by the applicable Sub-Advisor.

Upon termination of the Agreement, a clawback calculation will be completed based on the aggregate Proceeds received from all realized investments recommended by the applicable Sub-Advisor pursuant hereto, and the applicable Sub-Advisor shall be required to repay any Incentive Fee previously paid to the applicable Sub-Advisor to the extent that any realized losses from investments recommended by the applicable Sub-Advisor pursuant to this Schedule 2-3 remain unreturned to the applicable Clients upon such termination.

3. **Incentive Fee for Kirkwood.** In addition to the Management Fee set forth above, the applicable Sub-Advisor shall receive, with respect to the Kirkwood equity investment, an incentive fee equal to 12.5% of Proceeds in excess of the cost of such investment and receipt by the applicable Clients of the Preferred Return (as defined below). Specifically, Proceeds from the Kirkwood equity investment will be allocated as follows:
 - (i) First, to the applicable Clients, until such Clients have received an amount equal to the cost of such investment;
 - (ii) Second, to the applicable Clients until the such Clients have received an amount equal to interest at the rate of ten percent (10%) *per annum*, compounded annually, on the cost of such investment, computed from the dates the applicable Clients purchased such investment until the dates that such Clients have been returned the applicable amounts with respect to such investment pursuant to item (i) above (the "Preferred Return"); and
 - (iii) Finally, 87.5% to the applicable Clients and 12.5% to the applicable Sub-Advisor.
4. **Valuation.** Each Sub-Advisor, through its designee, shall (i) be responsible for determining the value of the assets that are purchased for the Accounts that it manages in accordance with such Sub-Advisor's existing policies and procedures, and (ii) use commercially reasonable efforts to submit a proposed valuation of such Accounts within 5 business days (but in no event later than 6 business days) following each month-end to the Investment Manager. The parties hereto agree to negotiate in good faith as to any objections raised by the Investment Manager about the valuation of assets in the Accounts for purposes of determining the Management Fees.
5. **Payment of Fees.** The Management Fee will be calculated, billed, and paid quarterly in arrears, based on the Average Month-End Net Asset Value as of the last business day of each and all of the three calendar months during the relevant quarter, or in the case of any partial quarterly period, the last day of each calendar month during the relevant period and the last business day of such period. The Investment Manager will pay any Management Fees payable hereunder within 30 calendar days following receipt by the Investment Manager of an invoice for such fee, detailing the calculation of such fee. The Investment Manager and the Sub-Advisors shall agree on the form and substance of such invoice before the first Management Fee billing cycle. Upon termination of the Agreement, any outstanding Management Fee shall become immediately payable by the Investment Manager.

Re: **Athene Holding Ltd.**
Registration Statement on Form S-1
File No. 333-211243

Dear Ms. Hayes:

On behalf of Athene Holding Ltd. (the “Registrant”), enclosed for review by the Securities and Exchange Commission (the “Commission”) is Amendment No. 3 to the Registration Statement on Form S-1, File No. 333-211243, of the Registrant (as amended, the “Registration Statement”). The Registration Statement has been revised to respond to the comments of the Staff of the Commission (the “Staff”) that were contained in your letter dated September 15, 2016 (the “Comment Letter”) and to effect such other changes as the Registrant deems appropriate. Capitalized terms used and not defined herein shall have the meanings given to such terms in the Comment Letter or Registration Statement, as applicable.

Set forth below are the responses of the Registrant to the comments in the Comment Letter. For ease of reference, each comment contained in the Comment Letter is printed below in bold and is followed by the response of the Registrant. Page numbers refer to page numbers of the unmarked version of the Registration Statement as submitted on the date of this letter.

Compensation of Executive Officers and Directors
2015 Compensation Decisions, page 225

- We note your response to our prior comment 3 as well as the tabular disclosure that now appears on page 226 of the amended prospectus. For each performance measurement that is based on metrics derived from your financial statements, including, without limitation, operating income and return on equity, please disclose the threshold, target, and maximum amounts, as applicable, and the actual results achieved by the company. In the alternative, please provide us with your analysis as**

to why you believe you are not required to disclose this information. For guidance, see Question 118.04 of the Compliance and Disclosure Interpretations for Regulation S-K.

The Registrant has revised the disclosure on page • of the Registration Statement to comply with the Staff’s comment to disclose metrics derived from the Registrant’s financial statements – specifically, operating income, as adjusted; return on equity, as adjusted; retail sales; funding agreement backed notes program; reinsurance flow from existing 3rd party treaties; and risk-based capital. The Registrant has removed new 3rd party reinsurance sales from the table because, although this metric was initially a performance target, the compensation committee did not consider this metric in its evaluation of 2015 performance and its determination of the amount of 2015 annual incentive awards.

The Registrant respectfully believes that disclosure of the retail net spread target relating to the objective to “grow core business and continue to support M&A activities,” and actual results, as well as of the expense targets relating to the objective to “achieve operating model efficiencies,” and actual results, is not required under Instruction 4 to Item 402(b) of Regulation S-K, even on an historical basis, because these targets constitute confidential commercial information, the disclosure of which would result in substantial competitive harm to the Registrant.

US GAAP does not require the Registrant to separate out its direct operating expenses, and the Registrant does not otherwise separately report such expenses in the Registration Statement because the information is highly confidential as it goes to the efficiency of the Registrant’s operations. Disclosing direct operating expense targets and actual results over a period of years, even on an historical basis, would provide the Registrant’s competitors with insight into the Registrant’s carefully developed operational model. In turn, this visibility would allow competitors to copy Registrant’s operating model or otherwise exploit that information to Registrant’s disadvantage.

Similarly, US GAAP does not require the Registrant to disclose the net spread it is able to achieve on the sale of retirement products to individuals, and the Registrant regards such information to be highly confidential. Indeed, most companies generally would regard information about the average profit margin achieved on a particular product to be highly confidential commercial information. This information is not otherwise disclosed or required to be disclosed in the Registration Statement, and none of the Registrant’s peer insurance company competitors disclose such information in their SEC filings.

In lieu of disclosing these quantitative targets, the Registrant, as required by Instruction 4, has provided a discussion of how difficult it was for the executive and the Registrant to achieve the performance targets. The Registrant has also disclosed whether the executive and the Registrant achieved or exceeded each of the undisclosed targets. The Registrant respectfully submits that the level of disclosure it has provided about the annual incentive awards, including the actual payout level for each objective, is sufficient to inform investors about the purpose, function and performance of its compensation programs.

Finally, as the Registrant disclosed on page 226 of Amendment No. 2, the compensation committee met in December 2015 to determine the amounts of 2015 annual incentive awards, and these decisions were based on projections of full-year 2015 results. Hence, the Registrant does not believe that the performance targets table should disclose actual 2015 results. Item 402(b)(1) requires disclosure of “[h]ow the registrant determines the amount (and, where applicable, the formula) for each element to pay.” As a factual matter, for 2015, the Registrant’s compensation committee determined pay on the basis of projected 2015 results, and the Registrant has therefore disclosed the projected 2015 results that formed the basis of the compensation committee’s decisions on how much to pay the named executive officers in the form of annual incentive awards.

2015 Grants of Athene Plan-Based Awards Table, page 229

2. Please tell us why you have not reported the grant date fair value of the annual incentive plan awards within the table. We note that the grant date for the award appears to be December 10, 2015.

The Registrant has not reported the grant date fair value of the annual incentive plan awards in the 2015 Grants of Athene Plan-Based Awards Table because the awards are denominated in dollars. As we stated in our July 1, 2016 response to comment #14 in the Staff’s June 6, 2016 letter, the Registrant has recharacterized its annual bonuses as equity and non-equity plan incentive awards for disclosure purposes.

“Specifically, in the Awards Table: as the equity incentive plan awards are denominated in dollars, consistent with Regulation S-K CDI 120.01, the Registrant reports the equity incentive plan awards in dollars, and not number of shares. In addition, the Registrant is not able to separate the equity incentive awards from the non-equity incentive awards. Both types of awards are subject to the same threshold, target and maximum framework, and the compensation committee views the annual incentive award as one award, not two. Once the Registrant’s compensation committee makes its decision as to the amount of the annual incentive award, the allocation between Class A common shares and cash is based on a percentage of the NEO’s total base salary and annual incentive award.² Accordingly, the Registrant reports a single incentive award (combining both the cash-settled and share-settled awards) in the columns under the heading “Estimated Future Payouts Under Incentive Plan Awards.” With respect to the share-settled awards, the Registrant reports the number of actual shares issued and their issuance date fair value in a footnote to the Awards Table.”

¹ Regulation S-K CDI 120.01 reads as follows:

Question: If an equity incentive plan award is denominated in dollars, but payable in stock, how is it disclosed in the Grants of Plan-Based Awards Table since the headings for equity-based awards (columns (f), (g) and (h)) only refer to numbers and not dollars?

Answer: The award should be disclosed in the Grants of Plan-Based Awards Table by including the dollar value and a footnote to explain that it will be paid out in stock in the form of whatever number of shares that amount translates into at the time of the payout. In this limited circumstance, and if all the awards in this column are structured in this manner, it is acceptable to change the captions for columns (f) through (h) to show “(\$)” instead of “(#).” [Aug. 8, 2007]

² On page 220 of Amendment No. 2 to Form S-1, in response to comment #1 in the Staff’s July 15, 2016 letter, the Registrant has described how it determines the amount to be paid out in common shares versus cash.

Accordingly, because the awards are denominated in dollars and reported in dollars, the Registrant has not also disclosed the grant date fair value of the awards since the concept of grant date fair value is not applicable to awards denominated in dollars.

We would be grateful if the Staff would provide any comments to the revised Registration Statement at its earliest convenience so that we may provide any additional responses required.

Should you wish to discuss the enclosed materials at any time, please do not hesitate to contact me.

Very truly yours,
