³ All existing entities that currently intend to rely upon the requested Order have been named as Applicants. Any other existing or future entity that subsequently relies on the Order will comply with the terms and conditions of the Application.

The relief requested in this application for the Order (the “*Application*”) would allow a Regulated Fund⁴ and one or more Affiliated Entities⁵ to engage in Co-Investment Transactions⁶ subject to the terms and conditions described herein. The Regulated Funds and Affiliated Entities that participate in a Co-Investment Transaction are collectively referred to herein as “*Participants*.”⁷ The Applicants do not seek relief for transactions effected consistent with Commission staff no-action positions.⁸

II. GENERAL DESCRIPTION OF THE APPLICANTS

Apollo Global Management, Inc. (“*AGM*”), a publicly traded company, owns controlling interests in the Advisers, and thus may be deemed to control the Regulated Funds and the Affiliated Entities. AGM, however, is a holding company and does not currently offer investment advisory services to any person, is not expected to do so in the future, and will not be the source of any Co-Investment Transactions under the requested Order. Accordingly, AGM has not been included as an Applicant.

⁴ “*Regulated Fund*” means the Existing Regulated Funds and any Future Regulated Funds. “*Future Regulated Fund*” means an entity (a) that is a closed-end management investment company registered under the 1940 Act, or a closed-end management investment company that has elected to be regulated as a business development company under the 1940 Act, (b) whose (1) primary investment adviser or (2) sub-adviser is an Adviser (as defined below) and (c) that intends to engage in Co-Investment Transactions. If an Adviser serves as sub-adviser to a Regulated Fund whose primary adviser is not also an Adviser, such primary adviser shall be deemed to be an Adviser with respect to conditions 3 and 4 only.

The term Regulated Fund also includes (a) any Wholly-Owned Investment Sub (as defined below) of a Regulated Fund, (b) any Joint Venture (as defined below) of a Regulated Fund, and (c) any BDC Downstream Fund (as defined below) of a Regulated Fund that is a business development company. “*Wholly-Owned Investment Sub*” means an entity: (a) that is a “wholly-owned subsidiary” (as defined in Section 2(a)(43) of the 1940 Act) of a Regulated Fund; (b) whose sole business purpose is to hold one or more investments and which may issue debt on behalf or in lieu of such Regulated Fund; and (c) is not a registered investment company or a business development company. “*Joint Venture*” means an unconsolidated joint venture subsidiary of a Regulated Fund, in which all portfolio decisions, and generally all other decisions in respect of such joint venture, must be approved by an investment committee consisting of representatives of the Regulated Fund and the unaffiliated joint venture partner (with approval from a representative of each required). “*BDC Downstream Fund*” means an entity (a) directly or indirectly controlled by a Regulated Fund that is a business development company, (b) that is not controlled by any person other than the Regulated Fund (except a person that indirectly controls the entity solely because it controls the Regulated Fund), (c) that would be an investment company but for Section 3(c)(1) or 3(c)(7) of the 1940 Act, (d) whose investment adviser is an Adviser and (e) that is not a Wholly-Owned Investment Sub.

In the case of a Wholly-Owned Investment Sub that does not have a chief compliance officer or a Board, the chief compliance officer and Board of the Regulated Fund that controls the Wholly-Owned Investment Sub will be deemed to serve those roles for the Wholly-Owned Investment Sub. In the case of a Joint Venture or a BDC Downstream Fund (as applicable) that does not have a chief compliance officer or a Board, the chief compliance officer of the Regulated Fund will be deemed to be the Joint Venture’s or BDC Downstream Fund’s chief compliance officer, and the Joint Venture’s or BDC Downstream Fund’s investment committee will be deemed to be the Joint Venture’s or BDC Downstream Fund’s Board.

⁵ “*Affiliated Entity*” means an entity not controlled by a Regulated Fund that intends to engage in Co-Investment Transactions and that is (a) with respect to a Regulated Fund, another Regulated Fund; (b) an Adviser or its affiliates (other than an open-end investment company registered under the 1940 Act), and any direct or indirect, wholly- or majority-owned subsidiary of an Adviser or its affiliates (other than of an open-end investment company registered under the 1940 Act), that is participating in a Co-Investment Transaction in a principal capacity; or (c) any entity that would be an investment company but for Section 3(c) of the 1940 Act or Rule 3a-7 thereunder and whose investment adviser is an Adviser.

To the extent that an entity described in clause (b) is not advised by an Adviser, such entity shall be deemed to be an Adviser for purposes of the conditions.

⁶ “*Co-Investment Transaction*” means the acquisition or Disposition of securities of an issuer in a transaction effected in reliance on the Order or previously granted relief.

⁷ “*Adviser*” means the Existing Advisers, and any other investment adviser controlling, controlled by, or under common control with the Existing Advisers. The term “Adviser” also includes any internally-managed Regulated Fund.

⁸ See, e.g., Massachusetts Mutual Life Insurance Co. (pub. avail. June 7, 2000), Massachusetts Mutual Life Insurance Co. (pub. avail. July 28, 2000) and SMC Capital, Inc. (pub. avail. Sept. 5, 1995).

A. MFIC and Merx

MFIC is a specialty finance company that is a closed-end, diversified management investment company incorporated in Maryland. MFIC has elected to be regulated as a BDC under the 1940 Act, has qualified and elected to be treated as a regulated investment company (“**RIC**”) under Subchapter M of the Internal Revenue Code of 1986, as amended (the “**Code**”), and intends to continue to qualify as a RIC in the future.

MFIC’s investment objective is to generate both current income and capital appreciation through debt and equity investments. MFIC invests primarily in middle market companies, where it believes the supply of primary capital is limited and investment opportunities are most attractive. MFIC’s primary investment mandate (as more fully described in MFIC’s disclosure documents, as may be amended or supplemented from time to time) is to focus on senior secured loans and subordinated and mezzanine investments and/or equity in private middle market companies, which may include an equity component such as warrants. MFIC may also invest in the securities of public companies. In addition, MFIC and its affiliated persons, as defined in Section 2(a)(3)(C) of the 1940 Act (“**Affiliates**”), together have the ability to provide “one stop” financing with the ability to hold larger investments than many of MFIC’s competitors. The ability to hold larger investments benefits MFIC’s stockholders by: (i) increasing flexibility, (ii) broadening market relationships and access to deal flow, (iii) allowing MFIC to optimize its portfolio composition, (iv) allowing MFIC to provide capital to middle market companies, which MFIC believes currently have limited access to capital from traditional lending sources, and (v) potentially increasing the availability of more favorable investment terms and protections.

MFIC’s business and affairs are managed under the direction of a board of directors, which currently consists of seven members, four of whom are not “interested” persons of MFIC within the meaning of Section 2(a)(19) of the 1940 Act (the “**MFIC Board**”).⁹ The MFIC Board has delegated daily management and investment authority to AIM pursuant to an investment advisory and management agreement (the “**Investment Advisory Agreement**”). Apollo Investment Administration, LLC (“**Apollo Administration**”) serves as MFIC’s administrator pursuant to an administration agreement.

Merx, a vehicle owned by MFIC to engage in aircraft leasing and related businesses, is a Delaware limited liability company. If Applicants receive the requested Order, Merx may on occasion engage in Co-Investment Transactions with other Regulated Funds and with Affiliated Entities. MFIC owns 100% of the equity, and has sole control, of Merx. As such, Merx qualifies as a Wholly-Owned Investment Sub. Merx engages primarily in aircraft operating and leasing activities and is thus excluded from investment company status under Section 3(a) of the 1940 Act.

B. ADS

ADS is a specialty finance company that is a closed-end, diversified management investment company organized as a Delaware statutory trust. ADS has elected to be regulated as a BDC under the 1940 Act and has elected to be treated as a RIC under Subchapter M of the Code, and intends to qualify annually thereafter as a RIC.

ADS’ investment objectives are to generate current income and, to a lesser extent, long-term capital appreciation. ADS seeks to invest primarily in certain directly originated assets, including debt securities, made to or issued by large private U.S. borrowers, which it generally defines as companies with more than \$75 million in earnings before interest, taxes, depreciation and amortization (“**EBITDA**”). ADS invests primarily in private credit opportunities in directly originated assets, including loans and other debt securities, made to or issued by large private U.S. borrowers, with a strong emphasis on senior secured lending. Under normal circumstances, ADS invests directly or indirectly at least 80% of its total assets (net assets plus borrowings for investment purposes) in debt instruments of varying maturities.

⁹ The Board of each Future Regulated Fund will consist of a majority of members who are not “interested persons” of such Future Regulated Fund within the meaning of Section 2(a)(19) of the 1940 Act.

ADS' business and affairs are managed under the direction of a board of trustees, which currently consists of five members, four of whom are not "interested" persons of ADS within the meaning of Section 2(a)(19) of the 1940 Act (the "**ADS Board**").

ADCF pursues its investment objective through a "multi-asset" approach across private and public credit markets and is centered around five key strategy pillars: (1) corporate direct lending, (2) asset-backed lending, (3) performing credit, (4) dislocated credit and (5) structured credit. Under normal market conditions, ADCF will invest at least 80% of its total assets (net assets plus borrowings for investment purposes) in debt securities.

ADCF's business and affairs are managed under the direction of a board of trustees, which currently consists of five members, four of whom are not "interested" persons of ADCF within the meaning of Section 2(a)(19) of the 1940 Act (the "**ADCF Board**").

ASPM's investment objective is to seek to provide long-term capital appreciation. ASPM intends to pursue its investment objective by investing in a portfolio of private equity, private credit and other private assets (collectively, "**private market investments**"). The Fund's private market investments predominantly focus on private equity (including buyout and growth equity) and private credit strategies, and may opportunistically include select exposures in other private markets strategies including real assets, infrastructure and venture capital, among others. Under normal circumstances, ASPM seeks to invest at least 80% of its net assets (plus the amount of any borrowings for investment purposes) in private market investments.

ASPM's business and affairs are managed under the direction of a board of trustees, which consists of five members, four of whom are not "interested" persons of ASPM within the meaning of Section 2(a)(19) of the 1940 Act (the "**ASPM Board**").

E. MAIPL

MAIPL is a closed-end, non-diversified management investment company organized as a Delaware statutory trust. MAIPL has elected to be regulated as a BDC under the 1940 Act and intends to elect to be treated as a RIC under Subchapter M of the Code, and intends to qualify annually thereafter as a RIC.

MAIPL's investment objectives are to generate current income and, to a lesser extent, long-term capital appreciation. MAIPL seeks to invest primarily in certain directly originated assets, including debt securities, made to or issued by private U.S. borrowers. MAIPL invests primarily in private credit opportunities in directly originated assets, including loans and other debt securities, made to or issued by private U.S. borrowers. Under normal circumstances, MAIPL invests directly or indirectly at least 80% of its total assets (net assets plus borrowings for investment purposes) in debt instruments of varying maturities issued by middle market companies.

MAIPL's business and affairs are managed under the direction of a board of trustees, which currently consists of five members, three of whom are not "interested" persons of MAIPL within the meaning of Section 2(a)(19) of the 1940 Act (the "**MAIPL Board**").

F. LA Fund

LA Fund is a continuously offered, diversified, closed-end management investment company registered under the 1940 Act that is operated as an interval fund and is organized as a Delaware statutory trust. LA Fund intends to elect to be treated as a RIC under Subchapter M of the Code, and intends to qualify annually thereafter as a RIC.

LA Fund's investment objective is to provide total return. LA Fund pursues its investment objective by combining two complementary sets of investment strategies: (i) short duration liquid credit, which will be managed by Lord Abbett FIF Advisor LLC ("**Lord Abbett**");¹⁰ and (ii) a private credit strategy that will consist of asset-backed credit and private direct lending, which will be managed by ACM.

The LA Fund's business and affairs are managed under the direction of a board of trustees, which currently consists of four trustees, three of whom are not "interested" persons of the LA Fund within the meaning of Section 2(a)(19) of the 1940 Act (the "**LA Fund Board**").

G. ADREF

ADREF's business and affairs are managed under the direction of a board of trustees, which currently consists of four members, three of whom are not "interested" persons of ADREF within the meaning of Section 2(a)(19) of the 1940 Act (the "**ADREF Board**").

AOP II (L) seeks to invest, directly or indirectly, globally across private credit opportunities, primarily investing in certain originated, secured loans or similar financial instruments, including bonds, debentures and other debt securities, made to or issued by corporate borrowers and issuers that generally generate on an annual basis \$100 million or greater in EBITDA, and, to the extent applicable, equity-kickers or similar financial instruments issued, received or otherwise purchased in connection with such investment opportunities. For at least 80% of its portfolio, AOP II (L) intends to target loans to large private U.S. borrowers.

AOP II (L)'s business and affairs are managed under the direction of a board of trustees, which currently consists of three members, two of whom are not "interested" persons of AOP II (L) within the meaning of Section 2(a)(19) of the 1940 Act (the "**AOP II (L) Board**").

I. AOP II (UL)

¹⁰ Lord Abbett is not (i) an affiliated person (as defined in Section 2(a)(3) of the 1940 Act) of ACM; or (ii) an affiliated person of an affiliated person of ACM, except for the affiliation that arises as a result of serving as the investment adviser to LA Fund that is subadvised by ACM.

AOP II (UL) is a specialty finance company that is a closed-end, non-diversified management investment company organized as a Delaware statutory trust. AOP II (UL) has elected to be regulated as a BDC under the 1940 Act and intends to elect to be treated as a RIC under Subchapter M of the Code, and intends to qualify annually thereafter as a RIC.

AOP II (UL)'s investment objectives are to generate current income and, to a lesser extent, long-term capital appreciation. AOP II (UL) seeks to invest, directly or indirectly, globally across private credit opportunities, primarily investing in certain originated, secured loans or similar financial instruments, including bonds, debentures and other debt securities, made to or issued by corporate borrowers and issuers that generally generate on an annual basis \$100 million or greater in earnings before interest, taxes, depreciation and amortization EBITDA, and, to the extent applicable, equity-kickers or similar financial instruments issued, received or otherwise purchased in connection with such investment opportunities. For at least 80% of its portfolio, AOP II (UL) intends to target loans to large private U.S. borrowers.

AOP II (UL)'s business and affairs are managed under the direction of a board of trustees, which currently consists of three members, two of whom are not "interested" persons of AOP II (UL) within the meaning of Section 2(a)(19) of the 1940 Act (the "**AOP II (UL) Board**" and, together with the MFIC Board, the ADS Board, the ADCF Board, the ASPM Board, the MAIPL Board, the LA Fund Board, the ADREF Board, the AOP II (L) Board and the board of directors or trustees of any Future Regulated Fund, the "**Board**").

In addition, Apollo Administration oversees MFIC in determining and publishing MFIC's net asset value, oversees the preparation and filing of MFIC's tax returns and the printing and dissemination of reports to MFIC's stockholders, and generally oversees the payment of MFIC's expenses and the performance of administrative and professional services rendered to MFIC by others.

Both AIM and Apollo Administration are indirect subsidiaries of AGM, Affiliates of which are or will be the investment advisers to the Affiliated Entities.

ACM serves as the investment sub-adviser to ADCF and the LA Fund pursuant to sub-advisory agreements with ACC and Lord Abbett, respectively. Pursuant to administration agreements, ACM serves as the administrator to ADS, ADCF, MAIPL, AOP II (L) and AOP II (UL).

N. AREF

AREF is a Delaware limited liability company that is registered under the Advisers Act. Pursuant to an investment advisory agreement, AREF serves as the investment adviser to ADREF. Pursuant to an administration agreement, AREF serves as the administrator to ADREF.

O. The Existing Affiliated Funds and Existing Proprietary Accounts

The Existing Advisers to Affiliated Entities are the investment advisers to the Existing Affiliated Funds. Each of the Existing Advisers to Affiliated Entities is registered as an investment adviser under the Advisers Act. A complete list of the Existing Affiliated Funds and the Existing Advisers to Affiliated Entities is included in Appendix A.

Each Existing Proprietary Account is subject to oversight by an Adviser. As a result, an Adviser will ensure compliance by each Existing Proprietary Account with the Conditions of the Order in the same manner in which an Adviser will ensure compliance by each Affiliated Entity with the Conditions of the Order. The Existing Proprietary Accounts are included in Appendix A.

III. ORDER REQUESTED

The Applicants request an Order of the Commission under Sections 17(d) and 57(i) of the 1940 Act and Rule 17d-1 thereunder to permit, subject to the terms and conditions set forth below in this Application (the “**Conditions**”), each Regulated Fund to be able to participate with one or more Affiliated Entities in Co-Investment Transactions otherwise prohibited by Sections 17(d) and 57(a)(4) of the 1940 Act and Rule 17d-1 thereunder.

A. Applicable Law

Section 17(d), in relevant part, prohibits an affiliated person, or an affiliated person of such affiliated person, of a registered investment company, acting as principal, from effecting any transaction in which the registered investment company is “a joint or a joint and several participant with such person” in contravention of such rules as the SEC may prescribe “for the purpose of limiting or preventing participation by such [fund] on a basis different from or less advantageous than that of such other participant.”

Rule 17d-1 prohibits an affiliated person, or an affiliated person of such affiliated person, of a registered investment company, acting as principal, from participating in, or effecting any transaction in connection with, any “joint enterprise or other joint arrangement or profit-sharing plan”¹¹ in which the fund is a participant without first obtaining an order from the SEC.

¹¹ Rule 17d-1(c) defines a “[j]oint enterprise or other joint arrangement or profit-sharing plan” to include, in relevant part, “any written or oral plan, contract, authorization or arrangement or any practice or understanding concerning an enterprise or undertaking whereby a registered investment company ... and any affiliated person of or principal underwriter for such registered company, or any affiliated person of such a person or principal underwriter, have a joint or a joint and several participation, or share in the profits of such enterprise or undertaking”

Section 57(a)(4), in relevant part, prohibits any person related to a business development company in the manner described in Section 57(b), acting as principal, from knowingly effecting any transaction in which the business development company is a joint or a joint and several participant with such persons in contravention of such rules as the Commission may prescribe for the purpose of limiting or preventing participation by the business development company on a basis less advantageous than that of such person. Section 57(i) provides that, until the SEC prescribes rules under Section 57(a), the SEC's rules under Section 17(d) applicable to registered closed-end investment companies will be deemed to apply to persons subject to the prohibitions of Section 57(a). Because the SEC has not adopted any rules under Section 57(a), Rule 17d-1 applies to persons subject to the prohibitions of Section 57(a).

Rule 17d-1(b) provides, in relevant part, that in passing upon applications under the rule, the Commission will consider whether the participation of a registered investment company in a joint enterprise, joint arrangement or profit-sharing plan on the basis proposed is consistent with the provisions, policies and purposes of the 1940 Act and the extent to which such participation is on a basis different from or less advantageous than that of other participants.

B. Need for Relief

Each Regulated Fund may be deemed to be an affiliated person of each other Regulated Fund within the meaning of Section 2(a)(3) if it is deemed to be under common control because an Adviser is or will be either the investment adviser or sub-adviser to each Regulated Fund. Section 17(d) and Section 57(b) apply to any investment adviser to a closed-end fund or a business development company, respectively, including a sub-adviser. Thus, an Adviser and any Affiliated Entities that it advises could be deemed to be persons related to Regulated Funds in a manner described by Sections 17(d) and 57(b). The Existing Advisers are each controlled by Apollo Global Management, Inc., a publicly traded company, and are thus affiliated persons of each other. Accordingly, with respect to the Existing Advisers, and any other Advisers that are deemed to be affiliated persons of each other, Affiliated Entities advised by any of them could be deemed to be persons related to Regulated Funds (or a company controlled by a Regulated Fund) in a manner described by Sections 17(d) and 57(b). In addition, any entities or accounts controlled by or under common control with the Existing Advisers and/or any other Advisers that are deemed to be affiliated persons of each other that may, from time to time, hold various financial assets in a principal capacity, could be deemed to be persons related to Regulated Funds (or a company controlled by a Regulated Fund) in a manner described by Sections 17(d) and 57(b). Finally, with respect to any Wholly-Owned Investment Sub, Joint Venture, or BDC Downstream Fund of a Regulated Fund, such entity would be a company controlled by its parent Regulated Fund for purposes of Section 57(a)(4) of the 1940 Act and Rule 17d-1 under the 1940 Act.

C. Conditions

Applicants agree that any Order granting the requested relief will be subject to the following Conditions.

1. Same Terms. With respect to any Co-Investment Transaction, each Regulated Fund, and Affiliated Entity participating in such transaction will acquire, or dispose of, as the case may be, the same class of securities, at the same time, for the same price and with the same conversion, financial reporting and registration rights, and with substantially the same other terms (provided that the settlement date for an Affiliated Entity may occur up to ten business days after the settlement date for the Regulated Fund, and vice versa). If a Participant, but not all of the Regulated Funds, has the right to nominate a director for election to a portfolio company's board of directors, the right to appoint a board observer or any similar right to participate in the governance or management of a portfolio company, the Board of each Regulated Fund that does not hold this right must be given the opportunity to veto the selection of such person.¹²

¹² Such a Board can also, consistent with applicable fund documents, facilitate this opportunity by delegating the authority to veto the selection of such person to a committee of the Board.

2. Existing Investments in the Issuer. Prior to a Regulated Fund acquiring in a Co-Investment Transaction a security of an issuer in which an Affiliated Entity has an existing interest in such issuer, the “required majority,” as defined in Section 57(o) of the 1940 Act,¹³ of the Regulated Fund (“**Required Majority**”) will take the steps set forth in Section 57(f) of the 1940 Act,¹⁴ unless: (i) the Regulated Fund already holds the same security as each such Affiliated Entity; and (ii) the Regulated Fund and each other Affiliated Entity holding the security is participating in the acquisition in approximate proportion to its then-current holdings.

3. Related Expenses. Any expenses associated with acquiring, holding or disposing of any securities acquired in a Co-Investment Transaction, to the extent not borne by the Adviser(s), will be shared among the Participants in proportion to the relative amounts of the securities being acquired, held or disposed of, as the case may be.¹⁵

4. No Remuneration. Any transaction fee¹⁶ (including break-up, structuring, monitoring or commitment fees but excluding broker’s fees contemplated by Section 17(e) or 57(k) of the 1940 Act, as applicable), received by an Adviser and/or a Participant in connection with a Co-Investment Transaction will be distributed to the Participants on a pro rata basis based on the amounts they invested or committed, as the case may be, in such Co-Investment Transaction. If any transaction fee is to be held by an Adviser pending consummation of the transaction, the fee will be deposited into an account maintained by the Adviser at a bank or banks having the qualifications prescribed in Section 26(a)(1) of the 1940 Act, and the account will earn a competitive rate of interest that will also be divided pro rata among the Participants based on the amount they invest in such Co-Investment Transaction. No Affiliated Entity, Regulated Fund, or any of their affiliated persons will accept any compensation, remuneration or financial benefit in connection with a Regulated Fund’s participation in a Co-Investment Transaction, except: (i) to the extent permitted by Section 17(e) or 57(k) of the 1940 Act; (ii) as a result of either being a Participant in the Co-Investment Transaction or holding an interest in the securities issued by one of the Participants; or (iii) in the case of an Adviser, investment advisory compensation paid in accordance with investment advisory agreement(s) with the Regulated Fund(s) or Affiliated Entity(ies).

5. Co-Investment Policies. Each Adviser (and each Affiliated Entity that is not advised by an Adviser) will adopt and implement policies and procedures reasonably designed to ensure that: (i) opportunities to participate in Co-Investment Transactions are allocated in a manner that is fair and equitable to every Regulated Fund; and (ii) the Adviser negotiating the Co-Investment Transaction considers the interest in the Transaction of any participating Regulated Fund (the “**Co-Investment Policies**”). Each Adviser (and each Affiliated Entity that is not advised by an Adviser) will provide its Co-Investment Policies to the Regulated Funds and will notify the Regulated Funds of any material changes thereto.¹⁷

¹³ Section 57(o) defines the term “required majority,” in relevant part, with respect to the approval of a proposed transaction, as both a majority of a BDC’s directors who have no financial interest in the transaction and a majority of such directors who are not interested persons of the BDC. In the case of a Regulated Fund that is not a BDC, the Board members that constitute the Required Majority will be determined as if such Regulated Fund were a BDC subject to Section 57(o) of the 1940 Act.

¹⁴ Section 57(f) provides for the approval by a Required Majority of certain transactions on the basis that, in relevant part: (i) the terms of the transaction, including the consideration to be paid or received, are reasonable and fair to the shareholders of the BDC and do not involve overreaching of the BDC or its shareholders on the part of any person concerned; (ii) the proposed transaction is consistent with the interests of the BDC’s shareholders and the BDC’s policy as recited in filings made by the BDC with the Commission and the BDC’s reports to shareholders; and (iii) the BDC’s directors record in their minutes and preserve in their records a description of the transaction, their findings, the information or materials upon which their findings were based, and the basis for their findings.

¹⁵ Expenses of an individual Participant that are incurred solely by the Participant due to its unique circumstances (such as legal and compliance expenses) will be borne by such Participant.

¹⁶ Applicants are not requesting and the Commission is not providing any relief for transaction fees received in connection with any Co-Investment Transaction.

¹⁷ The Affiliated Entities may adopt shared Co-Investment Policies.

6. Dispositions:

(a) Prior to any Disposition¹⁸ by an Affiliated Entity of a security acquired in a Co-Investment Transaction, the Adviser to each Regulated Fund that participated in the Co-Investment Transaction will be notified and each such Regulated Fund given the opportunity to participate pro rata based on the proportion of its holdings relative to the other Affiliated Entities participating in such Disposition.

(b) Prior to any Disposition by a Regulated Fund of a security acquired in a Co-Investment Transaction, the Required Majority will take the steps set forth in Section 57(f) of the 1940 Act, unless: (i) each Affiliated Entity holding the security participates in the Disposition in approximate proportion to its then-current holding of the security; or (ii) the Disposition is a sale of a Tradable Security.¹⁹

7. Board Oversight

(a) Each Regulated Fund's directors will oversee the Regulated Fund's participation in the co-investment program in the exercise of their reasonable business judgment.

(b) Prior to a Regulated Fund's participation in Co-Investment Transactions, the Regulated Fund's Board, including a Required Majority, will: (i) review the Co-Investment Policies, to ensure that they are reasonably designed to prevent the Regulated Fund from being disadvantaged by participation in the co-investment program; and (ii) approve policies and procedures of the Regulated Fund that are reasonably designed to ensure compliance with the terms of the Order.

(c) At least quarterly, each Regulated Fund's Adviser and chief compliance officer (as defined in Rule 38a-1(a)(4)) will provide the Regulated Fund Boards with reports or other information requested by the Board related to a Regulated Fund's participation in Co-Investment Transactions and a summary of matters, if any, deemed significant that may have arisen during the period related to the implementation of the Co-Investment Policies and the Regulated Fund's policies and procedures approved pursuant to (b) above.

(d) Every year, each Regulated Fund's Adviser and chief compliance officer will provide the Regulated Fund's Board with reports or other information requested by the Board related to the Regulated Fund's participation in the co-investment program and any material changes in the Affiliated Entities' participation in the co-investment program, including changes to the Affiliated Entities' Co-Investment Policies.

(e) The Adviser and the chief compliance officer will also notify the Regulated Fund's Board of a compliance matter related to the Regulated Fund's participation in the co-investment program and related Co-Investment Policies or the Regulated Fund's policies and procedures approved pursuant to (b) above that a Regulated Fund's chief compliance officer considers to be material.

8. Recordkeeping. All information presented to the Board pursuant to the order will be kept for the life of the Regulated Fund and at least two years thereafter, and will be subject to examination by the Commission and its Staff. Each Regulated Fund will maintain the records required by Section 57(f)(3) as if it were a business development company and each of the Co-Investment Transactions were approved by the Required Majority under Section 57(f).²⁰

¹⁸ "**Disposition**" means the sale, exchange, transfer or other disposition of an interest in a security of an issuer.

¹⁹ "**Tradable Security**" means a security which trades: (i) on a national securities exchange (or designated offshore securities market as defined in Rule 902(b) under the Securities Act of 1933, as amended) and (ii) with sufficient volume and liquidity (findings which are to be made in good faith and documented by the Advisers to any Regulated Funds) to allow each Regulated Fund to dispose of its entire remaining position within 30 days at approximately the price at which the Regulated Fund has valued the investment.

²⁰ If a Regulated Fund enters into a transaction that would be a Co-Investment Transaction pursuant to this Order in reliance on another exemptive order instead of this Order, the information presented to the Board and records maintained by the Regulated Fund will expressly indicate the order relied upon by the Regulated Fund to enter into such transaction.

9. In the event that the Commission adopts a rule under the 1940 Act allowing co-investments of the type described in this Application, any relief granted by the Order will expire on the effective date of that rule.

IV. STATEMENT IN SUPPORT OF RELIEF REQUESTED

Applicants submit that allowing the Co-Investment Transactions described by this Application is justified on the basis of (i) the potential benefits to the Regulated Funds and their respective shareholders and (ii) the protections found in the terms and conditions set forth in this Application.

A. Potential Benefits to the Regulated Funds and their Shareholders

Section 57(a)(4) and Rule 17d-1 (as applicable) limit the ability of the Regulated Funds to participate in attractive co-investment opportunities under certain circumstances. If the relief is granted, the Regulated Funds should: (i) be able to participate in a larger number and greater variety of investments, thereby diversifying their portfolios and providing related risk-limiting benefits; (ii) be able to participate in larger financing opportunities, including those involving issuers with better credit quality, which otherwise might not be available to investors of a Regulated Fund's size; (iii) have greater bargaining power (notably with regard to creditor protection terms and other similar investor rights), more control over the investment and less need to bring in other external investors or structure investments to satisfy the different needs of external investors; (iv) benefit from economies of scale by sharing fixed expenses associated with an investment with the other Participants; and (v) be able to obtain better deal flow from investment bankers and other sources of investments.

B. Shareholder Protections

Each Co-Investment Transaction would be subject to the terms and conditions of this Application. The Conditions are designed to address the concerns underlying Sections 17(d) and 57(a)(4) and Rule 17d-1 by ensuring that participation by a Regulated Fund in any Co-Investment Transaction would not be on a basis different from or less advantageous than that of other Participants. Under Condition 5, each Adviser (and each Affiliated Entity that is not advised by an Adviser) will adopt and implement Co-Investment Policies that are reasonably designed to ensure that (i) opportunities to participate in Co-Investment Transactions are allocated in a manner that is fair and equitable to every Regulated Fund; and (ii) the Adviser negotiating the Co Investment Transaction considers the interest in the Transaction of any participating Regulated Fund. The Co-Investment Policies will require an Adviser to make an independent determination of the appropriateness of a Co-Investment Transaction and the proposed allocation size based on each Participant's specific investment profile and other relevant characteristics.

V. PRECEDENTS

The Commission has previously issued orders permitting certain investment companies subject to regulation under the 1940 Act and their affiliated persons to be able to participate in Co-Investment Transactions (the "**Existing Orders**").²¹ Similar to the Existing Orders, the Conditions described herein are designed to mitigate the possibility for overreaching and to promote fair and equitable treatment of the Regulated Funds. Accordingly, the Applicants submit that the scope of investor protections contemplated by the Conditions are consistent with those found in the Existing Orders.
